

## Little Girl 181

Chapter 181: What Is The Child's Name?

"Yes." Li Shunan lowered his eyes." So I sent them to the pet shop to be washed.

Jiang Lingzhi was speechless.

"You should have said so earlier. If you had said so earlier, we would have sent it to the pet shop to wash it."

Look at what happened.

Now that his fur was wet, he couldn't just carry it to the pet shop halfway.

Li Shunan held the shower in his hand and stared at her condescendingly. He smiled faintly."I thought you wanted to experience being a mother. Sense." Jiang Lingzhi was speechless.

She didn't know what was wrong with this person. Once he spoke, it was easy for people to misunderstand.

Jiang Lingzhi ignored him. She lowered her head and comforted the little pumpkin in her arms."Little Pumpkin must be a little afraid of water."

After saying that, she coaxed him softly," Don't be afraid. Your fur is dirty. I'll wash it for you. Be good."

The girl was wearing a summer short-sleeved school uniform. She sat on a small stool with her hair tied into a ponytail, revealing the back of her fair neck.

A few strands of hair brushed past her cheeks, making her look obedient and soft.

She was carrying a small orange cat in her arms, and her voice was exceptionally gentle.

Li Shunan leaned against the bathroom wall and stared at her for a while.

He felt that he might have been infected by that idiot Sun Sanhuo.

In just a short while, he couldn't help but start thinking about what the name of the child he and the little girl would have in the future would be.

Crazy.

Li Shunan's Adam's apple bobbed slightly. He stood up straight and said lazily, "'11 go prepare a towel."

Jiang Lingzhi looked up at him."

Li Shunan stared into her eyes. His fingertips paused for a moment before he looked away and turned to leave.

Little Pumpkin gradually calmed down and was no longer as resistant as before.

Jiang Lingzhi felt that the time had come.

After testing the temperature of the water, he put it into the bathtub as carefully as possible.

However, as soon as he put it in, Little Pumpkin exploded.

At this moment, its body was already wet, and it was crawling out of the bathtub on all four feet.

Meow

His voice was as tragic as it could be.

The scene was a little funny.

Its fur was originally fluffy, but now that it was wet and stuck to its body, it looked even smaller.

Little Pumpkin immediately threw herself into Jiang Lingzhi's arms.

It flopped a few times, splashing water everywhere.

The fur on his body was wet.

Jiang Lingzhi carefully hugged it and put it back. She repeated this a few times before she finally finished bathing it with difficulty.

Jiang Lingzhi felt powerless and had nothing to live for."Little Pumpkin, you're really hard to please!"

Next time, he would take it to the pet shop to wash it.

The water in the basin had been drained, and it was finally willing to stay inside.

Jiang Lingzhi got up and pushed the bathroom door open.

Li Shunan leaned against the wall outside the bathroom door. He was tall and slender, holding a phone in his hand.

Jiang Lingzhi sighed." Where's the towel?"

The bathroom door was pulled open, and faint steam wafted out.

Hearing her voice, Li Shunan turned around and looked down.

His eyes met hers. In the next second, he realized that something was wrong and slowly moved down.

When his gaze fell on her heart, his fingers that were holding the phone froze.

His gaze paused for half a second.

The tip of Li Shunan's throat rolled, and he quickly looked away. He stood up straight and put his phone back into his pocket.

Jiang Lingzhi blinked her eyes and felt that his reaction was a little strange.

She saw the boy turn around and walk straight to the wardrobe. He took a piece of clothing from it and walked over.

Jiang Lingzhi stared at the white clothes in his hands for a while.

It didn't seem to be a towel.

She looked up and was about to ask him.

Li Shunan had already walked up to her. He raised his hand and threw a T-shirt

on top of her head..

## Chapter 182: Little Strawberry

Jiang Lingzhi pulled the clothes off her head and stared at him in confusion. "What are you doing?" Li Shunan's eyes were fixed elsewhere.

Jiang Lingzhi:

"My clothes are wet." Li Shunan's throat rolled down, and his voice was a little hoarse.

Jiang Lingzhi did not feel it when she was in the bathroom just now, but now that the bathroom door was opened, she felt a chill in her chest.

She lowered her head to take a look.

The chest of the white school uniform was soaked and almost transparent. The style of the bra could be seen clearly.

Especially.

She was wearing a white underwear with a black edge and red strawberries on it.

After her clothes were wet, she could see the little strawberries on them clearly.

Jiang Lingzhi was speechless.

In an instant, Jiang Lingzhi felt as if her ears were burning.

She thought about how she had been showing off in front of the boy just now.

Jiang Lingzhi wanted to die.

With a bang, the bathroom door was slammed shut.

Jiang Lingzhi leaned against the bathroom door, and her mind was blank.

With her current ability, she couldn't digest this matter easily.

Did you see that?

Probably not, right?

After a while, someone knocked on the bathroom door.

The boy's deep and magnetic voice slowly sounded from outside. There was no trace of abnormality.

"Bring the little pumpkin out. I'll go and dry it first."

The sound of the hairdryer came from outside the living room.

Jiang Lingzhi hid in his room and covered her face. She really felt too ashamed to face anyone.

If only he could die on the spot.

He wouldn't have to face all this.

It really saved her life.

Jiang Lingzhi buried her face in her palms in frustration again.

She counted how many times she had embarrassed herself in front of him.

Last time, she cried so ugly-looking.

It was too embarrassing.

Jiang Lingzhi lowered her head and looked at the clothes in her hands. It was a white t-shirt for a boy, and she sighed deeply.

She couldn't stay in his room forever.

After dawdling for a while, Jiang Lingzhi still changed into it.

He still had to face it.

Maybe, maybe he didn't see anything.

He sounded quite calm just now.

Jiang Lingzhi comforted herself in her heart.

The boy's clothes were a little loose.

Jiang Lingzhi tucked her clothes into her pants, and it did not look so loose.

The sound of the hairdryer outside had stopped at some point.

Jiang Lingzhi carefully opened the door and went to the living room. Li Shunan had already dried the little pumpkin's fur with the hairdryer.

The boy was sitting on the sofa in the living room. He had one leg bent and was standing on the edge of the sofa while the other long leg was casually stretching.

He held her physics summary in his hand and leaned back slightly, looking lazy and tired.

The little pumpkin was nestled on his waist and abdomen. Its eyes were closed and it did not move at all. It looked very comfortable.

That scene was a little beautiful.

Jiang Lingzhi stood there and lost her mind for a moment.

After a while, she finally reacted.

Jiang Lingzhi swallowed her saliva and retracted her gaze. She walked over slowly and pretended to be calm as she asked, "What are you looking at?"

Hearing her voice, the boy put down the documents in his hand and turned to look at her.

When he saw her outfit, his gaze was somewhat ambiguous.

He was clearly wearing clothes, so why was it that when he saw her, his mind inexplicably linked it to the scene he had just seen?

Little strawberry.

Li Shunan raised his eyebrows and looked away. He stretched out his long arm and took a book from the coffee table and handed it to her. "This is for you." He didn't mention anything about what had just happened.

Jiang Lingzhi heaved a sigh of relief and leaned over to take a look. "What is it?"

Chapter 183: Snickering Again

"Finnegan's Wake?" Jiang Lingzhi took the book and looked at him in confusion. "Why are you giving me this?"

Li Shunan looked up and said casually, "Don't borrow other people's things casually. It's not good."

Borrowing other people's things?

Jiang Lingzhi stared at the book in her hand for a few seconds, and she suddenly remembered before she was assigned to a class.

The class monitor seemed to want to lend her this book.

Jiang Lingzhi was speechless.

It had been so long that she had almost forgotten about it.

Why did he still remember?

Moreover, ever since they were assigned to different classes, she had not spoken to the class monitor.

She had forgotten about borrowing books.

Did he just say that it was not good to borrow someone else's?

He spoke as if he was not someone else.

Jiang Lingzhi sat down on the sofa, and the corners of her lips curled up. "Oh, when will you return it?"

Li Shunan turned around and stared at her with a playful look. "What do you think?"

Jiang Lingzhi blinked her eyes and muttered softly, "I said, then I won't return it."

She sat on the sofa and flipped open the book to take a look at the table of contents.

Suddenly, her dimples were lightly touched by someone.

"You're laughing again."

Jiang Lingzhi's fingers that were flipping through the book paused, and she suddenly felt a little nervous. She subconsciously raised her hand to touch the corner of her lips. "No, you lied to me."

The boy lowered his eyes and rested an arm behind his head. He stared at the information book in his hand and smiled casually.

He was fooled again again.

Jiang Lingzhi resisted the urge to kick him. She glanced at the summary in his hand. "How much have you copied?"

Li Shunan looked up at her and said slowly, "It hasn't started yet." Jiang Lingzhi was speechless.

“Then hurry up and copy it. If you can’t finish it, you have to write a self-reflection tomorrow.” Jiang Lingzhi urged.

She had never written a self-reflection letter since she was young.

These few days, she had already broken many of her first times.

Jiang Lingzhi felt that her deterrence was not enough, so she added, ““This is the first time a teacher has asked me to write a self-reflection letter!”

It’s all thanks to you, classmate!

Li Shunan stared at her for a while with an ambiguous look in his eyes and suddenly smiled.

‘ Alright.’ He sat up straight on the sofa and took a pen from the coffee table. ‘I’ll copy it now.’

After a pause, he added unhurriedly, “The first time, you still have to keep it.”

Jiang Lingzhi was speechless.

When he returned home, it was already past seven in the evening.

Jiang Lingzhi opened the door and stuck her small head in to take a look. The living room was very quiet, and there seemed to be no one there.

Only a slight movement came from the kitchen.

After all, she was still wearing a boy’s shirt. Jiang Lingzhi did not dare to stay in the living room for long. She carried her school bag and went upstairs quietly.

She was prepared to go back to her room to change her clothes before coming down.

She pushed the door open and returned to her room.

Sitting in front of the desk was a girl with thick curly hair. Her back view could not hide her seductive charm.

Jiang Lingzhi was shocked, and her back was pressed against the door.

“Oh my god.”

He was so scared that his soul almost disappeared.

“You’re back?”

The girl did not even turn her head, her voice lazy and clear.

It was Fu Baixue.

Jiang Lingzhi heaved a sigh of relief.

For a moment, she thought that her mother was waiting for her in the room.

Jiang Lingzhi closed the door.” Why are you here today?”” Fu Baixue finally turned around and said lazily,”I came to see you.”

“What did you do wrong? Why are you so guilty?”

Jiang Lingzhi placed her bag on the desk and sat down by the bed.””No way.”

Fu Baixue narrowed her eyes and stared at her meaningfully for a while. Jiang Lingzhi was scared by her gaze..” What are you looking at?””

Chapter 184: So You Got It

Fu Baixue rubbed her chin and tapped her body with her fingertips.”Your clothes are not yours, right?”

Such a loose style was not her style.

It looked like a boy’s clothes.

Jiang Lingzhi was speechless.

Jiang Lingzhi’s face instantly turned red.

Fu Baixue smiled ambiguously. ””I haven’t seen you for a few days. She said she seemed to like it a few days ago, and she got it?”

”Can’t you use more elegant words?”Jiang Lingzhi endured it and corrected her.” What do you mean, f \* ck?””

”Then...” Fu Baixue rested her arm on the armrest of the chair and looked at her with a straight face.”You got it already?” “.”Jiang Lingzhi,”I’m not talking to you anymore.””

”Tell me, what happened?”

Fu Baixue was obviously very curious. She pulled her over and sat her down on the bed.

She sat on the chair opposite her, not letting Jiang Lingzhi escape. "I'm too curious. Tell me quickly."

Jiang Lingzhi bit her nails, and the corners of her lips could not help but curl

up. "I'm just a little sure that he likes me."

"And then?" Fu Baixue asked. Jiang Lingzhi blinked her eyes. "Then, there's nothing else." Fu Baixue was speechless.

Jiang Lingzhi was unhappy. "Why do you have such a disappointed expression?"

Fu Baixue instantly lost interest and said listlessly, "I thought there would be an exciting story to listen to."

Jiang Lingzhi puffed up her cheeks. "I'm still underage. I can't be early." Lian, how else do you want to stimulate me?"

"Little girl, you think a lot. Fu Baixue rubbed her head. "Love?"

Jiang Lingzhi was a little hesitant, and she said vaguely, "Morning. Love affects my studies. I want to apply for Nanjing University."

Fu Baixue sighed, "What an ambitious young man."

Jiang Lingzhi blushed. "Let's not talk about me. Let's talk about you."

She picked up a pillow from the bedside and hugged it in her arms. "How have you been recently?"

Fu Baixue sat on the chair and played with her fingers. "Isn't it just like that?"

Jiang Lingzhi said, "You two haven't reconciled yet?"

This time, they had been quarreling for a long time.

Fu Baixue looked up lazily. "Ah, I'm hiding from him. If I get caught, I'm afraid I'll be beaten up."

Jiang Lingzhi's eyes curved as she laughed at her.

Fu Baixue couldn't help but complain again. "You're talking about this person, right? He's really funny. We've already broken up. Besides, didn't he find a girl to piss me off first? I've seen the post on your school website. It even said that you're a vicious female supporting character."

"I'm dying of laughter."

"I've already broken up. Why can't I go on a date with a handsome Baixue rolled her eyes elegantly.

"What do you think of his eyes? He found someone with such a low rank. I didn't even want to argue with him." Jiang Lingzhi was speechless.

The two of them were clearly very childish.

After Fu Baixue finished complaining, she remembered her purpose for today. "By the way, I came over today to tell you something."

"What is it?"

Fu Baixue sat up straight and said seriously, "I'm going to participate in a competition soon. I've already signed up for it."

Jiang Lingzhi was stunned. "Really? Are you going to be a celebrity?"

Fu Baixue thought for a moment and nodded. "Probably."

Jiang Lingzhi quickly stood up and took a pen and paper from the table before passing them to her. "Then, before you become famous, give me your autograph. I'll sell it to Ah Ci and make a lot of money!"

Fu Baixue was speechless..

Chapter 185: I Caught You This Time

"Don't be naughty with me." Fu Baixue pretended to tickle her.

Jiang Lingzhi smiled as she shrank back.

She seemed to have thought of something, and her black eyes moved. "By the way, is it a secret that you're participating in the competition?"

Fu Baixue knew what she was thinking when she saw her expression. She said casually, "Not really. You'll know after the competition anyway. I'm just telling you in advance."

Jiang Lingzhi started to make plans in her heart.

She thought of something, and the corners of her mouth almost reached her temples. She couldn't stop laughing.

"Little miser." Fu Baixue was speechless.

Jiang Lingzhi hugged a pillow and leaned against the headboard. She was in a good mood.

“You seem to be very happy recently.” Fu Baixue stared at her for a while and then suddenly said,

Jiang Lingzhi was stunned for a moment. She looked up and said, “Ah, is there?”

Fu Baixue nodded.”

Jiang Lingzhi was speechless.

No way.

She suddenly thought of what the boy had said just now.

He was laughing secretly again.

So, had she really been secretly laughing?!

Fu Baixue gently scratched her nose.” “Little Lingzhi, do whatever you like. Don’t worry about everything. While you are being a good baby, you have to make yourself happy. You deserve it.”

“It’s not easy to meet someone who can make you happy.”

“..” Jiang Lingzhi wrinkled her nose. She understood what she was implying, and she felt a little awkward. “Oh, I know.” Knowing was one thing.

However, it was another matter to actually do it.

“Look at you.” Fu Baixue rubbed her head and stood up with her bag. “Alright, I have to go.”

Jiang Lingzhi put down the pillow in her hand.”

“No, it’s a little far from my school. In our school, we have tuition on Saturday.”

Jiang Lingzhi nodded.” Alright, then come and look for me on Sunday. I want to chat with you. ””

Fu Baixue raised her eyebrows and hooked her chin with her fingertips. “Alright, I’ll come over on Sunday to pamper you.”

“Let’s go. You can rest.”

After saying that, she opened the door and went downstairs.

They had grown up together.

They often visited each other and were so familiar with each other that it was as if they were at home.

When Fu Baixue passed by the living room, she greeted Lu Yuping, “Auntie, I’ll be leaving first.”

Lu Yuping happened to bring the soup that had been boiled in the kitchen to the dining table. When she heard this, she looked up and said, “White Snow, stay for dinner.”

Although the Fu family had moved out of the villa area after going bankrupt, they had watched her grow up. Lu Yuping usually took good care of her.

Fu Baixue was changing into her shoes at the entrance.” No, Auntie. I have to go back to school. I’ll come to your house for a free meal next time.””

Lu Yuping smiled.”

Fu Baixue pushed open the door and walked out.

The sky outside was completely dark.

The street lamps in the villa area were already lit up. The greenery was very lush, showing a sense of tranquility.

She was wearing a slim -fit turtleneck shirt and tight jeans. Her curly hair was casually let down and she was carrying a bag loosely.

Just as he was about to go down the steps, a very annoying voice came from the side.

“I caught you now, didn't I?”

The voice came too suddenly. In the dark night, it was extremely clear.

Fu Baixue was speechless.

Fu Baixue's body suddenly stiffened. She slowly turned her head and looked in

the direction of the sound..

Chapter 186: Try Running Another One

She stared at the person hiding in the dark for a while.

There was a wall lamp under the eaves, and the tall and straight figure leaned against the lamp. His slightly messy black hair, arrogant eyes, and white hooded sweater made him look very young.

Fu Baixue stared at the man for two seconds.

After he reacted, he ran into the darkness.

However, before she could take two steps, someone grabbed her bag and pulled her back.

Su Xi Ci raised her hand and grabbed her wrist, pulling her to her side. "Try running again. "

Fu Baixue was caught off guard and almost fell into his arms.

She raised her head and quickly suppressed her guilt. She was not afraid of him at all. "What? I'm in a hurry and can't run?"

Susie laughed and gritted her teeth. "Aren't you going to explain?"

Fu Baixue struggled to break free from his grip. "What's there to explain? We've already broken up!"

Hearing the word 'breakup'.

Su Xici's eyes suddenly darkened. She pressed him against a tree nearby, unable to suppress the untamed hostility in her eyes. "Break up? I don't agree! "

"So what if I don't agree? It's fine as long as I agree." Fu Baixue forcefully pushed the Sub-Sans away and walked out.

Su Xici grabbed her wrist and pulled her back again. Before she could react, he pressed her shoulder and lowered his head to kiss her.

An extremely aggressive approach.

The boy was too tall and leaned in front of her. The difference in strength between a man and a woman was very obvious.

Fu Baixue couldn't push him away, and her breathing gradually became unstable.

They had already broken up.

What right did this guy have to be so unscrupulous? Hooligan?

Fu Baixue was so angry that she could only raise her knee and hit him.

Su Xici acutely sensed that she had been seen. She pressed her palm against her leg and pouted. Her voice was a little hoarse. "Don't you want a happy life in the future?"

Fu Baixue was speechless.

My mother?

"Are you crazy? Are you even human?"

Fu Baixue suddenly realized that she had underestimated this man's beast nature for the past three years.

Susie didn't seem to be affected by the situation. She forcefully trapped her between the tree trunk and her body and narrowed her eyes. "Who is that guy? Tell me and I'll break his legs."

"None of your business."

Su Sici raised her hand and held her chin. Her voice was a little low. "How far are you with him? Kissed? Or did he go up?"

His gaze had already turned cold. His dark eyes were clearly beginning to get serious.

Fu Baixue wanted to say something out of anger, but she couldn't.

If he was really angered, the consequences would be difficult to deal with.

Her back was still leaning against the tree trunk.

After Fu Baixue calmed her breathing for a while, she grabbed his collar and enid "Ah Ci "

The girl was bright and beautiful, which belonged to the charming hexagram.

At this moment, her voice softened as if she was acting coquettishly.

She was finally willing to give in and stop going against him.

Su Xici stared at her without blinking. Her Adam's apple bobbed slightly as she nudged her forehead with the tip of her nose. "Little Xue."

Only now did the viciousness in his body dissipate a little.

Fu Baixue raised her head slightly and pulled his collar down a little..

Chapter 187: My Wrist Still Hurts A Little

Su Sici raised her hand and stroked her long hair."Stop fooling around with me.

Can't we just be fine?"

His voice was a little low, and he finally let down his guard.

His thin lips were about to press against her forehead.

Fu Baixue opened her mouth slightly, grabbed his collar, leaned back, raised her leg, and kicked his calf.

There was a muffled bang.

"Hiss..." Su Xici was caught off guard and bent over from her kick."What the f \*

Taking advantage of the moment when he bent over, Fu Baixue found an opportunity to sneak past him.

"We'll break up if we say we'll break up. I'll never see Su Xiaoci again!"

After saying that, the girl's slender back ran away without looking back, and she quickly blended into the night.

Su Xici rubbed her calf that was hurting from her kick. She stared at her back as she disappeared into the darkness. She could not help but grit her teeth and smile.

"Fu Baixue, just you wait."

She had finally managed to catch the person, but she had slipped away again.

Not bad now, he even knew how to use a honey trap.

The more she thought about it, the angrier she got.

Su Sici straightened her body. She felt an inexplicable anger in her heart. She looked at the tree trunk beside her, raised her foot, and kicked the tree trunk hard.

Because of the violent shaking, the leaves rustled and fell off.

Suddenly there is a laugh in the air.

It came from above.

Su Sici looked up.

Jiang Lingzhi moved a chair and leaned on the balcony. She watched the game for a while, and she even had an apple in her hand. She took a bite and said, "Ah Ci, your green hat is not bad."

Su Xi Ci was speechless.

Su Sici raised her hand to pluck the green leaves off her head and put one hand into her pocket. "You're helping her and not me, right? Do you still have a conscience?"

Jiang Lingzhi took another bite of the apple and said casually, "I'm not helping anyone. I don't like to get involved in your matters."

"Anyway, you guys will break up soon."

Su Xi Ci was speechless.

Street lamps were lit everywhere in the villa area. There were also spotlights in the greenery. The place where he was standing was quite well-lit.

Su Xici stood at the bottom of their villa and looked up at her. She cleared her throat and said, "Did she say anything to you when she came today?"

Jiang Lingzhi nodded. "Yes, there is. I've talked about it a lot."

Su Sici was a little nervous and her Adam's apple bobbed. "What did she say?"

Jiang Lingzhi was wearing a nightgown. She sat on the balcony and stretched out her fair and tender arm. "Aiya, my wrist still hurts a little."

In fact, it was not that serious to begin with. It was almost gone the next day.

However, it did not stop her from using this to extort him.

Susie laughed.

He nodded and took out his phone from his pocket.

After tapping on the screen a few times, he put his phone back into his pocket.

On the balcony.

Jiang Lingzhi's phone that was placed beside her rang.

She picked it up and opened the new message.

It's a transfer message.

Jiang Lingzhi tapped on the payment button and put her phone down. Her gaze fell downstairs again. "Only 2000, why are you so stingy?"

Susie gritted her teeth and stared at her for a while before nodding. "Alright." He took out his phone and transferred 5000 yuan.

Jiang Lingzhi took the money again, and she smiled like a sly little fox. ""Then I'll tell you something. She didn't kiss that man because she deliberately angered you."

"Just one sentence? You cheated me of 7000?" Su Xici chuckled."

7,000 yuan in exchange for a sentence did not seem very kind.

Jiang Ling knew that she had earned a huge sum of money, and she was in a very good mood.""Then I'll give you another piece of news for free. According to my observation, she should still like you.."

Chapter 188: Change Seat

Su Sici snorted, her expression a little sly."Do you even need to say that? Is there a man more outstanding than me in this world? She's not blind." Jiang Lingzhi was speechless.

He could tell that this was the founder of the narcissistic world.

Su Xici coughed lightly and said loudly,""Is she regretting it and embarrassed to apologize to me? Then it's not like I don't..."

He hadn't finished speaking.

Jiang Lingzhi immediately shattered his fantasy.""Don't think too much. I haven't finished speaking. Although she still likes you a little, it doesn't feel like much anymore. Take it easy. Be careful when she gives up on you."

Su Xi Ci was speechless.

Outside the room, Lu Yu's voice rang out, calling for her to eat.

Jiang Lingzhi replied and took the last bite of the apple. She waved at him and said, "Alright, today's question and answer session ends here. We'll continue next time."

"I'm going down to eat. I won't talk to you anymore."

Su Sici laughed, but she was not angry. "Ungrateful wretch."

After leaving a fair comment, he patted the leaves on his shoulder and turned around to leave.

Jiang Lingzhi retracted her gaze and threw the apple core in her hand into the trash can. She picked up her phone and took a look at her harvest today.

I earned 700 today.

The small treasury was enough.

He would continue next time.

The high enrollment rate of No.1 Middle School was inevitably related to the teaching quality of No.1 Middle School teachers.

His learning progress was very fast.

In the second year of high school, they had to learn all the contents of high school, and in the third year of high school, they had to review systematically.

In addition, after the class allocation, the homework had increased exponentially. The pressure was really a little big.

It was the afternoon break.

After having lunch in the cafeteria, Jiang Lingzhi prepared to go back to the classroom to do her exercises.

At this time, there were not many people in the teaching building. Those who had eaten had not returned from the cafeteria,

She went upstairs and entered the classroom from the back door.

There were a few girls who were about to go out. When they passed by her, they bumped into her shoulder.

Jiang Lingzhi did not raise her head, but she still said something subconsciously, "I'm sorry."

Then, he returned to his seat.

She was about to take out a book from the drawer.

The sky darkened, and the girls from earlier walked over.

"What happened? Just because you bumped into someone, you're done apologizing?" The girl knocked hard on her desk and said in an unfriendly tone.

Jiang Lingzhi felt a little inexplicable. She raised her head to look at the person in front of her for a while and recognized her.

It was the group of girls who had mocked her behind her back in the toilet that day.

Last time, she had only heard their voices, but it didn't match their faces. Now, it did.

The one in the middle seemed to be called Zhuo Yiru.

The person who knocked on her table was called Wu Qing. The two of them were almost inseparable.

It was probably because of the conflict in the toilet last time that the two of them were quite dissatisfied with her.

There were also a few girls who often played with them.

After all, they had been in the same class for a few days. Jiang Lingzhi probably knew the names of everyone in the class.

Zhuo Yiru stared at her for a while before smiling and saying, "Don't be so fierce. We're all classmates."

Although the girls beside him were reluctant, they did not say anything else.

Zhuo Yiru sat down at the table in front of her and said in a negotiating tone, "Jiang Lingzhi, right? I have something to discuss with you." Jiang Lingzhi stared at her without saying anything.

Zhuo Yiru didn't mind and said, "Can't we change our position?"

Chapter 189: Even

Jiang Lingzhi frowned slightly and looked up at her. Her tone was very calm. "Why should I switch seats with you?"

Zhuo Yiru stared at her with a smile." Look at you. You're so short. It's so difficult for you to read the blackboard. I'm sitting in the second row of group three. Let's switch.'

Jiang Lingzhi only looked at her and did not say anything.

He seemed to be thinking about her intentions.

A girl beside him was getting impatient."I'm talking to you because I think highly of you. Our Yi Ru has taken a fancy to your deskmate."

Jiang Lingzhi looked at the group of people expressionlessly, and she understood in her heart.

It was because of her deskmate again.

Jiang Lingzhi pursed her red lips, and she could not help but sigh in her heart again.

He really knew how to provoke a little girl.

Wu Qing couldn't help but say,"Besides, you're not a couple. Give others a chance." '

Jiang Lingzhi looked up and said slowly,""How do you know that we're not a

couple?"

He did not expect her to reply like this.

Wu Qing choked.

Jiang Lingzhi didn't continue speaking. She lowered her eyes and said, ""1 won't change. If you have the ability, you can ask my deskmate to change to yours."

After that, he picked up his pen and started to write the test paper.

Zhuo Yiru bit his lip and the smile on his face disappeared.

She had already pulled down her face to talk to her properly. What was she being arrogant for?

The way the girl sat calmly and wrote the test paper seemed to be showing off in her eyes.

Zhuo Yiru was furious. He glanced at the ice cream cone in the girl's hand.

He took the ice cream cone from her hands, turned it upside down, and pressed it on top of her math book. It was sticky and sticky.

Zhuo Yiru sneered and smiled. "I'm sorry. You won't blame me, right?"

Jiang Lingzhi stared at the pile of cream for a while before she raised her head to look at her. She smiled and said, "I won't blame you."

Zhuo Yiru smiled proudly.

He knew it would be like this.

A girl like her would not dare to say a word when she was bullied.

Just as he thought of this, he heard her speak again.

"Just buy me another book. I won't blame you." Jiang Lingzhi blinked her eyes. "You can also compensate me with yours."

Zhuo Yiru's expression changed and he said sarcastically, "Tsk, it's just a math book. Why are you so stingy?"

Jiang Lingzhi put down the pen in her hand. "I'm defending my legal rights." So, are you going to give me a new one, or are you going to give me your math book?"

"I don't choose either." Zhuo Yiru's lips twitched.

After saying that, he took a tissue from the girl beside him and wiped his hands. He then threw the dirty tissue on her desk.

"Hahahaha, so disgusting. It looks like shit."

After that, the group of girls chatted and laughed as they prepared to leave.

They looked very proud, as if they had done something amazing.

When the girls were about to go out the back door.

Jiang Lingzhi put down the pen in her hand and suddenly stood up. Without saying a word, she walked towards Group 3.

Hearing the commotion, the girls stopped.

They turned around and saw Jiang Lingzhi walking straight to the second row of the third group and finding the math book.

After confirming the name on it, she tore the math book into pieces.

Jiang Lingzhi walked to the back of the classroom and threw the remains of the math book into the trash can. "It's okay. We're even now."

The girl was speechless..

Chapter 190: Apologize

Jiang Lingzhi returned to her seat and prepared to clean up the trash on the table.

Zhuo Yiru was completely enraged. He walked to her table in a few steps and poked her shoulder with his finger. "Are you sick?"

Jiang Lingzhi frowned. "Are you sick just like that?"

She looked down at the mess on the table. "I haven't asked you to take away your trash yet."

Jiang Lingzhi picked up the math book that was mixed with cream and tissue and threw it into her arms. "Please throw away the trash you created."

The cream stained Zhuo Yiru's body and rolled to the ground.

Zhuo Yiru was stunned.

She looked down at the cream on her chest.

Everyone was silent.

Outside the back door of the classroom, a few boys were shouting, "What are you guys doing? I waited for half a day, but no one came."

It was the boys from the class next door.

“What are you doing?” Zhuo Yiru had never been in such a sorry state before. She was so angry that tears started to fall from her eyes.

Seeing the person at the door, Wu Qing came back to her senses and hurriedly said, “You came just in time. Yi Ru was bullied!”

Zhuo Yiru was quite pretty. Before she was assigned to a class, she was also the prettiest girl in the class and was quite popular with the boys.

Therefore, she had always been quite proud and felt that everyone had to flatter her.

Now that she was being bullied, the boys in her original class naturally had to stand up for her.

The boy immediately saw the cream on her clothes and avenged her. “F \* ck, this is too much. Which idiot threw ice cream at him?!”

Wu Qing quickly pointed at Jiang Lingzhi. “It’s her. Yi Ru just wanted to change seats with her. It’s fine if she didn’t agree, but she even threw ice cream at Yi

Ru!”

Someone else chimed in. “That’s right. She’s second from the bottom. Yi Ru was kind enough to swap seats with her in the second row, but she was still unhappy. ””

Jiang Lingzhi rolled her eyes in her heart and was too lazy to explain.

Just as he was about to sit down, his shoulder was suddenly pulled forcefully.

She did not expect that person to make a move. She lost her balance and hit the corner of the table behind her.

“You bullied her, didn’t you?” The boy said fiercely.

The impact just now was so painful that Jiang Lingzhi’s fingertips trembled.

She pursed her red lips and looked up at him without saying a word.

The boy did not see her face at first, but when she looked up, she finally saw who it was.

After all, she was the school belle and was quite famous.

Jiang Lingzhi knew him, but he had never interacted with him before, so he couldn’t say how close they were.

In addition, he had already raised his aura, so it was impossible for him to take it back now. He paused for a moment before continuing, “Apologize. Look at what you’ve done to her!”

“Why?” Jiang Lingzhi looked up at him with a stubborn expression.

‘ Oh,” The boy’s anger was instantly aroused.”You’re quite arrogant. You made her like this. Where did you get the confidence to be so arrogant?”

Zhuo Yiru was sobbing and crying at the side, looking a little disheveled.

A few girls patted her back and comforted her in low voices.

“Apologize!” Zheng Liang could not bear to see her cry. He suddenly shouted and raised his hand, ready to reach out to pull Jiang Lingzhi’s collar.

His hand was stretched out in mid -air when it was suddenly slapped away by a force.

The sound was very crisp.

Everyone had yet to react to what was going on.

When she came back to her senses, she realized that there was someone else in the classroom..
