

Little Girl 191

Chapter 191: This Is the Truth

The boy was very tall, and he stood beside Jiang Lingzhi like a crane. He had one hand in his pocket, and he looked lazy and casual.

“What are you doing?”

He spoke unhurriedly, his voice lazy and magnetic.

Zheng Liang was momentarily stunned and speechless.

This person.

Wasn't this person...

“Bullying my deskmate?” Li Shunan had a hand in his pocket and stood there loosely. When he spoke again, his voice was low and dangerous. The classroom was silent. For a moment, no one dared to speak.

A school bully.

Who didn't know him?

There was a rumor that Zhao Man's hospitalization and withdrawal from school had something to do with him.

Moreover, he had disrupted the order of the examination hall during the last monthly examination and was called to the office. It was said that he had come out without anything happening.

There was no subsequent punishment.

This was a legendary figure.

This girl's deskmate was actually a big shot?

The few people who were still very confident just now instantly became a little cowardly.

Li Shunan pursed his lips and snorted. He took a step forward in a casual tone. "Is my deskmate someone you can touch?"

As soon as he got close, his height was too superior, and an overwhelming pressure pressed down on him.

Zheng Liang hesitated for a moment. He felt that if he retreated now, he might lose face.

He straightened his back and looked more confident. "Student, be reasonable. I didn't want to bully her."

"She was the one who bullied Zhuo Yiru first. Look at what she did to her clothes." "I just wanted her to apologize." Zheng Liang tried to explain himself.

He felt that he made a lot of sense.

"We can't just let her bully others, right?"

Li Shunan lowered his eyes and didn't listen to a single word of his nonsense.

He really did not know what had happened.

However, when his gaze swept across the little girl's slightly red eyes, his jaw instantly tightened.

When she turned around, she suddenly raised her leg and kicked the boy.

Before Zheng Liang could react, he was suddenly kicked in the stomach. He fell backward and knocked over a table and chairs.

The sound of tables falling to the ground in the classroom was very loud.

After everything was settled. The boy's lazy voice sounded again.

"That's the truth."

Li Shunan pursed his lips and stared at him with a faint smile. "My deskmate can bully others, but others can't bully my deskmate."

He chuckled and continued, "Apologizing won't do either. "

Zheng Liang was still lying on the ground, completely stunned.

She didn't expect him to really make a move.

The few people beside him were so frightened that they did not dare to move.

He looked around.

"This is the only warning. Clean up the classroom. I don't want it to be messy when I come back."

After he finished speaking, Li Shunan looked away unhurriedly. He reached out and grabbed Jiang Lingzhi's wrist. He held the girl's hand and dragged her out.

Jiang Lingzhi was led down the teaching building by him. She glanced at his back view and explained softly, "I didn't bully her."

She didn't care about the others, but she still had to explain to her deskmate.

"She dirtied my math book first."

She couldn't possibly remain silent when others bullied her.

But, but...

He didn't know what had happened in front of him. Would he think that he had gone too far?

After all, if the people who didn't know the truth saw that puddle of cream, they would really think that she had bullied Zhuo Yiru..

Chapter 192: I Want to Sleep

The boy walked in front and hummed softly.

His tone was very casual, as if he didn't care if she had bullied someone else.

Jiang Ling did not know what his attitude meant.

He had yet to figure out why.

Li Shunan, who was walking in front, suddenly stopped.

Jiang Lingzhi was stunned for a moment, and she stopped in her tracks.

Then, a large palm gently landed on her head and rubbed it. "Next time you encounter such a thing, remember to call me."

Jiang Lingzhi raised her head and met a pair of light brown eyes.

"Are you bullying us?" he said lazily.

Jiang Lingzhi was speechless.

Our, our home?

Li Shunan bent down slightly and looked into her eyes. The corners of his lips curled up. "I can't let my mother be bullied outside."

Jiang Lingzhi's heart tightened, and she muttered softly, "Then how do you know that I'm the one being bullied? Maybe I really did bully her."

"Hmm?" Li Shunan curled his lips and his peach blossom eyes sparkled as if they could bewitch people. "Little friend, you have such great abilities?"

"I can't control that. It must be her fault." He raised his hand and gently touched the corner of her mouth with his fingertips, chuckling.

Then, he stood up straight, held her wrist, and continued walking out.

Jiang Lingzhi swallowed her saliva, and it was not easy for her to pull herself away from his gaze.

He didn't even ask for the reason. He trusted her without any reason and stood on her side.

From her words, she could tell that even if she had bullied someone, it was someone else's fault.

Although it was quite overbearing and shameless.

But this kind of unprincipled preference.

It really was. It was too life-threatening.

Jiang Lingzhi lowered her eyes, and her gaze fell on his slender fingers. The corners of her lips could not help but curl up.

She glanced at the direction he was walking in. It seemed to be outside the school. She couldn't help but ask, "Where are we going?"

The boy didn't even turn his head and said in a drawl, "It's not like you don't have any math books. Go buy another one."

There was a bookstore near the school.

It was a rather large library bar with two floors. There was a special lounge area on the second floor, and there was even a sofa to rest on.

Class started at two in the afternoon. It was one o'clock now, so there was still an hour of rest.

Since she was already out of school, she was not in a hurry to go back to school.

She might as well stay outside for a while.

Jiang Lingzhi found the second-year math book in the teaching materials section and chose a few other materials.

Then, she went up to the second floor and found a place near the French window. She sat on the sofa and casually flipped through it.

At this time, there were not many people on the second floor.

After a while, the sofa beside her sank in and someone sat down beside her.

When Jiang Lingzhi turned her face sideways, she happened to see the boy's

well-defined side profile.

Jiang Lingzhi's gaze moved down and landed on his slender fingers. "Don't you read?"

Li Shunan put a cup of milk tea on the coffee table in front of her and sat casually on the sofa. He leaned back unhurriedly.

The second floor was divided into several areas by a large bookshelf, and there were several sofas in each area.

There was an empty seat next to her, but he didn't sit there. Instead, he sat next to her.

Jiang Lingzhi stared at the cup of milk tea for a while.

No wonder she couldn't see him just now. It turned out that he went to buy milk tea.

Li Shunan raised his hand and rubbed his straight nose. "There are too many words. I want to sleep."

His expression was a little tired and he looked extremely sleepy.

Jiang Lingzhi glanced at him." Then you should sleep for a while.""

Li Shunan turned around and looked at her accurately.""Okay, call me when you leave."

His tone dragged the last syllable lazily.

The two of them were too close to each other. After all, they were sitting on the same sofa, and even their shoulders were touching.

His warm breath even brushed her cheek..

Chapter 193: She Was Unhealthy

Jiang Lingzhi was stunned for a moment before she averted her I know. "

Hearing her affirmative answer, the boy seemed to be relieved.

Li Shunan bent down slightly and picked up the milk tea on the coffee table. He opened the straw for her and handed it to her.

Jiang Lingzhi's eyelashes trembled as she took it casually. ""Thank you."

He didn't seem to think that there was anything wrong with the two of them sitting on the same sofa.

She leaned back on the sofa and closed her eyes. She really wanted to sleep.

Jiang Lingzhi took a sip of milk tea. Her heartbeat was a little uncontrollable, but she did not think of changing seats.

She put Milk Tea aside and held a book in her hand. She focused on the book and read it attentively.

She didn't know if the boy was too sleepy, but in less than ten minutes, Jiang Lingzhi's left shoulder suddenly felt heavy.

Jiang Lingzhi's fingers that were holding the book paused for a moment, and she looked over her left shoulder.

Although it was autumn, the weather was still very hot.

Sunlight shone through the French windows.

The boy leaned back on the sofa, and he only used a slight force to slide against her shoulder.

When Jiang Lingzhi turned her face, she could clearly see her deskmate's eyes closed and her thick eyelashes.

Her breathing paused for a moment.

Someone walked up from the stairs and spoke.

"I don't think I found the book I was looking for." "It might be on the second floor. Let's go inside and take a look."

Accompanied by the soft sounds of girls chatting.

Jiang Lingzhi's heart suddenly tightened.

This place was near the school, and there were quite a lot of students from No.1 Middle School. He might meet someone he knew.

She didn't know if it was because she started to have thoughts about her deskmate that she shouldn't have.

At this moment, she felt a little guilty.

The moment the footsteps were about to go upstairs.

Jiang Lingzhi subconsciously stretched out her hand. She quickly picked up the school uniform jacket on the sofa and covered both of their heads.

Her series of actions were very smooth.

Before the two of them walked up, the school uniform blocked them.

Jiang Lingzhi exhaled.

He felt very self-deceiving.

This way, no one would recognize him.

When she realized what she had done, she realized that the distance between the two of them seemed to be too close.

The two of them were covered in a school uniform.

In this way, it felt like he was secretly doing something.

Jiang Lingzhi was shocked by her own thoughts. Just as she was about to raise her hand to pull her clothes off...

Not far away, someone spoke again.

“Look, there’s someone over there.”

“Are they a couple?”

“That’s so sweet. Looking at her uniform, she seems to be from No.1 Middle School.”

Jiang Lingzhi’s hand suddenly froze.

If he pulled it down now, wouldn’t he be discovered on the spot?

So, why did she have to cover herself with her clothes just now?

Jiang Lingzhi’s heart was beating like a drum. When she turned her head, her gaze fell on the thin lips of her deskmate.

His thin lips were beautifully shaped, and the color was a healthy crimson.

The boy’s eyes were closed, and his facial features were distinct. From her point of view, it was simply too murderous.

Jiang Lingzhi’s heart trembled slightly just like that. She swallowed her saliva lightly and stretched her fingertips over.

Just as she was about to touch him, she suddenly came back to her senses and retracted her hand.

Her heartbeat gradually became unstable.

She felt a little guilty, as if she had done something bad.

She, she, she, she...

She was actually coveting the beauty of the same table!

Was she unhealthy?

Only then did Jiang Lingzhi realize that there was no sound outside.

She tore open her school uniform and took a look.

After the girls found the books they were looking for, they went downstairs to pay the bill.

Jiang Lingzhi calmed her heartbeat and got out of her school uniform.

No, this can't go on.

If this continued, she might not be able to resist doing something.

After a while, her gaze could not help but fall on her deskmate who was covered in her school uniform.

Would this bore him to death?

Jiang Lingzhi raised her hand, and her fingertips gently lifted the corner of her school uniform.

Li Shunan's eyes were closed, and his eyebrows were unusually handsome and beautiful. He leaned back on the sofa, his neck straight and his Adam's apple sexy.

Her gaze fell on his thin lips.

Jiang Lingzhi swallowed her saliva, and it was as if she was bewitched. Her fingertips gripped her school uniform tightly, and she leaned forward slightly, inching closer to the boy..

Chapter 194: Stealing a Kiss

Jiang Lingzhi gripped her school uniform tightly with one hand and leaned closer to him.

The entire world fell silent.

Only the sound of his heartbeat was infinitely amplified.

The distance between them was so close that they could hear each other's breathing.

The boy's thin lips were so close that if she moved one centimeter closer, she would be able to touch them.

Jiang Lingzhi lowered her eyes, and her eyelashes trembled slightly. At this moment, she had already forgotten to think. Following the rhythm of her heartbeat, her red lips slowly pressed against hers.

It was a numbing sensation, as if an electric current had passed through it.

The moment they touched, the boy's eyelashes moved slightly.

Jiang Lingzhi's heart tightened, and she instantly came back to her senses. She quickly retreated a little and pulled away from him.

The school uniform in her hand fell down instantly and landed on the boy's face again.

Jiang Lingzhi breathed in large mouthfuls of fresh air, and her cheeks were so red that it looked like they could drip blood.

She, she secretly kissed her deskmate!

The boy seemed to have finally woken up.

Li Shunan's fingers moved. When he opened his eyes, he saw a sea of white. His voice was a little confused as he dragged his voice. "Hmm? This... What is it?" He raised his hand and pulled the school uniform off his head.

Jiang Lingzhi averted her gaze, and the sound of her heartbeat was amplified infinitely. She explained guiltily, "The sun is too bright."

Li Shunan didn't seem to care much about what had just happened. He sat up straight and rubbed his straight nose. "Yes, what time is it? Are you going back to school?"

"Oh." Jiang Lingzhi panicked and immediately stood up. Du Du didn't dare to look back at him. "Back to school. Let's go."

She picked up the book on the table and walked downstairs in a panic.

Li Shunan leaned lazily on the sofa. He narrowed his eyes and stared at the girl's back. He felt that her attitude was a little strange.

Suddenly, he thought of something. He bent his fingers and pressed them against his thin lips.

Was the fleeting touch on her lips when she was half-awake real?

He looked up again and glanced in the direction the girl had left.

He seemed to have confirmed something.

Li Shunan gently licked his lips, and the smile in his eyes deepened.

He stood up, picked up his school uniform, and followed her downstairs.

Chemistry class.

The teacher summarized the key points of knowledge on the podium.

Jiang Lingzhi held a pen in her hand and stared at the blackboard, but her thoughts were a little off.

The boy's eyes, nose bridge, and thin lips flashed uncontrollably in her mind.

Jiang Lingzhi felt that she was done for.

She seemed to crave her deskmate's body.

Looking at his lips, she actually felt like kissing them.

This was really too fatal.

Jiang Lingzhi was a little unable to look straight into her heart.

She could not accept the fact that she was only 16 years old and was already so unhealthy.

Jiang Lingzhi put down the pen in her hand, closed her eyes, and took a deep breath.

She tried her best to calm herself down.

He decided to calm down during this period of time.

She wanted to find out what kind of feelings she had for her deskmate.

Who would have thought...

The next day, she was caught off guard by reality.

After the first period of the morning language class.

The classroom was noisy, and the sounds of chatting were a little noisy.

Wang Kang walked in from the back of the classroom and patted her shoulder. "Student Jiang, the teacher is looking for you."

Jiang Lingzhi turned around and was a little puzzled. "Looking for me? What is

"I don't know why either. I didn't say anything, but the form teacher asked you to go over. "When Wang Kang came back from the convenience store, he happened to meet the homeroom teacher, so he told her about it.

"Okay, thank you. I got it." Jiang Lingzhi put away the things on the table and

got up to leave the classroom..

Chapter 195: Changing Seats

Jiang Lingzhi went to the office and knocked on the door gently.

In the office, Hao Weiwu put down his pen and looked up. "Come in."

Jiang Lingzhi walked over and stood in front of her desk. "Teacher, is there something you need me for?"

The girl was wearing a blue and white school uniform with a ponytail. She looked especially obedient.

Hao Weiwu sat in front of his desk, wearing glasses. His tone was a little serious. "Do you know why I called you over?"

Jiang Lingzhi felt that it was not a good thing to hear such a tone.

"I don't know." She shook her head.

Hao Weiwu sighed. "I received a letter today. Someone anonymously reported that you and your deskmate had breakfast. A tendency to love."

As he spoke, he took out a letter from the drawer and placed it on the table.

Jiang Lingzhi's heart suddenly skipped a beat.

Although it was not early yet. Love.

However, not long ago, she realized that she had some impure thoughts about her deskmate.

Now, she was called to the office.

She suddenly felt a little guilty.

I'm the only one who has read this letter," Hao Weiwu said slowly. "Teacher still trusts you, so he called you here to understand the situation."

The expression on Jiang Lingzhi's face was still calm. "Teacher, I'm not early.

Love."

After she reacted, she quickly calmed down.

She wasn't early. Love.

What was there to feel guilty about?

In Hao Weiwu's mind.

Since the rumor had spread, it was definitely not groundless.

After all, children of their age were indeed in the period of puberty.

Another two good-looking children.

When they were sitting together, he had never considered this.

Now that there were already rumors, he felt that it was a little inappropriate. If something really happened, he would have to bear a lot of responsibility as the form teacher.

That was why he asked her to come over and understand the situation.

Hao Weiwu cleared his throat and said seriously, "Well, of course I believe you, but... "

Jiang Lingzhi lowered her eyes and stared at the letter for a while. She pursed her red lips slightly. "Do you have any evidence for those people who reported us? Does he just say whatever he wants?"

Hao Weiwu was taken aback. "There's no evidence. This letter says that you two are too close. But someone suddenly mentioned it. That's why I asked you to confirm it. ""

"Teacher, what do you think? We should avoid others from gossiping and move your seats away. What do you think?"

After all, they were deskmates. Under such circumstances, if they walked too close, it would easily give the others a misconception.

That was why he thought of such a way to move the position.

Her results were excellent and she had always been in the top five of the grade.

However, due to some special reasons, she did not enter the special class.

However, she was still the key target of the school's cultivation.

"It's about Li Shunan. He's a little special. I don't want him to affect your studies.""

Jiang Lingzhi's fingertips trembled slightly as she stared at him expressionlessly. "Teacher, I'm not changing."

“Huh?”

In Hao Weiwu’s eyes, Jiang Lingzhi was a very obedient student.

It seemed that he had never made the teacher worry.

She was good at her studies, had a good personality, and had never gotten into trouble.

He thought that it was just a change of position and that she would agree to it.

He did not expect her attitude to be so domineering.

Hao Weiwu was stunned for a moment and was at a loss for words..””Why?”

Chapter 196: The Kid Was Ignoring Him

Jiang Lingzhi said unhurriedly, “If I change seats now, wouldn’t it make me feel guilty?” ”

“We’re just deskmates. Why should we change?”

“Now that I’ve agreed to change seats, what will the other students think?

Wouldn’t it be even earlier? Is love real?”

“So, I won’t change it.”

Hao Weiwu was speechless.

Jiang Lingzhi was exceptionally calm and organized.

After knowing that she was going to be changed seats, her little universe was activated.

Yesterday, she was still thinking about controlling herself.

But that didn't mean she was willing to change seats.

Hao Weiwu took a while to react before he continued, "" Teacher, this is also a discussion with you, not to impose this crime on you. The main reason is to refute the rumors and not to let you be criticized by your classmates."

Jiang Lingzhi continued naturally, ""Teacher, I'm not afraid of criticism. I don't care. Or you can call your parents. Lian, since the school has dealt with the matter, I think my father will handle it for me."

Hao Weiwu was speechless.

Jiang Lingzhi's father was the boss of Nancheng Real Estate. Everyone knew about his identity.

It was originally fine.

If they called their parents, they would think that their school had handled the matter poorly.

Hao Weiwu really believed her now that she was so confident.

Hao Weiwu clasped his hands on the table and cleared his throat. ""Then there's no need to do that."

"Teacher believes that you won't be early. " I'm in love with you. Alright, let's leave this matter at that for now. I'm just mentioning it to you. Since you're unwilling, forget it."" Also," Hao Weiwu continued," these people who spread rumors will be caught one day. I won't trouble the parents anymore.""

“Go back to the classroom first. The teacher will take care of the rest.”

Jiang Lingzhi bowed politely.” Thank you, Teacher. Goodbye, Teacher.”“

Jiang Lingzhi came in from the back door of the classroom and returned to her seat.

Li Shunan leaned against the wall, his long and narrow peach blossom eyes slightly closed. He looked like he hadn't woken up.

He had felt that it was strange just now.

When she woke up, her deskmate was nowhere to be seen. She had to wait for so long to come back.

“Where did he go?” Li Shunan raised his eyes and leaned closer to her, his tone lazy.

Jiang Lingzhi glanced at him and quickly retracted her gaze.

She did not want to talk to him at all now.

Not, at all.

Jiang Lingzhi sat in her seat expressionlessly. She picked up her pen and prepared to do her exercises.

Li Shunan frowned.

What was going on?

In a bad mood?

He silently calculated the time it would take for her to start her life.

It didn't seem to be here yet.

Li Shunan moved closer to her and put his hand on the table, almost touching her arm.

“What's wrong?”

His voice deliberately slowed down, mixed with traces of gentleness.

Jiang Lingzhi turned her face sideways and stared at him for a while. Her expression was still calm. “It's nothing.”

Then, he retracted his gaze and focused on the exercises before starting to do his homework.

Although it was a little strange, she was obviously doing her homework seriously.

Li Shunan leaned back against the wall, tilted his head, and stared at her for a while, but he couldn't figure out what was going on.

He did not think too much about it.

He simply thought that she was just in a bad mood today.

This continued for several days.

Li Shunan finally realized that something was wrong.

The child seemed to be ignoring him recently..

Chapter 197: How Did I Infuriate You?

Guo Cong also noticed it.

The school bully hadn't been sleeping for the past few days. He had been staring at his deskmate.

Who knew what he was looking at?

The atmosphere between the two of them did seem a little strange.

The two of them had been having fun in class every day.

You measure my eyelashes, I measure yours.

The boss was also very happy to play with his deskmate about some boring things.

But recently, it seemed that Jiang Ling did not like to talk to the big boss anymore. She did not even say a few words.

Sometimes, there was even a higher chance that they would turn around and talk to them.

Did they quarrel?

Would it affect the innocent?

Guo Cong was trembling.

Li Shunan leaned against the wall and stared at the girl's side profile.

He really did not know how he had provoked her.

It had been a few days.

He had no clue at all, which made him inexplicably anxious.

After school.

Jiang Lingzhi kept her school bag expressionlessly. She stood up and was about to leave when someone suddenly grabbed her wrist.

Li Shunan grabbed her wrist and pulled her back to her seat. He leaned closer to her. "What did I do to you?"

Jiang Lingzhi stared at him expressionlessly.

How?

He just sat there and did not move, but he had already attracted so many young ladies to come to him one after another. This person really knew how to provoke little girls.

He had even been reported.

Jiang Lingzhi was a little depressed in her heart, and her voice was neither salty nor indifferent. "Nothing. You didn't provoke me."

The girl's back was straight and her hair was tied into a ponytail, revealing her fair neck. Her eyes were round and her red lips were pursed.

No matter how he looked at it, it didn't seem like what she said. It was nothing.

But she was unwilling to tell him.

Li Shunan let out an imperceptible sigh. His tone became even softer as he gently rubbed her wrist with his fingertips. "Do you want to go see the little pumpkin?"

Jiang Lingzhi looked at him coldly. "I'm not going."

He pulled his hand out, picked up his school bag, turned around, and walked out from the back door.

She left cleanly and decisively without any hesitation.

Li Shunan licked his teeth. He really didn't understand what he had done to offend her.

It seemed that it started from that day.

He had fallen asleep during class and did not seem to have done anything to make her angry.

Li Shunan lowered his eyes and took out his school bag from the hole in the table. He slung the bag over his shoulder with one hand and walked out unhurriedly.

Zhao Zifu leaned against the railing. When he saw him come out, he stood up straight.

Brother Nan, why are you so slow?"

Zhao Zifu came over." I saw your little deskmate just now and even greeted her. Why didn't she come over together?!"

Li Shunan was wearing a white shirt with a dark coat and a black school bag slung over his shoulder.

His tall and straight figure had his hands in his trouser pockets as he went downstairs thoughtfully.

Zhao Zifu gossiped beside him."Brother Nan, I heard that you have a scandal with your deskmate?"

Li Shunan was thinking about something. His eyebrows were slightly furrowed and he ignored him.

"Why did I hear that someone reported the two of you early? Love? When did

you fall in love? Why didn't you inform your brother?" Zhao Zifu asked again when he didn't get a response.

Li Shunan suddenly stopped in his tracks and turned his face to the side. There was a puzzled look on his handsome face. "What?"

Zhao Zifu was also confused by him."

Li Shunan asked patiently,"What report did you just say?"

Chapter 198: Deskmate, Can I borrow a Pen?

"You don't know?" Zhao Zifu explained, "I don't know which guy who ate too much and had nothing to do wrote a report letter saying that the two of you were early." Love."

"That day, your little deskmate was called teacher, right?"

“Some students saw the report letter when they went to the office. Everyone has been spreading it recently.”

Li Shunan was speechless.

It was no wonder that the child had been ignoring him recently.

Li Shunan’s tongue touched his molars, and he raised his chin slightly.” F *

Ck.

Zhao Zifu thought that he had heard wrongly.

He, Brother Nan, this is a bad word?

“So, what exactly is going on?” Zhao Zifu asked.”

Li Shunan glanced at him with his light brown eyes. His eyes were like ice blades wrapped in sharp blades.”Report letter, who wrote it?”

Zhao Zifu tried his best to recall.” I don’t know. I heard it was anonymous. Which bastard would dare to do it but not dare to admit it? He secretly played some tricks behind my back””

Li Shunan pressed the tip of his tongue against the back of his molars and snorted.”Alright, you have guts.”

Zhao Zifu suddenly shivered. He felt that the pressure around Brother Chennan was a little low.

He was very curious,”What do you plan to do?””

Li Shunan pursed his lips and scoffed. "Wasn't he reported?"

Why did Zhao Zifu feel that his Brother Chennan was about to use a big move?

Sure enough, the next second, he heard Brother Chennan's lazy voice.

"Then let it be."

Zhao Zifu was speechless.

After two seconds, he finally reacted.

What Brother Chennan meant was...

Was he really going to get serious?

Time seemed to pass in a flash.

There was only a little more than a week left until the next monthly exam.

Even though Jiang Ling knew that it was a foregone conclusion to stay in Class Eight.

However, it did not stop her from wanting to get first place in the grade.

However, after being assigned to the arts and science class, mathematics was much more difficult than before. It was indeed a little strenuous.

There was also calculus.

Derivative was too difficult.

It was clearly university content. She did not know why they had to learn it.

Mathematics class.

Li Shunan leaned against the wall and stared at the girl's side profile without blinking.

She seemed to have encountered a problem.

The little girl's brows were slightly furrowed, and her red lips would mumble from time to time. Occasionally, she would bite the pen cap and then draw two auxiliary lines on the notebook.

Too cute.

She was so cute even when she was angry.

Li Shunan's arm was slanted on the table. His light brown eyes were gentle and loving.

Jiang Lingzhi was taking notes very seriously. Her eyes were fixed on the blackboard as if she was completely ignoring him.

The question that the teacher was talking about was one that she often got wrong.

She had to listen very attentively, or else she wouldn't be able to understand it in the next second.

It was too fatal.

It wasn't easy for her to explain this part. Jiang Lingzhi tried hard to digest it, but she still seemed to understand a little.

Li Shunan stared at her meaningfully for a while before he leaned over and tapped her desk lightly with his well-defined fingers. "Deskmate, can I borrow a pen?"

During this period of time, Jiang Lingzhi was indeed deliberately keeping a distance from him.

It was not just because of the report letter.

There was also her own reason.

Jiang Lingzhi's eyelashes trembled slightly. She took a gel pen from her pencil case and placed it on his desk.

She still didn't say a word to him.

This state had been going on for a week.

This child was really hot-tempered.

Li Shunan stared at the pen for a while..

Chapter 199: Can I Borrow A Girlfriend?

After a while, he leaned closer to her ear and said slowly, "Deskmate, I didn't bring my notebook. Can I borrow a notebook?"

His voice was deliberately lowered, and there was a hint of magnetism in it.

Jiang Lingzhi stopped writing and finally turned her head to look at him.

Her eyes were cold.

However, the boy's expression was normal. His long and narrow peach blossom eyes did not show any emotional fluctuations.

He stared at her so brazenly.

After a while, Jiang Lingzhi took the lead to retract her gaze. She opened the draft book, tore a piece of paper from it, and threw it on his desk.

He continued to take notes.

Li Shunan was speechless.

Li Shunan licked his teeth and chuckled. He slowly picked up the pen wash she had given him.

He leaned against the wall behind him and lowered his eyes. His posture was very relaxed as he casually drew on the wall.

After he was done, he stuffed the note on her desk.

Jiang Lingzhi's pen paused, and her gaze swept across the screen.

On a piece of white paper, there was a drawing of a kneeling and crying sponge baby. Beside it was a line of words.

I was wrong. Forgive me.

His handwriting was very beautiful. and his strokes were vigorous and

powerful, very pleasing to the eye.

Looking at those words, Jiang Lingzhi felt like laughing for some reason.

Moreover, this sponge baby didn't match his image.

He spoke as if he knew where he was wrong.

In fact, even she herself did not know what she was angry about.

In any case, when she heard that the teacher wanted to change seats, she was unhappy.

If he hadn't provoked so many young ladies, he wouldn't have been reported.

Therefore, she simply pinned all the crimes on him.

It seemed that he was quite innocent. He didn't even know that he had accidentally fallen for so many girls.

Jiang Lingzhi stared at it for a while. There was no expression on her face. She pushed the paper back and still ignored him.

Li Shunan placed his hands on the table and sighed.

After waiting for a while, he once again thickened his skin and went over, trying to find a conversation."Deskmate, I didn't bring my book. Can I borrow your book to read?"

Jiang Lingzhi finally put down the pen in her hand and turned her face sideways to look at him. "Are you done?"

"What else do you want to borrow?"

Jiang Lingzhi felt that she could not hold on for much longer.

He was still pestering her like this.

She, she was a very unstable person.

If he continued to be like this, how could she still be angry?

"Can I borrow anything?" Li Shunan's lips curled up, and his light brown eyes stared at her without blinking.

Jiang Lingzhi was speechless.

Her intuition told her that he wouldn't be able to say anything nice next.

Jiang Lingzhi was about to retract her gaze.

The boy suddenly spoke, his voice as lazy as ever. "I have everything, except for a girlfriend. Can I borrow her?"

Jiang Lingzhi was speechless.

Li Shunan lowered his voice slightly and said slowly, "Deskmate, do you think it's convenient for me to lend you to you?" Jiang Lingzhi could clearly hear her own heartbeat.

Plop.

Plop.

Jiang Lingzhi stared at him for two seconds before she swallowed her saliva. ""Are you crazy?

Jiang Lingzhi ignored him and picked up her pen to start doing exercises.

Her heartbeat inevitably became a little unstable.

Help!

This person had seriously affected her studies.

Jiang Lingzhi stared at the words on the book, and they all became the same.

Boyfriend, boyfriend, boyfriend, boyfriend, boyfriend..

Agreed, agreed, agreed.

Me! Same! Intent!

Bah!

No, she couldn't be early.. Love!

Chapter 200: Don't Go Back On Your Words

Li Shunan didn't rush her. He leaned against the wall and waited for a long time before he said softly, "Have you considered it?"

After a pause, he continued, "Tsk, it's a little urgent. ""

Jiang Lingzhi's heart, which had calmed down with great difficulty, began to beat faster again.

After calming down for a while, she pretended to be calm and said, "I didn't fall in love in high school. Love affects my studies."

Not only would it affect his studies, but his legs would also be broken.

She would even be called to the office and her parents!

Jiang Lingzhi simply admired her own determination.

Tsk, she was still able to hold on tenaciously. She was really amazing.

She was indeed a self-disciplined and self-reliant classmate!

"I won't disturb you." Li Shunan placed one hand on the table and said, "You just need to study. It won't affect you being my girlfriend."

Jiang Lingzhi was speechless.

' But that's what other people think.' Jiang Lingzhi's little resentment in her heart started to surface again. "Teacher said that you will affect my studies!" If she hadn't insisted, she would have been transferred to another seat.

She had sacrificed too much for this unmotivated deskmate!

Li Shunan sighed and leaned closer. His well-defined fingers tapped on her desk twice. "Then how can I not affect your studies?"

Li Shunan looked down at the problem she had solved wrongly. He pointed at a problem for her. "I won't affect your studies. I'll teach you."

Jiang Lingzhi blinked her eyes and could not believe it. "This is so touching. My deskmate, who scored zero on the math test, is actually going to teach me."

The student who scored zero in the last monthly exam actually wanted to teach her?

Jiang Lingzhi really wanted to interview him. Where did he get his confidence from?

Li Shunan was speechless.

Li Shunan put down the pen in his hand and looked at her calmly. "Do I have to get full marks to teach you?"

Jiang Lingzhi felt a little sad. She smiled and nodded. "Of course, at least not the students who scored 0 points."

Li Shunan laughed and nodded. "Alright, that's what you said."

He raised his head and stared into her eyes with his pale brown eyes. He said casually, "Don't go back on your word when the time comes."

Jiang Lingzhi was speechless.

Jiang Lingzhi's heart suddenly skipped a beat.

What did she just say?

Full marks?

Did she hurt her deskmate's pride?

One had to know that from 0 points to full marks, the gap was a little big.

Did he take it to mean that only those who scored full marks could pursue her?!

So, he had to make up his mind to start learning again?

Although this was a good start.

But if he didn't get full marks, he wouldn't give up on liking her, right?

Jiang Lingzhi suddenly started to panic.

"Well, actually, that's not what I meant. Actually, it's already not bad to pass mathematics. "Jiang Lingzhi expressed it very tactfully, and her clear, small ei-araA ci-raicrhi- h irn

Li Shunan chuckled. He rested one arm on the table and stared at her meaningfully for a while.

The bell rang.

He raised his eyes slightly and slowly looked away. He lay down again and began to sleep.

Jiang Lingzhi was speechless.

So, what kind of situation was this?

Is this your fighting spirit?

He had given up after saying those harsh words a second ago?

Jiang Lingzhi's heart was suddenly burning.

Jiang Lingzhi's heart was suddenly burning.

It felt like a fist hitting cotton..
