

Little Girl 201

Chapter 201: Do You Like Me or Not?

Actually, Jiang Lingzhi had never thought about his grades.

After all, she liked him not because of his grades, but purely because she liked him as a person.

However, when he suddenly wanted to work hard for himself, Jiang Lingzhi was really a little excited.

In the end, his excitement was wasted.

To think that she was still thinking about lowering her standards for him.

It was fine as long as it was on par. But he was still the same as before.

The school bell rang.

The boy was still lying on the desk, sleeping comfortably.

Jiang Lingzhi tidied up the table and picked up her bag. The more she looked at it, the angrier she became. She stood in front of her seat and stared at him for a while.

She really wanted to shout at him.

Do you like me or not?

Jiang Lingzhi bit her lower lip, lifted her leg, and kicked his chair. After doing something bad, she did not dare to stay any longer and immediately fled the scene.

The chair was suddenly kicked.

Li Shunan frowned slightly. He looked up, and there was still a deep sense of tiredness in his eyes.

There weren't many people in the classroom. He only realized that school had ended.

Li Shunan leaned back, his eyes tired. He took out his bag from the hole in the desk, stood up, and walked out of the classroom unhurriedly.

From afar, he could still see the girl carrying her bag and going downstairs.

Kick his chair?

Why was this child so cute?

Li Shunan put a hand in his pocket and moved his long legs unhurriedly. He couldn't help but chuckle.

Jiang Lingzhi carried her school bag as she walked down from the teaching building. The phone in her school bag suddenly rang.

She took out her phone and glanced at it.

It was a message from Su Sici.

Ci Zhu: [I might not be able to wait for you after school. Do you want to tell your mother and ask her to find a driver for you?]

Jiang Lingzhi held her phone and typed on the keyboard a few times before replying, "[No, don't tell her. I can go home by myself.]"

Susie replied, [OK]

Jiang Lingzhi did not really care about going home alone.

Wasn't it just going home alone?

It was not a big deal.

After replying to the message, she put her phone back into her bag.

Jiang Lingzhi left the school and took the same route as before, preparing to go to the bus stop.

When she was about to reach the bus stop, she vaguely saw a few people standing in front of her.

There were men and women, and there seemed to be a few familiar faces.

Wu Qing, Zhuo Yi, Zheng Liang who was beaten up by his deskmate the other day, and a few gangsters were also there. Yes. The young man.

They were originally leaning against the bus stop.

After someone noticed Jiang Lingzhi, they pointed in her direction, and everyone else stood up.

She looked as if her prey had finally delivered itself to her doorstep after waiting for her for a long time.

Jiang Lingzhi suddenly stopped in her tracks.

It felt like they were here for her?

Just because of that incident last time?

Jiang Lingzhi felt a little scared, and she did not dare to walk forward anymore.

The last time was at school, so she was not afraid of those people. Now that she had left the school, she could not guarantee what these people would do.

She saw those people eyeing her covetously as they walked towards her.

Jiang Lingzhi's heart tightened, and she gripped the bag in her hand tightly. She planned to take the opportunity to turn around and escape.

However, as soon as she turned her head, she plunged into a firm chest.

The familiar smell of mint and tobacco lingered around his nose. Jiang Lingzhi subconsciously raised her head and met a pair of light brown eyes.

Li Shunan stared at her condescendingly, raised his eyebrows, and said slowly, "'Tsk, didn't you say that I'm affecting your studies? Why did you throw yourself into my arms?"

Jiang Lingzhi was speechless..

Chapter 202: I Can 't Leave My Mastery Here

Li Shunan raised his head and looked ahead. He snorted when he saw the group of people.

His eyes were light, and he looked lazy and indifferent. His hands were in his pockets, and he looked nonchalant. He raised his feet and was about to walk over.

Jiang Lingzhi's heart skipped a beat.

He wouldn't have left her behind because of what happened just now, right?

Jiang Lingzhi turned around to take a look.

Perhaps because they were afraid of Li Shunan, those people stopped and didn't come closer.

However, he didn't leave. He was still leaning there, staring at them as if he was looking for an opportunity.

Afraid that he would abandon her, Jiang Lingzhi immediately looked for her teammates and tugged at the hem of his clothes.

Li Shunan stopped in his tracks and lowered his eyes. His gaze fell on her slender white fingers.

Then, he looked up and met her eyes.

Jiang Lingzhi raised her head and stared at him. Her tone was a little helpless. "You can't leave me here."

Her voice was light and soft, with a hint of unnoticeable grievance.

Li Shunan was stunned.

He had originally planned to go over and deal with that group of people.

However, the moment the girl said this.

Now, he suddenly changed his mind.

Li Shunan's lips curled into a playful smile. He raised his hand, grabbed the girl's wrist, and pulled her toward the group of people.

"What, what are you doing?" Jiang Lingzhi followed behind, and she was so nervous.

Although he was quite good at fighting.

However, there was still a large group of people over there. It was still a little difficult to fight a group alone.

Although she didn't want to admit it, she was still a burden by his side. Even if they fought, it wouldn't be easy for him to do anything.

"Go home."

Li Shunan's expression was indifferent. There was no extra expression on his handsome face. He still looked very calm. The arrogant aura on his body could not be suppressed.

When he passed by them, his gaze swept across the group of people.

The group of people stared at him, but they did not dare to make a sound. They would wither after being swept by his gaze.

She could only watch as the boy protected the girl in front of him and got on the bus.

Jiang Lingzhi sat down in the back row of the bus. She looked out the window and could still see the group of people's annoyed expressions.

He actually walked over unscathed.

She had just imagined a very explosive scene in her mind.

In the end, this was it?

It seemed that they were really afraid of their deskmate.

The bus door closed and started moving slowly.

Jiang Lingzhi finally heaved a sigh of relief.

“Can you let go now?” A boy’s deep and magnetic voice came from the side.

Jiang Lingzhi lowered her head to take a look, and she realized that she was still holding onto the hem of his shirt, and she did not let go.

She blinked and quickly let go.

Li Shunan looked at her with a playful expression.

The boy had long arms and legs, so sitting on the bus seat seemed a little limited.

Her long legs stretched casually, her posture lazy and lazy.

Li Shunan leaned back and said lazily, “Tsk, looks like they hold grudges and won’t let it go easily.”

Jiang Lingzhi’s heart skipped a beat. She subconsciously looked back and was a little nervous. “Really? Then what should we do?”

She had just promised Ah Ci that she would go home alone.

Should he admit defeat now and go back to find the chauffeur?

Jiang Lingzhi lowered her head, and her face was in a mess.

It doesn't matter." Li Shunan tilted his head and lifted his chin slightly."If you run faster after school every day, they shouldn't be able to catch you."

Jiang Lingzhi was speechless.

Run faster?

Even her teacher had given up on physical education.. Who could she outrun?

Chapter 203: Going Along the Way With My Girlfriend

"Or you can tell the teacher." The boy unhurriedly threw out another suggestion.

Jiang Lingzhi frowned and really thought about this suggestion seriously.

In the next second, he added,"If you're not afraid of revenge."

Jiang Lingzhi was speechless.

Jiang Lingzhi endured it and could not help but retort,""Are you kidding me?"

Then why did you say it?"

He specifically said something that couldn't be established.

"I'm helping you think of an idea. Don't you need it?" Li Shunan smiled and slowly leaned back in his chair. "'Then forget it."

Then, he really shut up.

Jiang Lingzhi was speechless.

At this moment, Jiang Lingzhi's heart was in a battle of wills.

After hesitating for a while, she tugged at his sleeve with her fair fingers and whispered, "'Deskmate, we're going the same way. Let's go home together in the future. "

The girl's slender and fair fingers tugged at his sleeve, and she stared straight at him with her clear, deer-like eyes.

Li Shunan turned his face to look at her unhurriedly. His eyes were full of meaning as he sighed. "Why should I go home with you?"

Jiang Lingzhi glared at him and said angrily, "'Then aren't we going the same

"It's not on the way."

Jiang Lingzhi was speechless.

Li Shunan said in a lazy tone, "'I'm only going on the way with my girlfriend."

Jiang Lingzhi really wanted to bite him to death.

Why was this person like this? He was forcing her to let go!

Jiang Lingzhi retracted her gaze.

If it wasn't on the way, so be it. What's the big deal?

Who doesn't have a backbone!

The bus arrived at the bus stop in the Laocheng District.

The voice announcement began.

Li Shunan turned around and looked at her mysteriously. "Goodbye, deskmate."

The word 'deskmate' was tactfully and roundabout.

With that, he stood up and got off the bus.

After he left.

Jiang Lingzhi felt that it was very dangerous everywhere. She had a feeling that those people would appear out of nowhere at any time.

Jiang Lingzhi's heart tightened. The moment the bus was about to close, she carried her school bag and quickly followed him.

It didn't matter.

She could just go along the way.

Jiang Lingzhi carried her school bag and followed behind him.

Li Shunan put his hands in his pockets and seemed to realize something. He stopped and turned to look at her.

Jiang Lingzhi carried her school bag and looked around. She coughed lightly and pretended as if nothing had happened.

“Follow me?” The boy said slowly in a playful tone.

Jiang Lingzhi said righteously, “Are you kidding me? I’m going home this way too.

Li Shunan stared at her for a while and suddenly smiled.”Alright.”

He turned around and walked in front-

The girl followed closely behind.

Looking at his back view, Jiang Lingzhi felt very safe and secure.

They walked to the fork between the alley and home.

Jiang Lingzhi looked at the boy’s back and let out a sigh of relief.

This place was not far from her house, so it should be safe.

They would not stop her here.

Jiang Lingzhi turned her head around and walked along the road towards home.

She hadn't noticed it yet.

After she turned around.

The boy who had already walked into the alley suddenly stopped in his tracks and turned back.

Looking at the girl's back, Li Shunan chuckled.

She was worried that those people would come back to stop her.

He followed her from afar.

Li Shunan only stopped when he saw her enter the area of the villa. He stared in that direction for a while, then turned around and walked back slowly..

Chapter 204: I Only Want to Study Every Day

Back home.

Lu Yuping was cooking dinner in the kitchen.

Jiang Lingzhi changed into her slippers at the entrance. She greeted her as she walked in." Mom, I'm back.""

“You’re back. Go wash your hands. We’ll be able to eat soon.” Lu Yuping’s voice sounded in the kitchen.

“Oh, I know.” Jiang Lingzhi responded and carried her bag back to her room.

There were only the two of them for dinner again.

Although the last time they had an unhappy relationship because of the exam, there was no overnight hatred between mother and daughter.

As time passed, the topic of her abnormal performance in the exam was no longer mentioned.

“Did you come back with Ah Ci after school recently?” Lu Yuping asked her.”

Jiang Lingzhi lowered her eyes and nodded.””Oh, yes.”

Lu Yuping didn’t ask much. She was relieved to go home with Ah Ci.

Other than being strict in her studies, Lu Yuping was quite easy to talk to in other aspects.

Jiang Lingzhi ate as she glanced at Lu Yuping who was sitting opposite her.””Mom, I want a pet.”

Little Pumpkin had been in the foster care of her deskmate’s family for a long time. She would be embarrassed if she continued to raise him.

Lu Yuping drank a mouthful of soup and raised her head to look at her.””Why do you suddenly want a pet?”

Recently, she had been saying things like how cute little animals were at home every day.

After thinking for a moment, Lu Yuping nodded. "What do you want to raise? Next time, let daddy take you to the pet market to have a look."

Jiang Lingzhi continued, "I want to raise a cat. ""

Lu Yuping shook her head and put down the bowl in her hand. "Cats won't do.

Your father is allergic to cat hair. Why don't you get a dog?"

Jiang Lingzhi sighed." Then forget it. ""

Allergies.

Then what should he do?

After dinner, Jiang Lingzhi went upstairs and returned to her room.

After finishing her homework, she continued practicing the piano for a while.

After all the tasks were completed, she took a shower and came out of the bathroom.

It was already one minute past midnight.

Jiang Lingzhi was wearing a nightgown as she lay on the bed. When she was doing her homework, she was not distracted, but once she was free, she started to think about other things.

What if my deskmate flirts with me every day?

Her heart had wavered hundreds of times, and she was already on the verge of collapsing.

In order to strengthen his determination.

She picked up her phone and changed her WeChat name.

It was changed.

All I want to do every day is to study!

Look at the self-cultivation of a good student.

This was how outstanding he was!

Other than studying, I don't want anything else!

Jiang Lingzhi brainwashed herself.

She placed her phone on the bedside table and prepared to sleep.

His phone suddenly rang.

Jiang Lingzhi turned on the bedside lamp and reached for her phone again.

He received a new message.

The WeChat ID was sent by someone called [Learning].

When did she add this person?

[Study: Still awake?]

Jiang Lingzhi stared at the message for a few seconds.

Who was this? Are you crazy?

Jiang Ling knew that she wanted to block this person, so she casually swiped her phone up.

They had actually sent each other messages before.

When he saw the message log, his fingers froze.

The message log looked a little familiar.

This seemed to be the message she had sent to Li Shunan.

Previously, his WeChat name was Li Shunan.

Jiang Lingzhi did not even write a note for him.

Why did he suddenly change his name today?

Study?

Did he really intend to study hard and improve every day?

Chapter 205: I'm Brainwashing You

Jiang Lingzhi was very gratified. She typed a few words and sent it over.

[I'm about to sleep.]

After she sent this message, she realized that something was wrong.

[Study: Still awake?]

I just want to study every day.

After these two pieces of news were put together.

Jiang Lingzhi finally reacted.

All she wanted to do every day was to study.

Learning.

How could this person be so shameless?

Jiang Lingzhi typed a few words and sent it over." [Why did you suddenly change your WeChat name?]

[Learning: This is not to cooperate with you.]]

I only want to study every day.

Learning: " I'm brainwashing you and hinting at you. Can't you tell?]

I only want to study every day.

What a lunatic.

Jiang Lingzhi's fingers moved a little. She wanted to tell him about the little pumpkin.

He might have to leave it at his house for a while.

But now that she mentioned it, she was afraid that he would make use of Little Pumpkin's matter to make a fuss.

I can't give him this chance!

Forget it.

Maybe next time.

For the next few days, Jiang Lingzhi waited for her deskmate to finish school together.

It didn't matter if he agreed or not.

Anyway, she was going to follow him. After all, her life was still important.

What if they were blocked by that group of people and got beaten up?

Li Shunan didn't say anything for the past few days, as if he had already acquiesced to this matter.

After school.

Jiang Lingzhi tidied up her school bag and waited for her deskmate in her seat for a while. She was very deliberate.

She saw him sitting in his seat for a long time without any intention of leaving. Jiang Lingzhi could not help but urge her, "Aren't you going home yet?"

Li Shunan took out his school bag from the hole in the table. He paused and looked up at her. "Are you in a hurry?"

Jiang Lingzhi felt a little uncomfortable.

"If you are in a hurry, you can leave first." he said lazily.

Jiang Lingzhi was speechless.

Did he do it on purpose?

Under such circumstances, could she possibly leave first? Jiang Lingzhi cleared her throat.

Li Shunan chuckled, leaned back, and stood up unhurriedly.

Jiang Lingzhi turned her head sideways and stared at him.

Li Shunan looked down at her and chuckled. "Let's go. Aren't we going home?" Jiang Lingzhi was speechless.

'Oh.' Jiang Lingzhi finally reacted and quickly got up to give up her seat.

Li Shunan slung his bag over his shoulder and walked out of the classroom.

After coming out of school, Jiang Lingzhi looked around habitually.

There was nothing wrong with the students coming and going.

Although he didn't see anyone suspicious, he was still a little worried.

Jiang Lingzhi followed behind Li Shunan and walked towards the bus stop.

There was a traffic jam on the road.

The original 10-minute walk took her 20 minutes to reach the station.

Jiang Lingzhi sat by the window and leaned against the back of the chair, dozing off.

When they arrived at the station, the voice broadcast began.

"Let's go." The boy's cold fingers gently tapped her cheek.

Jiang Lingzhi instantly woke up. She quickly carried her bag and got out of the car.

I almost missed my way to the bottom.

Fortunately, he reminded her.

After getting off the bus.

Jiang Lingzhi carried her school bag and followed behind him. She walked at a steady pace.

They passed by the mall.

This piece is a bit lively as a whole.

All kinds of shops were shouting and holding promotions.

There was also milk tea and candied haws.

There were all kinds of fried skewers and food vendors by the roadside.

It looked delicious.

Jiang Lingzhi was in a daze, and she did not notice that the boy in front of her had suddenly stopped..

Chapter 206: Let's Parted Amicably

She didn't have time to stop, and her entire body crashed into his back.

After she reacted, Jiang Lingzhi rubbed her head and quickly took two steps back.

The boy's slender and tall figure was wearing a dark coat. He stood in front of her like a mountain.

She felt a little strange. She tilted her head and glanced at him. She found that Li Shunan was staring straight ahead and his face was a little dark.

"What are you looking at?"

Jiang Lingzhi was a little puzzled, and she followed his line of sight to look ahead.

There were people coming and going ahead.

At this time, the bar had just opened.

A man and a woman were entangled there. The man grabbed the girl's hand and refused to let her go.

They seemed to be arguing about something.

Wasn't it Su Xici and Fu Baixue?

How did the two of them meet here?

Jiang Lingzhi clicked her tongue twice. She had just taken a nap, and she was not very awake now. She was still sighing in her heart.

The person who was standing next to her did not answer her question and suddenly strode forward.

The boy's entire body was shrouded in a low pressure.

Jiang Lingzhi had yet to react.

Deskmate, what is he doing?

She stared at his movements for two seconds and realized that he was walking in Su Xici's direction.

Jiang Lingzhi's heart skipped a beat, and she suddenly realized something.

Su Xici had bumped into Fu Baixue by accident.

A few days ago, he heard from his friends that he had seen her in this area. Therefore, he had been taking this route home from school for the past few days.

He did not expect that he would really bump into the other party.

At the bar.

So she had been singing and working in this bar?

The girl was wearing the school uniform of Seventh High School. Her jacket was not properly worn either. It was tied around her waist and she had a pink school bag slung over her shoulder.

She did not seem to see him and was about to walk into the bar.

Su Xici sneered and walked over in two steps.

Just as Fu Baixue was about to enter the bar, someone grabbed her wrist.

Her whole body quivered as she turned to look at him.

“Why is it you again?”

“This is where you work part-time?” Su Sici sneered.

Fu Baixue was speechless.

Su Sici looked up and remembered the name of the bar. “So, what is the reason for the breakup?”

Hearing him mention this, Fu Baixue panicked for a moment.

She pulled her wrist out of his palm and turned her face away. "I'm just sick of it. If you want to break up, what reason do you need?"

Su Xici didn't believe this kind of nonsense. She tried her best to calm down. "Let's find a place to sit down and talk."

Her breakup this time was obviously different from the previous ones.

That serious attitude of wanting to cut ties with him made him a little flustered.

Fu Baixue looked at the time and said, "I'm in a hurry to go to work. Maybe next time."

"I can still find you next time. How long are you going to hide from me?" Su Xici gritted her teeth, unable to suppress her temper.

Fu Baixue felt a headache coming on.

Since he had found a part-time job, he would haunt her even more in the future.

She knew that he would be like this, so she had been avoiding him.

"It's been three years. Can't you just take it that I'm tired of it? Let's part on good terms." Fu Baixue said.

Su Xici's eyes darkened. "Try saying that again."

Fu Baixue was speechless. She pursed her red lips and turned her face away.

The two of them were in a deadlock.

“Follow me.” Su Sici’s eyes darkened. She grabbed her wrist and was about to bring her to the cafe opposite to have a good talk..

Chapter 207: Am I More Important, or Is He More Important?

Just as he turned around, a person suddenly walked over.

Su Xici frowned and looked up.

Before he could react.

Suddenly, he was punched in the head.

There was a muffled bang.

Su Xici was caught off guard. She staggered and turned her face to the other side.

He did not expect that the person would not say a word of nonsense. He walked over and gave him a straight punch.

Su Xici was completely stunned.

The passers-by were also stunned. They didn’t know why they started fighting, and the crowd burst into exclamations.

Jiang Lingzhi wanted to chase after her, but it was already too late.

He could only watch helplessly as his deskmate punched Su Xici.

Save. Life. Ah.

Jiang Lingzhi was almost in a mess.

Why was his deskmate suddenly so impulsive?!

Li Shunan's lips were straight as he stood there, his eyes dark and scary.

Su Sici licked the corner of her lips, and a faint smell of blood spread out. Her temper immediately rose.

"Is your brain still normal? Why did you hit me?" Of course, he recognized the person in front of him.

Therefore, he felt even more baffled.

Li Shunan tilted his head and snorted. "I'm hitting you."

"There's no reason. I just don't like you." He dragged his words and spoke lazily.

Su Xi Ci was speechless.

Damn it, this was the first time he met someone more arrogant than him.

Su Xici was also angered. She wiped the corner of her mouth with the back of her hand and angrily walked over to attack.

Jiang Lingzhi jogged over and stood between the two of them. She turned her head and glared at Su Xici. "Don't you dare! You're not allowed to hit him!"

“Big sister, I was the one who was beaten up, Sici gritted her teeth and was a little speechless.

Jiang Lingzhi glared at him angrily.” Who asked you to pinch my wrist until it turned red last time? Isn’t this what you should bear?!”“

Su Xi Ci was speechless.

My mother?

Li Shunan raised his chin slightly, lazily and casually. He took another step closer, and he couldn’t suppress the hostility in his body.

This stance clearly showed that they couldn’t pass without a fight.

Jiang Lingzhi turned around and quickly stopped him. She tugged at the hem of his shirt and stared at him pleadingly.”Stop hitting him, don’t hit him.” If she hit him again, she wouldn’t be able to stop him.

Li Shunan stared at her and said in a surprisingly calm tone,“So, how much position does he still have in your heart?”

“Ah?” Jiang Lingzhi did not understand the meaning of this sentence. She looked at the people around her who were gathering more and more, and she hurriedly explained, ““No, there are so many people here.” Jiang Lingzhi suddenly thought of the last time.

The words he said.

Did she like him that much?

Jiang Lingzhi’s figure froze, and her fair fingers tugged at the hem of his shirt. She said softly,“Did you misunderstand something? I’ll explain it to you later, okay? I...”

Li Shunan stared at her and his throat moved.

He had already verified that she should like him.

Did it mean that he had completely removed that childhood sweetheart from her heart?

The reason why she hit him today was entirely because of the boy's attitude towards her last time.

He wasn't happy.

He also wanted to confirm it.

What he wasn't sure about was how much weight this boy still held in her heart.

Was it more than him?

Li Shunan stared at her with his light brown eyes. "So now, am I more important or is he more important?"

Jiang Lingzhi felt a lump in her throat. She stared at him and suddenly forgot to speak..

Chapter 208: Is Your Boyfriend Crazy?

She did not know how to answer this question.

It was too sudden.

She was completely unprepared.

Once she answered, all her thoughts would be revealed.

Jiang Lingzhi opened her mouth, but she did not know what to say.

Her hesitation seemed to have given him the answer.

Li Shunan laughed at himself. He raised his hand and pulled the hem of his shirt out of her hand."I understand."

After saying that, he looked at her with a deep gaze, then turned around and strode away.

The boy's tall and slender back view left decisively and resolutely.

Jiang Lingzhi stared at his back view. Her nose felt a little sour for some reason, and she was a little annoyed.

What did he know?

He clearly didn't know anything.

At the entrance of the pharmacy.

The three of them found a table and sat around it, speechless.

Su Sici's lips were slightly torn after being punched. However, there was nothing wrong with her face, only a hint of dispiritedness.

Fu Baixue took a cotton swab and gently applied medicine to the corner of his lips."Come down a little."

Her tone was not gentle at all.

Su Xici obediently bent down. She was angry and amused as she stared at Jiang Lingzhi. "Is your boyfriend sick?"

Jiang Lingzhi glared at him."

Su Xi was so angry that she laughed. "What? You can't even talk about it now?"

Jiang Lingzhi could not help but retort, "If it wasn't for him, would your Xiaoxue be sitting here and applying medicine for you?" Go burn some incense!"

Su Xi Ci was speechless.

What he said did make sense.

"Then I should thank him," Susie laughed."

"No need." "I answered it on his behalf," Jiang Lingzhi said unhappily. "You're welcome."

Su Xi Ci was speechless.

Su Sici raised her hand and pinched her cheek.

What a little devil.

She could turn black into white.

Fu Baixue slapped his face. "Put on some medicine and don't move around."

Su Sici looked at her coldly. "A large-scale domestic violence scene?"

Fu Baixue rolled her eyes and ignored him.

After throwing the used cotton swab into the trash can.

Fu Baixue raised her head to look at Jiang Lingzhi. Her gaze was a little ambiguous. "So that's the boy you like. He's so f*cking handsome!"

Don't blame her for cursing.

It's true, he's really f*cking handsome!

"Who are you calling handsome?" In front of whom?"

Fu Baixue raised her hand and pressed his lips with her fingertips. "I'm handsome to begin with, but you don't let me say anything."

Su Sici narrowed her eyes and hissed in pain.

Fu Baixue rested her elbow on the table. "Why didn't you go after him just now? He seemed angry. Go and explain to him. ""

Jiang Lingzhi was a little depressed."

"He obviously misunderstood. Didn't you see?" After she finished speaking, Fu Baixue reacted on her own. "Hiss, could it be that he still doesn't know about the relationship between the three of us?"

Jiang Lingzhi was a little down.” Aren’t you two in an underground relationship? I don’t have such a big mouth to go around telling everyone.””

Fu Baixue was speechless.

Su Xi Ci was speechless.

“Why are you so obedient?” Fu Baixue patted her head. I told you not to tell her in school, but I didn’t tell you not to tell your boyfriend.”

Jiang Lingzhi was even more depressed.” But, he’s not my boyfriend yet.”” “Whether he’s your boyfriend or not, it’s up to you.”Fu Baixue felt helpless and amused.

“Look at him just now. Even a fool can tell that he cares a lot about you..”

Chapter 209: There’s No Such Shop After This Village

“What are you hesitating about?” Fu Baixue asked curiously.”

Jiang Lingzhi said slowly,”I don’t want to be early.” Love, early. Love affects my studies.”

“Tsk, are you sure?” Fu Baixue rubbed her head.

“There won’t be such a good boy after this. Are you sure there will be such a good boy waiting for you after you go to university?”

Jiang Lingzhi lowered her head, and she was too conflicted in her heart.

Fu Baixue said calmly, "Think about it yourself. Think about that scene. If he was with another girl, what would you do? Think carefully."

Jiang Lingzhi's eyelashes fluttered, and she sniffed lightly.

Fu Baixue knew what she was thinking. "Silly, go and explain to him. At least explain it clearly."

Jiang Lingzhi hesitated again.

When she thought of the boy's back, she suddenly felt a dull pain in her heart.

She wanted to get closer, but she was afraid of getting hurt.

For the first time in his life, he wanted to be brave.

When Jiang Lingzhi came over to give her a good look, she had already mustered up all her courage.

In the end, when she reached the entrance of the courtyard, her heart began to waver again.

He dilly-dallied there for a long time, not daring to enter.

It was already late, so she dawdled for a while.

Gradually, the sky darkened.

The street lamps in the old alley were a little old.

It looked dark and quiet on the bluestone road.

Footsteps came from the other end of the alley.

It was exceptionally clear in the night.

Jiang Lingzhi leaned against the wall and turned around to take a look.

The boy's tall and slender figure was shrouded in the moonlight as he walked over from not far away.

He had a cigarette between his thin lips. The cigarette butt was burning brightly, and he was holding a plastic bag in his hand.

The dim street light shone on his body, obscuring his facial features and stretching his shadow.

Jiang Lingzhi's eyes lit up, and she quickly stood up

She had just uttered a syllable.

In the end, the boy acted as if he did not see her. He walked past her without looking sideways and entered the courtyard.

Jiang Lingzhi opened her mouth and wanted to call out to him to explain, but she did not know how to start.

She could only watch helplessly as he entered the courtyard.

She lowered her head, not knowing what to do.

He was so angry that he ignored her.

Jiang Lingzhi was a little depressed and a little annoyed.

She was indeed a coward.

Recently, he had been tormented to the point of insanity.

Hundreds of times, he hesitated at the point of compromise, but he could not make up his mind.

Would he never forgive her again?

Jiang Lingzhi lowered her head. In an instant, her entire person was filled with frustration.

Was she really too much?

Just as he thought of this, a shadow suddenly enveloped him.

The boy walked out from the inside again.

Jiang Lingzhi raised her head, and her clear little deer eyes stared straight at him.

The boy faced the light.

His facial features were shrouded in the dim yellow light, and his eyes were even more profound.

“Did I bully you?”

Li Shunan was wearing a clean white shirt. His figure was outlined and tall as he stood in front of her.

Jiang Lingzhi sniffled and shook her head.

Li Shunan stared at her, his thin lips pursed into a straight line, and he sighed. "Am I not good enough to you?"

Jiang Lingzhi looked at him and did not say anything.

Alright.

In this world, there was no other boy who treated her better than him,

That was why she was sinking deeper and deeper.

It was out of control.

She even wanted to ignore her mother's wish to be a good baby because she wanted to be with him.

Li Shunan's Adam's apple bobbed slightly. He raised his hand and touched her face with his fingertips, resisting the urge to press her into his arms.

In the end, he sighed helplessly..

Chapter 210: You Are the Most Important

Jiang Lingzhi's eyelashes trembled slightly as she felt the cold touch of his fingertips.

Li Shunan lowered his eyes. His pupils were deep and loving, and he was as casual as ever. "Let's go home."

His fingertips brushed against her cheek.

The moment he retracted his hand.

Jiang Lingzhi's heart suddenly tightened.

She had a feeling that she was about to lose him.

She finally said without caring, "Su Xici and I are not what you think." Li Shunan's fingers paused and he looked up.

"I don't like him, so I treat him as my brother. He doesn't like me either. The girl just now is his girlfriend. They've been together for a long time, and I've never liked him..

Jiang Lingzhi's voice was trembling, and she tried her best to express it clearly.

"The last time I cried, it wasn't because of him. It was because I didn't do well in my exams, so I cried."

"You just asked me if you were more important or him. Of course it's you."

"You are the most important..."

Jiang Lingzhi did not speak fast, but she finished speaking in one go.

She didn't know if she was clear enough.

Did he understand what she meant?

Anyway, her mind was in a mess right now, and the words she said did not go through her brain.

After saying that, she stared at him nervously.

“Do you understand?”

Li Shunan lowered his eyes and stared at her with his light brown eyes. His gaze was a little deep and a little heavy.

She didn't know if she believed him or not.

The girl was right in front of him.

She was wearing a blue and white school uniform with a ponytail, revealing her fair neck and a delicate face.

Her eyes were still a little red, and her eyes revealed a little nervousness. Because she was anxious, she said so many things without a beginning or an end.

Do you understand?

He understood.

Because she understood, she was speechless.

You are the most important...

These four simple words seemed to burn a flower in his heart.

Li Shunan's Adam's apple moved slightly. Suddenly, he felt that his chest was filled with something.

His fingers paused for a moment before finally retracting.

Jiang Lingzhi's heart tightened, and she subconsciously raised her hand to hold his palm.

It was as if she was afraid that he would reject her.

Jiang Lingzhi beat him to it and suddenly said, "Yes, can you take me back to your house?"

Her eyes were round and clean, and the corners of her eyes were slightly upturned. She was always acting coquettishly and begging without knowing it.

Li Shunan paused and stared at her.

"Hmm?" His voice sounded a little hoarse.

His fingertips were cold, but his palm was warm.

The warmth from his palm was a little unfamiliar, making her want to let go but not want to.

Jiang Lingzhi was a little nervous, but she still let go of his hand. She said without thinking, "I, I want to watch a movie. Can I go to your house to watch a movie?"

Because she was afraid that she would be left behind, she randomly found an excuse.

It was a lousy reason.

Li Shunan stared at her for a while, and his throat rolled. After a long while, he took a step back and gave way to the door. He lowered his eyes, his voice a little hoarse.

Jiang Lingzhi secretly heaved a sigh of relief.

It was alright.

Fortunately, he was not chased away.

Li Shunan's lips were pursed. He hadn't fully digested the information yet. He looked away and was still thinking about what she had just said.

She walked two steps into the courtyard thoughtfully.

A soft little hand touched her palm that was hanging by her side.

Li Shunan's fingers froze.

The girl was very careful, as if she was testing him..
