

Little Girl 211

Chapter 211: I Only Liked You

Li Shunan chuckled and held her hand tightly. He led her into the courtyard.

The lights in the room were not switched on, so it was a little dark.

The projection was playing an anime movie.

Crazy Animal City.

Jiang Lingzhi had seen this at home, and she liked it.

She had a feeling that her deskmate was a little similar to Nick the Fox.

Especially when he stared at her.

That kind of indulgent and slightly evil gaze.

He seemed to be especially doting.

Jiang Lingzhi was curled up on the sofa. Her eyes were staring at the movie, but all the senses in her body were focused on the warmth on her wrist.

He had not let go.

His slender fingers held her slender wrist.

His fingers gently brushed against her wrist, causing an itch.

Jiang Lingzhi's body trembled slightly.

Li Shunan seemed to have noticed her nervousness and heard a low laugh. He finally let go of her hand and planned to take it back.

Before she could retract her hand, a small, soft hand suddenly grabbed her hand.

Her fingers were slender and her skin was smooth.

A small one burrowed into his palm. Hesitating and a little timid, he finally stuck it in. She entered between his fingers and interlocked their fingers.

Li Shunan turned his face, and the tip of his throat moved slightly. He could clearly see the girl's side profile.

Her eyelashes trembled slightly, and the tip of her nose was raised. She was so nervous that she was at a loss.

"Jiang Lingzhi." He suddenly spoke in a low voice.

Jiang Lingzhi bit her lips and looked straight ahead. She said, ""Did I not tell you that I like you very much?" He finally made up his mind.

She wanted to tell him.

He liked it very much.

He had never liked someone so much.

Li Shunan stared at her, his eyes darkening.

“You’re the only person I’ve liked since I was born.” The girl’s voice was a little soft and a little nervous.

In the dark environment, everything was calm and warm. It was unknown.

Li Shunan said in a hoarse voice, “Hook. Lure me?”

Jiang Lingzhi’s ears were a little hot. She did not know why he suddenly said such words. “I just wanted to tell you.” She wanted to express her feelings.

Let him know.

He was clearly so good.

He didn’t need to compare himself with others.

Li Shunan grabbed her wrist and suddenly pulled her over.

Jiang Lingzhi lost her balance and fell towards him.

Jiang Lingzhi looked up at him.

In the flickering light.

The girl’s porcelain white skin looked even more translucent, and her eyelashes were long and slender. She was a little too beautiful.

The boy's slightly hoarse voice whispered into her ear, "Has anyone ever told you not to go home with a man at night?"

Jiang Lingzhi stared at him eagerly.

Her eyes were round, and her gaze was as clean as a deer's. It made people want to eat her in one bite.

"You still say this kind of lure. People. Offend. Sin."

Li Shunan lowered his body and moved closer to her. His voice was dangerously low. "Then have I told you that I not only like you, but also want to... Do bad things to you."

His magnetic laughter rang in her ears as he asked her, "Are you afraid?"

Jiang Lingzhi's heart suddenly tightened, and the rhythm of her heartbeat became chaotic again.

"I'm not afraid." She looked up and stared at him.

Li Shunan raised his eyebrows, as if he hadn't expected such an answer.

"But I haven't...Deal. Year." Jiang Lingzhi said softly..

Chapter 212: Waiting for My Future GirGirlfriend to Grow Up

Li Shunan lowered his head and stared at her without blinking. He raised his hand and gently pressed his fingers on the corner of her lips. "So, I'm waiting."

Jiang Lingzhi's heart skipped a beat, and she swallowed her saliva. "Wait for what?"

Li Shunan chuckled and moved closer to her ear. His thin lips brushed against her ear. "Wait for my future girlfriend to grow up."

His voice was low and slow.

The light touch brought about a numbing electric current.

The heat gradually climbed up from her neck to her cheeks.

Jiang Lingzhi resisted the urge to scream.

She mustered up her courage and said in a slightly trembling voice, "Did you make a reservation?"

"Hmm?" Li Shunan looked up.

Jiang Lingzhi was a little nervous, but she did not back down. "Have you already booked your future girlfriend?"

She pursed her lips and slowly added, "Many people like future girlfriends. If you don't book them, they will be snatched away."

Li Shunan seemed to be interested. He curled his lips and leaned lazily on the sofa. "How?"

Jiang Lingzhi blinked her eyes.

Li Shunan just looked at her.

Jiang Lingzhi's hand that was not held by him suddenly clung onto his shoulder. She raised her head and gently touched him.

It was as light as a feather, leaving his lips as soon as it touched.

The girl's eyelashes trembled slightly, and her gentle voice became a fatal poison.

"Then you have to wait for me, future boyfriend."

The moment she leaned in, there was a faint fragrance. It was as if her heart was pinched by a soft hand.

A light touch from her was enough to make him surrender.

Li Shunan's throat twitched violently, and his breathing became unstable.

The moment she was about to retreat.

He suddenly stretched out his arm and wrapped it around her waist. He unconsciously tightened his grip around her waist and pulled her into his embrace. His nose was pressed against her neck.

The distance between them shortened in an instant, and Jiang Lingzhi's body stiffened for a moment.

After she reacted, she subconsciously wanted to retreat.

"Let me hug you for a while." His voice was unbelievably hoarse.

Jiang Lingzhi's figure froze, and she obediently stopped moving, allowing him to hug her.

Li Shunan wrapped his arm around her waist. As he breathed, he could smell the faint fragrance of milk on the girl's body.

He calmed down for a while, afraid that he would hurt her.

It was not easy for him to restrain himself and want to do more.

“ Mm.” His voice was a little hoarse, and his breath blew against her ear. “Waiting for you.”

Jiang Lingzhi’s face started to heat up again. She was hugged in his arms just like that, and her breath was filled with his scent.

His presence was too strong to be ignored.

The atmosphere was too quiet.

It was so quiet that it made people panic.

She could clearly hear his heavy breathing exploding in her ears.

It was already nine o’clock on the clock.

Jiang Lingzhi endured it for a while before she said softly, “I have to go home.” Her body was a little stiff and she did not dare to move.

Li Shunan buried his head in the crook of her neck and laughed softly. His Adam’s apple bobbed, and he finally let go of her and retreated a little.

His light brown eyes stared at her, and his fingertips gently rubbed her red lips.

“I’ll send you back.” He got up from the sofa.”

He walked out of the courtyard.

The sky outside was completely dark, and the night sky was dotted with a few scattered stars.

The old alley was very quiet at night.

Occasionally, wild dogs would pass by and bark.

The two of them walked forward unhurriedly.

Jiang Lingzhi felt that her mood today was different from any other day..

Chapter 213: Hug

The boy was beside her.

His hands were in his pockets, lazy and indifferent.

Jiang Lingzhi stared at him for a while before she said softly, ""Can we hold hands?"

"Huh?" Li Shunan stopped in his tracks.

Jiang Lingzhi handed her small hand over and said righteously, ""It's a little cold."

Li Shunan chuckled and took his hand out of his pocket. He wrapped his big palm around her small hand.

He held her hand and slowly walked forward.

Jiang Lingzhi stared at his side profile for a while, and she could not help but ask, "Why are you so quiet today?"

"Ah?" Li Shunan glanced at her and licked his molars.

He paused for a moment before continuing, "I've already booked a future girlfriend and haven't recovered yet."

It was too sudden.

Everything happened too suddenly.

Jiang Lingzhi burst out laughing and asked again, "Then what do you want to do after you recover?"

Li Shunan stopped in his tracks and turned to face her. He bent down slightly and looked into her eyes. He asked slowly, "You can do whatever you want?"

Jiang Lingzhi was speechless.

He didn't know what was going on.

A series of touching and hugging scenes from romance movies flashed past her mind uncontrollably.

Jiang Lingzhi's ears started to heat up again. She was a little nervous. "Of course, that won't do."

"At least respect my status as a minor." Jiang Lingzhi was a little nervous.

Li Shunan laughed softly, and his deep voice echoed in her ear. "Then aren't you torturing people?"

Actually, he was still confused.

He didn't even have the time to think of anything else.

He had reserved a little girlfriend.

In the end, he was not old enough to do anything.

He was also afraid that he would not be able to control himself.

At this moment, he was just going along with her words and wanted to tease her.

"Just wait for two years?"

Jiang Lingzhi's heart skipped a beat.

She felt that it was quite difficult to find a future boyfriend. He was even willing to wait two years for her before dating.

Two years later, he would be 20 years old.

The more he thought about it, the more he felt wronged.

Jiang Lingzhi held his hand and thought about it. She stared at him and suggested softly, "Then, then should I coax you?"

Li Shunan stared into her eyes and smiled. "How?"

Jiang Lingzhi thought for a moment and took a step forward slightly. Her slender arms wrapped around his slim waist. Her side profile was pressed against his chest. She could clearly hear his heartbeat.

“Hug.”

The girl’s petite and soft body immediately filled his embrace.

It seemed to fill up the other half of his life that he was missing.

Li Shunan raised his hand and stroked her long hair.

Jiang Lingzhi felt that there was a need to explain for herself. “Although it’s been a little long, it’s only been two years.” Li Shunan paused. He didn’t expect her to do this.

“Yes, I was coaxed.” There was a faint smile in his voice.

Jiang Lingzhi buried her face in his chest and said softly, “Then you can’t like anyone else.”

It was mainly because of this.

What if he felt that he had waited too long and was unwilling to wait, and fell in love with someone else?

After all, it was easy to tell which was more convenient, waiting for a little girlfriend to come of age or finding a ready-made one.

Li Shunan couldn’t help but chuckle.

He lowered his eyes and gently hooked her chin with his well-defined fingers. “Tsk, that depends on how your future girlfriend performs..”

Chapter 214: Wake You Up

Jiang Lingzhi wrinkled her nose.”

Li Shunan raised his hand and gently rubbed the corner of her lips.””What are your responsibilities as your future girlfriend?”

Jiang Lingzhi followed his words, “What is it?””

Li Shunan raised his eyebrows and said in a sloppy manner,”It’s affecting my scumes wnen 1 waKe up m me mormng.” It was rare for him to want to learn.

This was a good thing!

Jiang Lingzhi thought about it and felt that this was not a big problem.””Should I wake you up next time?”

Anyway, they passed by here on the way to school.

It didn’t seem to matter if she woke him up on the way.

‘ Sure.” Li Shunan thought for a while, lowered his eyes, took out a key from his pocket, and handed it to her.”Then wait for me tomorrow and go to school together?”

His fingers were long and slender. Under the dim light of the street lamps, his skin looked even paler.

There was a silver key between his fingers, glowing faintly.

Jiang Lingzhi stared at the key for a while. She swallowed her saliva, blinked her eyes, and took it.”Sure.”

She played with it in her palm and couldn’t help but smile.

Li Shunan couldn't help but smile. He held her head and rubbed it gently. "Why are you so happy?"

Jiang Lingzhi's eyebrows curved up. "I already have the keys to your house.

When you're not at home one day, I'll help you empty it."

"I like your projector. If you put it in my room, I can lie in bed and watch movies."

Just thinking about it, it was too perfect!

The ultimate goal of lazy people.

Li Shunan lowered his head and chuckled. "Don't you think there's something missing?"

Jiang Lingzhi was curious."

His voice carried a hint of a smile as he said lightly in her ear,""Is the other half of your bed missing me?"

Jiang Lingzhi was speechless.

Jiang Lingzhi realized that his shameless nature seemed to be starting to be exposed.

She was stunned for two seconds.

After saying that, Li Shunan immediately admitted his mistake. His magnetic laughter echoed in her ears."I'm sorry. I didn't respect your status as a minor."

The words that Jiang Lingzhi had yet to say were instantly stuck in her throat.

When she returned home, the living room was pitch-black.

Only the wall lamps in the corridor were dimly lit.

She called Lu Yuping in advance and told her that she was with Xiaoxue and that she didn't have to wait for her.

She should be asleep by now.

Jiang Lingzhi quietly went upstairs and prepared to go back to her room.

Just as she reached the steps, the lights in the living room suddenly turned on, and a person walked out from the kitchen.

Jiang Lingzhi stopped in her tracks and looked over. Her heart was beating fast, and she felt extremely guilty. "Mom, why aren't you asleep yet?"

Lu Yuping was wearing pajamas and a coat over her shoulders. She was holding a glass in her hand. It was obvious that she had come down to pour some water.

"Come down and have a glass of water." She looked up at the clock on the wall. "Why are you back so late?"

It's already 10 pm

Jiang Lingzhi stopped in the middle of the stairs and swallowed her saliva. "Ah, it's just that Xiaoxue is going to take the college entrance examination. She forgot a lot of the knowledge points in the second year of high school, so I reviewed them for her."

Jiang Lingzhi realized that she could lie without batting an eyelid.

She was indeed not obedient.

Lu Yuping didn't doubt it at all. She just nodded. "Don't do this next time. You didn't even practice the piano today, right?"

She took two steps towards the stairs. "Forget it, wash up early and go to bed. You still have to go to school tomorrow.."

Chapter 215: South Friends

Jiang Lingzhi secretly let out a sigh of relief. "Oh, I know. I still have a test paper to finish. I'll sleep after I finish it. ""

With that, she carried her bag and went upstairs.

He returned to his room.

Jiang Lingzhi placed her bag on the chair.

Then, she ran to the bedside table, took out her phone, and turned it on.

She opened WeChat and found Li Shunan. She sent him a message.

She only wanted to study every day.]

He should still be on his way home, so he shouldn't reply so soon.

After Jiang Lingzhi sent the message, she was about to put her phone down and take a shower.

In the end, almost in the next second, he received a reply.

Learning: [Yes, go to bed early]

When she saw this message, Jiang Lingzhi pursed her lips. She thought that he would want to talk to her more. Ding dong. A message notification sounded on his phone.

[Good night, future girlfriend]

Jiang Lingzhi could not suppress the smile on her lips anymore.

She held her phone and slowly typed a few words.

-Good night

After thinking about it, he added a few more words.

[Goodnight, future boyfriend]

After Jiang Lingzhi clicked send, she looked at her phone for a long time.

She decided to leave him a note.

What should I write?

Jiang Lingzhi thought about it and typed a few words.

Future boyfriend?

Jiang Lingzhi stared at it for a while before deleting it word by word.

Finally, he typed three words.

My friend from the South.

Staring at those three words, Jiang Lingzhi could not suppress the smile on her lips.

She rubbed her phone on the bed for a while.

Suddenly, she thought of something. She sat up from the bed and took out a silver key from her school uniform pocket.

She found a keychain in the drawer of her desk and hung it up. Then, she carefully put it in her bag.

Jiang Lingzhi got up and took out a big box from the closet. There was a bottle of expired yogurt, a black jacket for a boy, and a white T-shirt inside.

This was the bottle of yogurt that he had bought for her not long after they met.

Now that he thought about it, he felt that it was strange.

Did she have feelings for him at that time? Otherwise, why would she leave him this bottle of yogurt?

Jiang Lingzhi laughed foolishly for a while. She carefully put the things away and put them back into the cabinet.

The next day.

Jiang Lingzhi woke up at six in the morning.

She removed her blindfold and took out her phone from the bedside table to check the time.

She had only slept at 12 O'clock yesterday, but she was still exceptionally energetic when she woke up so early.

It was already autumn, but the sky outside was still dark.

Jiang Lingzhi lifted the blanket and got up from the bed.

After washing up in the bathroom.

She packed her things and left the room with her school bag, heading downstairs.

Lu Yuping was still wearing her pajamas and a coat as she walked out of the bathroom.

“Why did you wake up so early today?”

Jiang Lingzhi instantly became nervous, and she explained vaguely, “Ah, there’s a class test today. I have to go to school early.”

Lu Yuping had obviously just woken up and was about to make breakfast. “I haven’t even made breakfast yet.”

Usually, she would come downstairs after she had prepared breakfast.

There was obviously a time difference today.

Jiang Lingzhi carried her school bag and walked out of the door.””Then you should sleep a little longer. I’ll buy some food on the way.”

Without waiting for her response, Jiang Lingzhi changed her shoes at the entrance and opened the door.””Mom, I’m going out..”

Chapter 216: Wake Up

The sky outside was starting to brighten.

When Jiang Lingzhi arrived at Li Shunan’s house, it was only 6:30 pm.

His courtyard was still unlocked.

Jiang Lingzhi carried her school bag and went to the door of his main house.

Fortunately, the door was still locked.

Jiang Lingzhi took out her keys and gently opened the door.

He pushed the door open gently. It was a little dark inside.

The living room was very quiet. There was no sound at all. He should not have woken up yet.

Jiang Lingzhi was greeted by a soft voice from Little Pumpkin.””Meow “Little pumpkin..

Jiang Lingzhi smiled and walked in to close the door. She turned on the light switch in the living room, placed her bag on the chair, and stroked Little Pumpkin’s fur.

Little Pumpkin was lying in the cat bed, looking very obedient.

Its small plate was already empty.

Jiang Lingzhi took some cat food from the cabinet and added some to its small plate.

“Be good and don’t run around.”

After staying in the living room for a while.

She got up and walked towards Li Shunan’s room.

Jiang Lingzhi pressed the doorknob and gently pushed the door open.

The lights in the room were off, so it was a little dark.

The dim yellow light enveloped the room.

The boy frowned slightly. His well-defined face was shrouded in the dim yellow light, and he seemed to be still sleeping soundly.

When he was in the classroom, he was still rather angry when he woke up.

Jiang Lingzhi did not dare to shout at him. What if he accidentally hit her when he was not awake?

Jiang Lingzhi had no choice but to move over quietly. She leaned into his ear and whispered, “Student Li, wake up

The boy’s eyes were closed, and his eyes were clear. He did not move at all.

Jiang Lingzhi used her fingertips to gently poke his arm.

“Hey

“Wake up, future boyfriend

As soon as he finished speaking.

Her wrist was suddenly grabbed by a palm. He pulled her hard with his palm. Jiang Lingzhi lost her balance for a moment and fell into his arms.

Jiang Lingzhi was lying on his chest through the thin blanket. When she raised her head, her eyes met his light brown pupils. He looked at her calmly and silently.

She was stunned for two seconds and tried to get up in a hurry.

A magnetic laughter rang out in his ears. It was so low that even his chest was trembling.

Li Shunan suddenly turned over and hugged her through the blanket, his arm supporting her face.

Jiang Lingzhi stared at him in a daze, and her heartbeat quickened.””What are you doing?”

“Sleep a little longer.” Li Shunan stared into her eyes. His voice was a little hoarse. He buried his face in her neck and stopped moving. Jiang Lingzhi felt that her neck was a little itchy.

His breathing was a little hot. “I’m going to school.”

‘Yes.’”

Jiang Lingzhi pushed him and reminded him, ""If you don't get up now, you'll be late."

Li Shunan took a deep breath of her neck and finally let go of her. He rubbed his fingers against her red lips and got up from the bed.

"Alright, I'll get up now. I can't let the children be late."

He stared straight at her, his eyes carrying traces of playfulness.

Jiang Lingzhi sat up on the bed and glared at him angrily. Her ears felt inexplicably hot.

Li Shunan was wearing a thin black short-sleeved shirt and dark-colored trousers. The black was slightly messy and looked a little more fiery. He turned around and walked to the wardrobe, casually taking out a T-shirt.

"Let me change my clothes.."

Chapter 217: So Enthralled

The boy stood by the bed. As soon as he finished speaking, he lifted the hem of his shirt and pulled it down with one hand.

It was as if he did not care that there was another person in the room.

Jiang Lingzhi blinked her eyes and was dumbfounded.

He wanted to cover his eyes, but he didn't even have the time to look at it.

He had a good figure and perfect body proportions.

Last time, he could only vaguely see the lines of his abdominal muscles.

Unexpectedly, it was even more distinct.

The outline of his abdominal muscles was clear.

Her upper body was firm and loose, and the mermaid line that extended into her pants was especially sexy.

Jiang Lingzhi looked at it with relish, and she swallowed her saliva at the same time.

In the next second, a T-shirt fell from the sky and covered her head.

It was a very clear scent. It was the scent of his body.

“Are you so engrossed in it?” His voice was nasal and hoarse from just waking up.

Jiang Lingzhi pulled the clothes off her head and raised her chin. She was very bold. “If you dare to take it off, why wouldn’t I dare to look?”

“If I dare to take it off, you dare to look.” Li Shunan chuckled and stared at her playfully. He bent down and looked into her eyes. “Then, do you want to touch?” His voice was too low and had a hint of bewitchment.

He placed both his hands on the side of the bed, and this action completely pressed her against the corner of the bed.

Jiang Lingzhi could see his eyes clearly.

He had a well-defined jawline, a straight nose bridge, and a pair of narrow peach blossom eyes that were filled with affection.

Jiang Lingzhi's throat felt a little dry for some reason. She looked down, raised her hand, and poked his abdominal muscles lightly with her fingertips.

Then she looked up at him."

Her fingers were soft and slender, and her fingertips were a little cold. She gently rubbed against his abs.

He didn't expect the girl to actually dare to do it.

Li Shunan's body tensed up in an instant.

His jaw line tightened as he stared at the girl. He gritted his teeth and squeezed out two words,"F * Ck."

The two words were extremely light, but they sounded more like a sigh.

Jiang Lingzhi blinked her eyes and accused him, "" You're uncivilized. You're scolding people."

Li Shunan's Adam's apple bobbed as he said not scolding you."

He paused for a moment, as if he was thinking about how to phrase it."It's a form of exercise."

Jiang Lingzhi was speechless.

Jiang Lingzhi stared at him in disbelief.

What nonsense are you spouting?

Li Shunan stared at her red lips and sighed.

He suddenly felt like he was on fire.

He suddenly stood up straight, raised his hand, and gently pressed on the top of her head.

The little girl was really fearless.

Li Shunan raised his hand to put on his T-shirt and returned to his sloppy look. "You sure are brave. Are you really not afraid of me?"

He raised his hand and pinched her little ear with his fingertips.

Jiang Lingzhi's ears were a little itchy, and she shrank to the side. "Didn't you ask me to touch it?"

Li Shunan stared at her and sighed helplessly. He smiled. "Have you had

breakfast?"

He changed the topic too quickly.

The ambiguous atmosphere just now suddenly turned into a conversation about breakfast.

Jiang Lingzhi shook her head. "No, I wanted to wait for you to eat together."

"Alright." Li Shunan let go of his hand, put it in his pocket, and took a step back. "I'll go brush my teeth and take you to breakfast."

Jiang Lingzhi nodded obediently.

Li Shunan retracted his gaze, turned around, and went straight to the bathroom.

After he entered the bathroom.

Not long after.

She heard the sound of water coming from the shower..

Chapter 218: Why Are You Taking A Shower?

Jiang Lingzhi leaned against the head of the bed and was a little puzzled.

Didn't she say that she would brush her teeth? Why did she take a shower?

Jiang Lingzhi turned her face sideways and casually picked up a book on his bedside table to flip through it. She felt a little bored, so she laid on his bed and waited for him to come out.

She woke up too early in the morning. As she waited, she felt as if she was about to fall asleep.

In a daze, the sound of water flowing in the bathroom stopped.

Jiang Lingzhi rubbed her eyes and hugged the blanket as she sat up on the bed.

Li Shunan was wearing a plain T-shirt, and his black hair was still dripping wet.

He took a towel and covered his head with one hand.

He saw the girl in a daze.

Li Shunan stopped in his tracks and found it a little funny. He walked over and gently hugged her. "Are you sleepy?"

Jiang Lingzhi tilted her head, and the side of her face was pressed against his waist and abdomen.

The tip of her nose was separated by a thin layer of T-shirt as she gently rubbed against his abs.

She could smell the fresh scent of body wash on his body after he had just taken a shower.

It smelled nice.

Jiang Lingzhi looked up. "Why are you showering?!"

Her voice was soft and nasal.

"I'm sweating." His voice was casual.

Jiang Lingzhi rubbed her eyes and looked at the time on the alarm clock on the bedside table. "It's seven o'clock."

"Okay, I'll take you to breakfast."

"Oh." Jiang Lingzhi held his hand and followed his strength to stand up. She directly crashed into his embrace.

She looked like she was still asleep.

Li Shunan put his arms around her waist, lowered his head, and kissed her forehead. ""Are you awake?"

The touch on his forehead was a little cold.

Jiang Lingzhi blinked her eyes and became a little more clear-headed. She stared straight at his lips and said, ""Oh, I'm awake."

Water was still dripping from his forehead, making his eyes look even more profound.

The water dripped down his jawline and onto her neck.

Jiang Lingzhi shrank back a little.

Li Shunan hugged her waist and said lazily, ""Next time you wake me up, you have to wake me up like this."

Jiang Lingzhi was speechless.

Jiang Lingzhi pushed him away and wrinkled her nose. ""You wish you could."

Li Shunan licked the corner of his lips. He leaned back against the cabinet with his tall and straight body. He raised his chin and smiled arrogantly.

Jiang Lingzhi felt that she was using her beauty to seduce him. She was attracted.

When he came out of the courtyard, people were coming and going in the alley.

In the morning, the alley was quite lively. There were stalls selling vegetables and all kinds of breakfast were available.

Li Shunan held her school bag in his hand and closed the door of the courtyard." What do you want to eat?

The two of them slowly walked out of the alley.

Jiang Lingzhi thought for a moment." I want to eat something with a stronger flavor. Noodles and the like are also fine. ""

Li Shunan turned around and glanced at her.""Beef noodles?"

Jiang Lingzhi nodded."

She ate bread and eggs at home every day.

He wanted to eat something else today.

Li Shunan put his hands in his pockets and said in his usual casual tone, ""Alright, I'll bring you to eat the best beef noodles."

The most delicious beef noodles?

This evaluation was quite high.

Hearing him say this, Jiang Lingzhi was a little expectant.

After passing through an alley.

He could smell the rich smell of beef soup from afar.

Jiang Lingzhi sniffed." It smells so good. ""

Li Shunan chuckled." This restaurant has been open for more than 20 years. It tastes pretty good.""

This breakfast shop did not have a signboard. There was a small shed at the entrance.

It looked a little shabby, but he didn't expect there to be so many people eating breakfast here..

Chapter 219: It Wasn't Easy To Deceive Him

Almost all the tables were occupied.

The boss was an elderly woman. She didn't ask anyone for help and was busy alone.

Li Shunan seemed to be very familiar with this place. He walked straight into the house and took a folding table from inside.

After setting up the table, he went to the side to get two chairs.

"Sit." He pulled his chair back a little.

"Oh." Jiang Lingzhi glanced at him and sat down on one of the chairs.

Li Shunan pulled out a chair and sat down next to her. He was tall and stretched his long legs casually. He said to the old lady,""Two bowls of beef noodles, big bowl."

As if she heard a familiar voice, the old lady took the time to look at him."Hey,

Ah Shu is here. He'll be here soon."

After serving the noodles to the other guests, the old lady walked over and glanced at Jiang Lingzhi. She wiped her hands on her apron and asked with a smile, “Little girl, can you eat spicy food?”

Jiang Lingzhi replied obediently, “I can eat a little.”

The old lady smiled kindly. “Alright, wait a moment. I’ll go make it for you now.”

After that, she glanced at Yunan, turned around and left with a smile.

A few tables of people left after finishing their noodles.

Soon, a few more guests arrived. They glanced at the bowls on the table. “Boss, clear this table.”

The old lady was the only one in the shop, so she couldn’t leave at the moment.

She quickly replied, “Alright, I’ll collect it immediately.”

Li Shunan looked up and slowly said, “Wait for me.”

Jiang Lingzhi looked at him in a daze and nodded. “Oh.”

She didn’t know what he was doing.

The boy had already stood up and walked straight to the empty table.

He took a rag and swiftly took out the table next door, put the dirty bowl into the sink, and wiped the table with the rag.

“Sit here.” He looked up, his expression lazy and indifferent.

Even though he was doing this kind of thing, he didn’t look like he was lacking.

His entire body still seemed to be glowing.

The few of them thanked him profusely and sat down at the table.

Jiang Lingzhi rested her elbow on the table and stared at him without blinking.

It turned out that the people here all knew him.

Why was the boy she liked so gentle?

The old lady quickly served the noodles and said disapprovingly, “Just let me do it. Why are you helping me again?”

Li Shunan pulled out a chair and sat down. He took a pair of chopsticks from the chopsticks bowl, opened them, and handed them to Jiang Lingzhi. “If you can’t handle it, it’s better to hire someone.”

The old lady sighed. “I’ve hired a few, but they don’t want to work for me because they think my salary is low.”

She wiped her hands on her apron and glanced at Jiang Lingzhi. “Are you Shu’s classmate?”

Jiang Lingzhi held her chopsticks and was about to nod her head. Li Shunan had already spoken first. “Girlfriend.”

“Ah Shu’s girlfriend?” The old lady laughed so hard that her eyes almost disappeared. ”

Jiang Lingzhi was speechless.

Li Shunan glanced at her and smiled. "Is it beautiful?"

The old woman looked at it carefully for a while and smiled like a Maitreya

Buddha. "Beautiful, you're really beautiful. You're lucky."

Li Shunan rested his elbow on the table and stared at her with a faint smile. "Oh, it wasn't easy to deceive him."

Jiang Lingzhi's face turned red, and she was instantly a little embarrassed.

Someone was urging him.

The old lady stopped chatting with them and smiled. "It's Ah Shu's first time having a girlfriend.."

Chapter 220: Touching the Oil

Jiang Lingzhi quickly waved her hand.

"Yes, yes. You guys take your time to eat. I'll go get busy first." The old lady turned around and left with a smile.

He confirmed that the old lady had already left.

Jiang Lingzhi heaved a sigh of relief and glared at him unhappily. "Why are you spouting nonsense?"

Li Shunan took a pair of chopsticks from the chopsticks container, opened them, and chuckled. "What did I say?"

Jiang Lingzhi said softly, "We haven't officially done that yet."

She was still her future girlfriend!

Li Shunan raised his eyebrows and said lazily, "Tsk, why can't I be happy for a while?"

Jiang Lingzhi was speechless.

Seeing the girl's expression, Li Shunan chuckled. "Try it."

Jiang Lingzhi lowered her head to look at the noodles and ignored him.

She puffed up her cheeks and blew on the steaming noodles. After taking a bite, her eyes instantly lit up. "It's delicious."

It turned out that he really wasn't boasting.

This was really the best beef noodles she had ever eaten.

The soup base of the beef soup was very rich, and the texture of the noodles was also very chewy.

Li Shunan stared at the girl's puffy cheeks, raised his hand, and rubbed her head.

Too cute.

Jiang Lingzhi blinked and thought of their conversation just now. "By the way, why didn't you ask for help?"

It was really a little too busy to handle it alone.

Li Shunan sat in a very casual position, his long legs stretched out casually. "If you can't earn money, it's not worth it to hire people." He ate quickly, but he didn't make any sound.

It could be seen that she had a good upbringing.

Jiang Lingzhi felt a little strange. "The business here is quite good. " Until now, they had not stopped.

Li Shunan held the chopsticks in his hand and looked at her calmly. "Do you know how much a bowl of noodles costs?" "How much?"

"Seven yuan," Li Shunan said slowly.

Jiang Lingzhi was stunned. "So cheap?!"

She didn't know about the prices in other places.

However, in their place, a bowl of beef noodles was at least ten to twelve yuan.

"Why did granny sell it so cheaply?" Jiang Lingzhi lowered her head to look at her bowl of noodles. There were a few pieces of beef in it, and the portion was very large.

This was too realistic. No wonder he couldn't earn money.

Jiang Lingzhi slowly took a bite of the noodles and felt a little stuffy. "Then let's pay. Grandma can't even earn money anymore, and she still wants to give us free money."

The girl frowned and looked very worried.

Li Shunan couldn't help but laugh." Alright, I'll listen to you. Pay.'"

Jiang Lingzhi did not have a big appetite, but the beef noodles were really too delicious. She could actually finish one serving by herself.

"Are you full?" Li Shunan finished his meal early and stared at her as he leaned back in his chair.

Jiang Lingzhi nodded and rubbed her stomach."I'm too full."

He had never eaten so much before.

Li Shunan chuckled and took out a twenty from his wallet. He put it on the table and picked up her school bag."Let's go."

Jiang Lingzhi stopped in her tracks."

Li Shunan stopped in his tracks and shouted at the other side,"Granny, I'll be leaving first. "

"Hey, did you guys go to school?" He had to bring his girlfriend over to eat next time."

"Alright, I'll bring my girlfriend over next time. "He responded unhurriedly.

When he said this, Li Shunan's eyes were fixed on Jiang Lingzhi, and his tone was playful.

Jiang Lingzhi was speechless..
