

## Little Girl 231

### Chapter 231: Attracting the Junior Brothers

They walked out of the basketball court.

Jiang Lingzhi and Wen Yujing walked in the direction of the teaching building together.

As Wen Yujing walked, she couldn't help but ask, "Lingling, what do you think about what the president said today?"

Jiang Lingzhi shook her head.

The more Wen Yujing thought about it, the more she felt that something was wrong. "I think the president's eyes are very cunning. Don't tell me he wants to use you as a gimmick to attract the juniors?"

Jiang Lingzhi: I still have such great ability?"

Wen Yujing clicked her tongue and said, "Don't underestimate your own abilities. You're our school belle. Who doesn't like to be with beautiful women? And it's a sport like basketball!"

Speaking of this matter, Wen Yujing spoke with assurance, "Playing basketball can release hormones. It's the best way to attract girls!"

"Have you forgotten how many first-year juniors wanted to confess to you?"

He said it as if it was true.

Jiang Ling knew that she was not going to spout nonsense with her. "Where's your basketball?"

Wen Yujing sighed. "I didn't even get to talk to him today. Look at his height.

He's about 1.9 meters tall. He really gives me a sense of security."

Wen Yujing's favorite basketball player was 1.9 meters tall and especially burly.

He stood there like a mountain.

Wen Yujing cupped her small face. "Don't you think that the height difference between us is very cute? He's especially cute. What do you think of him?" "It's too high," Jiang Lingzhi said honestly.

Wen Yujing turned to look at her, obviously curious. "If you don't like tall ones, then how tall do you like them?"

Jiang Lingzhi blurted out, "1.87 meters is good."

Such an accurate number?" Wen Yujing looked at her suspiciously for a while, "Do you like someone?"

Ever since they were assigned to different classes, the two of them rarely stayed together.

Wen Yujing really did not know much about Jiang Lingzhi and Li Shunan.

Jiang Lingzhi was speechless.

Jiang Lingzhi mumbled, "Ah, I just feel that this number is quite good."

Wen Yujing believed him, "You have such a hobby?"

1.87 meters?

When they reached a fork in the road, the two of them went on different paths.

After Wen Yujing greeted him, she walked towards her teaching block.

The science class was still in the building behind.

Jiang Lingzhi retracted her gaze and walked back unhurriedly.

It was almost time for class.

There weren't many people below the teaching building.

However, there were quite a number of people in the corridor upstairs. They were all leaning there and chatting.

Jiang Lingzhi turned the corner and was about to go upstairs.

When she saw the person leaning against the ground, she suddenly stopped in her tracks.

Li Shunan was wearing a white shirt, and his tall and slender figure was leaning against the wall.

Jiang Lingzhi subconsciously looked to both sides. The first floor was quite quiet, and no one had come yet.

Jiang Lingzhi took two steps forward."

Li Shunan looked up lazily.

He held a bottle of mineral water in his hand. He raised his hand and gently touched the bottle on her face.

The mineral water was ice cold, and the icy cold sensation came from her cheek.

Jiang Lingzhi shrank back a little.”

Li Shunan chuckled and took back the bottle.””Where did you go in the afternoon?”

Jiang Lingzhi answered honestly,”The club has an event.”

Li Shunan leaned there lazily as if he had no bones. He stared at her with a half-smile..”Tsk, why didn’t you tell your boyfriend?”

Chapter 232: Can You Be More Serious?

His tone was casual and half-joking.

Jiang Lingzhi looked around and confirmed that no one was coming over. She looked up at him and was a little nervous. “You, shut up. We’re just pure deskmates. If you continue to be like this, let’s not talk in school in the future!”

She emphasized the word ‘pure’!

Probably, the more guilty he was, the more he liked to emphasize it.

It wouldn’t be good to say this in school!

What if someone else heard it?!

Li Shunan narrowed his eyes and felt that something was wrong. "Tsk, why do I feel that something is wrong?"

Jiang Lingzhi was speechless.

Li Shunan licked the corner of his lips, bent his head slightly, and whispered into her ear, "Does my future boyfriend not have any special privileges?"

Not only did he not have any special privileges, but he could not even compare to the friendship between deskmates. At least they could have a meal together before.

Can't you even talk now?

Jiang Lingzhi knew that her ears were a little itchy, but she also felt that she was in the wrong. She immediately cowered. "Then, what kind of privilege do you want?"

Li Shunan let out a chuckle and said in a drawling tone, "Kiss, touch, hug?"

Jiang Lingzhi's ears started to heat up again. She reached out to push him away and poked his chest with her finger. "Why are you so unhealthy? Can you be more serious!"

He seemed to find this accusation very interesting.

Li Shunan chuckled. "How am I unhealthy?"

"Tsk, weren't you the one who stole a kiss from me earlier?" he asked, dragging his words. "

The string in Jiang Lingzhi's mind suddenly tightened. "When did I steal a kiss..."

At this point, she suddenly remembered.

That day on the second floor of the bookstore, the two of them were wearing the same school uniform.

She stole a kiss from him.

Jiang Lingzhi's face instantly turned red, and she stuttered, "You, you weren't asleep at that time?"

How can you lie?!" Jiang Lingzhi instantly felt that she couldn't maintain her status as a person who loved to learn.

Oh no, he had already noticed her unhealthy thoughts.

Li Shunan stared at her playfully, leaned close to her ear, and said slowly, "Since you're all saying that I'm not serious, then I have to show you a real one.

I'm not serious."

He deliberately dragged out the last syllable and spoke in a hushed tone.

Jiang Lingzhi was forced to take a step back by him.

Li Shunan pinched her slender fingers that were poking his chest and pushed her against the wall. He bent his head slightly and his thin lips approached her neck.

A low and hoarse voice slowly sounded beside her ear. "You've already kissed me. Can I kiss you?"

Jiang Lingzhi's body instantly tensed up.

Behind her was the wall, and in front of her was completely enveloped by his aura.

His hot breath hit her neck, and the heat from her ears began to spread uncontrollably to her cheeks.

“You, can you still be fine?” Jiang Lingzhi’s face was so red that blood could drip out. Her voice was trembling as she spoke in exasperation.

Footsteps suddenly sounded from behind.

They were now at the stairway, a place they had to pass to get up.

The footsteps were getting closer and closer.

Jiang Lingzhi’s body trembled. She suddenly felt a little nervous, and she subconsciously reached out to push him away.

Li Shunan was caught off guard and was pushed back by her. He leaned against the wall.

He licked the corner of his lower lip and leaned there loosely. He raised his chin slightly and his eyes were flirtatious. She was like a male demon who could bring disaster to the country and the people.

Chapter 233: Third Wheel

Jiang Lingzhi’s heart skipped a beat. She was a little flustered. “I-I won’t talk to you anymore. I’m going back to the classroom.”

Meeting his gaze, Jiang Lingzhi was so nervous that she almost could not speak.

She didn't dare to look into his eyes.

After retracting his gaze, he still felt a little guilty.

Before the footsteps behind him could be heard, Jiang Lingzhi walked past him and jogged upstairs.

The girl's back quickly disappeared around the corner of the stairs.

Li Shunan looked up, leaned against the wall, licked his lips, and couldn't help

Back home.

Lu Yuping was still preparing dinner.

Jiang Lingzhi returned to her room and sat in front of her desk. She could not help but take out her phone to take a look.

She thought about how she had indeed gone a little overboard in school.

Should she send him a message to coax him?

Just as she was about to type the message, Jiang Lingzhi's fingers paused again.

However, she did this so that the two of them would not be reported.

She was doing this for the good of the two of them!

Moreover, this was not the most important thing now.

The most important thing was that the monthly exam was coming up, and the exam results were the most important!

Jiang Lingzhi thought for a while and even put her phone aside. She took out the exercise papers from her bag.

Without any distractions, he started to read the exercises.

She was determined to get first place in this year's exam.

After all, it also threatened the problem of changing seats.

She would not give up this seat so easily.

Jiang Lingzhi felt that this love rival had seriously stimulated her fighting spirit.

He had never had such a strong desire to be the top student in his grade.

Jiang Ling knew that she didn't really understand the type of questions, so she chose a few exercise books specifically to do those types of questions.

His learning efficiency was considered to be rather high.

After brushing two sets of papers, Lu Yuping came upstairs to call her for dinner.

Lu Yuping knocked on her door. "Zhizhi, wash your hands and go downstairs to eat."

Jiang Lingzhi then put down her pen and replied, "I'll be right there."

Jiang Puqing had left work early today.

When Jiang Lingzhi came downstairs, she saw her father sitting at the dining table with a newspaper in his hand.

Jiang Lingzhi jumped to his side and held onto the back of his chair. "Dad, you're back so early today?"

Jiang Puqing put the newspaper on the table and looked up at her. "A meeting was canceled today, so I can come back for dinner."

Lu Yuping walked out of the kitchen and placed the casserole on the table with heat-resistant gloves. "It's time to eat. Have you washed your hands?"

Jiang Puqing smiled and stood up.

Jiang Lingzhi sat down in the opposite seat and stared at it suspiciously. "Mom, you're dressed so beautifully today."

She didn't even wear casual clothes anymore. Instead, she wore a very formal suit and earrings.

Lu Yuping was obviously in a good mood. She smiled and went into the kitchen.

Jiang Pu washed his hands and walked out of the bathroom. "It's not easy for me to have time. I'll take your mother to a concert today." wow.

A concert.

Jiang Lingzhi blinked her eyes and cupped her small face. Her eyes were like stars. "Bring me along?" Jiang Puqing glanced at her and said calmly, "Not you."

Jiang Lingzhi was speechless. Jiang Puqing glanced at her again.”

Jiang Lingzhi’s face instantly fell. She pursed her lips, picked up her chopsticks unhappily, and poked the rice in her bowl.

Now, she was the third wheel..

Chapter 234 Persuade Him to Study Hard

It was rare for the family of three to sit together for a meal.

Jiang Puqing suddenly thought of something and asked,“”I heard that there will be exams soon?”

When she heard the question about the exam, Jiang Ling subconsciously straightened her back.“”Ah, yes.”

“Do well in the exam, but don’t be too stressed,” Jiang Puqing reminded casually.”

Jiang Lingzhi nodded.”

Jiang Puqing hadn’t eaten at home for a while, so he was in the mood to chat. He asked casually,“”I also heard that Ah Ci is in love. Zhizhi, do you know about this?”

Jiang Lingzhi’s hands trembled, and she almost dropped her chopsticks.

Had Ah Ci and Xiaoxue’s secret relationship been exposed?!

After Jiang Lingzhi was stunned for a moment, she decided to play dumb first. She made a confused expression and said,“”Ah?”

Lu Yuping glanced at her and picked up some food for her. "You don't know yet, do you? Ah Ci's grades have deteriorated recently, and he seems to be in a relationship."

Jiang Puqing was also in disbelief. "Isn't Ah Ci a good boy? He always comes in first in his grade. Why did he suddenly fall in love?"

Lu Yuping was expressionless. "Who knows? The third year of high school is such a critical year. Why did you suddenly take things too hard?"

Jiang Lingzhi was speechless.

Lu Yuping seemed to find it strange. She glanced at Jiang Lingzhi and asked curiously, "The two of you are together every day. Didn't he tell you that he's in a relationship?"

Jiang Lingzhi swallowed the food in her mouth with difficulty and said in a muffled voice, "No, I didn't."

Lu Yuping felt that it was reasonable. After all, the two children were two years apart, so they wouldn't tell each other everything. "If even you don't know, then it probably hasn't been long."

Jiang Lingzhi nodded in agreement. "That's right. You didn't tell me that you were in a relationship. You're too much!"

Lu Yuping looked up at her. "Let me tell you, what else do you want?"

Jiang Lingzhi paused for a moment and swallowed her saliva. "I, I advised him to study hard. How can he fall in love at this age!"

Lu Yuping was obviously very satisfied with this answer. She then looked away and continued to eat.

Jiang Lingzhi secretly heaved a sigh of relief.

After dinner.

Jiang Puqing and Lu Yuping prepared to leave.

Lu Yuping changed her shoes at the entrance and did not forget to remind her, "Stay at home alone. Close the doors and windows. After you finish your homework, go to bed early. Don't play with your phone too late."

Jiang Lingzhi quickly nodded. "I know. I'll go to sleep after I finish my homework."

Lu Yuping paused for a moment and glanced in the direction of the kitchen. "Can you help me check if the gas in the kitchen is turned off later? I forgot again."

Jiang Lingzhi nodded again. "Okay, okay."

After nagging a few more times, they opened the door and left.

The door was closed.

After confirming that they had left, Jiang Lingzhi quickly turned around and walked upstairs.

After returning to his room, he picked up his phone and called Su Xici.

The phone rang three times before it was picked up.

"What's the matter?" The boy's arrogant and impatient tone came from the other end of the phone.

Jiang Lingzhi was already used to his temperament. She went straight to the point. "What happened? Did you guys get caught dating? My mom just asked me about you!"

Su Xi replied with an “oh” and said casually, “It’s okay. Just pretend that you don’t know.”

Chapter 235: Are You Unhappy?

His voice was quite calm.

Since he was so calm, it shouldn’t be a big deal.

But just now, her mother said that Uncle Su was so angry that he was about to die.

Could it be that he was afraid of embarrassing himself, so he was being stubborn?

Jiang Lingzhi confirmed it again. Don’t tell me your legs were broken and you’re lying in the hospital now?”

Hearing this, Susie laughed. “You’re thinking too much. I have a grudge against you, right? Why are you cursing me like this?”

Judging from his voice, it didn’t seem like his legs had been broken.

It sounded quite healthy.

Jiang Lingzhi was relieved. “Alright, you gave me a scare. If there’s nothing else, I’ll hang up...”

Beep beep beep.

Before he could finish, three busy tones came from the phone.

Jiang Lingzhi was speechless.

The phone was hung up mercilessly again.

What did Snowy like about this pig? It was so ungentlemanly!

Just as Jiang Lingzhi was about to put her phone away, she suddenly heard a notification sound.

Jiang Lingzhi's fingers stopped, and she picked up her phone to take a look.

It was a message from Wen Yujing.

The top one was a link to their campus network.

Wen Yujing: [Lingling, look! I told you something was wrong. The president is really too much. He actually used you as a gimmick to attract the juniors!]

Jiang Lingzhi frowned slightly. Her fingertips moved slightly as she clicked on the link to take a look.

[Do you want to be intimate with the school belle? It's definitely not wrong to come here!]

A large headline appeared in front of his eyes.

Jiang Lingzhi was speechless.

This title was really shameless.

After opening it, the content was quite normal. It just introduced their basketball club in detail.

The last photo ended with her photo.

Jiang Lingzhi was really convinced.

Wen Yujing, [Bear with it a little longer. After this semester ends, we'll quit!]

Jiang Lingzhi sent a message over, [How did you figure it out?] Aren't you going to chase after your basketball boy?]

This time, Wen Yujing sent him a voice message.

"Sigh, don't mention it. Ever since he accidentally farted when he was talking to me in the afternoon, I lost interest in him."

Jiang Lingzhi was speechless.

A love that was defeated by a fart.

You won.

Wen Yujing sent another two voice messages: "I've fallen in love with that senior from the Astronomical Society. He seems to be very cultured." "Why don't we join the Astronomical Society next semester?"

Jiang Lingzhi: Goodbye.]

She did not want to sign up for any club in the future.

After sending the message, Jiang Lingzhi put down her phone, put away her clean clothes, and went to the bathroom to take a shower. After she came out, she played the piano for a while.

It was already late at night.

Jiang Lingzhi lay on the bed and could not help but take a look at her phone again.

He would send her a message every night. Why hadn't he sent it today?

Jiang Lingzhi held her phone, and her fingers tapped lightly on the screen. She quickly sent a WeChat message over: [Are you asleep?]

The message came back very quickly.

Friend Nan: [Not yet]

Jiang Lingzhi realized that every time she messaged him, he would reply in seconds.

The corners of Jiang Lingzhi's lips curled up. She held her phone and changed her position as she lay on the bed. She thought of what he said in school in the afternoon.

Why was his treatment not as good as before? She even pushed him away.

Jiang Lingzhi also felt a little guilty for some reason.

After hesitating for a long time, he carefully typed a line of words and sent it over.

[Are you unhappy?]

Chapter 236 I Was Teasing You

Li Shunan had just taken a shower and came out of the bathroom.

He was wearing a thin black long-sleeved shirt, and his forehead was still dripping with water. He sat down at the head of the bed and took a look at his phone.

It was a message from the child.

Li Shunan felt helpless about his girlfriend being sixteen years old.

After all, she was the wife he had chosen.

If his future girlfriend only wanted to study, what else could he do?

Then he would just wait.

However, every time he saw how nervous she was at school, he found it funny.

It was as if the two of them had done something immoral and were afraid of being discovered.

They hadn't even started dating yet, so why did they seem to be hiding underground?

Was he that shameful?

At this moment, he saw the message she sent.

Li Shunan chuckled and picked up his phone to reply.

[No]

Jiang Lingzhi waited for a long time before she heard a word.

She stared at the two messages placed side by side for a while.

[Are you unhappy?]

[No]

Jiang Lingzhi studied it for a long time.

He tried to find some clues.

Was he really not unhappy, or was he deliberately pretending to be generous?

Jiang Lingzhi decided to explain.”[That’s right. Actually, that’s not what I meant.]

Li Shunan replied very quickly.

[Oh? Then what do you mean?]

Jiang Lingzhi’s fingertips paused again, and she was even more confused about what her deskmate was thinking.

What did he mean?

How was she going to explain it to him?

Jiang Lingzhi tried to explain,”That’s right. It’s not that I’m ignoring you, and I don’t have the intention of hiding you. It’s just that it’s early.” The influence of love is quite big. You’ll be called a parent. Do you understand what I mean?]

Especially after what happened to Ah Ci.

I feel that my parents are right. There were more opinions about love than she had imagined.

If this happened to her, she would probably be finished.

Li Shunan glanced at the long story sent by the child and couldn't help but chuckle.

After exiting the interface, he dialed a number.

Jiang Lingzhi was still anxiously waiting for a reply, and her phone suddenly rang.

She glanced at the caller ID and hesitated for a moment before answering the call.

"Hello?"

"What are you thinking about?" The boy's deep and magnetic voice came from the other end of the phone. It was a little distorted, as if it was laced with electricity.

Jiang Lingzhi was stunned for a moment.

It was very quiet on the other end of the phone, and his voice sounded a little deep.

The boy chuckled softly and pressed his ear against hers. Jiang Lingzhi felt that her ears were a little numb.

"Am I that petty?" he asked softly."

Jiang Lingzhi did not know what to say for a moment, and she mumbled,"I-I don't want you to think that I hate you anymore. I just..."

"I know," Li Shunan said slowly, "'I'm just teasing you. I'm not really angry."

Jiang Lingzhi finally heaved a sigh of relief. She could not help but curve her lower lip. "Oh,"

She didn't speak again, but she could hear his breathing clearly.

The sound of him walking could be heard from the receiver. He seemed to have poured a glass of water.

Jiang Lingzhi leaned against the bed and hugged the pillow in her arms. She felt very satisfied as she listened to his movements. "What are you doing?"

Li Shunan sat down on the sofa and placed the cup on the coffee table. "'I just took a shower and came out to get a glass of water."

"Where's you?" he asked. Have you finished your homework?"

Chapter 237 I'll Play a Movie for You

Jiang Lingzhi glanced at the clock on the wall and buried her face in the pillow. "'I'm done. I'm ready to sleep."

Li Shunan hummed lightly. "Then go to bed early. Don't stay up late."

Jiang Lingzhi hugged the pillow. She did not want to hang up so early, but she did not know what to say. She paused for a moment and said softly, "'Oh, good night."

"Good night."

Jiang Lingzhi thought that he would hang up the phone after saying goodnight.

He waited for the toot sound from the receiver.

After a long while, she could still hear his breathing.

On the other end of the phone, Li Shunan chuckled again. "Why didn't you hang up?"

The corners of Jiang Lingzhi's lips curled up. "I'm waiting for you to hang up."

There was a second of silence on the other end of the phone.

In the next second, the sound of a lighter being ignited could be heard.

"What if I don't hang up?" Li Shunan said slowly.

Jiang Lingzhi seemed to be arguing with him, and she said slowly, "Then I won't hang up either."

There was a moment of silence.

He chuckled and suddenly said, "Do you want to watch a movie?"

Jiang Lingzhi was stunned for a moment.

"If you can't see the movie, let's listen to the movie. I'll play the movie for you."

There was a slight sound coming from the phone.

Jiang Lingzhi placed the phone next to her ear, and she could clearly hear the movements on the other side.

Because she had said that she liked his projection.

It didn't matter what was in the movie.

However, from the sound of her voice, it seemed like she was with him.

Jiang Lingzhi sighed.

Why was the boy she liked so good? Why was he so different from others?

Jiang Lingzhi lay on the pillow, and her mood was inexplicably good.

Listening to the voice beside her ear, she fell asleep in a daze.

The movie ended.

Li Shunan leaned lazily on the sofa. He bent down slightly, put out the cigarette in his hand, and threw it into the ashtray.

After turning off the projector, the entire living room darkened.

The phone was still connected, and the girl's breathing was even and long.

The lights outside the courtyard flashed by.

Li Shunan's throat moved. His well-defined face was shrouded in the alternating light and darkness as he spoke in a very soft voice.

"Sweet dreams."

---

The next afternoon.

Everyone gathered at the basketball court.

The president's actions were indeed very fast.

In one night, he had already prepared the promotional posters.

After having lunch in the cafeteria, Jiang Lingzhi and Wen Yujing went to the basketball court together.

The president was arranging work for everyone.

When he saw the two of them, his eyes lit up and he clapped his hands. "You came just in time. I was waiting for the two of you!"

Wen Yujing was speechless.

Jiang Lingzhi was speechless.

His scheme was too obvious.

The president walked over with a smile. "Come, come, come. Let me tell you about today's arrangements."

Jiang Lingzhi and Wen Yujing could only listen patiently.

"I've already arranged for the others. As for the two of you, you'll be in charge of the basketball court. There are quite a lot of first-year juniors there." The president stared at Jiang Lingzhi passionately.

Jiang Lingzhi was powerless to resist, and she could only nod her head. "Alright then."

The president nodded and waved his hand. "You, you, come over here."

A boy in a jersey ran over from afar.

The president patted him on the shoulder.

Chapter 238: It's Up to You, Student Jiang

The boy nodded and patted his chest. "Alright, no problem!"

After he finished giving instructions, the president patted Jiang Lingzhi's shoulder with a heavy burden. "I'm counting on you, Student Jiang!"

Jiang Lingzhi was speechless.

So the three of them took the poster and walked towards the basketball court.

It was lunch break.

Usually, boys who didn't want to take a nap after eating would come to the basketball court to play basketball.

When they arrived, there were not many people on the basketball court, but there were not few either.

The three of them stood outside the fence, looking rather worried.

The boy held the poster and followed behind them as a human prop.

Jiang Lingzhi held the registration form in her hand and nodded. "Alright." After assigning the tasks, they walked into the basketball court.

As the three of them approached, they immediately attracted the attention of a group of boys.

After all, she was the legendary school belle.

He rarely saw her in school.

After all, she was either doing her homework in the classroom or on her way to do it.

He rarely came to a place like the basketball court.

Therefore, the students were still a little surprised to see her.

Look at her in person, she's so f \* cking beautiful!

She was even more surprised when she saw the poster held up by the boy behind him.

The basketball team of No.1 Middle School was recruiting? The basketball court instantly began to discuss.

[Hey, look at the school belle over there!]"

"I saw a post about the school team recruiting yesterday. I thought it was a lie."

“The school belle is actually in the basketball club?”

“So she’s really the manager of the basketball club?!”

“F \* ck, such a good opportunity. I have to sign up for the school belle!” Wen Yujing thought to herself.

He was still thinking about how he should persuade them to join their basketball club.

Before she could think of how to say it.

Wen Yujing cleared her throat and was about to call everyone over.

In the end, the boys stopped playing and immediately surrounded her.

To be precise, they surrounded Jiang Lingzhi.

Wen Yujing and the boy holding the poster were pushed out of the crowd.

Wen Yujing was speechless.

“Senior, are you really in the basketball club? Then I’ll sign up!” The boys spoke enthusiastically.

“F \* ck, I thought it was fake. Then I’ll sign up too!”

“I, I still have me!”

“Senior, do I get to see you every day?”

“Can we really have intimate contact?”

Before Jiang Lingzhi could react, she was already surrounded by the crowd.

She held the pen in her hand and nodded. She began to register one by one. "Okay, name and phone number."

Wen Yujing's mouth was completely useless.

He sat down beside her and waited for her.

This job was too easy to complete. There was no pressure at all.

Sure enough, with Ling's knowledge, it was easy to do things.

Half an hour had passed after the registration.

The crowd finally dispersed.

Wen Yujing pinched an ice cream in her hand. She stood up and leaned over to take a look. "How is it? How many people signed up?" Jiang Lingzhi flipped through the documents in her hands. "22."

Wen Yujing was speechless.

"So many? There are only 20 to 30 people here, and only 22 have signed up?"

Chapter 239: That's My Wife

"Our mission is considered complete. The rest will be left to the president to go for the next round of interviews." Wen Yujing said casually.

Jiang Lingzhi remembered the last few numbers and confirmed that she did not miss anything. She stood up and said, “Then let’s go back and hand the registration information to the president.”

“Let’s go.” Wen Yujing nodded.

Just as they were about to leave.

The two boys who had just registered came over together and looked at Jiang

Lingzhi. “Senior, can you leave me your contact information?”

Jiang Lingzhi was stunned for a moment. She raised her head to take a look. “Ah?”

“I heard that you got someone to block Zheng Liang from Class 4?”

Zhao Zifu smiled ambiguously as he looked at Li Shunan. “Is it because of my deskmate?”

There weren’t many people on the road, and occasionally, someone would pass by them.

Li Shunan stuffed a hand into his pocket and walked slowly with his long legs. He looked lazy and indifferent, ignoring him.

“I was just thinking that you’re not a person who would easily make a move, and you don’t have any conflict with that Zheng Liang. However, I heard that he seemed to have caused trouble for his little deskmate last time?” Zhao Zifu felt that he had already grasped the truth.

“He even got someone to block his deskmate outside the school. Are you trying to get rid of him once and for all?”

Li Shunan turned around and looked at him with a faint smile. "The news is pretty good?"

Zhao Zifu was very proud."

Li Shunan didn't admit it, but he didn't deny it either.

Zhao Zifu felt that he had guessed correctly. He thought of another matter and casually asked, "By the way, what about the follow-up of the last report letter? Didn't you say that you wanted to confirm it?"

After that, he didn't hear anything else.

This was the first time she heard of their brother's personality. Leng Leng wanted to chase someone.

He felt that Brother Nan had wasted his face.

If he had such a face, wouldn't he change girlfriends every day?

"Didn't you say that you knew everything?" Li Shunan scoffed."

Zhao Zifu choked.

He really didn't know about this.

They walked in from outside the school gate and happened to pass by the basketball court.

There was a group of people gathered on the basketball court, and no one knew what they were doing.

Zhao Zifu looked at the bustling place and saw a familiar side profile.

He pointed in the direction of the basketball court.”

Li Shunan stuffed a hand into his pocket. His fingers holding the bottle paused for a moment before he turned his head to look.

The girl was holding the form and there were two boys standing in front of her.

The boy held his phone in his hand. His expression was a little shy, as if he was memorizing the number.

Zhao Zifu placed his hand on the fence and roughly understood the situation. “Your little deskmate seemed to have been hit on and asked for her phone number.”

Zhao Zifu looked in the direction of the basketball court and sighed.”But then again, your little deskmate is really beautiful.”

The girl’s figure was slender and thin.

Her hair was tied up in a ponytail, revealing the back of her fair neck. It was so fair that it was almost glowing.

She was wearing a blue and white school uniform with short sleeves and long pants. Her posture was straight and beautiful.

“Tsk, moral, intellectual, physical, and aesthetic development.”Zhao Zifu gave a perfect evaluation.

Li Shunan glanced at him, clicked his tongue, and kicked him.””Get lost. Where are you looking?”

Zhao Zifu almost fell down from his kick. He laughed. “D \* mn, he’s protecting me just like that?”

Li Shunan stared in the direction of the basketball court for a while and narrowed his eyes.”That’s my wife.. If I don’t protect her, who else can?”

## Chapter 240: Not Just Addicted to Learning

Zhao Zifu was stunned.

He turned around and was stunned for two seconds.

What did he just say?

My daughter-in-law?

Did he hear wrongly?

“What the hell?” Zhao Zifu couldn’t help but curse.

“Did I f\*cking lose my internet connection? Why didn’t I know?” “When did this happen?” Zhao Zifu was very surprised. How was she his wife? What did I miss?”

Li Shunan stared at the basketball court for a while and then looked away thoughtfully.

He twisted open the bottle of mineral water and took a sip. His Adam’s apple bobbed up and down, and his lines were smooth and sexy.

Then, he screwed the cap of the mineral water bottle back on, held it in his hand, and walked forward unhurriedly.

Zhao Zifu followed up unwillingly and asked, “So what exactly happened? Am I now a sister-in-law?”

On the basketball court.

The boy mustered up his courage and walked over.”

Jiang Lingzhi raised her head and was stunned for a moment. After she reacted, she wanted to reject him tactfully. “Ah, sorry...”

She rarely gave her phone number to others, not even to her classmates.

Perhaps it was because I was aware of my own brusque.

The boy scratched his head and said shyly, “Um, I didn’t make myself clear.

Aren’t you the club’s manager? If there’s anything wrong with the club, I should be able to look for you, right?” The boy was nervous and a little uneasy.

So it was about the club.

Jiang Lingzhi was silent for a while.

Although it was reasonable, it was normal for the club manager to leave a phone number when he was in charge of the club’s matters.

At this moment, he couldn’t find a reason to decline.

The boy seemed to have noticed her hesitation and was a little embarrassed. “Don’t worry, I’m just being cautious. I won’t call you to harass you.”

When he said that, Jiang Lingzhi was a little embarrassed. “That’s not what I meant.”

“However...” Jiang Lingzhi was a little hesitant when she said this, but she paused again.

Forget it.

After some thought, she gave him her phone number.

At most, he would use this number in the club for now. After he left the club, he would change his phone number.

The boy was obviously very happy. He saved his phone number and continued to ask, "Senior, I can ask you, when are you in the basketball club?" Jiang Lingzhi answered truthfully, "Not necessarily. We have five people on duty."

The boy nodded to show his understanding. "Thank you. Goodbye, senior. I'll be leaving first. See you at the club."

Jiang Lingzhi said politely, "Goodbye."

The boy wiped the back of his head, held his phone in his hand, turned around, and ran out of the basketball court.

Wen Yujing witnessed the whole process and stared at the boy's cheerful back for a while. She clicked her tongue and praised, "Look at these love-struck youths. Don't they know that they've conquered a fortress?"

Jiang Lingzhi was speechless.

Wen Yujing glanced at the girl's pretty face and added unhurriedly, "A blockhouse that is addicted to learning and unable to extricate itself."

After all, from the start of school until now, many boys had written love letters to Jiang Lingzhi, but she had never looked at them.

All she could think about was studying.

If there was really someone who could conquer her, it would really be a sunny day.

Jiang Lingzhi was speechless for a moment. You're the blockhouse."

Moreover, she was not only obsessed with studying..
