

Little Girl 241

Chapter 241: Take Good Care of Sister-in-law

The boy was obviously very excited when he got the phone number.

He smiled like a fool and saved his phone number into his phone.

He actually got the school belle's phone number!

He was so excited that his hands were shaking.

If the boys in their class knew about this, they would probably be envious to death.

He walked out of the basketball court and saved his phone number.

–School Belle.

Before the last could be typed, the phone in her hand was suddenly snatched away.

The boy was stunned for a moment before he raised his head.

Outside the basketball court was a small path filled with parasol trees. The large shade of the trees blocked the sunlight from the ground.

Two tall and straight figures blocked his path.

It took the boy two seconds to react. His voice was inexplicably trembling. "You guys, what's the matter?" The famous school bully.

Who didn't know him?

Why did the school bully take his phone? Did he accidentally offend the school bully?

She suddenly felt a little nervous.

Li Shunan's well-defined fingers pulled over his phone, and his eyes fell on the phone screen. The interface was still at the place where the number was saved.

School belle.

Looking at the number below, it was indeed his child's number.

Li Shunan's handsome eyebrows furrowed slightly. He tapped his fingers lightly and slowly deleted the number.

Zhao Zifu raised his hand and put it on the boy's shoulder, and said earnestly, "Junior, you have to learn to open your eyes. Do you know whose people that was just now?"

Whose people were they?

Ever since the phone was taken away, the junior had been staring at the phone.

He didn't know how he had offended the school bully.

In the end, she happened to see the school bully delete the number she had saved just now.

It was the number of the school belle.

The junior was speechless.

What else could he not understand?

The junior swallowed his saliva and suddenly realized that he had walked through the gates of hell."So it's Sister-in-law. I was rude!"

His desire to live was very strong. He was afraid that the big boss would throw his phone away if he was unhappy.

Zhao Zifu did not expect that he still had this realization.

He liked to deal with smart people. He patted his junior's shoulder and said, 'You have good eyesight. Alright, I'll take you in as my little brother.'

"Thank you, Brother Zhao.""

At this moment, his back was covered in cold sweat. Fortunately, he reacted quickly, or else he would have died a miserable death.

Who would believe that he had accidentally hit on the school bully's woman just now!

Li Shunan raised his eyes and handed the phone over. His eyes were indifferent and lazy, and there was not a trace of emotion in them.

The junior took the phone with both hands and thanked him repeatedly. He said carefully, "I didn't know it was sister-in-law. I accidentally offended her just now. In the future, I'll definitely take good care of sister-in-law in the basketball club!"

He straightened his stance and immediately expressed his sincerity.

Li Shunan's fingers that were holding the phone paused and he looked up."Who did you say you wanted to take care of?"

His voice was a little deep and inadvertently carried a dangerous aura.

The little junior's heart suddenly tightened, realizing that there was something wrong with what he said.

"What I mean is that I won't let anyone harass Sister-in-law in the basketball club in the future!" he hurriedly explained. I'll supervise them, don't worry!" These words were quite reasonable.

Li Shunan snorted and loosened his grip on the phone. He put his hands back into his pockets."Alright, then, supervise him well.."

Chapter 242 Come to the rooftop

After the basketball court was done with the recruitment.

Jiang Lingzhi and Wen Yujing planned to return to the basketball club.

They had only completed a preliminary recruitment registration. There was still an interview to be completed before they could officially become a member of the school team.

Today's mission was completed surprisingly smoothly. This was something that no one had expected.

The three of them returned to the basketball court with the registration form and promotional posters.

"Jiang Lingzhi."

Just as she was about to enter the basketball court, she heard someone calling her name.

Jiang Lingzhi stopped in her tracks and looked in the direction of the voice.

Wen Yujing had obviously noticed that person as well. She gently nudged Jiang Lingzhi's shoulder. "It's the class monitor."

Realizing that she was wrong, Wen Yujing corrected her, "Oh, no, I should say, the former class monitor."

He Di walked over from the basketball court.

Jiang Lingzhi stopped in her tracks and greeted him. "Class monitor?"

He Di scratched his head, "I'm no longer the class monitor."

Jiang Lingzhi smiled. "I'm used to it."

He Di did not take it to heart and asked, "Um, I heard that your club is recruiting new members?"

Jiang Lingzhi nodded.

He Di raised his head to look at her first. When he met her gaze, he lowered his head in embarrassment. "Ah, I also want to sign up."

Jiang Lingzhi was obviously a little surprised. "You're also going to join the basketball club?"

It was no wonder that she was a little surprised.

He Dixian looked gentle and weak. He usually focused on his studies and rarely played basketball.

He Di first braced himself and said, "It's good to exercise occasionally."

Jiang Lingzhi nodded her head and did not ask too much. She flipped the registration form to one page, picked up a pen, and wrote his name down in a business-like manner. "Then, phone number?"

He Di reported a string of numbers.

Jiang Lingzhi filled in her number and put away her pen. "That's enough. Just wait for the news to come for the interview."

"Okay, thank you."

Jiang Lingzhi smiled politely.

After registering, He Di chatted for a while before leaving.

Wen Yujing nudged Jiang Lingzhi's shoulder ambiguously. "The class monitor didn't sign up for the basketball club because of you, right?"

Jiang Lingzhi frowned. "What nonsense are you talking about?"

Wen Yujing: "How could it be nonsense? At that time, wasn't he always interested in you? I saw it clearly, alright?"

Wen Yujing could guess what the class monitor was thinking. "He must have thought that he could be in the same class as you, but he didn't get it, so he had to apply for the basketball club to get close to you."

Jiang Lingzhi disagreed.

The two of them walked into the basketball court as they talked.

He handed the poster and the registration form to the president.

The president looked at the number of people who signed up and smiled from ear to ear. "See, I knew it!"

"There are already more than 20 people who have signed up."

He felt that his idea was really too clever.

The president said very heartily, "Alright, then your mission is completed. Thank you very much. I'll treat you to a meal next time!"

After dealing with the club's matters.

Jiang Lingzhi and Wen Yujing walked out of the basketball court together.

Just as she was about to return to the classroom, the phone in Jiang Lingzhi's pocket suddenly rang.

It was a text message.

Jiang Lingzhi took out her phone and glanced at it.

Her future boyfriend sent a message to her.

[Come to the rooftop]

Three simple words, nothing else.

Chapter 243 I'm Jealous

Sensing her gaze, Wen Yujing curiously went over to take a look.””What are you looking at?”

Jiang Lingzhi’s hand trembled. She quickly pressed down on her phone and put it back into her pocket.”It’s nothing. It’s from China Mobile.”

Wen Yujing had only glanced at it briefly and did not see it clearly. She only muttered strangely,”Oh, it feels like there are very few words. Aren’t all the messages sent by China Mobile long and lengthy? When did you become so polite?”

Jiang Lingzhi was speechless.

Probably because she felt guilty, Jiang Lingzhi didn’t dare to talk to her.

She didn’t mean to hide it from Wen Yujing.

However, the fewer people who knew about her relationship with her deskmate, the better. It was a special situation, so it was better not to publicize it.

When they reached the fork in the road, Jiang Lingzhi and Wen Yujing said their goodbyes and went back to their classrooms.

Jiang Lingzhi walked through the long corridor at the side and walked to the bottom of the teaching building. She took out her phone and looked at it again.

She confirmed that her deskmate wanted her to go to the rooftop.

Why are we going to the rooftop?

Jiang Lingzhi didn’t think too much. She put her phone back into her pocket and went upstairs.

There weren't many people in the afternoon.

Jiang Lingzhi climbed up the stairs to the top floor.

The top floor was a large platform with a wide view.

Jiang Lingzhi looked to both sides. The rooftop was empty, and she did not see anyone. She called out softly, "Deskmate?"

Her voice was blown away by the wind in the spacious environment.

"Ah Shu?"

She had not finished her sentence.

Suddenly, her wrist was grabbed by a strong force and she was pulled behind the wall.

Before Jiang Lingzhi could react, her vision darkened, and someone leaned over in front of her.

The boy's height was too superior. He stood right in front of her, almost blocking her line of sight, giving her a strong sense of oppression.

Jiang Lingzhi leaned back because of inertia. When the back of her head almost hit the wall, he raised his hand and gently touched it.

Her head hit his palm.

Jiang Lingzhi only felt her vision blur. When she reacted, she met a pair of light brown eyes.

Behind her was the wall.

Jiang Lingzhi blinked and looked up at him. "It's you. Why didn't you answer when I called you just now?"

Li Shunan didn't say anything. He stared at her condescendingly, his eyes deep and a Li Shunan lowered his eyes and gently rubbed the girl's smooth chin with his fingers. He said slowly, "I'm jealous."

little ambiguous.

He moved his hand away from the back of her head and placed it on the wall beside her cheek.

He just looked at her calmly.

Jiang Lingzhi was a little scared by his gaze.

Her heart thumped twice and she looked away guiltily.

Why did she feel guilty every time she was with him?

Jiang Lingzhi glanced at the environment.

No wonder he didn't see him earlier. This was a blind spot behind the wall that could block people.

There were a few cigarette butts on the ground.

Jiang Lingzhi stared at the cigarette butt for a while. "Are you smoking on the rooftop?"

"Yes," he replied unhurriedly.

Then, he raised his other hand and pinched her small chin, forcing her to look up at him. "Look at me."

Jiang Lingzhi raised her head, and her clear little deer eyes were exceptionally clear. She asked softly, "What's wrong with you?"

Li Shunan lowered his eyes and gently rubbed the girl's smooth chin with his fingers. He said slowly, "I'm jealous."

Jiang Lingzhi looked at him, and her brain froze instantly. She did not react for a few seconds.

Jealous?

Jiang Lingzhi didn't understand. "Why are you jealous?"

What did she do?

Was there any jealousy for him to eat?

Chapter 244 You Are Mine

Li Shunan's eyes darkened, and his tone was filled with dissatisfaction. "Tsk, that class monitor of yours is really persistent."

Jiang Lingzhi was speechless.

Class monitor?

What did this have to do with the class monitor?

"Is there a story between me and the class monitor?" Jiang Lingzhi thought hard for a long time, but she really could not understand.

Li Shunan lowered his eyes and snorted. He said, "Didn't you guys have a good chat last time? He still wants to borrow your book."

His tone was inexplicably filled with resentment.

Jiang Lingzhi felt that it was a little funny. "Then I didn't want his book. Besides, we were just chatting normally."

Li Shunan narrowed his eyes and lifted her chin. "He chased her to the basketball club. Is this normal?"

Jiang Lingzhi was speechless.

Why did it sound like the class president had come to the basketball club to pursue her?

Jiang Lingzhi did not want to take the blame. "Then anyone in the basketball club can sign up. I can't stop them from signing up."

"Sure."

Jiang Lingzhi was speechless.

Li Shunan seemed to be very satisfied with the answer and said matter-of-factly, "Then tell him not to report it."

Jiang Lingzhi did not know whether to laugh or cry. "Why are you so overbearing?"

Li Shunan's fingers gently rubbed the tip of her chin, as if he was reluctant to let go.

He stared at her with a half-smile.

“This is the privilege of being a boyfriend,” he whispered in her ear.”

Jiang Lingzhi was speechless.

“You’re mine. How can I let others covet you?”

Li Shunan suddenly smiled.”

You’re my...

Jiang Lingzhi’s cheeks started to heat up from his domineering declaration of sovereignty.

He suddenly felt like he had dug a hole for himself.

Why did she have to find a future boyfriend so early to take care of her?

She seemed to be able to foresee her future life of being disciplined by her boyfriend.

However...

Speaking of borrowing books.

Jiang Lingzhi suddenly remembered the scene when she borrowed the book that day.

At that time, she was talking to the class monitor in her seat.

The boy had been in a bad mood ever since he came back from outside. After sleeping for a long time, he leaned against the wall with a gloomy expression and looked especially unhappy.

At that time, Jiang Lingzhi thought that he was angry after waking up.

But it turned out to be?

Jiang Lingzhi asked curiously, "So, were you jealous at that time?"

He seemed to have ignored her for a few days.

Tsk...

Her future boyfriend was so petty.

Li Shunan was a little depressed at that time.

So what if she was jealous?

She had been silently jealous for a few days, but in the end, she didn't even bring anyone to coax her.

She did not take him to heart at all.

On the other hand, he had to adjust his emotions in the end.

He really did not have any temper towards her from the beginning to the end.

Jiang Lingzhi rubbed her nose, and she felt guilty again.

It seemed like she still didn't know why he was angry.

He, on the other hand, had even prepared brown sugar water for himself when he was angry. He had even gone to the infirmary to get her medicine.

Now that she thought about it, she did feel a little sorry for her future boyfriend.

Jiang Lingzhi felt a little guilty. She tugged at the hem of his shirt and shook it. "Then I'll coax you again?"

Li Shunan's arm was still leaning lazily against the wall. He raised his eyebrows. "How?"

He recalled the last time when the girl said that she wanted to coax him and gave him a hug.

Li Shunan's lips curled up. He straightened his body and stopped slouching. He opened his arms and waited for the girl to fall into his arms.

"Come over."

Chapter 245 You Have to Coax Me Like This Next Time

Jiang Lingzhi did not move. She raised her hand and hooked her finger at him. "Come closer."

"Tsk, weren't you the one who coaxed me? Why did you bring yourself here?" Li Shunan chuckled and compromised. He said in a drawling tone, "Alright, your boyfriend is here for you to coax."

With that, he took two steps forward.

Jiang Lingzhi was not satisfied with this distance. "Come over here and check out the "

Li Shunan couldn't help but laugh when he saw the girl who was already very close to him.

He took another step forward, almost bumping into her.

Jiang Lingzhi looked up at him, and she seemed to have made up her mind. She suddenly reached out her hand and grabbed his collar.

She pulled him down with her palm and placed her other hand on his shoulder. She tiptoed and pecked his thin lips.

He lightly touched it and quickly retreated.

“Is this okay?” Jiang Lingzhi stared at him nervously.

Her eyes were wet and a layer of water vapor formed. Her red lips were stained with a bright color, as if she was silently inviting him.

Li Shunan bent his waist and looked into her eyes. He said in a deep voice, “Not enough.”

Jiang Lingzhi was stunned for a moment.

Li Shunan’s eyes gradually darkened. He suddenly reached out and wrapped his arms around her waist, pulling her into his arms. He lowered his head and pressed her down.

The moment he approached, the aura on his body was completely unleashed.

The refreshing smell of mint and tobacco mixed with the unique biting cold smell of his body.

Jiang Lingzhi subconsciously held her breath and closed her eyes. Her eyelashes were still trembling slightly.

Her arm was pressed against his chest, but she had no intention of pushing him away.

She was just nervous. She was so nervous that she didn’t know where to put her hands.

Just as he was about to touch her lips, his hot breath sprayed down.

Seeing that she was so nervous that she didn't even dare to breathe hard, Li Shunan's throat moved violently. When it was almost a millimeter away from her, he stopped.

I'm afraid I'll scare her

He was also afraid that he would hurt her.

He almost couldn't control himself.

Li Shunan stared at her red lips for a while, and his breathing gradually became heavy.

He sighed and his thin lips moved down slowly, stopping at her neck and gently biting her.

He felt the girl's body stiffen slightly.

He laughed softly like a child who had successfully pulled a prank.

"I like it very much. I'll have to coax you like this next time."

He calmed down for a while. When he spoke again, his voice was still unbelievably hoarse.

Jiang Lingzhi's lashes trembled for a moment before she opened her eyes. She did not know if she was relieved or disappointed.

Just now, when he got close to her, her heart almost jumped out of her throat.

She was so nervous that she almost couldn't breathe.

Speaking of which, from the beginning until now, although he often exaggerated his words... He had never crossed the line before.

He was probably concerned about her age.

Even kissing her, he had to repeatedly consider and restrain himself.

For the first time, Jiang Lingzhi wondered why she was not eighteen years old.

He suddenly felt a little worried.

Li Shunan finally let go of her. His big palm landed on the top of his head and gently rubbed it. He reminded her, "It's almost time for class. Go down."

Jiang Lingzhi stared at him for two seconds. "What about you?"

Li Shunan straightened his body and leaned against the wall beside her. He took a cigarette from the box and bit it. "I want a cigarette."

Jiang Lingzhi frowned. "Didn't you smoke just now?"

Chapter 246 Got It, Little Ancestor

Li Shunan glanced sideways and said in a drawling tone, "Tsk, why do you care?"

Jiang Lingzhi said confidently, "Can't I?"

Li Shunan licked the corner of his lips and suddenly smiled. He took the cigarette from his thin lips and put it back into the box. "Alright, I won't smoke anymore."

He looked up and pinched her earlobe with his well-defined fingers. "Whatever you say."

He pinched her earlobe with his fingers, which felt a little weird.

Jiang Lingzhi was a little unnatural. She took a step back and avoided his touch. She urged him, "Then let's go. It's almost time for class."

Li Shunan was still leaning against the wall, staring at her with a faint smile. "Are you sure you want to keep your distance from me?"

Jiang Lingzhi seemed to have just remembered that there was such a thing. "Oh, then, then we still have to keep our distance. Why don't I leave first and you come down later?"

"Sure," Li Shunan said lazily.

Jiang Lingzhi nodded her head and turned around to take two steps towards the direction of the stairs. She stopped in her tracks and turned around to remind him, "Then stop smoking."

Li Shunan laughed silently again. With his hands in his pockets, he leaned against the wall and said helplessly, "Got it, Little Ancestor."

—

This time, the monthly test was scheduled for Monday and Tuesday.

Counting the days, her aunt was supposed to visit in these two days.

Jiang Lingzhi was worried that the situation from last time would happen again. She took some medicine a few days in advance and asked her aunt to postpone it.

After all, the exam this time would not only affect her position as the top student in the grade.

There was also a rival in love who was eyeing her seat.

The exam was still held in the classroom.

The two tables next to each other were pulled apart, and both of them became individual seats.

Jiang Lingzhi came to the classroom very early. She sat down in her seat and checked her draft book and pen.

The number of people in the classroom gradually increased.

There was still some time before the exam, so they were all chatting and playing around.

The books were flying all over the classroom.

There were still ten minutes before the exam, and everyone had basically returned to the classroom.

Li Shunan was wearing a dark coat and had one hand in his pocket. He walked in from the back door of the classroom with a black bag slung over his shoulder.

Amidst the crowd of blue and white school uniforms, she saw his tall and flamboyant figure swaying in from the back door.

She was holding a very girly pink thermos flask in her hand.

Everyone was speechless.

The school bully's hobbies were getting stranger and stranger.

A young girl's heart?

The moment he walked in, the classroom instantly fell silent.

Everyone's eyes were fixed on the ground, and their breathing slowed down.

When he passed by Jiang Lingzhi's seat, Li Shunan raised his hand and placed the thermos flask in his hand on her table.

Jiang Lingzhi was stunned for a moment. She stared at the thermos flask for a while, and she felt that it looked familiar. She turned her face sideways to look at him. "Hmm? What is this?"

Li Shunan's desk was still leaning against the wall. He took off his school bag, stuffed it into the hole in the desk, and leaned back. "Brown sugar water."

Jiang Lingzhi stared at him and did not react for a moment. "Why are you giving me brown sugar water?"

Li Shunan's fingers paused and he looked up. "Don't you remember the date?"

Jiang Lingzhi:

Don't remember what day?

Jiang Lingzhi's gaze landed on the pink thermos flask again. She was stunned for a while before she reacted. "Ah. Are you talking about that?"

She really didn't expect him to remember this date.

Chapter 247 What Are You Thinking?

Some time ago, the students of Class Eight were very puzzled.

Ever since they were assigned to the new class, everyone had found their own seats and arranged themselves in this way.

She was very surprised that someone dared to sit at the same table as the school bully.

And it was a girl!

How much courage did this require?

Previously, when Jiang Lingzhi was in Class 7 of the second year of high school, the learning atmosphere was very good, and everyone rarely cared about such things.

However, the standards of the class were mixed, and there were more people discussing this matter.

The people of Class Eight would discuss it in the class group from time to time.

After all, there were still people who knew the truth.

For example, Guo Cong and Wang Kang.

Therefore, when someone asked.

Guo Cong generously explained to them,[To be honest, they were deskmates in Class 7.]

As soon as these words were said, it startled the audience.

Melon Eater No. 1:[What the f * ck?! So that's the case. So Student Jiang is the boss's personal deskmate?]

Melon Eater No. 2:" The love that can't be cut off even in class allocation, is this a drama series?!

Melon Eater No. 3,[So, is there something between the two of them?]

Melon-Crowd #4 < Didn't you guys notice? Big Boss was especially gentle to Student Jiang! From time to time, she would bring some snacks and a cup of milk tea as if she was coaxing a child.]

Melon Eater No. 5:[Stop talking. I'm jealous. I want to have the same deskmate.]]

Guo Cong and Wang Kang were very calm.

The two of them sat in the back row of the big boss and saw everything clearly.

Was that coaxing a child?

He was clearly coaxing his girlfriend!

Would the two of them dare to say anything?

He didn't dare.

I suddenly had the ability to turn my eyes blind, so I couldn't see anything.

However, the situation had obviously changed recently.

When they had just been assigned to different classes, the two of them had a very good relationship.

Recently, the two of them had not spoken.

Thus, everyone began a new round of guesses.

Melon Eater No.1:[Has Student Jiang and Big Boss fallen out recently?]

Melon Eater No. 2:[I think so too. I feel like it's been a long time since I've seen the two of them give out candy.]]

Melon Eater No. 3:[Previous poster, are you addicted to CP?]

Melon Eater No. 4:[To be honest, I'm also quite addicted to this CP.]

[So, why did they fall out?] Is there anyone who knows the truth? [Ask for a solution!]

Zhuo Yiru had been reading the messages in the group and finally couldn't help but pop up,"[Everyone, stop guessing. After this exam, I will switch seats with Jiang Lingzhi.]

Everyone was speechless.

As soon as these words came out, it immediately set off a huge uproar.

The messages in the group started to flood in again.

Melon Eater No. 1,[What's going on?] Is it true or not? If Zhuo Yiru was so capable?]

[So, the reason why Student Jiang and Big Boss fell out was because of Zhuo Yiru?!]

Melon Eater No. 3:[I'm dead. Is the CP I'm addicted to going to be like this?]]

Melon Eater #4:" That Zhuo Yiru is quite brave. She actually dared to sit at the same table as the school bully. Isn't she afraid of being beaten up?]

Melon Eater No. 5,[Or is the school bully gentle to every deskmate?]]

Melon Eater No. 6:[If that's really the case, then I'm envious. I also want to sit at the same table as the big boss.]]

".."

Guo Cong and Wang Kang said,"Zhuo Yiru, what are you thinking?"

Chapter 248 Obviously Still So Spoiled

Do you think you can be the boss 'deskmate just because you want to?!

Our school bully only dotes on Jiang Chen.

Change seats?

It didn't exist!

It would not exist in this life or the next!

There were also people in the group who questioned [How could they change seats? Did the boss allow it?]

Someone else chimed in,[I also think that the big boss won't agree to change deskmates.]]

It was probably the thoughts of a little girl.

I can't hide a secret

Seeing that someone was doubting her, Zhuo Yiru couldn't help but reveal,"[It was Jiang Lingzhi who promised herself. If she did not get first place in the grade this time, she would change seats with me!]

As soon as he said this, the messages in the group fell silent for two seconds.

If all the parties involved agreed, then it would be a different matter.

Everyone was skeptical about this, and they actually believed it a little.

After all, the relationship between the big boss and Student Jiang seemed to have reached the winter period.

Moreover, it was indeed a little difficult to get first place in the grade.

Hence, everyone was betting on how many places Jiang Lingzhi could get.

Just as everyone was chatting excitedly, they saw the school bully's particularly ostentatious figure walk in from outside the classroom.

There was a moment of silence in the classroom.

After that.

He saw the big boss place a pink thermos flask on Jiang Chen's desk.

Everyone was speechless.

Why did this scene look like an idol drama?

What happened to breaking up?

What happened to the harsh winter?

He was still so pampered!

—

From time to time, curious gazes shot over from the side.

Jiang Lingzhi felt that her face was starting to heat up. She looked around and quickly picked up the thermos cup and stuffed it into the hole on the table.

How was she going to explain to him that she had taken the medicine and delayed her period?

How could she tell him about this?

Jiang Lingzhi felt a lump in her throat for a while. She turned her head around and ignored him.

After a while, she heard the boy ask again, "Are you feeling better today?"

Jiang Lingzhi was speechless.

If she didn't answer such an awkward question, he probably wouldn't ask again.

That was what Jiang Lingzhi thought, and she pretended not to hear what he said.

But in the end.

“Did you bring that?” he asked again.

“..” Jiang Lingzhi finally couldn’t take it anymore. She put down the pen in her hand, turned her face sideways, and whispered, “Can you stop talking? I didn’t come, I didn’t come!”

Li Shunan raised his eyebrows and looked at the girl’s angry face calmly. “Hmm? Did I remember wrongly?”

Jiang Lingzhi choked and turned her face back. She said in a muffled voice, “No, it’s just that I was afraid that it would affect my exam, so I took some medicine and postponed it.”

Li Shunan’s handsome eyebrows knitted together. He didn’t expect that this thing could be postponed.

“What medicine?” He stared at her calmly. Will it affect the body?”

Jiang Lingzhi’s fingers paused for a moment, and her voice became softer and softer. “Well, isn’t this a special situation?”

How could this medicine not affect the body?

She wanted to make sure that nothing went wrong.

Li Shunan roughly understood. His eyes darkened as he whispered, “Don’t eat it next time.”

Jiang Lingzhi glanced at him, touched her nose, and let out a muffled “ Oh.”

The bell rang.

The invigilator walked into the classroom with the sealed test papers.

“The exam is about to begin. Everyone, put away your books. Don’t put them on the table anymore.”

The invigilator divided the test papers into several parts and handed them to the first row. “Come, pass the test papers to the back.”

Chapter 249: So Motherf*cking Cute

The test papers began to be passed to the back, and the sound of paper being passed could be heard in the classroom.

What was rare was that...

Li Shunan didn’t fall asleep as soon as he came to the classroom as usual.

He took out a pen!

Jiang Lingzhi could not help but look at the sky outside through the window.

Was there a meteor shower today?

His deskmate was about to start the exam!

This was truly a memorable day.

The first test was Chinese.

Jiang Lingzhi didn't have much time to check if her deskmate was serious about writing the test paper.

She checked the test paper first and quickly immersed herself in it, starting to answer the questions seriously.

Because he had to write an essay, he spent a little more time.

When Jiang Lingzhi finished writing the entire paper, she subconsciously glanced at the seat beside her.

The boy fell asleep on the table again.

Jiang Lingzhi was speechless.

Alright then.

To think that she thought that he was really going to work hard.

As expected, she was thinking too much.

Jiang Lingzhi sighed and retracted her gaze. She checked the entire test paper again.

She did not have the habit of handing in her papers in advance. After checking them, she just sat in her seat and waited for the class to end.

Li Shunan did the same for every subsequent test.

He didn't seem to have the habit of handing in his paper in advance.

He wrote the first half of the class and slept on the table for the second half.

There was no delay at all.

Jiang Lingzhi didn't know if he was writing seriously.

It was probably just a symbolic fill-in-the-blank question.

Perhaps there would be a few more entertainment events such as drawing lots to liven things up.

But this was already a good start.

One couldn't be too harsh, and one couldn't have such high expectations!

After all, it was not easy for her future boyfriend to take this step!

Jiang Lingzhi's performance in this exam was very stable.

After the final math exam, Jiang Lingzhi immediately went to ask her deskmate, "Deskmate, how did you do?"

The girl leaned on the table and stared at him with her beautiful eyes.

Li Shunan leaned back against the wall and his light brown eyes met hers. He stretched his long legs and said casually, "I did well."

It was alright?

She did not know what his standards were.

Did he think that he could get a score of 10 just because he scored 0 previously?

Although she felt that he was being stubborn.

But Jiang Lingzhi was still a little touched.

She did not want to dampen his enthusiasm.

After all, he was still willing to work hard for her!

Jiang Lingzhi comforted him. "It's okay. Even if you fail, you're still very good!" I won't despise you."

I still like you even if you fail.

If this wasn't true love, then what was it?

The girl's eyes were very sincere. The corners of her lips were slightly curled up. Her eyes were large and round, and they were pure black. At this moment, she was looking at him with determination.

Li Shunan stared at her meaningfully for a while. He pressed the tip of his tongue against the back of his molars and couldn't help but laugh.

Fuck.

So f * cking cute.

She could go home after the last exam on Tuesday afternoon.

Generally speaking, the test papers would be marked on the same day and the results would be released the next day.

Wednesday morning, after the morning reading class.

The classroom was in a hubbub. Everyone was discussing the exam results.

The seats from yesterday's exam had been restored.

Jiang Lingzhi held a pen in her hand and was writing an English test paper.

Suddenly, a person came over from the table..

Chapter 250: I'm Definitely Going to Get Your Seat

Jiang Lingzhi held a pen in her hand and calmly filled in an A on the test paper before she raised her head to take a look.

Zhuo Yiru stood beside her desk and stared at her arrogantly.

Jiang Lingzhi stared at her for 0.5 seconds. It was as if she was standing in front of air. She continued to lower her head and glanced at the questions on the test paper.

Zhuo Yi was completely ignored by her and his face turned red.

Finally, she couldn't help but remind her, ""Jiang Lingzhi, do you still remember our agreement?"

Jiang Lingzhi stopped writing and raised her head again. She stared at her expressionlessly.

Zhuo Yiru raised her chin." The results will be announced today. If you don't get first place in the grade, you'll have to move out of this seat. Have you forgotten?"

Jiang Lingzhi spun the gel pen in her hand, and she still looked very calm.

Zhuo Yiru was also afraid that she would go back on her word, so she specially reminded her,"I'm determined to get your seat."

Jiang Lingzhi rolled her eyes in her heart. She could not be bothered with her. She lowered her head and wrote a B on the multiple-choice question.

Zhuo Yiru was a little angry at her attitude, but she couldn't do anything about it.

Her gaze fell on the seat beside Jiang Lingzhi.

The boy was wearing a dark-colored coat and was lying on the table, facing her. His face was buried in his elbow, revealing half of his fair and handsome face.

He looked even more handsome up close.

The kind of handsomeness that could make one's heart race.

She thought about how she would soon be able to become his deskmate.

The unhappiness in Zhuo Yiru's heart quickly dissipated.

He would tolerate her for a while today.

Zhuo Yiru snorted and retracted his gaze, preparing to return to his seat.

At this moment, a boy rushed in from the front door of the classroom. He stood on the podium and shouted, "My dear classmates, this is shocking news. Do you want to hear it?!"

Everyone's attention was immediately attracted by the person on the podium.

"What news?" someone asked.'

The boy was still panting. After calming down for a while, he continued, "That's right. When I passed by the office just now, I heard the teacher arranging the grade version!"

The boy asked mysteriously, "And guess what?"

"Why would we ask you if we know?" Hurry up and f * cking say it!"

The boy was very relaxed."

Everyone was speechless.

"It's up to you whether you want to say it or not. The teacher is going to announce it soon anyway."

Everyone shushed him and decided to ignore him. They turned around and planned to do their own things.

"Don't, I'll tell you!" The boy swallowed his saliva and hurriedly continued, "Do you dare to believe that the first place in the monthly exam is in our class?"

As soon as she said this, the classroom exploded.

This was explosive news.

After all, it had only been a month since the last exam, and the top students had been assigned to the first two special classes.

If nothing unexpected happened, the top student of the grade would definitely be from the special class.

In the end, it had only been a month, and their normal class had already produced the first place in the grade.

Wasn't this a slap to the face of the special class?! Everyone was curious." Really? Who is it? Who is it?"

"This is too damn good for our ordinary class!"

The boy scratched the back of his head." Ah, I didn't hear that. I only heard

Brother Weiwu bragging."
