

## Little Girl 261

### Chapter 261: Stubborn

Jiang Lingzhi stared at the sandwich on the table for a while. She pursed her lips and picked up the sandwich. Her voice was light and calm as she said, "How do you know I haven't eaten breakfast?"

"Hmm? I really didn't eat it." Li Shunan leaned against the wall and laughed softly. He lowered his body slightly and leaned closer to her. "I'll try my luck." Jiang Lingzhi was speechless.

"If you didn't eat it, wouldn't I be able to apologize?" Li Shunan's voice sounded in her ear as he laughed.

The next second, he took out a bottle of yogurt from his pocket and placed it on her desk. He said unhurriedly, "It's better to be prepared."

Jiang Lingzhi was speechless.

What kind of pocket is this?

It could hold so many things.

Jiang Lingzhi carefully opened the sandwich's packaging and took a bite. Her cheeks were puffed up, and her gaze could not help but fall on his pocket.

She wanted to see if he could take out anything else.

"Anything else?" she asked vaguely.

Li Shunan raised his eyebrows.

Jiang Lingzhi was stunned for a moment before she realized that he had misunderstood.

The next second, he took out another sandwich from his coat pocket and placed it on her table. "I'll give you mine too." Jiang Lingzhi almost choked. "No, I'm just asking casually. "She wasn't a pig, so how could she eat so much?"

Then, a large palm landed on her head and gently rubbed it.

"You're not angry anymore, right?"

Jiang Lingzhi pursed her lips.

In fact, she was not angry with him yesterday.

After all, he didn't know about the bet between him and Zhuo Yiru.

Think about the problem from a different perspective.

Wasn't it a happy thing for her future boyfriend to be the top student in the grade?

Moreover, he didn't even want to be the first in the grade. He even changed his score.

Jiang Lingzhi took a bite of the sandwich and said vaguely, "A little more." Li Shunan stared at her for a while and smiled. "Stubborn."

After Jiang Lingzhi quickly finished eating the sandwich, she stuffed the packaging into the drawer, took out the math test paper from her bag, and flipped to the last question.

This question was really torturing her.

The correct answer was calculated, but something felt wrong.

Jiang Lingzhi took out a pen and planned to calculate it again.

Suddenly, the paper in his hand was snatched away by a fair and slender finger.

Jiang Lingzhi was stunned for a moment. She subconsciously wanted to take the test paper back. "Give it back to me!"

Li Shunan raised his hand and avoided her. He leaned lazily against the wall and glanced at the solution she had written.

After discovering the problem.

His expression did not change.

She leaned forward slightly and placed the test paper on the table. She picked up her pen and crossed out the two steps in the middle.

Next to it, he wrote another solution.

He didn't tell her the steps directly and let her solve it herself.

Li Shunan raised his eyes and said lazily, "Do the math again. Will it be simpler this way?"

Jiang Lingzhi leaned over and stared at the solution he wrote for a while. She silently replaced it in her mind, and she suddenly felt enlightened.

If he followed his solution, it would be much simpler and clearer.

Jiang Lingzhi took the notebook over, picked up the pen, and started calculating again on the draft book.

This time, he quickly got the correct answer..

Chapter 262: Coming Home Late Today

Li Shunan leaned against the wall lazily, staring at the girl's side profile. Her black eyes were bright, and the corners of her lips were slightly curled up as she calculated the formula on the draft book.

The girl's handwriting was delicate and beautiful, and the lines of formulas looked neat and tidy.

As expected of his girl, she understood everything so quickly.

After finishing this question, Jiang Lingzhi checked it again.

It was indeed much simpler than her previous method.

There was a kind of feeling where he could not find the answer for a long time. The more he thought about it, the more complicated it became.

Oh, I see.

That was all.

As expected, he had to change his way of thinking.

After Jiang Lingzhi finished solving the question, she felt a sense of accomplishment and twirled the pen in her hand.

He suddenly realized.

Having a future boyfriend with good grades seemed to be quite good.

He could even teach her for free.

Li Shunan leaned back against the wall with his peach blossom eyes slightly closed. He looked tired and undisciplined. His long legs were stretched casually, and he was lazy and unruly.

Jiang Lingzhi turned her face sideways and looked at the boy's smooth and three-dimensional side profile. She shook the pen in her hand gently. "Deskmate, how about I go to your house to do my homework after school today?"

If she had any questions that she didn't know how to answer, she could ask him.

Didn't she just find a free tutor? Li Shunan's fingers froze and he looked over. "Hmm?"

Jiang Lingzhi felt inexplicably guilty.

He didn't see through his little conspiracy.

"Can't I?" Jiang Lingzhi felt that his expression did not seem to be very willing, and she also retreated a little. "If it doesn't work, then forget it."

"Alright." Li Shunan raised his eyebrows.

Jiang Lingzhi was stunned for a moment.

"I didn't say no." He quickly replied.

Jiang Lingzhi's eyes lit up, and she was a little excited. He agreed!

Li Shunan seemed to be in disbelief. He muttered to himself, "Tsk, there's such a good thing. Why didn't you say so earlier?"

Jiang Lingzhi did not react in time. Hmm?"

Li Shunan stared at her with his light brown eyes. He said you had said so earlier, I would have gotten first place in the grade earlier." Jiang Lingzhi was speechless. He muttered again, "Tsk, it's better than a small pumpkin."

Little Pumpkin at Home:

After school.

After leaving the school gate, the two of them walked towards the bus stop together.

Jiang Lingzhi's hands were completely free, and her school bag was in someone's hands.

When they arrived at the bus stop, the 411 stopped in front of them.

Jiang Lingzhi got into the car first and found a seat by the window in the back row.

A tall figure quickly sat down beside him.

Jiang Lingzhi suddenly thought of something and stretched her hand out to him. "Give me your bag."

Li Shunan looked up and handed her bag over. "What are you doing?"

Jiang Lingzhi took her bag and unzipped it. She took out her phone from inside and did not even raise her head. "Call my mom."

The seating area of the bus was too small.

Li Shunan was tall and had long legs. The seat was a little limited. There was no place for his long legs, so he simply placed them in the aisle, casually crossing them.

Jiang Lingzhi took the phone and called Lu Yuping.

After all, she would be home late, and she would be worried if she called.

The phone rang three times before it was picked up.

"Hello?"

Jiang Lingzhi cleared her throat. "Mom, I'm going to my classmate's house to do my homework. I'll be home late today.."

Chapter 263: Not Enough To Feed You

Lu Yuping seemed to pause for a moment, and the sound of a glass cup being placed on the table came from the other end of the phone. She then asked, "Which classmate? Do I know him? Is he a boy or a girl?"

Jiang Lingzhi turned her face sideways and looked at the young man's side profile. She said, "It's a girl."

Li Shunan was speechless.

Li Shunan turned his head and met her eyes.

Jiang Lingzhi felt a little guilty. She silently averted her gaze, but she still wanted to continue. "Wen Yujing, the one I mentioned to you before."

Lu Yuping seemed to remember and thought for a while. "Alright, you've grown up and have your own friends. But after you finish your homework, you have to go home before eight o'clock."

Jiang Lingzhi secretly heaved a sigh of relief."

After listening to her exhortation for a while more, Jiang Lingzhi hung up the phone.

Jiang Lingzhi put her phone back into her bag. When she raised her head again, she met the boy's gaze.

He was staring at her blatantly.

Jiang Lingzhi was speechless.

Thinking about how she had forcefully changed his gender, Jiang Lingzhi suddenly felt guilty.

Jiang Lingzhi thought about it and explained to him, ""This is a strategy to avoid unnecessary trouble."

Fortunately, he did not intend to argue with her.

Li Shunan let out a chuckle from his throat and looked away.

When the bus arrived at the station, the voice announcement began.

He got off the bus.

The two of them walked through the shopping mall Laocheng District and passed by a convenience store.

Li Shunan walked in slowly with the girl's school bag in his hand.

Jiang Lingzhi stopped in her tracks for a moment. She looked at his back view and followed him in. "What do you want to buy?"

Li Shunan lowered his eyes and leaned against the cashier by the door. He said lazily, "What do you want to eat? Go get it yourself."

Jiang Lingzhi did not react in time."

Li Shunan smiled and reminded her, ""We don't have any snacks at home."

"Oh."

Only then did Jiang Lingzhi realize that he was asking her to help him choose his snacks. She turned around obediently and walked to the shelf inside to get her snacks.

She took a few and placed them at the cashier before choosing again.

After going back and forth a few times, the cashier had piled up into a small mountain.

Jiang Lingzhi was carrying a few packets of yam slices in her arms. She returned to the cashier counter again and stared at the pile of small mountains. She reflected on herself for a moment. "Did you buy too much?"

He couldn't let it go.

Li Shunan lowered his eyes and leaned there lazily. His hair drooped down naturally and covered half of his eyes, making his nose bridge stand out and his eyebrows look deep.

He looked up and glanced at the cashier.

Not much.” With that, he glanced at the girl’s thin body and said, ”It’s not enough to feed you.”

Jiang Lingzhi was speechless.

Why did she make it sound like all these snacks would eventually enter her stomach?

After paying the bill, she came out of a convenience store.

Li Shunan walked slowly in front with two big bags of snacks and a school bag in his hands.

Jiang Lingzhi followed behind him empty-handed, and she was a little embarrassed. ”Why don’t I carry your bag?”

Li Shunan glanced at her small body and chuckled. ”You’re so small. Just follow your boyfriend closely.”

Jiang Lingzhi was speechless.

She felt that he was looking down on her.

However, since he had already said so, Jiang Lingzhi did not have any psychological burden..

Chapter 264: Don ‘t Take Over Me

He returned to the entrance of the courtyard.

The iron gate of the courtyard was left ajar.

Jiang Lingzhi pushed open the courtyard door and walked in. She came to the main door and pressed the doorknob to lock it. "The door is locked."

"Don't you have the key?" Li Shunan raised his eyebrows.

Ever since Jiang Lingzhi woke him up that morning, she had not come over again. The keys were left at home. "Ah, I left it at home."

Li Shunan clicked his tongue. He was holding a plastic bag in his hand and had no time to spare. He lowered his eyes. "The key is in my pocket."

Jiang Lingzhi walked over."

She lowered her eyes and reached for his pocket.

Li Shunan licked the corner of his lips and glanced at the girl who was right in front of him. He bent his head slightly and whispered into her ear, "Be careful, don't take advantage of me."

Jiang Lingzhi was speechless.

Who wants to take advantage of you?

Jiang Lingzhi raised her head and looked at him speechlessly. Her small hand reached into his pocket, and she quickly took out a key.

He unlocked the door with the key and went in.

She didn't care about her future boyfriend, who was feeling a little emotional after being touched.

Li Shunan's eyes darkened. He licked his molars with the tip of his tongue, lowered his head, and chuckled before following her in.

The house was very clean, and there were some documents scattered on the coffee table.

Li Shunan bent down and placed his bag on the chair. He then placed the snacks in his hand in the drawer of the drawer.

Jiang Lingzhi changed into slippers at the entrance and walked in. She squatted in front of the cat bed and played with the little pumpkin for a while.

"Meow

When the little pumpkin saw her, it was obviously very affectionate. It rolled around at her feet and acted coquettishly.

Jiang Lingzhi curled the corners of her lips and stroked its fur." "Little Pumpkin, why did you get fatter?"

After acting coquettishly, the little pumpkin continued to fight with its yarn.

Jiang Lingzhi stared at it for a while and felt that it was a little cute. She got up and walked to the sofa. Her gaze fell on his messy coffee table.

Jiang Lingzhi frowned and squatted down to help him tidy up the coffee table.

He piled them up one by one.

The more he read, the stranger he felt.

College English textbook, College Computer Basics. Introduction to Human Resource Management, Advanced Mathematics.

Wasn't this the content of university?

Jiang Lingzhi's fingers paused." What is this?"

Li Shunan looked back and didn't feel anything wrong. He said casually, "University teaching materials." Jiang Lingzhi did not react and asked foolishly, "What do you do?" "I'm studying," Li Shunan chuckled.

Jiang Lingzhi stared at the information for a while before she finally reacted."You, you're studying the contents of university by yourself?"

Li Shunan raised his hand to close the drawer, turned around, and walked over without a trace of emotion."Yes."

F \* ck?

Jiang Lingzhi suddenly remembered that he should have been in his third year of high school. After he transferred over, he requested to drop a grade and repeat his second year of high school.

Li Shunan licked his lips and sat down on the sofa next to her. He leaned back and said lazily, "I've already learned all your lessons. I'm sleepy listening to them."

Jiang Lingzhi was speechless.

So he slept in school during the day and studied university content at home at night?

Jiang Lingzhi didn't seem to have noticed it before, but now she realized that his bookcase was full of this type of information books and notes. Jiang Lingzhi could not catch her breath, and she almost fainted.

How can I pass this test?

Chapter 265: My Ears Are Numb

Jiang Lingzhi originally thought that he really did not study.

In the end, the other party only learned something that was not their content.

She had originally planned to use her own strength to win against him in the next monthly exam.

Thinking about it now.

It was alright, it was alright.

She didn't put down the Flag, or else she would be slapped in the face again.

Jiang Lingzhi let out a long sigh. She felt that it was not too embarrassing for her to lose to him since she was the second in the grade.

Li Shunan looked up and saw that the little girl was obviously distracted. He couldn't help but smile.  
""Not doing homework?"

When she heard the voice, Jiang Lingzhi came back to her senses and nodded.""Oh right, do your homework."

Jiang Lingzhi took her school bag over and nestled on the carpet between the sofa and the coffee table.

The coffee table had been cleaned up. She took out the test papers and exercises from her bag and spread them on the table, intending to start her homework.

Li Shunan was half-lying on the sofa, his tall figure leaning back lazily and casually behind her.

He was holding a book in his hand, and his well-defined fingers were holding a pen. From time to time, he would write on it, and his posture was extremely casual.

He didn't look like someone who was doing homework at all.

When Jiang Lingzhi turned her head back occasionally, she would see the boy's focused eyes staring at the documents. He was lying on the bed, and his posture was unruly.

It was really a combination of contradictions.

Who would have thought that he was doing his homework seriously?

Jiang Lingzhi retracted her gaze, bit the cap of her pen, and started to write the test paper seriously.

The room was very quiet. Both of them were busy with their own things, but there was an inexplicable feeling of peace.

Jiang Lingzhi started to get stuck when she wrote a physics question. She sat up straight, turned her face sideways, and poked his leg with her fingertips. "I don't know how to solve this question. Help me take a look."

Li Shunan raised his eyes slightly and looked over. He put the documents in his hand on the sofa next to him.

He sat up straight and leaned slightly towards her. His warm breath fell on her ear. "Which question?"

His breath was too close, brushing past her ears, causing her ears to itch for some reason.

Jiang Lingzhi's eyelashes trembled, and she pointed at him with a pen. "This is the question."

Jiang Lingzhi was sitting on the carpet at this moment.

Li Shunan was sitting on the sofa. He was much taller than her. He bent down and stretched out one arm to her face, while the other arm was placed on the edge of the sofa behind her.

Because he was going to talk to her about the questions, his thin lips almost touched her ear.

This position seemed to have her whole body wrapped in his arms.

If the gap between the two seams is  $d=0.200\text{mm}$ ...'

His breath was getting closer and closer. When he explained the questions to her, his deep voice was close to her ear.

His voice was low and magnetic, like a small three-dimensional slightly exploding in her ears, making her ears go numb.

Jiang Lingzhi felt a little uncomfortable. She felt that half of her body was already stiff. She tilted her head slightly to the side, and her thoughts inexplicably went astray.

Why did his voice sound so pleasant?

His fingers that were holding the pen were so good-looking. They were fair and slender, with well-defined joints and neatly trimmed nails...

As if sensing that she was starting to get distracted, the voice in her ear suddenly stopped.

Jiang Lingzhi's fingertips paused, and she suddenly came back to her senses.

She gulped and pretended to be listening attentively.

In the next second, the boy let out a low and mellow laugh, which carried a faint breath.

"Are you listening?"

Chapter 266: Next Time... I Can 't Bear It

"Are you listening?"

These three words were light and did not sound like they were accusing her, but in her ears, it seemed to have changed its meaning.

Jiang Lingzhi's heart skipped a beat.

Suddenly, she felt a little guilty as if she had been caught by the teacher in class.

"I'm..." She subconsciously turned her face to the side, wanting to defend herself.

Because she was too nervous, Jiang Lingzhi even forgot that the distance between the two of them was only a few millimeters.

She suddenly turned her head and was caught off guard. Her lips touched a touch of softness.

The last word "listen" disappeared between his lips and teeth.

This feeling was both familiar and unfamiliar.

Jiang Lingzhi's eyelashes trembled slightly. Her pupils constricted, and her entire person froze on the spot.

The distance between breaths was so close.

It was so close that Jiang Lingzhi could clearly smell the scent that belonged to him. The biting cold smell of mint tobacco assaulted her senses.

The warmth on his thin lips spread bit by bit.

The sound of his heartbeat was amplified in the silent space.

Her mind went blank.

Jiang Lingzhi seemed to have been bewitched. Her eyelashes drooped slightly. Not only did she not retreat, but she also went up and got closer to him.

The originally intangible contact became tangible.

The air became scorched.

Li Shunan's fingers that were holding the pen paused, and his body suddenly froze.

The wet and slippery itch spread from his thin lips to his heart.

Li Shunan lowered his eyes. The girl's eyelashes were so close that he seemed to come back to his senses. His breathing became hot and he stepped back slightly.

His aura was instantly withdrawn.

Jiang Lingzhi's eyelashes trembled, and only then did she come back to her senses. When she opened her eyes, her eyes were still filled with confusion. She stopped breathing for a moment, turned her head, and leaned against the edge of the sofa.

When she realized what she had done, her ears began to heat up. Soon, it spread to her cheeks and burned them.

The entire space was filled with warmth. The aura of ignorance.

Even the air became hotter.

Jiang Lingzhi swallowed her saliva and did not dare to look around. She was a little nervous. "I... I didn't mean to..."

She hadn't finished speaking.

Her delicate chin was pinched by a warm palm.

His breathing came from behind.

"Don't mess with me, "

Jiang Lingzhi's fingers paused, and she felt his rough fingertips gently caressing her chin.

If there's a next time..." His breathing was hot, and his thin lips rested on her ear. His voice was sexy and hoarse. "I can't bear it."

Jiang Lingzhi's brain instantly exploded, and all she could feel was the touch of her ears.

And his sigh.

Jiang Lingzhi sniffled and finally calmed down.

She held a pen in her hand and stared at the test paper, but her mind was elsewhere.

Actually, she had always felt that it was quite strange.

Except for the smoky kiss Li Shunan gave her to educate her when she almost wanted to turn bad.

After that, he did not kiss her lips again.

He kissed her forehead even more, without any desire. Nian, it was so pure that it couldn't be any purer.

It did not match what he usually said.

There were a few times when he couldn't control himself, and he only bit her neck.

Jiang Lingzhi really wanted to ask him.

Why didn't you kiss me!

Chapter 267: Hot

However, if she really asked this question...

It seemed like she wasn't too reserved.

It was as if she was looking forward to him kissing her.

Jiang Lingzhi sighed again and fell into deep self-doubt.

What exactly went wrong?

There was a glass beside her hand. It was the juice that Li Shunan had poured for her before he went back to the room.

Jiang Lingzhi placed her elbow on the table and moved the glass cup in front of her. She bit the straw and took a sip.

After he said that, he went back to his room. No one knew what he was doing.

Jiang Lingzhi lowered her eyes. After she finished writing the last big question, she threw the pen on the coffee table.

He glanced at the clock on the wall.

Why isn't he out yet? It's already been twenty minutes.

Jiang Lingzhi stretched her shoulders and stood up. She held the glass in her hands and carefully moved closer to the door of his room. He knocked on the door lightly, but no one answered.

"Ah Shu?" She called out tentatively.

There was still no movement.

Jiang Lingzhi thought about it and was about to raise her hand to press the door handle.

Suddenly, the door was pulled open from the inside.

The refreshing scent of the body wash washed over him, bringing with it a wave of moisture.

Jiang Lingzhi raised her head, and all she could see was a firm chest. The young man's skin was fair, and his figure was thin but not weak.

Then, she was stunned.

Her gaze slowly moved down and landed on his waist and abdomen. The young man's well-defined abdominal muscles and the mermaid line that extended into the towel were a little sexy.

At this moment, the visual impact was quite huge.

Jiang Lingzhi's hand trembled, and she almost dropped the glass in her hand.

His tall and slender figure was leaning loosely against the door, and he was wrapped in a towel.

The black hair on his forehead was still dripping water, and his long and narrow peach blossom eyes were even more profound.

Jiang Lingzhi swallowed a mouthful of saliva. She raised her head and met his eyes. "You, why are you showering at this time?"

Li Shunan raised his eyebrows and leaned against the door. He said lazily, "Hot."

Is it hot?

Jiang Lingzhi wanted to say that she had to wear a coat when she went out in this weather today.

This is still hot?

However, since he said it was hot, then let it be hot.

Jiang Ling knew that she did not dare to look around casually. She pretended to be calm as she turned around. "Oh, then you should go and get dressed. Don't catch a cold."

After turning around, he secretly heaved a sigh of relief.

He had yet to escape.

Suddenly, someone grabbed her wrist and pulled her back.

Jiang Lingzhi was pulled so hard that she turned around, and her entire body crashed into his embrace.

The glass cup in her hand almost fell off. "Tsk, why are you running?"

His voice sounded inexplicably playful.

Jiang Lingzhi placed her arm on his chest, and her fingertips accidentally touched his skin. It was cold, and the touch was a little strange.

Jiang Lingzhi blinked her eyes in disbelief. "Are you going to take a cold shower?"

Li Shunan stared at her with his eyes lowered. The tip of his throat moved a little and he let out a low "hmm."

It was already autumn, and the temperature difference between day and night was huge. He was really not afraid of death if he took a bath in cold water. Jiang Lingzhi asked in surprise, "Aren't you cold?"

Li Shunan stared at her from above, his eyes lazy and slightly raised. "It's alright."

Jiang Lingzhi did not know what to say.

She nodded. "Oh, go change. I'll go out first."

However, the person in front of her had no intention of letting her go.

Li Shunan raised his hand and pushed her against the wall. He raised his arm and placed it on the wall beside her face. "Do you want to inspect the goods?"

Chapter 268: Personally Test

Jiang Lingzhi leaned against the wall and was stunned for a moment. "Ah?"

Do you want to inspect the goods...

What did it mean?

Jiang Lingzhi looked up and met his eyes. "Check... What?"

Li Shunan licked the corner of his lips and stared at her condescendingly. He lowered his body slightly and breathed on her forehead. "Tsk, didn't you question me today?"

Jiang Lingzhi subconsciously continued his sentence. "Why would I doubt you?"

She suspected that her brain had gone haywire.

Did she question him today?

He really couldn't remember.

"I don't even know the gender of my future boyfriend." Li Shunan stared at her with his light brown eyes, lowered his voice and said slowly, "Then come and test it yourself."

Jiang Lingzhi was speechless.

Ah, I remember now.

So, he still remembered what happened on the bus?

She was just using a pretense to call him a girl.

Why was he so vengeful!

Jiang Lingzhi was a little embarrassed for some reason. She stretched out her hand and pressed it against his chest. "Didn't I tell you that it's a strategy

Could she tell the truth about the situation just now?

If she said that she would go home with a boy to do her homework, her mother would probably rush over with a knife.

"I'm just afraid that you'll suffer." Li Shunan raised his eyebrows and said lazily, "We can't let our doctor suffer."

Jiang Lingzhi was speechless.

So," Li Shunan grabbed her hand and slowly moved it down. "Test?"

Test?

How was he supposed to verify this?

Then, she realized that he was leading her hand downward.

Jiang Lingzhi swallowed her saliva, and her face instantly turned red. She suddenly pulled her hand back and stuttered,""I'm not testing it."

Was he a hooligan?

Jiang Lingzhi suddenly felt suffocated, and the heat that had subsided with great difficulty just now gradually returned.

She reached out and pushed him away. She crawled under his arm and fled from the room door in a panic.

The girl's figure was almost fleeing.

When she kissed him just now, she was very bold.

She even licked him.

Li Shunan's eyes darkened. He licked his lips, lowered his head, and chuckled.

He stood up straight and walked to the wardrobe unhurriedly. He took out some clean clothes and changed into them. She took a towel and dried her hair.

Only then did he leave the room.

In just a short while, Jiang Lingzhi had already adjusted her emotions.

However, the redness on her ears had not completely subsided.

In order to make herself look less flustered, she took a bag of yam chips and sat on the sofa to eat slowly.

When he heard the commotion coming from the room, he did not dare to look over.

When Li Shunan came out of the room, he saw the girl sitting on his sofa. She didn't dare to look at him and was staring straight ahead.

Her eyes were dark and bright, and it was obvious that she was nervous, but she still pretended to be calm.

Her school bag was already packed and placed on the coffee table.

The projector was also turned on and a movie was playing.

The girl was curled up on the sofa, unwrapping a packet of medicine.

Like a little hamster, her cheeks moved.

It was so cute.

When she saw him come out, Jiang Lingzhi sat up straight and raised her hand to press the switch. "I'm going home."

Li Shunan glanced at the time on the clock. It was already 7:40. He looked away unhurriedly. "Okay, I'll send you back."

Chapter 269: A Special Date

Jiang Lingzhi did not reject her and stood up from the sofa.

Li Shunan stuffed his hands into his pockets and stopped in his tracks. "I'll go get my phone."

"Oh." Jiang Lingzhi nodded her head and watched him turn around and return to his room. She held the bag of snacks in her hand and waited for him on the spot.

He seemed to realize that standing here seemed a little silly.

Taking advantage of this gap.

Jiang Lingzhi took two steps to the side and walked in front of the cabinet. She looked around casually.

There were not many things on the cabinet. There were a few books casually placed on it, and they were all contents that she could not understand.

There was a desk calendar beside him. It was the current month. One of the days was marked with a bright red circle. It was especially eye-catching.

Two days later.

November 8th.

That day on Sunday.

Jiang Lingzhi stared at the time for a while.

After Li Shunan took the phone, his tall and slender figure walked out of the room and said casually, "Do you want me to bring you some snacks to eat at home?"

Only then did Jiang Lingzhi come back to her senses. She nodded her head randomly. "Oh, okay."

Li Shunan walked to the cabinet where the snacks were kept. He opened the drawer, took out jelly and chips, and walked toward her.

He bent down and picked up his bag from the coffee table. He unzipped it and put the snacks in.

Jiang Lingzhi turned her head and asked, "What does this circle mean?" Li Shunan raised his eyes and looked over. His eyebrows were loose and his expression was still casual.

When his gaze fell on the desk calendar, his fingers that were holding his school bag paused for a moment. The smile on his lips slowly disappeared, and even his gentle eyes were restrained.

Li Shunan looked away. His lips were pursed. He walked over, raised his hand, and turned the desk calendar upside down.

"It's nothing."

The page marked in red was pinned on the table.

Jiang Lingzhi was stunned for a moment. She did not understand what was going on. She swallowed the yam slice in her mouth with difficulty and felt that his reaction was a little strange.

Li Shunan placed his school bag on the chair beside him. He lowered his eyes and zipped up her school uniform with unusual concentration. That slender finger held the zipper and slowly slid it to the top.

“It’s cold at night. Don’t catch a cold.”

Jiang Lingzhi stood right in front of him. She lifted her eyes and stared at his taut lips.

She raised her hand and tapped his lips lightly with her cold fingertips.

“Are you unhappy?”

Li Shunan’s fingers paused, and he looked up to meet her eyes. Then he curled his lips into a smile and wrapped his big palm around her small hand. He placed it on his lips and kissed it gently. “No, I haven’t.” Jiang Lingzhi blinked and lowered her head. “Oh.”

His smile was obviously very forced.

Although he was a little skeptical.

However, since he said that he didn’t, then he would just pretend that he didn’t.

Jiang Lingzhi was a little depressed. Even the yam slices in her hand seemed to have lost their taste.

When Jiang Lingzhi returned home, it was exactly eight o’clock.

Lu Yuping was wearing pajamas and watching TV in the living room.

Perhaps it was because she came back on time, Lu Yuping looked at the time on the wall clock and did not say much. She only asked, “You’re back. Have you finished your homework?”

Jiang Lingzhi changed her shoes at the entrance and walked into the living room. She answered honestly, "I wrote physics and math. There were some questions that I didn't know, so I just discussed them. I haven't written English yet."

Chapter 270: Will Become a Bald Man

Lu Yuping nodded and turned off the TV in the living room. "The kitchen has left some food for you. Do your homework after you eat. Put the dishes in the sink after you're done. I'll wash them tomorrow. I'm a little tired today, so I'll go back to my room and sleep first."

Jiang Lingzhi nodded. "I know, Mom."

When Lu Yuping turned around and was about to go upstairs, she stopped again. "The piano, the piano, the piano, the piano, the piano." Jiang Lingzhi nodded her head again and agreed.

Lu Yuping didn't say anything else and quickly returned to her room.

Jiang Lingzhi also followed him upstairs.

After returning to the room, Jiang Lingzhi placed her bag on the table and took out her phone to send a message.

[I'm home.]

Li Shunan replied very quickly. "[Yes, we're home. Rest early.]

Jiang Lingzhi held her phone and replied to a message. "[I'll practice the piano for a while more before I go to sleep.]

This time, the message came a few seconds later.

After waiting for a while, he sent a voice message.

Jiang Lingzhi stared at it for a while before she clicked on the voice recording.

“Children, don’t stay up late. If you stay up late and lose your hair, you will become bald.”

His voice was deep and magnetic, and it seemed a little quiet in the night. There was a faint smile on his face.

Two seconds later, he sent another voice message.

“Good night.”

Jiang Lingzhi pursed her red lips, clicked on the voice message, and listened to it a few times.

Why did it seem to have returned to normal at this moment?

Jiang Lingzhi did not reply to her message, and she placed her phone on the bedside table.

She lay on the bed and stared at the ceiling above her.

So, was that a special day?

Could it have a special meaning to him?

Jiang Lingzhi thought for a long time but could not think of a reason.

However, she could clearly feel it just now.

Ever since he mentioned that date, his mood had changed.

Even the smile on her lips seemed to have become very forced.

He didn't seem to want to say it either.

Everyone had their own space. Jiang Lingzhi was also worried that if she asked him about it, he would be unhappy.

After all, everyone had their own space and might not be willing to tell others everything.

When she thought of this, Jiang Lingzhi picked up her phone again and replied to him with two words. "Good night."

In the next two days.

Jiang Lingzhi felt that Li Shunan seemed to have returned to normal.

Every day, she would still sleep in class, as if she could not get enough sleep.

Occasionally, when she woke up, she would lean against the wall and stare at her with a dotting gaze.

From time to time, he would tease her and take advantage of her verbally.

Usually, he would explain the questions to her in great detail.

It didn't seem to be any different from before.

As for the day marked on the desk calendar, he did not want to say it, so Jiang Lingzhi did not ask further.

She wondered if he had disguised himself too well.

No one could detect any strange emotions.

Jiang Lingzhi gradually felt relieved and did not care too much about it.

In the blink of an eye, it was Saturday.

Old Street Bar.

A specialty bar in the Laocheng District.

On the round platform in the middle of the bar, a short-haired girl was playing and singing by herself.

There were a few private rooms in the hall.

Even from the private room, they could see the situation in the hall.

Li Shunan leaned back on the sofa, biting a cigarette between his thin lips. His peach blossom eyes were half-closed, and he was playing with a silver lighter between his well-defined fingers.

The other three people were fighting the landlord.

“Brother Chennan, I heard that there’s a situation. Can you share it with me?” Sun Yan held a handful of cards in his hand and moved toward him..
