

Little Girl 271

Chapter 271: I Feel Like I'm Not Human

Li Shunan stopped playing with the lighter and looked up. He had a cigarette in his mouth and smiled. 'What's going on?'

The bar was a little dark.

Under the dim yellow ceiling light, his peach blossom eyes were half-closed, and he was biting on a cigarette. His smile was like a demon.

Sun Yan couldn't help but click his tongue.

Who the f * ck could withstand this?

He threw out two cards and continued to ask, ""That's right. I heard that you're together with my goddess?"

Although it was not too unexpected, when he heard the news, he still felt a little sad.

"Are you serious?"

Sun Yan couldn't help but feel jealous.

Sigh, the goddess was gone just like that.

Zhao Zifu scoffed at him. "That's for sure. You didn't see how protective he was of his children in school. He was so f * cking pampered!"

Qi Liangji wasn't surprised at all. He said proudly, "I could tell. When we were eating together, you didn't see that posture. He was completely possessive."

After saying that, he felt that he was especially powerful. "F * ck, I'm impressed by my observation skills!"

Obviously, this was not the first time Sun Yan had heard this. He was a little annoyed. "Why can't I f * cking tell? I thought Brother Chennan was going to introduce me to someone, but in the end..." Zhao Zifu laughed, "I think you're courting death."

"So, where are we now?" Sun Yan sighed and asked.

Qi Liangji was also curious. He stared at Li Shunan. "Have we reached third base yet?"

Zhao Zifu's tone was also a little improper. "Did you hit a home run?"

Her tone was inexplicably ambiguous. At dawn.

Speaking of this, the sad atmosphere was swept away.

The three of them clinked their glasses together. "Oh ho, let's celebrate, Brother Chennan. I'm a virgin."

"I finally believe that Boss isn't cold."

"We're safe, he doesn't like men!"

Li Shunan snorted, leaned back on the sofa, and kicked the coffee table. "Get lost."

Qi Liangji had a sharp intuition about this kind of thing. He analyzed, "Hiss, that's not right. Looking at the situation, could it be that he didn't even get to second base?"

"It can't be, right?"

Zhao Zifu also felt that it was unbelievable."

The three of them stared at each other.

Li Shunan leaned forward with his elbows on his knees. He shook off the cigarette ash and said slowly, "It's too small."

Qi Liangji was speechless.

Zhao Zifu was speechless.

Sun Yan was speechless.

Li Shunan licked his dry lips and laughed at himself. "Even a kiss makes me feel guilty. She felt like she wasn't human."

Everyone was speechless.

Then what kind of relationship are you in?

Li Shunan's thin lips were overflowing with smoke. His peach blossom eyes were half-narrowed as he muttered to himself, "Let's just rest for a while."

"Are you raising a daughter?" Qi Liangji laughed."

Li Shunan leaned back with a cigarette in his mouth and smiled. "It's quite good to raise it."

Zhao Zifu was completely convinced, "Then you're really pure in your love. ""

What was the point of talking about it?

It was better not to talk about it!

Sun Yan felt gratified and patted his shoulder. ""Brother Nan, you're still steady.

I almost misunderstood you."

She thought that they had already done it a long time ago.

It turned out that their Brother Nan was so pure when it came to dating..

Chapter 272: Weird Plots

Li Shunan raised his hand and removed the cigarette butt with his well-defined fingers. He put it out in the ashtray and stood up. The three of them immediately looked over, their actions very consistent.

"Where are you going?"

"Aren't you going to play anymore?"

Qi Liangji looked at the time and said, "It's only eight o'clock in the evening. It's still early.""

There were often girls passing by, and their eyes were sizing up Li Shunan.

After all, with his looks and figure, he was completely eye-catching.

However, it was as if he could not see it at all.

Li Shunan stood there like a crane with one hand in his pocket and said go.”

After saying that, he ignored the urging voices behind him and walked straight through the crowd and out of the bar.

Qi Liangji stared at his back and felt that something was wrong.”Don’t you think Brother Nan is in a bad mood today?”

“It’s because of desire,” Sun Yan analyzed. Beg. Are you dissatisfied?”

Zhao Zifu kicked him, “Get lost.’

Qi Liangji didn’t understand what had happened.””So, did something happen recently?”

Zhao Zifu carefully recalled, “Just these two days?” Nothing happened, what’s going on lately?”

Sun Yan suddenly remembered something and slapped his thigh.””I know,

tomorrow is November 8th!”

“November 8th?” Qi Liangji was still confused. What about November 8th?” “Have you forgotten about last year?” Sun Yan asked subconsciously.”

November 8th last year.

The three of them fell silent at the same time.

It was Saturday.

Jiang Lingzhi did not even touch her phone. Other than reading the questions, she was playing the piano.

There was an international piano competition after the new year.

She had been preparing for this competition for a long time.

Jiang Lingzhi did not dare to relax. She had to take more time to practice.

Unknowingly, it was already eight o'clock in the evening.

She practiced again and again.

The sound of the piano was smooth and pleasant. The notes poured out from his fingertips, as if he did not know fatigue at all.

Suddenly, the sound of stones hitting the glass came from the window.

Jiang Lingzhi's fingers paused, and the sound of the piano suddenly stopped.

Did she hear wrongly just now?

Jiang Lingzhi looked up and sat in front of the piano. She listened to it for a while.

The atmosphere at night was too quiet, and even the slightest sound would be amplified infinitely.

With a soft " pa " sound, the sound of stones rolling on the ground came from the balcony again.

Jiang Lingzhi's eyes moved slightly. She felt that it was a little strange. She stood up and walked to the balcony to take a look.

The sky outside was completely dark, and only the street lamps were lit up with a dim yellow light.

That person was standing under the light of the street lamp not far away from downstairs. His tall and slender figure stood like a crane.

With the dark night as the background, the black silhouette was something she was familiar with.

The moment she saw him, Jiang Lingzhi's eyes lit up. She was surprised and waved at him.

"Ah Shu."

She did not dare to speak too loudly, afraid that the people in the living room downstairs would hear her.

The next second, she ran into the room, took out her phone, and dialed a number.

The call was quickly picked up.

Jiang Lingzhi leaned on the balcony and stared at the figure downstairs. She said in surprise, ""Why are you here?"

It was very quiet on the other end of the phone.

After a pause, his low laughter came through the phone. His magnetic and hoarse voice slowly sounded, "I haven't seen you for a day. I miss you so much.."

Chapter 273: Dressed Like This, Where Are You Going?

I haven't seen you for a day. I miss you so much.

His voice was so close to her ear that it felt numb.

Jiang Lingzhi's heart thumped twice, and her rhythm was a little messed up.

"Then wait for me. I'll come down now."

After she finished speaking, Jiang Lingzhi hung up the phone.

She put on her nightgown, turned around, and returned to her room. She placed her phone on the table, put on a pair of slippers, and ran down the stairs.

Lu Yuping had just turned off the TV and was about to return to her room when she heard the voice and turned around. "Drink water"

Jiang Lingzhi stopped in her tracks. She had just run, and she was still panting slightly. "Mom, I'm going out for a while."

Lu Yuping was obviously stunned. She walked over from the living room and asked, "Where are you going dressed like this?"

Jiang Lingzhi lowered her head to take a look, and she realized that she was in a hurry just now, and she did not even change her clothes.

She grabbed her long hair and gave a random reason. "Ah, there's a question I don't know how to do. I want to ask Ah Ci."

She spent the entire day at home doing her homework and playing the piano. She took a few quick bites during dinner and went back to her room.

She was so obedient that it made people feel at ease.

Lu Yuping did not doubt this at all and turned her head. "Go, come back early after you're done asking."

"Oh, I know." Jiang Lingzhi nodded and responded obediently.

Jiang Lingzhi felt a little guilty for some reason. She subconsciously lightened her footsteps, opened the door, and closed the door quietly.

When he came out of the door, the tall figure was still standing at the same place.

The young man's tall and straight figure leaned against the street lamp. There was a cigarette between his fingers, and the scarlet flame was clearly extinguished.

"Ah Shu."

The corners of Jiang Lingzhi's lips curled up as she jogged towards him.

Li Shunan looked up when he heard her voice.

The girl's waist-length hair was casually let down. She was wearing a short-sleeved nightgown and a pair of cartoon cotton slippers.

Under the dim streetlights.

Her smile was as bright as the beam of sunlight that broke through the clouds in the cold winter.

When he saw the girl running towards him.

The softest part of her heart seemed to have been gently touched.

Jiang Lingzhi jogged all the way. After she came in front of him, she jumped into his arms.

Li Shunan opened his arms and held her in his arms when she came to him. He hugged her waist gently.

The moment she approached, Li Shunan raised his arm with the cigarette in his hand slightly to avoid burning her.

The girl was wearing a short-sleeved nightgown, revealing her fair arms and slender legs.

The autumn nights were still a little chilly.

The skin on her exposed arm was a little cold.

“Why did you come out wearing so little clothes?” His voice was lazy and hoarse from the smoke.

Jiang Lingzhi hugged his waist and raised her head. Her bright black eyes stared straight at him. “I was so happy to see you that I forgot.”

Her voice was light and soft.

saying such comtortmg words was like candy mixed Witn poison. It was so sweet that it was addictive.

Li Shunan lowered his eyes and chuckled. He lifted his hand to pull open his coat, pulled her into his arms, and wrapped her up.

Jiang Lingzhi did not feel it when she was at home just now, but now that she was out, it was still okay for her upper body to have his warmth.

However, her legs were still a little cold, especially when a gust of wind blew past. She could not help but tremble.

Jiang Lingzhi looked up at him, and she looked a little pitiful.

“It seems a little cold..’

Chapter 274: You Want to Follow Me Into the Woods?

“Are you an idiot?” Li Shunan couldn’t help but laugh out loud. He put out the cigarette between his fingers and threw it into the trash can beside him.

He took off his coat and draped it over her, wrapping her whole body in it. He said slowly, “I hung up before I finished speaking. I didn’t want you to come down. I just wanted to look at you from afar.”

Ah.” Jiang Lingzhi pursed her lips. She lowered her eyes and stared at his long and fair fingers as he buttoned up her coat one by one. “But, I just want to see you.”

Jiang Lingzhi’s entire body was wrapped in a big coat, and she was like a child who had stolen adult clothes. She looked up at him and said softly, “I missed you too.”

The corners of Li Shunan’s lips curled up as if he was deliberately teasing her. He leaned his ear over and said in a drawl, “Say what? I didn’t hear you clearly.

Say it again?”

Jiang Lingzhi reached out to push him away and did not say anything else.

Soon, there were bursts of low laughter above their heads.

After Li Shunan took off his coat, he wore a black long-sleeved shirt underneath, which looked quite thin.

Jiang Lingzhi snatched his clothes and was a little embarrassed. "Aren't you cold?"

The autumn night wind blew, bringing with it a chill. The leaves rustled in the wind.

Li Shunan tidied up the collar of her coat. His light brown eyes met hers, and the corners of his lips curled up. "With you here, it won't be cold anymore." Why did this person have such a set of flirtatious words?

Jiang Lingzhi felt a little embarrassed. She stretched her hand out from her sleeve and touched her nose. "It's windy here. Why don't we find a place without wind?"

Li Shunan bent down slightly and looked into her eyes. He rubbed her head gently. "I just wanted to take a look at you. Now that I've seen you, if you're cold, you should go home. Don't catch a cold."

Jiang Lingzhi was not very willing, and she pouted. "But it wasn't easy for me to get out. Can't I stay a little longer?"

Jiang Lingzhi looked around and pointed at the bushes at the side. "Why don't we go there? The wind should be less windy there."

He saw the place she was pointing at.

Li Shunan lowered his head and chuckled. He said playfully, "Tsk, you want to follow me into the forest?"

Jiang Lingzhi was speechless.

Jiang Lingzhi was already used to his way of speaking.

Anyway, there was no limit.

She would do whatever she wanted.

However, he did not even dare to kiss her.

He was a giant in words and a dwarf in action.

Jiang Lingzhi was not afraid of him at all. She raised her hand to grab the hem of his shirt and dragged him behind the bushes.

The bushes were as tall as her chest and were very dense. After hiding behind them, they could really block a lot of wind and were not as cold.

Jiang Lingzhi sat down on the grass and hid herself in the bushes. She looked up at him and tugged at his pants. "Come down a little."

Li Shunan raised his eyebrows, and the feeling of doing something bad in secret rose again.

When he met the girl's clear eyes, he sighed slightly.

As she wished, he squatted down.

There was a spotlight in the grass, so it was not completely invisible.

She had not seen him for the entire day, and Jiang Lingzhi could not help but start to tell him about what happened today.

“My deskmate, let me tell you, I wrote three test papers today and played the piano for four hours.”

“I was still playing the piano when you threw the stone at my window just now...”

Chapter 275: You Don 't dote on Me Anymore

Li Shunan was in a bad mood because of the arrival of tomorrow.

However, after seeing her, those bad emotions seemed to be completely suppressed.

At this moment, he listened to her soft voice as she recounted some trivial matters in his ear.

For some reason, he felt very grounded and realistic.

It no longer seemed like he was alone.

Jiang Lingzhi raised her head and looked at him. ““Why aren't you saying anything?”

The little girl's eyes were dark and bright, as if they were dotted with stars. She hugged her knees and squatted there, looking like a small ball.

Li Shunan lowered his head and stared at her with his light brown eyes. “I'm listening to you.”

Jiang Lingzhi pursed her lips and muttered softly, ““Then I already said that my hand hurts, but you still didn't react.”

This accusation was a little serious.

Li Shunan couldn't help but laugh out loud again. He raised his hand and gently squeezed her little hand. "Rub it."

Jiang Lingzhi turned her face away and allowed her small hand to be held and kneaded in his palm. She could not help but ask, "Why are you here?"

Li Shunan's fingers paused.

Jiang Ling knew that she did not notice his strange behavior and moved closer to him. "You know, I was originally very tired, but after seeing you, I don't seem to be tired at all."

The corners of her lips curled up, and her dimples were deep.

The fragrance of the shower gel after a shower was very clear.

It made one sink.

Li Shunan lowered his head and stared at her. His Adam's apple bobbed slowly, and he suddenly reached out to hold her in his arms.

Jiang Lingzhi was stunned for a moment. She leaned her face against his chest and felt the heartbeat in his chest.

He was steady and steady.

Jiang Lingzhi also hugged his waist hesitantly and asked softly, "What's wrong with you?"

At that moment, the negative energy in his body seemed to be unable to be hidden.

"That's right." Li Shunan's jawline pressed against her hair, and his voice was inexplicably low. "I want to hug you."

Jiang Lingzhi obediently lay in his arms and allowed him to hug her.

Her nose rubbed against his chest, and she could smell the strong smell of tobacco.

"I thought you wouldn't be able to come out." His voice sounded from above her head, slightly hoarse.

Jiang Lingzhi blinked and looked up at his jawline. She said honestly, "Well, I said I was going to look for Ah Ci, so Mom let me out."

That pair of clean deer eyes were still clear and bright in the night.

Li Shunan lowered his head and met her eyes. He licked his molars. "Tsk, that's really annoying."

Jiang Lingzhi replied, "What do you mean by unhappy?"

Li Shunan raised his hand and caressed her cheek gently. "Since when did I

have to use someone else's name to meet my own wife?"

"Who's your wife?" Jiang Lingzhi was dissatisfied.

"Wasn't it you?" Li Shunan laughed softly.

Jiang Ling knew that she didn't want to answer his question. She moved closer and sniffed the scent on his body. "Did you smoke a lot? The smell of smoke was so strong, and it seemed like he had drunk alcohol."

Li Shunan's fingers paused for a moment and he said casually, "Yeah, I just had a gathering with them."

"Is it very smelly?" he asked again.

Jiang Lingzhi shook her head and stared at his face for a while. "No, I thought you were in a bad mood, so you smoked like this."

He probably wasn't addicted to it and only smoked occasionally.

This was the first time she had smelled such a strong cigarette smell on him..

Chapter 276: 276: Accompany me to another place

Li Shunan's body stiffened slightly, and he stared at her with his deep eyes. He quickly returned to normal and stroked her long hair. "I probably accidentally got it."

After a pause, he said unhurriedly, "It's late. Let's go back."

He changed the topic without batting an eyelid.

Jiang Ling did not realize that something was wrong, because she suddenly remembered that she had been out for a while.

If she had been a little later, her mother might have called Su Xianci's house to

ask.

In that case, he would be exposed.

Jiang Lingzhi placed her hands on the ground and stood up. She did not dare to stay any longer. "Oh right, I almost forgot if you didn't mention it. I have to go back."

After saying that, she could not help but remind him, "You go home early too."

"Yes."

Jiang Lingzhi raised her hand to unbutton her jacket one button at a time. She pretended to take it off and return it to him. "Then I'll leave first."

Li Shunan held her hand and didn't let her take it off now. He said in a low voice, "It's cold here. Give it to me at the door."

Jiang Lingzhi's fingers stopped.

In fact, it was only two steps. He ran back in an instant.

Jiang Lingzhi did not reject him. She put her hand down again and walked back with his jacket on. The two of them walked to the entrance of the villa.

Just as he was about to enter, Jiang Lingzhi took off her coat and handed it to him. "Then I'll go in first."

Li Shunan took the coat and nodded. "Go ahead."

Jiang Lingzhi turned back to look at him again. "I'm leaving."

Li Shunan stood there with his hands hanging by his side. He was holding a black coat between his fingers. His eyes were unfocused as he stared at her.

The corners of his lips curled up as he took a step forward. He held the back of her head with his palm and planted a kiss on her forehead.

“Good night.”

Back home.

The living room was silent.

At this time, Lu Yuping should have returned to her room.

Jiang Lingzhi closed the door and walked upstairs in her slippers.

Her movements were not deliberately gentle.

As if she had heard some noise, Yuping pushed open the door and came out of the room. “You’re back?”

Jiang Lingzhi’s fingers froze. ”

Lu Yuping seemed to be relieved. She yawned and reminded, “Don’t practice today. Rest early.”

“Oh, I know.” Jiang Lingzhi responded and let out a sigh of relief. She quickly pushed the door open and returned to her room.

After closing the door, Jiang Lingzhi went straight to the balcony.

Li Shunan was still there.

There was a cigarette burning between his fingers, and the cigarette butt had a clear flame.

His proud and tall figure stood under the street lamp.

It seemed a little lonely.

Jiang Lingzhi stared at him for a while and waved at him.

Why did she start to miss him so soon after they parted?

Jiang Lingzhi sniffed.

Seeing that the light in her room was on, Li Shunan put out the cigarette and threw it into the trash can.

He took out his phone from his pocket. Very quickly, Jiang Lingzhi's phone rang.

[Sleep early and be good.]

After sending this message.

Li Shunan raised his head and looked in her direction. After two seconds, he put his phone back into his pocket, stood up straight, and turned to leave.

His figure quickly blended into the darkness.

When she could no longer see him, Jiang Lingzhi retracted her gaze and returned to her room.

Jiang Lingzhi was too tired today.

She replied with a message and fell on the bed, recalling what had happened today.

After a while, she fell asleep.

When he woke up in the morning.

Jiang Lingzhi realized that there was an unread message on her phone.

[Will you accompany me somewhere tomorrow?]

Chapter 277: He's Not Here

[Will you accompany me somewhere tomorrow?]

Jiang Lingzhi had just woken up. She was still in a daze as she held her phone.

This message was sent at eleven o'clock last night.

She had gone to bed very early last night, so she did not reply.

Five minutes later, he sent another message: [Forget it.] The two messages were placed side by side.
[Will you accompany me somewhere tomorrow?]

[Forget it.]

Jiang Lingzhi instantly woke up and sat up on the bed.

It was already eight in the morning.

Jiang Lingzhi replied.

[I was too tired last night, so I fell asleep.]

After a while, he sent another message: [Where are we going? I'm coming to find you now.]

After waiting for a long time, there was no reply.

Jiang Lingzhi lifted the blanket and got up from the bed. She put on her slippers and went to the bathroom to wash up.

After washing up, she picked up her phone and took a look. There was still no reply.

Still not up?

Jiang Lingzhi thought about it and made a call.

The ringtone rang for a long time, but no one answered until it ended.

Jiang Lingzhi frowned and placed her phone on the bedside table. She took out some clean clothes from the closet and changed into them before she took her phone and went downstairs.

Lu Yuping also happened to come out of the room. She was dressed very formally. When she saw her, she said, "Zhizhi, Mama is going out for a while today and will only be back at night. Go to Ah Ci's house for lunch."

When she heard this, Jiang Lingzhi's words that she had originally planned to report to her were instantly stuck in her throat.

She nodded and replied, "Alright."

Lu Yuping seemed to be in a hurry. When she was changing her shoes at the entrance, she couldn't help but remind her, "Or if you don't want to go to Ah Ci's house, you can order your own food. The phone number is on the refrigerator.""

Jiang Lingzhi was a little absent-minded, and she could not help but urge him, "I know, Mom. You should go out quickly."

Lu Yuping took the opportunity to change her shoes and looked up at her. "Why are you rushing me today?"

Jiang Lingzhi suddenly reacted. She scratched her head and muttered softly, "I was afraid that you would delay."

Lu Yuping was indeed in a hurry to go out, so she didn't think too much about it. "Then I'll leave. You stay at home and study hard."

After saying that, he retracted his gaze, took his bag, and left.

The door was closed, and the entire house fell silent.

Jiang Lingzhi did not go out immediately.

She was also worried that she would bump into Lu Yuping if she went out at this time.

After waiting for another ten minutes, she finally stuck her head out to take a look.

After confirming that her mother had left, Jiang Lingzhi heaved a sigh of relief and pushed the door open to go out.

They arrived at the familiar courtyard entrance.

Jiang Lingzhi pushed open the ajar door of the courtyard and walked in directly.

He used the key to open the door.

The house was quiet and dim.

Jiang Lingzhi went to the door of the room and knocked on the door gently. She waited for a long time, but no one answered.

She hesitated for a moment before pressing the doorknob.

The room was very clean and tidy. The blankets were neatly folded, and there was no one in the room.

He was not around.

Jiang Lingzhi's heart suddenly tightened.

He took out his phone from his pocket and made a call.

Just as she was about to close the door and leave, a bell rang from the bedside table.

He didn't bring his phone either.

Jiang Lingzhi hung up the phone and walked over. She picked up her phone to take a look.

There were several unread messages on it, which she had sent in the morning.

She sent the message at eight o'clock.

So, he had already left so early?

Chapter 278: Death Day

Jiang Lingzhi was a little depressed. She came out of his house and closed the door for him.

He suddenly realized.

She did not know where to find him.

Until now, she still didn't know about his family situation.

She didn't even have his best friend's phone number.

Where did he go?

Jiang Lingzhi sat down by the stairs.

She took out her phone and looked at the message he sent last night.

Was the reason he wasn't home related to that day?

He asked her to accompany him to a place. Where was she going?

Why, forget it again...

Jiang Lingzhi's mind was in a mess, and she could not figure it out at all.

Only then did she realize that she knew very little about him.

She had waited for half an hour, but he still hadn't returned.

Occasionally, people would pass by the courtyard entrance, but none of them were the figure she wanted to see.

Jiang Ling knew that her legs were a little numb. She stood up and walked out of the courtyard.

Passing by an alley, I was in the middle of a long night

A kind voice sounded in his ear. "Isn't this Ah Shu's girlfriend?"

Jiang Lingzhi stopped in her tracks and looked in the direction of the voice. Unknowingly, she had arrived at the noodle shop from last time.

"Granny," Jiang Lingzhi said politely.

It was already past nine o'clock in the morning. It was past breakfast time, and there were not many people at the stall.

The old lady was still smiling and asked kindly, "Little girl, do you want breakfast?"

Jiang Lingzhi shook her head, and she was a little distracted. "'No, I haven't."

The old lady enthusiastically brought her a chair. "Come, sit here. I'll cook a bowl of noodles for you. Last time, I said I would treat you to a meal. Why did I leave money on the table?"

Jiang Ling knew that she was too embarrassed to reject him. She sat down on the chair and said, "Thank you, granny."

The old lady walked to the back of the stall and turned on the fire. She asked, "Why didn't you come with Ah Shu?"

Jiang Lingzhi was still in a daze.

Li Shunan seemed to be quite familiar with the people who had just turned out here. Perhaps the old lady knew where he had gone. Jiang Lingzhi perked up and asked, "Did you see him today?"

"No, he didn't come here today.""

Sensing that something was wrong with her mood, the old lady asked softly, "What's wrong? Did you guys fight?" Jiang Lingzhi shook her head. "No, it's just that I can't find him.""

She couldn't find him, so she felt a little flustered.

The old lady recalled carefully and suddenly remembered something. "Yo, is today the 8th?"

Jiang Lingzhi was stunned for a moment before she nodded her head. "Yes,

November 8th."

Only then did the old lady understand and said matter-of-factly, "Then he probably won't be home today."

Jiang Lingzhi raised her head and looked over."

The old lady turned off the fire and brought the noodles over to her. "You might not know yet."

The old lady sat down on the chair beside her. "Today is the anniversary of his mother's death. He should have gone to the cemetery to pay his respects. He might not be back until tonight."

Jiang Lingzhi suddenly felt a lump in her throat, and she could not say anything. She squeezed out two words with difficulty, "Death anniversary?"

Hearing these two words, her mood sank.

It was as if a huge rock was pressing down on his heart.

No wonder, no wonder his mood was a little off yesterday.

Suddenly, she felt a pain in her heart.

A feeling of self-blame and heartache gradually surfaced.

He always had that carefree look on his face, as if he didn't care about anything.

Even if she was sad, she wouldn't say it out loud..

Chapter 279: Will Always Be Good

Why didn't he ask more yesterday?

Jiang Lingzhi felt a lump in her throat, and she asked urgently, "Then do you know where the cemetery is?"

The old lady shook her head. "I'm not too sure about that. He wasn't in South City for the past two years, but he would come back to pay his respects on this day every year. ""

“It’s been four years.”

“It’s been four years since his mother passed away.”

Jiang Lingzhi’s eyes were extremely sore, and the emotions of self-blame were like wild grass growing wildly.

So, when he said that he wanted her to accompany him to a place, was it to the cemetery?

Why did she fall asleep last night?

Jiang Lingzhi’s eyes gradually turned red. She lowered her head, and her tears fell onto the table. She held the chopsticks in her hand, and she finished the bowl of noodles without knowing what to eat. The old lady’s intermittent voice echoed in her ears.

“He grew up here.”

“His mother raised him alone.”

“Ah Shu is such a good child. Because of this, he suffered a lot of criticism when he was young.”

“I’ve never seen his father. He said that he was doing business overseas, but I’ve never seen him.”

As if she was thinking about what happened many years ago, the old lady spoke slowly and heavily.

The old lady sighed with heartache. “In those two years, this child seemed to have changed into a different person.”

“Then, he went to another city. I don’t know if he was picked up by his relatives.”

“But every year on the anniversary of his death, he would return.”

Jiang Lingzhi’s feelings were very complicated.

All the words were like thorns stabbing into her heart.

That was why he lived here alone.

Jiang Lingzhi thought of that time when she asked him if it would be inconvenient to go to his house.

He said that he lived alone.

Did his tone at that time also sound a little lonely?

“I don’t know if I should tell you this, but I can tell that Ah Shu likes you very much. This was the first time she had seen him bring a girl home in all these years.”The old lady sighed.

He probably liked it very much.

Jiang Lingzhi sniffled and took out ten yuan from her pocket. She placed it on the table and said,“Thank you, granny. I’m full.”

The old lady picked up the money and stuffed it back into her palm.” I said I would treat you to a meal. Take the money back. ”“

Jiang Ling knew that she could not reject him, so she thanked him slowly.

The old lady patted the back of her hand and said earnestly,“Ah Shu is a good child. You guys have to be good.”

Jiang Lingzhi's eyelashes trembled slightly as she said softly, "I will. I will always be fine."

After saying goodbye to the old lady, she walked slowly to the courtyard with the ten yuan in her hand.

She did not know where the cemetery was, so she could only wait for him at his house.

Jiang Ling did not know how long she had waited.

She hugged her knees and sat on the steps of the courtyard.

He waited from morning until the sky gradually darkened.

A slight sound came from the courtyard door.

Jiang Lingzhi's eyes were red as she looked up.

In the dark of the night, that person walked towards her in the afterglow.

Li Shunan's arm was hanging by his side, and he was holding a plastic bag in his hand. He was wearing a black coat, and his tall figure walked up to her. He squatted down and looked into her eyes.

"Why are you here?" His voice was still very gentle..

Chapter 280: Don't Cry

Jiang Lingzhi felt a lump in her throat, and she immediately threw herself into his embrace. She wrapped her arms around his waist, and her voice could not help but sound like she was about to cry. "Where did you go? I've been waiting for you here for a day."

On this day, she did not know how flustered she was.

If he lived here alone, would he have no worries and could leave at any time?

She was worried that he would never return.

Li Shunan raised his hand and stroked her long hair. "'1 went to the cemetery." "Why are you crying?

Jiang Lingzhi sniffled, and her voice was intermittent." "I was too sleepy last night. I fell asleep and didn't see the news."

"It's alright." Li Shunan didn't expect that his message would make her so anxious. He said slowly, "'That kind of place isn't suitable for you to go." The calmer he was, the more Jiang Lingzhi blamed herself.

She lowered her head and her tears fell onto the back of his hand.

Li Shunan's body stiffened, and he stepped back a little. He lifted her chin and wiped her tears away in a panic." "Don't cry."

Jiang Lingzhi took a deep breath, and her tears fell uncontrollably. "'1 like you very much. I want to share my worries with you. Not only are we happy, but even if we are sad, I want to be the one by your side."

The little girl's eyes were red, and her soft voice spoke word by word. Every word hit his heart.

Li Shunan stared at her without blinking. His Adam's apple bobbed as he reached out and pulled her into his arms.

Why was she crying so lovingly?

“Why are you suddenly saying this?”

Jiang Lingzhi sat on the steps, and her side profile was pressed against his chest. She said honestly, “I want you to know that you’re very good. I’m afraid of you, afraid that you’ll leave.”

“Where can I go?” Li Shunan was both angry and amused.”

Jiang Lingzhi sobbed, and she seemed to think that her thoughts were a little ridiculous.

She stopped talking. She raised her hand and grabbed the hem of his shirt to wipe her tears.

Noticing her behavior, Li Shunan didn’t get angry. He smiled indulgently and said lightly, “Can you still get up?”

Jiang Lingzhi looked up at him. Her eyes were red, and she looked a little helpless. “My feet are a little numb.”

Li Shunan stood up, took her hand, and pulled her into his arms. He lowered his head and stared at her eyes.

“Let’s go in first.”

There was a floor lamp in the living room.

The light was dim and quiet.

All the emotions were shrouded in such a quiet atmosphere.

There was a row of beer on the coffee table.

Li Shunan leaned back on the sofa and opened a can of beer. He raised his head and took a sip. His Adam's apple bobbed up and down. He looked sexy and dispirited.

At this moment, the negative energy in his body finally revealed itself. "Today is the anniversary of my birth mother's death."

His tone was still relaxed, as if he was talking about a trivial matter.

Jiang Lingzhi was sitting beside him. Her heart ached a little, and her voice had a faint sobbing tone. "Why didn't you tell me?"

Li Shunan raised his hand and gently rubbed the corner of her eye. "It's not a big deal."

Jiang Lingzhi stared into his eyes.

Li Shunan's fingers paused, and the curve of his lips slowly disappeared.

Jiang Lingzhi choked up. "I hope that I am the person who can be by your side and accompany you. I don't just want you to treat me well.."
