

Little Girl 281

Chapter 281: I Will Always Be Good to You

Li Shunan stared at her and his eyes darkened. He suddenly smiled. "Aren't you good to me?"

Jiang Lingzhi sniffled and said in a muffled voice, "How is it good?"

She felt that she was in a terrible state.

She had never seriously tried to get to know him. She had only accepted his kindness.

Every time she was feeling down and upset, he would always appear and pull her back at the critical moment.

He was always so good to her, so gentle, as if he never had a temper.

Why was he so good?

Li Shunan's fingers slowly moved down and pinched the tip of her chin.

Jiang Lingzhi sat on the sofa and looked straight into his eyes. "But there are many people who are willing to like you."

As long as he wanted to, who wouldn't like him?

When she thought about it, Jiang Lingzhi felt even more depressed.

She didn't seem to have anything special about her, so why did he like her?

Li Shunan's light brown eyes were filled with gentleness. He laughed softly, lowered his body, and kissed her forehead. "They are not Jiang Lingzhi."

Jiang Lingzhi's eyelashes fluttered. She reached out to hug his waist, and her side profile was pressed against his chest—"I will always be good to you." Li Shunan leaned against the sofa and stroked her long hair.

She had originally thought that the house was so empty and cold.

However, after she came, it was as if she had brought along a small sun.

It warmed his entire body.

Li Shunan was holding a beer can in his hand. He was a little tipsy after drinking.

He raised his hand and threw the empty can into the trash can.

"Let me show you something."

Jiang Lingzhi raised her head.

Li Shunan lowered his eyes and met her eyes."Do you want to see?"

The warm breath he exhaled carried a faint smell of alcohol. Mixed with his unique scent, it inexplicably smelled good.

Jiang Lingzhi was stunned for a moment before she nodded her head slowly.""Sure."

Li Shunan let go of her arms and bent down slightly. His slender fingers took out a photo album from the drawer under the coffee table.

“This was originally meant for you.”

His tone was lazy and full of fatigue.

Jiang Lingzhi took it and stared at the photo album for a while. “What is this?”

Li Shunan rested his arm on his knees, his posture inexplicably arrogant and lazy. He dragged out his voice and said, “See for yourself.”

Jiang Lingzhi sat cross-legged on the sofa. The photo album was placed on her knees. She lowered her eyes and reached out to flip to the first page.

It was a small pumpkin.

In the photo, it was fighting with a ball of yarn.

And the way it looked when it drank milk.

There were about ten of them.

Every cute moment was frozen.

This photo was so well taken that it looked like a web photo.

If it weren't for the fact that the photo was of a small pumpkin, Jiang Lingzhi would have thought that he had downloaded it from the Internet. Jiang Lingzhi's eyes curved up. It's so cute.”

"Yes." Li Shunan's peach blossom eyes curved upwards, and his tone was somewhat ambiguous. "Record the moment when our baby grows up." Jiang Lingzhi paused as she flipped through the photo album.

For some reason, the more she heard this, the more she felt that something was wrong. Jiang Lingzhi cleared her throat.

"The camera."

Jiang Lingzhi was stunned for a moment. She could not help but turn her head to look at him.

He felt that it was very magical..

Chapter 282: Knowing

Li Shunan's lips curled up when he met her eyes. He leaned back lazily. "What are you looking at?"

Jiang Lingzhi was a little surprised.

She didn't expect him to have such a hobby.

"Nothing. I just think that you're very powerful." Jiang Lingzhi said.

Li Shunan licked the corner of his lips, as if he didn't expect her to say such a thing. He laughed softly. "There's something even more powerful. Do you want to see it?"

"Hmm?" Jiang Lingzhi did not hesitate at all. She nodded and said, "Yes, I do." Li Shunan stared at her for a while before he got up from the sofa. His tall figure stood in front of the sofa and he reached out to her. "Let's go." Jiang Lingzhi was still sitting on the sofa, and her gaze fell on his well-defined fingers. Her eyes moved slightly, and her small hand gently entered his palm. "Where are you going?"

Li Shunan exerted a little force.

Jiang Lingzhi placed the photo album on the sofa at the side, and she followed his strength to stand up.

Jiang Lingzhi thought that he would at most show her a photo album, but in the end, Li Shunan held her hand and went out.

“Aren’t we looking at photos?” Jiang Lingzhi was holding his hand as she walked behind him on the left. She was a little curious.

The sky outside was completely dark.

Li Shunan didn’t turn on the light in the courtyard, so it was a little dim.

He held Jiang Lingzhi’s hand and walked straight to the room on the right. He pushed the door open.

Li Shunan raised his hand and turned on the light.

The entire room instantly became bright.

It was a very spacious room. Although it was not as big as the main house, it was even more spacious because there was no furniture.

The whole wall was covered with photos, strung on a rope with clips.

On the other side was a large shelf with various models of cameras on it.

It was cold, but it had a texture to it. After Jiang Lingzhi went in, she was stunned.

“This is?”

Jiang Lingzhi could not help but look around. She was so shocked that she could not speak. She walked to the wall alone and admired the photo. There were sceneries and animals, and the composition was very grand.

“Did you take all these?”

Li Shunan picked up a camera from the shelf and leaned against the cabinet. He lowered his head and fiddled with it. “Almost.” It was unbelievable.

Jiang Lingzhi could not help but exclaim.

He actually liked photography, and even a non-professional could tell that his photography skills were quite good.

The boy she liked was so outstanding that he was synonymous with the word ‘excellent’.

Jiang Lingzhi was engrossed in it.

“Zhizhi.”

The young man’s slightly hoarse voice sounded behind her, mixed with some gentleness.

This was the first time he had called her by her name.

Jiang Lingzhi was stunned for a moment before she turned around. The moment she turned her head, she heard the sound of a shutter. Jiang Lingzhi was stunned.

Li Shunan leaned against the wall, holding the camera in one hand, looking lazy and casual.

Jiang Lingzhi blinked her eyes. She was not too sure. "Are you filming me?"

Li Shunan looked down at the camera and licked the corner of his lips. He stared at the photo for a while, his eyes darkening.

He looked up and said in a low and hoarse voice, "This is the first portrait I took."

Jiang Lingzhi froze for a moment before she reacted. "The first one?"

She couldn't help but turn around and glance at the photo wall. "Have you never taken a portrait before?"

Chapter 283: I'm Going to Take a Shower

Jiang Lingzhi looked through the photo wall, and there was indeed no portrait.

Li Shunan lifted his chin slightly and leaned back against the cabinet. He stared at her meaningfully for a while. "I don't like taking portraits, but you're an exception."

Jiang Lingzhi's heart skipped a beat. She turned around and looked at him. "Ah?"

An exception?

Was she the only exception?

Jiang Lingzhi felt a little nervous for some reason.

Li Shunan stared at her without blinking. His eyes were hot and loving as he said slowly, "You are very beautiful."

He uttered the three words in a low voice.

Jiang Lingzhi's ears felt a little hot for some reason.

She looked away." Liar. I just cried. I must be ugly.""

Li Shunan chuckled and lowered his eyes. His gaze fell on the photo again.

He wasn't lying.

This was his favorite photo.

It was better than any of the previous times.

The girl was wearing a white sports suit, and her black hair reached her waist. She stood in front of a large photo wall. The moment she turned her head, her eyes were gentle, as if there were stars hidden in them.

It was very beautiful.

The scenery that she had taken in the past was not even one ten-thousandth as beautiful as her.

Jiang Lingzhi really wanted to go over and take a look, but she did not dare to look at the photo.

If she was really ugly, she probably wouldn't want to see anyone.

After thinking about it, he gave up.

She walked straight to the cabinet beside her.

There was a glass window with certificates and trophies.

“Why are there so many trophies here?”

Jiang Lingzhi’s gaze landed on the black robed man.”

“Yes.” Li Shunan paused and put the camera on the shelf before continuing, ””Some of them are hers.”

His tone was very calm, without a trace of emotion.

Jiang Lingzhi suddenly realized who this ” her ” was referring to.

For a moment, he didn’t know what to say.

This was the first time he mentioned his mother.

Li Shunan walked slowly to her side and said in a low and lazy voice, ””She’s a reporter and a freelance photographer.”

“When she was young, she liked to go all over the country to take photos. These certificates are all awards she won in the past.”

Jiang Lingzhi stared at the trophies and certificates and listened to him quietly.

“This house is where she used to live.” Li Shunan’s Adam’s apple moved slightly. ””It’s also where I grew up.”

Jiang Lingzhi reached out and dug her small hand into his palm, gripping his hand even tighter. “I don’t know how to comfort people.”

Li Shunan’s gaze fell.

“But don’t be sad. I’ll always be by your side.” Jiang Lingzhi looked into his eyes and said each word seriously.

Li Shunan’s lips curled up slightly. He bent down and looked into her eyes. His fingertips gently touched her dimples. “I was quite sad at first, but after seeing you, I don’t seem to be sad at all.”

When they returned to the main house, their hands were still tightly clasped together.

Li Shunan smoked today and drank alcohol just now. The smell of smoke mixed with the smell of alcohol on his body made him look a little decadent and didn’t smell particularly good.

He turned his eyes, his voice still a little hoarse. “I’m going to take a shower.” Jiang Lingzhi nodded and let go of his hand. “You can go.”

She walked to the sofa and sat down with a pillow in her arms. She seemed to feel that she was not sincere and added, “I’ll wait for you.”

Li Shunan was stunned for a moment. He lowered his eyes and met the girl’s clean eyes. He couldn’t help but laugh.

How could these words be so easily misled?

Chapter 284: I Only Have One Bed at Home

“Alright, wait for me.”

Li Shunan's lips curled up. He looked away and took two steps toward the room.

Suddenly, she thought of something and turned back. She walked to the cabinet where the snacks were kept and placed some chips and jelly on the coffee table. "If you're bored, watch a movie."

Jiang Lingzhi blinked her eyes. "Oh, okay."

Li Shunan got up and went into the bedroom. The door wasn't closed. After a while, he could hear the sound of running water coming from the bathroom.

Jiang Lingzhi was curled up on the sofa. She took the remote control and turned on the projector. She casually found a movie to watch.

The phone in his pocket suddenly rang.

Jiang Lingzhi's fingers paused for a moment, and she took out her phone to take a look.

It was a call from Lu Yuping.

Jiang Lingzhi's heart suddenly skipped a beat. She looked up at the time and realized that it was already nine o'clock at night. She had stayed outside for the whole day.

Unknowingly, it was already so late.

Jiang Lingzhi panicked for a second, but she quickly calmed down and made a mental draft in her heart.

Then, she answered the call and whispered, "Hello, Mom?"

Lu Yuping's voice came from the receiver. "Zhizhi, where did you go? I didn't see you when I got home. Are you at Ah Ci's house?"

Jiang Lingzhi hesitated for a long time before she slowly said, "Mom, I met Xiaoxue. I haven't seen her for a long time. Can I spend the night at her house tonight?"

After he finished speaking, his heart thumped wildly as he waited for the trial.

The other end of the phone fell silent.

Although she had grown up, it was time for her to have her own space.

However, Lu Yuping was still worried about staying out all night. After two seconds of silence, she said, "How can that do? Don't we have school tomorrow?"

As if she felt that her tone was a little too strong, Lu Yuping asked again, "Did something happen to Xiaoxue?"

Jiang Lingzhi came up with a random reason. "It's just that she's not in a good mood, so I want to accompany her."

Lu Yuping pondered for a while and suggested, "You can accompany her for a while, but I'm worried about spending the night outside. It's already nine o'clock. You have to go home at ten o'clock, understand?"

Although she had already guessed the outcome, Jiang Lingzhi was still a little depressed.

"Got it." She responded in a muffled voice.

Lu Yuping asked again, "It's so late. Do you want Mom to come and pick you

Jiang Lingzhi quickly said, "There's no need, Mom. I can go home by myself."

"Alright, Mom will wait for you at home."

After a few more reminders, Lu Yuping hung up the phone.

Jiang Lingzhi placed her phone by the side, and she was a little unhappy.

Only then did she notice that the sound of water in the room seemed to have stopped.

Jiang Lingzhi looked up and saw Li Shunan leaning against the door frame of the room. He was wearing a simple set of home clothes, and his eyes were bright and handsome.

The decadence from before seemed to have been swept away, and he returned to his lazy and sloppy appearance.

Li Shunan leaned against her lazily and stared at her with a focused and profound gaze. "What are you doing?"

The corners of Jiang Lingzhi's lips instantly drooped down. "Make the call."

She stuffed a potato chip into her mouth and muttered softly, "I didn't want to go home."

Li Shunan raised his eyebrows and walked over slowly. He sat down on the sofa next to her and said lazily, "What are you thinking about? I only have one bed

at home.."

Chapter 285: I Want to Hug You to Sleep

Jiang Lingzhi blinked her eyes and said softly, ""Then I want to hug you to sleep, can't I?"

Li Shunan's body suddenly stiffened. He obviously didn't expect her to say such a thing. He stared at her for a while and suddenly smiled."You're so assured of

Jiang Lingzhi did not think too much about it." I just wanted to hug you. When I saw you alone, I felt that you were very pitiful."

Li Shunan almost laughed out of anger.

He didn't know what she was thinking about all day long. He raised his hand and gently pinched her little ear.

"How is it pitiful?"

Jiang Ling did not know what to say.

She felt that he seemed very lonely living alone. If it was possible, she would accompany him.

However, this idea was already nipped in the bud.

Jiang Lingzhi stuffed another potato chip into her mouth and said in a muffled voice, ""I can stay for another hour."

Li Shunan leaned lazily against the sofa and stared at her side profile without saying a word.

Jiang Lingzhi turned her head and looked at him.""You, is there anything else you want to tell me?"

Li Shunan's fingertips paused for a moment, and he stared at her without blinking. His light brown eyes were especially deep.

Jiang Lingzhi retracted her gaze and bent down. She placed the potato chips on the coffee table and stood up. "Since there isn't, I will..

Just as she said this, the person who was originally leaning lazily on the sofa suddenly moved.

Li Shunan sat up straight and reached out to grab her wrist, pulling her into his arms.

Jiang Lingzhi did not expect him to do this at all. She lost her balance for a moment, followed his strength, and fell into his arms.

The tip of her nose brushed against the cotton fabric of his home clothes.

The refreshing smell of his shower gel, mixed with his unique cold scent, assaulted her senses.

Jiang Lingzhi's breathing stopped for a second, and she subconsciously wanted to retreat. ""You..."

When she wanted to get up, she did not have any support. Her palm subconsciously pressed against his chest. Through a thin layer of home clothes, his body temperature was a little high.

Because of his breathing, his chest was still heaving slightly.

Jiang Lingzhi felt that the temperature on her palm was a little hot, and she braced herself to stand up.

He raised his hand and placed his palm gently on her waist, preventing her from retreating.

Li Shunan raised his head slightly, his thin lips brushed past her ear, and his hot breath sprayed out. ""Didn't you say that you wanted to hug me?" Jiang Lingzhi was stunned, and her movements suddenly stopped.

Li Shunan wrapped an arm around her waist and buried his face in her neck. His breath was on her neck, and it was a little hot.

Jiang Ling did not dare to move. She just froze and let him hug her.

The sudden nervousness made her heart beat a little out of rhythm.

Thinking back to how she had just threatened to hug him to sleep, she was instantly terrified.

This slap was a little too fast.

Jiang Lingzhi mustered up her courage and slowly raised her hand. She gently touched his head and said softly, "If you want to cry, I won't laugh at you." Li Shunan was stunned for a moment before he couldn't help but laugh.

His face was buried in the crook of her neck, and his laughter spread out from his throat. It was so hot that it made her soul tremble.

Jiang Ling did not know what he was laughing about.

Li Shunan raised his hand and gently pulled open the collar of her sports coat.

His thin lips moved down slowly and pressed against her delicate collarbone. He took a light bite and his voice was a little hoarse.

"I want you to cry.."

Chapter 286: Frightened

His strength was neither light nor heavy. He lowered his head and gently bit her collarbone. His strong palm pressed against the back of her neck and pressed her into his arms.

It was as if he wanted to rub her into his body.

Jiang Lingzhi's mind went blank, and her fingertips subconsciously grabbed his clothes.

It was a very strange feeling.

For some reason, she felt a little uneasy, but because it was him, she chose to believe him without reservation.

Under the dim yellow light of the floor lamp.

The young man lowered his eyes, his skin even colder and paler. The black hair in front of his forehead naturally drooped down, half-dried.

The collar of her home clothes was a little big, and she pulled it to reveal a large part of her fair collarbone. It was sexy and seductive, and it made her look inexplicably lustful.

Li Shunan's breathing was a little rough. Heavy, his breath sprayed on the side of her neck.

As far as his eyes could see, her collar was slightly open, and her porcelain white skin was almost translucent.

He unconsciously increased his strength, and there was a slight pain in his collarbone.

Jiang Lingzhi's eyes were misty, and her body trembled subconsciously.

Li Shunan's movements became gentler as if he was trying to calm her down.

After a while, he pressed his forehead against her neck and slowly calmed his breathing. When he spoke again, his voice was hoarse. "It's true. You don't want to be human anymore."

Jiang Lingzhi's breathing stopped, and she sniffed. Her eyes were filled with mist. "Hmm?"

Li Shunan calmed down for a while and sighed. He straightened her collar with his well-defined fingers and said in a hoarse and lazy voice, "Send you home." Jiang Lingzhi stared at him blankly.

"I know you did it because of me, but don't lie to your family in the future." Li Shunan looked up at her, his voice low and slow.

"I promised that it wouldn't affect you."

"Because of you, I want to become better. I hope that I can also be the person who can bring you beauty, and not the person who drags you into the mud."

Li Shunan raised his hand and pressed his palm against the back of her head, planting a kiss on her forehead.

"We all want to become better versions of ourselves."

Li Shunan was leaning against the sofa, his light brown eyes staring at her like a sloppy young master. He raised his hand and helped her slide the zipper of her coat to the top.

"You really don't need me to send you?"

Jiang Lingzhi's eyes were still misty with confusion. She came back to her senses and said, "No need. Xiaoxue will be here soon." She had just received a call from Fu Baixue.

Yes, he had almost been exposed.

Lu Yuping called to ask. Fortunately, there was a tacit understanding between the sisters, and Fu Baixue covered for her.

Now, Fu Baixue was coming to find her.

Looking at the girl's stunned expression, Li Shunan gently rubbed the corner of her lips with his fingers and chuckled. "Are you scared?"

She realized that he was asking about what happened just now.

Jiang Lingzhi sniffled and shook her head. "No, I haven't."

Hearing this answer, Li Shunan raised his eyebrows and said in a drawl, "Tsk then your ability to accept is quite strong."

Jiang Lingzhi was speechless.

However, when she thought about how he had nibbled on her collarbone just now...The way she bit him made Jiang Lingzhi's ears feel a little hot.

Why was he so perverted?

He even bit people after drinking!

Jiang Lingzhi's face could not help but heat up again. She picked up her phone, stood up, and grabbed her long hair. "Then, I'll be leaving first."

Li Shunan bent one leg and stepped on the edge of the sofa. He leaned his head back slightly. The line of his neck was straight, and the outline of his Adam's apple was sexy and beautiful.

His peach blossom eyes curved slightly, bringing with them strands of bewitchment..

Chapter 287: How Dare You Lie

Just now, he was talking to her about a bunch of great principles, and now he was starting to flirt with her.

Jiang Lingzhi did not dare to look into his eyes. She picked up her phone and could not help but remind him, "Then you better not drink."

Li Shunan hummed softly and stared at her. He was in a good mood and said in a gentle and loving tone, "I'm not drinking anymore."

They had agreed to meet at the entrance of a convenience store.

When Jiang Lingzhi arrived, Fu Baixue had not come over yet.

After waiting for a while, she felt that it was a little silly to wait like this. She turned around and went into the convenience store to buy a bottle of yogurt.

After coming out, she sat on the steps and waited.

Thinking of everything that happened just now, Jiang Lingzhi's ears couldn't help but start to burn. She bit the straw and couldn't help but raise her hand to touch the place where her collarbone was.

What was wrong with him?

And he was even educating her so seriously.

After waiting for another five minutes, Fu Baixue rushed over.

“Little Lingzhi, have you been waiting for a long time?”

Fu Baixue was carrying a big black backpack, and her curly hair was tied casually behind her head. She looked lazy and charming.

She seemed to have run over and was still panting slightly.

He walked over and did not stand on ceremony at all. He directly took the yogurt in Jiang Lingzhi’s hand and drank it.

After drinking it all in one go, he commented with some disdain, “Why is it gone in one bite?”

Jiang Lingzhi was speechless.

Fu Baixue calmed her heart.” I’m so tired. I just came down from the stage. I didn’t even have time to rest before I rushed over.””

“Why are you in such a hurry?” Jiang Lingzhi asked. I didn’t urge you to suppress your words.”

“I’m anxious.” Fu Baixue threw the box in her hand into the trash can and got to the point.”Quick, give me, tell me, what’s going on?””

Jiang Lingzhi raised her hand and rubbed her nose. She stood up and said,””That’s, that’s all.”

Fu Baixue didn’t expect her to admit it without explaining herself. She raised her eyebrows.”Oh my, little kid, you’ve learned to be bad. You even dare to lie.”

Jiang Ling knew that she was in the wrong. She did not speak and walked forward without saying a word.

Fu Baixue looked at her guilty expression and found it funny. "You didn't even inform me in advance."

Jiang Lingzhi turned her face sideways to look at her and asked curiously, "What did you say?"

Night fell, and the streetlights on the street seemed a little quiet.

The two of them walked back unhurriedly.

Fu Baixue said slowly, "Your mother called me and asked me why I'm in a bad mood recently. I was confused by her call. ""

"I was just thinking that I've been in a good mood recently."

Her voice was filled with confusion.

Jiang Lingzhi was speechless.

Jiang Lingzhi pursed her lips and said softly, "Then I don't know. Will she really call you to ask?"

Fu Baixue was amused. "I knew you must have said something. I didn't dare to answer rashly, so I just pretended to be stupid." Then, she tactfully expressed that she still had to go to school tomorrow. Could she let her go home first today and accompany her next time?"

Fu Baixue was both angry and amused. She raised her hand and pinched her cheek. "What else can I say? I said okay, I'll send you back now."

Jiang Lingzhi heaved a sigh of relief and praised her. "Your impromptu reaction is really strong!"

Fu Baixue was in high spirits and said without any modesty, "Of course.."

Chapter 288: Too Smart

Jiang Lingzhi spared no effort in praising too smart. Look at your smart little head. I'm really lucky to be your sister!"

"That's why I came to ask you after I hung up the phone."

Fu Baixue wasn't fooled by her sweet words. She was still rational."Tell me, because of your deskmate?"

Jiang Lingzhi was speechless.

How did he become smarter today? He actually didn't manage to fool her.

Fu Baixue bumped her shoulder."You've learned to be bad. You actually want to stay out all night!"

Jiang Lingzhi was a little lacking in confidence."

"What's the reason?"

Jiang Lingzhi scratched her head." It's just that he's not in a good mood. I just want to accompany him.
""

"You still have such a virtuous side to you?"Fu Baixue tapped her head."How dare you! Aren't you afraid that something will happen?"

Jiang Lingzhi asked blankly, "What is it?!"

Fu Baixue was speechless.

Fu Baixue was so angry that she didn't want to talk anymore. "Forget it, I'll ask you when I get back!"

It was almost ten o'clock by the time he got home.

It was rare for Lu Yuping not to rest. She was sitting on the sofa in the living room. When she heard the sound of the door opening, she closed the magazine and walked over from the living room.

Jiang Lingzhi and Fu Baixue entered the house and changed into slippers at the entrance.

Lu Yuping walked over."

Fu Baixue raised her head and greeted him sweetly. "Hello, Auntie. I'm here to disturb you again."

When Lu Yuping heard that Jiang Lingzhi wanted to spend the night outside, she had some doubts.

Combined with her recent behavior, she even went to Ah Ci's house so late last night.

Some time ago, he heard the news that Susie had quit her boyfriend.

He could not help but have a bold guess in his heart.

Could it be that the two children are in a relationship?

However, seeing the two of them come back together, that trace of doubt was dispelled.

As expected, she was thinking too much.

Lu Yuping smiled and said, "What are you talking about? What's wrong recently?" I heard from Zhizhi that you're in a bad mood."

Fu Baixue glanced at Jiang Lingzhi, and her smile was a little meaningful. She casually said, "It's just that the college entrance examination is coming soon, and the pressure is too great."

"Just because of this?" Lu Yuping comforted him."

"Yeah, I'm afraid I won't be able to get into the university I want." Fu Baixue nodded."

Lu Yuping walked to the kitchen, poured two glasses of milk, and handed them to them. "I won't drink juice tonight. Have a glass of milk."

Fu Baixue took the milk. "Thank you, Auntie."

Lu Yuping was not in a hurry to leave and chatted with her. "By the way, which

university does Xiaoxue want to go to?"

Fu Baixue drank a mouthful of milk and tried to deal with it. "Nanjing University is a little difficult for me. I'll just get into a local second-tier university."

Lu Yuping smiled and nodded."

Jiang Lingzhi was on tenterhooks, afraid that they would talk about some sensitive topic.

She downed the milk in one gulp, put the glass on the table, and walked upstairs with Fu Baixue. "Mom, go to sleep. We're going back to our room."

Lu Yuping didn't ask any more questions. She turned off the switch in the living room. "Alright, you guys sleep early too."

He returned to his room.

Jiang Lingzhi closed the door behind her and finally heaved a sigh of relief. "My mother shouldn't have suspected anything, right?"

Fu Baixue walked over and threw her bag on the chair. "I don't think so." Jiang Lingzhi fell onto the bed, and she felt as if her soul was about to float away..

Chapter 289: Be More Restrained

Fu Baixue put the glass of milk on the table and walked to the bed. She grabbed her arm and helped her up. "Little Lingzhi, tell me the truth. How far have you progressed?"

Jiang Lingzhi sat on the edge of the bed. She was still in a daze. "Ah?"

Fu Baixue sat down opposite her and said earnestly, "Although your deskmate is really handsome, we still can't have a scumbag."

Jiang Lingzhi was speechless.

Jiang Lingzhi almost could not maintain the expression on her face. "How did you know he was a scumbag?"

Fu Baixue flipped her long hair and smiled. "Didn't he ask you to go out for the night?"

"I told you that a man like this can basically be judged as a scumbag!"

“In the beginning, I was good to you just to get your body. After I tricked you, I will immediately change my face.”

Jiang Lingzhi’s expression was a little difficult to describe in words.

Seeing that she didn’t say anything, Fu Baixue was even more certain of her guess.

“Moreover, he’s so handsome. Judging from his appearance, he’s indeed a playboy.”Fu Baixue analyzed seriously.

Jiang Lingzhi was speechless.

“Usually, after succeeding, they will be dumped in less than three days!”Fu Baixue tried to remind her,“”Jiang Lingzhi, you must wake up!” Jiang Lingzhi looked at her with a complicated expression.”” .. But...” “What do you want to say?” Fu Baixue asked.

Jiang Lingzhi found it a little difficult to speak, but in the end, she still said softly,“”I was the one who wanted to stay over.”

Fu Baixue was speechless.

Jiang Lingzhi felt that she still had to defend her deskmate.”Moreover, he has never kissed me. I was the one who took the initiative the few times...Come here.”

Fu Baixue was stunned for two seconds, almost doubting her ears.

In the end, I still underestimated you, right?

Fu Baixue held it in for a long time. She couldn’t help but look at her up and down before saying, “I couldn’t tell that you could be so passionate.”

"That's right." Fu Baixue almost choked and immediately changed her words. "We girls should be more reserved."

Fu Baixue lectured her in an experienced tone, "You can't be too enthusiastic. Otherwise, his interest in you will soon wear off." "Really?" Jiang Lingzhi asked humbly.

"Of course." Fu Baixue nodded.

"Be a little more aloof. Don't go to a boy's house for no reason and even spend the night at his house!"

Jiang Lingzhi touched her neck.

Thinking about it this way, it seemed a little unreserved.

Was she really too unrestrained?

But she didn't think too much about it at that time. Besides, Li Shunan was obviously not that kind of person.

The worst thing he had done was probably biting her neck.

Fu Baixue couldn't help but suspect, "But then again, he can still hold it in.

Does he really like you?"

"He hasn't kissed you yet?" Fu Baixue couldn't believe it.

"Hey, why do you sound like you're the one who's constantly throwing yourself at me?" Fu Baixue felt that it was hard to explain in a few words. She was just expressing her thoughts.

Jiang Lingzhi said hesitantly, "He should like it." "He said..

Jiang Lingzhi thought of the boy's appearance just now.

That pair of light brown eyes stared at her without blinking. He endured and restrained himself as he said those words.

Jiang Lingzhi thought about it, but she still repeated what the boy said to her just now..

Chapter 290: Too Warm

. We all have to become better versions of ourselves, he told me. "Jiang Lingzhi concluded.

"This is too..." Fu Baixue thought for a long time but couldn't come up with a suitable adjective.

"It's too warm."

Fu Baixue couldn't help but sigh. She then asked, "Didn't I hear that he's the school bully of your school? Moreover, the last time I saw him, he seemed to be very arrogant. I can't imagine it..."

"You can still say such warm words?"

Fu Baixue felt that she was indeed not a book by its cover. "Then tell me, why didn't he kiss you?"

Jiang Lingzhi frowned and thought for a moment. "He seems to be holding it in. "

This was the first time Fu Baixue heard such a conclusion. She asked curiously, "Endure what?"

“You’re holding back from kissing me, it seems...” Jiang Lingzhi thought about it and found a way to express it that was not too accurate.””Afraid that I would get hurt.”

Fu Baixue felt as if she had been forcefully fed by a bunch of dog food. She couldn’t help but click her tongue. “Alright, then your deskmate mate is indeed a good man.”

Jiang Lingzhi was speechless.

Jiang Lingzhi said unnaturally,””But he bit my neck. What kind of hobby do you think he has?”

Biting the neck?

Fu Baixue raised her eyebrows and pulled open her collar to take a look. There were a few hot spots on her collarbone. The red mark of ignorance.

Fu Baixue’s smile gradually turned wretched.” Tsk, tsk, tsk. I think I’ve already done enough by biting your neck.

Fu Baixue patted her shoulder.”

“Pray that your coming of age ceremony will come later.”

Fu Baixue also had to go to school tomorrow, so she did not stay over. After chatting with Jiang Lingzhi for a while, she left very quickly.

Jiang Lingzhi took a shower in the bathroom. She wore a nightgown and stood in front of the mirror in the bathroom to take a look. There were a few dark red patches on his collarbone.

It was the mark he had left behind earlier.

When he approached her just now, she couldn’t help but tremble.

The trembling feeling that came from the depths of her soul tore at her rationality.

Jiang Lingzhi closed her eyes and took a deep breath.

It was over.

She was poisoned.

She was poisoned by a poison called Li Shunan.

It couldn't be undone.

The next day.

Jiang Lingzhi arrived at school at seven in the morning.

There was no teacher in their morning reading class. It was all supervised by the class committee.

Occasionally, there would be English listening, and everyone would read along.

After the morning self-study class, none of his deskmates came. A class representative came over to collect the homework. ”

Jiang Lingzhi took out the test paper from her bag and handed it over.

No one dared to say anything about the boss's homework. They jumped over an empty table.

Jiang Lingzhi glanced at the empty seat beside her.

Did you drink too much yesterday and can't wake up today?

She was a little distracted.

But Li Shunan didn't come to the morning reading class occasionally.

After the first class in the morning, her deskmate still did not come.

She took out her phone from her bag and sent a message.

The class bell rang, and Jiang Lingzhi put her phone back into the hole in the desk.

Soon, the morning passed, but her deskmate still didn't come, and her phone didn't respond.

It wasn't easy for her to make it to her lunch break.

Jiang Ling knew that she did not want to wait any longer, so she made a call.

The ringtone rang for a long time until it was about to cut off automatically before it was picked up.

"Hmm?"

The young man had only uttered one syllable, but one could still hear the heavy nasal tone..
