

Little Girl 291

Chapter 291: Caught a Cold

Jiang Lingzhi sensed that something was wrong. "Are you still sleeping?" Why is your voice so hoarse?"

Li Shunan seemed to still be in a daze and was not very awake. "Yeah, my throat hurts a little."

Jiang Lingzhi could not sit still anymore. "Did you catch a cold?"

The recent change of seasons meant that the temperature difference between day and night was large. It was the peak period of the flu.

"It's a small matter."

His tone was too indifferent, as if he did not care at all.

Jiang Lingzhi's tone was also unconsciously filled with dissatisfaction. "Aren't you going to the hospital?"

Li Shunan chuckled and said in a hoarse voice, "It's just a small cold. There's no need to go to the hospital."

"Then, can you recover by yourself at home?" Jiang Lingzhi walked straight out of the classroom. Her tone was a little serious as she said, "Stay here and don't move. I'll come and find you now."

Li Shunan was silent for a moment, then he said slowly with a faint smile, "Alright, I'll wait for you to find me."

They took the bus to the Laocheng District.

After Jiang Lingzhi got out of the car, she went straight to his house.

He opened the door with the key.

The living room was the same as when she left yesterday. It was a mess. Before she could tidy it up, beer cans were scattered all over the floor.

The entire living room was filled with the strong smell of alcohol.

Jiang Lingzhi pushed the door open and walked into Li Shunan's bedroom.

The curtains in the bedroom were drawn, and the lights were not turned on, so the light was a little dim.

Jiang Lingzhi walked over and called his name softly. "Ah Shu?"

The person on the bed did not move at all.

Jiang Lingzhi bent down and placed her hand on the bed as she leaned over to take a look.

The back of his hand was on his forehead, his eyes were closed, and his feather-like eyelashes were drooping. He seemed to have fallen asleep again. His phone was placed beside the pillow, and his cheeks were unnaturally red.

Jiang Lingzhi stretched out her small hand and felt the temperature on his forehead.

The temperature was frighteningly high.

Jiang Lingzhi gently patted his cheek. "Ah Shu, Li Shunan."

Li Shunan frowned slightly. His consciousness was a little blurry, his throat was sore, and his lips were dry.

The girl's gentle voice rang in his ears.

For a moment, he couldn't tell if it was a dream or reality.

Last night, she had been calling him in such a soft voice.

Her sobbing voice tortured him for the entire night.

"Do you want some water?" Jiang Lingzhi asked him softly.

Li Shunan's peach blossom eyes were slightly closed, and his Adam's apple slowly moved. He raised his hand and grabbed her wrist. He exerted force with his palm and pulled her over.

Jiang Lingzhi was caught off guard and fell towards him. Her wrist was pressed against his chest, and she could not move at all.

She looked up and her gaze met his Adam's apple.

Jiang Lingzhi subconsciously wanted to step back, but in the next second, she paused. "You're sick. Let's go to the hospital."

Li Shunan's hot breath was very close to her, enveloping her face.

He inched closer and closer, his breath hitting the back of her ear bit by bit.

It was light and hot, but it was impossible to ignore.

It slowly slid past, bringing with it a fine electric current.

Jiang Lingzhi looked up and met his eyes.

He had even forgotten about his current situation.

“How long do you want to torture me?” His voice was a little hoarse and mixed with a slight nasal voice, which inexplicably sounded low.

The girl was wearing a school uniform. Her collar was pulled down slightly, revealing half of her shoulders and her exquisite collarbone.

Her skin was so fair that the red marks were even more obvious. Li Shunan’s eyes darkened.

He raised his hand and caressed her collarbone gently. Rub..

Chapter 292: You Smells So Good

Jiang Lingzhi couldn’t hear what he said clearly. She could only feel his hot fingertips pressing on her collarbone, and he increased the strength of his fingers.

His voice was hoarse and a little unclear.

Jiang Lingzhi subconsciously moved her ear closer, wanting to hear what he said.”What are you talking about?” The girl approached him again.

Her fragrance filled his entire world.

Li Shunan couldn't take it anymore. He raised his hand and pressed her head against his chest to stop her from moving. His thin lips slowly moved down to her ear."I said..

Jiang Lingzhi subconsciously held her breath and listened to his voice.

His voice was magnetic and hoarse, and his breathing was hot. "You smell so good."

Jiang Lingzhi's body froze. After she reacted, she subconsciously wanted to step back."Are you confused from the fever?"

Her wrist was still held in his palm, and the burning sensation was too strong to be ignored.

Jiang Ling knew that she had nowhere to retreat.

Li Shunan suddenly turned over and was pinned down by the thin layer of summer.

The light brown peach blossom eyes gradually deepened, and the usually gentle color was dyed with a little dominance.

He was staring at her with his head lowered.

Jiang Lingzhi blinked her eyes. Her back was against the soft mattress, and the scent of his body was all over her face.

She didn't understand how things had suddenly turned out like this.

She looked at the face in front of her, the well-defined facial lines, the narrow peach blossom eyes, with traces of bewitchment.

She even forgot to struggle.

Li Shunan buried his head in the crook of her neck and let out a low laugh from his chest. It was magnetic and deep, and it made people's ears go numb.

"You pestered me a few times last night. Isn't that enough?"

Jiang Lingzhi was speechless.

Jiang Lingzhi's body stiffened, and she felt that the string in her mind was gently tugged.

What did he mean by that?

Did he dream of her several times last night?

Jiang Lingzhi's breathing stopped, and her cheeks started to heat up again.

What was this person doing?

so...

Indecent!

Jiang Lingzhi gently pressed against his chest and calmed her heartbeat." "You have a fever. Let's go to the hospital."

Li Shunnan lowered his gaze and gazed into her eyes, dragging a lazy tone, inexplicably bringing a hint of obscure hints: "There's no need to go to the hospital. You can lower my temperature."

His gaze slowly moved down and landed on her red lips. He raised his hand and caressed her red lips gently with his fingertips.

The temperature of his fingers was a little high. He pressed her red lips, and the rough touch gently brushed against her, and the itch gradually spread to her heart.

For some reason, even a simple action was a little lustful. Qi.

Jiang Ling knew that her ears were burning up. She pressed her palm against his chest and pushed him to the side. "Can't you be fine!"

Li Shunan was already running a fever, and he lost his strength. He was pushed by her and lay on the big bed next to her. A low, muffled laugh came from his throat.

"I'm not dreaming."

In fact, he had already realized that he was not in a dream.

The her in the dream mirror was not so vivid.

However, he almost couldn't control his real thoughts. He wanted to use the dream to do something to her.

"..Jiang Lingzhi raised her hand and rubbed her red lips hard." "What are you playing at? Hooligan!"

Li Shunan turned his eyes and put his arm behind his head. His peach blossom eyes curved slightly and he couldn't help but chuckle. "I thought I was dreaming.."

Chapter 293: Almost Combusting

Jiang Lingzhi was so angry that she did not have any temper. She kicked him with the tip of her foot. "Let's go to the hospital for an injection. You're about to spontaneously combust."

Li Shunan lay on the bed and stared at her. His eyes were especially passionate and he looked at her openly.

Jiang Lingzhi felt uncomfortable under his gaze. She said angrily, ""Are you up or not? If you don't, I'll go back to school."

He was just quite angry.

This person was already so sick, but he didn't care at all.

She didn't even know how to feel sorry for herself.

Li Shunan chuckled and stopped teasing her. He sat up from the bed. "Alright, let's get it up."

His voice was still a little hoarse and nasal.

His tall and slender figure got out of bed and strolled to the wardrobe to get his clothes.

Jiang Lingzhi did not stay in his room for long. She went out of the room and waited for him in the living room.

While he was changing his clothes, Jiang Lingzhi called Hao Weiwu in the living room and asked for half a day off in the afternoon.

Perhaps it was because he was a good student, but Hao Weiwu did not question her at all. He did not even ask for the reason. He took it for granted that she was sick and gave her leave.

Hao Weiwu: " It's the peak season for the flu. You have to be more careful. Rest well at home and come back to school when you're better. ""

Li Shunan fell silent.

His silent reaction seemed to be a tacit agreement to her.

Jiang Lingzhi's eyes curved as if she had thought of something fun. "Are you really afraid of injections?"

Li Shunan raised his hand and rubbed her head. He pursed his lips. "It's not that I'm afraid. It's just that if I go to the hospital alone, I'll feel very lonely. That feeling will be magnified."

A person's mood would be affected by the environment when he was in the hospital for an injection. He would really feel very lonely.

That kind of feeling seemed to be quite uncomfortable.

Jiang Lingzhi cleared her throat and pointed at herself. "You're not alone. Don't you still have me?"

Li Shunan looked down at her.

Jiang Lingzhi took a step forward and approached him. She stared at him with her deer-like clear eyes and said confidently, "I'll be with you in the future.."

Chapter 294: Coaxed Again

Li Shunan's heart softened inexplicably. He reached out and pulled her into his arms. His jaw line was gently pressed against her hair as he chuckled softly.

"Tsk, I've been coaxed again."

There was a clinic near the old alley.

It was just a common cold. There was no need to go to a big hospital. He might as well go to that clinic to get an IV drip.

It was the season change, the peak period of the flu.

The clinic was also overcrowded.

The small beds inside were all occupied, and only the chairs in the hall outside could be sat on.

They went to the doctor to check on the symptoms and did a blood test. Then, the two of them went to the hall and sat down, waiting for the drip.

Once a person was sick, it was easy to lose energy.

Li Shunan leaned against the back of the chair. His thin lips were a little pale, and he did look listless. His long legs were stretched casually, lazy and undisciplined.

He was wearing a black hoodie and a loose denim jacket. He leaned back in the chair, his neck straightened, and the outline of his Adam's apple was obvious. He looked very young.

Jiang Lingzhi could not help but turn her face sideways and stare at him a few times.

Li Shunan glanced at her and said lazily, "Tsk, why are you peeking at me again?"

After Jiang Lingzhi was caught, she stared at him blatantly. Her gaze fell on his clothes. "This dress looks good."

"Only the clothes are nice?" Li Shunan laughed. "Jiang Lingzhi was a little speechless for a moment."

“Isn’t the boyfriend the prettier one?”

Li Shunan curled his lips and leaned back with a faint smile. “Do you like me wearing this?”

Jiang Lingzhi could not take it anymore. She retracted her gaze and said dryly, “It’s alright.”

In fact, he seemed to look good in any outfit.

But she couldn’t tell him, or he would be narcissistic.

The head nurse had already prepared the medicine. She pushed the trolley over and glanced at the person sitting in the hall.

“Li Shunan?”

Jiang Lingzhi quickly answered for him, “Here.”

The head nurse glanced at her and confirmed her name. “Is that you?”

Jiang Lingzhi quickly pointed at the person beside her. “It’s him.”

The head nurse nodded and looked over. When she saw the side profile, she was stunned.

Then, he could not help but size up the two of them a few times.

She had been working here for more than ten years and had seen all kinds of people. She had seen many good-looking people.

However, these two children were too good-looking and did not fit in with the environment here.

Sitting here, it was a perfect eye-catching spot.

No wonder there were a few young nurses pointing and gossiping about them with excited expressions. They were probably talking about them.

The head nurse quickly retracted her gaze, hung up the medicine bottle, and took out the needle. "Which hand?"

Li Shunan looked up and said lightly, "Left hand."

After the head nurse finished her preparations, she took off the cap on the needle and threw it into the trash can.

Jiang Lingzhi felt a little nervous when she saw the needle. She said sweetly, "Nurse, be gentle. He's afraid of pain."

Li Shunan raised his eyebrows and turned to look at her with a meaningful look.

When the head nurse heard what she said, she glanced at the boy and seemed to think that the contrast was a little cute. She paused for a moment and didn't know whether to laugh or cry. "I will be careful."

The boy's hands were very beautiful. His joints were distinct, his fingers were slender, and the veins on the back of his hand were clear. He was exceptionally sexy and beautiful..

Chapter 295: Huff Huff

The needle pierced through the skin and slowly pushed in.

Jiang Lingzhi raised her hand and blocked his eyes. She did not dare to look at him. She was so nervous that it was as if she was pricking herself with needles.

The head nurse was very experienced as she fixed the needle properly and adjusted the speed. She said, "Don't move around. Be careful of the needle."

Jiang Lingzhi then put her hand down and thanked her politely, "'Thank you,

Sister Nurse."

The head nurse smiled and said, "I'm fine." She gave a few more instructions and quickly left with the trolley.

Jiang Lingzhi stared at the back of his hand for a while before she asked him softly, "'Does it hurt?"

Li Shunan chuckled and stared at her, raising the back of his hand to her. "It seems to hurt a little. Why don't you blow for me?"

Jiang Lingzhi was speechless.

She was just asking casually.

He didn't really want to do anything.

Jiang Lingzhi looked around. There were quite a lot of people here.

It was rather embarrassing.

Jiang Lingzhi cleared her throat and said righteously, "'A real man, what are you afraid of? Be strong, Student Li."

Li Shunan couldn't help but laugh out loud. He leaned back in his chair and placed his hand on the armrest. "Okay, I'm strong."

There was a big TV in front of them, and it was showing cartoons.

There were many children on IV drips in the hall, and the sound of crying could be heard everywhere.

Li Shunan had his eyes closed. He was not in a good mood, so he was taking a nap with his eyes half-closed. The environment was a little noisy, and he frowned slightly.

Jiang Lingzhi could not help but look at him a few times.

She felt that her actions just now seemed to be a little too heartless. She raised her hand and tugged at his sleeve. "Anyway, you can't sleep well here. Why don't we chat?"

Li Shunan opened his eyes and looked straight at her face. He raised his

eyebrows and said in a casual tone, "Hmm? What do you want to talk to me about?"

Jiang Lingzhi purely wanted him to not be so bored, so she casually found a

topic to talk about. "Look, your body is not as good as mine."

Li Shunan was speechless.

Jiang Lingzhi sighed. "Although many people have caught a cold recently, look at me. I don't even catch a cold. Your muscles are all fake, right?"

Li Shunan chuckled and leaned back lazily, his eyes meaningful. "You don't know how I caught a cold?"

Jiang Lingzhi blinked her eyes.”

Li Shunan’s Adam’s apple bobbed slightly and he moved closer to her. His nasal voice rang in her ear as if he was whispering to her.”She became like this after taking a few cold showers.” Jiang Lingzhi was speechless.

“Are you sick?”

Li Shunan raised his eyebrows and smiled.”

Jiang Lingzhi found it unbelievable.” It’s very cold at night now. Why do you insist on taking a cold shower?” Is your brain still normal?” What kind of weird hobby was this?

Could it be that she had an appointment with a silly boyfriend?

Li Shunan raised his chin slightly, his chest trembling slightly, and his magnetic laughter echoed.

“I’ll have to ask you.”

“You’re asking me? What does this have to do with me?”

So, no matter what happened, he could always drag her into it, right?

Li Shunan moved closer to her ear and said slowly,“”Why did you run into my dreams?”

Jiang Lingzhi was speechless.

Li Shunan lowered his eyes and his gaze fell on her small white ears. He said slowly in a magnetic and hoarse voice,“”Don’t you know that at this age.... Are you impulsive?”

Chapter 296: The Whole Person Is Yours

Jiang Lingzhi was stunned for a few seconds before she reacted. She pushed him away in exasperation. "Can you..."

At this point, she paused, as if she was thinking about how to phrase it.

Li Shunan lifted his eyelids and looked at her calmly.

Jiang Lingzhi threw out four words, "Don't be so coquettish!"

Hearing this, Li Shunan was stunned for a moment. Then he bent his fingers and pressed them against the bridge of his nose. He couldn't help but laugh out loud.

His girlfriend was too cute.

How could she be so cute?

He finally stopped laughing and licked the corner of his lips. He said unhurriedly, "You've seduced me so much, yet you're not allowing me to dream?"

Jiang Lingzhi was speechless.

"I can't have a dream, so I should comfort myself."

Could he accept it? Point! Face!

Jiang Lingzhi's ears turned red, and she could not help but reply, "You'd better not talk."

“Didn’t you want to chat with me?” Li Shunan raised his eyebrows.”

“..”“I regret it now!” Jiang Lingzhi said.

“Tsk, ”

Li Shunan responded lazily and said slowly,““As long as you don’t regret being my girlfriend.”

Jiang Lingzhi was stunned for a moment. She could not help but look at him. “What if I regret it too?”

Li Shunan turned his eyes to meet her eyes. He gently pinched her hand with his other hand and caressed her wrist with his fingertips.”It’s useless to regret. The goods are sold and cannot be returned. You have to be responsible for me.”

Jiang Lingzhi was speechless.

There were a total of four big bags of medicine.

She did not dare to drip too quickly, afraid that he would feel uncomfortable.

By the time he finished the third bag, it was already 4:30 in the afternoon. It was lunchtime now, and the patients who were sitting in the hall with their water tubes were accompanied by their family members. They bought lunch boxes and came over to eat.

The aroma of the food wafted through the hall.

Jiang Lingzhi yawned, and her eyelashes were wet. After watching cartoons for a while, she was a little hungry. She turned her face over and asked him,““Deskmate, are you hungry?”

It was impossible for Li Shunan to fall asleep in such an environment.

He lowered his eyes, his hoodie was on his head, and the hair on his forehead naturally fell, revealing his fair and straight nose bridge.

He was playing a game with one hand on his phone. When he heard her voice, he turned his eyes and leaned in her direction. He stared into her eyes and said, "What do you want to eat? I'll order takeout."

Jiang Lingzhi finally knew why he was wearing this outfit.

Because people were coming and going, this hat could cover his face and block a lot of attention.

What foresight.

Jiang Lingzhi sat up straight and looked outside the clinic. "There are quite a few small restaurants nearby. I'll go buy some."

Li Shunan raised his eyebrows. "Alright. Do you have money?!"

Jiang Lingzhi was very direct. "No."

She only brought an old man's phone and a bunch of metal toys to school.

He didn't even bring a steel jump.

Li Shunan put his phone aside and took out his wallet from his pocket. He held the wallet with his slender fingers and handed it to her naturally. "Buy whatever you want to eat."

Jiang Lingzhi thought that he would at most take a few hundred yuan out of it to give to her.

In the end, he handed over his entire wallet.

Jiang Lingzhi was stunned for a moment before she reached out to take his wallet. She muttered softly, “Eh, are you really so assured to give me all your assets?”

Li Shunan leaned his head back, his peach blossom eyes slightly closed. His posture was lazy and unruly as he stared at her with a faint smile. “If you like it,

I’m all yours..”

Chapter 297: Which Part Is Small

When she heard this, the corners of Jiang Ling’s lips could not help but curl up.

He realized that her smile was a little too obvious.

She raised her hand again and pressed the corners of her lips straight. “Then you have a cold, so you can’t eat anything too heavy. I’ll buy you some porridge. What flavor do you want to eat? Sweet or salty?”

Li Shunan chuckled.”

Jiang Lingzhi nodded her head and told him what the nurse said just now. ““Then I’ll leave. Don’t move around. Be careful not to miss the needle.”

‘Yes.”

There were many residential buildings and small restaurants nearby.

Jiang Lingzhi picked a congee shop that she liked. After sitting there and eating something, she packed a portion of vegetable congee.

On her way back, she passed by a milk tea shop and bought another cup of milk tea.

It was already afternoon, and many people had already left after they had finished hanging up.

There were fewer people in the infusion hall, and there were no new patients. The nurses were also empty.

At the entrance of the small clinic, two young nurses were whispering to each other with red faces.

“That guy over there, sitting in the first row, is so handsome.” “I noticed it when I first arrived. He’s really super handsome.”

“I wanted to ask for his number, but he seems to have a girlfriend already.” “There was a girl sitting next to him just now. She’s also super beautiful.” “That girl looks so young. Do you think she’s a younger sister?” “That girl should be a high school student. She’s still wearing her school uniform.”

“Then I think they might be siblings.”

The two young nurses were a little excited. Their voices were not soft, and they were just loud enough for the people beside them to hear.

Jiang Lingzhi held the milk tea in her hand, and she was still biting on the straw in her mouth. When she walked in from the door with her things, she happened to hear this conversation.

Actually, they didn’t have any ill intentions.

It was just a simple discussion.

However, Jiang Lingzhi was still a little unhappy.

How was she small?

How was she like a sister?

Jiang Lingzhi stopped in her tracks, and her gaze fell on Li Shunan, who was not far away.

The young man was tall and had long legs. Sitting in the seat, he seemed a little cramped. His long legs stretched casually.

He was wearing a sweater and a denim jacket, and his hat was on his head. From this angle, one could see his black hair falling down and his high nose bridge.

He leaned lazily against the back of the chair with his eyes lowered. His fair fingers were holding his phone, and his posture was lazy and relaxed.

He was just sitting there, but he could inadvertently stir people's hearts.

Jiang Lingzhi lowered her head to look at the school uniform on her body again, and she felt a little stifled for some reason.

She took a deep breath, walked over with her things, and sat down in her original seat.

Noticing that someone was sitting next to him, Li Shunan looked up and said in his usual casual tone, "You're back. Have you eaten?"

"I ate it."

Jiang Lingzhi took a sip of milk tea, and her voice was a little muffled.

Her tone was a little stiff and not as soft as usual.

Li Shunan looked up and stared at her for a while.

The girl's expression was so lively and cute that people could often see through her emotions at a glance.

Li Shunan narrowed his peach blossom eyes and chuckled. "Why are you unhappy?"

Jiang Lingzhi took another sip of milk tea and chewed the pearls inside. She turned her head and asked him, "Do I look very young?"

Li Shunan licked his lips. He didn't know why she suddenly asked this question, so he put away his phone. "You're already small." 16 years old, how could he not be young?

Jiang Lingzhi was speechless..

Chapter 298: I'll Feed You

"Then do I look like you and I are siblings?" Jiang Lingzhi wrinkled her nose, and her expression became even more serious.

Li Shunan raised his eyebrows."

Jiang Lingzhi took a deep breath. She did not want to listen to his explanation anymore. "Alright, then let's be siblings today." Li Shunan was speechless.

Coincidentally, he had finished the bag of medicine.

Jiang Lingzhi glanced at the empty bag of medicine, sat up straight, and said to the young nurse on the other side, “Nurse, can you please change the medicine?”

The nurses at the door reacted, and the joy on their faces could not be suppressed. One of them immediately walked over and said, “Alright.”

The moment the nurse walked over, Jiang Lingzhi’s soft voice said, “Brother, take your porridge. I bought it especially for you. It’s vegetable porridge.”

Li Shunan was speechless.

The way she called him brother was really sweet.

Without any warning, it caught people off guard.

The young nurse slowed down her dressing and her eyes lit up. She didn’t dare to look at Li Shunan.

After changing the medicine, she walked over excitedly. She suppressed her voice and shared it with her good friend.

“They’re really siblings!”

She was so excited that she couldn’t control her voice. “I just heard that little girl call that boy brother!”

“I told you, I told you!” The other nurse was also very excited.

“Shall we get a phone number later?”

Their voices were a little loud, and they could hear their voices slightly softer as they sat there.

He roughly understood what had happened.

Li Shunan was silent for a while. He stared at the girl's side profile and felt that it was a little unreal. "I didn't do anything. Don't you think I'm being wronged?"

Jiang Lingzhi calmly drank her milk tea and stared at the television in front of her. She muttered all your fault."

Li Shunan was helpless and amused. He nodded indulgently. "Alright, it's all my fault."

Jiang Lingzhi was speechless.

He admitted his mistake too quickly without any hesitation.

How was she supposed to continue developing?

Jiang Lingzhi choked and could not help but look at him. ""Can you not go along with everything I say? It makes me seem especially unreasonable."

Li Shunan licked the corner of his lips and laughed. "It's good that you're aware of this."

Jiang Lingzhi stared straight at him, and her gaze was faint. ""Student Li, watch your words. There are still a lot of people waiting in line. Be careful or I'll remove your identity as your future boyfriend."

Li Shunan obviously didn't expect this thing to be eliminated.

The next second, he raised his hand and rubbed her head. He said lazily, "I like it when you're being unreasonable."

He changed his words so quickly that it was impossible to guard against it.

Jiang Lingzhi glared at him for two seconds, and in the end, she could not help but laugh out loud.

He almost couldn't stop laughing.

"Is it that funny?" Li Shunan asked helplessly.

Jiang Lingzhi laughed for a while before she stopped laughing. She sat up straight, and her eyes were dark and bright. She didn't argue with him anymore. She placed the milk tea on the armrest beside her and opened the lid of the package.

She cleared her throat." You've caught a cold. You can't eat too much, so I bought you some vegetable porridge.

Jiang Lingzhi lowered her eyes and looked at the back of his hand that was still pricked with needles. It seemed like it was not very convenient for him to eat.

She hesitated for a moment."

Without waiting for him to agree or disagree, Jiang Lingzhi scooped it up with a spoon, exhaled gently, and reached it to his mouth.

Chapter 299: Brother, Open Your Mouth

After she exhaled, she used a spoon to feed him.

She even softly said,"Ah." He shouted.

It was as if she was feeding a child at home.

Li Shunan's gaze fell on her lips, and his eyes darkened. He couldn't help but laugh. "Do you think I'm a child?"

"Hmm? Don't you like being a child?" Jiang Lingzhi thought about it.

Alright then.

Jiang Lingzhi moved closer to him.

As soon as she said this, she could clearly feel the boy's body stiffen.

Li Shunan was speechless.

The young girl moved closer to him.

She stared at him with her dark eyes. Her eyes were round and black, and the folds of her double eyelids were deep. She looked innocent and childlike. At this moment, she was speaking in her sweet and soft voice.

Say, brother, open your mouth.

Li Shunan's Adam's apple moved slowly. F * Ck.

Who the f * Ck could withstand this?

It was almost 5:30 p. m. by the time she finished the IV drip.

The doctor also prescribed some medicine for her to take at home. The effect would be better.

Jiang Lingzhi called the nurse to remove the needle. She took the doctor's list and walked to the counter to get the medicine.

Before leaving the clinic.

Jiang Ling did not know why her playful heart had risen again. Her fingers hooked onto the plastic bag that contained the medicine, and she deliberately raised her voice. "Brother, remember to take your medicine when you get home. Otherwise, how can you get better?"

Li Shunan was speechless.

Jiang Lingzhi seemed to think that it was very fun. She bounced around beside him, and her eyes were curved as she walked backwards.

Before the two of them went out, a white figure suddenly walked up to them.

The nurse blushed and couldn't help but walk over. "Um, can I have your phone number?"

Jiang Lingzhi was speechless.

Li Shunan was speechless.

Jiang Lingzhi was stunned for a second.

When she realized what was going on, she almost lost her composure. She really wanted to slap herself.

Call, you, mouth, owe.

Li Shunan turned his eyes to look at Jiang Lingzhi. He was angry and amused.

He retracted his gaze and said in an indifferent and distant voice, "Sorry, I can't give you my phone number. If my girlfriend gets angry, I'll lose my life."

He stretched out his long arm and hooked it around Jiang Lingzhi's neck. He pulled her in front of him, bent his head slightly, and whispered into her ear, "Right, girlfriend?"

Jiang Lingzhi was speechless.

The nurse was speechless.

After saying that, he did not give anyone time to react. He hooked his arm around the girl's neck and brought her out.

The two of them left the clinic.

One was tall and the other was petite. They looked exceptionally compatible from the back.

Only then did the nurse come back to her senses.

So, they weren't siblings?

Did young couples nowadays have new hobbies?

Did they call each other brother and sister outside?

How interesting.

After coming out of the clinic, Jiang Lingzhi was still in a daze for a long time.

She didn't expect him to suddenly do this.

Jiang Ling knew that she came out at the last minute in the afternoon. She did not know that she would be outside for the entire afternoon, so she did not even bring her school bag.

They took advantage of the fact that the school gate was still open and went back to school.

After taking their school bags from the classroom, they took the bus back to the Laocheng District.

When they reached the fork in the road, Jiang Lingzhi put her bag on her back and prepared to part ways with him. "Go back and rest. I'm leaving."

Just as she was about to turn around, Li Shunan raised his hand, grabbed her wrist, and pinned her against the wall. "Say it again.."

Chapter 300: Call Me Again

His actions were a little sudden, and Jiang Lingzhi did not have time to react. In the next second, she leaned forward and pressed someone against her.

"Say it again."

Jiang Lingzhi looked up.

Li Shunan had one arm against the wall. He lowered his head slightly and stared into her eyes. "What did you call me just now?"

Jiang Lingzhi blinked her eyes and thought of what she shouted at the clinic just now...

She had only called out for fun just now, but now that they were in such a serious environment, how could she call out?

Jiang Lingzhi thought hard for a while and did not know how to dodge it. She simply pretended to be dumb. "What did you just say? I don't remember." The girl avoided his gaze, not daring to look into his eyes.

Li Shunan raised his eyebrows slightly, and the corners of his lips curled up. His smile was a little malicious. "Then let me remind you?"

Jiang Lingzhi did not expect him to be so persistent. "Ah?"

Li Shunan lowered his voice slightly and said in a bewitching tone, "You called me hubby just now."

Jiang Lingzhi was speechless.

The way he addressed her was clearly different from what she had imagined.

Jiang Lingzhi did not react in time, and she was stunned for two seconds.

She even suspected that there was a deviation in her memory. She really tried to recall if she had called him that just now.

After she regained her senses, Jiang Lingzhi felt that her intelligence had been insulted. She immediately looked into his eyes. "What dream did you have?"

She was sure that she had not called him, so it could only be that something was wrong with him.

"Did you burn your ears with a fever?!"

Li Shunan smiled and asked, "Isn't it?"

“Of course not!” Jiang Lingzhi subconsciously blurted out, “I clearly said..

Li Shunan licked his lips and stared at her calmly.

Jiang Lingzhi’s mind flashed, and she suddenly realized that something was wrong. The words that were on the tip of her tongue stopped.

Li Shunan hummed in response and whispered in her ear, “What is it?”

Jiang Lingzhi looked up and met his eyes. She said word by word, “I clearly called you Student Li.”

Li Shunan licked his upper jaw, and the corners of his lips curved up. He licked his tongue softly.

The little kid’s brain worked quite quickly.

He didn’t fall for it.

Li Shunan slightly bent his head, his long and narrow peach blossom eyes filled with a faint smile. “Ah, did I hear wrongly?”

“Yes, you should go and have your ears checked.”

Jiang Lingzhi looked away and wisely changed the topic. “Are you going to school tomorrow? Do you want to rest for another day?”

His cold was quite serious. Hao Weiwu would probably approve his leave if he rested for a few more days.

Li Shunan chuckled, raised his hand, and pinched her little ear. "It's not a big deal. You can go to school tomorrow."

Jiang Lingzhi replied softly, "Oh."

Since he had said so himself, she naturally had no objections.

Li Shunan didn't tease her anymore. He stood up straight and helped her straighten her bag. "Go ahead. Give me a call when you get home. Send me a message."

Jiang Lingzhi nodded."

Jiang Lingzhi carried her bag, but she did not move.

Li Shunan waited for a while and asked calmly, "What's wrong?"

Jiang Lingzhi lowered her eyes and stared at her toes. She suddenly said, "Then

I'll scream. You'll have to get an injection tomorrow."

It was an extremely sudden sentence without any beginning or end..
