

Little Girl 31

Chapter 31: His Name

Brother Mighty turned and went out holding his textbooks.

With the sounds of the chair moving, Li Shunan stood up. Fatigue was still written all over his face, and his hands were in his trouser pockets as his thin and tall figure left through the back door unhurriedly.

Enthusiastic discussions immediately broke out in the entire classroom. Especially since there were still a portion of people who didn't know about him and was asking around about the deeds of this new transfer student.

The next class was English. Jiang Lingzhi put the books on her table away and took out the English books to prepare for the lesson.

Wen Yujing circled around almost the entire classroom and rushed over to Jiang Lingzhi, looking extremely excited. "Oh my God! Lingling, what's the situation between you two?!"

She had held back for an entire lesson, and she was almost dying from the discomfort of doing so!

Jiang Lingzhi opened her beautiful eyes wide and looked at her innocently. "What what's the situation?"

"What what what's the situation..." Wen Yujing paused. "Stop your tongue twisters, do you know the person just now?"

Know? They could probably be considered acquainted. But she didn't even know his name.

Jiang Lingzhi thought for a while, nodded, then thought about it again and shook her head.

Wen Yujing was dying from curiosity. "... What do you mean by this? Do you know Li Shunan or not?"

“Li Shunan?” Jiang Lingzhi chanted the name softly, her hands that were taking out the books paused slightly, and asked, “Is that his name?”

Wen Yujing was speechless.

“You don’t even know his name, so does this mean you don’t know him? Then, why did he take your book just now?”

The scene just now could give people so much room for imagination!

Wasn’t that a scene that would only appear in idol dramas?!

“You don’t know each other?” Wen Yujing muttered to herself, and she appeared a little depressed. “I actually thought the two of you were in a relationship.”

Jiang Lingzhi almost choked. “What? Don’t talk nonsense.”

Wen Yujing was still very curious. Suddenly, her eyes lit up as another thought struck her, and she nudged her knowingly. “With how pretty you are, do you think it may be because of love at first sight?”

Jiang Lingzhi sighed. She was really defeated by all her wild imaginations. She hurriedly stopped Wen Yujing from making more blind guesses. “It’s really

not.”

In fact, his impression of her was that she was a swindler. She had already returned the money to him, and he was the one who didn’t accept it. Moreover, he still insisted on giving her the title of a swindler.

Wen Yujing continued to ask, “So what actually...”

Before she could finish her sentence, the Math subject representative walked in from the back door and reminded, "Jiang Lingzhi, the English teacher wanted you to go to the office."

"Oh, okay." Jiang Lingzhi put down the books in her hand and said to Wen

Yujing. "I can't tell you now, I have to go to the office first."

"Okay then..." Wen Yujing was still a little reluctant to end this conversation, so she yelled from behind, "By the way, tell me more about the details during lunch later—"

Jiang Lingzhi's slender figure disappeared at the door of the classroom.

When Jiang Lingzhi arrived at the office, the English teacher was marking the test papers she just collected.

Xia Sicai, the English subject representative, was sitting at the desk opposite her to help in marking the homework. Seeing Jiang Lingzhi enter, she lowered her head.

Jiang Lingzhi retracted her gaze and walked to the English teacher's desk. "Miss, are you looking for me?"

The English teacher was a very gentle female teacher. Hearing this, she raised her head, stopping the pen in her hand. "Lingzhi, I've just marked your paper and you got full marks again."

Jiang Lingzhi's expression remained calm. She was obviously used to this. "Thank you, Miss."

She looked so obedient. When she stared at people like this, everyone would feel that she was too innocent and well-behaved, and no one would be able to say a single harsh word to her..
