

Little Girl 311

Chapter 311: The Person You Like Is Here

“Hmm?” Li Shunan chuckled and teased, “So the child who cried at my house last time wasn’t you?”

Jiang Lingzhi was speechless.

Li Shunan raised his hand and gently pinched her little ear. His tone was a little unclear. “Tsk, so many people are thinking about my future girlfriend. I’m jealous.”

So this was what he was talking about?

No wonder he didn’t say much just now. He was waiting to settle the score later.

He was waiting for her here.

Jiang Lingzhi blinked her eyes and said softly, “But I’ve already rejected him.” Not only did she reject him, but she also made it clear to him.

Li Shunan answered quickly, but his speed was neither fast nor slow. “If you reject one class monitor, there will be thousands of class monitors.” Jiang Lingzhi was speechless.

“How can there be so many? Can you not be so Lingzhi

frowned slightly, and she was a little dissatisfied.

Li Shunan stared at her with his eyes closed and said slowly, “Then I’ll go beat him up.” Jiang Lingzhi:

“Why did you hit him?” “I’m not happy that he’s coveting my girlfriend.”

Jiang Lingzhi was speechless.

Your reason is really willful, classmate. Jiang Lingzhi nodded.” Then go and hit him.”” There was nothing she could do anyway.

If he really wanted to go, she couldn’t stop him.

He suddenly spoke again, his voice deep. “Forget it.”

Jiang Lingzhi looked up.

“It’s wrong to hit someone.” The deskmate reflected on himself again.

Jiang Lingzhi was speechless.

This sudden reflection was really hard to figure out.

What a fickle Student Li.

Li Shunan reached out, grabbed her wrist, and pulled her into his arms. He lowered his head and buried his face in her neck.

Warm breaths sprayed down.

Jiang Lingzhi’s body trembled slightly.

Li Shunan put his arm around her waist and said in a low and hoarse voice, “”Then why don’t you coax me again? I still feel a little uncomfortable.”

Jiang Lingzhi was speechless.

“Weren’t you fine just now?”

This time, he suddenly had a pitiful persona.

She knew that he was pretending.

Jiang Lingzhi could not help but feel a little soft-hearted.

After all, his cold seemed to have something to do with her.

Jiang Lingzhi hesitated for a moment, but she still stretched out her arm and hugged him gently.”“Then, then let’s hug.”

The girl approached him hesitantly. Her soft body hugged him gently.

It was his little girlfriend.

He was probably sent by the heavens to temper his willpower.

His girlfriend was so cute, but he could only hug her. From time to time, his love rival would come out to make his presence known.

This was really annoying.

Li Shunan let out an imperceptible sigh. His peach blossom eyes narrowed slightly as if he was deep in thought. He said lazily,”Tsk, the feeling of not being able to declare sovereignty is really not good.”

Jiang Lingzhi’s actions of hugging him paused slightly.

Li Shunan's deep voice whispered in her ear, "But I'm ready."

Jiang Lingzhi retreated a little and looked up at him. "Prepare for what?"

"You can start now," said Li Shunan lazily. Jiang Lingzhi was a little puzzled.

"Shall I remind you?" Li Shunan smiled.

Jiang Lingzhi had an inexplicable expression.

"When you were picking up the basketball just now, if you confessed to me..."

Li Shunan bent down slightly and met her eyes. "The person you like is here."

Jiang Lingzhi was speechless..

Chapter 312: Careless

In math class, the teacher was explaining a few error-prone questions.

Many people had made mistakes in the last big question of the last exam.

The only student who had scored full marks on the Mathematics paper had changed his answer and deducted 14 marks.

The math teacher was speechless.

This time, he found a few similar questions and focused on them.

“Let’s take a look at this question.”

After the math teacher took the chalk and wrote on the blackboard, he turned around and looked at the lesson plan.

Jiang Lingzhi held a pen in her hand and stared at the blackboard. Her mind could not help but think of what he had said in the equipment room just now.

– Confessing to me.

The person you like is here. You can start talking now.

Jiang Lingzhi placed her elbows on the table and cupped her small face. The pen between her fingers twirled twice, and the corners of her lips could not help but curl up.

Who was going to confess to him? She was so full of herself.

The seat next to him was empty.

After coming out of the basketball court, Jiang Lingzhi asked Li Shunan to go home and rest.

It had been about half an hour now. She wondered if he had reached home yet.

Jiang Lingzhi stared at the blackboard, but her thoughts drifted away.

On the podium, the math teacher looked around. “Is there any student who has an idea?”

This question was too difficult to solve.

Everyone lowered their heads, afraid that if they met the teacher's gaze, they would be targeted by the math teacher.

Therefore, among the students with their heads lowered, the student in the second last row who dared to stare straight at the blackboard became extremely outstanding.

The math teacher originally wanted to ask the student who had scored full marks the previous time to get up and solve the problem, but after looking around, he couldn't find it.

His gaze successfully locked onto Jiang Lingzhi, and he felt very gratified.

"Jiang Lingzhi, you seem to be very confident. As expected, being the first in the grade is different. You already have an idea so quickly."

When she heard her own name, Jiang Lingzhi instantly came back to her senses.

Before he could react to what had happened.

The math teacher said happily, "Then come up and write down the process of solving the problem.'"

Jiang Lingzhi was speechless.

As expected, he couldn't be absent-minded in class. He was caught in a daze.

Jiang Lingzhi glanced at the question on the blackboard. It seemed familiar.

Coincidentally, her deskmate had explained this question to her before.

It was alright, it was alright.

Otherwise, it would be embarrassing.

Jiang Lingzhi put down the gel pen in her hand and walked to the podium. She picked up the chalk and wrote down the detailed process of solving the problem.

She wrote it down line by line.

The handwriting was neat and tidy.

After she finished writing, the math teacher nodded in relief.

“Not bad, that’s it. I remember that Jiang Lingzhi got the last question wrong last time. It seems that she had to revise this type of question when she went home.”

The math teacher gently pointed at the podium.””Alright, you may leave.”

Jiang Lingzhi nodded.” Thank you, Teacher.””

After placing the chalk on the podium, he walked down the aisle.

The math teacher was still sparing no effort in praising her. “You guys have to learn from Jiang Lingzhi.”

“Why is it that people can summarize their experiences from failure and solve it so well?”

Jiang Lingzhi heaved a sigh of relief. After she returned to her seat, she could not help but take out her phone to take a look.

There was an unread message. It was a message from two minutes ago.

[I'm home.]

Jiang Lingzhi glanced at the podium and replied with a message: [I'm still in class. You should rest well..]

Chapter 313: Brother Chennan, Your Wife Is Here

After replying to the message, Jiang Lingzhi placed her phone back into the hole in the table.

He focused on listening to the class seriously and did not dare to daydream anymore.

After school, each subject was given a review paper.

Although Li Shunan wasn't in school, his homework would be distributed, and there would be a thick pile on the table after school.

After Jiang Lingzhi tidied up her school bag, she stuffed his test papers back into her school bag, planning to bring them over to him.

She also wanted to see if he had taken his medicine.

Jiang Lingzhi carried her school bag. When she walked into the courtyard, she could hear voices coming from the main house.

It seemed quite lively.

Occasionally, there would be a few laughs.

Jiang Lingzhi walked to the door. The door was not closed, and it was left ajar.

She pushed the door open.

When he saw the scene inside, he was stunned.

The person inside was obviously stunned.

In the spacious living room, the lights were turned on, and a few boys surrounded the coffee table.

Their faces were covered in a mess of notes.

It was rare that all the juniors were here today.

Liang Ji, Sun Yan and Zhao Zifu of Qi.

Jiang Lingzhi was speechless.

Hearing the commotion, the few of them looked at the door in unison.

When he saw the girl at the door, the cards in his hands fell onto the table.

Jiang Lingzhi stood at the door and looked at the people inside. She raised her hand and greeted them, "Hi."

Everyone was silent.

Zhao Zifu was the first to react. He subconsciously shouted, "Sister,"

"Pah!" After shouting, he realized that something was wrong and immediately changed his tone. "Sister-in-law."

Sun Yan and Qi Liangji also reacted instantly.

“Sister-in-law is here.”

“Sister-in-law, you’re here to see Brother Nan.”

Before he could react, Sun Yan patted the sofa and reminded him, “Brother

Chennan, open your eyes! Look, your wife is here!”

“You’re as beautiful as a flower and jade, my beautiful wife! !” Sun Yan shouted hoarsely.

Li Shunan’s peach blossom eyes were half-closed. He kicked him and said indifferently, “Shut up, I’m not deaf.”

Jiang Lingzhi was speechless.

The three of them were playing games in front of the coffee table.

Li Shunan obviously didn’t participate in their game. He leaned lazily on the sofa with one long leg on the edge of the sofa and the other casually stretching.

The little pumpkin nestled on his abdominal muscles and looked very comfortable.

His phone was still on the game interface. He looked up and down. When he saw her, he threw his phone aside and hooked his finger at her.

“Come here.”

He wasn't wearing a mask anymore. His nasal voice was deep, and the color of his thin lips was a little light. He still looked listless and even more languid.

Jiang Lingzhi stopped in her tracks for a moment, but she still carried her school bag and walked in. She glanced at the map-like thing on the coffee table and asked hesitantly, "Are you guys having a party?"

Zhao Zifu quickly stood up and made way for him." Xiao Ju, Xiao Ju, and I mainly came to see Brother Nan. We didn't dare to come over these few days.

Coincidentally, we were free today, so we came over together. ""

Jiang Lingzhi took off her school bag and placed it on the chair beside her. When she heard the keywords in his words, she subconsciously asked, "Why don't you dare to come over?"

The friendship between them was very deep.

Occasionally, they would gather for a meal or something.

He had the honor of having a meal with them last time.

Jiang Lingzhi had not met them many times, but they were somehow quite familiar with each other.

Sun Yan had always had no taboos and said whatever was mentioned, "It's only been a few days since November 8th. Every year on that day, he's very dispirited. We don't dare to show up in front of him, afraid that we'll be beaten to death by him.."

Chapter 314: Come to the Place of the Conqueror

Even though the two letters were exaggerated.

However, Brother Chennan's condition was indeed quite bad every day.

Sun Yan recalled last year." You don't know how much alcohol he drank last year. He almost ended up in the hospital. There was no way to stop him."

Zhao Zifu hissed and slapped the back of his head."Do you even know how to talk! "

Sun Yan immediately shut his mouth and shouted,"What's wrong? Can't I say this to Sister-in-law?!" Jiang Lingzhi was speechless.

Hospital?

She was hospitalized this year, but not because of drinking, but because of taking a cold shower.

It turned out that he would drink on that day every year.

Qi Liangji cleared his throat and laughed slyly."But we can rest assured now that we have Sister-in-law this year. With Sister-in-law caring for Boss, there's nothing for us to do."

Hearing their words, Jiang Ling didn't know what to say and subconsciously glanced at Li Shunan.

Li Shunan raised his head and his light brown eyes met hers. He smiled and said,"Come to me."

He leaned back on the sofa, his tone lazy and slightly seductive. The three of them winked at each other and laughed.

"Yo yo yo..."

"F * ck, f * ck, he's going to start showing off his affection!"

“When did Brother Chennan ever talk to someone in such a gentle tone?”

Sun Yan imitated his tone and said, “Come to me

“on my goa, tms treatment IS really extraordinary.”

After they said that, Jiang Lingzhi felt a little embarrassed.

However, they were all his friends. They were used to joking around and did not have any ill intentions.

Jiang Lingzhi thought about it and walked over to sit beside Li Shunan. “Why are you here?” Li Shunan asked in a low voice.”

Jiang Lingzhi answered honestly, “I came to see you. I also brought your test paper over.

“Have you taken your medicine?” she asked.”

Li Shunan leaned back against the sofa and stared at her so blatantly. There was a faint smile on his lips.”If I say that I haven’t eaten, are you going to feed

Jiang Lingzhi was speechless.

Sun Yan came over, unwilling to be left out. “If you don’t mind, let me do it.”

Li Shunan glanced at him and sneered.”Get lost.”

Sun Yan nodded. He had already expected this.”Alright, I’ll get lost now.”

He clutched his chest and made a sad expression.”As expected, I’ve fallen out of favor.”

Zhao Zifu and Qi Liangji couldn't take it anymore and wanted to beat him up.

His gaze was too hot, and Jiang Ling knew that her ears were red as she looked away. She wisely changed the topic. "What is this?"

Their faces were pasted with notes, and the game equipment was placed on the coffee table.

Zhao Zifu took off the note on his face. "It's too boring. We're playing the Monopoly game."

Qi Liangji sighed. "But it's just the three of us. It's not fun at all."

They had originally planned to use this to liven up the atmosphere, but in the end, the person involved was lying on the sofa and playing with his phone. The three of them were having a good time.

Jiang Lingzhi leaned over and said, "How do I play?"

Zhao Zifu glanced at her and said, "Are you playing or not? Why don't the four of us play together?"

Jiang Lingzhi thought about it and nodded. "Sure."

Li Shunan was speechless.

Didn't she say that she was here to see him? Why was she playing games?

Chapter 315: This Is a Good Bet

Seeing that Jiang Lingzhi really wanted to participate, the three of them were instantly interested.

Zhao Zifu enthusiastically explained to her, "Do you see the map on it? You can buy any land with the name of the area written on it. After buying it, it will become your land. When others pass by, they will have to pay you rent." Jiang Lingzhi nodded and listened seriously.

Zhao Zifu: "Whoever goes bankrupt loses. The one with the most money wins."

Jiang Lingzhi felt that it was very interesting, and she raised her doubts. "With what?"

"Money."

"Real money?" Jiang Lingzhi seemed to understand.

Zhao Zifu took out a card and showed it to her. "Look, everyone has a bank card with a sum of money in it. Just swipe it on the card machine and it will show your account balance."

Jiang Lingzhi got up from the sofa and took the card to have a look. She took the opportunity to sit cross-legged in the gap between the sofa and the coffee table. "It seems very interesting."

She had never played this kind of game before and found it quite interesting.

Jiang Lingzhi turned around and looked at Li Shunan behind her. "Why aren't you playing?"

Li Shunan looked up and said in his usual lazy and casual voice, "Childish." Jiang Lingzhi was speechless.

Li Shunan seemed to feel that two words were not enough to express his dissatisfaction, so he added slowly, "A game for children."

Jiang Lingzhi was speechless.

Sun Yan was speechless.

Qi Liangji was speechless.

Zhao Zifu was speechless.

Sun Yan also felt that it was quite unbelievable that his goddess wanted to play this game with them. He asked again, "Then, are you coming?"

Jiang Lingzhi retracted her gaze and nodded her head affirmatively. "Come!"

Li Shunan was speechless.

"Alright, let's get started. ""

Sun Yan and Zhao Zifu looked at each other. The two of them understood each other's intentions.

"But since Boss has said so, let's play some adult games." Sun Yan cleared his throat."

Jiang Lingzhi: "?"

He suddenly had a bad feeling.

"What do you mean?"

Zhao Zifu rubbed his nose and echoed with Sun Yan, "The loser should be punished, right?"

Jiang Lingzhi thought of the white paper on the faces of the three of them when they entered the door just now. "Does the loser put a note on his face?"

Sure, I can do it.”

Although it was a little ugly, this punishment did not seem particularly unacceptable.

Zhao Zifu pondered for a moment.” I think this is too plain. Let’s change to something else.””

Qi Liangji didn’t know what the two of them were thinking.””What should I change?

Sun Yan pretended to think for a while and suggested,””How about, whoever loses will kiss Boss for a minute? What do you think?”

Jiang Lingzhi was speechless.

Qi Liangji was speechless.

Li Shunan was speechless.

The atmosphere was silent for three seconds.

“Are you sure you can force a kiss on him if you lose?” Qi Liangji laughed.” “If you dare to get within 50 centimeters of me, I respect you as a hero!”

Zhao Zifu gave him a look.

Why couldn’t her brain process it today? She couldn’t get it.

Wasn’t her brain usually quite fast?

“What are you doing?” Qi Liangji asked. Are your eyes twitching?”

Zhao Zifu was speechless.

Qi Liangji’s gaze went back and forth between Jiang Lingzhi and Li Shunan before he finally reacted.

He slapped his thigh.” This is good! This is a good bet!””

Jiang Lingzhi was speechless..

Chapter 316: Single Dog, Mind Your Own Business

Why was it so strange?

Jiang Lingzhi thought for a long time and asked tentatively,””So, this bet is only targeted at me?”

Sun Yan did not feel guilty at all after being exposed.”Hey, don’t say that. You might not lose!”

Zhao Zifu comforted her, “That’s right, you have to have some confidence in yourself!

Jiang Lingzhi was speechless.

However, from their stance, it was obvious that she would definitely lose.

Li Shunan was lying on the sofa. He had just finished playing a game. He looked away from the phone screen and said lazily,””Stop talking nonsense.

Change the bet.”

The three of them revealed regretful expressions at the same time.

“Boring, brother. We did it for you.”

“That’s right, it’s a benefit for you!”

Li Shunan snorted and said in a disdainful tone, “There’s no need for that.

Single dogs should take care of themselves.”

Sun Yan was speechless.

Qi Liangji was speechless.

Zhao Zifu was speechless.

This was too much. Why did he even carry out personal attacks?

This path was no longer feasible, so the three of them could only think of another bet.

Li Shunan looked up and saw that the girl had sat on the ground.

He put his phone aside and bent down, grabbing her wrist. “Don’t sit on the floor, sit on the sofa.”

Jiang Lingzhi turned around to look at him. “Oh.” She followed the force of his palm and moved to the sofa.

In just a short while, they had already thought of a bet.

In the end, they decided to bet that whoever lost would be flicked in the head.

In the end, they returned to the children's game.

Jiang Lingzhi sat on the edge of the sofa, and Li Shunan was behind her.

The game had already started, and the voice announcement was exceptionally clear. "Buy Wuxi."

"Buy Shanghai."

"Buy Beijing."

"Pay the rent."

"I withdrew 1,000 yuan from your account."

Jiang Lingzhi's expression was quite serious as she studied the rules of the game.

Li Shunan leaned against the sofa. He was playing mobile games, but the girl was right in front of him and almost snuggled into his arms.

Li Shunan chuckled and threw his phone aside. He put an arm behind his head and stared at her profile.

The girl was wearing her school uniform, and her hair was tied up behind her head. A few strands of hair fell down and surrounded her delicate face, which was as fair as jade.

Her face was the size of a palm, but there was meat on her cheeks. She looked very young.

Li Shunan stared at her for a long time. The corners of his lips curled up, and he sat up slightly with his arms propped up.

Jiang Lingzhi had never played this game before, and she was completely dumbfounded.

Every time it was her turn. When she held the dice, she would ask, "And then?"

"I bought Beijing, and then what?"

"Why do you want me to swipe my card again? Are you lying to me?"

The boys laughed slyly.

"How could that be? The both of us came according to the rules of the game."

Jiang Lingzhi rolled the dice and walked to their rented land again. After swiping the card, there was not much money left in the card.

Voice broadcast.

-Your account balance is 50 yuan.

Jiang Lingzhi was speechless.

She had been playing a few rounds and she had always been the one losing money.

If this continued, they would go bankrupt soon. Finally, it was her turn. A slender finger tapped a corner on the map."Here."

The boy's deep and magnetic voice rang in her ears.

The voice was very close to her..

Chapter 317: Looks Familiar

The boy's deep and magnetic voice rang in her ears.

The voice was very close to her.

"It can be doubled."

Jiang Lingzhi was originally very engrossed in playing, but she suddenly came back to her senses at this moment.

Her back was pressed against a warm chest.

His thin lips were even pressed against her ear, and his warm breath was a little ticklish.

When did they get so close?

Jiang Lingzhi's fingertips paused, and her heart instantly beat like a drum.

When she raised her head again, she realized that the few boys opposite her were holding back their laughter and had a look of understanding on their faces.

Obviously, he had already discovered the unchanneled.

Jiang Lingzhi's ears turned red, and her body froze on the spot.

Why was he suddenly so close?

“Brother Nan, you shouldn’t be like this. How can you still help from the

slaellnesf” sun yan wmKea.”

Zhao Zifu: ” That’s right, why did you get started?”

Jiang Lingzhi calmed her heartbeat and deliberately ignored the strange feeling that he brought.

Ignoring their teasing, she retracted her thoughts and listened to him. She turned over the land she had bought several times over.

This time, he drew an opportunity card.

“Hmm, your luck is not bad.”

There was a faint smile in his voice, and his warm breath sprayed down.

Jiang Lingzhi felt that her ears were a little itchy.

She had clearly said that this game was childish and was played by children, but now she was teaching her again.

As expected, Sun Yan walked into her territory.

After that, the rent had to be doubled.

Sun Yan wailed, "We're doomed."

"I swiped the card." Li Shunan leaned lazily behind her and reminded her in a low voice, "Collect the money."

"I, did I win?" Jiang Lingzhi was still in a daze and could not believe it.

He looked at his balance and it jumped to four digits.

He finally realized that he had received the first sum of money since he started playing the game.

Jiang Lingzhi felt that happiness came too suddenly.

"Brother, why aren't you helping me?" Sun Yan said indignantly. "You're biased!"

"What dream did you have?" Li Shunan raised his eyebrows slightly and drawled, "If my wife doesn't want to help, why should I help you?"

As soon as she said this, the boys started to jeer.

"Yo yo yo..."

'Who are you bullying for not having a wife?'

"You make it sound like we don't have a wife." After two seconds, he said, "F * ck, I really don't have a wife."

"F * ck, isn't the life of a single dog life?!"

"It's everyone's responsibility to care for single dogs. Can you please be a human?!"

They pretended to wait a few more times.

In the next few rounds, under the enthusiastic guidance of the audience outside the stadium, Jiang Lingzhi successfully received several huge sums of money.

Jiang Lingzhi gradually grasped the trick.

Without Li Shunan's help in the second half, the balance in her card increased.

On the other hand, Sun Yan was losing more and more.

Sun Yan sat across from the coffee table. He was still feeling a little depressed. When he raised his head inadvertently, he happened to see Jiang Lingzhi's side profile.

That angle...

Something seemed to flash through his mind.

Sun Yan's hand stopped and he tried hard to recall, trying to grasp that flash of memory.

Zhao Zifu glanced at him, "What are you doing?" Did you get hit?"

Sun Yan scratched his head and asked suspiciously, "Did I mention before that

Sister-in-law looks familiar?"

Qi Liangji laughed." Of course we're familiar with each other. You've seen him hundreds of times. How can we not be familiar with each other?!"

“Don’t even think about it. This is your sister-in-law..”

Chapter 318: The Same Junior High School

Sun Yan was anxious.” No, it really isn’t. I just feel like I’ve seen it somewhere a long time ago.””

He didn’t know why he suddenly had such a thought.

That inexplicable sense of familiarity...

“What do you want?” “Are you afraid of losing?” Zhao Zifu asked. Don’t try to get close to me. It’s useless!”

None of them believed him. Sun Yan couldn’t even explain himself.

Sun Yan racked his brain for a long time, but he still couldn’t figure it out.

She raised her head and looked at Jiang Lingzhi.

Where had she seen him before?

Logically speaking, it shouldn’t be possible.

The first time they met was on the bus.

It had only been a few months since then.

If time were to push forward again,

Junior high?

However, the junior high school he attended was a very ordinary junior high school. If there was such a beautiful girl, how could he not remember?

With her looks, no matter which school she was in, she would definitely be the school belle.

No matter how he thought about it, he couldn't figure it out.

Sun Yan hesitated for a moment and couldn't help but ask, "Where did

Sister-in-law go to junior high school?"

Since everyone was so familiar with each other, there was nothing to hide when chatting.

"Junior high?" Jiang Lingzhi placed the card on the table and answered truthfully, "He Mu High School."

Hemu High School...

He Mu.

Sun Yan was stunned for a moment before he suddenly reacted. "He Mu High

School? Brother Nan is also from He Mu."

When she heard this, Jiang Ling was stunned for a moment. She turned her face sideways and looked at the person beside her.

Li Shunan lowered his eyes. His side profile was well-defined, and his feather-like eyelashes were drooping. He leaned there calmly, but he didn't show too much surprise.

Jiang Lingzhi stared at him for a while.

Li Shunan finally looked up and met her eyes. He chuckled. "Why are you looking at me?"

"You went to He Mu in middle school?" Jiang Lingzhi only felt that it was unbelievable. She blinked her eyes and said, "Are we in the same middle school?"

Li Shunan raised his eyebrows and said lightly, "Why are you so surprised?"

He did not deny it.

In other words, they were really from the same middle school.

Moreover, he was not surprised at all. Did that mean that he had known about it long ago?

However, this news was really, really shocking to her.

Jiang Lingzhi was stunned for a while.

She had no impression of him at all.

However, if they were in junior high school, he would have been a year older than her.

Jiang Lingzhi usually had a chauffeur to pick her up from school. Other than attending classes and playing the piano, she rarely paid attention to other things.

She was the type who couldn't even recognize all the people in the class, let alone the seniors.

Jiang Lingzhi only felt that this fate was too wonderful. She asked him tentatively, "Have you seen me at school?"

Li Shunan just looked at her, his eyes hard to read, but he didn't say anything.

Jiang Lingzhi felt that it was very strange, and she mumbled softly, "Besides, it's been so long, but I haven't heard you mention it."

They used to go to the same school.

Why had he never mentioned it before?

Sun Yan was still racking his brains.

He felt that he would be able to catch the thing that flashed past him very soon.

Other than Brother Nan, who else was in Hemu?

There was clearly another person.

And...

Sun Yan suddenly thought of something, and his entire body quivered. He was completely stunned.

He knew where he had seen Jiang Lingzhi before..

Chapter 319: The Moonlight Girl

Sun Yan finally remembered.

A photo.

He had once seen a photo of Jiang Lingzhi in that person's wallet.

White moonlight.

Brother Yu's Moonlight Girl.

This information was too much.

Sun Yan was completely stunned, unable to accept it.

What he could not accept the most was...

Wasn't that person the closest to Brother Nan?

At that time, he liked the girl in the photo. During the gathering, he even showed the photo to his brothers.

His good friends who played with him at that time knew about it, so it shouldn't be a secret.

Therefore, Brother Chennan should also know about it.

But now...

What the f * ck?

Therefore, Brother Chennan managed to hook up with the girl that his good brother liked.

If he came back at that time...

Sun Yan was stunned for a few seconds and couldn't come back to his senses for a long time.

What the f * Ck was this?

Why did he remember?

He began to hate himself for spending so much effort to think of such a terrible thing.

Sun Yan was almost thrown into confusion.

He couldn't help but curse,"F * ckf * Ck f * ckf * Ck f * ckf * ckf * Ck f * Ck f * Ck f * ckf * ckf * ckf * ckf *

Zhao Zifu kicked him." Are you crazy? What's wrong with you?"

Qi Liangji didn't know the reason, but he thought it was funny. He stared at

Jiang Lingzhi and Li Shunan."No, the two of you are too interesting. Didn't you

Imow before? You haven't seen him in three years of junior high school?"

“To be precise, it should be two years.” Jiang Lingzhi hesitated and also felt that it was quite unbelievable.” “He’s one grade higher than me. I’m in junior high school, and he’s already graduated. Maybe we didn’t interact, so I didn’t notice. ”

Then, she remembered that Li Shunan hadn’t answered her question.

Jiang Lingzhi leaned over and raised her head to look at him. She blinked and was a little curious. “But have you really never seen me before?”

She thought about how she was in the same place as him in junior high school, but the two of them didn’t know each other.

This feeling was quite...Wonderful.

Li Shunan lowered his eyes and stared at her quietly. His eyes were hard to read.

From the looks of it, he didn’t remember.

Jiang Lingzhi pursed her lips and did not take it to heart.

According to his personality, he would sleep in class every day, so he probably wouldn’t recognize her.

Sun Yan finally calmed down.

After the shock, he couldn’t help but defend Brother Nan in his heart.

However, Brother Nan was blind.

Could it be that he didn’t recognize her?

He recalled the photo back then. The girl was still very young at that time, and her eyes and brows were similar. However, now, she had clearly grown up and was even more beautiful.

Otherwise, he wouldn't have only remembered it now.

So, Brother Nan didn't recognize him.

Sun Yan couldn't help but glance at Li Shunan, who was sitting on the sofa across from him, and then at Jiang Lingzhi, who was beside him. He was really conflicted. "Brother Nan...Do you really not find it familiar?"

Zhao Zifu suspiciously looked at Sun Yan a few times and said in amusement, ""1 realized that you're quite worried. Does this have anything to do with you? It's not like we're in the same school."

Qi Liangji couldn't help but scold him,"That's right, what are you doing here?"" Sun Yan choked.

Qi Liangji recalled something." Speaking of He Mu, I remember. At that time, the two school hunks were quite famous. Brother Nan was one of them.""

Qi Liangji had only gotten to know them later, so he was not too familiar with what happened in junior high.

"Back in our school, there were girls who would go to He Mu to peek every day after school. "Qi Liangji recalled.

"There's another school hunk.. What's his name again?"

Chapter 320: An Ordinary Middle School Student

Qi Liangji couldn't think of anything.

"Lin what Yu?"

After all, it had been a few years and he wasn't from He Mu, so he wasn't that familiar with her.

As he said this, he went to ask Jiang Lingzhi, "Sister-in-law, don't you know?"

Jiang Lingzhi thought about it seriously for a long time and tried hard to search through her memories. "I really don't know."

Zhao Zifu was overjoyed."

"Brother Chennan was so popular at that time, but you actually didn't know him. You haven't even heard of the name of the school hunk?"

Jiang Lingzhi was a little embarrassed."

This was a good student who didn't care about what was going on outside.

Zhao Zifu turned around and patted Li Shunan's shoulder."Brother Chennan, it seems that your charm is still not enough. Your wife doesn't even take you seriously."

Jiang Lingzhi was speechless.

Jiang Lingzhi was completely dumbfounded.

She even suspected that she was from He Mu. How could they, who were from other schools, know better than her?

She turned her head to look at Li Shunan and asked in a low voice, "Were you very popular back then?"

Li Shunan raised the corner of his eyes and chuckled. He said lazily, "It's not popular."

After saying that, he added slowly, "An ordinary middle school student."

Sun Yan was speechless.

Qi Liangji was speechless. Zhao Zifu was speechless.

Ordinary?

Can you really understand the meaning of these words?

Don't your conscience hurt when you lie through your teeth?!

Qi Liangji glanced at Li Shunan, still struggling with the question.

Another school hunk.

The name was already on the tip of her tongue, but she just couldn't say it.

There was something in her heart, and she felt uncomfortable not wanting to get up.

Before he could ask again.

Qi Liangji seemed to have an epiphany as he suddenly remembered. He slapped his thigh and said, "Lin Beiyu."

After saying that, he went to see the reactions of the others. "Right? That's his name, right?"

As soon as this name came out, the air froze for a moment.

Sun Yan heaved a sigh of relief. He did not even dare to breathe loudly as he observed Brother Nan's expression.

Brother Nan was the most loyal.

The white moonlight girl who intercepted her good friend halfway.

It didn't seem like something he would do.

In his heart, he was more inclined to believe that his brother Nan was really blind to faces and did not recognize that Jiang Lingzhi was the girl in the photo at that time.

In addition, the two of them were deskmates now. Didn't they fall in love over time?

What he was worried about now was...

When Brother Yu came back, what should they do when they met in the future?

If he really stole the girl that his good brother liked without knowing, he, Brother Chennan, would not choose to let go, right?

Should he remind him? Sun Yan was conflicted.

Lin Beiyu.

Jiang Lingzhi fell silent, and she went through this name in her mind.

It did sound a little familiar.

However, he could not remember where he had heard it before.

The topic naturally reached this point.

Zhao Zifu also interjected, "Oh, Lin Beiyu. At that time, he was very close to Brother Nan. I think he went abroad after that?"

Li Shunan leaned against the sofa and took out a silver lighter from somewhere. He opened and closed the lid of the lighter between his well-defined fingers.

His head was slightly tilted, and the black hair on his forehead hung down naturally, almost covering his eyes. His expression was a little dark and unclear, making it impossible to see his expression clearly.

' No wonder I didn't hear anything from him.' Qi Liangji said. ' He went overseas..''
