

## Little Girl 321

### Chapter 321: Calling You Senior

Li Shunan usually didn't like to get involved in their conversations.

Often, they would say a hundred words and he would not even reply. When they were discussing girls, he would not even bother to look at them when they asked him if they were pretty.

At this moment, he was quietly playing with his lighter and did not find his reaction strange.

The few of them liked to chat freely, but the topic quickly changed and they started to talk about all sorts of things.

The game had come to an end.

Accompanied by the voice announcement.

Sun Yan became the first person to go bankrupt.

Jiang Lingzhi caught up from behind and became the biggest winner.

After the game ended, Zhao Zifu tactfully stood up. "Alright, the game is over. We can get lost."

Qi Liangji also stood up. "Let's go together. We'll be leaving then."

Sun Yan sat there without moving. He still wanted to ask something.

Should he give Brother Nan some pointers?

There was something in his heart, and it was really too uncomfortable. He had to ask clearly.

Sun Yan sat there firmly. "You guys can go. I'll sit here for a while."

Qi Liangji was speechless.

Zhao Zifu was speechless.

Zhao Zifu hissed and walked over to kick him. "What's there to sit on?"

"What's this brat doing here?"

After she finished speaking, she smiled and said to Jiang

Lingzhi, "Sister-in-law, I'm sorry. I'll drag him away now. It won't affect you!"

The two of them bent down and held his arms on both sides, dragging him out.

He greeted them as he walked.

"Have fun."

"Sister-in-law, take good care of Brother Nan for us."

Sun Yan was extremely conflicted. He hadn't made much noise after that, but now he was being lifted up and wailing.

“I’m not leaving! If you guys go by yourselves, then you’re dead. Why do you have to bring me along!!”

“I, don’t...

His voice gradually lengthened and soon disappeared at the courtyard door.

Jiang Lingzhi felt that it was a little funny.

She looked in the direction they had left in and only looked away when they disappeared around the corner.

When they were there just now, they were too embarrassed to ask.

Jiang Lingzhi turned around and sized up the young man before she teased, “Tsk, I didn’t expect Student Li to be so popular. He has countless fangirls.”

It turned out that he was already so popular in junior high school.

It was a pity that she was too focused on her studies at that time and did not know him.

She didn’t know what he looked like at that time.

She was suddenly curious. If she had known him back then, what would they be like now?

The girl leaned against the coffee table and looked at him with her pitch-black eyes, her expression calm and collected.

The name just now did not seem to have caused any ripples in her heart.

Li Shunan raised his eyes and his eyes moved slightly. He put on the lighter in his hand and said in a low and slightly nasal voice, ""Generally, not as popular as Little Jiang."

Jiang Lingzhi was speechless.

"After all, I haven't experienced being stopped at the basketball court to confess my love," Li Shunan said slowly." Jiang Lingzhi choked.

Why did this person bring up the past again?

Did this matter not end?!

Jiang Lingzhi choked for a while. She did not want to be outdone as she looked at him and asked him half-jokingly, ""So, should I call you senior?"

Li Shunan looked up and leaned back lazily. He looked at her for a long time and chuckled."Alright, let's hear it.."

Chapter 322: How Many Minutes Has It Been?

There was nothing wrong with his words, but his expression made him look like he was being frivolous.

Just now, when they were discussing the bet, he had even asked them to change it.

After he left, this person revealed his true colors.

Jiang Lingzhi glanced at him and muttered softly, ""You're acting quite like a gentleman."

Li Shunan had one arm behind his head, looking lazy and tired. He lifted his chin slightly and said in amusement, "What are you talking about?"

Jiang Lingzhi snorted softly. "In front of your brothers, you really know how to pay attention to your image."

Li Shunan narrowed his eyes and sat up straight.

He raised his hand, grabbed her wrist, and pulled her to him. He said in a

drawling tone, "Isn't that so?"

Jiang Lingzhi was sitting on the coffee table at this moment, facing him. When he pulled her, her body leaned forward slightly.

Their gazes met, and their noses almost collided.

"Am I not a gentleman enough?" Li Shunan chuckled. They were too close, so he turned his head slightly.

Because he had caught a cold, he did not speak to her, afraid that he would infect her.

His gaze fell on her fair little ears. Li Shunan curled his lips, raised his hand, and gently pinched her earlobe.

He seemed to like pinching her ears.

Jiang Lingzhi felt a little ticklish, and she subconsciously dodged to the side.

Li Shunan raised the corner of his eyes and put his palm back. His warm palm gently pressed against the back of her neck.

The force was not heavy, but it was inexplicably strong, making it impossible for people to retreat.

The distance between the two of them was not too far, but not too close either.

“If I wasn’t a gentleman.” His gaze slowly moved down and landed on her red lips. His eyes darkened and his fingers gently rubbed them. His voice was a little hoarse. “How many minutes are there?”

Jiang Lingzhi’s eyelashes trembled slightly, and her body stiffened slightly.

One minute.

He suddenly thought of their bet.

The loser forced a kiss on the boss for a minute.

The meaning of his words made her think wrongly. If I wasn’t a gentleman, I would have kissed you for so many minutes already.

Jiang Lingzhi’s fingertips trembled.

She was really becoming more and more impure. Why did she think of everything in that way?

The warmth on the back of her neck was hard to ignore.

The atmosphere at this moment was inexplicably tinged with a hint of romance. At dawn.

Jiang Lingzhi could clearly hear her heart pounding against her chest.

His fingers on the back of his neck gradually loosened. He chuckled and retreated back to the sofa, returning to his lazy appearance. Only then did Jiang Lingzhi come back to her senses.

The items from the game were on the coffee table.

Jiang Lingzhi turned around and took a deep breath. She casually changed the topic. "So, you were in Hemu during junior high and went to another city after graduation?"

Jiang Lingzhi suddenly remembered that she had heard from the old lady that his mother had passed away four years ago. However, he only went to another city two years later.

He had been living here alone for the past two years.

'Where is it?'

Li Shunan chuckled and said in an ambiguous tone, "Tsk, have you started investigating the household registration?"

Jiang Lingzhi was speechless.

She casually asked,

Why did it sound like he was up to no good?

"Linchuan."

Two words drifted from behind him.

Jiang Lingzhi's fingers paused for a moment.

Chapter 323: Boss Jiang Is Raising You

Linchuan.

It was a big city.

It wasn't too far from here. It would take about two to three hours by plane.

Therefore, in the past two years, he had gone to Linchuan to study in high school.

Was his father there?

And he was his relative.

After all, he had heard that his father had never appeared before.

She didn't dare to ask about such private matters, afraid that she would poke at his scar again.

Jiang Lingzhi was deep in thought. She did not speak again. She slowly tidied up the things on the table. After tidying them up, she put them back into the box.

The living room suddenly fell silent.

After a while, the boy's lazy and magnetic voice rang out. "Why aren't you asking?"

Jiang Lingzhi was stunned for a moment. She did not expect him to suddenly open his mouth to speak. She could not help but turn around to take a look. "What?"

Li Shunan chuckled.”

Jiang Lingzhi was speechless.

“Who wants to check your account? I’m just asking casually.”

“That won’t do.”

Jiang Lingzhi: “?”

Li Shunan’s light brown eyes stared at her meaningfully. “As the person who will appear in my household register in the future, you have to check carefully.”

Jiang Lingzhi was speechless. She could not help but remind him, “Deskmate, allow me to remind you that I’m only sixteen years old. Please wake up.” His deskmate was really thinking far ahead.

She hadn’t even started dating yet, and she was already thinking about this.

“I’m afraid you’ll forget, so I’ll remind you now.” “Yes, I’ll brainwash you,” Li Shunan said slowly.”

Jiang Lingzhi was speechless.

“If this plan succeeds.” Li Shunan narrowed his eyes as if he was thinking about something. Then, the corners of his eyes arched slightly. “Then, I can get married when I’m twenty-two.”

Jiang Lingzhi was speechless.

Hearing him say this, Jiang Lingzhi silently calculated in her heart.

If he was twenty-two years old, then she was twenty years old.

She was twenty years old. If nothing went wrong, she should still be in her third year of university.

Why was this person's face getting more and more shameless?

Jiang Ling was so angry that she laughed. She sat on the coffee table and reasoned with him, "Who said I'm getting married?"

Li Shunan leaned against the sofa in a simple posture. He raised his eyebrows slightly and dragged his voice. "Hmm? Aren't you going to get married?" Jiang Lingzhi looked at him and did not say anything.

Li Shunan raised his peach blossom eyes slightly and smiled like a bad fox. "A relationship that doesn't have the goal of marriage is all a joke. Hooligans will be arrested."

At this point, he slowly added, "This is a crime."

Jiang Lingzhi was speechless.

Jiang Ling knew that she could not win against him. Anyway, black could be said to be white by him.

She put away the things on the table, picked up the card and waved it in front of him. "Did you see that? I'm rich. I earned hundreds of thousands today." Li Shunan looked at the card and chuckled. "Impressive."

Although it was all thanks to his help that she could turn the situation around in the second half and win so much.

But none of that mattered.

Jiang Lingzhi said righteously, "So, I'm already so rich, why should I get married?"

Jiang Lingzhi stood in front of the sofa. It was rare for her to look down at him. She threw the card on his chest and said, "Follow Boss Jiang in the future, and Boss Jiang will support you!"

He didn't expect her to say such a thing.

Li Shunan licked the corner of his lips and clicked his tongue playfully. "What is the meaning of this? Bao.. Support me?"

Chapter 324: Are Clothes in the Way?

Bao, Yang.

The words that came out of his mouth somehow changed their meaning.

Jiang Lingzhi blinked her eyes. She had already said what she wanted to say. If she were to back down, she would feel a little scared. She braced herself and asked, "Why? Can't I?"

Li Shunan lowered his eyes and held the card in his hand with his well-defined fingers. He stared at it for a long time.

He sat up straight and said in amusement, "Alright, I'll pack it for you." There was a hint of laughter in his voice, as if he was in a good mood.

Jiang Lingzhi looked at his actions and inexplicably hit the cute spot.

This person was quite satisfied. One game card was enough to cover him.

Jiang Lingzhi: "?"

Li Shunan put the card into his pocket unhurriedly. He opened his arms and leaned back lazily. "What do you want to do? You can start now."

Jiang Lingzhi was speechless.

Li Shunan's peach blossom eyes were tinged with a smile. His fingers gently tugged at his collar as he drawled, "Are clothes in the way? Why don't you take it off?"

Jiang Lingzhi was speechless.

The final result of Student Li disrespecting his underage status was...

Jiang Lingzhi resisted the urge to smash her bag on his face.

He took out the stack of test papers from his bag and threw them on the sofa. He said seriously, "Student Li, to prevent you from taking a cold shower again, I suggest you write a stack of test papers to calm down."

"Oh, right, a friendly reminder. I won't get married during university. After university, I might even take a postgraduate or PhD. It'll probably take another ten or twenty years."

'So,' Jiang Zhi narrowed her eyes and said word by word, "Let's wait slowly."

Jiang Lingzhi purely wanted to suppress his arrogance.

He talked dirty all day long.

Today, he would teach him to recognize reality.

After she finished speaking, Jiang Lingzhi said, "Goodbye." Before he could react, she carried her bag and turned around to leave.

His back view was extremely ruthless.

Li Shunan lay on the sofa. When he came back to his senses, the girl had already disappeared from the courtyard door.

Thinking of what the girl had just said, he could not help but chuckle.

After the girl left, the entire house fell silent.

It also took away the last bit of excitement.

Li Shunan stared in the direction of the courtyard door for a while, and the smile on his lips gradually disappeared. He withdrew his gaze, took out the card from his pocket, and gently rubbed it with his fingertips.

When Sun Yan called, it was already eight o'clock at night.

The lights in the living room were on.

The room was very quiet, with the occasional meowing of a cat.

Li Shunan leaned back on the sofa, his long legs bent as he stepped on the edge of the sofa. He had a cigarette between his thin lips.

In front of him was a CET-6 English review material.

She was holding a pen in her hand and checking the answers to the multiple-choice questions.

He did his homework in a casual manner, not giving the impression that he was studying seriously.

The phone vibrated gently on the coffee table, and a buzzing sound came from it.

Li Shunan's peach blossom eyes narrowed. He held the cigarette between his fingers and gently shook off the ashes. He bent down and picked up his phone to take a look.

Sun Yan called.

He bit the cigarette butt in his mouth and pressed the answer button.

"Speak."

It was a lazy word..

Chapter 325: It Was Clearly... I Liked It First

After being forcefully dragged home, the more Sun Yan thought about it, the more he felt that something was wrong.

After struggling until now, he felt that it was too uncomfortable not to figure it out. He had endured it for so long, but he still could not help it.

That was why he called to ask.

After picking up the call, he went straight to the point. "Brother Nan, do you still remember Lin Beiyu's white moonlight girl?"

There was a second of silence.

Brother Chennan usually wouldn't say a word when he called.

Basically, they were all perfunctory with one syllable.

Sun Yan was already used to it. He pretended that he didn't remember and reminded him, "It's that photo. Do you still remember? At that time, many of us had even passed it on to everyone. Brother Yu even threatened to chase after her..."

It seemed that she did not have the patience to listen to him reminisce about the past.

Li Shunan then spoke in a lazy voice without a trace of emotion. "If you have something to say, say it." "You remember?" Sun Yan choked.

What the f \* ck?

Why was his tone so calm?

"You really remember?" Sun Yan asked. So you knew that she was the girl in the photo?"

There was no sound from the other end.

"What do you think?" Sun Yan couldn't help but ask. You got Brother Yu's moonlight? If he comes back at that time..."

"So what?"

Without waiting for Sun Yan to finish speaking, a few words came from the other end of the phone.

These four simple words were enough to tell that he was arrogant and willful.

He did not take the matter of intercepting them halfway to heart at all.

Sun Yan's remaining words were stuck in his throat.

Li Shunan's peach blossom eyes were half-closed. He put out the cigarette butt in his hand and threw it into the ashtray. His voice was slightly hoarse as he asked casually, "Is there anything else?"

Sun Yan immediately fell silent.

He had no more questions.

The person involved was so calm that it made him seem like the emperor was not in a hurry to kill a eunuch.

Thus, he calmed down.

"Ah, since you like it, I will definitely support you."

Sun Yan racked his brain. "Brother Yu didn't manage to get her back then either, so you didn't snatch her away. He shouldn't be unreasonable."

"Although he liked the girl first, it's been so long. Maybe he doesn't like her anymore."

"Besides, you have to be willing to do this. You and Sister-in-law like each other. Even if Brother Yu comes back, it won't change anything."

Sun Yan mumbled to himself as if he was brainwashed.

He rambled on and on, but Li Shunan only heard one sentence.

Although he was the one who liked the girl first...

Li Shunan didn't react until he heard this.

He half-opened his eyes and the corners of his lips curled up. His Adam's apple slowly moved as he muttered, "The girl he liked first?"

Sun Yan was about to say something, but he shut his mouth when he heard him.

He didn't understand what she meant.

The next second, she heard an even softer voice from the other end of the phone. "It's clearly... I liked it first." Sun Yan's voice stopped abruptly.

There was silence for two seconds.

Brother Nan, what did you just say?"

Sun Yan didn't quite understand. After thinking for a while, he asked hesitantly, "You mean, when you were in junior high.

"I'm hanging up."

Li Shunan didn't wait for him to finish his words before he hung up.

All the voices came to an abrupt end.

Li Shunan threw his phone aside and lowered his eyes. He took another cigarette from the pack and played with it between his fingers, but he didn't light it.

White moonlight.

Who wasn't?

Chapter 326: Coaxing Her Back

Time flew by, and it was already the end of November, the day of thanksgivings.

The cold air was coming. Recently, the temperature of the house had been getting lower and lower.

This time, the monthly test was brought forward by two days, and the results were released on Friday afternoon.

Jiang Lingzhi lived up to everyone's expectations and once again got first place in the grade.

On the grade ranking.

There were two names on the red list.

First place: Jiang Lingzhi, 712

Second place: Li Shunan, 709

Class Eight once again held their heads high. Two of them were in the top three of the grade. Hao Weiwu walked with a lot of pride.

He was about to enter the classroom with a test paper under his armpit.

When Hao Weiwu walked to the classroom door, he happened to meet the form teacher of the other class.

It was a female teacher, and she called out to him, "Teacher Hao, I heard that your class has another top three student in the grade."

Hao Weiwu stopped in his tracks, unable to suppress the joy in his eyes. He started chatting with her, "That's right. To be precise, the first and second place in the grade are the students of our class.

He even emphasized that it was the same as last time.

He was afraid that others would not know that he had already gotten into the top three of the grade twice.

"..The female teacher was a little envious." You're the best. You've always been better than the special class in every exam. Now, the school knows that

Teacher Hao is very capable and is a gold-medal teacher."

Hao Weiwu replied politely, "It's nothing. The children are already outstanding. I just played a guiding role. They have to rely on their own efforts."

At this point, his tone could not help but carry a little pride. "But speaking of which, the two children are also very obedient. It's probably because my seating arrangement is good that the two of them help each other. This is what we call mutual progress."

The female teacher was speechless.

They were standing at the back door of the classroom.

The people near the back door of the classroom could hear their conversation.

The corners of Jiang Lingzhi's mouth twitched.

Teacher Hao had probably forgotten her original intention of transferring the two of them away.

She glanced at her deskmate.

Li Shunan fell asleep on the table again. Half of his face was buried in his elbow, and the Mathematics paper that had just been handed out was placed next to his hand.

Jiang Lingzhi stretched out her hand and picked up his test paper to take a look.

All the questions in front were correct. They were all red and very eye-catching, except for the last question, which was left blank.

14 points deducted.

He was ranked second by three points.

Jiang Lingzhi was speechless.

This person was too obvious.

Couldn't he just let her move aside inadvertently? It was obvious at a glance that she was doing it on purpose.

However, Jiang Lingzhi quickly felt relieved.

Alright then.

It was probably a problem for a top student to write wrong questions.

Hearing the ringtone, Li Shunan opened his eyes in confusion and saw the girl's side profile. He sat up straight and leaned back.

His eyes were tired and lazy.

Jiang Lingzhi glanced sideways at him. She raised her hand and tapped her fingertips on his test paper. She stared at him and said, "Student Li, why didn't you write this question?"

Li Shunan lowered his eyes and looked at the spot where she was pointing.

He stared at it for a while and seemed to have not recovered yet. After pausing for two seconds, he calmly threw out two words, "I wouldn't dare."

He didn't expect to hear such a word.

Jiang Lingzhi looked up.

"I'm scared." Li Shunan raised his eyebrows and leaned against the wall. He said lazily, "If I steal your first place in the grade, I'll have to spend a lot of

effort to coax you back.."

Chapter 327: Then Don't Cry

"This kind of mistake, making it once is enough. "Li Shunan chuckled.

Jiang Lingzhi was speechless.

What he should be talking about was the time when he accidentally got first place in the grade and she moved away from him.

Jiang Lingzhi explained, "There was a special reason for that last time, okay? I was not angry because you did better than me."

Li Shunan leaned forward and supported his head with one hand, staring at her with gentle eyes.

"I did it because of you." When she said this, Jiang Lingzhi paused.

How to explain this?

Forget it.

"Don't do this next time." Jiang Lingzhi tried to wake him up. She thought of the two names on the grade ranking list.

Even if it was a flip, it was not a big deal.

First place: Li Shunan

Second place: Jiang Lingzhi

If it was changed to this, it would work too.

Jiang Lingzhi said honestly, "Anyway, you can take the exam based on your real ability. Even if you are above me, I will be quite happy."

She was simply expressing her happiness by flipping his name over hers.

" Ah." After hearing this, Li Shunan's eyes became meaningful, and his tone became a little more subtle,""Do you like me on top?"

Jiang Lingzhi was speechless.

Alright, then I'll be above you from now on." Li Shunan leaned closer, lowered his voice slightly, and teased,""Then don't cry."

Every time he spoke in such a tone, he was being indecent again.

Jiang Lingzhi took two seconds to react to the twists and turns in the paper. She almost could not help but slap the paper on his face.

She endured it and placed the test paper on his desk, preparing to retract her hand.

When her hand was in mid-air, he easily grabbed her wrist.

Li Shunan's peach blossom eyes curved slightly and he smiled casually. He grabbed her wrist and pressed it under the table. He explained in a very unnecessary manner and dragged his tone."I said that I stole your first place in the exam. Don't cry."

Jiang Lingzhi was speechless.

The last period on Friday was self-study.

Jiang Lingzhi finished writing a biology test paper and took out her phone from the hole in her desk to look at the time.

School was about to end.

Tomorrow was the weekend, so there was a lot of homework.

Jiang Lingzhi tidied up the homework for each subject and stuffed it into her school bag.

Li Shunan leaned against the wall and asked lazily, "Tonight, can you come out at eight?"

Jiang Lingzhi's fingers that were packing up her homework paused for a moment. She looked up and said, "Tonight? What's the matter?"

"Yeah," Li Shunan said lazily. "I heard that there will be fireworks tonight, so I want to take you to see them. I also have something for you."

The fireworks...

It just so happened that today was the day of the holiday, and there was a fireworks show being prepared by the riverside. Many people in the school were discussing this matter today.

She had wanted to go and take a look.

But Jiang Lingzhi suddenly thought of the last time, and she almost got caught.

Perhaps it was because Susie's resignation from her relationship was discovered, Lu Yuping was inspired and became more serious recently.

Every time she went out, she would ask questions.

Jiang Lingzhi was a little troubled. "I don't think so. My mother has become more cautious recently. She's worried about me going out alone. If I say that I'm going to Ah Ci's house, she'll call and ask again."

Jiang Lingzhi hesitated. "What do you want to give me? Is it important?"

Li Shunan glanced at her and chuckled. He didn't seem to mind. "It's okay. I'll give it to you next time.."

Chapter 328: Love Makes One Look haggard

When Jiang Lingzhi returned home.

Lu Yuping had just finished preparing the food when she found out that it was time for her to finish school. When she heard the sound of the door opening, she looked up and said, "Zhizhi is back."

The lights in the entire hall were on, and the aroma of food wafted through the living room.

Jiang Lingzhi closed the door behind her and changed into slippers at the entrance. She replied, "Yes, I'm back."

"Go wash your hands and eat." Lu Yuping turned around and was about to enter the kitchen when she said, "By the way, Xiaoxue is in your room. Ask her to come down and have dinner with us."

"Little Xue is here?" Jiang Lingzhi was stunned for a moment before she became happy again. She hurriedly changed into her slippers and hopped upstairs. "I'll go and get her to eat."

As if she had thought of something, Lu Yuping retreated from the kitchen and hurriedly called out to her, "Zhizhi."

Jiang Lingzhi happened to walk to the stairs, and her footsteps suddenly stopped. "What's wrong, Mom?"

Lu Yuping looked at her and asked, "The exam results are out?"

Only then did Jiang Lingzhi remember that she had not told her the results of the examination this time. She nodded her head and said, "Ah, I'm out. I got 712."

After saying that, he paused for a moment and added unwillingly, "First place in the grade."

Hearing this, Lu Yuping nodded in satisfaction. "You did quite well these few times."

Suddenly thinking of something, Lu Yuping's voice became softer, as if she was afraid that the people upstairs would hear her. "However, I think Xiaoxue is not in a good mood. Don't mention your results in front of her later. You're already in your third year of high school. The pressure is quite great."

Jiang Lingzhi did not think that Xiaoxue was in a bad mood because of her grades, but she did not explain too much. She still nodded and said, "I understand."

Lu Yuping turned around and walked to the kitchen."

Jiang Lingzhi went back upstairs and pushed the door open. There was someone sitting in front of the desk, and they were still sitting in the same old spot.

Jiang Lingzhi's gaze fell on the long and thin cigarette between her fingers.

She walked in, closed the door behind her, took off her bag, and sat down on the bed opposite Fu Baixue.

Jiang Lingzhi wrinkled her nose and muttered softly, "You'd better not smoke in the future. It's so pungent. I don't know what's there to smoke."

Fu Baixue raised her eyebrows and realized that something was wrong. She said slowly, "How do you know it's that bad?"

"Hey, I dropped a pack of cigarettes here last time."

Jiang Lingzhi was speechless.

Fu Baixue put out the cigarette in her hand." That won't do. I won't smoke in front of you in the future. I can't be a bad influence on children.'" Jiang Lingzhi was still upset that she had sold herself out.

He got up and walked to the window. He pushed it open to let the smoke dissipate and let the air in.

Jiang Lingzhi walked back and sat on the bed. She thought about what Lu

Yuping said just now. "I heard from my mom that you're in a bad mood?"

After saying that, he looked at her carefully and commented, "You've indeed become much more haggard."

"Because of love?" Jiang Lingzhi asked in confusion, "Love makes people haggard?"

Fu Baixue didn't expect her to see through her so quickly. She turned her chair around and said, "No, I'm already in love. The only thing that can make me haggard is money."

Jiang Lingzhi's fingers paused for a moment.."

Chapter 329: Haven 't Made Up

' No," Fu Baixue tapped her fingers on the armrest of the chair and said softly, "I don't need to be haggard over a pig."

"..""Then why?" Jiang Lingzhi asked.

Jiang Lingzhi suddenly remembered that her mother seemed to be hospitalized. "Is it because of family matters?"

Ever since their family went bankrupt, Mother Fu's health had not been very good. Fu Baixue had to work part-time to earn her medical expenses.

These days, the hospital, bar, and school were all busy. He was as busy as a spinning top and did not even have the time to catch his breath.

Fu Baixue sighed. In front of her, her expression relaxed. "I just feel a little tired. I'm almost suffocated by this damn life."

Jiang Lingzhi fell silent. She knew about her family's situation, and she could not be bothered to joke with her anymore.

Since he was so tired...

She took out a bank card from the drawer of her desk. "Then, take this money and use it."

Fu Baixue raised her eyebrows."

"I don't need it." She pushed the card back."

Jiang Ling knew that she had her own pride and was unwilling to accept charity from others. She simply said the truth, "This money isn't mine."

Fu Baixue glanced at her.

Jiang Lingzhi's dark eyes stared at her, and her lips curved into a smile. "It's your Brother Pig's. I've scammed him a lot."

Fu Baixue was speechless.

Fu Baixue was amused by her and laughed. "There's really no need. I have money. I just feel tired, so I came to talk to you. Keep it."

Jiang Lingzhi sat down on the edge of the bed. She let out an "oh" and grabbed her long hair. "Then I'll go with you to see Auntie another day."

Fu Baixue glanced at her and smiled. "Sure."

Jiang Lingzhi suddenly thought of something. "

This breakup seemed to take longer than any of the previous ones.

"No." Fu Baixue didn't seem to care. "I feel like the distance between us is getting further and further. I'm worried about daily necessities all day long, while he only wants to fall in love."

Jiang Lingzhi seemed to understand.

She really didn't know much about their relationship, and it wasn't appropriate for her to interrupt.

Fu Baixue didn't say much. "Come out with me today and chat with me. I don't know who else to talk to except you. ""

"Are we going out?" Jiang Lingzhi hesitated for a moment. "I don't know if my mother will agree. ""

Fu Baixue patted her head. "It's okay. I'll talk to your mother. What's there to worry about when you're with me? ""

Fu Baixue stood up. "Change your clothes. I'll go tell Auntie. ""

Jiang Lingzhi sat on the edge of the bed and looked up at her. She nodded and said, ""Alright."

If it was Snowy who asked, then her mother should be quite relieved.

There was an eighty to ninety percent chance of success.

Taking advantage of this time, Jiang Lingzhi packed up her clean clothes and went into the bathroom.

In less than ten minutes, Jiang Lingzhi heard the sound of the door opening from outside through the bathroom door. She raised her hand and turned off the shower.

“Little Xue?”

Fu Baixue gently knocked on the door, and her lazy voice sounded outside the bathroom door. “It’s done. Stay at my place tonight and I’ll send you back tomorrow.”

When she heard this, Jiang Lingzhi’s eyes lit up with joy. She replied, “ Okay.” After she took a shower, she went to the bathroom to dry her hair. She changed her clothes before she opened the door and went out..

Chapter 330: I’ll Be Your Daughter For Once

Hearing the commotion, Fu Baixue looked up.

Jiang Lingzhi had just taken a shower. Her hair was still half-dry and hanging by her side. She did not need to wear her school uniform, so she changed back into her own clothes.

The girl was wearing a red shirt with puff sleeves and a pair of black overalls. She was beautiful, but her face looked good no matter what she wore. It was just that she looked too girly.

Fu Baixue stared at it for a while, then frowned and shook her head. "Do you have any more mature clothes?"

Jiang Lingzhi was speechless.

Fu Baixue complained, "She's young to begin with. She looks even more like a child in this dress. Those who don't know better might think that I brought a daughter out."

"..Jiang Lingzhi could not help but lower her head to look at herself. She hesitated and said, "Can't I? Then I can be your daughter for once today."

Fu Baixue: "Let's break up. I want to be good sisters with you. You want to be my daughter?"

Jiang Lingzhi was also amused. "Then what should I wear?"

Fu Baixue stood up, walked to her closet, and casually opened it.

They were all of this type.

Fu Baixue sighed. After searching for a long time, she finally found a spaghetti strap dress and a denim jacket. "Let's do this."

Jiang Ling reluctantly picked it up and glanced at it. "Wouldn't it be cold to wear such clothes in this weather?"

The temperature at night was only around 10 degrees Celsius, yet she was actually wearing a spaghetti strap dress. She was simply insane.

Fu Baixue glanced at her. "Take a taxi when you go out. You'll be warm when you get to the bar. You won't be cold. Besides, don't you have a jacket?"

Jiang Lingzhi's fingers that were holding the clothes paused. "'To the bar?'"

Fu Baixue explained, "Just a normal song. There's no age limit. We can chat and chat. I'll sing for you. "'

Jiang Lingzhi nodded and took the clothes into the bathroom. "'Alright, then I'll change my clothes."

Fu Baixue answered and sat on the chair waiting for her. She picked up a book and flipped through it.

When she came out again, Jiang Lingzhi had changed into the clothes that Fu Baixue had given her. She asked uncertainly, "'Is this okay?'"

The girl's long black hair hung down naturally, revealing her fair swan neck. Her collarbone was deep, and her figure was thin and slender.

The spaghetti strap dress was below her knees, revealing her fair calves. She wore a denim jacket on the outside. It was not too mature, but she did not look like a child anymore.

Fu Baixue put down the book in her hand and nodded reluctantly. She commented, "It's alright."

Jiang Lingzhi was speechless.

Fu Baixue stood up, put her hand on her shoulder, and walked out. "'Let's go. I'll bring you to see the world."

The two went downstairs together.

Lu Yuping had already placed the food on the dining table. She took off her apron and placed the chopsticks on the table. "I was just about to call you guys over for dinner."

The two of them sat down and had dinner in the dining room.

As expected, Lu Yuping did not say much. She only reminded them to be careful. Before she left, she pulled Jiang Lingzhi to the side and said a few words.

After all, she had watched him grow up. It was quite pitiful for her family to encounter such a change.

He asked her to guide Fu Baixue.

Jiang Lingzhi obediently agreed.

The car that Fu Baixue called was waiting outside the villa area. After the two of them came out, they got into a taxi.

Jiang Lingzhi sat in the back seat and looked at the street outside the window. She suddenly thought of what her deskmate had said to her in the classroom just now.

He had something to give her..
