

Little Girl 341

Chapter 341: It's Useless to Act Coquettishly

Su Xici pulled her arm and pulled her in front of her. She gritted her teeth and said, "Wait for me here. I'll go look for him, okay?"

Fu Baixue had been trying her best to hold it in, but when he pulled her into his arms, she felt terrible.

Before he could finish, Fu Baixue held his waist and spat in front of him. "Ugh..."

Su Xici was completely petrified. "..."

F * ck?

However, Fu Baixue did not seem to know what bad things she had done. After vomiting, she felt much more relaxed. She hugged the pillar beside her and fell asleep.

He simply did not feel guilty at all.

Su Sici lowered her head slowly and tried her best to endure it. Then, she squeezed out word by word, "Just you wait!"

He took off the coat that she had vomited on, raised his hand, and threw it into the trash can.

She took out her phone from her pocket, found Jiang Lingzhi's name, and made a call.

This place wasn't too far from the alley.

Li Shunan carried her on his back and walked back. The girl was light and weightless.

Her arms were wrapped around his neck, and the tip of her nose was gently pressed against the side of his neck. Her light breathing lingered, and her breathing was even and long, as if she had fallen asleep.

Li Shunan turned his head and saw the girl's lowered eyelids. The dim street light cast a faint shadow under her eyes. "You're so assured of me?"

The girl was sleeping soundly and could no longer hear any sound. Naturally, she could not respond to him.

Li Shunan stared at her for a while and said slowly, "I still owe a lot of education."

Jiang Lingzhi did not know if it was because she was cold, but she frowned slightly. She tightened her arms and moved closer to him. The tip of her nose brushed against the side of his face.

Li Shunan's body stiffened.

However, the girl was very natural. After doing this small action, she fell asleep very peacefully.

Li Shunan stared at her for a while, then he laughed lightly. "It's useless to act coquettishly. I'll settle the score with you tomorrow."

Back in the courtyard, Li Shunan was about to open the door when his phone rang.

The cycle repeated itself, causing the people to have headaches.

Jiang Lingzhi's eyelashes trembled, and she was woken up by the ringing of the bell. Her arms tightened a little. "So noisy." "It's your phone," Li Shunan reminded her.

Jiang Lingzhi yawned.

She looked at her surroundings and patted his shoulder gently. Her voice was soft and slightly nasal. "Then put me down."

Li Shunan paused and put her down.

Jiang Lingzhi seemed to be stunned for a while. She reacted for a few seconds before she realized that her phone was still ringing. She took her phone out from the pocket of her denim jacket.

"Hello?"

Su Xici's voice was cold, and it sounded especially annoying. "You're still at the

Jiang Lingzhi thought for a moment.

There was a second of silence.

"Where are you now?" Su Xi asked."

Jiang Lingzhi rubbed her eyes. She had just woken up, and she was still a little dazed. She went to ask Li Shunan, "Where am I now?"

The door was already open. Li Shunan raised his hand and turned on the light switch in the living room.

Hearing this, he looked up.

Su Xici obviously heard the commotion over there and asked again, "Who are you with?"

Jiang Lingzhi followed him in and replied honestly, "Deskmate."

"Oh, the one who beat me up last time?" Su Sici asked coldly."

Jiang Lingzhi was speechless.

“Give him your phone,” Su Xici sneered..”

Chapter 342: I Want to Take a Shower

Jiang Lingzhi replied with an “ oh ” and obediently handed the phone over.””Looking for you, deskmate.”

Li Shunan raised his eyebrows. It seemed that he was surprised that the person had asked to talk to him on the phone.

He raised his hand and took the phone. He took out a pair of slippers from the shoe cabinet and placed them in front of her. Then, he picked up the phone.”What’s the matter?”

His voice was low, and his tone was emotionless, making him seem even more distant.

After all, it was quite strange for someone who was not very familiar to ask for a phone call.

“What’s the matter, brother?” Su Xi said carelessly.”

“Li Shunan narrowed his eyes and snorted.”Who is your brother?”

The two of them had only seen each other three or four times in total, and one of them even had a very unpleasant physical collision.

Now, it seemed that this person was quite friendly.

Su Xici didn't mind and said, "Originally, I still remember the punch you gave me last time."

"But when I think about how you're going to be tortured by that little demon, why do I feel so good?" Su Xici asked.

Li Shunan was speechless.

"I'll leave that brat to you." Su Xici laughed gloatingly. "I'm reminding you, my brother, that little brat hasn't reached adulthood yet, so I'm just putting it on display."

Li Shunan was speechless.

Su Xici laughed again and said, "I really pity you, brother. You like a little brat..."

Li Shunan snorted and his eyes darkened. He didn't want to listen to his nonsense anymore. He said lazily and indifferently, "I'm hanging up."

Jiang Ling knew that she could not hear the content of their conversation. She lowered her head and looked at the pair of pink slippers. She kicked off the white shoes on her feet and put on the pair of slippers. She planned to walk towards the living room.

Li Shunan hung up the phone and handed it to her when she passed by. He looked up and said, "You childhood sweetheart."

Jiang Lingzhi stopped in her tracks and looked at him in confusion.

"Is there something wrong with your brain?"

Jiang Lingzhi was speechless.

Jiang Lingzhi took the phone, and her expression was still a little blank.

Li Shunan didn't say anything else. After handing the phone back to her, he raised his hand and rubbed her head. "Sit down on the sofa. I'll make you a cup of honey water."

Oh." Jiang Lingzhi nodded her head. She held her phone and walked towards the sofa.

The alcohol content was not high. Other than his reaction being a little slow, he did not look drunk at all.

Her state after drinking was different from others.

Li Shunan stared at her back for a while to make sure that she wouldn't bump into anything before he walked back into the kitchen.

Jiang Lingzhi sat on the sofa and felt that the air in the room was a little stuffy. She took off her denim jacket and threw it on the sofa beside her.

She was wearing a spaghetti strap dress, revealing her fair and thin shoulders and her exquisite collarbones.

Li Shunan was holding a glass in his hand. When he walked two meters away, he looked up. His eyelids twitched slightly and he stopped walking.

He looked around from top to bottom.

"Wearing so little, is it cold?"

"Ah?" Jiang Lingzhi raised her hand and touched her face. Her temperature was a little hot. "It's not cold. It's still a little hot."

Her face was flushed with alcohol.

Jiang Lingzhi turned her face sideways, and her dark eyes met his. "I want to take a shower.."

Chapter 343: It's Enough As Long as You're Willing to Like Me

Li Shunan paused for a moment, then walked over and handed the glass to her. He lowered his eyes and stared at her as he whispered, "Drink the water and go to sleep. You can wash up tomorrow."

Jiang Lingzhi still wanted to say something, but when she met his eyes, she did not say it out loud.

He took the glass and wrinkled his nose slightly. He was not too obsessed with the matter of taking a shower.

After she finished the water in one go, she placed the glass cup on the coffee table.

Just as she was about to straighten up, her gaze fell on the corner of the coffee table. There was a cake there.

Jiang Lingzhi stared at the cake.

After drinking, his mind was a little sluggish. He was stunned for a few seconds and asked slowly, "Whose birthday is it today?"

Li Shunan was stunned. He followed her line of sight and realized that the cake was still there.

They had just taken away all the mess, but not the cake.

Jiang Lingzhi was stunned for two seconds before she reacted. "You?"

She suddenly remembered.

No wonder he asked her if she could come out tonight at school. He said that he wanted to take her to see the fireworks and that he had something for her.

“So today is your birthday?”

She couldn't remember if they had ever talked about birthdays.

He had been focusing on his studies during this period of time and hadn't noticed much.

Jiang Lingzhi was a little annoyed as she scratched her hair. “I'm sorry, I didn't prepare a gift.”

The girl's tone was inexplicably filled with self-blame.

Li Shunan thought of the last time.

The girl looked like she was crying with red eyes.

Li Shunan sat down on the coffee table and faced her. “Why are you sorry?”

Jiang Lingzhi looked up and glared at him. “Then why didn't you tell me?” It makes me look... It makes me...”

Li Shunan chuckled.”

Jiang Lingzhi said dryly, “It makes it seem like I don't like you enough..

Wouldn't that give people the feeling that you like her more than I do?”

At this point, she thought of something and comforted herself, "However, you don't know my birthday either. It's just that my birthday has already passed, so..."

"I know."

Jiang Lingzhi was suddenly stunned. She looked up and said, "Hmm?"

"August 29th," Li Shunan said lightly.

".. " Jiang Lingzhi was dumbfounded.

Li Shunan stared at her, his light brown eyes carrying a bit of meaning. "It's true. I like you more. So, I don't need you to do anything. As long as you like me, it's enough."

Jiang Lingzhi was still in a daze. It was obvious that she did not understand what he meant.

Li Shunan raised his hand and gently rubbed his fingertips against her dimples.

He was unwilling to tell her.

There was once a time.

He was like a greedy peeping Tom, only daring to look at her from a distance in the dark.

In those dark days, she was the only light that could illuminate him.

He was like the dust in the mud, and she was the unattainable bright moon.

So, I'm willing to like him, I'm enough.

Li Shunan bent down and looked into her eyes with his light brown eyes. He whispered, "Besides, didn't I already receive the gift?"

Jiang Lingzhi blinked and did not react in time. "What?"

Li Shunan smiled and gently rubbed her head. "Isn't it right here?"

He had thought that he would not be able to see her tonight, but God had sent her to him again. Wasn't this the greatest gift?

"Is it me?" Jiang Lingzhi asked uncertainly..

Chapter 344: The Best Coming-of-Age Ceremony

Li Shunan chuckled.

Jiang Lingzhi felt that she had been played. "Are you kidding me? What kind of gift is this?"

She racked her brain to think of what she could give.

If she had known earlier, she could have gone to buy it, but it was almost past midnight now. What else could she buy?

"Doesn't count?"

Li Shunan's gaze slowly moved down and fell on her red lips. His eyes darkened and he gently rubbed his fingertips against her lips. "Then, can I be more greedy?"

Jiang Lingzhi blinked.” What did this mean?

Again... Greedy?

Li Shunan’s eyes gradually darkened, and his fingers tightened. He looked up and met her eyes. “Can I get a kiss in advance?”

Jiang Lingzhi’s body froze, and she did not have the time to react. Her dark eyes looked at him helplessly.

In advance.

Advance payment.

One.

She could understand these words when they were separated, but why couldn’t she understand them when they were put together?

Li Shunan seemed to be asking for her opinion, but his actions were extremely forceful.

He bent down slightly, and his tall figure instantly approached her. He raised his hand and gently pinched her chin with his fingers, lifting her face up.

Jiang Lingzhi was sitting on the sofa, but she was shorter than him. She had no choice but to raise her head to look at him.

Li Shunan’s Adam’s apple moved slightly, and his long and narrow peach blossom eyes stared at her without blinking.

“I like this gift very much.”

His voice was very low and carried a hint of anger. It was inexplicably bewitching.

At this moment, everything was deliberately slowed down.

His thin lips slowly pressed against hers, cold and hot.

The surroundings were very quiet, as if nothing could be heard.

Only he...

Jiang Lingzhi's eyelashes trembled slightly, and her heartbeat stopped in an instant. She subconsciously held her breath.

The only thing she could feel was his aura, which was close at hand.

It carried an extremely strong tobacco smell that occupied all her senses. It was clearly just a short stay. In less than a second, he restrained himself and retreated.

Jiang Lingzhi's entire person froze there, and she could not come back to her senses for a long time.

The touch on her lips was something she could not ignore. It carried an extremely strong sense of existence.

"Yes."

Li Shunan stepped back and stared at her. His light brown eyes were filled with gentleness and his voice was slightly hoarse. "The best coming-of-age ceremony."

Jiang Lingzhi felt as if she had been drained of all her strength in an instant.

He finally realized what had just happened.

Her face was burning again, and even her ears were hot. The drunkenness that had subsided just now seemed to be rising again.

His heart pounded against his chest, and the sound was amplified infinitely. Jiang Lingzhi's eyes were filled with a layer of water vapor. "You..."

Li Shunan placed his palm on the back of her neck. The warmth of his palm was constantly transmitted to her, and it was so hot that she couldn't think normally.

His fingers gently caressed her cheek. "Are you scared?"

Jiang Lingzhi could not help but shrink back.

Li Shunan's gaze fell on her fair shoulders. He raised his hand, picked up the coat on the sofa next to him, and gently draped it over her shoulders.

Jiang Lingzhi returned to her senses.

She recalled what had just happened and her head buzzed.

She raised her hand and covered her mouth as if she couldn't believe it..

Chapter 345: An Advance Kiss

"Are you scared just like that?" Li Shunan lowered his eyes and chuckled. His lips curled up slightly. "Then what should we do in the future?"

“..”Jiang Lingzhi was completely awake at this moment. She took a deep breath and complained,“”Why don’t you, don’t you...”

He didn’t give her any time to react.

Just now, she was so nervous that she almost couldn’t breathe.

Li Shunan looked at her calmly and waited for her to finish her sentence.

Jiang Lingzhi stuttered for a long time before she said,“”.. You won’t let me prepare. ”

“Didn’t I ask you?” Li Shunan said lazily.” Jianz Linzhi blinked.” What did you ask me?”“” “Can I get a kiss in advance?”

“..”Jiang Lingzhi subconsciously replied, “Then I didn’t say that I could.

Li Shunan raised his eyebrows.”

“What?” Jiang Lingzhi asked.

Li Shunan licked his lips and said,“”I’m not asking you. I’m informing you. I’m informing you that I’ve given you an advance kiss.”

Jiang Lingzhi was speechless.

“Can’t you just be a little more shameless! ”

To think that he could say such a thing.

Li Shunan couldn't help but laugh out loud." Then I'll make a prediction in advance next time?"

Jiang Lingzhi was speechless.

"I'm going to kiss you," he said lazily."

As if he was practicing, he deliberately slowed down his tone and spoke word by word.

. Am I going to touch you?" "I want..."

Jiang Lingzhi was speechless.

Jiang Lingzhi's fingertips trembled. She felt that he would not be able to say anything nice next. She quickly raised her hand and covered his mouth."You're not allowed to say that!"

Li Shunan stared at her with a faint smile in his eyes. He grabbed her finger and kissed it."Alright, I won't talk about it today."

Jiang Lingzhi was speechless.

Why did she feel that he was trying to convey something like...

Alright, I won't talk about it today. I'll talk about it next time.

Sure enough, the next second, she heard his cynical tone again."We'll talk about it next time."

Jiang Lingzhi was speechless.

Li Shunan held her small hand in his and squeezed her fingers."Are you sleepy? Do you want to go to sleep?"

She had been asleep just now, but after that phone call, her sleepiness had dissipated quite a bit.

' Oh." Jiang Lingzhi seemed to have realized this problem. His house only had one room, and he asked slowly,""But, where do I sleep?"

Li Shunan chuckled and stopped teasing her." "You sleep on the bed today."

Jiang Lingzhi was stunned for a moment." I sleep on the bed. What about you?"

Li Shunan glanced to the side and said slowly, "'11 sleep on the sofa." Jiang Lingzhi was a little embarrassed."

She had occupied his room, but he could only sleep on the sofa.

He seemed a little apologetic.

Li Shunan pinched her little ear and took the remote control from the coffee table. He put it in her hand and said with a playful look, ""Why not? Do you really want to sleep with me?"

His voice was low and slow, and it always had a seductive sexiness to it. Especially when he deliberately lowered his voice, this feeling was even stronger.

She dragged her voice out as if she was trying to seduce him.

Jiang Lingzhi felt that she had already been seduced at this moment, and her heartbeat was inexplicably a little unstable, but she thought of what Fu Baixue had said before.

Girls should be reserved.

How could they sleep together when they were still not in a confirmed relationship?

It wasn't suitable!

Chapter 346: Make a Wish

Alright, then she should be a more reserved girl.

Jiang Lingzhi shifted her gaze away and muttered softly, "Then, then you should sleep on the sofa."

Li Shunan laughed and stood up straight. He said lazily, "You watch TV for a while. I'm going to take a shower."

Jiang Lingzhi held the remote control in her hand and nodded slightly. "Oh."

Li Shunan turned around and looked at the cake box. He raised his hand and took the cake. "Do you want some cake?"

They brought it over just now.

The men didn't like sweets, and no one dared to smear the cake on Li Shunan, so they left it here.

Speaking of cake, Jiang Lingzhi suddenly reacted.

She raised her head and glanced at the time on the clock. It was 11:57.

There were only three minutes left before his birthday.

Jiang Lingzhi raised her head and asked him, "Did you blow out the candles today and make a wish?"

Li Shunan didn't care at all. He lowered his eyes and looked into her eyes. "No need, I don't believe in that stuff."

Instead of believing in those illusory things.

He believed in himself more. As long as it was what he wanted, he would definitely get it. Moreover, he held it firmly in his palm.

Jiang Lingzhi wrinkled her nose and disagreed. "There are only three minutes left on your birthday. Why don't you make a wish?"

After saying that, she ignored his objections.

Jiang Lingzhi's entire body shrank down and curled up on the carpet between the living room and the sofa.

She opened the cake's packaging and found the candles inside. They were red and green and looked very beautiful. She took out one and stuck it on the cake.

Although it was his 18th birthday, there were not enough candles. If he lit all of them, he would waste too much time.

Jiang Lingzhi chose a pink one and stuck it in it. She turned her face sideways and asked him, "Just one. What do you think?"

Li Shunan raised his eyebrows.

"Don't you like it?" Jiang Lingzhi asked hesitantly. Let you experience the romance of a little princess."

Li Shunan put one arm on the edge of the sofa and chuckled. His chest was shaking slightly as he said casually, "Alright, be a little princess for once."

Jiang Lingzhi opened her palm to him."

Li Shunan looked up and took out a lighter from his pocket.

Jiang Lingzhi lit the candle with a lighter and instructed him, "You go to turn off the lights."

Li Shunan licked the corner of his lips and chuckled. He pushed his palm back and stood up obediently. He walked over and turned off the lights in the living room.

The entire room darkened, leaving only the dim candlelight on the coffee table.

Jiang Lingzhi looked at the time.

23:58.

Jiang Lingzhi urged, "Hurry up. There are only two minutes left."

Li Shunan wasn't anxious at all. He walked over slowly and sat down beside her.

Under the dim light, the two of them sat on the carpet in front of the coffee table.

Their shoulders were pressed together.

Jiang Lingzhi turned her face sideways and stared at him without blinking. She reminded him softly, "Close your eyes and make a wish."

Li Shunan narrowed his eyes and licked his upper jaw.

Although she had never done such a sissy thing before, she still closed her eyes as she wished.

Under the dim yellow light, the young man's skin looked even paler. The black hair in front of his forehead drooped naturally, and his feather-like eyelashes drooped slightly. His facial features were smooth and three-dimensional, like a still painting.

Jiang Lingzhi just looked at him and felt that Shi Guang's silence was perfect..

Chapter 347: I Like You

In the next second, as if he had finished making his wish, he opened his eyes unexpectedly and met her gaze.

Jiang Lingzhi did not have time to react. She did not expect him to make a wish so quickly.

She stared blankly at him.

That pair of peach blossom eyes always had a gentle expression, as if they contained light, wanting to suck her into his world, affectionate and loving. Jiang Lingzhi felt her heart beating faster and faster. After a while, she looked away unnaturally.

She felt her cheeks heat up again.

She looked up at the time on her phone.

It was 11:59.

Jiang Lingzhi reminded her softly, "Are you done?" Blowing out the candles."

Li Shunan stared at the little girl's ears that were red from embarrassment. The corners of his lips curled up slightly. He bent down slightly and blew out the candle.

The moment the candle went out, it was exactly o o'clock. The timing was just right.

The room fell into darkness.

He had finally completed his wish one second before his birthday.

Jiang Lingzhi heaved a sigh of relief, but at the same time, she was a little curious."What wish did you make?"

Li Shunan turned around and stared at her with his deep eyes.

The light in the room was very dark. The lights were not turned on, and the candlelight was extinguished.

A small piece of moonlight shone in. Under the crisscrossing light and darkness, the pair of eyes seemed to hide the stars in the night sky.

Jiang Lingzhi licked her lips and turned her face away."Forget it, don't tell me.

It won't work if you tell me."

Li Shunan half-closed his eyes and leaned his tall body back against the sofa.

He said casually, "I thought you were going to fulfill my wish."

Jiang Lingzhi was a little uncertain." Yes, can I fulfill my wish?"

She hesitated for a moment.

“Then tell me in a low voice?” Jiang Lingzhi carefully moved her ear closer.””I’ll try my best to help you realize your reality.”

Li Shunan lowered his eyes, and his interest grew stronger. He also moved closer to her, and his thin lips moved closer to her ear. He said slowly, “I hope my girlfriend will grow up quickly...”

Jiang Lingzhi looked up.

After a pause, Li Shunan’s gaze fell on her lips and he said,””Then I can think of how to kiss. Just kiss me like that.”

Jiang Lingzhi was speechless.

After blowing out the candles, he went back to his room. He didn’t seem to like cake, so he cut her a piece.

Jiang Lingzhi put on a coat and curled up on the sofa. There was a piece of cake on the coffee table in front of her.

She stared at the TV for a while, not knowing what was playing at all. She was a little sleepy.

Soon, the sound of water flowing could be heard from the room.

Jiang Lingzhi yawned. She picked up the pillow beside her and hugged it in her arms. She tilted her head and leaned against the sofa behind her, and her eyelashes became heavier and heavier.

After an unknown amount of time, her head slid down the sofa bit by bit.

Li Shunan was dressed in a simple white shirt and black pants after taking a shower. There was a towel around his neck, and his hair was still half-dry and hanging in front of his forehead, making him look a little young.

When he came out of the room, the girl had already fallen asleep on the sofa.

Li Shunan paused and stared at it for a while.

He walked over, bent down slightly, and picked the girl up horizontally.

Jiang Lingzhi's coat fell off her shoulders, revealing her fair shoulders.

As if she had sensed something, the little girl wrapped her slender arms around his neck and pressed the tip of her nose against his neck. She called out softly, "Ah Shu

Li Shunan paused."

Jiang Lingzhi did not open her eyes. She was extremely tired as she muttered softly, "I like you.."

Chapter 348: Method of Awakening

After saying this, she stopped moving. Her breathing was even and long, like a murmur in her sleep.

Li Shunan lowered his eyes, his Adam's apple moved slightly, and he said in a low voice, "Yeah, I like you too."

When Jiang Lingzhi woke up, the curtains blocked most of the light. She could not tell the time. She turned over, and at this moment, she did not realize that something was wrong.

She opened her eyes and stared at the dark blue pillow for two seconds.

She realized that she had never seen bedsheets of this color in her room.

Her mind slowly cleared up.

Oh, I drank yesterday, then went home with my deskmate and celebrated his birthday.

Although she said that she was celebrating his birthday, she didn't actually contribute anything.

She even rubbed a piece of cake on his bed.

Jiang Lingzhi rubbed her eyes and sat up on the bed.

Speaking of contributions...

She remembered that she had offered a kiss.

Jiang Lingzhi's fingertips trembled.

Kiss...

A kiss...

And the last sentence in her memory. "Kiss me however you want..."

Stop, I can't think about it anymore.

If he thought about it again, he would go crazy again.

The room was very quiet. The curtains were drawn and the light was a little dim. She glanced at the alarm clock on the bedside table.

It was half past seven.

Jiang Lingzhi was still wearing the dress from yesterday. She got out of bed, pulled on her pink slippers, walked to the door, and gently pushed the door open.

The living room was also very quiet.

There was a person lying on the sofa. He was tall and had long legs. Lying on the sofa seemed a little limited. He had one hand behind his head and his face was slightly tilted into the sofa. His jawline was very clear.

Jiang Lingzhi approached her gently.

Seeing that he was in such a deep sleep, she did not wake him up. She picked up a thin blanket beside her and gently shook it open to put it on him.

She turned around and returned to her room, entering the bathroom.

Jiang Lingzhi found a new toothbrush in the cabinet on her own. After washing up, she tied her hair into a braid and hung it by her side.

After coming out of the room, Jiang Lingzhi picked up the coat beside her and put it on. She changed her shoes and went out.

The weather was getting colder.

From afar, he could see the steam coming from the roadside stalls selling breakfast.

Jiang Lingzhi bought soy milk and youtiao to take away. She also bought two freshly baked meat buns.

While eating the meat bun, he walked back.

When she returned to the house, the boy was still in the same position.

Jiang Lingzhi changed her shoes at the door and gently closed the door. She walked in and placed the breakfast on the coffee table.

She had nothing to do in the house, so she squatted beside the sofa and stared at the boy's side profile while munching on the meat bun.

Her deskmate was really good-looking.

Jiang Lingzhi quickly finished eating a meat bun.

She was not full.

He reached out and picked up another meat bun on the coffee table, intending to continue eating.

She held the meat bun and turned around. The boy lying on the sofa had opened his eyes.

His peach blossom eyes were still a little confused as he stared at her. Jiang Lingzhi was caught off guard as she met his eyes.

"Mom, why are you awake?"

Li Shunan frowned slightly. Noticing her movements, he sat up from the sofa.

Realizing the current situation, his voice was a little hoarse from just waking up. "What kind of awakening method is this? Still... Quite creative."

Squatting beside him and eating so happily, who could sleep?

Chapter 349: Her Foot Was Wrenched

"I'm hungry."

Jiang Lingzhi simply sat on the ground and opened the plastic bag. She took a big bite and mumbled, "I even bought you breakfast."

She was holding a meat bun in her hand and her cheeks were puffed up. She looked a little funny.

Li Shunan chuckled, stood up, and stretched out his hand to her.

Jiang Lingzhi stared at his palm for a while. She placed her hand in his palm and was about to follow his strength to get up before she realized that something was wrong.

"No." Halfway through, she sat down again.

"I think I sprained my ankle."

"Why didn't you call me?" Li Shunan glanced at her, bent down, and naturally picked her up horizontally, placing her on the sofa.

His tall figure was half-squatting in front of her, his palm pinching her ankle.

The girl was wearing a knee-length dress, revealing her fair and delicate calves. Her legs were very beautiful, straight and slender.

I sprained my ankle just now, and it's a little red.

Jiang Lingzhi was sitting on the sofa. She sprained her ankle, but she was still chewing on the bun happily. "You were sleeping so soundly. Why would I call you?"

Li Shunan lowered his eyes and gently turned her ankle. He looked up at her. "Does it hurt?"

Jiang Lingzhi felt it for a while, and she felt that it was within an acceptable range. "A little."

Li Shunan frowned and asked subconsciously, "Is it the leg that was injured before?"

As soon as she finished speaking, Jiang Lingzhi's fingers that were holding the bun paused. She felt that it was a little strange. "How did you know that I was injured before?"

It had been a long time since she had injured her foot. It had happened when she was in junior high school.

Li Shunan's fingers paused for a moment. When he looked up again, there was no change in his emotions. He said calmly, "You said it before."

Did he?

Jiang Lingzhi recalled carefully. "Did I say that?"

She couldn't remember if she had said it before.

She started learning dance when she was six years old. She originally studied folk dance, but later changed to ballet. In the second semester of the second year of junior high school, she sprained her ankle and used a cane for a while.

Lu Yuping was afraid that it would affect her studies, so she didn't let her continue dancing.

That was why she had no choice but to give up.

Did she really tell him about her leg injury?

Jiang Lingzhi suddenly thought of last night.

He actually knew her birthday.

Just as she was thinking along this line of thought, the next second, she heard the boy's deep voice speak. 'You won't dance in the future?'

Dancing...

Jiang Lingzhi was instantly pulled back to her senses. Her cheeks puffed up as she pondered for a moment.

She actually liked dancing very much back then.

However, Lu Yuping felt that the piano was good, and it just so happened that she was in her third year of junior high school. She was worried that learning too much would affect her entrance to No.1 Middle School, so she asked her to give up dancing.

She had actually been sad for quite a while back then.

She was actually quite passionate about dancing.

"I don't know either. I've never thought about it." Jiang Lingzhi was depressed.

She habitually listened to Lu Yuping.

It had been so long that she no longer thought about it.

Jiang Lingzhi looked up and thought of what he said in school yesterday. "By the way, what did you say you were going to give me yesterday?"

Li Shunan looked up and met her eyes.

He half-squatted in front of her and put his arm on his knee. After a moment of silence, he raised his hand and took a necklace from his neck..

Chapter 350: That CoCoin

Jiang Lingzhi stared at it for a while. "'This is...a necklace?"

It was a silver necklace with a ring on it. It lay quietly in his palm.

Li Shunan looked up."

Jiang Lingzhi was stunned for a moment.

Li Shunan chuckled and explained, "'The love token you gave me."

".." Jiang Lingzhi suspected that she had lost her memory."

Li Shunan licked his lips and held the ring in front of her. "That coin."

It had been a few months. She might have forgotten.

Li Shunan reminded her slowly, "At that time, on the bus, you dirtied my shoes and cheated me of 380 yuan to compensate me with that coin."

Jiang Lingzhi was speechless.

The smile on Jiang Lingzhi's face froze. She finally remembered. "Oh, the first time we met, when I stepped on your shoes?" However, did he have to make it sound so... Straightforward.

What did he mean by lying to him?

It was not easy to get rid of the title of liar. Why was it brought up again?

Moreover, didn't she return it to him later on?

Li Shunan's thin lips curved slightly, but he didn't refute.

"It's been so long, and you still keep it?" Jiang Lingzhi took the necklace and looked at it in her palm for a while. The coin turned into a ring. It was quite

magical.

'Yes,' Li Shunan replied lightly.

Jiang Lingzhi lowered her head and played with the ring in her palm. "But yesterday was your birthday. Why did you give me a present?"

Li Shunan's light brown eyes flashed with interest as he said lazily, "Courtesy should be returned. After all, I received the best gift yesterday."

Speaking of this, Jiang Lingzhi remembered the kiss from yesterday. She raised her hand to interrupt him. "Alright, you can stop now. Don't mention this topic anymore."

It was still a little embarrassing to bring it up.

The girl looked calm on the surface, but the tips of her ears were actually red.

Li Shunan looked at her and smiled lazily.

At that time, he was just teasing her.

He didn't expect her to believe him. In order to wash away her title as a liar, she was quite persistent.

Jiang Lingzhi played with the ring, and she simply could not put it down. She cleared her throat, opened her palm, and stretched it out in front of him. "Then help me put it on."

It was the first time she received such a special gift, and she couldn't hide the smile on her lips.

Li Shunan lowered his eyes and picked up the necklace in her hand. He stood up straight and leaned slightly toward her.

This posture was like he was holding her in his arms.

His fingers ran through her long hair and around her neck.

He was a little close to her, and Jiang Lingzhi subconsciously held her breath.

After putting it on, Li Shunan stepped back slightly and his gaze fell on her collarbone.

A silver necklace with a ring on it complemented each other on her fair and slender swan neck. It was exceptionally beautiful.

Jiang Lingzhi lowered her eyes and looked at the ring on her chest. Her fingertips gently rubbed it as she thought, "the meaning of giving a ring?" She was purely curious.

When other people gave him rings, they usually wore them on their fingers, but he wore them on his chest.

"Yes."

Hearing his affirmative answer, Jiang Lingzhi raised her head and looked into his eyes. "What is it?"

Li Shunan placed his hands on the edge of the sofa and trapped her between his arms. He pressed his thin lips to her ear and whispered, "Use my ring to hold your heart."

Jiang Lingzhi was stunned.

He paused for a moment before continuing slowly, "From now on, you can only be mine.."
