

Little Girl 361

Chapter 361: 361:

After math class.

Jiang Ling knew that the water in the thermos was all gone. She took the cup and walked out of the classroom, planning to get a cup of hot water.

The hot water was at the end of the corridor, opposite the stairs.

In this weather, there were quite a number of people who came to fetch hot water after class.

Most of them were girls. They were in groups, chatting as they fetched water.

Jiang Lingzhi held a thermos and stood at the end of the line. She waited for a while before it was her turn.

She was already at the back of the line, so there weren't many people here after she got the hot water.

Jiang Lingzhi closed the lid and turned around to go back to the classroom.

When he passed by the stairs, he saw a familiar figure on the floor below.

She had heard that boys 'body temperatures were half a degree higher than girls', but she did not know if it was true.

Anyway, he was indeed wearing very little.

In such cold weather today, the young man wore a round-neck sweater and a baseball jacket. His height was too superior, and his body proportions were very good. He could wear ordinary clothes and look very stylish.

The main reason was that this person was too ostentatious. Amongst all the uniforms, he was the most eye-catching and was always seen at a glance.

Jiang Lingzhi stopped in her tracks.

Actually, she didn't intend to eavesdrop, but she suddenly saw her deskmate, so she subconsciously stopped in her tracks.

Immediately after, the math teacher spoke in a very friendly tone, "This application form, fill it out and give it to me."

From Jiang Lingzhi's angle, she could only see half of the young man's side profile downstairs. Hidden in the dim light, the outline was a little blurry.

Li Shunan put his hands in his pockets and stood there loosely. He seemed to say something, but his voice was too soft and lazy, so she couldn't hear him clearly.

The math teacher smiled kindly. "Although you will only participate in the competition next year, you know that the competition for the school's guaranteed entry is very intense every year. The school will reserve this spot for you first. You just have to fill in the application form and submit it."

"The school values you very much, but you don't have to feel too much psychological pressure..."

Jiang Lingzhi was silent for a moment, and she was a little distracted.

"Jiang Lingzhi?"

Suddenly, someone called her name.

Jiang Lingzhi came back to her senses and looked over at the source of the voice. She saw He Dixian not far away.

Their classrooms were not the same, so it was a little strange to see him here.

“Class monitor?”

He Di walked over with a thermos in his hand.

Noticing her puzzled gaze, he took the initiative to explain, “Well, the boiler upstairs is broken, so I came down to get a cup of hot water.”

Jiang Lingzhi nodded. “Oh, I see.”

In fact, after the awkward situation on the basketball court last time, the two of them had not met again.

He didn’t expect to meet her here.

Jiang Lingzhi had been outside for a long time, and her nose was a little red from the cold.

He Dixian seemed to have noticed it and took out an unopened baby warmer from his pocket and handed it to her. “Is it cold? Someone gave me this warmer, so I don’t need it. I’ll give it to you.”

Jiang Lingzhi looked up and did not take it. “No need. It won’t be cold when we get back to the classroom.”

Her attitude was not enthusiastic, but even a little cold.

He Di didn't feel embarrassed. He retracted his hand and reminded her, ""Then hurry back to the classroom. It's quite cold outside."

Jiang Lingzhi nodded." Then I'll go back to the classroom first."

He Di touched his neck and pointed over there."It just so happens that I'm going to the 7th class, in the same direction."

Jiang Lingzhi was stunned and did not know what to say. She nodded."Oh."

Since it was on the way, the two of them walked towards the classroom together..

Chapter 362: My Child

At the corner of the stairs, the math teacher was still giving a long speech.

Li Shunan leaned against the wall, looking lazy and tired. He leaned back and changed his posture. Out of the corner of his eye, he saw a familiar figure on the top of the stairs.

He lifted his head and looked down just in time to see the girl wiping the

corner of her clothes as she left.

As well as someone who was half a step behind and was in the way.

Li Shunan's long and narrow peach blossom eyes narrowed, and his expression became more thoughtful.

The math teacher finally finished speaking and went to ask for his opinion."What do you think?"

Only then did Li Shunan retract his gaze. His expression was still very distant as he said casually, "I think..."

The math teacher had a confident smile on his face. He felt that no one would reject him.

What a good opportunity.

Anyone with a brain would gladly agree to an opportunity that others dreamed of!

He had also discussed it with the higher-ups before finally deciding on this quota.

However, he had clearly misjudged the school bully's thinking.

Li Shunan looked up and said lazily, "Why don't you reconsider?"

The math teacher subconsciously blurted out, "Ugh, is there still a need to consider..."

Realizing what he had said, the math teacher was stunned for a moment. "Ah?"

Did he say something wrong? Did he say 'I'll think about it'?

Why did it become 'you' to think about it?

What kind of strange person was this?

Li Shunan glanced at the application form and said, "I won't take this spot. You can consider others."

The math teacher was speechless.

This person's attitude was too casual, and he always gave people the impression that he was not listening very seriously.

The math teacher did not give up and planned to repeat it again." Did you not hear what I just said? I'll repeat it for you again..."

He definitely didn't hear it clearly!

The math teacher refused to admit that his self-esteem had taken a hit.

What was there to consider?

There were only three guaranteed students in the entire school. Did he not know what this meant?

Li Shunan tugged at the corner of his lips and said casually, "There's no need for a teacher. I'm purely competing, not aiming for the guaranteed entry."

The math teacher was speechless.

Then you're really too naive.

Li Shunan's lips twitched slightly, and his eyes looked a little mysterious." "Get another medal for my little friend to play with." His voice was a little low, as if he was talking to himself.

The math teacher was speechless.

What kind of strange statement was this?

The math teacher scolded him. The medals for participating in the competition were given to the naughty children at home to play with?"

Forgive him for calling him a little kid, the math teacher could only associate it with this.

Jiang Lingzhi, who was sitting in the classroom, sneezed inexplicably." Who's badmouthing me?

Li Shunan really just wanted to win a medal.

His girlfriend was studying every day.

His girlfriend looked so cute when she was studying.

If he didn't study, it would be a little embarrassing, so he planned to find something to do.

Moreover, his girlfriend had won so many trophies and awards. He could not fall behind. He had to work hard to catch up to his girlfriend.

At this moment, he heard the math teacher's childish argument.

Li Shunan paused, lowered his chin, and laughed inexplicably." "Ah, my child is a little naughty."

Chapter 363: You're Ruthless

The math teacher naturally didn't know about these strange thoughts in his mind.

He felt that this person was quite smart. Why was he so brainless?

However, the other party already didn't want this spot. How could he force it?

The math teacher glared at him and said, "Kids these days are really mischievous! In the future you will regret it!"

Li Shunan lowered his eyes and smiled casually.

The math teacher was confused. No one knew what he was laughing about. "Alright, you can go back. Anyway, this is your only chance. If you don't grasp it, don't blame me for not reminding you."

After saying that, he sighed again. With the application form in hand, he walked downstairs.

Li Shunan chuckled and straightened his body. He stuffed his hands into his pockets and walked upstairs unhurriedly.

In biology class, the teacher was writing on the blackboard with his back to the classroom.

Jiang Lingzhi read it seriously and took notes.

After writing this line, a call came in. The biology teacher said, "Wait for me for three minutes." She put the chalk on the table and went outside to answer the call.

As soon as the teacher left, the classroom started whispering again.

Jiang Lingzhi finished copying her notes. She took advantage of this gap and turned her face sideways to look at her deskmate.

He was doing the questions.

The young man leaned against the wall with his long legs crossed casually. He was lazy and undisciplined as he wrote a formula seriously with a pen in his hand.

From her angle, she could see his slightly drooping eyelashes, straight nose bridge, and well-defined side profile.

Jiang Lingzhi turned the gel pen in her hand and thought of what the math teacher said.

So he was really going to be recommended?

She regretted not asking him earlier.

If he really went to university a year earlier, should she use the back door and apply for a recommendation?

She realized that she had completely turned into a love brain and only wanted to be with her future boyfriend.

As if sensing her gaze, the boy raised his eyes slightly and met her eyes accurately.

In the next second, he moved closer to her and said in a low voice, "What's wrong?"

Jiang Lingzhi thought for a while, but she still could not help but ask him, "Which university do you want to take?"

Why was he feeling a little nervous?

She suddenly remembered that he was from Linchuan. If he wanted to get into a university in Linchuan, it would be a little difficult for her to get there.

After all, it was another city.

He wondered if his parents would agree.

He didn't expect her to suddenly ask this question.

"Huh?" Li Shunan was a little confused.

Jiang Lingzhi's voice was a little muffled. She put down the pen in her hand and said, "That's right. You don't seem to have asked me about college. Do you want to go to the same university as me in the future?"

At this moment, he couldn't care less about being reserved.

Jiang Lingzhi asked the question in her heart very honestly. "What are you talking about?" Li Shunan raised his eyebrows.

"What?" Jiang Lingzhi was stunned.

"What's there to ask?"

His voice was faint, lazy, and casual, as if...This matter was completely insignificant.

Jiang Lingzhi was speechless.

Jiang Lingzhi's emotions became complicated.

What did he mean?

In other words, he had never considered going to the same university as her?

Jiang Lingzhi felt as if a mouthful of blood was stuck in her throat.

Her love brain was smashed.

Love.

Love was gone in an instant.

She nodded..”

Chapter 364: The 38th Parallel

Jiang Lingzhi pursed her lips and retracted her gaze. She picked up a pen and took notes in her notebook.

Li Shunan’s peach blossom eyes were half-closed as he stared at her angry side profile.

He seemed to find her reaction a little funny.

Li Shunan bent down and moved closer to her. He said in a casual tone, “What’s wrong?”

It was that sloppy and indecent look again.

Jiang Lingzhi was so angry that she could not speak. She raised her hand and pushed him away.”Please stay away from me. From now on, there will be a 38th parallel between us.”

Li Shunan was speechless.

Jiang Ling knew that this was a very serious and angry sentence.

However, after he finished speaking, he saw that person lower his chin and start laughing. He couldn't stop laughing.

Even his chest was heaving up and down, emitting a faint breathing sound.

Jiang Lingzhi was speechless.

Laugh, laugh, laugh.

This was a very serious question.

To think that she was so obsessed with love that she wanted to go to the same university as him. She even wanted to cross cities for him. In the end, he had never thought of it that way.

Go.

She was overthinking things.

The boy finally stopped laughing. He placed his arm on the table and leaned over slightly.

Li Shunan looked down at her and said in a low voice with a faint smile, "What

I mean is..."

Before he could finish, the teacher had already walked in from the door.

The classroom instantly fell silent.

The biology teacher put his phone back into his pocket and walked back to the podium. "Alright, students, I've taken up a little of everyone's time. Let's continue our class now."

Jiang Lingzhi's face was stern, and she had an expression that refused to talk. "Please don't talk to me during class time, Student Li."

As if she felt that her attitude was not firm enough, she added coldly, "Don't affect my studies."

After she finished speaking, Jiang Lingzhi retracted her gaze and really started listening to the class seriously.

It seemed that he was not affected at all.

Until school ended, she was very determined not to say a word to him.

Li Shunan felt both helpless and amused. He didn't bother her during class, thinking that he would have a good talk with her after school.

After school, Jiang Ling collected her homework and put the test papers into her bag.

Her fingers touched the apple in the hole on the table.

There were more than ten of them, and she didn't know who sent them. She couldn't return them.

If she had known earlier, she would have stuffed it into his desk before his deskmate came.

Jiang Lingzhi turned her face sideways and glanced at her deskmate.

He had written the last few questions on one of the papers. He probably wanted to finish it, so he didn't stop writing.

Jiang Lingzhi retracted her gaze and took the apples out of the hole in the table. She arranged them neatly on the table and thought about it. She turned her head and asked the table behind her, "Guo Cong, Wang Kang, I can't take this apple with me. Do you want it?"

Guo Cong was stunned. "Huh?"

Wang Kang was about to leave when he sat down again. "What apple?"

Jiang Lingzhi pointed at the table and was a little distressed. "Someone put it on my table this morning. I can't take it away, and I don't know who gave it to me. If I can't return it, I can only throw it away. If you want it, it's not a waste." Hearing this, Guo Cong and Wang Kang nodded their heads. "Yes, yes, yes!"

This is simply too touching!

If there were apples, wouldn't it be stupid to not accept them?

Jiang Lingzhi placed all the apples on the table behind her. "Then you two can

split it among yourselves."

Chapter 365: Stabbing Father's Heart

As soon as he finished speaking, the two of them quickly began to snatch it.

The pile of apple gift boxes was divided between the two of them.

Jiang Ling knew that she was not as light as an apple, so she carried her school bag and prepared to go home.

Li Shunan looked up and said, "Give me five minutes. I'll finish it right away."

Jiang Lingzhi stopped in her tracks and rolled her eyes in her heart. She mumbled softly, "Who's waiting for you? I'm not that close to you, Student Li." Li Shunan stopped writing and looked up at her playfully.

"Our current relationship..." Jiang Lingzhi searched for a few words in her heart before she said, "It's a relationship that's on the verge of collapse. Why should I wait for you?"

After saying that, she wrapped the scarf around her neck twice to cover her small face. She put her bag on her back and left the classroom mercilessly.

Li Shunan was speechless.

The two people behind were unwrapping the packaging happily.

Guo Cong stared at the apple and laughed foolishly. "I actually received an apple from my goddess. I'm so excited."

Wang Kang had the same silly smile on his face. "Although the goddess gave it to us because she couldn't take it away, it doesn't stop us from being happy."

Li Shunan tilted his head and chuckled. He put down the pen in his hand, took out his school bag from the hole in the table, and slung it over his shoulder.

He stood up and placed a bag of apples on their table.

Guo Cong and Wang Kang were stunned at the same time. They slowly raised their heads and met the big boss' eyes. They were a little confused.

Li Shunan pursed his lips and said lazily, "Then I'll have to trouble you to deal with it together."

Guo Cong was speechless.

Wang Kang was speechless.

So they were the apple porters?

By the time he got home, the sky was already dark.

When she took the bus home just now, she could see signs of Christmas on the way.

Stickers of Santa Claus could be seen everywhere, and the Christmas trees in front of the shops were lit up with colorful lights.

Liveliness could be seen everywhere.

Jiang Lingzhi returned home and changed her shoes at the entrance.

The sound of the television came from the living room.

Jiang Puqing was also at home today, sitting on the sofa and watching the financial news channel.

Jiang Lingzhi's eyes lit up. She pulled on her slippers, and she did not even have time to put her bag away. She went over and said, "Dad, why are you back so early today?"

Jiang Puqing glanced at her and said with a smile, "I heard that it's a holiday today, so I got off work early."

Jiang Lingzhi pursed her lips. "Dad, you're quite fashionable. You're even celebrating this festival like a little girl."

Ever since she was young, her relationship with her father had always been better.

The two of them were more like friends.

Jiang Puqing patted her head gently. “Why? Is there an age limit for celebrating the festival? Are you trying to say that Daddy is old?”

“You only know how to stab Daddy’s heart.” Although he said that, Jiang Puqing didn’t seem angry.

Lu Yuping was still busy in the kitchen.

Jiang Puqing took out a pink box and handed it to her. “Christmas present for our little princess.”

Jiang Lingzhi took it with a smile. “Thank you, Daddy.”

She was still wearing her school uniform and looked chubby.

Jiang Puqing glanced at her and smiled. “Go and change your clothes. You can eat soon. Your mother has prepared your favorite spicy chicken.”

“Oh, okay.” Jiang Lingzhi held the gift in her hands. As she unwrapped it, she got up from the sofa and returned to her room..

Chapter 366: Grounded

Her father would give her a gift every holiday.

Jiang Lingzhi took off her school bag and placed it on the desk. She freed her hand to open the gift.

A princess 'crystal ball.

Dad was a young man and liked to give gifts to little girls.

Jiang Lingzhi carefully placed the gift on the bookshelf. After admiring it for a while, she expressed that she was quite satisfied.

Then, she walked to the closet, packed her clean clothes, took a shower, changed into a set of clean clothes, and went downstairs to eat.

The food was already on the table.

Lu Yuping took off her apron and was about to go upstairs to call her when she saw her coming down. She took the opportunity to say, "Zhizhi, you're here.

Come over and eat."

"He's here." Jiang Lingzhi walked to the dining table and sat down.

She scooped herself a bowl of soup.

After Lu Yuping put down her apron, she walked straight to the living room. When she returned, she was holding a crystal ball in her hand.

It was a huge crystal ball, at least twice the size of hers.

As she walked upstairs, she said, "You guys eat first. Don't wait for me. I'll put the things in the room. Don't break them.""

Jiang Lingzhi was speechless.

She suspected that her crystal ball was a free gift after she bought this big one.

Alright then.

As expected, she was just an accident.

After Lu Yuping came down from upstairs, her mood was visibly happy.

Jiang Puqing was usually too busy, so it was rare for the three of them to eat together.

Jiang Lingzhi buried her head in her mouth and ate, ignoring the lovey-dovey couple.

She did not participate in their conversations.

As they chatted, they talked about this year's Spring Festival.

Jiang Puqing sighed." I was planning to bring you guys out for a holiday during the Spring Festival. But it seems like my plan has failed again."

This plan had been proposed for a few years, but every time, something would happen and it would be delayed.

Jiang Lingzhi blinked her eyes and interrupted, ""Why?"

Jiang Puqing pondered for a while and said, ""Grandpa called two days ago."

Jiang Lingzhi was stunned." Huh?"

Lu Yuping frowned. When she said this, her expression was clearly not so relaxed. "Yes, grandfather hopes that our entire family can celebrate the new year together this year."

There was a moment of silence.

Jiang Lingzhi replied with an unhappy " Oh."

His mood was dropping at a visible rate.

She didn't like going to her grandfather's house to celebrate the New Year. Her grandfather didn't like her.

Sensing her unhappiness, Jiang Puqing patted her head. "I won't be staying for long, a week at most."

Jiang Lingzhi lowered her eyes and ate a mouthful of rice absentmindedly.

His mood was obviously not as good as before.

Lu Yuping stopped talking and lowered her head to drink the soup.

He seemed to have sensed that the atmosphere was too heavy.

Jiang Puqing changed the topic. " Isn't there still more than a month? Why do you all look so bitter?"

" Alright, let's not talk about this." He tried hard to adjust the atmosphere. "I heard that Ah Ci has been grounded recently?"

Lu Yuping replied perfunctorily, "Yes, I think so."

Jiang Puqing picked up a piece of pork rib for her and asked, “What happened?”

Jiang Lingzhi was obviously hearing this for the first time as well. She pricked up her ears to listen.

“It’s all because of dating. ””

“Still talking?” Jiang Puqing was a little surprised.”

Lu Yuping also understood half of it.” I’m not sure, but I vaguely heard that 200,000 yuan was swiped from the card. Old Su was furious..”

Chapter 367: Don’t Disturb Us

Jiang Puqing was stunned.”

” That’s right.” Lu Yuping said,” Old Su stopped his card in a fit of anger and confiscated his phone. Now, he’s not allowed to go out after school every day.””

Jiang Lingzhi’s heart shook, and she could not come back to her senses for a long time.

200,000.

Was that pig crazy?

And... He was actually so rich?

The phone in the living room rang.

Lu Yuping did not continue. She put down her chopsticks and walked over to answer the phone.

After a while, he hung up.

Lu Yuping returned to the dining table and sat down. She said to Jiang Lingzhi, "Your Auntie Su called. Ah Ci said that he wanted to buy something and asked you to go with him."

Jiang Lingzhi pursed her lips. She was not interested at all. "I'm not going."

Lu Yuping was stunned for a moment."

He seemed to think that her reaction was quite normal.

"Alright, I'll go and return the call. Don't make her wait."

She stood up and prepared to reply to the letter.

Jiang Lingzhi suddenly remembered something and asked,""Mom, didn't you say that he was grounded?"

Lu Yuping walked to the phone and picked up the receiver."It was probably you, your Uncle Su, who agreed to let him go out. Otherwise, how could he have gone out alone..."

There was a moment of silence.

Jiang Lingzhi had a flash of inspiration, and she suddenly reacted. She jumped up from behind the dining table."Mom, I'll go!"

Lu Yuping was stunned for a moment."

Jiang Lingzhi also felt that the difference in her attitude was obvious. She stammered, “I suddenly thought of something. I want to buy something too.” In a moment of desperation, she came up with an excuse.

Lu Yuping put down the phone again and did not suspect anything. “Alright, then go and come back early. Ah Ci is still waiting for you.”

After getting Lu Yuping’s approval, Jiang Lingzhi went back to her room to change her clothes and went out directly.

She was wearing a white down jacket. From afar, she looked like a walking snowman.

After he was fully equipped, he arrived at Su Xianci’s house and rang the doorbell.

“You’re here,” Suzie said as she opened the door.”

There was no expression on his face, and he looked arrogant.

He quickly let go, stuffed his hands into his pockets, and walked straight in. “Come in.”

Jiang Lingzhi followed him in.

Aunt Su and Uncle Su were drinking tea in the living room.

Jiang Lingzhi called out to her obediently and greeted her.

“Zhizhi is here.” Uncle Su’s expression softened a little.

“Zhizhi is still obedient. If this brat is half as worry-free as you, I should be thanking the heavens.”

His tone was full of disdain.

Auntie Su couldn't help but say regretfully, "I've already told you that my daughter is good. My daughter is considerate. You didn't believe me..."

Su Xi Ci had obviously been waiting for her for a while. She entered the room and grabbed a coat. Without waiting for her to say anything, she led her out the door.

In any case, if he continued, he would only be condemning him. Jiang Lingzhi had just said goodbye when she was pushed out.

"You're using me as a shield again!"

After coming out of his house, Jiang Lingzhi instantly stopped pretending to be obedient.

Su Sici's face was cold, and she didn't want to speak.

Jiang Lingzhi complained, "If you encounter such a thing again, can you let me know?"

"My phone was confiscated. How am I supposed to tell you?" Su Xi replied carelessly. "

Jiang Lingzhi was speechless.

' Let me tell you first," Su Xici said to her, ""When Xiaoxue comes later, don't disturb us. Just find a place to play by yourself, understand?"

Jiang Lingzhi was speechless.

Was this human language?

Your ability to burn bridges after crossing the river is really outstanding..

Chapter 368: Only Worthy of Receiving Gifts

” Let me tell you first,” Su Xici said to her, “”When Xiaoxue comes later, don’t disturb us. Just find a place to play by yourself, understand?”

Jiang Lingzhi was speechless.

Was this human language?

Friend, your ability to burn bridges after crossing the river is too outstanding.

After leaving the villa area, the two of them hailed a taxi and headed straight for the city.

People came and went in the city center, and the Christmas atmosphere was very strong.

Small Christmas trees could be seen everywhere on the roadside, and Christmas music was playing in the restaurant.

On the streets, there were couples who were holding hands sweetly.

Jiang Ling knew that she was afraid of the cold. When she went out, she was fully armed. She wore a hat and scarf, and at this moment, her eyes were exposed.

The two of them waited under the largest Christmas tree in the downtown square.

After a while, she saw a familiar figure walking over.

Jiang Lingzhi's eyes lit up, and she waved at her. "Xiao Xue, here."

Fu Baixue obviously saw them and quickly walked up to them.

Su Xici stuffed her hands into her pockets and did not even bat an eyelid. She still had that arrogant look on her face. "What took you so long?"

Fu Baixue rolled her eyes at him. Then I'll go back and put on my makeup. Wait a little longer."

After saying that, he pretended to turn around and leave.

Su Xici reached out and pulled him back. She turned her head away in anger. "Will you die if you don't anger me for a day?"

Jiang Lingzhi glanced at Su Xici and then at Fu Baixue. She felt that she had seen through everything. She rolled her sly black eyes and said, "You guys have finally made up, right?"

Fu Baixue pulled her arm out of his palm and looked away. "Who reconciled with him? He said he had something to give me, so I came out."

"Gifts?" Jiang Lingzhi stared at Su Xici curiously. "What gift? Am I lucky enough to watch?"

Hearing this, Fu Baixue's gaze also fell on him.

Su XiCi touched her nose awkwardly.

She had never thought that the gift would be given out in such an unofficial setting.

Under the gaze of two pairs of eyes, he took out a red velvet box from his coat pocket.

Jiang Lingzhi's gaze landed on the red velvet box in his hand. She dragged out her voice and said, "What is this? Could it be that the ring was used to propose?"

Su Xi Ci was speechless.

Fu Baixue was speechless.

Su Sici poked her forehead with her finger. "You little girl, what are you thinking about all day long?"

Jiang Lingzhi wrinkled her nose.

Su Sici stuffed the small box into Fu Baixue's hands. Her eyes were arrogant, and she looked as if she was giving him a reward.

Then, she took out a slightly shabby small box from her other pocket and handed it to Jiang Lingzhi. "For you."

Jiang Lingzhi could not believe it. "I still have a gift. How embarrassing is that?"

Although she said that, she would never reject a gift.

Moreover, Young Master Su was so rich. The gift he gave must be very expensive.

Jiang Lingzhi took it and looked at the gift box in Fu Baixue's hands. The two of them looked at each other and opened the lid at the same time.

Then, she saw an exquisite necklace lying in Fu Baixue's gift box. The pendant was in the shape of a snowflake. It was very exquisite and must be expensive.

The gift box in Jiang Lingzhi's hand was a little shabby. There was a red string inside with a copper coin on it.

The smile on her face froze..

Chapter 369: Children Are Not Suited to Watch This

When they didn't open it together, it didn't feel so shabby.

Now that the two gift boxes were placed together, it seemed a little too low class.

Wasn't this a bunch of hand ropes that cost one yuan on the street?

"What's this?" Jiang Lingzhi asked.

Su Xici had no intention of hiding it and said directly, "I bought a necklace and gave her a bracelet. I didn't want it, but she insisted on giving it to me..."

Jiang Lingzhi was speechless.

Why was her life so bitter?

Was she only worthy of receiving gifts? Jiang Lingzhi took a deep breath." Alright, you win.""

'What? You don't like it?' Su Sici laughed."

Jiang Lingzhi smiled expressionlessly." I'm already giving you face by accepting this gift. Our friendship has come to this point. There's no need to say anything else. Alright.""

Su Xici had always liked to tease her since she was a child, so she stopped at this moment and took out another box from her pocket."I'm just teasing you, stingy man."

“Thank you, little princess, for successfully covering for me today.” Jiang Lingzhi groaned and unwillingly took the box.””Hmph, at least you still have some conscience.”

Fu Baixue patted her head and took out a gift box from her pocket.””To our cutie.”

After receiving two gifts, Jiang Lingzhi’s mood finally improved a little. She did not stand on ceremony at all and kept the gifts in her pocket.

After Fu Baixue gave Jiang Lingzhi a gift, she did not do anything else.

Su Sici frowned and opened her palm to Fu Baixue.””What about mine?”

Fu Baixue rolled her eyes at him and said mercilessly,””When did I say I wanted a gift for you?”

“If she has it, why don’t I?” Su Xici was obviously displeased.”

Fu Baixue couldn’t believe it and couldn’t help but wake him up.””Are you kidding me? Are you on the same level as her?”

Su Xi Ci was speechless.

Jiang Lingzhi nodded her head in agreement. ””That’s right, that’s right. Can a princess and a pig be of the same status?”

Su Xici couldn’t stand it anymore and wanted to take back the gift. “Return the gift to me.”

Jiang Lingzhi: I won’t!”

That was too much. She was just telling the truth.

Why was this person so angry?

The young couple started dating, and they did not really plan to leave Jiang

Lingzhi alone.

Instead, the three of them started their date.

The two of them walked in front of each other sweetly.

Jiang Lingzhi held a marshmallow in one hand and ice cream in the other as she followed behind him alone.

This feeling...

Why did she look so much like him? She had come out with her parents to celebrate Christmas.

This damned family of three.

It wasn't enough to eat dog food at home, so he had to eat dog food when he came out.

Sigh...

They walked along the road.

It was very lively outside today. There were activities everywhere.

They happened to pass by a stage by the roadside, where a game was being played.

The three of them stopped there and watched the show for a while.

The emcee on the stage shouted something, and the people below were especially excited.

They counted three, two, one in unison and kissed each other.

Jiang Lingzhi silently ate her ice cream as she looked at the two people kissing in front of her.

Jiang Lingzhi was speechless.

Lure the dog out and kill it.

It was simply insane.

She stared at it for a while before her eyes were suddenly covered by someone.

Everything turned dark.

A warm breath brushed past her ear, and a low, magnetic, and cold voice came into her ears.

“Tsk, don’t look at anything inappropriate. It’s not suitable for children to watch this..”

Chapter 370: How to Make Up

This voice was too familiar, and it was close to her ear.

It felt numb, as if there was an electric current.

This feeling was too surreal.

Jiang Lingzhi was stunned for a moment, and she turned her face sideways.

He bent his head slightly, and the distance between them was a little close. The tip of her nose gently brushed past his jawline.

Jiang Ling knew that her nose was a little itchy. She shrank back and blinked. She was stunned for a few seconds before she reacted. It was really him. 'You, why are you here?'

The corners of Li Shunan's eyes curved up slightly. He stood up straight and pinched her earlobe with the hand that was covering her eyes. "Passing by."

It was Christmas today, so there was nothing wrong with coming out to play.

Jiang Lingzhi nodded her head. In the next second, she suddenly remembered that they had already drawn the line before school ended today.

He had almost forgotten.

She raised her hand and slapped the boy's hand away from his ear. "Classmate Li, we've already crossed the 38th parallel. Don't touch me or I'll sue you for being a hooligan."

Li Shunan bent down slightly and looked at her at eye level. His eyes were a little unclear as he said, "Tsk, haven't you reconciled yet?"

".. "Jiang Lingzhi licked a mouthful of ice cream and mumbled, "Which ear of yours heard me say that I want to make up with you? Paranoia is also a disease.

It needs to be treated."

“Then when can we reconcile?” Li Shunan asked politely.” Jiang Lingzhi’s lips twitched.” Why should I reconcile with you?””

To say such words.

It was as if he was toying with her feelings.

She would never reconcile with him!

What was the difference between his behavior and those scumbags outside?!

This kind of mentality, wasn’t it because he wanted to be in a long-distance relationship with her so that he could go out and pick up beautiful girls!

Dream on!

Li Shunan asked patiently, ““Then what should we do?”

Jiang Lingzhi looked up.”

Li Shunan licked his lips and said slowly,““How can we reconcile?”

Jiang Lingzhi was speechless.

This question was really profound.

How could they reconcile?

She hadn't thought about it yet.

Jiang Lingzhi told the truth, "Anyway, we haven't reconciled. I haven't thought about it yet.""

Li Shunan curled his lips and refused to give up. "Then think about it now." Jiang Lingzhi was speechless.

Li Shunan raised his eyes and swept a glance at the crowd beside him. His peach blossom eyes were embellished with a faint smile and a hint of bewitchment. He suggested considerately, "How about I kiss you and we make up?"

Jiang Lingzhi choked for a moment. She was shocked by his shamelessness.

"You wish!"

Li Shunan lowered his head and chuckled. "It seems so..."

After saying that, he even muttered to himself, "In this way, won't I be taking advantage of you?"

He was quite self-aware.

Jiang Lingzhi turned her face away and did not want to bother with him anymore.

She heard the boy's lazy voice slowly say, "Then can you kiss me?"

Jiang Lingzhi was speechless.

He Dreatnea Into ner ear ana said nappy to De taken advantage or by you."

Jiang Lingzhi's hand trembled. She really wanted to smash the ice cream in her hand on his face.

Li Shunan licked the corner of his lips and smiled inexplicably. His gaze fell on her red lips and he said in a low and lazy voice, “Why are you still eating ice cream in the middle of winter? Aren’t you cold?”

Jiang Lingzhi pursed her lips.”

In fact, it was really a little cold.

However, since he had already bought it, he couldn’t waste it.

He had to bite the bullet and finish it.

Jiang Lingzhi was so cold that her teeth trembled..””Please recognize your identity..
