

Little Girl 371

Chapter 371: Coincidentally Encounter

Li Shunan chuckled and took the ice cream from her hand. He said lazily, “Who am I? Wasn’t he supposed to be her boyfriend?”

The bottom of the ice cream was leaking, and the cream flowed down her fingers and smeared her hand.

Li Shunan threw her unfinished ice cream into the trash can. He took a tissue, lowered his eyes, pinched her hand, and carefully wiped her fingers.

Jiang Lingzhi allowed him to wipe her fingers in her place and said, “Humph...

Not for long.”

She was about to say something.

Suddenly, Fu Baixue’s voice came from the side, “Zhizhi, isn’t this your deskmate?”

When she heard the sound, Jiang Lingzhi finally reacted. That lovey-dovey couple was still there.

She pulled her finger back and realized that the next performance on the stage had already begun.

They did not join in the fun and moved to the side.

The four of them stood by the roadside.

In the current situation.

This seemed to be the first time the four of them had a peaceful meeting.

Fu Baixue's gaze swept over them and gently bumped into her shoulder. Her expression was ambiguous. "Agreed?"

'No,' Jiang Lingzhi said vaguely, "We just happened to meet." She was clearly telling the truth, but why did she feel a little lacking in confidence?

The young man's superior height stood there, as if he was looking down on everything. His every move brought out a noble and lazy temperament.

Fu Baixue didn't quite believe him, but she still nodded. "Then...Since we're so fated, let's go for a drink?"

Su Xici chuckled and said in a strange tone, "That's right. It's rare to meet you, brother. Let's go together."

Brothers?

Were the two of them that close?

Jiang Lingzhi glanced at Su Xici and felt that this person's gaze was not very friendly. She stepped in front of Li Shunan and said, "There's no need. The three of us will do. He's still in a hurry to go home..."

Ah Ci was probably still holding a grudge after being beaten up.

Jiang Lingzhi felt that it was better for the two of them not to meet.

Before he could finish speaking, a low magnetic voice came from above him and said indifferently, "Sure."

Jiang Lingzhi was speechless.

These two wouldn't fight later, right?

The young man's tall and slender figure stood behind the girl. His shoulders were wide and his waist was narrow. His figure was like a model's. He stood there with his long and slender body. His eyebrows were loose and he was fearless. He was lazy and undisciplined.

Fu Baixue naturally saw it. The way the young man wiped her fingers just now was simply indulgent to the extreme.

Seeing that there was no way to turn things around, Jiang Lingzhi said in a dilemma, "Drink, drink what? Drinking again?"

If they really drank, would the two of them fight with the alcohol?

Su Xici couldn't help but snort lightly. She tapped her head with her hand. "You're so lucky. You're underage. If you dare to drink again, I'll sue your parents."

"..Jiang Lingzhi touched the spot that he had poked." "Then what should we drink?"

"Let's go to a coffee shop," suggested Fu Baixue."

Jiang Lingzhi was speechless.

Oh, so it was coffee.

The four of them found a cafe and sat down.

They sat on both sides of the table.

Jiang Lingzhi had a cup of milk tea in front of him, and his gaze was patrolling the other three people.

The atmosphere was a little strange.

The phone in Li Shunan's pocket rang. He took it out and glanced at it. He moved closer to her and said casually, "I need to take this call."

Chapter 372: I Just Want To Be With Him

Jiang Lingzhi nodded.

Li Shunan stood up, rubbed her head, and went outside to answer the call.

His figure quickly disappeared from the entrance of the cafe.

Fu Baixue was sitting opposite Jiang Lingzhi with a cup of coffee in her hands. She thought about how the two of them had a strange attitude just now, so she leaned over and said, "What's wrong with you guys? Did you guys fight?"

Jiang Lingzhi bit the straw."

Su Xici sat at the side and leaned against the back of the chair, looking like a sloppy young master. "How can we fight like this? Didn't you see that brother pampering this little brat?"

Fu Baixue nodded in agreement. "Then what exactly is going on?"

Jiang Lingzhi frowned and deliberated her words. ""Just...We didn't agree on anything."

"What do you mean?" Fu Baixue didn't understand."

Jiang Lingzhi said, "I asked him today if he had considered going to the same university as me." He actually said, what's there to ask?"

Speaking of this, she was very depressed.

She had never been in a relationship before, nor did she have any experience in this area.

He wondered how the other couples were doing.

Could it be that distance could produce beauty?

Was it normal for them to not go to the same university?

However, one could not fall in love early in high school. It was not easy to get to university. If she could not be with her boyfriend openly, it would be too depressing.

Jiang Lingzhi bit the straw and sighed deeply.

Fu Baixue thought for a moment and asked, ""And then? You suspect that he is playing with your feelings? Jiang Lingzhi choked."

It wasn't that serious.

Because he was really too good to her.

If he really wanted to play with her feelings, there was no need for him to treat her so well.

Jiang Lingzhi stuttered, "I was quite angry just now, but later on, I thought about it." It doesn't matter if he doesn't consider it. I plan to find out which university he's applying for. I'll work hard and get into his university..."

Fu Baixue poked her forehead with her finger. "Why are you so useless? I told you to be more reserved."

She could even change the school she liked for a man?

Su Xisi nodded in agreement. "That's right. If he filled in a city far away, wouldn't you abandon your parents?"

Jiang Lingzhi pouted. "But, I just want to be with him."

How much did she like him to be willing to give up so much for him?

Su Sici immediately went to punish her cold girlfriend. "Fu Xiaoxue, look at her self-awareness. Learn from her. Why haven't I seen you sticking to your boyfriend like this?"

Fu Baixue rolled her eyes at him.

Su Xiaoci was speechless.

Fu Baixue thought about the ins and outs of this matter. It was too one-sided,

so she did not comment. "It's okay. I'll teach him for you later."

Jiang Lingzhi nodded.

Separated by a glass window.

She could also see the boy's figure standing under the streetlights outside.

He had a cigarette between his fingers, and his smoking posture was very familiar. He leaned there loosely, and the line of his neck was straightened. For some reason, he looked a little sexy.

Fu Baixue naturally saw it too. She clicked her tongue and said, "However, your deskmate does look like... Handsome."

Susie was speechless. Why do you always say that other men are handsome? Can you give me a sense of existence?"

Fu Baixue didn't even look at him. "A pig doesn't need a sense of existence."

Su Xi Ci was speechless..

Chapter 373: Love Liar

Li Shunan came back not long after. He waited for the smell of smoke to dissipate before he pushed the door open and entered.

The young man pulled out a chair and sat down. He leaned back lazily and stretched his long legs casually. His gaze fell on Jiang Lingzhi's face immediately. "What are you talking about?"

Jiang Lingzhi raised her eyebrows and suddenly said something shocking, "I'm talking. You're a relationship liar."

Li Shunan was speechless.

“Hmm?” “What do you mean?” Li Shunan chuckled.”

Jiang Lingzhi held the milk tea in her hands and glanced at Fu Baixue who was sitting opposite her.

“You’re Zhizhi’s deskmate, right?” Fu Baixue asked. Then, she introduced herself. I’m her sister.”

Li Shunan looked up and his eyes swept across the two people opposite him.””Sister?”

Fu Baixue nodded and continued,””Yes, you’re not my biological sister, but you’re better than my biological sister. Also, Zhizhi often mentions you in front of me.”

Li Shunan licked the corner of his lips and said with a meaningful look,””Oh?” Jiang Lingzhi was speechless.

Why did it seem like she was always talking about him behind his back?

Jiang Lingzhi could not help but interject,” It’s not often. It’s just occasionally.

Occasionally.”“

Li Shunan looked at her calmly and chuckled.””Yes, occasionally.”

Fu Baixue cleared her throat and went straight to the point.”Then, I heard that you don’t plan to enter the same university as our Zhizhi?”

Li Shunan raised his eyebrows slightly and stared at Jiang Lingzhi with a playful gaze.

“..”Jiang Lingzhi’s scalp went numb from his stare, and she felt uncomfortable. Fu Baixue acted like a queen and continued to ask, “So I have to ask, what do you mean? You’re dating in high school to kill time.”

“Although it’s not compulsory for you to go to the same university as our Zhizhi, you should at least have some plans for the future. You can’t let the girl blindly follow you. Sometimes, you still have to discuss it. Let’s put it bluntly. If you dare to hurt even one of her eyelashes, we won’t let you off!”

After saying those harsh words, he patted Su Xici. “Alright, it’s your turn.”

Su Xi pursed her lips.

He actually had nothing to say.

Why didn’t he believe what the kid said?

This brother’s possessiveness was written all over his face. How could he let her stay in university alone?

But since Fu Baixue had spoken, he had to say something.

“Yes, brother, this is your fault.” After that, there was no more.

Fu Baixue waited for two seconds.”

“Yes, I’m done.” Su Zici nodded.”

Fu Baixue was speechless.

Fu Baixue didn’t count on him anymore, so she went up herself. “So, what exactly do you think...”

Before she could finish, she was interrupted by the young man’s light words.

“It’s a misunderstanding.” The other three people were stunned.

Hmm?

What did he mean?

Li Shunan raised his eyebrows, his expression tired. His voice carried a faint teasing tone as he said slowly, “You asked me in the classroom today. Why didn’t you ask which university you went to?”

Jiang Lingzhi was speechless.

“I said, there’s nothing to ask..” Li Shunan chuckled and moved closer to her. “I mean, there’s nothing to ask. When the time comes, can’t you just fill it out according to your choice?”

“So, what’s there to ask?”

Chapter 374: Must Marry Her

“So, what’s there to ask?”

The boy’s tone was neither fast nor slow, always calm and unhurried.

After he said that, there was silence.

Jiang Lingzhi was speechless.

Fu Baixue was speechless.

Su Xi Ci was speechless.

So... Was that what he meant?

Wasn't this too f * cking pampering?

So unprincipled?

Before the two girls could react, Su Xici tried to make a preconceived notion. "Brother, it's not that I want to say this, but women can't be spoiled like this. If you continue to spoil her like this, this little demon will probably go to heaven in the future!"

Although he had some opinions about this guy.

However, in comparison, it made her boyfriend seem even less outstanding.

Su Xici was a little flustered at this moment. She suddenly regretted coming to join in the fun.

It took Fu Baixue a long time to come back to her senses.

At the same time, he felt that his words were a little silly.

She thought of Su Xiaoci's sarcasm and his guilty look, and she wanted to hide something.

Fu Baixue couldn't help but sneer at him. "Tsk, tsk, tsk. Look at his awareness. This is what a model boyfriend should have. Someone. Remember to learn."

As she spoke, she patted him on the shoulder.

She gave him the exact words he had just said.

Su Xi Ci was speechless.

Jiang Lingzhi was still immersed in the sentence," fill it out according to your choice...

Therefore, it wasn't that he hadn't thought about it, but that he had already thought about it. When the time came, he would fill in the form according to her choice.

Jiang Lingzhi bit the straw, and the corners of her lips could not help but curl up.

She didn't even make things clear, and it made her feel conflicted for a long time.

She had even thought about how to brainwash her family and apply for a university in another city.

Fu Baixue looked at the girl's excited expression and felt that it was too much to watch. She asked tentatively,"So, you don't have your ideal university? Do everything according to her wishes?"

Li Shunan curled his lips and couldn't hide the love in his eyes. He raised his hand and rubbed her head. "Isn't she my dream?"

Fu Baixue was speechless. F * Ck.

I'm so f * cking jealous.

Who would have thought that such a cynical handsome man could say such pampering words?

This was even more lethal.

Fu Baixue turned around and smiled at Su Xici."Very good, very good."

Su Xi Ci was speechless.

I shouldn't be sitting here.

Fu Baixue was shocked and decided to talk to Su Xici. ""Also, who are you calling a little devil?"

She was in a very bad mood now.

He had no choice but to dig out his dark history from many years ago and repeat it.

"I remember that you liked the little demon back then."

Su Xi Ci was speechless.

Fu Baixue had no intention of letting him go. "Back then, when we were playing house, didn't you still insist on marrying the little devil and making me your mother?"

The corner of Su Xici's mouth twitched. When the hell did this happen? You can even bring this out?"

Jiang Lingzhi blinked her eyes."

"You were five, and we were seven." '

When she was young, Jiang Lingzhi was very cute. She was like a statue carved from jade, and her eyes were big. When she smiled, there were small dimples around her lips. She was so cute.

She was very popular with the little boys in their area.

Every day when he went to the kindergarten, he received countless snacks..

Chapter 375: Take You to Christmas

Su Xici had unfortunately fallen for it back then.

Holding snacks every day, he wanted to play house with her and marry her.

Not only did they have to get married, but they also had to drag Fu Baixue as a witness.

This was truly a magical play.

It was probably because the little angel had transformed into a little devil and chased after him every day. Su Xici had been so angry that she had cried several times.

Later on, she gave up.

“Oh?” Li Shunan raised his eyebrows. You guys have such a past?” Jiang Lingzhi was speechless.

Jiang Lingzhi immediately sat up straight and explained, ““That’s him. He always wanted to marry me, but I rejected him righteously!”

Li Shunan chuckled and glanced at his brother, whose face was darker than the bottom of a pot.”“How did you reject him?”

He was still so young and innocent. He didn’t really think much of it, but he found it a little funny.

In particular, the brother opposite him looked like he was dying, waiting to be cut into pieces.

Why did she want to laugh so badly?

Jiang Lingzhi recalled for a moment and said seriously, "I said that my mother would never agree to me marrying a pig."

Li Shunan was speechless.

Su Sici really wanted to die.

This short-lived liking only lasted for a short month. Moreover, it was because he saw the other boys jeering. He was just joining in the fun.

He didn't expect it to become a dark history, and it would be mentioned every few days.

Apart from this point.

This meeting was quite pleasant.

Other than Su Xici, who was still a little out of sorts.

He had suffered a blow from the inside out and was now doubting his life.

It was too unreal.

Why did he have to come here and suffer such humiliation?

Fu Baixue was quite satisfied with this brother-in-law.

Although they were the same age, she firmly believed that he was her brother-in-law.

They left the cafe.

It started snowing outside.

The first snow of the year came on Christmas Eve.

The four of them stood in a row under the eaves.

“It’s snowing. It’s so beautiful.” Jiang Lingzhi stretched out her hand, wanting to catch a snowflake.

His hand was still in mid-air when it was grabbed by a palm.

Li Shunan glanced at the girl’s side profile and held her small hand in his.””Not cold?”

The young man did not wear many clothes, but his hands were wide and warm. Jiang Lingzhi had worn so many clothes, but her hands were still cold. At this moment, she felt a slight warmth in his palm

“It’s cold, but this is the first snow of the year.”

After all, she was a little girl.

It was inevitable that they would feel excited when they saw the snow.

She had just come out of the cafe and had not had the time to tie her scarf.

Li Shunan bent down slightly and took the scarf from her hand. He raised his hand and wrapped it around her neck gently and carefully.

Fu Baixue looked at the snow for a while and then asked casually,”Oh right, we’re going to watch a movie. What about you guys? Or are there other arrangements?”

Jiang Lingzhi raised her head and glanced at Li Shunan.

She didn't know what he was thinking at the moment.

After tying the scarf, the girl's entire face was buried in it, revealing only a pair of clear black and white eyes that were staring at him without blinking.

Li Shunan helped her tidy up her scarf.. When he withdrew his hand, he touched her eyelashes and said in a low and magnetic voice,""Take you to Christmas?"

Chapter 376: I Want to Hold Your Hand

Jiang Lingzhi's selfishness must be because she wanted to be with her future boyfriend.

Who would want to follow behind that lovey-dovey couple and eat dog food?

Jiang Lingzhi thought about it and nodded her head hurriedly." "Alright."

".."Fu Baixue couldn't help but poke her head." "Can you answer a little slower?"

Don't seem so eager, okay?"

"Then..." Jiang Lingzhi touched the spot that she had poked." "I've thought about it carefully."

Fu Baixue was speechless.

The four of them separated on the spot.

They were in the city, and there was a cinema in the shopping mall next door.

Fu Baixue and Su Xici bought two movie tickets and went straight to the mall to watch a movie together.

Snow was still falling in the sky.

Jiang Lingzhi and Li Shunan walked along the road unhurriedly.

There were snowflakes floating on her eyelashes, and they felt a little cold.

Jiang Lingzhi blinked her eyes and thought that it was very fun.

People were coming and going along the road, and there were stalls pushing tanghulu.

Tanghulu was different from before. There were all kinds of fruits, and they looked especially beautiful. They were wrapped in a thin layer of sugar.

Jiang Lingzhi stopped in her tracks. She stared straight at him and tugged at the boy's sleeve. "I want to eat that."

Li Shunan turned around and chuckled. He looked down at her with a playful expression. "Why do you look like a child?"

".."Jiang Lingzhi wrinkled her nose and mumbled softly, ""Who said that only children can eat candied haws?"

Li Shunan smiled and didn't say anything else. He walked to the stall and asked in a low voice, ""Which one do you want?"

There were too many types, and it was simply forcing those who had difficulty

Ohhncincr tn dip

Jiang Lingzhi looked at it for a long time before pointing at the one at the far end. "Hawthorn."

The marshmallows she had just eaten were too sweet. It would be good to eat some sour ones to neutralize them.

Li Shunan took out his phone and paid for it. He took the candied haws from the boss and handed them to her. He whispered, "For our child."

Jiang Lingzhi was speechless.

Why did he always treat her like a child?

Jiang Lingzhi's expression was a little gloomy. She reached out to take it and stared at it for a while as if she was thinking about where to start eating.

After a while, he directly bit off the top one and bit it in his mouth, his cheeks bulging.

Li Shunan looked down at her, and the corners of his lips curled up imperceptibly. He reminded her softly, "Change to that hand."

Jiang Lingzhi was stunned for a moment, and she was still a little confused. She looked at the candied hawthorn on her right hand, and then she changed it to her left hand. "Yes, and then?"

"And then..." Li Shunan raised his hand and held her free right hand in his palm. "Your boyfriend is going to hold your hand."

Jiang Lingzhi was suddenly stunned. She blinked her eyes and held the candied fruit in her left hand. Her right hand was held by him as she walked forward.

She was passively led by him for a while.

Only then did Jiang Lingzhi remember. She looked up at his well-defined side profile and said, "Where are we going?"

She rarely came to this area and was not very familiar with it.

However, from his posture, it seemed like he had a purpose for bringing her somewhere.

Li Shunan took out his phone and glanced at the time. He said lazily, "To make up for the regret from last time."

Regret?

"What do you mean?" Jiang Lingzhi didn't really understand.

Li Shunan turned around and met her eyes with his light brown eyes. "Do you want to ride the Ferris wheel?"

Chapter 377: Take You to the Ferris Wheel

Ferris wheel?

Jiang Lingzhi's eyes suddenly lit up, and she nodded her head impatiently. "Yes!"

She had never sat on a Ferris wheel before.

He had only seen the scenes from the idol dramas on television. They seemed to be very beautiful.

Li Shunan's peach blossom eyes were filled with a faint smile. He held her hand and walked forward unhurriedly. "Yes, I'll take you to the Ferris wheel."

The boy was tall and had long legs. Although he did not take many steps, he was always one step faster than her.

Jiang Lingzhi's hand was still held by him, and she could see the back of the boy diagonally in front of her.

The young man's figure was exceptionally tall and slender. He wore a black coat and his figure was comparable to a model's.

This caused the passersby to turn their heads to look.

Some of the girls who came out to shop pointed at him with red faces.

"Look, that boy is so handsome."

The person next to him also noticed it. "Ahhh, this is really handsome." The girl was very excited.

"That must be his girlfriend. She's so cute, like a little snowman."

Jiang Lingzhi obviously heard their conversation, and she could not help but look down at herself.

How was he like a little snowman?

She recalled what they had said in the cafe earlier.

After Jiang Lingzhi swallowed the hawthorn in her mouth, she was not in a hurry to bite it again. She asked softly, "So, are you really going to fill in my application?"

Li Shunan seemed to not hear the discussion, and his voice was as lazy as ever. "Well, if not you, then who?"

Jiang Lingzhi thought about the application form that the math teacher gave him at school today. "What about guaranteed entry?"

"Hmm?"

Seeing that he didn't really understand, Jiang Lingzhi explained again, "I heard the math teacher ask you to fill in the application form." Li Shunan's tone was unconcerned as he asked lazily, "When?"

"I accidentally saw it when I went to get some water..."

Jiang Ling knew that she was being honest, so she added without much confidence, "I didn't eavesdrop on purpose."

"Oh, at that time?" The boy walked in front and did not turn back. His voice was cold and distant in the winter night, and he dragged his words out. "When you and your class monitor were chatting happily in the corridor?"

Jiang Lingzhi was speechless.

Why did these words sound so wrong?

"What do you mean by my class monitor? Besides, which eye of yours saw me chatting happily with him?" Jiang Lingzhi corrected his mistake righteously. "Don't make up your own thoughts, okay?"

He made it sound as if he had done something immoral behind his back.

Jiang Ling knew that she had been led astray again, and she quickly pulled the topic back. "So, did you fill it out or not?"

After asking that question, his heart skipped a beat.

She already had a rough idea of the answer, but she couldn't be completely at ease if she didn't listen to him.

Li Shunan stopped in his tracks and turned his head to meet the girl's slightly nervous eyes. He stopped teasing her and looked more serious. "I didn't fill out the application form."

As soon as she said this, the huge rock in her heart was finally completely lifted.

Jiang Lingzhi lowered her head, and the corners of her lips curled up. "Oh."

Li Shunan's lips curled up. He bent down slightly and looked into her eyes. He said carelessly, "What if my future girlfriend is kidnapped by someone else after I leave? I'm not too assured."

Jiang Lingzhi was speechless..

Chapter 378: The Legend of the Ferris Wheel

The city was particularly lively today, and crowds could be seen everywhere.

Furthermore, it was on such a romantic occasion.

The Ferris wheel was next to the Nancheng Stadium.

At this moment, there were a lot of people lining up below the Ferris wheel.

As far as the eye could see, they were all couples, holding hands in an unusually sweet manner.

After buying the tickets at the entrance, Li Shunan held her hand and walked to the back of the crowd to line up.

Jiang Lingzhi was still struggling with the candied fruit.

The hawthorn was a little sour, so sour that she almost lost the feeling in her teeth.

However, she wanted to buy it no matter what, so she was too embarrassed to waste it.

Jiang Lingzhi was standing in front of him, gnawing on the hawthorn fruit with great worry.

After eating a hawthorn, there was no place to spit out the seeds inside.

Jiang Lingzhi puffed up her cheeks and looked around for the trash can. The surroundings were bare and there were only people queuing up. There was not even a trash can.

Immediately after, a well-defined palm reached out in front of her.

“Spit here.”

His voice was faint and always carried a casual laziness.

Jiang Lingzhi stared at the palm for a while before she raised her head and met his eyes.

The young man lowered his eyes slightly, and the black hair in front of his forehead naturally hung down. His light brown peach blossom eyes were even more profound, as if they were dotted with starlight.

The snow-covered night sky was his background, so handsome that it was a little unreal.

Jiang Lingzhi's heart skipped a beat.

She swallowed her saliva and was too embarrassed to spit it into his hand. She took a tissue from her pocket and spread it on his palm before spitting the seed on it.

"Your trash can is quite useful." Jiang Lingzhi's eyes curved up as she smiled at him. She pretended to be calm as she continued to gnaw on the hawthorn.

In front of them was a couple.

The girl wrapped her arms around the boy's neck and hung herself on the boy's body. The two of them were chatting softly.

"Darling, have you heard of the legend of the Ferris wheel?"

"What legend?" the boy asked.

"Aiya, why are you so stupid?"

The girl scolded him with some disdain, then seriously explained to him, "I heard that lovers who ride the Ferris wheel together will eventually end up breaking up..."

"..""What? Then why did you drag me to ride the Ferris wheel? You want to break up with me, right?"

Jiang Lingzhi was standing behind them, and she naturally heard their conversation.

Obviously, he didn't expect that there would be such a thing as riding the Ferris wheel.

The girl hit him angrily. "Aiya, that's not it. Can you let me finish?"

"Tell me," the boy said reluctantly.

There were two extremes to this legend.

Hearing this, the boy laughed. "Oh, so that's how it is. Isn't that simple?" The girl was a little embarrassed, but the meaning she wanted to express was self-evident.

Jiang Lingzhi nibbled on the hawthorn as she listened to their conversation.

The crowd slowly moved forward, and soon it was their turn.

Li Shunan bought a couple seat.

The two of them shared a cockpit.

After the staff checked the tickets, they opened the door for them very efficiently. "Come, go."

The two of them entered the cockpit one after another.

Jiang Lingzhi was still holding the candied hawthorn in her hand. She sat down in her seat, and her thoughts were inexplicably drifting a little. Her gaze fell on the young man who was in a casual posture opposite her.

Did he know about this legend?

However, he didn't think that he would believe such a legend..

Chapter 379: A Gift

The Ferris wheel slowly turned.

After all, this was Jiang Ling's first time on the Ferris wheel. She was quickly distracted by the scenery outside the cabin.

It's just a legend, so it's not very credible.

It was still snowing outside. The entire city was lit up with neon lights. There was even music playing in the cockpit. It seemed a little romantic.

Li Shunan was sitting in his seat with his eyes lowered. He was typing on his phone as if he was sending a message.

Jiang Lingzhi sat opposite him, and she could not help but stare at him for a while.

From her angle, she could see his slightly lowered head, his black hair brushing past his eyebrows, and his tall nose bridge.

However, who was he texting? Why was he so distracted while sitting on the Ferris wheel?

Jiang Lingzhi pursed her lips.

After sending the message, Li Shunan put his phone back into his pocket. He looked up and met her eyes. "What's wrong?"

His gaze moved down and landed on the hawthorn in Jiang Lingzhi's hand. It had been so long, and he had only eaten two. Li Shunan leaned back and chuckled. ""Not delicious?" Jiang Lingzhi was speechless.

The young man looked tired and lifted his chin slightly.

He always gave off an arrogant aura.

Jiang Ling knew that she would not give him the chance to laugh at her. She took a small bite and said, "It's too delicious. I have to save it for later."

Li Shunan raised his eyebrows but didn't expose her. He tilted his head and sat opposite her, looking at her calmly.

Jiang Lingzhi thought of what he said just now. ""What do you mean by making

up for your regrets? Did you say that you would take me to ride the Ferris wheel?"

Li Shunan turned his head and looked at the night view of the city that was getting clearer outside the cabin. He said casually, "No, I'll give you a gift."

Gift?

And it was a bonus?

Jiang Lingzhi asked suspiciously, "Have you ever missed out on giving me a gift?"

She didn't really remember.

However, she liked the necklace and ring he gave her last time and had always been wearing it.

Therefore, it didn't stop her from being happy to receive a gift.

Jiang Lingzhi blinked her eyes and was a little excited."What is it?"

However, she soon thought of the tragic experience today and felt a little traumatized.

After Jiang Lingzhi was conflicted for a while, she hesitated and said,"The gifts I received today were all freebies. Don't tell me you're giving me freebies

Li Shunan retracted his gaze and laughed."What are you talking about?"

Jiang Lingzhi explained softly," That's right. The gift that my father gave me was a crystal ball. It was twice the size of my mother's. It looked like a gift."

"Ah Ci also gave me a rope. "Jiang Lingzhi took out the bracelet from her pocket to prove that she was not lying."Isn't this the red string that costs one yuan a bunch outside? There's also a copper coin on it. The more I look at it, the more shabby it feels."

Jiang Lingzhi felt that she was too pitiful.

It was a good Christmas, but he only deserved to receive gifts.

Why was it so difficult to receive a normal gift?!

Li Shunan couldn't help but laugh."

"That's right." Jiang Lingzhi pulled her attention back and asked nervously,"So, what are you going to give me?"

Li Shunan just stared at her and didn't say anything. His eyes were a little mysterious.

Jiang Ling knew that she could not tell anything from his expression. She was a little nervous, and she reminded him in a friendly manner, "If the thing you gave me is a gift, I advise you not to take it out today.."

Chapter 380: Give It To A Person

She did not want to suffer a third blow today.

Li Shunan smiled with his peach blossom eyes. He bent down slightly and reached out to rub her head. "Don't worry, it's not a gift."

When she heard this, Jiang Lingzhi felt a little more at ease. "What is that?"

Just as he said this.

The phone in his pocket suddenly beeped.

The Ferris wheel kept rising, and the lights of the entire city could be seen.

This height was extremely romantic.

Li Shunan took out his phone from his pocket and glanced at the message. He looked up and met her eyes. "Are you ready to receive your gift?"

Jiang Lingzhi blinked and said slowly, "Ah?"

Do you still need to prepare to receive gifts?

Li Shunan raised his hand and gently touched her face with his fingertips. He turned her face away. "Wait, don't look at me. Look over there."

Jiang Lingzhi:

Over there?

The direction he was pointing at was opposite the lake. Other than the neon lights of the city, the sky was pitch black.

Jiang Lingzhi had a puzzled expression on her face as she stared at the night sky for a while. "What are you looking at?"

"Count to three," Li Shunan said unhurriedly.

Jiang Lingzhi was a little suspicious. She did not know what he was trying to do, but she still did as he said, "3.2.1."

After counting, her eyes moved.

As she finished speaking, she did not have time to think about anything else.

A whoosh suddenly sounded from not far away. A red pillar of light rushed up, and fireworks bloomed in the distant sky, as if they were going to fill the entire night sky.

It was in the direction he pointed.

Jiang Lingzhi had been staring at that side without blinking. She happened to see the entire process, and she stared at the sky in the distance in shock.

From this height, he could see the scene over there perfectly.

The sound of fireworks blossoming in the distance came one after another.

Across the lake, all the beautiful scenery could be seen.

Jiang Lingzhi was stunned for a while before she said slowly, "The gift is... fireworks?"

"I told you last time that I would take you to see the fireworks," Li Shunan said lazily.

Jiang Lingzhi could not come back to her senses for a long time.

The girl stared into the distance, her soft profile shrouded in the flickering light, as if there were stars hidden in her eyes.

Li Shunan stared at the side of her face without blinking.

The fireworks came in many colors, and most of them were scattered in the shape of flowers.

However, when he placed it in the middle, there was a picture. It was a small glossy ganoderma.

Jiang Lingzhi was engrossed in it, and the corners of her lips curled up. She pointed at the pattern with her finger and was a little surprised. "I saw Lingzhi." Just as she was about to turn her head, a touch of warmth suddenly approached her ear.

A scorching hot breath was slowly transmitted to her ear.

"Originally, this gift was for you alone."

Jiang Lingzhi was stunned for a moment.

When she came back to her senses, she realized that the man had moved from the opposite side to sit beside her.

He was pressed tightly against her, even their shoulders were pressed together.

Why did such a distance make people inexplicably nervous?

Her heartbeat was a little out of control.

Jiang Lingzhi subconsciously wanted to move back. "You, how did you..."

The young man's lazy and magnetic voice echoed in her ears as usual. "However, since the others have seen it, I'll treat it as a gift for them."
