

Little Girl 391

Chapter 391: Lin Beiyu

Jiang Lingzhi was almost in a mess.

Why did the topic suddenly become like this?

Li Shunan didn't intend to stop and continued, ""But I heard that giving birth is very painful."

Jiang Lingzhi was stunned for a moment.

Li Shunan's voice was as lazy as ever. He lowered his voice. "So, if you're afraid of pain, it's fine if you don't want children... I can cooperate." Jiang Lingzhi did not know what to say for a moment. After holding it in for a long time, he finally said one sentence.

"Student Li, I'm only 16 years old. Aren't you thinking too much?"

Li Shunan laughed softly, and his magnetic voice rang in her ears, making her ears numb. ""Didn't you bring up this topic first?" Jiang Lingzhi choked.

It seemed that she was the one who brought it up first.

Jiang Lingzhi cleared her throat and wisely changed the topic. ""Alright, that's enough. Let's talk about something else..."

The phone call took a long time.

After hanging up the phone, Jiang Lingzhi's mood unexpectedly improved a lot.

Anyway, his deskmate always had this ability.

It could brighten her mood for a second.

She even felt that she was a little silly just now.

It wasn't like she didn't have anyone who loved her.

Why should she be upset over someone she didn't like?

It was not worth it!

There was a dinner in the afternoon.

It was decided a long time ago.

The location was set at a large private room on the fifth floor of South City. It was said that the Jiang family was a family friend. They hadn't seen each other for a long time. This time, they just happened to come back and had a meal together.

They each drove their own cars and arrived at the hotel lobby.

Jiang Ling knew that they had left early. When Jiang Puqing drove to the entrance of the hotel, the others had not arrived yet, so he simply waited for them in the lobby.

Jiang Puqing and Lu Yuping went to the garage to park the car. Jiang Lingzhi entered the hotel first and waited on the sofa in the lobby.

Because she was worried that she would be bored, she brought her books and test papers with her and planned to do the questions.

Since he had nothing to do at the moment, he took out the test paper from his bag and started writing.

Jiang Lingzhi was curled up on the sofa with a pen in her hand. She was writing the questions seriously. After a while, someone sat down on the sofa opposite her.

Jiang Lingzhi thought that her parents had come over, so she raised her head

to take a look.

Sitting opposite her was a young man of eighteen or nineteen years old.

Someone she didn't know.

There were so many sofas beside her, but he had to sit opposite her.

Probably like her, she was waiting for someone.

The main thing was that the person had a very arrogant hair color. It was an exquisite black style with a few strands of seaweed green highlights. There was a black earring on the ear.

Jiang Lingzhi could not help but take another look.

He felt that this person had two words written all over his body.

Arrogant.

Just the color of her hair was enough to win.

She quickly turned her gaze away and continued to do the questions. After writing for a while, Jiang Lingzhi subconsciously looked up to see if anyone had come.

She raised her head and realized that the person opposite her was staring at her for a long time.

Jiang Lingzhi was stunned for a moment.

He felt that the person's gaze was a little strange.

After being caught by the person involved, the boy was fearless. His gaze still fell on her, staring at her blatantly.

Jiang Lingzhi felt that she might have met a pervert.

After a moment of silence, he raised the document in his hand and blocked the person's view.

A faint chuckle came from the other side.

Jiang Lingzhi was speechless.

The perverts nowadays were really arrogant.

Just as she was considering whether she should change seats, a male voice came from the side.

“Beiyu, let's go. I've booked a room for you..”

Chapter 392: Love Letter Attack

bei,yu..

Jiang Lingzhi's fingers that were holding the documents paused for a moment. For some reason, she felt that this name seemed a little familiar.

She tried to recall where she had heard this name before.

Her memory was blurry, and she couldn't remember.

Jiang Lingzhi silently moved the documents in her hands down a little. She revealed a pair of eyes and glanced at the person opposite her.

With a glance, he actually saw a familiar face.

The person who walked over from behind was dressed in pink.

This coquettish color suddenly hit a spot in Jiang Lingzhi's memory.

It was Brother Pink whom he had met at the bar previously.

Jiang Lingzhi was shocked, and she took the documents in her hands down."" ..

Sister?"

Hearing this, the person's gaze fell on him.

After being stunned for a moment, Pink Bro revealed a surprised expression.

Lin Beiyu, who was sitting on the sofa, was obviously puzzled by this scene.

Sister...

Younger sister?

He sorted out the relationship between them and stood up. He sneered and revealed a playful expression. He looked at Pink Bro and said, 'When did you go to Thailand and come back with a different personality? Why didn't I know?' '..'Pink Bro: " Misunderstanding, this is a misunderstanding."

Realizing what she had called him, the man's mouth twitched and he corrected her again patiently, "I'm really a man!"

Jiang Lingzhi's expression was a little difficult to describe in words.

It didn't matter whether he was a man or not.

The important thing was...

The words she had said during the chat earlier flashed through her mind in an instant.

Jiang Lingzhi looked at the two of them with a meaningful gaze.

He suddenly felt like he had found out something incredible.

No wonder she looked so angry.

Jiang Lingzhi nodded and raised her hand to interrupt him. ""1 understand, I understand everything!" Pink Bro was speechless.

No, it wasn't.

What do you know?

Jiang Lingzhi's gaze scanned the two of them, and she wanted to say something but stopped herself.

Although she was not rotten, it had nothing to do with her, so she would not say anything to others.

She hugged the documents and retreated as far away from the two of them as possible.

"Um, you guys continue chatting. I won't disturb you anymore."

At that moment, Jiang Puqing and Lu Yuping walked into the hotel.

Jiang Lingzhi hugged the documents and did not dare to stay for a second longer. She hurriedly walked over to them.

The girl jogged away, and her back quickly disappeared into the elevator.

Pink Bro sighed." This sister has a good memory. She's also very pretty. It's just that her eyes aren't very good. She's also very persistent. ""

She was very persistent in thinking that he was a woman.

Lin Beiyu retracted his gaze. He had not had the time to hide the playfulness in his eyes.

He didn't expect to see her again in this way on the first day of his return after two years.

Moreover, she obviously didn't remember him.

Back then, the love letter had been attacking for several months, but it didn't have any sense of existence?

She hadn't changed much, but her originally tender features had grown and she was more beautiful than before.

It was also more interesting.

Upon hearing this, Lin Beiyu glanced at him and asked, "How did you meet him?"

Pink Bro's name was Yu Wenxing, and he was his good friend.

When she heard Lin Beiyu's question, she told him what had happened at the bar.

"This little sister is really funny."

Lin Beiyu chuckled and did not say anything.

Chapter 393: Seven Aunties and Eight Aunties

The dinner was held on the fifth floor of the hotel, and a private room for 20 people was booked.

Looking out of the window, one could see the scenery of Linjiang.

Jiang Lingzhi was purely there to make up for the number of people. She found a corner to sit down and tried to reduce her presence. She did not want to make things difficult for the others.

Beside her was Lu Yuping, who was giving her instructions at the moment. "Remember to call him later. It's your Uncle Lin. We met when we were very young, but we haven't seen each other for so many years."

Jiang Lingzhi nodded. "Oh, Uncle Lin is alone?"

"And his son. I heard that he just came back from abroad, so we came over for dinner today."

At this moment, the table was already surrounded by a large circle of people, including some unknown aunts and aunts.

They were all relatives of his grandparents. They had not seen each other for several generations. At most, they would have a meal together every year.

The other side was chatting fervently. They were just showing off the children at home.

Jiang Lingzhi had always been invisible at home.

No one cared about her, so the topic naturally fell on Jiang Che.

"How many points did you get in the test?"

"Your results are so good. Did you get a scholarship?" "Are you planning to take the postgraduate entrance exam?" "Do you have a girlfriend? Do you want me to introduce one to you?" "You're already so old, yet you still don't want to talk about a partner?"

"Aunt has many good girls here. I'll introduce them to you."

They didn't even give him time to catch his breath. They simply couldn't stop.

Jiang Lingzhi took a deep breath.

Suffocation.

It was too suffocating.

Somehow, she felt a little lucky that she was invisible.

It seemed that they had finished talking about all the topics, and finally, someone noticed Jiang Lingzhi. "Lingzhi is still in high school, right?"

Jiang Lingzhi was speechless.

When the topic came to her, Lu Yuping replied, "Yes, he's still in his second year of high school."

The person who spoke was perming a lamb roll and was very fashionable.

The lamb roll auntie was very interested. She pulled Lu Yuping and started to chat. "Our child is also in high school."

She then went to ask Jiang Lingzhi, "How many marks did you get for the final exam?"

Jiang Lingzhi was silent for a moment before she replied politely, "' 712 points for the final exam."

All the relatives in the family knew that Jiang Lingzhi had not been favored all these years.

It was just a casual question.

The child who wanted to show off at home suddenly choked.

What did 700 points mean?

Even the children at home thought that it was very impressive to score more than 500 points.

“You did pretty well,” said the lady with the lamb roll embarrassedly. “Then how many marks did your child get?” someone asked.”

The lamb roll auntie was speechless.

How could he compare 500 points with 700 points?

Wasn't this asking for humiliation?

‘ Haha, ” the lady laughed.” Just like that, our child is ranked first in class. ”“

She didn't answer directly, but secretly changed the concept so that it didn't seem so embarrassing.

After she finished speaking, she went to ask Jiang Lingzhi, ‘What's Lingzhi's ranking in class?

Jiang Lingzhi was silent for a moment before she answered truthfully, ”“Second.”

Upon hearing this, the lamb roll auntie instantly became smug.” Aiya, then our child is always the first in class.”

The people around him began to compliment him. “Then your child is very good. He can definitely get into Nanjing University in the future.”

If he didn't get in, wouldn't that be embarrassing?

Chapter 394: No Rules

“..”It’s alright, it’s alright. The child likes it on his own.””

Jiang Lingzhi did not explain much. She listened quietly and felt that there was no need to explain too much to them.

On the contrary, it was Jiang Che who laughed.” Then what’s the grade ranking? The grade ranking and the class ranking are sometimes quite different.”

The lamb roll auntie was speechless.

Several pairs of eyes were staring at her. The auntie braced herself and said, “I think so, in the eighties.”

The schools were different, and the classes were different. There was no way to tell just by looking at the class rankings.

Jiang Che looked at Jiang Lingzhi and asked softly,””Where’s Zhizhi?”

Jiang Lingzhi paused for a moment. She raised her head and met his eyes.

Jiang Che winked at her.

Jiang Ling knew what he meant and said honestly,””He’s also second in the grade. ”

Wasn’t the comparison obvious?

Moreover, the school was different. It was the best school and could even be ranked second in the grade.

The lamb roll auntie's expression immediately became awkward.

He was speechless for a long time.

The difference in ranking was obvious.

Somehow, the topic had shifted to her.

"What's the point of having good grades? You'll still have to get married," said Old Madam Barker unhappily."

Her voice wasn't loud, and it was mixed in with the voices of others, making it even less obvious.

However, it was obvious that all the aunties heard it. They stopped talking about Jiang Lingzhi and turned the topic back to Jiang Che.

Jiang Lingzhi had heard this kind of words too many times, and she could already be indifferent to it.

On the other hand, Lu Yuping's expression changed.

Just then, someone pushed open the door and entered the private room.

The person who came was Uncle Lin. He was in his forties and looked quite gentle. He smiled and greeted his grandfather.

But he was alone.

Old Master Jiang looked behind him."

"Sigh, he insisted on taking a shower and is even changing his clothes upstairs.

We don't have to wait for him."

With that, the group finally sat down.

However, since everyone was not here, it was impossible to serve the dishes first.

Jiang Lingzhi was a little desperate from waiting. She thought that she could leave after eating, but in the end, she just sat there like a fool.

She picked up the teapot and poured herself a cup of water.

After waiting for another ten minutes, the legendary Young Master Lin finally arrived.

The door opened, and the waiter at the door led the person in.

The private room was silent for a second.

Jiang Lingzhi looked up subconsciously. Her gaze fell on the arrogant hair color, and her fingers that were holding the glass paused for a moment.

This hair looked a little familiar.

His gaze shifted downwards and landed on that face.

Oh.

He had seen him in the hall just now, that pervert.

Uncle Lin was obviously unhappy and reprimanded, "Why are you only here now? Everyone is waiting for you. You really have no manners."

Lin Beiyu snorted and walked over unhurriedly. He sat down on the chair and said carelessly, "I didn't ask you to wait."

He was acting like a young master.

Coupled with his arrogant hair color and the earring on his ear, he perfectly displayed the words 'profligate scion' to the fullest.

Uncle Lin smiled apologetically. "I'm sorry. This kid has just returned to the country. He doesn't have any manners."

Old Man Barker waved his hand and said, "Aren't all boys like this? They have their own personalities."

Lin Beiyu smirked and ignored him..

Chapter 395: This Sister

Lin Beiyu was not interested in this dinner at all.

He didn't even raise his head, nor did he have any intention of greeting the others. After sitting down, he took out his phone and typed on the screen.

Lin Beiyu's perfunctory feelings were expressed in words.

People with discerning eyes could tell at a glance.

But no one dared to say anything.

The other end of the line began to chat. When everyone was here, the waiter finally began to serve the dishes.

Lin Beiyu looked up, wanting to take a look at the scenery outside the window. When his gaze landed, he happened to see a familiar side profile opposite him. His fingers suddenly stopped.

The girl sat in the corner, leaning against the back of the chair. She was wearing a white sweater and had a ponytail, revealing her palm-sized face. Her facial features were exquisite, and her head was slightly lowered. She was expressionless.

She was holding a phone in her hand and placed it under the table. After a while, she saw something and the corners of her lips curled up slightly. As if afraid of being discovered, the arc quickly straightened again.

It was the same as in the hall just now.

He stared at her for a while, but the girl did not notice him at all.

The phone in his hand automatically turned off. Lin Beiyu stared in the opposite direction and could not help but chuckle.

Father Lin, who was beside him, noticed it. He didn't know why he suddenly laughed and was a little puzzled. "What's wrong?"

Lin Beiyu put away his phone and said casually, "It's nothing." Lin Beiyu and Jiang Che were the only two boys at the dinner.

Although Jiang Che was two years older than Lin Beiyu, they were still considered peers.

The two families naturally wanted the two of them to get to know each other better.

“Xiaoyu, let’s get to know each other. This is Jiang Che.”

Father Lin pointed at Jiang Che, who was two seats away, then turned to smile at Jiang Che, “We have just returned to Beiyu, so there are many places that we are not familiar with.

Jiang Che naturally nodded politely.” Sure. South City has been developing quite quickly in the past few years. If Beiyu has time, we can come out together.””

Lin Beiyu was obviously not interested in making friends with him. He raised his eyebrows and said with interest,””Why didn’t you introduce that sister over there?”

Well, he was more interested in that sister.

Younger sister?

What sister?

Uncle Lin followed his gaze and noticed a little girl in the corner. “Eh? Was this Zhizhi? I was just about to ask why I didn’t see anyone today.”

Zhizhi is in high school now, right?”

Jiang Lingzhi was texting Li Shunan. She was in the middle of a conversation and did not notice her surroundings for a long time.

For a moment, the surroundings suddenly fell silent.

Jiang Lingzhi looked up and realized that everyone’s gaze was focused on her.

Her hand trembled and she quickly put her phone away.

Lu Yuping touched her hand.”

Was it so sudden?

Jiang Lingzhi sat up straight and called out obediently, ”Hello, Uncle Lin.”

Uncle Lin smiled.” Good girl. Look at how obedient Zhizhi is. ”“

Lin Beiyu leaned back in his chair lazily.”“Oh, this little sister is called Zhizhi...”

Jiang Lingzhi was speechless.

She glanced sideways and met the man’s playful gaze.

Jiang Lingzhi rolled her eyes in her heart.

Who is your sister?

The next second, Lu Yuping introduced him.” This is your Brother Beiyu.

Remember to greet him.”“

Jiang Lingzhi was speechless..

Chapter 396: Add Me on WeChat

Jiang Lingzhi felt a lump of blood in her throat.

After brewing for a while, under Lu Yuping's eager gaze, Jiang Lingzhi called out unwillingly, "Brother Beiyu."

It was an extremely stiff sound.

He was extremely unwilling.

However, the girl's voice was soft. Even such an extremely stiff voice was unexpectedly pleasant to hear.

Lin Beiyu seemed to be in a good mood. "Hey, little sister is so obedient."

Jiang Lingzhi was speechless.

It was too suffocating.

Jiang Lingzhi was so cold that she had goosebumps all over her body.

He completely ignored that person.

Lin Beiyu suddenly thought of something and sat up straight.

His attitude from the beginning to the end was simply too different, as if he had been possessed.

Before he entered, he still looked like he didn't want to talk to anyone.

Why was he suddenly interested and even took the initiative to add her on WeChat?

He did not know where the change came from.

Jiang Che found it funny and nodded. "Sure, no problem."

With that, she took out her phone and opened the QR code for him to scan.

Lin Beiyu held his phone and scanned it casually.

After adding it, she looked up at Jiang Lingzhi and casually said, "It just so happens that I've added one."

Her attitude was natural as if she was just waiting here.

"Maybe I can ask my sister to bring me around when I have time in the future," he said meaningfully.

Jiang Lingzhi looked up and said seriously, "I don't have WeChat."

Her tone was still obedient and did not let anyone detect a trace of impatience. "Besides, I'm going to take the college entrance examination. I might not have time. Let brother take you around."

Jiang Che was originally quite smart, but he instantly became a fool. "I do. I have your WeChat. Did you not bring your phone?"

Jiang Lingzhi was speechless.

Jiang Che enthusiastically helped her out, "It's okay. I'll send your business card to him. You just have to go back and agree."

The corners of Jiang Lingzhi's mouth twitched.

She didn't know why her brother, who was obviously quite observant, suddenly lost his mind.

Then I'm really...Thank you.

The three of them chatted happily, and the two families were naturally happy to see it.

Uncle Lin was quite surprised. Why did this kid suddenly change his personality?

She had clearly put on a sour face for him to see before she came. After they had diverted their attention.

Jiang Lingzhi found an excuse and went to the bathroom.

It was simply too suffocating inside.

If she didn't escape and get some fresh air, she would probably die inside.

After Jiang Lingzhi came out of the bathroom, she did not rush back to the private room. She walked to the window at the end of the corridor and took a breather.

He took out his phone and made a call.

Looking for a future boyfriend...Continue life.

The phone rang and the other party picked up.

Tomorrow was New Year's Eve, so it was a little lively over the phone.

Jiang Lingzhi listened for a while and asked curiously, "What are you doing?"

Li Shunan leaned lazily against the sofa and looked up at the three people who were busy in his living room. He said, "I'm going to do the questions." Jiang Lingzhi was speechless.

Why was it that after the fact that he was a top student was exposed, this person had completely become an alien who would die if he did not study for a day?

She really didn't know that he loved studying so much.

Jiang Lingzhi asked again, "Then why is it so noisy?"

Chapter 397: I Really Want to Escape

Li Shunan looked up and glanced at the three people who were busy. "Yes, they are putting up couplets."

"..Jiang Lingzhi: " Then tomorrow is New Year's Eve. How do you plan to spend

Li Shunan chuckled and said lazily, "Tomorrow? I'll watch the Spring Festival Gala and wait for your call."

When he said the words 'Spring Festival Gala' from his mouth, it somehow hit her funny spot.

Jiang Lingzhi could not help but laugh out loud."

Li Shunan hummed softly. "That's all." "What about you?"

Jiang Lingzhi pursed her lips.

Every year during the Spring Festival, they would just have a meal without any feelings and then do their own things.

Jiang Lingzhi raised her hand and drew circles on the window. She said gloomily, "Me? I'll watch the Spring Festival Gala and find time to call you."

"That's it?" Li Shunan raised his eyebrows.

"Oh... This is it." Li Shunan laughed softly.

"It is."

Jiang Lingzhi stared out of the window and was a little distracted for some reason. She sighed and muttered softly, "Sigh. I really want to escape."

She really wanted to escape and not go to that house.

It was not her home, but a guest room.

"Hmm?"

Her voice was so soft that Li Shunan only heard a low sigh.

Jiang Lingzhi perked up and changed the topic. "No, then you can continue to do the questions. I'm still outside now. I'll go back... I'll call you when I get back."

Li Shunan furrowed his brows thoughtfully and replied with a low "hmm."

After hanging up the phone, he recalled what she had just said.

Run...

Sun Yan and Qi Liangji were putting up couplets at the door.

At this moment, it was pasted on the banner at the top.

Qi Liangji climbed up the ladder and pressed his hand on the banner. After adjusting his position, he asked, "Help me see if this is straight?"

Sun Yan took two steps back and commanded, "It's a little crooked."

"How about this?" "It's a lot more, 0.5mm will do."

Qi Liangji was speechless.

Qi Liangji threw down the banner in his hand and wanted to hit him. "Do you want to die? 0.5 You can even see the difference in millimeters. Your eyes are quite sharp, aren't they?"

The two of them started fighting again.

Zhao Zifu took a bag of yogurt from the fridge and held it in his mouth as he walked past the living room.

"Escape..." Li Shunan muttered these two words.

"What?"

Li Shunan was holding his phone in his hand. His eyes narrowed slightly as he clicked his tongue. "My little friend was bullied."

Zhao Zifu:

Li Shunan had never thought about anything else. He was just going to her grandfather's house. Why would he be bullied?

However, when he thought of her tone on the phone, he felt as if he could cry in the next second.

Li Shunan narrowed his peach blossom eyes and felt a little anxious.

"I have to go over." he muttered softly.

Zhao Zifu didn't react."

Li Shunan looked up and said in a low voice, "".. Looking for my child." Zhao Zifu was speechless.

Jiang Lingzhi hung up the phone and stayed outside for a while.

Why was it that she could not hide her emotions in front of him every time?

She didn't want to go in so early, so she dawdled outside for a while.

Until enough time had passed.

Jiang Lingzhi turned around and prepared to return to the private room. When she turned around, she saw the young master of the Lin family standing not far away..

Chapter 398: Doesn't It Look Like a Couple's Dress?

That person was leaning lazily against the wall. She did not know how long he had been standing there.

His gaze fell on the phone beside her hand, and his gaze was meaningful.

Jiang Lingzhi was speechless.

Although it was Jiang Che who said she didn't bring her phone.

However, she did not deny it.

It wasn't a big deal at first, but his gaze made her feel as if he had something on her.

Why should she feel guilty?

She just didn't want to add him on WeChat. It was such a simple reason, but she had to be so straightforward.

Jiang Lingzhi pursed her lips and retracted her gaze. She put her phone back into her pocket and walked past him without looking at him.

Lin Beiyu raised his eyebrows slightly. He crossed his arms in front of his chest and leaned against the wall. "Sister, you don't know how to be polite. You called me Brother Beiyu just now, but now you don't even call me by my name anymore."

Jiang Lingzhi stopped in her tracks and resisted the urge to roll her eyes.

She really didn't know why this person was so shameless.

She didn't even expose the relationship between him and Brother Pink, yet he still rushed to her to make his presence known.

Could it be?

When she thought of this, Jiang Lingzhi felt like she understood something.

Tsk.

It's just a person. It's not a big deal.

Jiang Lingzhi looked at him with an unfathomable gaze. She tugged the corners of her lips and said, "Oh, goodbye, Brother Beiyu."

After calling out emotionlessly, she continued to walk forward and ignored him.

When the girl passed by, Lin Beiyu's gaze fell on her and he suddenly said, "From the looks of it, don't you think our clothes look like couple clothes?"

Jiang Lingzhi was stunned for a moment. She subconsciously lowered her eyes and looked at her body.

As the hotel was a little hot, she took off her down jacket.

She was wearing a cream-white sweater with a loose-fitting style. She wore a dark gray pleated skirt and pantyhose.

She looked very youthful and energetic.

Lin Beiyu was also wearing a high-collared white sweater. The color was more pure white.

At first glance, it really did look like a couple's outfit.

Then, he thought about his relationship with Brother Pink.

Jiang Lingzhi felt disgusted and could not help but retort, "If the clothes are the same color, then it's a couple's outfit. I saw an old lady wearing white just now. Why don't you say that you and her are a couple's outfit?"

After saying that, he finally couldn't help but roll his eyes and walk forward.

The girl did not pause at all. She left decisively, as if she was afraid that he would pester her again.

Lin Beiyu looked at her back as she leaned against the wall. His eyes flashed with interest and he could not help but laugh out loud.

He thought of the third year of junior high.

At that time, she didn't like her very much. She only felt that she was the prettiest girl in the school. If she managed to get her, she would have a good reputation.

He had never even been in close contact with the station.

He did not know that she was so eloquent.

It was different from what he had imagined.

Back in the private room, he didn't care where she had gone.

Lu Yuping, who was sitting next to her, asked softly, "What took you so long?"

Jiang Lingzhi blinked and casually made up a pretense. "My, my stomach feels a little uncomfortable."

Lu Yuping became inexplicably nervous and looked at her up and down. "Are you alright? What did you eat?"

Jiang Lingzhi hurriedly shook her head." I'm fine. I'm much better now."

Only then did Lu Yuping relax. She poured her a glass of water and asked, "Then are we still eating?"

Jiang Lingzhi shook her head..

Chapter 399: Betrothal

As she spoke, Jiang Lingzhi picked up the down jacket on the back of the chair and put it on.

Lu Yuping was a little puzzled by her behavior."The heater is on inside. Aren't you hot wearing so many clothes?"

Jiang Lingzhi pursed her lips and said softly,""It's better to die from heat than from nausea."

She didn't want to wear the same color as that person.

After the meal at the hotel, the group of aunts parted ways at the main entrance and went home.

Jiang Puqing went to the parking lot to get the car while Jiang Lingzhi and Lu Yuping waited at the entrance of the hotel.

After getting into the car, Jiang Lingzhi was still sitting alone in the back seat.

Feeling a little tired, she closed her eyes to rest. In front of her, Lu Yuping and Jiang Puqing were chatting casually.

Thinking of what happened at the dinner party just now, Lu Yuping asked, "From what Dad said just now, you were almost engaged at that time?" Jiang Puqing replied softly, "The older generation thought that since the two families had a good relationship, they liked to get engaged when they were young, but they didn't get engaged in the end."

"Fortunately, it wasn't decided." Lu Yuping quickly added.

Jiang Puqing glanced at her and found it funny. "Why? Are you not satisfied?"

"Of course not," Lu Yuping answered decisively.

Jiang Lingzhi frowned. She did not know what they were talking about.

What engagement? Who and who?

Jiang Puqing spoke up for him. "I think that young man is quite energetic and good-looking."

Lu Yuping couldn't help but glance at him. "That green hair makes me uncomfortable. What's wrong with children these days?" Jiang Lingzhi was speechless.

Wasn't the green-haired young master of the Lin family?

Jiang Puqing paid attention to the road ahead. "It's not too bad. It's not especially green. Moreover, it's just a few tufts on the top of my head. Why do I think it looks quite good?"

Lu Yuping looked unhappy and looked out the window. "I heard that he had a few girlfriends overseas. How old is he? Fortunately, it hasn't been decided yet. Even if it had been decided, I wouldn't have agreed."

"Maybe Zhizhi likes it." Jiang Puqing smiled.

She liked it?

Jiang Lingzhi was still at a loss, and she could not help but interject, "What is

Seeing that she had woken up, Lu Yuping turned around and looked at her. She wanted to find a sense of identity with her. "Zhizhi, what do you think of Lin

Beiyu just now?"

Jiang Lingzhi was speechless.

She was still in a daze and did not know if there was a trap in this question.

After all, he was a friend of the Jiang family. It was not good to speak ill of him.

After thinking about it for a while, he gave a conservative answer.

"It's alright, just like that."

It seemed that he was not too satisfied with this answer.

Lu Yuping looked ahead and continued, "At that time, your grandfather almost arranged a betrothal between you and the young master of the Lin family, but it was not settled in the end."

Jiang Lingzhi almost jumped up from the back

The conversation at the dinner party just now went in one ear and out the other. She didn't even hear the rest. She didn't know that they were talking about such an explosive topic.!

Jiang Puqing held the steering wheel and affirmed Lu Yuping's statement. "From the looks of it, your grandfather seems to have some thoughts of developing in this direction..."

Jiang Lingzhi instantly became excited, and she was no longer sleepy. "I don't agree, I definitely don't agree. Dad, Mom, you can't agree. I don't like this!"

Lu Yuping was satisfied. "See? I knew our Zhizhi wouldn't have such bad taste..."

Chapter 400: What Kind of Boy Do You Like?

Jiang Puqing couldn't help but shake his head with a smile. "Beiyu's a good place to be, right?"

Lu Yuping also felt that these words were a little inappropriate. "I didn't say that he's bad. He's quite good-looking and his family conditions are quite good.

It's just that he doesn't seem like a good family."

Jiang Puqing: "Young girls nowadays all like this type. There are a few entertainment companies that want to sign him. I heard that he's quite famous on the Internet now."

Jiang Lingzhi was speechless.

Did all the little girls nowadays like green hair?

Although the color was quite western and not old-fashioned, it was still green.

She still preferred black hair.

Just like his deskmate.

When she thought of this, Jiang Lingzhi could not help but compare their looks in her heart.

After some comparison, she still preferred the deskmate.

Her deskmate was simply a man that she thought was beautiful. She had never seen anyone more good-looking than him in her life.

Lu Yuping was even more disapproving." That's even more impossible. If we get married in the future, won't we have to keep it a secret?"

Why did the topic gradually come to this?

Jiang Puqing laughed." It's just a casual mention. There's no such thing as betrothal nowadays. It doesn't exist anymore."

After a moment of silence.

Lu Yuping nodded and realized that she was thinking too much. They hadn't even started talking about marriage yet.

The carriage quieted down.

After a while, she realized that something was wrong.

Lu Yuping looked back at her suspiciously."Right, Zhizhi, why were you so agitated just now?"

Jiang Lingzhi was speechless.

Jiang Lingzhi choked for a moment. She raised her hand and touched her neck. She stuttered, "Ah, is there?"

The two people sitting in front looked at her through the rearview mirror at the same time.

Jiang Lingzhi braced herself and said, "I-I'm too young. I'm only 16 years old.

It's not appropriate for me to say this."

She was indeed young and might not have thought about this. The young lady was thin-skinned and must be embarrassed.

Lu Yuping seemed to have accepted this explanation and turned her face away.

On the other hand, Jiang Puqing was in the mood to chat. "You just said that you don't like this kind of girl, so what kind of girl do you like?"

Jiang Lingzhi choked for a moment and changed the topic stiffly. "Say something else, Dad."

"What's wrong?" "What can't I tell Mom and Dad?" Jiang Puqing asked with a smile. "

Seeing that she was too embarrassed to talk about it, Jiang Puqing gave her a reference. "How about someone like Ah Ci?"

Jiang Lingzhi was speechless.

"Dad, are you joking?"

"What's wrong?" "I think Ah Ci is quite good."

Jiang Lingzhi held it in for a long time before she said, "Dad, did your eyesight increase again?"

Jiang Puqing was speechless.

When a daughter was angry, she would not recognize her family.

Jiang Puqing couldn't help but laugh. "Then, tell me one. Daddy can use it as a reference?" "What kind of boy would our Zhizhi like?"

Jiang Lingzhi yawned and looked extremely tired. "I'm so sleepy. Let's take a nap first. Call me when Daddy arrives."

With that, he closed his eyes.

It was obvious that he did not want to continue the topic.

Young girls at this age probably didn't like to talk about such things with their elders.

Jiang Puqing shook his head with a smile and stopped asking her questions.

He smiled and said to Lu Yuping beside him, "Daughter's standards are high enough.. These two boys were the cream of the crop among the boys, yet they still looked down on them?"
