

## Little Girl 421

### Chapter 421: If You Want To Turn Me, I Should Be The One Turning You

Li Shunan lowered his eyes and hummed softly.

Jiang Lingzhi opened her contact book and dialed her grandmother's number. In the end, no one picked up until the ringtone ended.

"Did he go out for a walk?" Jiang Lingzhi suddenly felt a little depressed as she muttered softly.

There were street lamps on both sides of the road, and the lights under the eaves were also on. Only the door was tightly shut.

It wasn't too late now, and there were still pedestrians passing by.

It was the off-season for tourism. There were not many tourists. They were all locals. After eating, they took a walk outside to digest their food.

Some of the doors were even hung with red lanterns, giving off a festive atmosphere.

"He probably went out for a walk after eating..." Jiang Lingzhi put her phone away and sniffled. She was too embarrassed to make him wait with her. "Why don't I wait here while you go find a hotel?"

Actually, she wasn't sure if her grandmother had gone for a walk, but there seemed to be no other way except to wait.

Li Shunan raised his eyes and looked at her with an ambiguous expression. ""Are you sure?"

Jiang Lingzhi blinked her eyes, and she did not know what to say for a moment.

Li Shunan nodded and seemed to accept the proposal calmly. "Alright, I'll leave first."

Jiang Lingzhi was speechless.

She was just saying it casually.

Was her considerate deskmate really going to leave her alone?!

Although she had said so, couldn't he wait for a while longer with her?!

The man turned around, and his tall and thin figure gradually faded away.

He wouldn't really leave her here alone, would he?!

Jiang Lingzhi stared at his back view eagerly. Her gaze was very fixed, as if she wanted to stare a hole in his back.

What a heartless man!

She watched him take two steps forward, then stop and turn around casually.

Their eyes met.

The girl stared at him with her clear eyes, looking aggrieved.

Jiang Ling did not expect him to suddenly turn around. She was stunned for a moment, but she did not look away and continued to look at him.

Li Shunan put his hands in his pockets, his tall and slender figure standing there like a crane. He drawled, "Am I really leaving?"

Jiang Lingzhi turned her head away and let out a muffled " Oh."

Li Shunan lowered his head and held back his laughter. He turned back slowly, bent down, and took the suitcase from her.

Jiang Lingzhi sniffled and looked at the side profile that was right in front of her. "Aren't you leaving?"

" I was going to leave," Li Shunan said lightly.

His height was too superior. He was a full head taller than Jiang Lingzhi. Every time he spoke, he would bend his head slightly and look at her at the same level.

Jiang Lingzhi looked up at him.

He paused for a moment before continuing, "Tsk, I'm a little worried. "

Li Shunan raised his hand and pinched her cheek. He said in a low voice, "What if my child is kidnapped by someone else?"

Jiang Lingzhi was speechless.

Jiang Lingzhi pursed her lips and said softly, "I'm already so old. Human traffickers can't kidnap me."

Li Shunan raised his eyebrows and said casually, "Who said that? Then why did you follow me all the way here?"

“Then you’re not a human trafficker.” Jiang Lingzhi pointed out the problem with his words very honestly. She pursed her lips and mumbled, “Besides, you’re the one who followed me here.. If anyone wants to kidnap you, I’ll kidnap you!”

Chapter 422: A Suite

Li Shunan licked the corner of his lips and chuckled. “Say it’s also”

He paused for a moment and blew into her ear. A low breath came out of his throat. “Then, you’ve already brought me here. You have to be responsible for me.”

“I’ll remember it.”

Jiang Lingzhi was speechless.

Li Shunan put the suitcase back into the trunk.

The two of them returned to the car.

Jiang Lingzhi furrowed her eyebrows and thought for a moment. “I don’t know if Grandma went out for a walk or has already fallen asleep. Why don’t we go find a hotel for you first?”

He couldn’t waste his time here. He must be tired after driving for so long today.

Jiang Lingzhi also felt a little guilty at this moment.

If she hadn’t insisted on coming here, they would have already reached home.

Li Shunan leaned back in his chair, his handsome face shrouded in the dim light outside the car window. His expression was indifferent and lazy, as if he didn't care at all.

"Is there a hotel here?"

"Yes, there seems to be a star hotel at the entrance of the town."

After all, it was a tourist town. How could there be no hotels?

Jiang Lingzhi finished the rest of her sentence. "I'll bring you over first. I'll call

Grandma later. After I contact her, I'll come back then."

Li Shunan turned his eyes slightly and looked at the girl's serious face. He didn't express his opinion. He looked away and said, "Okay."

Jiang Lingzhi tried hard to recall in her mind. "I remember it should be at the entrance of the town. It's the best hotel here. Drive forward..."

Relying on her memory, Jiang Lingzhi directed for a long time before she finally found the hotel in her memory.

Li Shunan was in a hurry this time, so he only brought a backpack and two sets of clothes. He didn't bring anything else.

After parking the car, he took his backpack and the girl's suitcase and walked straight to the hotel. He checked in at the hotel lobby.

Jiang Lingzhi was also sleepy.

She was afraid that he would be bored, so she chatted with him all the way here and did not sleep much.

In addition, she had been frozen outside for so long during the day. She was exhausted, sleepy, and tired.

“Hello, please show me your ID card.” The receptionist smiled.”

Li Shunan lowered his eyes, took out his ID card from his wallet, and handed it over.

“Both of you need it, ” the receptionist politely added.”

Jiang Lingzhi was stunned for a moment. She took out her identity card from her bag and handed it over.

“Get two rooms,” Li Shunan said lightly.”

“Hmm?” After Jiang Lingzhi reacted, she tugged at his sleeve and reminded him,“”I’m not staying here. I’m going back to my grandmother’s house later.”

At most, she would rest here for a while. She would leave after she called her grandmother.

Li Shunan lowered his eyes and looked into her eyes. He pondered for a moment, then turned his head and said lazily,“”A suite, then.”

The receptionist quickly checked them in and handed them the room card.

Li Shuannan took the room card. His eyebrows were thin, and his facial features were particularly distinct. He ignored the red-faced gaze of the young lady at the front desk and led the girl towards the elevator.

Jiang Lingzhi yawned. Her hands were empty as she obediently followed beside him.

They took the elevator upstairs and Li Shunan opened the door with his room card.

After entering the room, Jiang Lingzhi walked straight to the sofa in the suite and sat down. She was so tired that she did not want to move.

Li Shunan placed his suitcase at the corner of the wall and lowered his eyes. "If you're tired, go take a shower and sleep. You can go to your grandmother's house tomorrow."

Jiang Ling knew that she was really sleepy now.. She rubbed her eyes and said hesitantly, "Sleep here?"

Chapter 423: Come Over and Give Me a Hug

Just now, she felt that she definitely wouldn't spend the night here, so she didn't let him get two rooms.

But now, after entering the room, he didn't want to move.

As expected, he was still lazy.

Jiang Lingzhi perked up. "I'll call my grandmother again."

She took out her phone from her pocket and slowly dialed another number.

As expected, the call still did not go through.

Jiang Lingzhi laid on the sofa and looked up pitifully. "Still no answer."

The girl was obviously very sleepy. Her eyelids were drooping, and her eyelashes were drooping. There were even small water droplets on them, making her look pitiful.

“If you can’t get through, then don’t call.” Li Shunan opened his eyes and took her suitcase. He said in a low voice, ““ I’m feeling cold today. Go take a hot bath first and have a good sleep. Don’t catch a cold.”” The heater in the hotel room was turned on.

Wrapped in this warm temperature, he felt sleepy.

Jiang Lingzhi also gave up resisting. She stood up and walked towards the room as she muttered softly, ““Then I’ll go take a shower. I’ll continue making calls after I take a shower.””

Actually, she also felt that she probably wouldn’t be able to get through tonight.

It was past eight in the evening, and there were no entertainment activities. They were not like young people, so the old people were probably asleep.

Jiang Lingzhi walked over slowly. She took the suitcase from his hands and dragged it into the room.

She took out her pajamas from her suitcase and went into the bathroom to wash up.

Other than the bathroom in the room, there was also a bathroom outside.

When Jiang Lingzhi came out of the room after taking a shower, Li Shunan had already taken a shower. He was leaning on the sofa and playing games on his phone.

Jiang Lingzhi leaned against the door, and her eyelids drooped. She was a little lazy as she stared at him for a while. “Aren’t you going to sleep?”

The girl’s voice was a little soft and slightly nasal, sounding like she was acting coquettishly.

Li Shunan looked up and paused. ““Are you sleepy?””

The young girl changed into her pajamas. Her hair was loose, and her small face looked even more delicate. Her black and white deer eyes were moist, and she looked soft and obedient.

Jiang Lingzhi raised her hand and rubbed her nose.

She was so sleepy that she couldn't even open her eyes, but after taking a shower, she felt a little more awake.

Jiang Lingzhi glanced at his current appearance. "It's alright."

Actually, she wanted to ask him about his plans for tonight.

After all, there was only one bed in this suite.

Just now, he wanted to book a room, but she rejected him.

Was there something wrong with her brain?

Li Shunan leaned against the sofa and stretched his long legs casually. He raised his hand and hooked his finger at her. "Come here."

Jiang Lingzhi tucked her hair behind her ear and walked over obediently. She stood in front of him and looked down at him. "What's wrong?"

Li Shunan put his phone aside and sat up straight. He stretched out his hand and said lazily, "Come over and give me a hug."

Jiang Lingzhi was stunned for a moment, but she did not move.

Although Jiang Lingzhi did not reject his hug, she even liked it a little.

But now, the two of them had just taken a shower. There were only the two of them in the huge room, and they were in a hotel.

The atmosphere seemed a little warm. Was it too late?

Jiang Lingzhi stuttered for some reason.”

” Yes.” Li Shunan’s peach blossom eyes were half-closed, and there was a playful look in his eyes. “I’ll touch them while I’m at it and see if the children of the family have lost weight.’ Jiang Lingzhi was speechless..

Chapter 424: Touching Your Waist

Touch?

Touch?

These two words, no matter how one heard it, did not sound proper.

Jiang Lingzhi took a step back, and her ears were inexplicably burning. She said in exasperation, “” You, are you a pervert?!”

Li Shunan raised his eyebrows and laughed out loud. “How is it abnormal?”

Jiang Lingzhi lowered her head to look at herself, and her face felt a little hot for some reason.””You can tell at a glance whether you’re thin or not. What’s there to touch?!”

It’s not because I’m wearing too many clothes and can’t tell,” Li Shunan said lazily.” That’s why I want to touch it.”“

“Besides, I’m talking about touching your waist. Little girl, what are you thinking?”

Jiang Lingzhi: “??”

Then why was she to blame?

Jiang Lingzhi took a deep breath. She did not want to have sex with this person. The gangster spoke.

She turned around and was about to walk towards the room.

In the next second, a warm hand grabbed her wrist.

Jiang Ling knew that he had pulled her down, and she fell into his arms with her back facing him. Her back was pressed against his chest.

Her body froze on the spot.

Just as Li Shunan said, he did touch her waist.

His palm gently wrapped around her waist.

Jiang Lingzhi could clearly feel his body temperature. He was very close to her, and his thin lips seemed to brush past her ear.

“You’ve already touched my abs, why can’t I touch your waist?”

Jiang Lingzhi felt that her ears were a little itchy, and she shrank her body to the side.

Li Shunan lowered his eyes and slowly swept his gaze over the girl in front of him. The touch of his palm was soft and he couldn't even hold it.

His eyes gradually darkened. The girl in his arms was soft everywhere. How could her waist be so thin?

Initially, he only wanted to touch her waist, but in the end, he was really a little distracted.

The dark elements in his body were instantly stirred up, and his palm unconsciously increased its strength.

His Adam's apple moved slightly.

The warmth of his palms was scalding hot. Through the thin layer of pajamas, she could clearly feel it.

He slowly tightened his grip on her, as if he wanted to press her into his body.

Jiang Lingzhi's body could not help but tremble slightly.

A low laugh came from his throat, and his magnetic voice echoed in his ears, sounding a little hoarse. "You really seem to have lost weight."

Jiang Lingzhi did not feel that she had lost weight in any way, but after he said that, she looked at her waist and said, "Where did you lose weight?"

Before she could finish, a light kiss landed on the back of her neck.

Jiang Lingzhi's body froze, and she instantly felt as if she had been struck by lightning.

Li Shunan lowered his head slightly and kissed the tip of her ear gently. He then moved his lips down slowly, and the heat fell on the side of her fair neck.

Jiang Ling knew that it was a little itchy. She raised her hand to push him, and her voice was a little shaky. "Stop fooling around."

Li Shunan wrapped his arms around her waist and looked down at her side profile. He laughed softly. "Are you scared?"

Jiang Lingzhi's body was a little tense, and her back was still pressed against his chest.

The little girl was wearing a conservative long-sleeved nightgown, but the collar was a little big. Li Shunan was much taller than her, so from his angle, he could see some other scenery.

Li Shunan raised his eyebrows and said in a playful tone, "Little Strawberry?"

Jiang Lingzhi was still in a daze. She turned her head slightly and noticed that he was looking down.

His gaze was fixed on...

She followed his gaze and looked down.

Jiang Lingzhi was speechless..

Chapter 425: Why Are You Still Biting?

Jiang Lingzhi's face heated up, and she quickly raised her hand to cover the collar of her pajamas. "What, what little strawberry?"

"Is it the one from last time?" Li Shunan chuckled softly and reminded her in an extremely slow and lazy voice.

“The time when you gave Pumpkin a bath and accidentally got your clothes wet. ”

As she said this, Jiang Lingzhi suddenly remembered that time.

She gave the little pumpkin a bath and her chest was wet.

He threw a piece of clothing on top of her head and didn't say anything after that.

Jiang Lingzhi was still hoping that he would be lucky, and she always thought that he did not see it clearly.

In the end...

So, he actually saw the little strawberries on it at that time?!

Jiang Lingzhi took a deep breath.

Finally, she could not hold back her emotions anymore. Jiang Lingzhi turned around and used her hand to rub his face. “You're such a flow. Rascal, what are you looking at?”

Li Shunan indulged her and let her ravage him. His thin lips curved slightly and he slowly added, “The game is called the game.

Jiang Lingzhi was speechless.

Simply pinching her face with her hands was no longer enough to calm her emotions. Jiang Lingzhi turned around and used both her hands and feet to press down on him.

As if she was angry, she suddenly opened her mouth and bit his chin.

Li Shunan leaned on the sofa and looked at their current position with interest. The smile on his lips was obvious.

Jiang Lingzhi's entire body was on top of his body, and she was still completely unaware of it. She threatened fiercely, "You're not allowed to talk, you're not allowed to shut up!"

Li Shunan didn't seem angry. He said with a faint smile, "Tsk, why are you still biting people?"

Jiang Lingzhi blinked and took a step back slightly. She glanced at the bite marks on his chin.

It seemed a little obvious.

She clearly didn't use much strength.

"Who told you to talk nonsense?" Jiang Lingzhi felt a little guilty after biting him. Her fingertips gently rubbed against his chin.

"Does it hurt?"

Li Shunan's eyes darkened. When the little girl was about to retreat, he grabbed her wrist and suddenly turned over to pin her down.

Jiang Lingzhi only felt a blur in front of her eyes. She blinked her eyes. She was on the soft sofa, and the aura of the young man was all over her, making it difficult for her to breathe.

Li Shunan propped his arm on the side of her body and looked down at her.

The collar of the girl's pajamas slid down slightly, revealing her fair and thin shoulders and deep collarbones. The lines were beautiful and exquisite.

He raised his hand and pulled her collar up.

His fingers accidentally brushed against her skin, as if they had been electrocuted.

Jiang Lingzhi shivered slightly.

Li Shunan looked down at her, his light brown peach blossom eyes as deep as ink. He gently rubbed his fingertips against the corner of her lips and said in a low voice, "Don't be afraid. I won't do anything."

Jiang Lingzhi's clear eyes stared straight at him.

Li Shunan lowered his head and planted a kiss on her forehead.

His movements were gentle and sincere, as if he cherished it very much.

"Go to sleep if you're sleepy. I'll book a room later." Jiang Lingzhi blinked and understood what he meant.

He was giving up the room to her.

Jiang Lingzhi snatched his room again. She was a little embarrassed. "If it was so troublesome, why not sleep on the sofa?"

Anyway, he would definitely not sleep in the same bed as her.

Although her deskmate was always thinking about something indecent and often played tricks. He was a hooligan, but he was actually very principled.

It was the same when they were at his house previously. He was determined not to sleep in the same bed as her..

Chapter 426: Reporting Safety

“What are you talking about?” Li Shunan chuckled.”

Jiang Lingzhi mumbled softly,“Then I’ll be so embarrassed if I snatch your room.

“Have a good rest. Don’t think about these messy things.”Li Shunan looked at the little girl under him, his eyes full of love and gentleness. “Call me if you need anything. I’ll be there soon.”

At this point, he seemed to be about to get up and leave.

Jiang Lingzhi raised her hand and grabbed his collar.”“Are you leaving now?”

Li Shunan lowered his head and kissed her eyelids. He said to your room and sleep. I’ll leave after you fall asleep.”

The young man stood up and carried her in his arms. He walked into the room and gently placed her on the bed.

Li Shunan sat by the bed and looked down at her.”Go to sleep.”

Oh.” Jiang Lingzhi’s entire body shrank into the blanket, and only her small head was exposed.”Good night, then.”

Jiang Lingzhi blinked and looked at him.

Li Shunan straightened his body, turned around, and left the room. He gently closed the door for her before leaving.

The room fell into darkness again.

Only the bedside lamp was still dimly lit.

Jiang Lingzhi tossed and turned on the bed for a while, and she thought of the last time she called him baby.

Good Su.

Jiang Lingzhi's entire body was covered in the blanket, and she could not help but kick her leg.

Suddenly, she thought of something. She lifted the blanket again, pulled open the collar of her pajamas, and looked down.

It was quite big.

Was it big?

Pretending, indeed, it seemed alright.

Jiang Lingzhi hugged the blanket in her arms again and started to rub it.

Actually, she wasn't afraid. She liked his closeness.

He was just a little nervous, the kind that he couldn't control.

Sigh...

Before she went to sleep, Jiang Lingzhi suddenly remembered.

It seemed that she hadn't told her parents that she had come to her grandmother's place. They probably thought that she had gone home. Jiang Lingzhi sat up on the bed, picked up her phone, and made another call.

To report his safety.

Lu Yuping and Jiang Puqing had just reached home and were about to go upstairs to look for her when Jiang Lingzhi called.

"What? You went to Grandma's house?" Jiang Puqing was obviously surprised after hearing what she said.

Jiang Lingzhi's voice was sleepy." Yes, but Grandma was not at home when I came. She was probably already asleep, so I found a hotel and was about to go to bed. Don't worry about me.""

Jiang Puqing was silent for a moment.

This had just happened today, so he didn't say anything more about her.

He only sighed, still a little worried.

Jiang Puqing reminded her softly, "Then you have to be careful when you're alone. Dad and Mom will come to look for you tomorrow, okay?""

Jiang Lingzhi blinked. She still did not know that they had already left her grandfather's house."Are you guys coming over tomorrow?"

“Yeah, Mom and I are already home. I didn’t expect you to go to Grandma’s house. We just missed you.”

Jiang Lingzhi’s expression was dull. She did not expect it to be like this. “Ah!”

Jiang Puqing comforted him.” It’s okay. Just be careful. Mom and Dad will come over to meet you tomorrow afternoon.””

After a few more reminders, he hung up the phone.

Jiang Lingzhi was still a little confused.

Her parents were coming over tomorrow. What about her deskmate?

She even promised him today that she would take him boating tomorrow..

Chapter 427: Sudden Situation

However, it was not a big deal.

At most, he would just sneak out.

Perhaps the sleepiness had attacked his brain and he couldn’t wrap his head around it.

Jiang Lingzhi sighed and buried her face in the pillow. She did not think too much about it. She placed her phone on the side of the bed and closed her eyes. She was prepared to sleep first.

She slept a little soundly.

Jiang Lingzhi was in a daze, and she vaguely heard voices coming from outside.

“I was only gone for a day. Sun Sanhuo, you’re really something.”

“Yes, if anything happens to him, you can die too.”

The young man’s voice was magnetic and deep, as cold and undisciplined as ever.

Then, the door of the suite opened and closed.

She forced her eyes open and wanted to go out to see if her deskmate had left. However, she was too tired and could not support herself. After that, she fell asleep again.

When she woke up, it was almost seven in the morning.

Jiang Lingzhi slept quite early last night, and she did not feel any burden when she woke up in the morning.

She got up from the bed, pulled on her hotel slippers, and prepared to go out and take a look.

The door was pushed open from the outside.

Li Shunan pushed the door open and came in. His tall and thin figure leaned against the door. His eyes moved slightly. “You’re awake? I was just about to call you for breakfast.”

Jiang Lingzhi yawned and walked towards him. “Where did you sleep last night?”

Li Shunan said lazily, “I booked a room next door.””

Jiang Lingzhi nodded her head and softly replied, " Oh." She walked into the bathroom.

Her eyes were sleepy as she brushed her teeth in front of the mirror. Suddenly, she thought of last night.

The sound of the door opening and closing that she had heard in a daze yesterday should have been the sound he had made when he left.

Jiang Lingzhi gulped a mouthful of water.

She seemed to have heard him on the phone yesterday.

What did he say? I didn't hear it clearly.

Jiang Lingzhi spat out the saliva in her mouth and washed her face. She took a tissue to wipe the water off and threw it into the trash can.

After washing up, Jiang Lingzhi came out of the bathroom and walked to the coffee table outside the suite.

There was porridge and meat buns on the coffee table.

Jiang Lingzhi sat down on the sofa and casually picked up a meat bun to take a bite.

Li Shunan walked over with a bottle of mineral water in his hand.

Jiang Lingzhi turned her face to the side and glanced at him. Her gaze fell on his body, and she paused for two seconds before she realized that he was already dressed neatly.

Jiang Lingzhi was still a little surprised." Did you just come back, or are you preparing to go out?"

Li Shunan looked up. His tall figure leaned against the wall, looking thoughtful.

He raised his head and took another sip of water, frowning slightly.

After thinking for a moment, he seemed to be thinking about how to phrase it."Let me tell you something."

Jiang Lingzhi nodded her head and took a big bite of the meat bun. Her cheeks were still puffed up."Okay, go ahead."

Li Shunan licked the corner of his lips and whispered, "I have something to do at home. I'll check out of the room after breakfast. I'll send you to Grandma's house and then I'll leave."

Jiang Lingzhi stopped biting the bun."Ah?"

Li Shunan's eyes were a little complicated. He lowered his eyes and stared at her expression.

Jiang Lingzhi swallowed the meat bun in her mouth with difficulty. Her expression was a little depressed."Didn't you agree to stay for two more days yesterday?"

Li Shunan frowned and sighed. He said in a low voice,"An emergency."

Jiang Lingzhi took two more bites of the bun unhappily and nodded slightly."Oh, I know."

For some reason, she recalled that he had said something on the phone last night.

What if something happened to him?

Did something happen to someone?

Chapter 428: 428: Reluctant

Girls were always like this. Their thoughts were written on their faces, and it was easy to tell that they were unhappy.

Thinking of the phone call last night, things were a little difficult.

Li Shunan half-squatted in front of her and gently rubbed her head. He said in a low voice, "Or do you want to go back with me?"

He felt uneasy leaving her here alone and wanted to bring her by his side at all times.

However, the little girl seemed to want to stay here.

Jiang Lingzhi lowered her eyes and shook her head. "No, I've already told my parents that they're coming to look for me today."

He couldn't just tell them that he was at his grandmother's house yesterday and then go back today. He couldn't let them come for nothing.

"Well, that's fine." Li Shunan stared at her with his peach blossom eyes and said in a low voice, "I'll look for you when you go back."

Jiang Lingzhi nodded her head gently and asked softly, "Did something happen to someone?"

Li Shunan pondered for a moment, as if he was hesitating about something. In the end, he didn't answer directly. "As long as you have fun here, you don't have to worry about anything else."

Jiang Lingzhi stared at him for a while, and she felt a little down for some reason.

She nodded lightly and did not say anything.

What was going on?

Why can't I tell her?

He had promised to stay for two more days, but he didn't keep his word.

However, she did not want to appear particularly willful.

He was busy, and it wasn't his intention.

Jiang Lingzhi was just a little reluctant.

If she had known that he was leaving today, she would not have gone to bed so early last night. At least she would have stayed with him for a while longer.

The girl lowered her eyes, and her eyes seemed to be slightly red.

Li Shunan caressed her cheek and lowered his voice slightly. "Are you angry?"

Jiang Lingzhi shook her head gently.

"Then what?"

When he lowered his voice slightly, there was always an inexplicable indulgence and indulgence in it.

Jiang Lingzhi sniffed. When she spoke, she had a slight nasal voice as she said softly, "That's right... You drove all the way here, and it wasn't easy for you to come here. I even said that I wanted to take you boating, but in the end, I didn't go."

"Won't there be more chances in the future?" Li Shunan gently rubbed his finger against the corner of her lips. "If you have time in the future, I'll accompany you to visit Grandma, okay?"

Jiang Lingzhi raised her eyes and stared at him eagerly. She corrected him, "That's my grandmother."

Li Shunan's peach blossom eyes curved slightly. He lifted her chin with his fingers and kissed her on the corner of her lips. "Yes, our grandma."

After eating breakfast, Jiang Lingzhi went back to her room to change her clothes.

She tidied up her luggage on the ground, zipped it up, and prepared to go out.

When she came out, Li Shunan leaned against the table as if he was texting someone.

Jiang Lingzhi walked over with her suitcase.

Li Shunan looked up, put his phone away, and put it in his pocket. He bent down slightly and took the suitcase from her.

"Have you packed everything?"

Jiang Lingzhi nodded her head, and she was not in high spirits. "Let's go, let's"

"Let's go then." Li Shunan rubbed her head, bent down, took her hand, and walked out of the room together.

After taking the elevator downstairs, Li Shunan went to the front desk to check out.

Jiang Lingzhi waited at the side.

After leaving the hotel, the car stopped in front of them.

Li Shunan put the suitcase in the trunk.

Jiang Lingzhi slowly walked to the front passenger seat and opened the car door to get in..

Chapter 429: Can You Don 't Angry Me?

Jiang Lingzhi fastened her seatbelt and sat up straight. She was still immersed in the sadness of being separated from her future boyfriend, and she was unable to extricate herself.

Li Shunan started the car and said in a casual tone,""When you get to Grandma's house, be good and don't run around. The boating you mentioned, you can go with your boyfriend when he comes next time. Don't sneak over alone, do you hear me?"

Jiang Lingzhi pursed her lips.

He was quite a busybody.

He didn't want others to go.

I want to go, I want to row."Jiang Lingzhi snorted softly.

There was a red light at the intersection ahead, and the car slowly stopped.

Li Shunan put his arm on the steering wheel and turned to look at her. "How can I be at ease if I'm not safe alone?"

Jiang Lingzhi was silent for a while before she slowly said, "Then I'll find someone to accompany me."

"Who are you looking for?" Li Shunan raised his eyebrows.

Jiang Lingzhi said matter-of-factly, "I'm looking for my good friends. I've been here for so many years. Can't I have a few good friends?"

Li Shunan narrowed his eyes.

Jiang Lingzhi turned her face sideways and met his gaze. She thought for a while and said slowly, "There are men and women."

Li Shunan was speechless.

Jiang Lingzhi looked at him calmly.

She was not lying. She often came here when she was young. Coupled with her lively personality, she naturally had many friends.

However, after growing up, they came less often. They hadn't seen each other for a long time and had become estranged. She didn't want to look for them at first.

Li Shunan licked his lower lip and felt a little flustered. He raised his hand and pinched her face. "Tsk, you little girl, can you not anger me?" Jiang Lingzhi retracted her gaze and looked out the window.

I told you not to accompany me.

I won't anger you to death.

“How about this? Next time, we’ll row together. This time, we’ll keep it for now, okay?” Li Shunan moved closer to her and started discussing with her.

Jiang Lingzhi looked out of the window and finally could not help but laugh.

The traffic light turned green at the intersection, but Li Shunan didn’t notice it and was still talking to her.

A car behind them started to honk.

Jiang Lingzhi pursed her lips and turned around to look at him. “The light is green. Can you not affect the traffic?”

Li Shunan sat up straight, started the car, and said carelessly, “Tsk, isn’t it because I suddenly feel a sense of crisis?”

Jiang Lingzhi turned her head sideways to look at him. She really could not tell that he was in danger.

She was still the same lazy and undisciplined person.

She thought about how long he would have to drive later.

It was better not to distract him.

Jiang Lingzhi reluctantly compromised.”

Actually, she did not plan to go without him. She just wanted to make him angry.

She didn’t expect him to take it so seriously.

He had been here once yesterday, so he was obviously more familiar with the place.

In less than twenty minutes, they arrived at the destination.

The car slowly came to a stop not far away.

Jiang Lingzhi sighed in her heart.

How could he be so fast?

Jiang Lingzhi slowly loosened her seatbelt. She had just sat up straight when someone gently touched her dimples.

She was stunned for a moment and subconsciously looked up.

Li Shunan leaned over and looked more serious. "I want to remember, I want to be..."

Jiang Lingzhi blinked her eyes.

Li Shunan lowered his voice slightly as if he was trying to bewitch her. "Most importantly, don't go out with other boys, understand?"

Jiang Lingzhi was speechless..

Chapter 430: A Family Man

"After all, you're already married," Li Shunan drawled. "It's not appropriate for you to go out with other boys."

Jiang Lingzhi was speechless.

Jiang Lingzhi was a little speechless." When did I have a family? Why didn't I know?"

Li Shunan raised his hand and pinched her face." "Aren't my future boyfriends lining up right now? They're waiting to become full-time employees. One boyfriend is enough, understand?"

Jiang Lingzhi listened to him speak nonsense in a serious manner.

' Also," Li Shunan raised his hand and gently rubbed her lips."I have to call you every day. I can still afford to pay for this. "

"Call every day?" Jiang Lingzhi thought of the phone call he made last night, and she pouted." "Will I disturb you?" "What are you talking about?" Li Shunan raised his eyebrows."

Jiang Lingzhi snorted and did not continue.

She pushed open the car door and got out.

Li Shunan followed her out of the car and helped her take her luggage out of the trunk.

Jiang Lingzhi took the luggage and looked up at him." "Then I'll be leaving?

Li Shunan leaned against the side of the car, his light brown eyes deep and loving. He looked down at her."Go ahead."

Jiang Lingzhi paused for a moment, but she did not move. She hooked her finger at him and said," "Come here for a moment."

Li Shunan chuckled, bent down slightly, and approached him obediently. "Hmm, do you still have something to tell me?"

He was extremely tall. He was 1.87 meters tall and had a body that was comparable to a model. He was eye-catching enough just by standing there. The lines of his face were smooth and distinct, and his nose bridge was especially straight.

Her 360-degree appearance without any blind spots was particularly eye-catching no matter where she was placed.

At this time, there were not many people on the roadside.

Jiang Lingzhi looked left and right. She stood on her tiptoes and quickly kissed his cheek. "Be careful on the road. When you go back, don't hook up with other people. Otherwise, I'll deprive you of your chance to become a full-time employee."

His words were extremely serious and carried a very friendly reminder.

Li Shunan was stunned for a moment, then he smiled inexplicably and whispered, "Don't spread rumors. When did I hook up with anyone?"

Jiang Lingzhi wrinkled her nose.

She pulled out the handle of the suitcase. "I'm leaving."

This time, he really turned around and left.

The door to Grandma's house was already open.

Jiang Lingzhi was carrying her suitcase. When she was about to enter the house, she stopped in her tracks. She turned around to look at him and waved at him.

After watching her enter, Li Shunan leaned against the car and stopped for a while.

He was sure that the girl was really home this time.

He raised his hand and touched the spot where she had kissed him. He chuckled softly, then opened the car door and sat in the driver's seat. Li Shunan picked up the phone on the console and glanced at it.

There were several unread messages from Sun Yan.

He glanced at it casually and put down his phone. He raised his head and stared ahead for a while before starting the car.

When Jiang Lingzhi walked through the door with her luggage, Grandma happened to come out from the inner room.

Seeing the person who suddenly appeared in the room, the old man was shocked before he could react.

Jiang Lingzhi put down her luggage and jumped over to hug her grandmother. "Grandma, I miss you so much."

Grandma had liked her since she was young and would grant her every request.

When Grandma realized who it was, she was overjoyed. She held her hand and looked up and down for a long time. "Zhizhi, you suddenly came over?" Then, he looked behind the girl.. "Where are your parents?"
