

Little Girl 431

Chapter 431: Wine Meatballs

Jiang Lingzhi let go of her grandmother's hand and rubbed her nose. "They will only arrive in the afternoon."

Upon hearing this, Grandma was stunned for a moment. Clearly, she did not understand the current situation. "Didn't you come here together?"

This matter was a little complicated to explain.

Jiang Lingzhi mumbled, "Well, I came over yesterday, but you didn't answer my call, so I went to the hotel to stay."

Grandma pretended to be angry. "Why didn't you call in advance?"

"I forgot."

Grandma pinched her hands. "Why are my hands so cold? Isn't it cold outside?"

He would probably ask her if she was wearing long johns later.

Jiang Lingzhi ran to the charcoal stove in the middle of the room to warm her hands. "Um, I just took my suitcase."

Grandma brought a chair over and added some firewood. "Sit down, Nuan

Nuan."

Jiang Lingzhi sat by the charcoal fire to warm her hands. Her eyebrows curved up as she said, "Grandma, I want to eat the wine balls you made."

When she was young, she loved to eat her grandmother's fermented rice balls. As long as she said she wanted to eat them, her grandmother would stop what she was doing and make them for her.

Sure enough, when she heard this, Grandma immediately smiled. "Sure.

Jiang Lingzhi nodded her head in a hurry.

Grandma's face was full of wrinkles as she smiled. She turned around and went to the kitchen.

As expected, she was still the same as when she was young.

Jiang Lingzhi's mood gradually improved. She stood up and walked to the door. She looked outside and saw that the parking spot was empty.

He had already left.

Jiang Lingzhi took out her phone and glanced at it.

If she called him now, would it affect his driving?

After thinking about it, she decided to forget it and put her phone away.

Jiang Lingzhi sat there to keep warm.

Grandma soon came out of the kitchen with a bowl of wine and meatballs. She smiled and said, "Zhizhi, come over quickly. Eat it while it's hot."

Jiang Lingzhi sat around the charcoal stove and ate the wine balls. She chatted with her grandmother, and in an instant, she felt as if she had returned to her childhood.

He wasn't as depressed anymore.

Lu Yuping and Jiang Puqing arrived before lunch.

The house suddenly became lively.

Actually, Jiang Lingzhi did not have much confidence in her heart.

After all, no matter what, she should not have left without saying goodbye. After her parents came, she did not know if they would educate her.

Jiang Lingzhi was quite nervous.

In the end.

When the two of them arrived, not only did they not educate her, but they also looked distressed and guilty.

He stared at her with a loving gaze.

Jiang Lingzhi almost doubted her life.

What happened?

It was different from what she had imagined!

After saying a few words of concern.

Jiang Puqing patted her on the shoulder." Don't leave home alone next time. If you feel wronged, tell your parents. They will definitely stand on your side.""

Lu Yuping didn't say anything. She stood at the side and wanted to say something but hesitated.

Jiang Lingzhi lowered her eyes and looked as if she had realized her mistake.

They were probably too guilty to ask her any other questions.

Grandma didn't notice anything wrong. She was overjoyed that they were here.

He pulled them along and started chatting.

After lunch, Jiang Lingzhi put her luggage back into her room.

When she was tidying up her things, she realized that her iPad was missing.

He searched the entire suitcase but could not find it. She didn't know if she had left it at the hotel..

Chapter 432: With a Boy

When she was packing up this morning, she was absent-minded and probably forgot to take it.

Someone knocked on the door. Lu Yuping pushed the door open and entered."Zhizhi...

He had wanted to have a heart-to-heart talk with her, but the moment he entered, he saw her messy luggage.

Lu Yuping stopped in her tracks and was a little puzzled. "What are you looking

' Mom." Jiang Lingzhi looked up, and her expression was a little depressed. "I'm looking for an iPad. Brother Jiang Che gave it to me. I don't know if I left it at the hotel. "

Lu Yuping glanced at the bag on the table. "Isn't it in your bag?"

Jiang Lingzhi shook her head. " No, I just looked for it. ""

She suddenly thought of something and looked up. "Mom, why are you looking for me?"

Lu Yuping didn't know what to say for a moment. She shook her head. "It's not a big deal. Since you left it at the hotel, can I bring you to the hotel to look for it?"

Jiang Lingzhi stood up."

After all, it was a gift from someone else and also a token of Jiang Che's appreciation. There was also the revision materials for the three years of high school that he had organized.

He still had to get it back.

Lu Yuping took the car keys and went out with Jiang Lingzhi.

He drove to the hotel where he stayed last night.

After entering the hotel lobby, Jiang Lingzhi went straight to the front desk to ask, ""Hello, I'm the tenant who stayed in room 1006 last night. May I ask if your cleaning lady found an iPad?"

The lady at the front desk checked." I don't have it here. You can go upstairs and look for it. I might not have cleaned the guest room yet."

Jiang Lingzhi nodded and said, "Thank you."

Lu Yuping was still waiting for her at the side.

Jiang Lingzhi walked over and pointed in the direction of the elevator." "Mom, wait for me here. I'll go up and look for her."

Lu Yuping nodded." Yes, go ahead. I'll wait for you here."

Jiang Lingzhi walked towards the elevator and went straight upstairs.

Lu Yuping was about to sit on the sofa in the hall for a while when her phone rang. She picked it up casually. "I haven't found it yet. Zhizhi went upstairs to look for it."

"Okay, we'll go back once we find it." She held her phone and walked to the side while making a call.

Behind the reception area.

Just as Jiang Lingzhi left, another receptionist walked over from the side and chatted casually with her colleague." "1006? Didn't a handsome guy stay in room 1006 last night? How did you become a little girl?"

"Is that so?" The colleague replied.

"Yeah, I was on duty last night. That boy was so handsome that I couldn't help but take a few glances at him."

It was the off-season of the hotel, and it was also the first day of the new year. There were not many people staying in the hotel.

Moreover, he was such a handsome man. It was difficult for people not to remember him.

“However, it seems like a boy and a girl came together last night. I didn’t see the girl’s appearance clearly.”

Her colleague teased, “You’re just looking at handsome guys, right?”

The receptionist sighed. “That boy is indeed handsome. You didn’t see it. He’s amazing.”

The colleague did not see the boy she was talking about. He only thought that the girl just now was quite beautiful. “Then that girl just now must be the girl you said was with that boy yesterday.”

The receptionist mumbled, “Maybe. I didn’t see it clearly.”

The two of them were chatting happily.

Lu Yuping had already hung up the phone and returned to the reception desk. Her tone was unclear. “What did you say just now? Was that girl with a boy last night?”

Chapter 433: Brother Chennan Is Busy Now

When Jiang Lingzhi went upstairs, the cleaning auntie happened to clean this room.

She found her iPad on the bedside table in the hotel room.

Jiang Lingzhi heaved a sigh of relief. She took her things downstairs and came out of the elevator. Lu Yuping was sitting on the sofa in the living room.

Lu Yuping's back was facing her.

Jiang Ling knew that she did not see her expression, so she walked over directly. "Mom, I found the Aawn. We can go home now."

Hearing her voice, Lu Yuping turned around. Her expression was a little unclear. She glanced at her but did not say anything. She stood up and said, "Okay, let's go home."

Jiang Lingzhi paused for a moment and felt a little inexplicable.

She was clearly fine when she came just now. Why did she suddenly feel like she was in a bad mood?

She didn't take it to heart, thinking that it was still a matter of the past.

Back in the car, they were silent all the way.

Jiang Lingzhi took out her iPad and looked at the revision materials that Jiang

Che had arranged for her.

The content was quite detailed.

She lowered her head and looked carefully. She did not notice that Lu Yuping, who was in the driver's seat, would occasionally shoot her a hesitant gaze.

When he returned to his grandmother's house, Jiang Puqing was wearing a sweater and stretching his body at the door. "Did you find it?"

Jiang Lingzhi walked over and nodded. "I found it. It's on the bedside table, but I forgot to take it."

Jiang Puqing laughed. "Be more careful next time. Why do you always lose things?"

Jiang Lingzhi retorted softly, "How is it always? Occasionally..."

After Lu Yuping parked the car, she got out of the driver's seat. She didn't say anything and went straight into the door. She placed the car keys on the cabinet and went upstairs.

Her expression was a little serious, and she seemed to be in a bad mood.

She was clearly acting like a loving mother before she left and wanted to have a heart-to-heart talk with her daughter. In the end, she became like this when she came back.

Jiang Puqing looked at her back view and turned to ask Jiang Lingzhi, "What happened to your mother?"

Jiang Lingzhi was also a little puzzled.

She carefully recalled what had happened just now.

He didn't seem to have done anything to make her angry.

Jiang Puqing patted her shoulder.

Jiang Lingzhi nodded.

Since she had nothing to do downstairs, Jiang Lingzhi simply carried the tablet back to her room.

Thinking of her mother's reaction just now, she felt a little flustered. She walked to the desk and sat down for a while before placing the tablet on the table.

After thinking for a long time, he could not think of a reason.

He estimated that he should have arrived by now.

Jiang Lingzhi took out her phone and walked to the door. She opened the door and took a look. It was quiet outside, and there was no one there.

She closed the door and made a call.

The phone rang for a long time, and it was only picked up when it was about to hang up.

"Hello?"

It wasn't Li Shunan who answered the phone.

Jiang Lingzhi was about to speak when she heard an unfamiliar voice. She suddenly choked.

He paused for a second.

However, she did not speak for a long time. The male voice on the other end was a little impatient. "Hello, what's the matter? Brother Chennan is busy now."

Jiang Lingzhi could tell that it was Sun Yan's voice.

She came back to her senses.

Without waiting for her to continue, the other side continued, "It's a matter of life and death! Brother Nan is currently accompanying him to take a look at his little cutie. Friend, go play somewhere else first. I'll get Brother Nan to call you back later!"

Jiang Lingzhi was speechless.

After shouting, the other party hung up the phone.

Jiang Lingzhi stared at the screen of the phone that was hung up on, and she was still a little confused.

Little cutie?

Chapter 434: Forgive Me This Time

After hanging up, Sun Yan held his phone and thought for a long time.

He felt that the voice just now was a little familiar.

The name on the phone was "Little Friend"

It was probably a child Brother Chennan knew?

However, he could not think too much about it now. After all, he could not even protect himself.

People came and went to the pet hospital.

Sun Yan was isolated from the outside of the infusion area and was not allowed to enter. He also did not know what was going on inside.

He waited anxiously in the hall as if he was sitting on pins and needles.

If something happened to Pumpkin, he would probably have to die to atone for his sins.

At this moment, the door to the infusion room opened.

Sun Yan's eyes lit up, and he rushed in without a care.

Little Pumpkin was listless at the moment, lying there without moving.

She looked a little pitiful.

It was all his fault!

Sun Yan felt too guilty.

"Pumpkin, you have to get better!" He pounced over and howled like a ghost.

The noisy voice attracted the attention of the people beside him.

Li Shunan frowned and glanced at him coldly. He raised his leg and kicked his butt. "Get out."

Sun Yan hugged his leg and cried, "Grandpa, I really didn't know. I really didn't know that pumpkin can't eat chocolate. Please forgive me this time!"

"Tell me, what else can you do?" Li Shunan's voice was cold. His eyelids were half-opened, and there was no warmth in his voice. "I'll leave it to you for a day, and this is how you take care of me?"

At this point, he seemed to be angry. He nodded and sneered, "Very good." Sun Yan was speechless.

Why did he sound like he was going to settle the score with him later?

Sun Yan's heart trembled as he sincerely repented, "I am guilty, I am a sinner. I will definitely atone for my sins! In the future, I'll take care of Pumpkin's daily needs, okay? I'll hold it in my hands and worship it in the future!"

Li Shunan snorted and narrowed his eyes. He looked down at him as if he was looking at a dead body. "If my son dies, you'll be buried with him."

Sun Yan wanted to cry, but he couldn't. With a long face, he said, "No, I really didn't know he couldn't eat this."

Just then, the pet doctor walked in from the door.

Sun Yan seemed to have seen a ray of light. He turned around and tugged at the pet doctor's clothes. "Doctor, you have to save our pumpkin!"

The pet doctor nodded his head and said, "You still have to look at the situation. You guys have been taking good care of this cat before. How can you be so careless?" Cats could get poisoned by chocolate."

Sun Yan was so regretful that he wanted to bang his head against the wall.

Stop it, doctor.

Stop talking!

Li Shunan raised his hand and pinched the bridge of his nose. His temples were throbbing in pain.

Looking at Little Pumpkin's current state, he felt inexplicably anxious.

When he heard the news, he did not dare to tell his child.

If she saw the look on Little Pumpkin's face, she would definitely cry.

Sun Yan rushed over and shouted at the little pumpkin, "Dad, you have to get better. If anything happens to you, Grandpa will let me die with you!"

Li Shunan was speechless.

The doctor was speechless.

Because Sun Yan was too noisy, he was asked to wait outside.

The two of them came to the hall..

Chapter 435: Was She Cuckolded?

Sun Yan finally remembered what he was thinking. He handed the phone to Li

Shunan and said carefully, "Grandpa, there was a call for you just now. I answered it for you."

Li Shunan lowered his eyes and took the phone. "Who called?"

Sun Yan scratched his yellow hair. "I don't know. She didn't say anything when she called, but she sounded like a girl."

Just now, he seemed to have said two words.

It sounded like a girl's voice.

Li Shunan's fingers paused and he looked up.

Sun Yan suddenly patted his head and said, "Oh, right, I saw the words 'little friend' in the note.'"

Li Shunan was speechless.

"By the way, who is this little kid?" Sun Yan asked curiously."

"What did he say?" Li Shunan unlocked his phone.

Sun Yan said matter-of-factly, "I told her to go play somewhere else. I told her that you were accompanying your little cutie. Call me back when you have time." "

Li Shunan was speechless.

After saying that, Sun Yan looked like he was asking for praise. "I won't let her disturb you from accompanying Little Pumpkin. How about that? Am I smart?"

He didn't know why.

After saying this, Brother Chennan's expression seemed to become a little dangerous.

Sun Yan finally realized something. "What, what's wrong?"

He felt that Brother Chennan was looking at him as if he was looking at an idiot.

Li Shunan laughed in anger, the curve of the corner of his mouth was loose and carried a trace of killing intent as he said casually.

“Go online and pick a coffin.”

Sun Yan’s heart trembled and he hurriedly tried to persuade him, “Don’t, Grandpa. Daddy can still be saved. Why did you prepare a coffin? You know this is wrong, right? We can’t give up even if there’s a glimmer of hope! Besides, wasn’t everything fine?!”

Li Shunan sneered, his light brown eyes staring at his face. “Go pick one you like.”

Sun Yan was speechless.

He had already said so much, but his grandfather was still unmoved.

Even this couldn’t persuade him?

Sun Yan couldn’t help but sigh.

Seeing that he had already made up his mind, what else could he say? He sighed sadly and took out his phone. “I’ll choose a nice pumpkin.”

“Choose the one you like,” Li Shunan said casually.

Sun Yan felt flattered, “This, this, how can I have such a big face?” Alright, my taste is not bad. I should like the pumpkin that I like too.”

In the end, he still couldn’t unlock the phone.

He heard his grandfather’s cold and magnetic voice say indifferently, “After all, it’s for you to use. Of course, you have to choose what you like.”

After that, Li Shunan took his phone and walked out of the pet hospital.

Only then did Sun Yan realize what was going on. The phone in his hand fell to the ground with a thud.

My mother?

Grandpa, please let me go!

When Li Shunan called.

Jiang Lingzhi's mind had already flashed through the scene of a melodramatic idol drama 10,000 times.

Had she been cheated on?

Did her deskmate have another dog outside?!

That was why he racked his brains to go back!

An image of a scumbag who was going back and forth between the main wife and the mistress appeared in her mind.

On one side was the baby, and on the other was the little cutie.

This was really too difficult!

She was immersed in all kinds of plots when her phone rang.

Jiang Lingzhi stared at the caller ID. She clicked her tongue and picked up the call..

Chapter 436: There Are Other Dogs

Li Shunan's magnetic and cold voice rang out. He sounded lazy and undisciplined. "You called me just now?"

He recalled the scene in his mind.

Jiang Lingzhi paused for a second before she suddenly asked a question, "So am I the main wife or the mistress?"

Li Shunan was speechless.

Li Shunan seemed to find it ridiculous. He was both angry and amused. "What are you talking about?"

Only then did Jiang Lingzhi react, and she accidentally blurted out the plot in her mind.

She cleared her throat and said seriously, "I heard from your good friend that you're accompanying your little cutie now."

"So, deskmate, you have another dog outside?" she asked after a pause.

There was a moment of silence.

Li Shunan chuckled and said carelessly, "No, just you."

Hearing this, Jiang Lingzhi calmed down a little, and the corners of her lips curled up.

The next second, she realized that something was wrong.

Jiang Lingzhi said angrily, "You're the dog!"

Actually, she did not really suspect her deskmate.

With his deskmate's character, he probably wouldn't do something like two-timing.

However, when she heard the name 'Little Cutie', she still panicked for a second.

Plus, he was in such a hurry to go back.

This kind of behavior was indeed easy for people to misunderstand.

Jiang Lingzhi pursed her lips and snorted softly. "Then who is your little cutie?"

Li Shunan leaned against the pillar at the entrance of the pet hospital.

He had wanted to wait until she came back. By then, Little Pumpkin should have recovered. Then, he would tell her so that she wouldn't be so worried.

Now that he had been misled by Threefire, he had no choice but to tell the truth.

Otherwise, the little girl might let her imagination run wild.

Even the words "mistress" and "mistress" came out.

Who knew what she would think if she continued to think about it.

"It's a little pumpkin," Li Shunan said lightly.

Jiang Lingzhi originally thought that something had happened to his brother.

He didn't associate it with Little Pumpkin.

When she heard this answer, her brows furrowed slightly, and her tone became more serious. "Did something happen to Little Pumpkin?"

Li Shunan was silent for a moment before he said, "Yes, Sun Sanhuo gave it a piece of chocolate. It has diarrhea and is now on an infusion."

Jiang Lingzhi instantly became nervous. She paced back and forth in the room. "Is it serious?"

Li Shunan comforted her. "After the infusion, go back and nurse your stomach for two days. It should be fine."

Upon hearing this, Jiang Lingzhi heaved a sigh of relief.

"Why didn't you tell me?" she muttered. It made me think of a bunch of messy things."

Before I came back, I didn't know how serious Pumpkin's condition was," Li

Shunan said slowly. "I didn't want you to worry, so I didn't tell you."

His heart ached when he saw her in that state earlier. The little girl was so aggrieved, how could she listen to these things?

If he made her cry again, he probably really needed to prepare a coffin for Sun Sanhuo.

Fortunately, she only ate half a piece of chocolate and was sent to the hospital in time. There shouldn't be a problem.

Jiang Lingzhi let out a muffled " Oh ". "Then you have to help me take care of it.

Wait for me. When I buy my own house in the future, I'll take it away." Li Shunan chuckled. " Alright, I'll take care of it."

After chatting for a while, the pumpkin had finished its drip. Sun Sanhuo started to complain, and they hung up.

Jiang Lingzhi held her phone, but she could not stand it any longer..

Chapter 437: Are You In Love?

Although her deskmate said that it was nothing serious, she was still worried.

She was already on an IV drip, so how could it be a small matter?

But they had just arrived at Grandma's house.

He probably wouldn't go back so soon.

Little Pumpkin was sick and had to go for an infusion. She really wanted to go back and see him.

Jiang Lingzhi sighed. She took out her phone and opened WeChat.

He was prepared to send a message to his deskmate to ask him to take a photo of the little pumpkin.

She had just typed two words when someone knocked on the door.

Jiang Lingzhi raised her head to take a look. She deleted the two words that she

had just typed in. She turned off the phone screen and said, "Come in."

It was Lu Yuping who entered. She gently closed the door with a glass of fruit juice in her hand.

Jiang Lingzhi blinked her eyes and called out obediently, "Mommy."

Lu Yuping slowly walked over and placed the juice on the desk. She pulled the chair beside her and sat down opposite her.

Jiang Lingzhi just looked at her like that.

Lu Yuping seemed to be considering how to speak. "Zhizhi, Mommy has something to ask you."

There was no smile on her face, and her lips were a little straight, as if she was feeling a little sad and guilty.

Jiang Lingzhi's heart tightened, and she subconsciously straightened her back. "Yes, what is it?"

Lu Yuping's gaze fell on her phone, and her voice was still gentle. "Chatting with someone?"

"Classmate."

Lu Yuping nodded and sighed. Then, she got to the point and asked, "I just want to ask you, who sent you here yesterday?"

Jiang Lingzhi's heart suddenly skipped a beat. "Hmm?"

Why did he suddenly ask this question?

A few possibilities flashed through Jiang Lingzhi's mind, and she inexplicably panicked.

Lu Yuping asked a key question, "Yesterday was the first day of the new year.

Where did the taxi come from?"

Moreover, it was so coincidental to appear in the remote suburbs?

After what happened yesterday, she had been feeling guilty and had completely forgotten to think about this.

Lu Yuping stared into her eyes and seemed to be suppressing her emotions. "I just heard the receptionist say that you were with a boy last night."

Jiang Lingzhi's fingers trembled slightly.

Lu Yuping raised her hand and interrupted her. "Zhizhi, tell Mommy, are you in love?"

This had happened too suddenly, and she was completely caught off guard.

Jiang Lingzhi lowered her eyes, and her mind was suddenly in a mess. She did not know how to deal with such a thing.

Deny it?

However, her relationship with her deskmate was no longer that pure.

If he denied it...It was as if he was lying.

“Who is that boy? Is he your classmate?”

Lu Yuping calmed down and said word by word, “Mom doesn’t want to criticize you, but you’re still young and easy to be deceived, do you know that?”

When he heard that she was here with a boy, he almost lost control of his emotions.

If the receptionist hadn’t checked again and found out that they had booked two rooms last night, she would have calmed down.

Her daughter was already so old, so she didn’t want to treat her in an extreme way.

After he calmed down, he came over to have a heart-to-heart talk with her.

Lu Yuping tried her best to calm her tone. “Zhizhi, you’re still too young. It’s not the time to date.”

Jiang Ling knew that she didn’t want to lie, but she also didn’t want them to think that she had done something bad. She said slowly, “But I didn’t affect my

studies..”

Chapter 438: I Hope The Two Of You Can Split Up

Lu Yuping controlled her emotions.” This isn’t about learning or not. You’re only 16 years old. You’re a girl. You’re at a disadvantage in this aspect. I’m just afraid that you’ll be hurt!”

She thought of her daughter going out alone with a boy.

Moreover, he was staying in a hotel.

Lu Yuping was also a little scared." You still dare to come to the hotel alone with a boy? If something really happens, what do you want me to do?" Understanding what she meant, Jiang Lingzhi sniffed." "No, he's not that kind of person."

Her words were still protecting that person.

Lu Yuping was also a little depressed at the moment, and her tone unconsciously became a little heavier." Morning. Falling in love was a very irresponsible act. How good could a boy's character be?"

Although she knew that she was analyzing the problem from her point of view.

However, he heard that she had come to a conclusion about a person and denied everything about him just because she had a one-sided understanding of him.

She couldn't accept it.

Jiang Lingzhi could not help but retort," You don't even know him. Why would you say something like that?"

He was clearly the best person in the world.

She could give up everything, the only person she wanted to hold on to tightly.

Lu Yuping was so angry that her head hurt." I'm just being realistic. You're still young. You don't understand these things."

Jiang Lingzhi's eyes were a little red." "Is it because I'm young?"

"Is it because I'm young that I don't know anything?"

Because of her young age, she felt that she did not even have the most basic judgment?

Couldn't she tell who was good to her?

There was no one else like him.

He appeared every time she needed him, protecting her, pampering her, and pulling her back from the edge of the abyss. He trusted her unconditionally and favored her.

No more.

Lu Yuping's eyes were also a little red." Mom knows that I've been very strict with you all these years. I've asked you to do your best in everything. You've also been very sensible and obedient."

"Mommy...Lu Yuping's voice choked."I know I'm not a good mother. I placed all my hopes on you. You've been under a lot of pressure since you were young."

"You're my only daughter..." she whimpered.

He only had one daughter in this life.

Jiang Lingzhi's body stiffened slightly. She opened her mouth, but she did not make any sound.

It was because of the word 'one'.

It was like a mountain pressing down on her.

She bore the hope of a family.

She could not get pregnant again in this lifetime. She could not give birth to another child.

Without her, her mother would have nothing.

Jiang Lingzhi was most afraid of her mother's tears.

If she had been a little tougher, she might have had some confidence to reason with her.

However, she suddenly adopted a soft policy, so she did not know what to do.

Sensibility and rationality were tearing at her brain.

Jiang Lingzhi felt a throbbing pain in her heart.

She lowered her eyes and sniffed."

Lu Yuping wiped her tears and calmed herself down. "Mom hopes that you can separate from that boy. You shouldn't be thinking about dating right now. You two are too young. Even if you are together now, it won't last long."

"You've always been sensible. Mom is very assured of you.. Think carefully about what Mom said, okay?"

Chapter 439: First Offense

After saying that, Lu Yuping left the room to give her time to think.

There was no hysteria, no strong opposition.

It was different from what was portrayed in the TV series.

However, this was exactly what made her feel troubled.

Jiang Lingzhi suddenly felt powerless.

He knew that what she said might not be right.

However, there was no other way.

Jiang Lingzhi lay on the big bed behind her and stared at the ceiling. Her thoughts gradually drifted a little.

Because she was 16 years old.

Because she was still young and underage.

It would be great if she could turn eighteen soon.

She could then stand in front of her mother and tell her that she was an adult and knew everything. She could bear the consequences of her choice.

Not like now.

Because she was underage, it seemed that all the choices she made were wrong.

No matter how she refuted, it always seemed like childish words in her eyes.

Just because you're only 16 years old.

Jiang Lingzhi let out a long sigh. She rolled up the blanket beside her and wrapped her entire body in it.

I'll be an ostrich for once. I don't want to face it.

She closed her eyes and forced herself not to think about those annoying things.

As she thought about it, she actually fell asleep. When she woke up, it was already afternoon.

During this period, Jiang Puqing seemed to have knocked on the door and entered. Seeing that she was sleeping, he didn't say anything and quickly went out.

Jiang Lingzhi sat on the bed and was in a daze for a while. She got out of bed in a daze, put on her slippers, and went downstairs.

Jiang Puqing glanced at her." You're up. I went to look for you just now. I saw that you were asleep, so I didn't wake you up. How was your sleep?" Jiang Lingzhi nodded her head listlessly."It's good."

Lu Yuping was chatting with her grandmother. When she heard the commotion, she turned around and glanced at her without saying anything.

Jiang Puqing patted her shoulder." I've heard you mention it a few times before. You want to come here to row a boat. Daddy will accompany you later, okay?" Rowing the boat...

Jiang Lingzhi's eyelashes fluttered slightly as she said calmly,"I don't want to go."

Jiang Puqing didn't mind. He asked again, "Where do you want to go? Daddy will take you there.

Jiang Lingzhi picked up the glass and poured a cup of hot water. She said softly,"It's not fun anywhere. I'm going back to my room to do my homework." With that, she turned around and went upstairs with the glass in her hand.

The moment she turned around, she heard her grandmother's faint voice asking, "Why does the child love to study so much? Why doesn't he relax during the holidays?"

Jiang Lingzhi pretended that she did not hear anything and returned to her room with a glass in her hand.

She sat down at the desk, picked up her school bag, and took out her exercise book.

No one mentioned what happened just now, as if nothing had happened.

They had given her the greatest trust.

Jiang Ling knew because this was her first offense.

They were willing to give her a chance.

He believed that she would handle this matter well.

Because she had been performing well since she was young, without any mistakes.

She always had a perfect reputation with them.

They had no idea that their daughter had tried to turn bad several times.

He was suffocated.

Even he wanted to give up on himself.

They didn't know any of this.

Because of this incident, their credibility had already been reduced in their hearts.

If he had to say it again, he would probably have to treat it seriously.

She did not know what measures they would take to force them to separate if there was a next time.

Or transfer classes?

She didn't want either of these outcomes..

Chapter 440: Give Her a Chance

10 PM.

After washing up, Jiang Lingzhi sat in front of the desk again to do her exercises. She could not let herself be idle, or else she would let her imagination run wild.

It was probably because he had promised to call her, but he waited for a long time without receiving a call from her.

Li Shunan took the initiative to call.

The phone on the desktop vibrated gently.

Jiang Lingzhi stared at the caller ID for a long time, and her nails dug deep marks in her palms.

She had not thought of how to deal with it.

She did not know how to tell him.

Moreover, it was on the phone.

Jiang Lingzhi's eyes gradually turned red, and her heart felt terrible.

The phone rang for a while before it automatically went off.

Soon, a message came in on WeChat.

Friend Nan: [You're asleep?]

After a while.

Friend Nan: [Why are you so early today?]

Jiang Lingzhi hesitated for a long time before she finally reached out to pick up her phone and started to type a message.

After we go back, I have something to tell you.

It was just a short message, but she had an extremely difficult time editing it.

Her fingertips hesitated for a long time on the send button.

After a while, she still clicked send.

Li Shunan replied quickly,[Huh? If he wasn't asleep, why didn't he pick up his phone?]

Jiang Lingzhi was silent for a moment, but she still replied, "[Get ready to sleep.]

Friend: [Alright, go to bed early. Call me when you're free.]

This time, Li Shunan sent a voice message. He was as lazy as ever. "Waiting for your favor."

She listened to the voice message and heard his familiar voice.

The feeling of being wronged inexplicably drowned her.

Jiang Lingzhi felt a lump in her throat.

He flipped his phone over and placed it upside down on the table.

Probably to take care of her emotions, they stayed at her grandmother's house for four days.

On the morning of the fifth day, he left for home.

Jiang Lingzhi walked downstairs with her packed luggage.

Grandma rarely saw them all year round. When she left, she was especially reluctant to leave. She held her hand and reminded her carefully.

After coming here for a few days, she did not go out to play and stayed at home to do her homework.

"Look at your mother. She's too strict with you. Which family's child would stay at home all day to do homework? Sigh..."

Jiang Lingzhi pursed her red lips and said softly, “I don’t like doing homework.”

Grandma looked at her and wanted to say something, but she hesitated. She patted her head gently.

Which child would treat homework as a hobby? Wasn’t it because pressure had become a habit?

A good daughter was at a willful age.

But she had raised him to be so cautious and sensible.

Where was the naivety and happiness of her peers?

Jiang Puqing put the luggage into the trunk and closed the door.

“Alright, it’s getting late. We have to go.”

Jiang Lingzhi walked over and hugged her grandmother gently. “Grandma, I’m leaving. I’ll miss you.”

Grandma’s lips moved and she sighed. Her eyes glistened with tears as she watched them leave.

After getting into the car, Jiang Lingzhi closed her eyes and started to sleep. She did not want to say a word.

They had indeed given her enough trust.

He didn’t confiscate her phone or ground her.

Everything seemed to be the same as before.

Only Jiang Ling knew.

They were giving her a chance.

However, there was only one chance.

Lu Yuping would not care about the agreement between them at all.

In her eyes, everything she was doing now was just child's play.

Childish and unrealistic..
