

Little Girl 44

Chapter 44: Mine Is Sweeter

" Ah," Wen Yujing replied, then she immersed herself in her own world again and revealed a smile, "'Tsk. You even exchanged love tokens. You guys are progressing very quickly!" Jiang Lingzhi was speechless.

Alright then.

Jing Jing's ears might not be very good.

Just as she said this, steady footsteps approached, and the desk was covered by a shadow again.

The two of them fell silent at the same time and turned to look at the slender figure beside them.

It was unknown when the person they were discussing had returned.

Li Shunan stood loosely beside the desk. His tall and slender figure carried a lazy air. His well-defined fingers picked up the bottle of yogurt on the table.

He unscrewed the lid.

The two of them were stunned. They stared at his actions and were somewhat puzzled.

What did this big shot mean?

Jiang Lingzhi was still holding a bottle of mineral water in her hand, and her expression was a little confused.

The next second, her hand was empty. The mineral water was taken away and the opened bottle of yogurt was placed in her hand.

And then...

Li Shunan raised his head and took a sip of mineral water. Then he closed the cap and held it in his hand. He looked down at her and said unhurriedly, "This bottle of water is mine. I forgot to take it just now."

Jiang Lingzhi was speechless.

Wen Yujing was speechless.

The air was quiet for a while.

Jiang Lingzhi came back to her senses.

She glanced at the yogurt in her hand and slowly shifted her gaze to the bottle of mineral water.

She then pointed at the bottle of mineral water and reminded him, just drank this water."

' Ah." Li Shunan raised his eyebrows in surprise and waved the bottle of mineral water in his hand. "You still want this water?"

Jiang Lingzhi was stunned. Was this the main point?

Li Shunan smiled and said unhurriedly, "'11 buy you another bottle later."

Under their dumbfounded gazes, the school bully said, "Let's go." Then, he disappeared from the classroom door.

Wen Yujing then turned her head around and stared straight at Jiang Lingzhi, as if she had discovered an affair. "Tsk tsk tsk!" Jiang Lingzhi was speechless.

Wen Yujing's maiden heart swelled infinitely.

Two people drinking a bottle of water...

It was simply too provocative!

Wasn't it the legendary kiss?!

Jiang Lingzhi still had time to speak.

"Little Lingzhi, I'm definitely going to fall for this couple of yours!!" Wen Yujing looked at her with determination.

Jiang Lingzhi:

Li Shunan walked out of the classroom with a bottle of mineral water in his hand. He looked tired and lazy as usual.

Zhao Zifu leaned against the fence, holding two bottles of mineral water in his hands. He was waiting there listlessly.

She was stunned for two seconds when she saw the bottle of mineral water in his hand.

"No, didn't I buy it for you? Is there a need for you to go back and get it?"

Just now, the two of them almost went downstairs. In the end, he said that he had left something behind and went back to get it.

Half a bottle of mineral water.

Li Shunan raised his eyebrows and put a hand in his pocket. He still looked casual and his voice was magnetic. "It's different."

Zhao Zifu was speechless.

"It's the same brand. What's different? Tell me." Zhao Zifu raised the bottle of mineral water in his hand.

Li Shunan smiled and glanced at him with his light-colored eyes. "Probably, mine is sweeter."

Zhao Zifu was speechless.

I believed you..
