

Little Girl 441

Chapter 441: Don 't Want to Be Separated from Him

After returning home.

Jiang Lingzhi still stayed in her room all day to do her homework and play the piano. She did not even take a step out of the door.

Counting the time, there were still three days before school started.

This was the day she had been looking forward to the most.

Because she would be able to see him once school started.

But now, he was actually a little afraid.

She had been thinking a lot these past few days and was about to go crazy from the torture.

Her trust value had been greatly reduced. She did not know what Lu Yuping would do if there was a next time.

Concealing his phone and being grounded?

Or talk to the teacher, or even Li Shunan?

Or even transfer classes or schools.

Just thinking about this made her heart ache so much that she could not breathe.

I don't want to be separated from him

As Lu Yuping said, she was only 16 years old and did not have the ability to fight against them.

What else could he do other than obey?

He could only try his best to minimize the damage.

Jiang Lingzhi sat in front of the piano and played the piano according to the score. She was a little absent-minded and played a few notes wrong.

Suddenly, someone knocked on the door and Lu Yuping pushed it open.

She stood at the door and said in a gentle tone, "Zhizhi, school is starting soon. Since there's still time, Mommy will take you out to buy some clothes and school supplies today."

Jiang Lingzhi's fingers stopped, and she turned her face sideways to look over.

She tried hard to cheer herself up. "Mom, I don't want to go. You can buy it yourself."

Lu Yuping let go of her fingers that were holding the door handle. Her smile was not as natural as before. "You haven't gone out since you came back. How can you stay at home all day?"

Jiang Lingzhi lowered her eyes. "I really don't want to go. I have enough clothes to wear."

Lu Yuping suddenly mentioned something else. "Are you blaming Mom?" Jiang Lingzhi's eyelashes fluttered, but she did not say anything.

Lu Yuning controlled her emotions." It's been like this for the past few days.

Mom has already taken care of your emotions. I just don't want you to regret it in the future.""

"I know, Mom." Jiang Lingzhi looked up and said calmly,""But I have a piano competition in April. I want to practice more."

She had been preparing for this competition for a long time.

After the preliminaries last year, they had been preparing for the semi-finals.

Of course, Lu Yuping did not know.

She had signed her up for this competition back then.

However, when she mentioned the piano competition at this time, she was unwilling to go out with her.

Lu Yuping felt that she was angry with her.

For that morning. Love partner.

"What's going on?" Jiang Puqing walked in from the door."

Lu Yuping took a deep breath." She's been back for so long. She stays at home all day. I want to take her out for a walk. She's not even willing to buy some clothes.""

Jiang Lingzhi lowered her head." But my clothes are really big enough to wear.

You know my size too. Just buy whatever you want. I like everything you buy."

I'm not forcing you to buy anything." Jiang Puqing adjusted his glasses and acted as a peacemaker. He walked over and patted her shoulder. "I'm afraid that if you stay at home for too long, you'll get sick easily."

"Since you don't want to go shopping, how about this? Ah Ci is here, so you two can go out for a walk together, okay?"

Lu Yuping's chest was still heaving up and down. She seemed to be unable to control her emotions as she turned around and went downstairs.

Jiang Puqing glanced at the door and sighed. He comforted her, "Your mother's temper is like this. She's impatient and gets angry after saying a few words, but she's doing it for your own good.."

Chapter 442: Can I Do It When I Grow Up?

Jiang Lingzhi lowered her eyes, and her voice was a little muffled. "Do you have the same idea?"

Jiang Puqing was silent for a moment before he slowly reasoned with her, "This time, Dad and Mom have the same idea. You're still too young. We can think about these things later."

Jiang Lingzhi's heart turned completely cold.

Jiang Puqing sighed and said slowly, "You might be a little unhappy when Mom and Dad say this, but we're also afraid that you'll be hurt. If that boy is really that good and we like him so much, we'll treat it as a trial. If you still like each other after a few years, you'll be all grown up by then, and Mom will definitely not say anything."

In the end, it was because of her age.

Jiang Lingzhi sniffed and said in a muffled voice, "Can I do it when I grow up?"

” You’ve grown up and become sensible,” Jiang Puqing said gently.” Of course I’ll respect your choice.””

Jiang Lingzhi’s voice was a little nasal.” I made a promise with him. When I become an adult, we will be together.””

Jiang Lingzhi raised her head and said seriously,””He’s a very good person, Dad. He’s my...”

At this point, her voice sounded a little choked. ”Someone who has always

There was a moment of silence.

”Now that you mention it, I’m a little curious. I want to meet that boy.” Jiang

Puqing smiled gently.”

Jiang Lingzhi’s eyes were misty.””He... It’s really good.”

Jiang Puqing had never doubted this.”Zhizhi has such high standards. How can the boy she likes be bad?”

Jiang Lingzhi sniffled and did not say anything else.

Jiang Puqing patted her head.” Alright, Ah Ci is still down there. Go out with him and relax. It’s not good to stay at home for too long.””

Recently, the temperature was still low, but it did not snow anymore.

The snow outside had almost melted, and there were not many people on the road.

Jiang Lingzhi's nose was still red. She stuffed her hands into the pockets of her down jacket and walked forward slowly.

Susi Ci walked beside her and couldn't help but look at her a few times. 'What's wrong with you? You look like you've lost your parents.'

Jiang Lingzhi raised her head to look at him. She was expressionless. "Are you sick?"

"Did you break up?" Su Xi asked cheekily.

Jiang Lingzhi was too lazy to lift her head this time. She slowly walked forward and said, "If you're sick, take your medicine."

A cold wind blew.

Su Sici shivered and silently zipped up the zipper that she had left undone. "Then what happened to you? Look at how your mother is scared. She thinks you have nothing to live for and is protesting to her."

"So, I'm not here to save you."

Jiang Lingzhi pursed her lips. "Save yourself."

Su Sici was too curious.

After all, the little demoness had always been very arrogant. It was rare to see her in such a low mood.

"What's going on?" Su Sici asked with interest. Tell me and make me happy." Jiang Lingzhi stopped in her tracks and looked at him coldly.

Su Xici immediately changed her words. "I mean, tell me. I'll help you analyze it."

After pausing for two seconds, he asked, ""Did you get dumped, or did you dump your deskmate?"

Jiang Lingzhi stopped in her tracks."

"I'm not concerned about you," Su Xi said matter-of-factly."

Oh," Jiang Lingzhi replied lightly and continued to walk forward. "Mind your own business.."

Chapter 443: Find Your Partner

The way the two of them got along was to argue back and forth.

Su Xici was already used to being insulted, and her skin was already as thick as the Great Wall.

The little girl was so tight-lipped that he could not dig out any information. He could only guess by himself. "Looking at your condition, why is it a little similar

"Could it be that you guys... Has your love been discovered?" Jiang Lingzhi fell silent and did not speak.

In Su Xici's eyes, her reaction was a tacit agreement.

"We've really been discovered?" Su Sici was shocked. Why are you so careless?"

Jiang Lingzhi did not answer, but asked another question, ""Didn't Uncle Su ground you? What happened after that?"

Although Jiang Ling did not want to admit it, the two of them were allies now.

After all, they had all fallen into the same situation.

Su Xici looked up at the sky." Ah, it's still banned. My pocket money and cell phones have all been confiscated.""

At this point, Su Sici took out two empty pockets and showed them to her. "Nothing."

Jiang Lingzhi was speechless.

Su Xici extended a hand in front of her and said bluntly,""So, can you return me the money you cheated me of before?"

Jiang Lingzhi was speechless. Can I get the money back?"

"I'm poor," Su Xi sighed."

Jiang Lingzhi was glad that she was not like him.

Fighting head-on with his family.

Otherwise, it was very likely that he would end up like this.

Unknowingly, the two of them walked into the Laocheng District.

She saw a familiar convenience store.

Jiang Lingzhi stopped in her tracks and stared straight in that direction.

Su Xici took two steps before she realized that she wasn't following him. She turned around and said, "What's wrong?"

"Your partner lives here?" he asked.

Jiang Lingzhi's eyelashes trembled before she lowered her head.

Su Xici stuffed her hands into her coat pocket. "Are you going to look for him?"

The little girl's eyelashes were wet as she stared in that direction. She looked quite pitiful.

Su Xici sighed and patted her shoulder. "Brat, I'll cover for you, but I don't think we can last long. When we came out, your mother told me to go home in two hours."

"While there's still time, go if you want to."

"It's been so long, why do you still look so listless?"

In the living room, the three of them surrounded the cat bed and looked at it carefully.

Sun Yan stopped the two of them from arguing and even lowered his voice in a self-deceiving manner. "Don't be noisy. My father is still sleeping."

Qi Liangji: "Silly son, why don't you have any common sense? Feed your cat daddy chocolate. Do you think it's me?"

"Get lost."

Zhao Zifu could not help but size him up. "Third Flame, you're actually still alive. This doesn't make sense."

Little Pumpkin was Brother Chennan's precious son.

A son was noble because of his mother.

Pumpkin's mother was Sister Jiang!

Sun Sanhuo had actually hospitalized Pumpkin and he was still alive?!

Sun Yan was silent for a while before he said sadly, "To be honest, grandfather has already asked me to prepare a coffin."

Qi Liangji patted his shoulder. "Some people are alive, but they are already dead. Son, we will remember you."

Zhao Zifu also sighed, "Brother, have a safe journey.."

Chapter 444: The Savior Is Here

Sun Yan felt aggrieved.

"Aren't you going to save me? Hmm? What happened to brotherhood?"

Qi Liangji turned around and looked at the depressed Grandpa on the sofa. He shook his head and said, "I really have the heart but can't do it."

Zhao Zifu agreed. "Brother Chennan hasn't been in a good mood recently. Do you dare to go?"

"I suspect that whoever goes up will die."

The three of them turned to look at the sofa at the same time, their actions surprisingly unified.

Li Shunan was sitting on the sofa, his long legs stretching casually. He had a cigarette between his thin lips and his eyebrows were tightly furrowed as he stared at the phone on the coffee table.

He really found it strange.

He had promised to call her every day.

In the end, not only did he not call, he did not even reply to his messages.

She didn't answer her phone or reply to her messages.

He didn't even know the reason.

Because of the little pumpkin? But didn't he already explain?

He thought of her last message.

She had something to tell him.

What was it?

The phone on the coffee table suddenly beeped.

Li Shunan closed his peach blossom eyes and bit the cigarette butt in his mouth. He sat up slightly and picked up his phone to take a look.

10086 sent a spamming message.

"F * Ck." He cursed in a low voice and threw his phone on the coffee table. His tall and thin figure leaned back on the sofa.

What the hell was going on?

Seeing this scene, the three people around the cat nest quietly shrunk their necks and did not dare to breathe loudly.

Brother Chennan's place was covered in dark clouds and the temperature had dropped below zero.

He was scared!

Just as the three of them were trembling.

Sun Yan raised his head unintentionally and saw the petite figure at the door. It was as if he had seen the light of an angel.

Was he seeing things?

What did he see?

My savior is here!

Sun Yan's eyes suddenly lit up and he coughed twice, wanting to remind him about Brother Nan.

Qi Liangji bumped into him and whispered, "Are you going to die? Why are you still running into the muzzle of a gun when you have to face such a situation?"

Sun Yan winked at him, "Look who it is, my sons!"

In the end, none of his sons cared about him.

He saw that none of them understood his intention.

Sun Yan coughed even harder.

Li Shunan raised his eyes, and his light brown eyes hid all his emotions. He lowered his voice and said coldly, "Have you bought the coffin I asked you to buy? You can go and lie down tonight..."

Sun Yan was speechless.

The corner of Sun Yan's eyes twitched as he suddenly felt a chill on his neck.

For the sake of his own life, he winked and desperately gestured in the direction of the door.

"Brother Nan, Brother Nan..."

Li Shunan frowned slightly and finally realized that something was wrong. He turned his gaze to the door.

When his gaze landed on the girl at the door, he even paused for half a second, and his Adam's apple slowly moved.

The girl was wearing a large down jacket, which made her small face look even more petite. Her eyes were round, and the tip of her nose was a little red.

She stood at the door and stared at him with her wet eyes.

The next second, Li Shunan suddenly stood up, put out the cigarette butt, threw it into the trash can, and walked out.

Li Shunan walked up to her and stared at her for a while. He asked in a hoarse voice, "" When did you come back?"

Jiang Lingzhi looked up at him and said in a slightly nasal voice, ""I've been back for a few days."

Li Shunan frowned slightly and lowered his voice. He said in a gentle and loving tone, ""You've been back for a few days.. Why didn't you tell me?"

Chapter 445: I'm Willing to Give It All To You

Jiang Lingzhi looked up at him, and her eyes gradually turned red.

She did not know how to tell him.

He also felt that it was quite difficult for him.

Why should he keep waiting for him?

Why should he be implicated because of her family?

But...

She did not want to be separated.

Just thinking about those two words made her heart ache.

In this kind of situation, resistance would not have any positive effect.

Other than angering her mother, the consequences might be transferring schools and being grounded.

She didn't want things to turn out like that.

The adults always had the ability to control things in the direction they wanted.

No matter what methods were used.

Because they are adults

Jiang Lingzhi felt a lump in her throat. She held back the sobs that came out of her throat. "I, I have something to tell you."

He probably sensed that something was wrong with her mood.

Li Shunan didn't ask any more questions.

The moment she saw him.

Jiang Lingzhi's emotions surged up.

He used his unperturbed gentleness to ease her anxiety easily.

The hesitation, uneasiness, and uncertainty of the past few days had almost occupied her mind.

It was because she thought of him that she was able to hold on until now.

Jiang Lingzhi felt like crying for some reason.

The snow melted, and water droplets dripped down from the eaves, making a little sound.

“Are you cold?” Li Shunan bent down and held her cold hand, wanting to lead her into the house. “Can we talk inside?”

Jiang Lingzhi held his broad palm and tugged at him. “I wanted to say it here.”

Li Shunan stopped in his tracks, looked up, and said obediently, “Alright, let’s talk here.”

He raised his hand and gently wiped away the tears at the corner of her eyes.

“What do you want to tell me?”

The young man stood in front of her, tall and thin, like a mountain. No matter what, he could give her the sense of security she wanted.

She was gentle and patient to the extreme.

Jiang Lingzhi lowered her eyes, took out a bank card from her pocket, and handed it to him. Her voice was slightly nasal as she said, “This... This is my pocket money since I was young.”

He didn’t expect her to do such a thing.

Li Shunan was stunned for a moment before he took it. “Yes.”

Jiang Lingzhi’s voice was muffled, but she spoke very seriously. There was a little sob in her throat, and she felt like she was going to cry in the next second. “I’ve been saving it for a long time. It’s my little vault, and even my parents don’t know about it. Also, I’ve saved all the money that I scammed from Ah Ci.”

“Hmm?” Li Shunan lowered his eyes and stared at the bank card in his hand.

His Adam’s apple bobbed slowly. “Why are you giving me this?”

He looked up, his light brown eyes filled with gentleness. “Using another man’s money to support me?”

Jiang Lingzhi sniffed. “I just wanted to give it to you.”

After she finished speaking, she lowered her eyes and took out a key from her pocket. She stuffed it into his palm. “And this is the key to my room.”

“Ever since I grew up, I kept the key myself. My parents didn’t have it because I wanted my own space.”

Li Shunan lowered his eyes and looked at the thing in his hand. The emotions in his eyes became obscure.

Before he had the chance to speak.

Jiang Lingzhi took out a small doll from her pocket.

It was Nick the Fox’s little doll..

Chapter 446: I Will Grow Up

Her fingertips gently brushed across the little doll as she mumbled, “Have I ever told you that I think you look a little like this little fox?”

He always had a lazy look on his face, a roguish look, and sometimes even a little naughty. However, the way he looked at her was extremely gentle, with doting and indulgent.

She bought it when she saw it by accident and kept it carefully.

It was her favorite little doll.

Jiang Lingzhi handed the little doll over and said in a muffled voice, "Here you go."

Although he felt that her actions from the moment she appeared were a little inexplicable.

However, Li Shunan still answered the call. His magnetic and cold voice was exceptionally gentle. "Hmm, why are you giving me these?" Jiang Lingzhi felt a lump in her throat. "I just wanted to tell you..." Li Shunan lowered his eyes and listened patiently. "Although I don't have anything yet, I'm still a little worried about you."

"But, these are the most precious things I have so far."

"I, I'm willing to give it all to you."

Because I like you.

He was someone she would never let go of in her life.

He wanted to hold her tightly in his hands.

She searched for a long time and searched the entire room. She did not know what she could use to keep him.

Although it was not particularly valuable.

It was already her most precious possession.

Li Shunan stared at the thing in his hand, his Adam's apple moving up and down slowly. His voice was inexplicably hoarse. "Yes."

As if she felt that it was extremely difficult to say it, Jiang Lingzhi bit her lips and said in a choked voice, "So, can you... Wait for me for two years?"

Finally, she could not hold back her emotions. Her voice was sobbing and there was a hint of pleading. "Can you not like others?"

"Even if I can't call you, send you messages, or even talk to you anymore."

"But, can you wait for me?"

After saying this, Jiang Lingzhi lowered her eyes, and her tears fell uncontrollably onto the ground.

"I will grow up..."

I like you very much, and I'm very determined to only want you.

So, can you not separate from me?

Wait for me...

Her breathing was intermittent as she spoke without any beginning or end.

Li Shunan seemed to understand something. He raised his hand and pulled her into his arms. He asked in a low voice, "Does your family know?"

Jiang Lingzhi's forehead was pressed against his chest as she sobbed.

Li Shunan caressed her long hair and placed his palm on the back of her head, gently stroking it as if he was comforting her emotions. He let out a subtle sigh. "It's my fault."

He finally knew the reason for her abnormality.

The reason why he hadn't called during this period of time.

It was his fault that his baby had encountered this.

Jiang Lingzhi sobbed. "I can't find any other way. I don't want to transfer schools. I don't want to be separated from you..."

Li Shunan looked down at the things in his hands and comforted her in a low voice, "So, this is the dowry you gave me in advance?"

Jiang Lingzhi sniffled and buried her face in his chest. Her voice was muffled as she said, "What?"

Li Shunan put the three things that the girl had given him into his pocket. "That I should put it away properly."

Li Shunan bent down slightly and looked into her eyes. "Although I don't know what they told you."

Jiang Lingzhi met his eyes.

"But I've been waiting for you, baby."

"Don't worry. As long as you turn around, I'll always be here.."

Chapter 447: Fool

The courtyard fell silent.

The girl had clearly left for a while, but her aura seemed to still linger around him.

Li Shunan's posture hadn't changed. He was leaning against the door frame with his head slightly lowered. The black hair on his forehead hung down naturally, blocking the emotions in his eyes.

At this moment, the three people in the room were a little flustered.

Although they did not eavesdrop on purpose, they heard a little of their conversation.

It seemed like he was returning something to the other party.

Why did it feel like a couple was breaking up?

He had thought that his savior had arrived.

It turned out to be hell!

Sun Yan felt like the Grim Reaper was waving at him.

He was crying in his heart. He quietly took out his phone and planned to prepare a coffin for himself.

After a long time, Li Shunan finally moved.

He took out a pack of cigarettes from his pocket, knocked out a cigarette, bit it, and lit it up.

He leaned against the door frame, tilted his neck, and blew out a smoke ring.

The cigarette butt between his fingers was filled with smoke.

He lowered his eyes and lowered his dark eyelashes. He raised his hand and took out the thing that the girl had given him from his pocket.

A bank card, a key, and a small doll.

Her most precious possession.

Even if something like this happened, she was willing to give him anything.

Therefore, his girl was also trying her best to walk towards him.

That was enough..

He recalled the little girl's reddened eyes and choked words," Please wait for me.

Li Shunan lowered his eyes. The emotions in his eyes were as thick as ink, and his thin lips curled up slightly.

Silly girl.

Why would I not wait for you?

Give me a smile and I'll give you my life.

Why would he still need these things?

However, he had to keep it well since it was given to him by his child.

Li Shunan's Adam's apple bobbed. He stood up straight, put out the cigarette butt, and threw it into the trash can.

He turned around and entered the room. He found a box and placed the item inside.

The emotions in her eyes were so thick that they seemed to be unable to melt.

The three people in the living room did not even dare to breathe loudly.

He thought he was dead for sure.

In the end, Brother Nan completely ignored them and went straight into the room.

The three of them squeezed to the door and looked inside.

Li Shunan's head was slightly lowered, and his black hair covered his eyes and eyebrows, making it impossible to see his emotions. He held the box and gently rubbed it with his fingers.

Qi Liangji gulped and asked boldly, "Brother, Brother Nan, what is this?" He thought that Brother Chennan would not answer.

In the next second, she heard his lazy and magnetic voice. "Dowry."

"Hmm?"

The three of them looked at each other in confusion.

What the hell was a dowry?

Li Shunan lowered his eyes and murmured, "Yes, you can marry when you reach the age."

Behind the window of a convenience store.

Su Sici finished the last mouthful of udon noodles and wiped her mouth with a tissue.

On the table in front of him was an empty box of instant udon noodles and a bottle of yogurt in his hand.

The sky outside was gloomy, and it seemed like it was going to rain again.

Su Sici turned around and looked at the clock in the shop.

It's been almost two hours since I've been a

Why hasn't this brat come back yet?

Why didn't you break up?

He finished the yogurt in his hand and frowned.

What the hell was that? It was gone in one gulp.

Su Sici stood up and walked to the front of the shelf. She took a bag of potato chips and opened the packaging. She waved at the cashier. "A bag of potato chips. Help me record it.."

Chapter 448: Just Break Up

Su Xici returned to the spot where she had been sitting. The eldest young master leaned to the side and stared outside while eating potato chips.

On the side of the road, the girl had her head lowered and her hands were in her pockets. She passed by silently and did not even look over.

Su Xici sat up straight and knocked on the glass window.

Jiang Lingzhi did not seem to notice him as she slowly walked past the door.

Tsk, this little brat...

Su Xici frowned and threw the chips away. She stood up and rushed out of the door.

This action shocked the young lady at the cashier.

She had noticed this person when he came in just now. He was tall, thin, and quite handsome. In the end, he took a few things and said that he would pay later.

And then...

Then, she suddenly ran away...

Did this person run away?

She was stunned for two seconds and did not react.

He didn't expect that someone who looked like a decent person would actually want to avoid paying such a small amount of money?!

After Su Xici came out of a convenience store, she chased after Jiang Lingzhi in a few steps and reached out to grab Jiang Lingzhi's arm.

"What happened? Can't you see that I'm sitting there?"

Jiang Lingzhi's eyes were still red, and she looked like she had lost her soul.

Su Xici bent down slightly and studied her for a while.

After pausing for two seconds, Jiang Lingzhi finally reacted. "What?"

Su Xici straightened her body, grabbed her hair, and said carelessly, "I just ate something. Help me pay the bill."

Jiang Lingzhi raised her head and stared at him expressionlessly.

Su Xici didn't feel guilty at all and said righteously, "You've already scammed me of so much money. What's wrong with treating me to a meal?"

"Stingy."

Jiang Lingzhi was dragged into a convenience store by him.

The cashier was shocked again.

The person who escaped the order had returned?

Su Xici did not know that she had been treated as someone who had escaped the order. She raised her chin and said, "How much?"

The cashier was speechless.

Jiang Lingzhi was still in a daze. She took out her phone and used WeChat to pay before she walked out of a convenience store.

The two of them walked forward side by side.

Su Sici sighed and said in a disdainful tone, "I'm not exaggerating, but the udon noodles just now were the worst I've ever eaten."

"And that yogurt, I seriously suspect that he cut corners. Just one bite? That design of his was illogical. He couldn't even suck it out."

"And those potato chips..."

At this point, he suddenly stopped. "Oh right, where are my potato chips?"

Only then did Su Sici remember the potato chips that she had thrown on the table.

"F * ck, I only ate two!"

Now that he had already walked a long way, he couldn't return just for a bag of potato chips.

He muttered to himself for a long time, but there was no sound at all.

Su Sici turned her head and glanced at the little ghost beside her.

The little girl was in a daze, looking like she had nothing to live for.

He did not know how to comfort her.

After a moment of silence, he comforted her too naturally, "Sigh, isn't it just a breakup? Is it necessary?"

"Learn from Brother. Brother was broken up at that time, but didn't he still survive?"

Jiang Lingzhi walked forward without saying a word. She did not want to bother with him at all.

"So, you broke up with him?" Su Sici followed him.."

Chapter 449: School Begins

Such an experience.

For some reason, he felt like he had met a soulmate.

Su Xici shook her head and clicked her tongue. "You women are really too ruthless. You really hurt the hearts of us men..."

Jiang Lingzhi stopped in her tracks. Her eyes were red, and she looked at him expressionlessly. "Can you shut up?"

Su Sici stopped in her tracks and made a zipping gesture.

"Okay, I'll shut up."

She shut up.

Jiang Lingzhi's eyelashes trembled, and she lowered her eyes.

Break up?

They didn't break up.

It was impossible for them to break up in this lifetime.

They were only separated for a while.

It's not a breakup...

Back home.

Jiang Lingzhi changed into her slippers at the entrance. She did not stay in the living room for long. She said, "I'm back." Then, she walked upstairs unhurriedly.

He was still in the same mood before he left and after he came back. There was no change at all.

Lu Yuping was a little dissatisfied with her attitude. She let out a sigh and wanted to follow her.

Jiang Puqing grabbed her and held her down.

"Alright, the child is back on time. Let her be alone for a while. She'll be annoyed if you talk too much."

Lu Yuping sat down reluctantly and placed the magazine in her hand on the coffee table. "I'm the one who's worried. I'm just afraid that she'll be deceived. If she's really bullied, then I'll regret it!"

Jiang Puqing took a sip of tea and continued reading the newspaper.

Lu Yuping was still a little angry and snatched his newspaper away. "Do you know who that boy is?"

Jiang Puqing was baffled."

Lu Yuping snorted coldly. "Don't I like to tell you what's on my mind?" His tone was obviously jealous.

Jiang Puqing found it funny. "It's because you're too domineering and have a bad temper. It'd be strange if I told you. ""

Lu Yuping put on a straight face and slammed the newspaper on the sofa. "Look, look, look. What can you see from a newspaper?"

Jiang Puqing sighed. "Why are you venting your anger on me when your daughter doesn't tell you what's on her mind?"

Lu Yuping also felt bored and stuffed the newspaper back into his arms. "Read your newspaper."

He turned around and went upstairs.

In the blink of an eye, it was time for school to start.

On the day of school, Jiang Lingzhi rejected Lu Yuping's idea of driving her to school. She rode Su Xici's car to school.

Banners were hung all over the school.

The college entrance examination was coming soon, and the atmosphere in the school was getting tense again.

After a winter break, she returned to school.

There were many people on campus in the morning.

Jiang Lingzhi and Su Xi were walking on the road. The two of them were famous people in the school, and they were especially eye-catching. Jiang Lingzhi glanced at the banner that was pulled up by the roadside.

Only then did she react.

The student next to him was also a Grade 12 student who was about to take the college entrance examination.

“Ah Ci, what do you want to fill in for the college entrance examination?” Jiang Lingzhi asked.”

Su Xi put her hands in her pockets and said nonchalantly, “South University? However, my father seems to want to send me abroad more.”

This was the first time she had heard about going abroad.

Jiang Lingzhi was stunned for a moment before she turned her head to look at him. “What about Xiaoxue if you go abroad?”

There was a moment of silence.

Su Sici’s tone became much more serious. ‘With her grades, it would be difficult for her to get into Nanjing University. From what she said, she probably wants to just study for an undergraduate course..’”

Chapter 450: Changed Seat

Su Xici sighed.

Jiang Lingzhi felt inexplicably comforted.

At least...

At least she and Ah Shu could still be in the same school, unlike them who had to be in a long-distance relationship.

Jiang Lingzhi nodded and muttered softly, "Then you're still a little worse off than me."

Su Xi Ci was speechless.

"What the hell? Are you looking for comfort here?" Su Xici was so angry that she was amused.

"I was wondering why you suddenly cared about me."

His voice was cold, "So there was a conspiracy. ""

They were in different teaching buildings.

After they parted ways halfway, Jiang Lingzhi carried her bag back to the classroom.

There were already quite a lot of people in the classroom.

She entered from the back door and subconsciously wanted to return to her seat.

He only realized it when he walked to the second last row.

The two tables were gone.

There was a large empty space. It was obvious that the tables between the first and third last rows had been moved away.

Only then did she remember.

They had already agreed that day.

Temporarily. Separated for a while.

This was the least harmful way to avoid breaking up with him.

Although they couldn't sit together, at least they could still be in the same class.

But for some reason, Jiang Lingzhi's eyes were still misty.

She felt inexplicably uncomfortable.

Perhaps because she had been standing there, the students next to her thought that she couldn't find her seat, so someone reminded her.

"Student Jiang, the school bully has moved your table to the first row."

Only then did Jiang Lingzhi come back to her senses. She raised her eyes, and her gaze fell on the single seat at the front of the first group.

Her lips moved as she thanked him softly.

After pausing on the spot for a while, she retracted her gaze and prepared to return to her new seat.

The classroom suddenly fell silent.

As if they had made an agreement, everyone instantly fell silent and their gazes subconsciously fell in the direction of the back door of the classroom.

Their movements were surprisingly consistent.

There was usually only one person who could cause such a reaction.

Jiang Lingzhi's body stiffened for a moment, and she followed their line of sight to look behind her.

She turned around and saw Li Shunan's figure.

He happened to walk in from the back door. His tall and thin figure stood behind her.

He still looked lazy and extremely sleepy. His light brown eyes met hers, and he looked a little absent-minded.

He only stayed for two seconds before he retracted his gaze and walked straight to the back of the four groups.

Jiang Lingzhi pursed her red lips lightly, and she instantly forgot that she was going back to her seat.

She just stared at his movements.

He walked to the last row of the four groups and sat down.

There was only one empty seat there.

The young man sat down on the seat, leaning against the wall with his body half turned to the side. His arm was half supporting the table, like a cynical young master.

Their seats were now at the two corners of the classroom, but they were the furthest away.

But... This was already very good.

Compared to class allocation and transfer.

This way, she could at least see him every day.

Jiang Lingzhi sighed, lowered her eyes, and walked towards the front of the classroom.

She sat down on the seat in the first row and stuffed her bag into the hole in the table.

Hao Weiwu walked into the classroom from the front door and stood on the podium. He was in high spirits. "I haven't seen my classmates for the winter vacation. They've changed a lot..."

He began to chatter.

Jiang Lingzhi was a little distracted, and she could not help but turn around to take a look.

She walked across half the classroom, and the moment she turned around, she bumped into a pair of light brown eyes.

Jiang Lingzhi felt a lump in her throat.

The words he had said suddenly appeared in her mind.

Don't worry, as long as you turn around, I'll always be here..
