

Little Girl 46

Chapter 46: Peach Blossoms

“Who is this? He actually used your photo to represent our school in the competition, representing the entire No.1 Middle School. Those other schools often laugh at our No.1 Middle School for not having any beautiful girls.

Hahahahaha, this time we actually got first place!!”

“Moreover, your class has already been listed. Our sophomore class 7 is famous!! I reckon that someone will come to confess to you very soon. Your peach blossoms are about to bloom on my little lingzhi.”

Jiang Lingzhi was speechless.

Wen Yujing had a talent for gossip, and her predictions were very accurate.

After an entire morning, the popularity of the post had already reached the first place.

The school website of No.1 Middle School didn't usually discuss these things, and the school belle selection had never been officially launched.

Not many people paid attention to it.

He didn't expect that the popularity of this post would skyrocket.

After the first class in the afternoon ended, many first-year students came to the door of Class 7's classroom.

When Guo Cong wanted to enter the classroom, he was pulled back by his Year One junior.

Junior #1: "Excuse me, is Senior Jiang Lingzhi in this class?"

Guo Cong, who was sitting in the back row of the school tyrants from the four groups, was stunned for a moment before he nodded. "Ah, yes, it's this class." Student No. 2: "Is it really the legendary Jiang Ling?"

"Do you know Jiang Ling, the number one on that district's campus belle list?!" Guo Cong was speechless.

Junior No. 3's sharp eyes caught a glimpse of a beautiful figure. "F * ck. F * ck, it's that, right? The one in the third last row of the four groups was really beautiful."

Student No. 4: "She's prettier in person than in the photo. D * mn!"

Student Number 1 covered her heart.

Junior No. 2: "I heard that she's only 16 years old, the same age as us. Tsk..."

Student No. 3: "I like it so much. Do you want to confess?"

Junior #4: "I wonder if she has a boyfriend."

Learning Number 1:

Guo Cong never knew that boys could be as crazy as girls.

Although he did not know how Jiang Lingzhi became a legend in just one morning, it was undeniable that...

Jiang Lingzhi's peach blossom had indeed blossomed.

He had indeed received many love letters before, but this was the first time he had been surrounded by so many people like a monkey.

A face-to-face confession was even rarer.

The bold Junior Number 1, under Number 234's instigation, walked into the classroom and rushed to her desk.

Jiang Lingzhi noticed it. She looked up at that person and was a little confused.

Junior No. 1's long and sunny face revealed eight standard white teeth when he smiled. "Senior, I saw you on the campus network. You're really outstanding. I admire you very much."

Jiang Ling didn't know what to say. She still held the pen in her hand and looked up at him. "Ah..." "Do you have a boyfriend?"

Jiang Lingzhi, "Uh..."

"What do you think of me?"

Jiang Lingzhi, "No..."

The boy was confident because he was a little handsome. "Senior, if you don't have a boyfriend, would you consider me?"

Jiang Lingzhi stared at him as if she was looking at a retard.

Junior No. 1 pretended to be cool as he pressed his hand on her desk.

Just as he was about to speak, he suddenly sensed that something was wrong.

The surrounding temperature seemed to be a little low, and he felt a chill down his spine.

He slowly turned his head and looked in the direction where he felt the low pressure. He happened to meet a pair of light brown pupils..
