

Little Girl 461

Chapter 461: My Heart Will ache

Jiang Lingzhi opened her mouth and wanted to say something, but she did not say anything.

He seemed to have recalled that she had said before that she could not talk to him in school.

Li Shunan noticed her gaze and his lips curled up. He said casually, "Oh, I was talking to myself."

Jiang Lingzhi was speechless.

Li Shunan clicked his tongue again and sat up straight. He murmured, "How can I break this thing? I don't dare to open it."

It couldn't be restored after it was dismantled.

Understanding what he meant, Jiang Lingzhi was inexplicably amused by him.

She turned around and took the pink star from his hand.

After opening it, he restored it according to the previous mark.

Jiang Lingzhi lowered her eyes and did not look at him. She asked softly, "Have you learned it?"

Li Shunan didn't even look at her folding the little star. He kept staring at her face.

The little girl lowered her eyes. Her black eyelashes were pressed down like a row of small brushes, casting a small shadow under her eyelids. Her skin was delicate and smooth, making people want to pinch it.

“I thought you couldn’t talk to me?” he asked, raising his eyebrows.”.”Jiang Lingzhi looked up and met his eyes.””.. I’m talking to myself.”

Li Shunan was speechless.

The little girl learned very quickly.

Li Shunan licked his lips and said lazily,””I don’t know. Teach me again.”

Jiang Lingzhi lowered her eyes. She took the little star apart patiently and restored it again.

She was just about to ask him if it was possible.

She raised her head and realized that this person wasn’t even looking at her hand movements.

He stared at her face with interest.

Jiang Lingzhi did not get angry. She stopped what she was doing and looked at him.

A while passed.

“Have you seen enough?” he asked slowly.

Jiang Lingzhi was stunned for a moment, and she seemed to be a little puzzled.

Li Shunan lowered his chin and chuckled. "When you want to see me, I'll deliver myself to you. There's no need to secretly look at me." Jiang Lingzhi was speechless.

He was probably referring to the time in the morning.

Oh.

He had been caught peeking.

Suddenly, his hand was empty. The note had been taken away by someone. Li Shunan held the note between his fingers. He lowered his eyes and glanced at the words written on it.

"499."

"Hmm, what does that mean?" he asked, frowning. "Jiang Ling did not know how to explain it to him.

This was the countdown of 500 days.

It was used to make wishes.

Only little girls would believe in such things.

He wouldn't believe her even if she told him. He would definitely say that she was childish.

Li Shunan raised his eyebrows and seemed to realize something. "So, what was written on the top yesterday?"

Jiang Lingzhi stared at him eagerly. Li Shunan chuckled. "Is this the countdown to my promotion?"

Jiang Lingzhi was speechless.

It was seen through in an instant.

Jiang Lingzhi was a little annoyed. She did not want to be laughed at by him, and she was about to turn around.

Her small hand on the table was covered by a warm touch.

His palm was very big and wide. He placed it on the back of her hand and felt a slight warmth.

Jiang Lingzhi's body stiffened slightly, and her gaze fell on his well-defined palm.

"I don't mind." His tone was casual and always carried a hint of nonchalance and laziness. "I can hold on for another five hundred days."

Li Shunan raised his hand and gently rubbed the corner of her eye. His voice was magnetic and deep. "So, stop crying. My heart will ache.."

Chapter 462: It's Not Just Like

Li Shunan raised his hand and gently rubbed the corner of her eye. His voice was magnetic and deep. "So, stop crying. My heart will ache."

Jiang Lingzhi felt that the place he rubbed against was a little itchy, and she blinked her eyes.

Li Shunan stared at her without blinking. His light brown eyes were filled with a gentle light. He lowered his voice slightly and looked more serious. "Didn't I tell you not to worry?"

His Adam's apple bobbed slowly. He raised his hand and gently rubbed her head. He said in a low voice, "I don't just like you."

“So...Don't worry.”

The Mathematics competition at the end of March soon arrived.

The competition this time was the provincial preliminaries.

After that, there will be the National League.

The match was scheduled for Friday.

It was the second test that day, and they only had one spot in Class Eight.

The first test had already been held in No.1 Middle School. A total of 25 people participated in the test, and only 10 people obtained a spot for the second test.

Because of the competition, the ten people took leave on Friday and went to the examination hall arranged by the provincial government.

Hence, Jiang Lingzhi was listless the entire day. When she turned her head, she could only see an empty seat.

She picked up her phone several times to send him a message, but she didn't know what to send.

The WeChat chat window on his phone showed that it had been two months.

Jiang Lingzhi had no choice but to write " Good luck " on the star paper.

He quietly put it into her glass bottle.

Actually, Jiang Lingzhi was quite confident in him for this Mathematics competition.

Although she did not know where this confidence came from, she felt that he was outstanding and could do anything.

As long as he wanted to.

He could do anything.

Sunday afternoon.

After Jiang Lingzhi finished her homework, she was still playing the piano when she received a message from Wen Yujing.

[Ahhhh... Student Lingling, your school bully has won the provincial first prize!]

When she saw this message, Jiang Lingzhi wasn't too surprised. However, she couldn't help but smile as she replied with her phone: [How did you know?] She also completely acquiesced to your family's matter.

Wen Yujing replied very quickly, [That's awesome!] Some of the students who participated in the competition said that it had already dominated the screen on our campus network. The school bully was really amazing!]

Wen Yujing was unusually excited." You don't know, but I heard that he's very arrogant. He said that the test papers were too easy and that there was no difficulty. He just casually took the test and got it.]

Jiang Lingzhi:

Wen Yujing,[He indeed has the capital to be proud. How long has he been exposed to the competition content? The class monitor didn't even get the third prize.]

[Oh, right, there's another very explosive thing. I don't know if it's true or not.]

[Just now, someone asked him about the National League. He said that he's not participating in the National League anymore. He only wants to win the gold medal for his children to play with. He's just so willful.]

[I heard that the math teacher is going to be furious with him!]

Wen Yujing sent a series of messages over, which was enough to show her excitement.

Jiang Lingzhi:

Wen Yujing asked again, "By the way, do you know if he has a child at home?" So willful? What's not fun? Playing gold?]

Jiang Lingzhi thought about it silently. She had never heard of him having a child at home.

He couldn't be talking about her, right?

On Monday morning, Jiang Lingzhi went to school. He found a gold medal lying on the table.

Jiang Lingzhi was speechless..

Chapter 463: Carton

Jiang Lingzhi stood beside the desk and stared at the gold medal. She blinked her eyes.

Only then did he notice that there seemed to be a piece of white paper underneath, and something was drawn on it.

Jiang Lingzhi frowned. She picked up the gold medal and carefully held it in her palm. She then picked up the piece of white paper and looked at it.

On it was a picture of Nick the Fox with his hands in his trouser pockets, half-leaning against the wall. His eyes were half-closed, and he looked like a ruffian.

Jiang Lingzhi could not help but laugh.

Beside it were two words written in a flamboyant manner, plus a punctuation mark.

Betrothal gifts!

It turned into Nick the Fox.

Why was her future boyfriend so cute?!

Jiang Lingzhi touched the corner of her lower lip and restrained her smile. She looked around to make sure that no one was paying attention to her.

He even covered it with a book to cover it up.

After he sat down, he pressed the medal and the painting into the inner pages of the book and kept them well. Time passed very slowly.

But because of him.

It didn't seem to be that difficult anymore.

This seemed like a good idea.

Jiang Lingzhi was originally still on tenterhooks.

She thought that her mother would ask the teacher about her situation at school.

He might even ask her which boy she was close to.

After all, the two of them had been reported anonymously before. She was obsessed with this matter.

Although it was not settled later, if it was really mentioned, it would be easy for her mother to know who the boy was.

This was because he had been worried that this would happen.

That was why she wanted to keep a distance from Li Shunan and not involve him.

She did not want him to be implicated because of this matter.

However, two months had already passed.

Everything was calm.

Jiang Lingzhi slowly relaxed.

Her mother probably really believed her and gave her a chance.

Therefore, it was good to continue like this.

When they reached university, they could be together openly.

In April, Jiang Lingzhi had a piano competition.

She had prepared for a long time. Other than studying every day, she spent all her time practicing the piano.

The competition was this weekend, less than a week away.

The seasons changed, and it was the peak period for the flu.

After school, Jiang Lingzhi finished her homework and walked to the closet. She planned to pack her pajamas and wash up before going to bed.

However, when she opened the wardrobe, she realized that many of the clothes

inside were gone.

Jiang Lingzhi quickly guessed that it was probably because of the change of seasons. Her mother had washed the clothes that she had left for the entire winter.

She paused for a moment and opened the closet on the other side.

More than half of his clothes were gone.

The cardboard box at the bottom of the cabinet was also gone.

The box was full of gifts from Li Shunan, including his two coats.

She had been hiding it carefully.

Now that the box was gone, her heart sank.

Jiang Lingzhi rummaged through the cabinet and confirmed that it was not there. She stood up abruptly, opened the door, and went downstairs.

The lights in the living room were switched off, leaving only a wall lamp in the corridor.

Lu Yuping was wearing pajamas and holding a glass of milk. She happened to come up from downstairs. When she saw her, she stopped in her tracks. "Why are you out so late at night?"

Jiang Lingzhi was a little anxious. "Mom, did you take my cabinet today?"

Lu Yuping nodded indifferently. "That's right. It's been winter, so it's not good to wear it directly. I took it to the dry cleaner's. I should be able to get it back tomorrow.."

Chapter 464: Found It

As Lu Yuping spoke, she walked upstairs. When she reached her, she stopped in her tracks. "Are you in a hurry to get some clothes?"

Jiang Lingzhi did not care about those clothes at all. What she cared about was that cardboard box.

"Then have you seen the cardboard box in my cabinet?" Jiang Lingzhi anxiously asked.

"Carton?"

Lu Yuping recalled for a moment."

Because she was worried that her mother would accidentally flip over the box when she packed her things for her, Jiang Lingzhi deliberately stuffed a few old dolls inside to cover the things at the bottom.

That way, even if her mother saw it when she put away her cabinet, she wouldn't notice anything.

They would only think that she was just a box for toys.

Jiang Lingzhi's eyes lit up, and she nodded her head hurriedly. "It's that cardboard box."

Lu Yuping frowned. "That doll has been around for a long time. I heard that it has been stored for a long time and has a lot of mites, so I threw it away."

He threw it away.

Jiang Lingzhi froze on the spot.

These three words were like a bolt from the blue to her.

She had clearly hidden it well.

Jiang Lingzhi felt a lump in her throat, and her tears quickly welled up. "Mom, how can you throw my things away without my permission?"

Lu Yuping was stunned for a moment.

She had always been gentle.

She never seemed to have any temper towards her family.

Lu Yuping thought that she was nostalgic and couldn't bear to part with her child. She comforted her, "That thing has been kept for a long time and is not very sanitary. If you like it, Mom will buy it for you next time."

"I can't buy it." Jiang Lingzhi whimpered softly. Her voice was trembling, and she could not control her emotions for a moment. "I want my cardboard box."

She rarely showed such emotions.

He had never seen her like any toy so much.

Every time he brought her a gift, she would put it on the bookshelf, but she would not show much enthusiasm.

Because of the few old dolls, her voice sounded like she was crying.

Lu Yuping didn't know the exact reason. She felt that they were just a few childhood toys. Why would she have such a big reaction?

"Mom has already thrown the cardboard box into the garbage station outside the villa area. She definitely won't be able to find it. It's just a few old toys. Isn't it better to buy new ones?"

Jiang Lingzhi did not listen to anything.

She only wanted to find her own cardboard box.

-- -Trash station.

Hearing these keywords in Lu Yuping's words,

“I’ll go find my cardboard box.” Jiang Lingzhi sniffled. She did not even have time to put on her coat. She walked past her and went downstairs. She pulled on her slippers and went out.

Lu Yuping could not help but call out to her from behind, “Zhizhi, it’s already so late. The trash must have been collected long ago.”

Jiang Lingzhi did not even turn her head back, and it was as if she did not hear her words.

In response to her, she heard the muffled sound of the door closing.

“What’s wrong with the child?”

Hearing the commotion, Jiang Puqing walked out of the room. “What’s going on? What are you arguing about?”

Lu Yuping frowned. While she was angry at her attitude, she still felt strange. “When I was cleaning up Zhizhi’s room today, I saw a cardboard box with an old doll inside. I was afraid that it wouldn’t be sanitary, so I threw it away for her. She was angry with me just now and even said that she wanted to find that cardboard box.”

Jiang Puqing figured out the general situation. “Before you throw it away, you have to ask her. Her daughter is already so old.. Why are you still touching her things?”

Chapter 465: Betrothal Gift

“Didn’t I say that out of kindness?”

Lu Yuping really couldn’t understand. She muttered softly, “Isn’t it better to buy a new one? Why do you have to buy those old dolls?”

Jiang Puqing pushed his glasses thoughtfully and looked at the time." It's not safe to go out alone at this hour. Why don't I go take a look and you go to sleep first?"

Lu Yuping was angry again."

"Is she still angry with me? She just lost a doll and was angry at me just now. Since we were young, she has never spoken to me in such a tone. It's still the rebellious period!"

"She must be protesting against me because of what happened last time!" Lu Yuping's anger also rose.

Jiang Puqing patted her shoulder and pushed her into the room." "How can it be so serious? If it's really the rebellious phase, you won't allow her to be early. When you were in love, she went on a hunger strike to protest. How could she be so obedient? Don't you know your own daughter?"

Jiang Puqing knew that she was just speaking out of anger, so he pushed her into the room." "Alright, I'll tell Zhizhi later. Go to sleep first and stop arguing with your daughter."

The temperature difference between day and night was extremely high in April.

At the garbage recycling station outside the villa area.

Jiang Lingzhi only wore a thin shirt, but she did not seem to feel cold at all. She looked for one trash can after another.

She had searched everywhere, but she could not find her cardboard box.

Jiang Lingzhi sniffled. She was at a loss, but she was reluctant to give up.

The garbage should not have been collected yet. Many of them had been piled up and had not been cleaned up yet.

With a glimmer of hope in her heart, she searched around the garbage station and finally found the cardboard box on the ground outside.

It was probably because there was no more space inside, so it was placed outside. The things in the cardboard box had not been contaminated yet. Jiang Lingzhi heaved a sigh of relief, and her fingers gently rubbed it twice.

It was like finding a lost treasure.

When she heard that something was lost, she lost control of her emotions and reacted a little too much.

She wondered if her mother was suspecting something.

Jiang Lingzhi was very depressed.

She carried the cardboard box and slowly walked back to her house. She bumped into Jiang Puqing, who was about to leave.

“Zhizhi, Daddy was just about to go look for you.”

Jiang Puqing’s gaze moved down to the cardboard box in her hand. “Did you find it?”

Jiang Lingzhi lowered her eyes and said in a muffled voice, “Found it.”

Jiang Puqing was a little curious about the cardboard box in her hand. “What toy is so important?”

Jiang Lingzhi tightened the cardboard box in her arms and muttered softly, “It is important.”

Jiang Puqing felt helpless and amused when he saw her little actions. “Daddy doesn’t want yours. Why are you so nervous?”

Jiang Lingzhi looked up.”

“What’s going on?” Jiang Puqing asked.

After Jiang Lingzhi was silent for a while, she whispered to him, ““Can you lend me your safe?”

It was not safe to leave it in the room.

She had made it so obvious today.

If it was still in the room, perhaps her mother would take it out to take a look.

Then he would not be able to keep his things.

“A safe?” Jiang Puqing was a little surprised. He seemed to have realized her intention and glanced at the box in her arms. “To store your treasures?”

Jiang Lingzhi was silent for a moment before she nodded her head and admitted generously, ““Yeah. “

Chapter 466: Hide

Jiang Puqing smiled.” Alright, since it’s such an important thing, I’ll lend you the safe when we get back.””

When she got home, Jiang Puqing kept his promise and lent her the safe.

In the study room.

Jiang Puqing emptied the safe and told her the password, teaching her how to use it.

Jiang Lingzhi nodded her head. She hugged the box and turned her face sideways to look at him.

Sensing her gaze, Jiang Puqing still hadn't reacted. "What's wrong?"

Jiang Lingzhi said honestly, "Daddy, why aren't you going out yet? I'm going to put something down."

Jiang Puqing was speechless.

"Can't you let Daddy take a look?" Jiang Puqing was very curious about the treasure in her cardboard box.

Jiang Lingzhi hugged the box firmly. "I can't."

Her answer was unusually decisive, without the slightest hesitation.

The little girl had grown up and had secrets.

Jiang Puqing smiled and shook his head.

After saying that, he did not force her and quickly opened the door and closed it.

After the study room door was closed, Jiang Lingzhi finally let down her guard. As she wished, she placed the things into the safe in the study room.

Then, he changed it to his own password.

This was a betrothal gift.

He had to keep it well.

Hide.

After doing all of this, Jiang Lingzhi returned to her room in satisfaction.

It was probably because her worries had settled that she finally realized that it was a little cold.

She sniffed, packed a set of clean clothes, and went into the bathroom.

After taking a shower, she came out of the bathroom and went straight back to bed to sleep.

She ran out in the cold wind for a long time without wearing a coat at night. The direct result was that Jiang Lingzhi caught a cold.

When she woke up in the morning, she felt light-headed and her nose was blocked.

After washing up, Jiang Lingzhi carried her bag and went out.

She was in a daze and woke up a little late. She arrived at the classroom by the bell.

She was also a little out of sorts during class.

It was the afternoon break.

She didn't go to the cafeteria to eat. Instead, she leaned on the table to rest.

The people in the classroom left one after another, and it was completely silent.

After a while, someone gently touched her shoulder.

Jiang Ling knew that her throat hurt a little. She frowned slightly, sat up straight, and looked back.

Li Shunan sat diagonally behind her again.

She took out a thermos flask from her bag, took a sip of water, cleared her throat, and said, "What's wrong?"

Li Shunan raised his eyebrows, sensing that something was wrong with her. Actually, she had already felt that something was wrong with her during class today.

Usually, her back was as straight as a pine tree, but today, she was lying on the table like an injured kitten.

"Not feeling well?" As he spoke, Li Shunan reached out his hand to feel the temperature on her forehead.

Jiang Lingzhi sat down and did not move. "I have a cold."

His fingers were a little cold, and they formed a strange temperature difference when they were placed on her forehead.

Li Shunan looked up and asked in a low voice, "Have you taken your medicine?" Jiang Lingzhi shook her head. "No, I'll eat when I get back."

After saying that, she lowered her eyes and took out something from her pocket. She reached out and handed it to him.

“What?” Li Shunan paused.”

Jiang Lingzhi stretched out her other hand and pulled his palm over. She spread it open, and then placed her small hand that was clenched into a fist on his palm before she let go..

Chapter 467: Give Me A Candy to Go To Me

A small yellow star fell into his palm.

Jiang Lingzhi’s voice was soft, and it had a slight nasal tone.””I’m late today. I haven’t given you Little Xingxing yet.”

Li Shunan curled his lips and stared at the little star in his palm with a playful look in his eyes.

Jiang Lingzhi could not help but ask,” The ones that I placed on your table previously, did you put them in the glass bottle that I gave you?””

She had worked so hard to fold it for half a day, but in the end, this person took it for her to play with. Then, wouldn’t she fold it for nothing? ” I did.” Li Shunan raised his eyebrows.”So, what’s the use of this thing?”

Jiang Lingzhi said honestly,”Make a wish. ””

“Huh?” Li Shunan didn’t understand.

Jiang Lingzhi patiently explained, “After you fold a thousand stars, you can make a wish.

Upon hearing this, Li Shunan chuckled and said in a drawn-out tone,””Making a wish?”

His reaction was also within Jiang Lingzhi's expectations.

It was as if he was extremely disdainful.

Jiang Lingzhi could already guess what he was going to say next.

Only a little girl would believe it.

Jiang Lingzhi pursed her lips.

Li Shunan licked his lips and said carelessly, "Then I'll have to think about what I wish for."

Jiang Lingzhi was stunned for a moment, and she was a little speechless. "It's still early. What are you doing here now?"

He seemed to be extremely interested and said lazily, "Let's practice for now. I'll have more experience in the future."

Jiang Lingzhi was speechless.

He had never heard of a wish that could be practiced.

Li Shunan stared at the star for a while, and his eyebrows relaxed a little. He felt that something was missing. "Where's the candy?" Jiang Lingzhi blinked her eyes.

"Other than the stars, don't you give me a candy every day?"

Was this person addicted to eating candy every day?

Jiang Lingzhi felt a little uneasy in her heart. There was a White Rabbit Creamy Candy in her pocket. She had eaten it yesterday.

“I still have one. Do you want it?”

She slowly took out the candy from her pocket, unwrapped it, and brought it to his lips.

It was a very natural action.

Li Shunan stared at her for a while. His eyes were deep and seductive. He took the candy from her hand and put it into his mouth.

As the distance between them shortened, her fingers inevitably touched his lips.

Jiang Lingzhi’s fingers paused, and she retracted her hand a little unnaturally.

The taste of the milk candy spread in his mouth. It was too sweet.

Li Shunan didn’t seem to notice her expression. He licked his lips and asked in a low voice, “Aren’t you going to the cafeteria to eat?”

Jiang Lingzhi shook her head. “I have no appetite. I don’t want to eat.”

“But you can’t not eat.” Li Shunan stood up and said, “I’ll go outside the school to buy some porridge for you. Wait for me in the classroom.”

He was so tall that when he stood up, he almost covered the light above his head.

Oh.” Jiang Ling knew that she wasn’t feeling too well, so she didn’t continue to reject him. She was listless as she lay on the table again.

Li Shunan walked to her desk and placed his palm on it.””Try again. The temperature of my hand is a little low.”

After saying that, he leaned down slightly and pressed his forehead against hers.

Jiang Lingzhi looked up and stared at the handsome face that was right in front of her.

Her nose was filled with the scent of his body. It was clear and clean..

Chapter 468: Caught in the Shot

Li Shunan felt the warmth on her forehead and moved away a little. He frowned and said in a low voice,””I’m feeling a little feverish.”

Jiang Lingzhi was sleepy. Her eyelashes were slightly drooping as she let out a soft ” Oh.”

Li Shunan raised his hand and caressed her long hair. His voice was very low and gentle.””I’ll buy you some medicine while I’m at it. Eat it before you rest.” Because she was sick, Jiang Lingzhi obediently replied with a ” mm “.

Her voice was soft, like a kitten.

Outside the corridor.

The two female students who had just left the classroom walked over from the other end of the corridor hand in hand.

“I didn’t take my meal card. Fortunately, you reminded me.” “It’s fine if you don’t bring it. You can just use mine.”

“Hehehe, I can’t use yours every day.”

The two of them whispered as they walked to the classroom door.

Just as he was about to enter the classroom, he saw this scene.

The young man’s tall and thin figure bent down slightly, his arm supporting the girl’s desk, trapping her between the desks.

It was a very domineering and possessive action.

“Hey, hey, hey, look.” One of the female students grabbed the other person’s arm fiercely and unconsciously lowered her voice.

The two of them stopped outside the classroom.

“Is it a school bully?”

The young man was leaning sideways, so he couldn’t see his face clearly.

However, with his height, other than the school bully, there was no one else. Moreover, wasn’t this seat known to Jiang Ling?

The two of them instantly became excited.”

“What a big melon!”

Ever since the two of them stopped communicating, very few people talked about them.

After all, they were all students. No one would keep talking about these scandals all day long.

She did not expect that they would accidentally bump into such a loving scene.

The two girls were very excited.

Soon, they started chattering again.

“Ahhhhhhh, I’m back together again.”

“I want to record it.” One of them took out his phone, aimed at a scene, and froze it.

“Ahhhh, so sweet!”

After shooting, the two of them had the same goal, the same goal, the same goal, the same goal, the same goal, the same goal, the same goal.

The girl couldn’t help but post the photo on the campus network.

The campus network had been silent for a long time. He did not expect it to explode again because of a photo.

The two parties involved were still unaware.

Jiang Lingzhi was still in a daze. After Li Shunan left, she quickly fell asleep on the table.

She didn’t know how long she had slept, but she was woken up by the noise in the classroom.

When she woke up, there was cold medicine and a takeaway of vegetable porridge on her desk.

Jiang Lingzhi rubbed her eyes, and she could not help but turn around to take a look.

When he saw the figure of the person lying on the table, he quickly retracted his gaze.

She didn't even know when she had placed it here.

Jiang Lingzhi perked up and opened the packaging.

The phone in the hole in the table vibrated non-stop.

As she ate her porridge, she took out her phone and glanced at it.

Wen Yujing,[Ling Ling]

Wen Yujing,[Student Lingling!!]

Wen Yujing,[What happened? You and the school bully were photographed again?]

Jiang Lingzhi did not pay much attention to it initially, but when she saw the message, her fingers froze. She was a little puzzled, and she picked up her phone to reply: [What was photographed?] Wen Yujing replied very quickly, [Don't you know?] She sent a photo over.

[Is this the back view of your school bully?]

Chapter 469: The Only Contact

Wen Yujing,[Someone posted it on the school's website today. In just a short while, the topic has become popular again.]]

Wen Yujing,[Lingling, go and take a look! J]

Jiang Lingzhi's heart skipped a beat. She picked up her phone, opened the campus network, and found the post.

She flipped through them one by one.

His mood gradually became heavy.

It had only been two months since the news broke, but the topic was suddenly brought up again.

It's too ostentatious. If someone familiar sees it hanging on the campus network so brazenly...

At this moment, Jiang Lingzhi would become extremely sensitive over the smallest matter.

She was already very careful.

She didn't dare to talk to him or send him a message.

How could the only two encounters be recorded?

Jiang Lingzhi was a little depressed, [Can this thing be deleted?]]

Wen help you ask around!]]

Wen Yujing: [However, deleting one post won't do much. There are too many people discussing it. You can't just delete one post after another. That's too much.]]

Jiang Lingzhi also felt a headache coming on.

Coupled with the cold, his brain seemed to be about to explode.

She sighed, closed her phone, and put it in the drawer.

After eating two mouthfuls of porridge, Jiang Lingzhi no longer had much appetite. She took the cold medicine and rested on the table for a while. I don't know if the good luck in this life has been spent by her

The next day, Jiang Lingzhi was called to the office by Hao Weiwu.

The reason was because of those photos.

In the beginning, not many people used the campus net of No.1 Middle School. They always felt that whatever they posted or said would be seen by the teachers.

However, it seemed that no teacher had ever used the campus network.

It was quite a free speech.

Hence, the students became brazen.

He liked to post everything on it.

Nothing had happened for so long. It felt like it had become a forum.

He had probably been arrogant for too long.

For some reason, the campus network of No. 1 High School was suddenly going to be rectified.

The most popular post was pinned at the top, making it difficult for people to not see it.

Therefore, a teacher from No.1 Middle School saw it. After all, it was about morning. The students were still discussing the matter of love.

Moreover, the people they were discussing were the first and second place students of their second year.

This matter had caused a sensation among the second year teachers for a long time. The first and second place of the ordinary class had appeared.

The faces of the two special classes were slapped.

Now, he actually said that two good students were early. Falling in love?

This was definitely a big deal for them as teachers.

The teacher was quite curious. She bumped into him in the corridor and showed it to Hao Weiwu. "Teacher Hao, I was just about to go to the office to look for you. Do you think these are the two students from your class?" Hao Weiwu was still a little confused. He leaned over and took a look. "What is

The teacher opened the photo and showed it to him. "The one in this photo."

The first photo was of her back, but it was not clear. When she slid to the second photo, she could see it clearly.

In the photo, it was a photo of the girl sleeping on the table while the boy covered her with a coat when they were deskmates.

Although it was taken secretly, she could see the boy's side profile clearly this time.

Hao Weiwu nodded. He was still staring at the phone screen as he scrolled through the photos. "This is my student."

"These two people are usually quite close, right?"

Chapter 470: Coming

' Yes," Hao Weiwu said honestly. " They used to sit at the same table and often discussed their studies.'"

The teacher said, " I just think that it's decent. It says that these two are in a relationship. Look, don't you have to be more careful?"

"Ah?" Hao Weiwu was stunned for a moment and said hesitantly, " "But the two of them have already sat separately."

At that time, he thought it was very strange.

They were doing well last semester and it was good to learn from each other. Why did they suddenly change seats?

"I'm just reminding you that these two have good grades and are the focus of the school. If anything happens, you'll have to bear the responsibility."

The male teacher put away his phone." Hao Weiwu smiled thoughtfully.

Deep in his heart, he still didn't quite believe it.

After all, their results were too stable.

Her monthly test results never fell from the top three. She always occupied the first and second place of the grade.

Moreover, Li Shunan had just won the provincial mathematics competition.

These two could fall in love?

How could she have such stable results in a relationship?

However, when she saw the photo.

There seemed to be some signs.

Hao Weiwu was deep in thought.

The male teacher: " I'm just reminding you. This latest post was from yesterday. You'd better be careful."
'''

The two of them chatted for a while more before he left.

When Hao Weiwu returned to his office, he suddenly thought of the report letter from before.

At that time, he didn't take it seriously.

Moreover, Jiang Lingzhi was quite confident.

He felt that it was impossible.

Which child would be so bold as to ask to find their parents when they were in a relationship?

But now, it had been so long.

Could it be that he had developed some kind of different feelings?

He had to be responsible for every student.

Hao Weiwu immediately called his men over to understand the situation.

Actually, before she came, Jiang Lingzhi already had a bad feeling in her heart.

She thought that no matter what Hao Weiwu said, she would never admit it. As long as she didn't call Lu Yuping, she could still take responsibility.

Jiang Ling knew that she had not recovered from her cold, and she coughed slightly. She went to his desk and pretended to be calm. "Teacher, you were looking for me?"

Seeing her, Hao Weiwu took off his glasses and prepared his words.

The last time he had talked to her, Hao Weiwu had been rendered speechless by her several times.

After a moment of silence.

"Actually, I don't have any other intentions," Hao Weiwu said tactfully. "I just wanted to ask you to come and understand the situation. ""

Jiang Lingzhi mumbled a little, but she still nodded. ""Please speak."

Hao Weiwu was about to say something when he looked at the time. ""Let's wait a little longer."

Jiang Lingzhi was a little puzzled.

Wait for what?

After a while, Hao Weiwu suddenly looked behind her. ""You're here?"

Jiang Lingzhi was stunned for a moment.

He's here?

Who was it?

She was about to turn around.

The young man's deep and lazy voice came from behind."

Jiang Lingzhi's fingers that were hanging by her side paused.

So she wasn't the only one he talked to?

A person quickly walked over.

The man's tall and straight figure stood beside her, and she was drawn into his shadow. She could vaguely smell the familiar scent of mint tobacco.

Jiang Lingzhi's breathing stopped slightly..
