

Little Girl 47

Chapter 47: I Want to Sit With You

That person had an impeccable face.

Her eyes were deep and unbridled. Be it her facial features or her outline, boys would think that she was...F * ck, this person is too handsome!

It was just that his eyes were a little cold, the kind of coldness that came from his bones.

The junior shivered.

Just now, when the group of people were jeering, his blood rushed to his head.

He suddenly remembered!

I heard that the little tyrant Laocheng District district is in this class!!!

Could it be that...

Li Shunan stared at the noisy junior for a while, still sleepy.

He leaned back in his chair nonchalantly, raised his chin slightly, and let out a light sneer from his throat."Heh."

It was clearly just a light sound, but the junior felt his hair stand on end.

This feeling was very magical. It was an inexplicable feeling of danger!

The consequences of disturbing the big boss's sleep were very serious!!

The junior's neck started to feel cold, and he felt that his head was going to be separated from his body in the next second."I'm sorry to disturb you. I'll leave now..."

After saying that, he stopped thinking about flirting and quickly fled the scene.

His footsteps were flustered, and his back view was slightly disheveled.

That person left very suddenly.

Jiang Lingzhi heaved a sigh of relief. She did not know why he suddenly thought it through.

She was holding a pen in her hand, and she seemed to have realized something. She turned around and saw the school bully leaning against the back of the chair. His indifferent expression carried a hint of danger.

Was she woken up?

This student was very angry when he woke up.

Jiang Lingzhi pursed her lips in her heart and prepared to turn her head away.

The next second, her eyes lit up. She glanced at the juniors who were still pacing around the door and had a good idea.

Jiang Lingzhi turned around and looked at the school bully sincerely."Student Li Shunan raised his eyebrows. His black hair was a little messy, and his voice was a little hoarse."Hmm?"

Jiang Lingzhi's beautiful almond-shaped eyes stared straight at him as she whispered to him, "I have something to discuss with you."

Li Shunan raised his hand and rubbed the space between his eyebrows. He looked up at her and said in a low and gentle voice, "What is it?"

Jiang Lingzhi's fair fingers were on his desk. She looked like a very obedient little animal as she said, "I want to sit with you."

The girl's voice was soft, soft, and pleasant to the ears, especially now. Her almond-shaped eyes were slightly upturned, carrying a hint of seduction.

Li Shunan sobered up a little and raised his eyebrows slightly. "Do what with

His tone was lazy and carried a hint of nonchalance.

The school bully had just woken up when some R-rated images flashed through his mind.

Tsk, why did the young lady suddenly make such a request?

Jiang Lingzhi did not know what he was thinking at all. She said seriously, "We'll be deskmates. I won't disturb your sleep."

After saying that, he paused for a moment.

As if she felt that this was not attractive enough, she added, "Besides, don't you have no friends in your class? I'm afraid you'll be lonely, so I'll accompany you..."

There's a school bully, a classmate at the stockade

Wasn't all his troubles solved?!

No one would frequently enter and leave their seats, knock into her desk, or even confess to her!

Jiang Lingzhi felt that this idea of hers was really too clever!

Li Shunan was speechless.

To be deskmates.

Li Shunan's handsome face was expressionless. He was stabbed by the thought that had just popped up in his mind. It was exciting.

What was he thinking just now?
