

Little Girl 471

Chapter 471: Calling For The Parents

Jiang Lingzhi looked straight ahead and did not dare to look at him.

However, she noticed that the young man's eyes were staring at her face without restraint.

Everyone had arrived.

Hao Weiwu cleared his throat and said, "I called the two of you over because I want to understand something."

He really didn't know how to be honest about dating.

Hao Weiwu pondered for a while before saying, "There are some articles about the two of you on the school website..."

Jiang Lingzhi spoke first, "Teacher, they were just writing nonsense."

Hao Weiwu was stunned for a moment before he nodded and said, "The teachers know about this. I know that this has nothing to do with you, but it seems to have caused quite a bit of impact in school."

"Regarding those posts, they must have written nonsense. These will be cleaned up. Don't worry, they won't cause any trouble for you."

Hao Weiwu finally got to the point. "So, I want to ask the parents to come over and explain in person to avoid misunderstanding."

In the end, he wanted to call his parents.

Li Shunan's eyebrows were tired, and his peach blossom eyes were half-closed. He stood there loosely, and there was no trace of emotion in his noble and lazy temperament.

When she heard that she was going to call her parents, she was still calm and indifferent.

It was as if he was not afraid at all.

Hao Weiwu was a little uncertain about him.

However, Hao Weiwu felt that Jiang Lingzhi would definitely agree.

The last time he told her, she was very decisive in asking her parents to come forward.

He would not allow himself to be questioned at all.

He was very confident.

What he didn't know was...

How could Jiang Lingzhi still have so much confidence now?

It was indeed not early before. Of course, she had the confidence to fall in love with him. But now, if Lu Yuping knew about it, who knew if she would find trouble with Li Shunan?

Jiang Lingzhi said very decisively, "No."

Hao Weiwu continued, "Then it depends on which day your parents are free..."

Ah?"

He only realized halfway through that she had said no.

Hao Weiwu was stunned for a moment, thinking that he had misheard." "What?"

Li Shunan turned his eyes and his gaze fell on her face.

Jiang Lingzhi was a little uneasy." About those posts, can't the school just delete them? Why do we have to look for the parents?"

Hao Weiwu was confused by her attitude and patiently explained, "The main reason why such a thing has spread is that we're afraid that the parents will be worried. We'll explain it to them clearly to avoid unnecessary misunderstandings."

"No need." Jiang Lingzhi interrupted him.

Hao Weiwu stared at her suspiciously.

Realizing that she had overreacted, Jiang Lingzhi lowered her eyes. "Teacher, my parents have been very busy recently, and I'm preparing for the piano competition. I don't have time to deal with these things. The school can just get rid of the post."

"They wrote those things for entertainment. They can't make us bear the consequences, right? Who can bear the responsibility if it affects my

performance?" Jiang Lingzhi's tone was warm.

She looked calm on the surface, but she was actually panicking on the inside.

Now, he could only delay it day by day.

As long as she didn't tell her parents, everything was fine.

Once again, Hao Weiwu was successfully choked.

He did not know where the little girl found so many twisted reasons, but he could not refute them.

She was participating in an international piano competition. If this affected her competition, who could bear the responsibility?

Chapter 472: I'll Go Secretly

Hao Weiwu could only turn around and ask Li Shunan, "What about you?"

'Oh.' Li Shunan half-opened his eyes and put his hands in his pockets. "I'm fine with anything. Whatever you say, I'll cooperate."

Hao Weiwu was speechless.

They were cooperative.

How could he continue?

Hao Weiwu was at a loss for words. After pausing for a few seconds, he asked

Jiang Lingzhi with concern, "The piano competition is in a few days, right?" As soon as she finished speaking, she clearly felt the young man's gaze fall on her face again.

Jiang Lingzhi braced herself." Hao Weiwu counted the days."

Jiang Lingzhi nodded.

Hao Weiwu had no choice but to compromise." "Alright, then let's put this matter aside for the time being. We'll talk about it later."

Jiang Lingzhi heaved a sigh of relief."

He came out of the office.

Jiang Lingzhi felt that she was about to collapse.

He was already uncomfortable, and he had to use all his energy to deal with Hao Weiwu.

He probably wouldn't call his parents, right?

Jiang Lingzhi dragged her tired body downstairs.

She could sense that the young man was following behind her unhurriedly.

Jiang Lingzhi did not turn around.

He walked down from the office building and headed straight for the teaching building.

They walked to a secluded place where there was no one around. Suddenly, a warm hand grabbed her wrist and she was pulled behind the wall.

Jiang Ling knew who it was, so she didn't resist.

Her back was leaning against the wall, and she leaned forward against someone.

The distance between them narrowed.

The unique refreshing aura that belonged to him was overwhelming.

“A piano competition?” The young man’s magnetic and lazy voice came from above.

Jiang Lingzhi looked up at him.

Li Shunan lowered his eyes and stared into her eyes. His voice was cold but gentle. “Why didn’t you tell me?” Jiang Lingzhi said dryly, “There’s nothing much to say.””

It was just a competition.

Ever since he was young, he had competed so many times that it was a common occurrence.

It seemed like there was no need to tell him.

Li Shunan raised his hand and gently pinched her earlobe. “”The location of the competition?”

Jiang Lingzhi was silent for a moment. Are you going to watch my competition?”

He sensed his intentions.

Jiang Lingzhi frowned slightly.” Don’t go. What if you are discovered?””

“I’ll go secretly and not be discovered.”

This conversation was inexplicably a little inappropriate.

It was as if they had agreed on something immoral.

It was just a piano competition.

“You...”

Jiang Lingzhi had not finished speaking.

Li Shunan suddenly bent down and his thin lips moved close to her ear. He said in a sexy tone, “I want to see you on stage. I haven’t seen you on stage yet.”

Jiang Lingzhi blinked her eyes, and she instantly fell silent.

Once these words were said, it was impossible to refuse.

Moreover, he even used such a tone.

It was sexy and seductive, with a hint of bewitchment.

Jiang Lingzhi’s ears were a little hot. She tilted her head to the side and paused for a moment. She still told him the address and mumbled softly, “Then do it secretly.”

Li Shunan hummed softly.

He recalled the young lady’s reaction in the office just now.

Li Shunan lowered his eyes and drawled, ""Are you so afraid of being called as a parent?"

Jiang Lingzhi blinked her eyes.

Her eyelashes trembled, but she still told the truth. "Ah, they won't let me be early. Love, I think I'm too young."

Jiang Lingzhi pursed her lips and voiced out her concerns. ""I'm afraid that they will find trouble with you.."

Chapter 473: The Feeling of Being Protecting

I'm afraid they'll find trouble with you...

Hearing this, Li Shunan's body slightly paused, and then his peach blossom eyes curved into an arc.

In fact, he understood when the little girl cried and asked him to wait for her and said that she wanted to keep a distance for the time being.

After all, her future girlfriend was only 16 years old. It was normal for her family to disagree.

The young lady had her own concerns. He could cooperate with her and she could do whatever she wanted.

What he did not expect was that it was for him.

He was afraid that his family would find trouble with him if they found out, so he had to keep a distance from him.

This realization made Li Shunan's mood inexplicably good.

After living for eighteen years, this was the first time he felt protected. "Are you trying to find trouble with me?"

Li Shunan lowered his eyes, and a faint smile flashed across his light brown eyes. He raised his hand and gently rubbed the corner of her lips with his fingertips. "What I'm least afraid of is trouble."

Jiang Lingzhi blinked her eyes and looked at him.

Li Shunan's tone became more serious. "If there's something, your future boyfriend will take care of it for you. How can you let a girl come forward?"

At this point, he laughed softly. "If you don't do it, I'll deliver myself to your parents and teach you a lesson."

Jiang Lingzhi was speechless.

Li Shunan said lazily, "It's fine if you meet your parents earlier. You'll have to meet them sooner or later anyway."

His tone was as casual as ever, but it also revealed traces of arrogance.

His words seemed to be true and false, like a joke, but inexplicably serious.

Jiang Lingzhi was afraid that he would take things too hard and send himself to the door to be beaten up.

She immediately grabbed his sleeve nervously.

"What do you want?"

“Hmm?” Li Shunan chuckled when he saw her nervous expression. “What’s wrong?”

Jiang Lingzhi was a little annoyed. “Wake up. Have you forgotten that I’m only sixteen years old?!”

They would also be kicked out if they met their parents.

She had never seen a person like him who was eager to be educated.

Maybe it wasn’t education.

With Lu Yuping’s personality, she might say something hurtful.

Jiang Ling didn’t want to.

“It’s too early. Besides, my mother is a little direct when she speaks...”

Moreover, the words he said would hurt.

It was useless to say these things before he reached the age.

She tried her best not to get him involved.

In the end, he still wanted to deliver himself to be educated.

The little girl had a serious expression on her face and was very worried about this problem. “Just be honest.”

“Tsk, ” Li Nan’s eyes moved slightly. He raised his hand and gently scratched her nose. He let out an imperceptible sigh and compromised, ”Got it. Whatever you want to say, I’ll take it.”

He was sure that he had already dispelled the dangerous thought of the

Jiang Lingzhi was relieved. She raised her head and reminded him, ”It’s time for class.”

In other words, you can let go of me.

Li Shunan had no intention of letting her go. He put his arm on the wall and trapped her between the wall and his body. He asked in a low voice, ”Is your cold better?”

Jiang Lingzhi nodded.

Li Shunan pinched her chin and looked up at her face. ”Then why do I feel like

I’ve lost weight again? Have you not eaten every day?”

Jiang Lingzhi felt that he was really too sensitive.

He could tell that she had lost two pounds, but she couldn’t. Jiang Lingzhi mumbled, ”You look better when you’re thinner.”

“Who said that?”

Jiang Lingzhi braced herself and said, “I think so myself..”

Chapter 474: Punishment

Li Shunan half-opened his eyes and said lazily, "Go back and eat more. Grow up."

Jiang Lingzhi hesitated."

Although she didn't have much of an interest in height, she was now 1.65 meters tall. It would be best if she could grow to 1.68 meters tall.

Li Shunan lowered his eyes and looked elsewhere. He said in a drawl, "If you don't grow one, it's fine if you grow it somewhere else."

Jiang Lingzhi was speechless.

Jiang Lingzhi had already keenly caught the impoliteness in his tone.

She raised her hand, pinched his face, and pulled hard.

Jiang Lingzhi was flustered and exasperated."

The girl still had a cold, and her voice was slightly nasal and soft.

It was as if she was acting coquettishly.

Li Shunan didn't have any temper and obediently let her pinch him. He gazed at her gently with his peach blossom eyes. "Yes, if you lose any more weight, I'll punish you."

Jiang Lingzhi was stunned for a moment, and the movements in her hands suddenly stopped. "W-what punishment?"

Li Shunan chuckled and stared at her meaningfully. He said slowly, "I haven't thought about it yet. I'll tell you when I've thought about it." Jiang Lingzhi was speechless.

However, she really couldn't control herself when it came to eating.

Probably because of the cold, she had no appetite for the past few days.

In addition, she had to practice the piano for four to five hours every day.

His body was indeed a little overwhelmed.

In the blink of an eye, Sunday arrived.

The piano competition this time was also very well-known internationally.

Almost everyone who played the piano knew about this competition.

If he won an award, he could add a lot of color to his resume and even have the opportunity to study at a foreign music academy.

This temptation was still very big.

The competition was divided into two days. Saturday was the children's group, and Sunday was the youth group.

The venue of the competition was the symphony hall of Xinghai Music Academy.

It had been a few days, and Jiang Lingzhi's cold symptoms did not show any signs of getting better.

It was probably a long period of practice every day.

He hadn't had a good rest.

She had been suffering from low fever, nasal obstruction, and mild coughing.

Before she left, she deliberately took some cold medicine with warm water.

She didn't want her illness to affect her competition.

Before leaving the door, Lu Yuping sized her up a few times while changing her shoes at the entrance."Have you not recovered from your cold? Why do you look so pale?"

Jiang Puqing also noticed it and asked with concern,""I keep saying that it's a small problem. It's been so long, why isn't it better? Do you want to go to the hospital to get it checked?"

Jiang Lingzhi shook her head." No need. I just have a stuffy nose. I can persist."" It was probably because he did not rest well.

Other than practicing the piano every day, she also had to complete her school homework. She would stay up until two or three o'clock in the evening before going to bed.

That was why it had dragged on until now.

Seeing her insistence, they did not say anything more and the three of them quickly left.

When they arrived at the concert hall, there were already many people inside.

Their seats were on the edge of the third row, closer to the front.

Lu Yuping had always been in charge of the competition. Jiang Ling knew that she did not have to worry too much. She just had to focus on waiting to go on stage.

The concert hall could accommodate five hundred people.

However, because it was a competition, other than some professional judges, there were only contestants and accompanying parents, so there were not many people in the audience.

She thought of what Li Shunan had said before.

Jiang Lingzhi could not help but turn around and look at the audience.

She didn't know if he had come or not..

Chapter 475: Finished

There were a few accompanying parents sitting in the audience, but because the light was a little dim, she could not see clearly.

Sensing her gaze, Lu Yuping also looked back."What are you looking for?"

Jiang Lingzhi quickly turned her head and sat up straight. She said softly,"No, I'm just checking if there are any familiar faces. I wonder if anyone from our school has come to participate in the competition."

Lu Yuping unscrewed the cap and handed her the thermos flask."Are there any of your classmates?"

Jiang Lingzhi shook her head."

"I don't think so." Lu Yuping didn't care too much."

Jiang Lingzhi took the thermos cup and took a sip of warm water before passing the cup over.

Lu Yuping closed the lid and instructed, "If you're not feeling well, rest for a while. You have to maintain your condition when you go on stage later." Jiang Lingzhi replied absent-mindedly.

Because she was going to compete on stage later, she wore a small dress inside and a small coat on the outside.

When it was her turn, she could take off her coat and go on stage.

After a long wait, Lu Yuping put the things in her hands on the seat and asked her in a low voice, "It's almost your turn. Do you want to go to the bathroom?"

Jiang Lingzhi shook her head and said in a nasal voice, "No."

Lu Yuping: "Then you stay here. Don't run around. I'm going to the bathroom."

Jiang Lingzhi nodded.

After Lu Yuping left her seat, Jiang Lingzhi could not help but turn around to take a look.

He still did not see that familiar figure.

Was he not coming?

Jiang Lingzhi sat in her seat for a while. She had just drunk too much water, and at this moment, she also wanted to go to the bathroom.

She placed the thermos cup in her hand on the seat and said to Jiang Puqing, who was sitting across from her, "Dad, take a look. I'm going to the bathroom." Jiang Puqing, who was watching others play the piano, nodded. "Okay, go ahead."

After saying that, he turned his head and added comfortingly, "Don't be too nervous. Daddy just watched it. These aren't as good as yours."

Jiang Lingzhi tugged the corners of her lips. She did not express any opinion and got up to go to the bathroom.

It was also her first time here.

After walking backstage, she followed the road sign to the bathroom. Just as she was about to enter, she heard voices coming from inside.

"Hello, Teacher Hao?"

It was Lu Yuping's voice.

Along with the sound of water flowing from the sink, the sound did not sound very real.

Jiang Lingzhi's footsteps instantly froze on the spot.

Teacher Hao?

Mom was on the phone with Hao Weiwu?

"Oh, why would I disturb you? If there's anything you want to say, say it. Is it about Zhizhi?"

Jiang Lingzhi stood outside the bathroom door and did not dare to go in. Her heart stopped for half a second, and she felt her blood freeze in an instant.

After two seconds of silence, she heard Lu Yuping's voice and instantly turned cold."Morning. Love? Classmates?"

Her fingers instantly turned cold.

Jiang Lingzhi swallowed her saliva with difficulty. Her throat hurt badly, and the string in her body seemed to have snapped all of a sudden.

There was only one thought in his mind.

It was over...

The tap in the bathroom was turned off, and the sound of water flowing stopped.

The entire world fell silent.

Only Lu Yuping's voice became clearer and clearer, word by word.

She didn't dare to listen to what he said next.

Jiang Lingzhi was a little flustered, and she quickly came back to her senses.

She did not dare to stay on the spot for long, and she hurriedly left that place..

Chapter 476: Turning Back

Jiang Lingzhi returned to the main hall and sat down in her seat.

Her mind was blank, and she was at a loss.

Every time she was nervous, she would subconsciously dig her fingers.

What should she do? Her mother still knew.

Had his good luck really come to an end?

How did things end up like this?

Why did bad things always come one after another?

In that instant, she felt that her cold symptoms seemed to have worsened again.

Even breathing was a little difficult for him.

His chest felt stuffy.

The phone in his jacket pocket suddenly rang.

Jiang Lingzhi only came back to her senses after a long time. She lowered her eyes and took out her phone from her pocket to take a look.

[Turning Back]

Seeing these two words, Jiang Lingzhi's eyelashes trembled slightly, and her fingertips trembled slightly.

She turned her head subconsciously.

In the huge audience seats, the others were all seated at the front. He was the only one sitting at the outermost corner of the fourth last row.

The young man was wearing a black coat and a black cap. His tall figure was hidden in the dark light, and only his rough outline could be seen.

It was tightly covered.

But Jiang Lingzhi still saw him at a glance.

He was clearly a little far away, and the cap was on his head, so she couldn't see his eyes clearly.

But Jiang Lingzhi seemed to be able to feel his gaze.

Jiang Puqing, who was beside him, suddenly said, "Zhizhi, it's already the 15th. It's your turn next. You can go backstage to prepare."

Jiang Lingzhi retracted her line of sight, locked her phone screen, and put it in her pocket. "Got it."

Jiang Puqing sensed that something was wrong with her. Why do I feel that your complexion is worse than before?"

"I'm fine." Jiang Lingzhi shook her head and stood up. She took off her coat and handed it to him. "Dad, help me get my coat."

Jiang Puqing wanted to say something, but when he took the coat, he touched her fingers. "Why are your hands so cold?"

Jiang Lingzhi clenched her fists. "It's probably because the air conditioner is a little low."

His palms were cold, but his body was covered in cold sweat.

“I’ll go and wait first.”

After saying that, she walked straight backstage.

Lu Yuping had not returned yet.

Jiang Lingzhi was a little afraid to look into her eyes.

She had no idea what to do.

Who knew what Lu Yuping would do after hearing those words.

While waiting in the waiting area, Jiang Lingzhi was a little distracted. The staff beside her called her a few times, and Jiang Lingzhi only reacted when it was her turn.

Jiang Lingzhi walked onto the stage and introduced herself briefly before sitting down in front of the piano.

She turned her eyes and her gaze subconsciously fell on that corner.

Li Shunan’s figure was hidden in the darkness. He was a little far away, so he could only see the girl’s outline but not her expression.

However, when he heard her self-introduction, he could clearly hear that her voice was slightly nasal.

Li Shunan frowned slightly and licked the corner of his lips.

He stood up, and this time, he moved closer to the stage.

Only then did he see it more clearly.

The girl sat in front of the piano with her back straight. The stage lights shone down, and her body seemed to be surrounded by starlight.

Her palm-sized face was unnaturally pale, and her thin shoulders felt like she was going to fall down in the next second.

Li Shunan's brows furrowed even more tightly.

Jiang Lingzhi was indeed holding, and cold sweat broke out on her forehead.

He was physically weak, and he was a little anxious. Halfway through playing the piano, she felt her vision darken..

Chapter 477: Fainted

Jiang Lingzhi forced herself to finish playing a song, and she stood up with the help of the piano.

Applause came from below the stage.

Her gaze fell on the black figure, and her vision gradually blurred. Finally, she could not bear the burden and could not hold on until she got off the stage. Her vision went black, and her body fell softly.

The entire concert hall was silent for a second, and then it was as if a pot had exploded.

The girl suddenly fainted on the stage, and there was a small commotion in the hall.

Someone was whispering.

“Fainted, fainted.”

“Where are the staff members?”

The smile on Jiang Puqing’s face froze instantly. He shouted anxiously, Zhizhi!”

When Jiang Lingzhi woke up, she smelled a strong smell of disinfectant.

She opened her eyes and saw the white ceiling above her.

The room was very quiet.

Other than her, there was no one else in the ward.

The back of his hand was still on an IV drip.

Jiang Lingzhi frowned, and her throat was so dry that it seemed like it could burn.

She sat up on the bed, picked up a glass of water beside her, and gulped it down in one go. Only then did she feel better.

At this moment, her mind was still a little dazed. The last bit of consciousness before she fainted was as if she was enveloped by a familiar aura.

It was like his aura.

Someone’s voice came from the door.

The next second, the door of the ward was pushed open from the outside.

It was Jiang Puqing and Lu Yuping.

After talking to the doctor, they walked in through the door.

Seeing that she was awake, Lu Yuping hurriedly walked to the bedside and sat down. She looked very worried. "How is it? Are you feeling better?"

Probably because she was still sick, they did not speak to her in a harsh tone.

Lu Yuping said, 'You haven't been eating well recently. Your blood sugar is low, so you fainted. ""

Jiang Lingzhi was still a little confused.

She remembered that before she fainted, she heard her mother talking to Hao

Weiwu on the phone in the bathroom.

She couldn't help but feel a little uneasy, but she didn't seem to have any intention of bringing it up at the moment.

Jiang Ling knew that she would naturally not be the one to get herself into trouble, so she simply kept silent.

The girl was wearing a striped hospital gown, and her long hair was scattered casually, making her palm-sized face look even more delicate. Her lips were light, and she looked a little sick.

She looked rather lovable.

Lu Yuping couldn't even say the words she wanted to educate him.

feeling well next time. You've scared your mother."

Lu Yuping touched her hair and said in a softer voice, "Are you hungry? Mommy made porridge at home. It's a little cold now."

Jiang Lingzhi looked up and nodded her head gently.

Lu Yuping stood up, took the lunch box beside her, and went out.

Jiang Puqing took an apple from the fruit plate. "Daddy will help you peel an apple."

Jiang Lingzhi's eyelashes trembled slightly. She did not refuse and asked softly, "Dad, did you send me to the hospital just now?" Jiang Puqing glanced at her. "What just now? That was yesterday."

Jiang Lingzhi was stunned.

She actually slept for so long?

Jiang Puqing sat on the chair beside him and picked up a fruit knife to peel the fruit. "You've been too tired during this period of time. Your body couldn't take it anymore and you fainted. Your mother blamed herself yesterday."

Oh.." After a moment of silence, Jiang Lingzhi asked again, "Yesterday, you were the one who sent me to the hospital?"

Chapter 478: The One in Black

Jiang Puqing didn't deny it. "Yes, it's a good thing that your father went yesterday. Otherwise, your mother would be worried."

So, it wasn't him?

Jiang Lingzhi frowned slightly. Then why did she smell his scent?

Was he hallucinating?

Jiang Puqing seemed to have thought of something and continued, "Oh, right, there's also a person in black. He should be a staff member. He's quite enthusiastic."

"I drove, and he helped me carry you to the hospital. I didn't see him after that, and I even wanted to thank him..."

Jiang Lingzhi was speechless.

Jiang Lingzhi's heart skipped a beat."

Black clothes?

She remembered that he was wearing black clothes yesterday.

Besides, what did Daddy just say?

Thank you?

If you knew who he was, you would probably want to beat him to death.

This guy was really bold.

How dare he carry her to the hospital under the eyes of her parents?

Jiang Puqing didn't even raise his head and said half-jokingly, ""That staff member is not bad. I feel that he's more anxious than me. Those who don't know better might think that he's your parent."

Jiang Lingzhi glanced at him carefully.

She was sure that he was just sighing and not trying to test her.

Jiang Lingzhi grabbed her hair. She suddenly thought of something and sat up straight. "So today is Monday?"

"Yes," Jiang Puqing cut the apple into small pieces and handed it to her.""Mom has already applied for leave for you. Rest well and don't be in a hurry to go to

school. "

Jiang Lingzhi took the apple and said softly," Oh."

The two of them talked for a while more, and Lu Yuping came back soon.

She poured the porridge from the thermos into a bowl and placed it in front of her. "I haven't eaten anything since yesterday. I can only eat something light now. I'll make something delicious for you when we get home." Jiang Lingzhi nodded.

There was something on her mind, and she felt a little uneasy.

Jiang Lingzhi lowered her head and ate the porridge with a spoon without saying a word.

After being silent for a while, she went back to her previous life.

Lu Yuping stared at her for a long time before saying, “Zhizhi, I have something to discuss with you.”

As if he knew what she was going to say, Jiang Puqing said disapprovingly, “Our daughter has just woken up. Can’t we wait until we get home? Why do we have to talk about it in the hospital?”

Lu Yuping glared at him.”

With a simple sentence, Jiang Puqing was deprived of his right to speak.

Jiang Lingzhi glanced at Jiang Puqing, then looked at Lu Yuping. Her fingers trembled, and she inexplicably panicked.

She raised her head and looked at her without saying anything.

Lu Yuping pondered for a moment before saying, “Zhizhi, Mom feels that the learning atmosphere in No.1 Middle School isn’t very good. After discussing with Dad, I want to transfer you to another school. What do you think?”

Jiang Lingzhi felt a lump in her throat, and she subconsciously clenched her fists.” “Why?”

Lu Yuping stared at her and said slowly, “Your homeroom teacher told me that you have a campus network. What are you talking about every day? You’re spreading rumors? Is that why you’re being talked about by them every day?”

“How can you study well in such an atmosphere?”

Jiang Lingzhi sniffed.” What does that have to do with me?””

“It’s fine as long as they talk about them. I’m not transferring schools. It’s fine for me to stay here.” Her voice was muffled, but it was obvious that she was singing the opposite tune..

Chapter 479: I'm Not Transferring Schools

There was a long silence.

Lu Yuping's expression was not as gentle as before, and her tone unconsciously became a little heavier. "Mom said this to give you face. Why do you have to go against me? Do you dare to say that you have nothing to do with that boy?"

"Mom trusted you, so she let you handle it yourself. In the end, this is how you handled it?"

"Change seats and pretend?" she asked coldly. "On the surface, you're acting for me, but behind my back?"

Jiang Lingzhi lowered her eyes, and her nose felt inexplicably sour.

Lu Yuping was so angry that she said without thinking, "He kidnapped a minor. Mom can send him to jail. You know that, right?"

Jiang Lingzhi's fingers paused, and tears rolled down her face. "Mom, what are you talking about? It's very irresponsible of you to say that. We didn't do anything."

Jiang Puqing had no choice but to pull away from Lu Yuping. "What happened?"

She had already said that she would talk to her good daughter nicely, so why did she start quarreling so easily?"

Lu Yuping was furious. "She's lying to me!"

"I trusted her. I gave her a chance to deal with it herself, but what happened to her? Now that he knew how to lie, what would happen in the future?"

Jiang Lingzhi wiped her tears and insisted, "Anyway, I'm not transferring schools."

'You!"

After a long time of persuasion, she still refused to budge.

Lu Yuping was so anxious that she was stopped by Jiang Puqing.

"Alright, alright, calm down. We'll discuss this matter properly."

Lu Yuping completely lost her patience and said coldly, "There's no room for discussion. I'll go to school tomorrow to settle the transfer procedures. After I leave the hospital, don't even think about returning to school!" After saying that decisively, she turned around and left.

With a bang, the door was slammed shut.

Jiang Puqing sighed and followed him out.

The two of them left the ward one after the other. The door was closed, and the entire ward fell silent.

Jiang Lingzhi could not stop trembling, and large drops of tears fell down.

After a while, Jiang Puqing returned.

He sat down beside the bed and comforted her softly, "Have a good rest. It's not a big problem. You can be discharged tomorrow."

“Your mother is in a fit of anger. I asked her to go back first. Her temper really can’t be changed at all.”

Jiang Lingzhi did not say anything. She lowered her eyes, and there were still water droplets on them. She remained silent the entire time.

The phone rang. Jiang Puqing took out his phone from his coat pocket. Jiang Lingzhi’s eyes were still red. She lifted the blanket and slowly got off the bed.

Jiang Puqing glanced at the caller ID, then looked up at her and asked softly, “Where are you going?”

Jiang Lingzhi’s voice was a little hoarse.”

Jiang Puqing paused and reminded her, “Isn’t there a washroom in the ward?”

Jiang Lingzhi acted as if she did not hear anything and opened the door straight away.

Something must have happened at the company. Jiang Puqing didn’t say much and picked up the phone.

She went to the bathroom at the end of the corridor.

Jiang Lingzhi stood in front of the sink and stared at herself in the mirror.

Transfer schools.

What he was afraid of really happened.

Jiang Lingzhi turned on the tap and took a handful of water to wash her face. After she took a breath outside, she returned to the ward.

Jiang Puqing had finished his call and was sitting on the sofa next to him, reading a document.

When she saw her return, she handed him a phone beside her. "Daddy brought your phone over for you. It's quite boring in the hospital, so I wanted to kill

some time.."

Chapter 480: Don't Go Look for Him

Jiang Lingzhi lowered her eyes and glanced at the phone. She took it casually and sat down on the bed.

Jiang Puqing closed the document in his hand and explained on Lu Yuping's behalf, "What your mother means is that she's afraid that others will gossip about you. After all, it won't be good for a girl to be spread like that by your classmates."

Jiang Lingzhi could not listen to anything now.

Lying on the bed, she turned her back to him, refusing to talk.

Very tired.

She was also very tired and didn't want to talk.

No one would listen to her anyway.

She lay on the bed, the tears at the corner of her eyes rolling into the pillow, dyeing it all over.

Jiang Puqing looked at the small lump on the bed and sighed.

There was nothing he could do to these two people.

They were equally stubborn and refused to give in.

The next morning.

Jiang Puqing had something to do. He left the hospital after informing the nurse.

The nurse walked in from the door and said in a gentle voice, "You still need two bottles of IV drip. You can go home after the drip. Your father said that he should be able to rush over to pick you up before the IV drip."

Jiang Lingzhi nodded absent-mindedly and stretched her arm.

After the injection, the nurse gave her a few more instructions as usual before leaving the ward.

Jiang Lingzhi lowered her eyes. She picked up her phone with the hand that was not injected with the needle. She swiped open the lock screen with one hand and tapped into the chat interface. He looked at the familiar name pinned at the top.

She felt a little uncomfortable.

At this time, they should still be in class.

Jiang Lingzhi put her phone aside and stared at the ceiling. Her eyes were a little swollen for some reason.

Suddenly, a message notification came from his phone.

Jiang Lingzhi turned her gaze over and stared at her phone.

After a long silence, he picked up his phone.

Wen Yujing,[Lingling, does your family know that you're dating?]

Wen Yujing replied, [When I went to the office, I heard Brother Weiwu checking

Big Boss's home phone number. It seemed like he wanted to talk to him.]] Jiang Lingzhi's heart tightened, and she suddenly sat up on the bed." [When?]

Wen Yujing replied very quickly,[It's been a while. I didn't have the time to tell you during class just now. I only have the time to send you a message after class.]]

Because of the movement just now, there was some blood coming back from the place where the needle was inserted.

Transfer schools.

Keep your distance.

She could endure it.

But when she thought of her mother going to Li Shunan and saying those hurtful words to him, she felt that she had to be careful.

Jiang Lingzhi's emotions were a little uncontrollable.

Tears welled up in her eyes, and she could not help but sob.

She removed the needle from the back of her hand, took her phone, put on her slippers, and walked out of the ward.

At this time, her mother might still be at home.

Jiang Lingzhi was still wearing a striped hospital gown. After she left the hospital, she hailed a taxi at the entrance and went straight home.

She returned to her house and opened the door. Lu Yuping and Jiang Puqing were changing their shoes at the entrance.

When they heard the commotion, they turned their heads around at the same time.

When he saw the person at the door, he felt that it was unbelievable.

Zhizhi, why are you back?"

"Why did you come back dressed like this? Didn't you need to be put on a drip?" Jiang Puqing noticed the coagulated blood on the back of her hand. Jiang Lingzhi's eyes were red, and her petite body blocked the door." "Don't go!"

"What?"

Jiang Lingzhi's voice was choked with sobs as she said, "Don't go looking for him!"

After enduring for too long, little by little, small emotions gradually accumulated.

They clearly didn't do anything.

Why didn't she believe him?
