

Little Girl 49

Chapter 49: Revenge

“Wow, look, the school gate is already blocked. There are so many people waiting to watch the show.” The two girls held their phones and chatted fervently.

“What are they talking about?” Wen Yujing glanced at the girl’s direction and was a little curious.

Jiang Lingzhi shook her head and did not care much. don’t know.”

He didn’t want to know.

Wen Yujing had always been the type to be friendly. She pulled Jiang Lingzhi’s arm and moved closer to her. “Classmate, what is it? What were you guys talking about?”

Jiang Lingzhi was speechless.

It was probably because gossiping was very good at closing the distance between them.

The two girls were first-year students, so they didn’t seem to be out of place at all.

She was also chatting enthusiastically with a stranger. “Aiyo, I’m telling you, don’t tell anyone!”

Wen Yujing nodded her head like a chick pecking at rice, ““Yes, yes, I definitely won’t tell anyone!!”

The girl didn’t really care if she told others or not. She shared with her enthusiastically, ““I heard that the people from the neighboring school are now waiting at the entrance of our school!” Wen Yujing opened her mouth wide in an exaggerated manner, ““Really?”

‘Yeah!’ The girl nodded vigorously.

Jiang Lingzhi was speechless.

“Who are you squatting on?” Wen Yujing asked again.

Girl: [You guys still don't know, right?] There was a transfer student in Year

r

Two Class 7. He was not someone to be trifled with. It was probably something he had caused in the past. As soon as he returned, someone wanted to take revenge on him! !”

Wen Yujing was speechless.

Jiang Lingzhi was speechless.

She didn't expect that the person they were talking about was someone she knew.

Wen Yujing's body suddenly stiffened. She glanced at the figure not far behind her guiltily and said, “No, it can't be?”

Seeing that she didn't believe her, the girl emphasized, “It's true. The boss of No. 36 High School is already waiting at the school gate. Someone just sent a photo to the group!”

“Tsk, look at this posture. It's probably not easy to get past it!” “I heard that the transfer student is very handsome!!”

“I just haven't seen him in person. I don't know if the rumors are just exaggerated. ”

Jiang Lingzhi really wanted to tell them that the male lead they were talking about was right behind them.

You can see it when you turn around!

The two new students did not know Jiang Lingzhi. When they glanced at her face, they faintly felt that this girl was too beautiful.

“I won’t talk to you anymore. We’ll take a good place to watch the show!”The two girls were very excited. After saying that, they held hands and ran out of the school gate.

The school gate was right in front of them. From afar, they could see a sea of people outside. It was time for school to end, and the students had not dispersed. It was indeed very lively.

Wen Yujing lowered her voice and whispered into her ear,“What do you think of what they said?”

Jiang Lingzhi was absent-minded, and she was not very enthusiastic.“I don’t think so. It’s none of my business.”

Wen Yujing had a heart that loved to join in the fun. She tugged at her sleeve and said, “Let’s go take a look. We’re already on the way anyway. It sounds like it’s very thrilling. If we really fight later, do you think the school bully will win or lose?”

Jiang Lingzhi thought about it, and she still gave affirmation to the school bully.“Li Shunan wins.”

He was so popular that he could summon hundreds of people at once. The scene should be quite spectacular.

Jiang Lingzhi’s face was expressionless as she imagined a group of teenagers fighting each other in her mind.

Well...

Why was the scene inexplicably beautiful?
