

## Little Girl 491

### Chapter 491: Reporting

Li Shunan applied for Nanjing University, but he didn't choose B University.

When she heard the news, Jiang Lingzhi could not help but roll around on the bed and celebrate for a long time.

Although she didn't know why he gave up on B University, it didn't matter anymore since they were in the same school.

The weather at the beginning of October was still hot and dry.

Bugs kept chirping on the tree. The shadows of the trees were mottled and swayed in the breeze.

He got out of the taxi.

Jiang Lingzhi dragged her big suitcase into the school.

Today was the last day of the holiday. Everyone had probably not returned to school yet, so there were not many people on campus.

Jiang Lingzhi got the counselor to cancel her leave. After going through a series of cumbersome procedures, she dragged her suitcase to the girls 'dormitory under the hot sun.

This was the first short holiday after the military training, and everyone cherished it very much. The girls 'dormitory was empty, with no one around.

Jiang Lingzhi went to the dormitory management office to get the keys, and she carried her luggage to the dormitory.

Unexpectedly, the door was not closed and there was someone inside.

One of them stood at the door while the other sat on the dormitory bed. They stared at each other for a while.

After a long time, the girl finally reacted and asked with uncertainty, "Student, are you from this dormitory?"

Jiang Lingzhi took a step back and looked at the dormitory number. She smiled and said, "Ah, I should be."

The girl finally reacted and hurriedly went over to help her bring her luggage in. "I'm sorry, why are you here so late? I didn't see you during the military training. I thought you went to the wrong place."

Jiang Lingzhi sighed. "Sigh, I have something to do. I took leave from military training."

The girl found it unbelievable. This is the first time I've heard of it."

This girl was quite talkative and didn't look unnatural at all.

She realized that this was her new roommate.

Jiang Lingzhi started chatting with her. "Yes, but it's a little troublesome. Moreover, I lost my military training credits. I have to make up for it from other places."

The girl nodded and suddenly realized something. "Oh right, I haven't introduced myself yet."

She reached out her hand and said seriously, "My name is Shi Lejing." Jiang Lingzhi raised her eyebrows. "Jingjing."

Shi Lejing blinked her eyes. She felt that this beautiful classmate was quite friendly. She had already called her so intimately. "Sure, you can call me that if you want."

Jiang Lingzhi suddenly thought of Wen Yujing.

Both of them had the word 'quiet', and their personalities were the same. They were quite lively.

Jiang Lingzhi smiled and shook her hand. ""Jiang Lingzhi."

The two of them got along quite well and soon became familiar with each other.

Jiang Lingzhi sized up the dormitory." Why are you here so early?" Isn't it a holiday today?"

Shi Le sat quietly on the bed and picked up the potato chips beside him."I'm from another city. My home is quite far from here, so I can't be bothered to go back."

Jiang Lingzhi looked around.

There were four beds in the dormitory, and only the bed near the door was empty.

Jiang Lingzhi pulled the things over." Ah, it's local. This bed is mine?"

Shi Lejing nodded." You're too late. You have no choice.""

"It's okay. It's all the same."

Jiang Ling knew that she was not picky, and she took the blanket that she had just received and laid it out.

Shi Lingjing sat on the bed and watched her busy herself.

A beauty had suddenly appeared, and she had not recovered from her shock. She was very curious about her new roommate and could not help but stare at her back..

Chapter 492: He Had a Scumbag Face

The girl was wearing a simple light gray sports suit. Her black hair was tied into a bun on top of her head. Her cold white skin was really soft and fragile. Her clear deer eyes were bright. When he looked at her just now, he felt that his bones were going limp.

Under the gray sports shorts, her legs were thin and straight, without a trace of excess fat.

Her figure was also amazing.

Damn, this was too beautiful.

How could someone be so good-looking?

Shi Lejing had never thought of herself as a good-looking person.

The moment I see her, I'll be in her

Alright, she admitted it.

"I don't understand." Shi Lejing sighed as she ate potato chips.

After Jiang Lingzhi made the bed, she turned around and met her eyes. She smiled and asked, "What's wrong?"

"You're so beautiful. How can you still go to Nanjing University?" Shi Lingjing said truthfully."

Jiang Lingzhi was speechless.

“Hmm?”

Shi Lejing had a lot to say, so she started chatting with her. “You must have been the school belle or something in the past, right? I’ve never seen anyone more good-looking than you in this school.”

Shi Lejing sighed.”

“With your looks, I think you’ll definitely be more popular than those big stars if you go to any art college. Why are you here at Nanjing University? How many points did you get in?”

Jiang Lingzhi really felt that this Jing Jing was more talkative than the previous Jing Jing.

Jiang Lingzhi answered truthfully, “710. ”” Shi Lejing was speechless.

The dormitory instantly fell silent.

Shi Lingjing finally remembered where she had heard this name before. Ah!” Shi Lejing was a little doubtful of life.” Your second place in South City?” ojbk

Pretend she never said anything.

With such results, why would he enter an art school?!

Shi Lejing sighed again.” I knew this name sounded familiar. Who is he trying to kill?!”

She was good -looking, but she still spoke with her strength.

He didn't want to live anymore.

This year was also strange.

The provincial top scorer and Tanhua had both applied to Nanjing University. Since when did Nanjing University become so popular?

Shi Lejing said with certainty, "The campus belle has already booked this place for you. Definitely."

"..\"After Jiang Lingzhi made the bed, she also sat down to rest for a while. \"Will the other two roommates come over today?\"

\"I think so. After all, I have class tomorrow morning. \"

Shi Lejing sighed again. \"Your Southern City must be a treasure land of Feng Shui, right? Why are you all so good-looking and have good academic results

\"That top scorer of yours, f \* ck, he's too f \* cking handsome.\"

Jiang Lingzhi was speechless.

Jiang Lingzhi's body stiffened slightly. She did not expect to hear his name from someone else's mouth so quickly.

She forgot to speak for a moment.

Shi Lejing looked up at her and suddenly remembered something. \"Oh, right, you weren't there during the military training.\"

\"You're late. You don't know, but during military training, many young girls peeked at him.\"

Jiang Lingzhi was speechless.

What Jiang Lingzhi was thinking was, 'I know! Why don't I know?'

This person had always been so ostentatious.

He had a scumbag face.

Wherever he went, little girls liked him.

Back then, she had chased away quite a few of her love rivals.

Come to think of it, that was two years ago.

Jiang Lingzhi was a little absent-minded. She had not thought of how she would appear in front of him.

After the college entrance examination, they had not seen each other for nearly four months.

She did not even know what kind of relationship they had now..

Chapter 493: Brother Chennan, This Girl Is So Hot!

They hadn't officially confirmed their relationship back then either. They had only reserved seats for each other's boyfriends and girlfriends.

But now, it had been so long.

Sigh...

Jiang Lingzhi was a little worried, and she asked tentatively, "Are there many people chasing him?"

Of course," Shi Lejing said matter-of-factly. "During the military training, I could hear the girls in the dormitory talking about the handsome computer science major every day."

'Who doesn't love handsome guys? It was especially exaggerated. He heard that even the senior schoolmates of the second year had come to join in the fun. They were waiting by the field to bring him water. Could it be that there were no handsome guys in the second year? Really.'

Jiang Lingzhi felt even more aggrieved.

After an afternoon, the two of them became very familiar with each other.

It was comfortable to get along with people who brought their own topics of conversation. She just had to listen.

It was mealtime.

"There's no food in the school cafeteria today. Why don't we go out for a meal?"

Shi Lejing suggested."

Jiang Lingzhi nodded and did not have any objections. "Sure."

The two of them packed up and left the dormitory together.

This area was quite prosperous. There were several universities around. There was a lot of traffic and the neighborhood was very lively.

The business circle was well-equipped.

Xinghai Square was two stops away by subway.

After being here for a month, Shi Lejing was obviously very familiar with this place.

He introduced her to the environment here and the delicious food nearby.

After saying that, she finally reacted. "Oh, right, you're a native of South City. You should be more familiar with it than me. Why should I introduce you?"

Jiang Lingzhi said slowly, "No, I'm not familiar with you. I don't usually come out to play."

Shi Lejing also felt that this girl looked very obedient.

So pure.

Actually, girls didn't necessarily have bad intentions towards girls.

She had no resistance against such a beautiful girl.

How beautiful and pleasing to the eye!

Shi Lejing was happy to protect such a beautiful girl. Such a good-looking girl should be held in the palm of her hand!

She had already regarded Jiang Lingzhi as her dormitory's group pet.

Shi Lejing couldn't help but want to touch her head. "You're too obedient. It's not easy to arouse people's desire to protect you."

Jiang Lingzhi's eyes curved into a smile. "I hope that after we get to know each other, you can still say such things to me again."

Shi Lejing was speechless.

He suddenly felt nervous.

The two of them entered the mall and found a restaurant to eat.

While waiting for the dishes to be served, Shi Lingjing started chatting with her again. "I'm quite familiar with this place. There's a bar nearby that's very popular."

Jiang Lingzhi thought of the bar she had been to before, and she said hesitantly, "Yes, I've been there."

Shi Lejing was shocked. "I just said that you were obedient. I underestimated you."

She continued, "Next time, if there's a chance, the four of us can come out and get together to improve our relationship. I heard that the owner of that bar is very handsome. The rumors are very godly. I don't know if it's true."

Jiang Lingzhi did not have much interest in it, so she laughed it off.

After dinner, the two of them came out of the side door of the mall.

Shi Lejing looked down at her empty palm. "Hey, where's my bag?"

She slapped her forehead. "Look at my brain. I forgot my bag again. Wait for me here. I'll be right down."

Jiang Lingzhi nodded.”

Shi Lejing turned around and entered the mall.

Jiang Lingzhi was waiting at the door.

The sky had gradually darkened after they had just eaten. The colorful neon lights looked very beautiful.

Jiang Lingzhi stood under the street lamp and took out her phone to play.

She lowered her head as a group of people passed by.

It should be a group of men, accompanied by the sound of laughing and joking.

When he walked past her, he heard a faint voice.

Brother Nan, this girl is so hot!”

“Quick, look..”

Chapter 494: Start Over Again

In such a dark night, that person saying such words inexplicably seemed not too serious.

Jiang Lingzhi was holding her phone in her hand. She lowered her eyes, and when she heard this familiar name, her eyelashes trembled slightly.

She didn't think it was such a coincidence.

However, why did these words sound so familiar?

Her eyelashes fluttered slightly as she raised her head to take a look.

At this moment, the lights were on, and all kinds of neon lights were lit up in colorful colors.

The streetlights above cast a dim yellow light.

Six or seven men happened to pass by her.

The moment she raised her head, a hooligan whistle suddenly sounded in front of her. She did not know who made it.

The moment Jiang Lingzhi raised her head, she met a pair of clear eyes.

He was the tallest and stood out in the crowd.

The man's tall and slender figure was wearing a simple white shirt. His hair was short, revealing his eyes. He had peach blossom eyes, a high nose bridge, and a cigarette in his thin lips. He looked a little lazy.

The person beside him patted his shoulder excitedly. "F \* ck, this is amazing.

This girl is so beautiful, Brother Chennan!!"

"Among all the girls I've seen, this one can definitely be ranked in Blue Wave Bay!!"

Jiang Lingzhi's fingers paused for a moment, and she was stunned on the spot as she looked at him foolishly.

She felt that this was some strange metaphysics.

The scene of their first encounter on the bus seemed to be replaying itself.

Why was there always a group of people like this around him?

Even the words they said were exactly the same.

However, the current situation caught her off guard.

This was not how she had imagined the meeting to be.

She thought that they would at least meet again after school started.

Not like now.

She had been busy all day.

She didn't change into a beautiful dress or wash her hair.

She was wearing a simple sports suit and had a messy bun on her head. That was how she met him.

Aaa  
aa  
aa

Can I turn off my phone and start over?

Jiang Lingzhi's heart was a little broken at this moment.

Fortunately , she looked calm and expressionless.

The few of them were still whispering.

"Why don't we have such beautiful girls in our school?"

"It's rare to meet a fairy. Do you want to ask for a phone number?"

"Who's going? Who's going to get a phone number?!"

The few of them were still talking.

In the crowd, someone's phone suddenly rang.

Jiang Lingzhi was still staring at him eagerly.

Li Shunan slowly looked away, his peach blossom eyes half-closed.

The back of his hand was fair, and his well-defined fingers held the cigarette butt by his side. He picked up the phone with his other hand and put it to his ear to answer the call.

"Speak."

The man's voice was low and magnetic, with a hint of hoarseness from smoking.

"Yes, I'm going to the system."

Jiang Lingzhi stared at his well-defined side profile and suddenly realized something.

The youth from back then had already transformed.

He had grown up.

For the past year, she had always been secretly watching him, always keeping a distance from him. She had never felt this way.

They hadn't seen each other for four months.

This feeling suddenly became stronger.

His facial features became clearer, and his edges became more distinct.

There was more masculinity.

Jiang Lingzhi's palms were sweating.

He was thinking about what he should say and what he should say first..

Chapter 495: Waiting for You

-I miss you so much?

I'm 18 years old. I can fall in love.

Do you still like me?

He had yet to come up with the best one.

After answering the call, he stubbed out the cigarette in his hand and flicked it into the trash can by the roadside. Without looking at her again, he walked straight ahead.

The few men behind her did not have time to strike up a conversation and hurriedly followed her.

Brother Nan, why are you walking so fast?"

"Don't. I haven't asked for my goddess 'phone number yet."

Their voices gradually faded away.

Jiang Lingzhi only came back to her senses when she saw them turn into a bar by the roadside.

The words in his mind were instantly disrupted.

He left?

He actually left?

Their reunion after more than a year was actually so short.

Less than a minute?

His attitude was as if he was looking at a stranger. There was no reaction at all.

They did not even say a word.

Jiang Lingzhi felt a mouthful of blood stuck in her throat, and she suddenly felt a strong sense of loss in her heart.

Was he angry?

Did he have a change of heart and not like her anymore?

This was the first time Jiang Lingzhi felt so at a loss.

Shi Lejing quickly returned with her bag and patted her shoulder. "What are you thinking about? Why are you daydreaming by the roadside?"

Jiang Lingzhi came back to her senses.

Shi Lejing looked up and saw the bar not far away. She pointed it out to her.

There, the bar I mentioned is right there. I'm waiting for you. I heard that the boss was very handsome. Let's go together next time."

Jiang Lingzhi looked in the direction she was pointing at.

The bar she was referring to was the bar that Li Shunan and his group had entered.

She really wanted to say, why don't we go now?

Jiang Lingzhi lowered her head to look at herself.

She was too ugly now.

She really didn't want to appear in front of him like this.

Shi Lejing did not notice the abnormality of the woman. "Let's go back to school."

Jiang Lingzhi came back to her senses and put her phone back into her pocket.

"Yes."

This time doesn't count. Start again.

Tomorrow, she would definitely be ready tomorrow.

The two of them walked towards the subway station unhurriedly.

Not long after the two of them left.

The entrance of the Waiting for You bar was suddenly in a mess.

A drunk man was thrown out.

"Why can't I spend money to drink and look at beautiful women?" The man swayed drunkenly. What right do you have to stop me from entering?" "You dare to cause trouble here? You're quite bold."

Sun Yan led a group of people to block the way. "This is a proper bar. Do you believe I won't chop off your claws if you flirt with a waiter?"

A girl in a waitress uniform stood at the side with red eyes.

The drunk man was still cursing. "Can't I even touch you when you're dressed like this?"

“You’re only letting me see, not touching?”

“I have money!” The drunk man was drunk. So what if he touched her? At most,  
I’ll pay!”

“As long as you have money?”

A lazy and magnetic voice suddenly sounded from the side.

It was cold and distant, but it also carried an uncontrollable arrogance.

“Then how much is one of your hands? I’ll buy it.”

Li Shunan had his hands in his pockets and a cigarette between his thin lips. He spoke vaguely and narrowed his eyes, giving off a dangerous aura. His gaze fell on the drunk man’s hand.

“Any one is fine. I’m not picky.” Li Shunan looked down and lowered his voice.

His lips curved into a cold smile. “Help him get a knife..”

Chapter 496: Fire Her Tomorrow

Someone beside him immediately started to move.”

Realizing that he was serious, the drunk man sobered up a little.

He had more or less heard about the owner of this bar.

A young man who was not even twenty years old opened a bar in such a place. Without some background and capital, he could not open it.

It was just that he hadn't seen his main body around recently, so he was a little unrestrained.

This person seemed to have a good temper, but in fact, he did not seem to be afraid of anything.

Such a person was not to be trifled with.

Moreover, he had made it sound so casual that he was going to chop off his hand. Suddenly, he felt a chill on his wrist.

The man instantly cowered and cursed, "What's so great about it? Do you think I've never seen a woman before?"

"A killjoy." The drunk man turned to leave while cursing.

Did he leave just like that?"

Li Shunan snorted lightly. His slender fingers held the cigarette butt and he blew out a smoke ring."Pay for the wine and the mental damage."

Someone immediately came over to settle the score for him.

The drunk man choked and did not dare to make a sound. He obediently paid

the Dill.

Sun Yan walked over and hooked his arm around his shoulder. "Brother Nan, this guy is too annoying. He's been here for a few days and he's been touching me every day."

"You still have to come out personally."

"Brother Yan, the bill is ready."

Sun Yan nodded. "Get him out of here. Don't let him in again."

"By the way, where's your roommate?" he asked Li Shunan. "I saw them just now."

His roommates had already found a table and sat down.

"Oh, it's over there."

Just as the two of them were about to walk over, a girl in a waiter's uniform ran over.

"Thank you, boss, for helping me just now."

It was the girl who had been molested just now.

The girl's expression was a little shy as she stared at Li Shunan.

Li Shunan held the cigarette butt between his fingers and shook off the ashes gently. His eyes were tired and he didn't even lift his eyelids.

Sun Yan knew his personality and spoke on his behalf, "I'm not helping you."

He's the boss, so of course he has to show up. It's a small problem."

The girl bit her lower lip and said unwillingly, ""Thank you."

The two of them ignored her and walked past her to her roommate's table.

Three roommates and three people from another dormitory.

Seeing them walk over, Chen Wenjie asked, "Are you alright? Did that person drink too much?"

Sun Yan pulled out a chair and sat down." It's a small problem. He's just a drunkard. He's acting crazy. ""

Chu Yang: " That girl is also quite pitiful. She's quite pretty, but she was molested. She must feel terrible."

Sun Yan did not do well in the college entrance examination and was not cut out for studying. He dropped out of school and prepared to go out to work.

Coincidentally, his Brother Nan opened a bar, so he asked him to take care of it.

Sun Yan stayed here every day and had seen through everything. "That little girl probably has some feelings for Brother Chennan. The skirt has been shortened.

The skirt of our bar waiter is not that short."

The three straight science students couldn't believe it.

How could there be such an operation?

Li Shunan looked up and leaned back lazily. He said in a casual tone, ""Can't find him?"

Sun Yan had already expected this outcome. "Alright, I understand. I'll fire her tomorrow."

The three roommates sighed.

Chen Wenjie shook his head and sighed. "You don't know how to be gentle with women.. She's a pretty girl, yet you just quit?"

Chapter 497: The Agreed Time Has Arrived

"You guys don't understand," Sun Yan said in an experienced tone. "There are people who have to be kind to women."

He Wang was still thinking about his goddess. "If you want to talk about beauty, it's still the girl I met just now."

The others all agreed.

"Right, right, right. That girl just now was amazing."

"She's definitely the most beautiful girl I've ever seen."

Sun Yan had been in the bar the whole time and did not see the girl they were talking about. "What girl?"

Chen Wenjie rushed to speak. "When we came over just now, we saw a girl by the roadside. I don't know if she added a night filter. She's so pure and beautiful. She looks so white that she glows in the dark."

"That leg, it's absolutely awesome!"

He Wang sighed, "It's a pity that I didn't have time to get the number."

Li Shunan leaned against the back of the chair in a simple posture. His peach blossom eyes were half-closed. He took a puff of his cigarette, and smoke leaked out from his thin lips.

No one knew what he was thinking about.

"That's because you haven't seen the world." Sun Yan sneered disdainfully.

He stretched out a finger and shook it contemptuously. "After meeting my goddess, you won't say such things."

He Wang expressed his curiosity. "Who is your goddess?" "Could it be Teacher Gang?"

The few perverted straight men laughed in tacit understanding.

Sun Yan pointed at him. "Wang Cai, get out of my way. You're allowed to insult my goddess, our Nan Sao."

"Get lost. Don't call me Wang Cai. That's a dog's name!"

"What? Aunt Nan?" He Wang suddenly reacted. "Boss has a girlfriend?" The three straight men were shocked again.

Chen Wenjie: "I've never heard of it. F\*ck, the girls in our school must be heartbroken."

"What are you guys so excited about?" Chu Yang was puzzled. "We should be happy. This means that we have another chance."

"Sigh, that's true."

“Boss is already taken, our chance is here!!”

Li Shunan lowered his eyes. The smoke lingered on his fingertips, but he didn't smoke anymore. He was playing with a silver lighter in his hand.

They were still talking.

However, he did not hear a single word.

The girl's appearance just now appeared in his mind.

She was wearing a simple sports suit, revealing her thin and straight legs. Her black hair was a little messy on her head, and she looked a little lazy.

He inexplicably thought of that evening.

The little girl had fallen asleep on his sofa. She also looked lazy. Her hair was slightly messy, but she had a different kind of charm. However, it had obviously grown a little longer now.

He was no longer that childish appearance.

However, her eyes were still as bright and clear as ever, seductive yet unaware.

She was always staring at him with her wet eyes.

Li Shunan's Adam's apple bobbed slowly. His peach blossom eyes were half-closed. He put out the cigarette butt in the ashtray and stood up.

The others stared at him in confusion.

“What’s wrong?”

“I have something to do. I’ll leave first.” After saying this in a relaxed tone, he turned around and left.

“What’s going on?” Sun Yan was confused. Did he really come to save the situation and leave after saving the situation?”

Li Shunan came out of the bar.

When they returned to the place they were at earlier, the girl had already disappeared.

He licked the corner of his lips and walked over unhurriedly.

He stopped under the street lamp where the girl had stopped just now.

The man leaned against the street lamp and took a cigarette out of the cigarette box. He bit it in his mouth and tilted his head to light it.

At this time, there were quite a number of girls dressed fashionably and sexily walking by the roadside. They couldn’t help but turn around to look at him with uncontrollable excitement.

Li Shunan didn’t even bat an eyelid. He tilted his head and chuckled.

The appointed time was about to arrive.

There were still ten days left..

Chapter 498: Half Boyfriend

When Jiang Lingzhi and Shi Lejing returned to the dormitory.

The lights in the dormitory were still on. The other two roommates had already returned and were chatting inside.

When they saw someone push the door open and enter, the voices inside instantly stopped.

" You're back." " Let's get to know each other. This is our new roommate. She took leave from military training and only arrived this afternoon.""

The two of them also felt that it was quite magical.

Everyone in the dormitory got to know each other.

Soon, they became familiar with each other.

One of the girls was called Meng Junyao, and the other was called Nie Ying.

In this dormitory, Jiang Lingzhi and Nie Ying were locals of South City. The other two were from other places who came to South City to study at university.

That night, after the lights in the dormitory were turned off, the few little girls lay on their beds and chatted together.

The three of them had been in the same dormitory for more than a month. They had established a friendship during the military training and were quite familiar with each other.

Jiang Lingzhi listened to them talk most of the time. Occasionally, when her name was called, she would say a few words.

Girls' conversations were nothing more than that.

In order to get to know each other better, they started talking about boyfriends.

Shi Lejing was the first to bring up the topic. "By the way, do you have a boyfriend?"

After a moment of silence.

"Yes," Nie Ying was the first to speak.

Shi Lejing blinked. Ah, there was? So, you broke up?"

Nie Ying: " He didn't get into Nanjing University and went to study in another city. I didn't like being in a different place, so we broke up." "Why are you so calm?" Shi Lejing asked in disbelief."

"Then I've already broken up. What else can I do? Do you want to die?"

"That's true." "I know Yaoyao just got rid of her single status a few days ago. Where's Lingling?"

Jiang Lingzhi's thoughts were a little drifting, but she was also listening to them. She keenly heard the time difference in their words. "A few days ago?"

"Yeah, during military training, a boy pursued Yaoyao. She only agreed a few days ago."

"Which one?" Nie Ying was still confused." "The sports student, the one who gives Yaoyao milk tea every day." "Oh, that." Nie Ying suddenly understood."

Meng Junyao said, "The one you mentioned has already broken up."

There was a long silence.

“This, so fast?”

“How many days has it been?”

“So you’re not in a relationship now?” Nie Ying asked.”

‘ No,” Meng Junyao said.” He’s a rich second-generation heir. They confirmed their relationship yesterday.”” Shi Lejing was speechless.

Nie Ying was speechless.

Jiang Lingzhi was speechless.

Shi Lejing held it in for a long time before she finally said, “You’re really awesome.”

This was the true seamless connection.

Meng Junyao didn’t care at all and asked,””Lingling is so pretty, she must have a bunch of ex-boyfriends, right?”

Jiang Lingzhi was silent for a moment.”

Nie Ying agreed with Meng Junyao.” It would be a pity if you don’t fall in love with someone like you.””  
“If I had your face, I would change boyfriends every day.”

Jiang Lingzhi was ” ”

“You really haven’t had a boyfriend before?” Shi Lejing asked in surprise.”

Jiang Ling knew that it was a little difficult to explain in a few words. She hesitated and said, “I had a half-boyfriend.”

Shi Lejing was speechless.

Meng Junyao was speechless.

Nie Ying was speechless.

What did he mean?

Shi Lingjing hugged the quilt and said, “Hey, don’t scare people. Do you want to tell ghost stories at night?”

“Half a boyfriend? How is that half?” Is there no top or bottom?”

Jiang Lingzhi was speechless..

Chapter 499: He Is a Scumbag from the Poles

Jiang Lingzhi explained, “What I mean is that I don’t have a formal relationship with him. I don’t know if we are a couple.”

“Oh, you scared me. I thought you were going to talk about some supernatural event.”

Jiang Lingzhi felt herself.

They talked about loneliness.

As they talked, her future boyfriend was gone.

He didn't even know what their relationship was.

Sigh...

"Is this guy from your previous school?" Shi Kejing asked."

"Yes."

"Is he handsome?" Nie Ying asked again.

Jiang Lingzhi answered with certainty, "Handsome.""

"Are you still in contact?""

There was a long silence.

Jiang Lingzhi replied a little gloomily, "No. "That's probably the end." Shi Lingjing concluded."

"My condolences," she added."

Jiang Lingzhi was speechless.

Shi Lejing: " Then this one of yours is at most an ambiguous partner. There's no confirmed relationship. Isn't this acting like a hooligan?""

Nie Ying agreed." This is a scumbag. Ling Ling, you're so beautiful. Don't be fooled by a scumbag.""

Jiang Lingzhi was speechless.

Jiang Lingzhi could not help but defend him. "He's not a scumbag. He's a very good person."

"Although he looks like him, he really isn't."

He already looked like a scumbag, yet he still wasn't?

Shi Lejing sighed. "You're a woman blinded by love. You're so good. Find another one."

As a love expert, Meng Junyao had been through a lot. She helped her analyze the situation. "Is he deliberately keeping you in suspense?"

"This is the usual technique of a scumbag. He'll hang you on one side and have a girlfriend on the other. You're the legendary spare tire."

"Don't scare me. Are the standards of a spare tire so high now?" Then wouldn't I not even be qualified to be a spare tire?!"

Jiang Lingzhi was speechless.

"Let's not talk anymore. Let's go to sleep." Jiang Lingzhi turned around and planned to sleep.

The girls finally had enough of chatting.

"Sleep, sleep."

"I still have classes tomorrow."

The dormitory quickly quieted down.

Jiang Lingzhi blinked her eyes and stared at the mottled light on the ceiling. She could not fall asleep.

What a mess.

After being analyzed by them, Jiang Lingzhi felt even more confused.

However, the only thing he could be sure of was this.

He was definitely not a scumbag.

She liked him. She had only liked him since she was young.

In the future, she would not like anyone else.

She had to get him back.

After waking up in the morning.

After Jiang Lingzhi finished washing up, she started to rummage through her luggage.

Her movements were as light as possible, but the other three roommates still woke up very quickly.

“Lingling, it’s so early in the morning. What are you doing?”

Jiang Lingzhi pulled out a pile of clothes and spread them out on the bed. She did not even raise her head. “I’m choosing the clothes I’m going to wear today.” She planned to meet him by chance today.

She hadn’t spoken to him for a long time. Today’s goal was to talk to him.

Shi Lejing: " You can wear whatever you want. With your looks, you can go out with a sack. ""

Jiang Lingzhi frowned. That's too sloppy, that's not like a beggar."

Shi Lejing lay on the bed and tried her best to open her eyes.".. I'm just saying. I didn't really ask you to wear a gunny sack."

"I mean, you can wear whatever you want."

Jiang Lingzhi still chose a dress after a long time..

Chapter 500: she was Going To Hit on Her!

It was an apricot colored fairy dress with red crescent moon embroidery.

It was too suitable for a romantic campus encounter!

Jiang Lingzhi walked out the door confidently.

Jiang Lingzhi and Shi Lejing had the same class schedule.

After the two of them left the dormitory, they went to the cafeteria to have breakfast and prepared to go to the classroom.

Along the way, he successfully obtained a 100% head-turning rate.

It was only after Jiang Lingzhi walked into the classroom that she suddenly remembered.

Li Shunan majored in computer science, while she majored in economics. They were not in the same area at all.

Jiang Lingzhi collapsed on the table.

Shi Lejing looked at her in confusion. "What's wrong with you?"

"I want to die."

Shi Lejing was speechless.

Jiang Lingzhi stood up and could not help but ask, "Which building is the computer science department in?"

Shi Lejing thought for a moment and said, "I think it's Tianyi Building, Building

Jiang Lingzhi sighed again.

Sure, they were thousands of miles apart.

The probability of a chance encounter was less than 5%.

"Why are you asking about the computer science department? Where are you going?"

Shi Lejing: "I heard that the club is recruiting new members this afternoon. It's over there. Do you want to go?"

Jiang Lingzhi's eyes lit up. She sat up straight and nodded. "Go!"

As long as there was a chance, she would go!

They had been in military training for the past month. Now that the new students were officially in class, the seniors of various clubs were actively recruiting new students.

A small path in the forest beside the sports field was filled with tents. The club was recruiting new members.

As the two of them walked, they were stuffed with countless recruitment posters.

Shi Lejing was dazzled by the choices and did not know which one to choose. "Which one do you want to choose?"

After Jiang Lingzhi was traumatized by the basketball club in high school, she actually did not really want to join a club.

However, when she was flipping through the posters, she accidentally saw the poster of the dance club.

She decided to join a club.

After leaving his name and phone number, he waited to be notified of the time for the interview.

Shi Lejing did not have any dance background, so she did not follow the wind and sign up for the same thing as her.

She was still hesitating between the drama club and the yoga club.

Jiang Lingzhi looked at the time and decided to try her luck. "Jingjing, I have something to do. Take your time to think about it." "Let's meet at the library later, shall we?" Shi Lejing nodded.

"Alright."

Jiang Lingzhi squeezed out of the crowd with difficulty and planned to try her luck near the seventh building.

Almost every club's shed was crowded with people, but there were a few clubs that were exceptions.

One of them was the Flute and Xiao Music Society.

It was not because of anything else.

There were already many girls watching, but they did not dare to get close.

It was noon and the sun was high in the sky.

The shade of the parasol trees fell from above, and a breeze blew past, easing the heat.

The man was sitting in the shadows under the shed.

He was wearing a clean white shirt and had a well-defined side profile.

Between his thin lips was a cigarette butt that was burning with a scarlet light. When the ashes were about to fall, he freed his hand and flicked the cigarette butt.

He stretched his long legs willfully, and the cigarette butt between his fingers was hanging by his side. He leaned lazily against the back of the chair, holding his phone in his hand, and his head was lowered as he played a game.

The man's appearance was too outstanding. Even if he sat there without moving, he was particularly attractive.

A girl beside him mustered up her courage to ask.

He did not even raise his head. His well-defined fingers tapped on the table beside him and his voice was cold and distant." Name and phone number. Wait for notification."

Jiang Lingzhi was still immersed in the excitement of meeting him by chance and could not extricate herself.

When he saw the name of the club, he was suddenly puzzled.

Flute music, flute music society.

Why was he in such a club? Jiang Lingzhi came back to her senses.

ok

None of this mattered.

More importantly, she was going to strike up a conversation with him!
