

Little Girl 51

Chapter 51: Do You Want Money or My Heart?

Under everyone's bewildered gaze, this transfer student finally spoke.

Li Shunan lowered his eyes, his handsome face expressionless. He said in a low voice, "Little Ji, get up and talk."

Jiang Lingzhi was speechless.

Little Chick, what an outstanding name.

Jiang Lingzhi was standing not too far away, but not too close either. She was standing on the side of the street five meters away.

Li Shunan seemed to have noticed her gaze and turned his face around to find her.

Their gazes met.

Jiang Lingzhi stared at him expressionlessly.

His eyes were looking at a classmate who had already broken off relations with him.

That's right, we're no longer friends.

She did not know if it was her imagination.

Not far away, Li Shunan sighed softly.

There was a hint of helplessness in his eyes.

The school bully Little Chick finally finished expressing his longing. He stood up and introduced to the underlings behind him, "This is my grandfather. You have to show some respect!"

The lackeys didn't dare to have any objections. They looked at Li Shunan and said in unison, "Hello, Grandpa!"

Li Shunan was speechless.

Everyone was speechless.

Qi Liangji was finally satisfied. He patted his shoulder like a good brother and said, "Let's go, Brother Nan. Let's have a drink to welcome you."

Only then did Jiang Lingzhi notice that there were a few familiar faces in the crowd.

The blonde youth and the rebellious youth from No.1 Middle School, Zhao Zifu.

The teenagers were finally gathered.

Sun Yan punched the little school bully. "Brother Chennan has already been back for a week."

Qi Liangji didn't care. He announced, "That's you guys. I wasn't here last time, so it doesn't count. I'll pick you up again today!"

Zhao Zifu glanced at Li Shunan and asked, "Brother Nan?"

Li Shunan then looked away unhurriedly. His face was expressionless as he replied lightly, "Let's go." Qi Liangji raised his chin proudly. "See?"

Sun Yan rolled his eyes.”

Just as he was about to lift his leg, he caught a glimpse of a figure not far away from the corner of his eye and froze.

Sun Yan’s gaze was fixed on Jiang Lingzhi, and his expression became pleasantly surprised.””Hey, isn’t that the one from that day, that, that...”

Jiang Lingzhi was speechless.

Jiang Lingzhi almost knew what he was going to say.

The liar girl from that day.

Was her image fixed just like that?

Help!

Sun Sanhuo ran over, his yellow hair very eye-catching. “Sister, do you still remember me? I didn’t find that opportunity last time. I have time, really...”

“Our Brother Nan isn’t easy to fool. He’s very cunning. I’m different. I’m stupid and rich. I’m willing to be deceived by you!” After saying that, he took out his phone and stared at her sincerely.”Shall we add each other on WeChat?”

Jiang Lingzhi was speechless.

Jiang Lingzhi subconsciously glanced behind him, and her eyes met with his light brown pupils silently.

“I didn’t bring my phone.””“

Actually, she had brought her cell phone with her, but it was an old phone and did not have the function of WeChat. The other cell phone would only be used during the holidays.

“My phone number is fine too. I can give you money or my heart!” Sun Sanhuo’s deep affection was tinged with a hint of chuunibyou.

Jiang Lingzhi hesitated for a moment, but she did not have the time to say anything.

Li Shunan slowly walked over from behind him, his voice lazy and unhurried. “Sun Sanhuo, who allowed you to harass the table in front of me?”
