

Little Girl 52

Chapter 52: Brother Chennan Was Enlightened

When he said this, Li Shunan's eyes were fixed on Jiang Lingzhi. His beautiful peach blossom eyes were narrow, gentle, and affectionate.

Sun Yan still hadn't reacted, "What slut?" Disturb? What front table? What?" "What did you say?" he asked.!"

"The front table? Are you classmates? F * ck, that's really fate. Then I have to leave my number." Sun Yan stared at Jiang Lingzhi expectantly. His phone was already on the dialing interface, and he was waiting for her to report the number. "What's the number?"

Jiang Lingzhi was speechless.

Jiang Lingzhi glanced at Li Shunan, who was beside him, and lowered her eyes to think.

Then, she raised her head and opened her red lips slightly. She reported a string of numbers without stopping in one breath. She spoke very quickly.

"F * Ck. F * Ck." She gave him the number too suddenly, and Sun Yan pressed it in a hurry. He didn't hear the last few numbers clearly. "What, what are the last four?"

He didn't wait for him to ask clearly.

Sun Sanhuo's throat had already been strangled by someone. It was Zhao Zifu who was getting impatient,""Sun Sanhuo, I advise you to be a human. Why do you hit on everyone?"

"Who said that?" Sun Yan shouted. Is the person I hit on a human?"

Jiang Lingzhi:

I was offended. Thank you.

After a long breath, Sun Yan continued, ""The person I hit on was clearly a fairy!"

Zhao Zifu was speechless for a moment before he finally spat out two words," ...

Silly. Pfft."

Sun Sanhuo was still dragged away mercilessly.

Jiang Lingzhi knew that there was only one person left in front of her.

The man was standing right in front of her. His tall and straight figure almost covered the light above her head. His facial features were well-defined, and his eyes were indifferent and tired, but there was no lack of gentleness.

"Why did you tell him your number?" He suddenly opened his mouth, his voice was slightly magnetic and deep.

"Ah..." Jiang Lingzhi blinked and said honestly, ""Isn't he your friend? I'm not doing this for your sake. Moreover, I read it so quickly that he probably didn't remember it."

After all, she was his friend, so she couldn't reject him too cruelly. That was why she was more tactful.

Li Shunan was wearing a white shirt, clean and tired. He looked down at her and said thoughtfully, ""I can add you on WeChat if I remember it?"

Jiang Lingzhi was stunned. Ah?"

What kind of question was this?

Okay.” Li Shunan nodded. He was about to turn around and leave when he suddenly stopped.

Under the girl’s puzzled gaze.

He took another step forward, bent down, and whispered into her ear, ”Remember to accept the friend request when you get back.”

His deep and magnetic voice brushed past her ears, and Jiang Lingzhi’s ears felt a little itchy for some reason.

Jiang Lingzhi was stunned for a moment, and she did not react.

Someone was already shouting from the other side.” Brother Chennan, have you had enough? If you’re done, go eat. I’m hungry.”

Qi Liangji put his arms around his brothers’ shoulders and sighed, ”Brother

Chennan, are you flirting with girls? I’ll go!”

”It’s definitely a Lifetime series. Brother Chennan has been enlightened!”

Sun Yan rolled his eyes and racked his brain to think of the last four numbers. ”What? We’re classmates, but you’re the only one with impure thoughts!”

”Brother Chennan must be helping me ask for the last four numbers. I’m so touched ! ”

As soon as he finished speaking, Li Shunan had already walked over. His tall and straight figure passed by him and walked directly in the other direction. Sun Yan held his phone and walked beside him, staring at him expectantly.

Li Shunan turned his head and glanced at him..
