

Little Girl 55

Chapter 55: Children, Don 't Stay Up Late

It had been four hours since he sent the friend request.

There was still no reply.

Tsk, was the little girl lying to him again?

However, she had just heard about that childhood sweetheart again.

Year three?

What was it called again?

Su Xi resigned.

Li Shunan smiled and pursed his thin lips. He took a clean towel from the cabinet and walked into the bathroom.

When he came out of the bathroom, he was wearing a clean white shirt and black trousers. His black hair was still dripping with water after he had just washed it. He pressed the towel on his head with one hand.

He picked up his phone and took a look. The WeChat interface was clean and there was no reply to the friend request he sent.

He smiled.

Little liar.

Just as he was about to put down his phone, a soft ring came from his phone.

Li Shunan's fingers paused for a moment, and he swiped open the phone screen to take a look.

"I've accepted your verification request. We can start chatting now. "

Li Shunan raised his eyebrows slightly. He opened the window and sent a message.

– Still awake?

In the end, the little girl acted as if she did not see it and did not reply.

It had only been a few seconds. Was the little girl pretending to be asleep?

Hence, he sent another message over.

As expected, after seeing this message, she exploded.

[What do you mean by pretending to sleep? I just finished my homework! Unlike you, the Junior High School Sophomores, you don't even know what homework is, right?!]

Li Shunan tilted his head and couldn't help but laugh out loud when he saw the boy from the '20' group.

After a while, the message was withdrawn.

He sat down on the edge of the bed with a towel around his neck and started typing.[Tsk, it's so hard.]

When she saw the new message, Jiang Lingzhi was stunned for a few seconds.

It was so tiring.

What was so hard?

It was baffling.

Then, she suddenly thought of the message she had withdrawn.

So, he had seen the message that she had withdrawn?!

Despair.

She scolded the big boss?

What kind of courage was this?

Jiang Lingzhi was about to turn off her phone and play dead.

Another message came in on his phone: [I thought you were going back on your word and didn't want to add me after so long.] Jiang Lingzhi was speechless.

She did have this idea and even wanted to blacklist him!

But of course, he couldn't say that!

Jiang Lingzhi took the opportunity to remedy the situation, [How can that be? I'm so generous. I always keep my word!]

Li Shunan,[Is he really that generous?]

Lingzhi Qianqian: [Of course!]

NO!

Jiang Lingzhi stared at the phone screen expressionlessly.

Li Shunan asked,[Then should we reconsider breaking off our friendship?]] Jiang Lingzhi was speechless.

This time, after a while, the other party sent another message: [I wasn't awake at that time and didn't react. It's not that I'm ignoring you.] She could feel his deep helplessness through the screen.

Jiang Lingzhi blinked and stared at the message a few times.

It's not that I'm ignoring you..

Was he trying to explain?

Actually, Jiang Lingzhi was not really angry. It was just that she had tried her best to persuade him for a long time, but he did not reply to her at all. She blurted out the word " sever ties "

Thinking about it, it was still a little childish.

She didn't expect him to come here to explain. She didn't know how to reply.

So Jiang Lingzhi replied with three words,[I'm sleepy.]]

Li Shunan was speechless.

This was the first time he explained to someone, and he got such a reply.

Li Shunan licked his lips and laughed helplessly again. [Alright, good night then. Children shouldn't stay up late. It's unhealthy.]

Jiang Lingzhi read the message a few times to confirm that she did not see wrongly.

She made it sound like she was very old. Wasn't she only two years older than her?

Even Ah Ci didn't care about her!
