

Little Girl 58

Chapter 58: Hello, New Deskmate

Wang Kang raised his head and saw the big boss standing next to him. His imposing manner immediately dissipated. His body trembled and he turned around silently.

He thought to himself, You can't see me, you can't see me

Jiang Lingzhi was stunned for a second. She obviously did not expect this school bully to come to school so early.

Then, she looked up and met his light brown pupils. Her eyes curved. "Hello, new deskmate."

Li Shunan was standing beside the desk, looking a little tired, as if he hadn't woken up yet.

Obviously, he had not realized why this little Lingzhi was sitting in his seat.

Jiang Lingzhi did not give him any time to react. She stood up and made way for him. She reminded him in a friendly manner, "Now, your seat is inside."

Li Shunan's face was expressionless. He lowered his head and stared at her expressionlessly. He stood there for two seconds.

The classroom fell silent again.

Everyone's eyes were focused on that corner.

Someone whispered "If * Ck. F * ck, is the big boss going to be angry?! "His seat was changed just like that. He must be holding back his anger now!" "It's over, it's over...The school belle is going to be beaten up!"

After all, a true big shot would not allow others to challenge his authority like this!

The atmosphere in the classroom instantly tensed up.

Two seconds passed.

Li Shunan let out an " ah " and looked away. Then he pulled his bag down with one hand and sat in the seat.

Everyone was speechless.

Why was it different from what he had imagined?

Jiang Lingzhi sat down in her seat.

Li Shunan leaned against the back of the chair and rested for a while. He couldn't help but turn his face to look at the girl's side profile.

When Jiang Lingzhi turned her head around, she met his eyes. She was a little puzzled. "Deskmate, why are you looking at me?"

Li Shunan frowned. He reached out his arm and took out a bottle of mineral water from his bag. He opened the cap and took a sip. His Adam's apple bobbed. It was deadly sexy.

He tightened the bottle cap and asked calmly, "When did you change seats?"

Jiang Lingzhi blinked."

Li Shunan was speechless.

"Why? Are you not satisfied?" Jiang Lingzhi smiled at him.

As long as he dared to say the word 'unsatisfied', he would break off all ties with him on the spot.

'No.' Li Shunan finally accepted this fact. He leaned back and casually stuffed the mineral water back into the drawer. "It's, it's pretty good."

Jiang Lingzhi was satisfied. She stared at his half-lowered eyelashes for a while, and the corners of her lips could not help but curl up.

This boss 'reaction was a little too funny.

She opened her English book and started reading the words.

After the morning reading class, Brother Weiwu's class was next.

He had always been proactive. Usually, he would enter the classroom two minutes before the bell rang.

The students were still playing around, and Jiang Lingzhi took out her physics book to prepare for her lessons.

She realized that sitting in this seat was really too quiet.

The new deskmate was addicted to sleeping and couldn't extricate himself. He just sat there and didn't do anything. His deterrence was still there, and he had his own cold aura.

No one came to talk to her anymore!

Even the guys from before didn't dare to play around in this area anymore. They were afraid that they would disturb the big boss's sleep and be mercilessly slapped to death on the wall.

Jiang Lingzhi felt that such a day was her ideal learning state!

It was perfect!
