

## Little Girl 60

Chapter 60: Then I'll Let You Hit Me

"Still angry?" he suddenly said.

Jiang Lingzhi was stunned and stared at him.

What did he mean?

"This child has quite a temper." Li Shunan sighed and moved his face closer to her. He lowered his voice. "Then I'll let you hit me?"

Jiang Lingzhi: Ah?"

Did the school bully sleep for too long and water entered his brain? Why did he make such a request?

Should she hit him or not?

Jiang Lingzhi stared at that handsome face and was a little hesitant.

He silently calculated the consequences of this slap in his heart.

Li Shunan stared at her for a while and sighed. He said in a low voice, "I'll treat you to lunch at noon and let this matter go, okay?"

This matter?

What matter?

Jiang Lingzhi blinked her eyes, and she finally reacted.

Did he think that she was still angry about what happened yesterday?

How could she be so petty?

However, eating...

Jiang Lingzhi stared at him expectantly. "What do you want to eat?"

Because she wanted to talk to him, the girl leaned slightly towards him.

A faint aura lingered in the air.

Li Shunan smelled the faint fragrance of fruits on her body again.

Every time she got close, the air seemed to be filled with a faint sweetness.

Li Shunan curled his lips and leaned against the wall. He looked at her calmly and asked, "What do you want to eat?"

This question stumped Jiang Lingzhi.

To be honest, she forgot to bring money today.

However, his meal card was hers anyway. It would be a waste not to eat her own meal card!

Jiang Lingzhi bit the cap of her pen and racked her brains to think about what delicious food was in the cafeteria.

Li Shunan glanced at the girl's long eyelashes and suggested unhurriedly, "Let's eat outside. You can eat whatever you want."

Jiang Lingzhi was stunned. "Outside?"

She had never eaten outside the school before.

Jiang Lingzhi pondered for a while before nodding in agreement. "Alright!"

The two of them were so engrossed in their discussion that they completely ignored Brother Weiwu who was on the podium.

The classroom was silent.

When she came back to her senses, she realized that all her classmates were looking in their direction.

What was going on?

Jiang Lingzhi was a little puzzled.

The entire classroom was silent.

"Then can the new student tell me the answer to this question? Since we've been so engrossed in the discussion, there should be a result." Brother Weiwu stood on the podium and spoke slowly while suppressing his anger.

Jiang Lingzhi was speechless.

were they caught talking in class by the teacher?

It wasn't easy!

In her lifetime, she would be caught by the teacher for gossiping in class!!

Jiang Lingzhi quietly turned her head and glanced at Li Shunan beside her.

What to do?

Li Shunan raised his eyebrows when he saw the girl's pleading eyes. He leaned back and stood up slowly.

His figure was tall and straight, and he still had that lazy tone. "Teacher, I don't have a test paper. Can't I look at it with my deskmate?"

This paper was taken by them last week.

The new students had only reported this week, so they naturally did not have any test papers.

However, the transfer student was very strange.

He was clearly very polite and would even say thank you when talking to others. He was completely different from the typical non-mainstream school bully.

However, for some reason, she could hear a little arrogance in his words.

Hao Weiwu choked and nodded. "You can look at the same test paper as your deskmate, but you still have to pay attention during class. For example, do you know which question I'm talking about now? You don't even know where I'm going..."
