

Little Girl 61

Chapter 61: Are You Going to Sleep Again?

Li Shunan glanced at the blackboard, raised his chin slightly, and said unhurriedly, "... When x is equal to $2/L$, EK reaches the maximum, and x is equal to $1/2at1/2$... Tl equals... The answer is $0.014s$."

He spoke at a moderate pace, giving off a calm and unhurried air, as if he was in control of the situation.

Just like now.

Even Jiang Lingzhi did not know where Brother Weiwu was going.

He opened his mouth and gave a series of answers.

A drop of sweat slid down Jiang Lingzhi's forehead. He couldn't be talking nonsense, right?

But...

After he gave his answer, the classroom fell silent.

Even Brother Weiwu was speechless.

Hao Weiwu's forehead twitched.

He was a little annoyed when he saw them chatting so happily just now.

Forget about Jiang Lingzhi. She often scored full marks in her exams, so he did not say anything.

However, this new student did not give him any face at all!

Although others said that this was a troublesome student, he didn't believe it, so he wanted to take the opportunity to establish his authority.

Unexpectedly...

Hao Weiwu was silent for two seconds. He cleared his throat and said, "So, the new student is still very outstanding. Sit down. In the future, when you're in class, you should still listen to the teacher. Alright, let's continue reading..."

Everyone immediately looked at him in admiration.

Tsk, tsk, tsk!

Big boss is so awesome, even Brother Weiwu is eating turtle here!

Worship!

Li Shunan lowered his eyes and sat down casually.

Jiang Lingzhi leaned over and looked ahead. She asked softly, "How do you

know where he was going?"

Wasn't he talking to her just now? Why was he listening to the teacher's lecture?!

Li Shunan looked up. The girl turned her face sideways, and he could see the tip of her nose. He casually said, "I guessed."

Jiang Lingzhi:

Jiang Lingzhi turned her head around and stared at him blankly.

How did you guess this? Tell me, there are so many questions on the test paper, how did you just happen to guess this question?!

Li Shunan seemed to have sensed her thoughts and raised his chin. "Didn't he write half of the formula on the blackboard?"

Jiang Lingzhi was speechless.

The blackboard was densely packed with a pile of formulas.

Alright, this was a bit of a test of eyesight.

Jiang Lingzhi felt that something was wrong. "Then how do you know the answer?"

Li Shunan stared at her for a while with a playful look in his eyes. He raised his hand and knocked on her test paper twice. "Didn't you write it here?"

Jiang Lingzhi lowered her head to look at the test paper. The place where his finger was on was the question that the teacher had mentioned just now. What he said just now was exactly the same as what he wrote.

Oh, that's true.

However, when did he look at her test paper?

Jiang Ling only understood half of it. She raised her hand and placed the test paper between the two of them. "Let's watch it together."

Li Shunan sat down and stared at the girl's test paper. The number of full marks was very eye-catching.

Tsk, this little deskmate is very outstanding.

He leaned back in a lazy manner, his hands supporting his head, looking tired and exhausted.

Jiang Lingzhi looked at him and asked softly, "Are you going to sleep again?"

' Yes." Li Shunan looked up at her and replied unhurriedly, "What's wrong?"

Jiang Lingzhi nodded." Then you should sleep. Old Ban probably won't order you to sleep again. He won't allow himself to fall in the same place twice.."

Chapter 62: Going a Little Deeper

Li Shunan couldn't help but laugh. "You know him quite well?"

Jiang Lingzhi blinked her eyes." You'll understand after a long time. "

Li Shunan didn't say anything and nodded slowly. When he spoke again, his voice was a little hoarse."Will you understand after a long time?"

Did Jiang Ling know why he was so conflicted about this?"That's right. Isn't getting along with a person slowly accumulating over time?"

Li Shunan's lips curled up, and his tone was unclear."Then can you let me know about my deskmate?"

Li Shunan stared at her. His eyes were very focused, and there was an unknown playfulness in them.

Jiang Lingzhi counted with her fingers."Come to think of it, we've already met so many times. I thought you knew me."

Li Shunan moved closer to her and lowered his voice slightly, hinting, "I'm talking about something deeper."

After saying that, he looked down at her reaction.

He had thought that the girl would be shy and angry.

Who knew that Jiang Lingzhi would stare at him and nod her head in realization. "Sure!"

Li Shunan raised his eyebrows, surprised by her reaction.

"Don't worry!" Jiang Lingzhi patted his shoulder, and her gaze was very pure. "I've made you my friend. If you have anything you don't understand in the future, you can ask me!"

Li Shunan was speechless.

Did she think that he meant to be friends with her?

Li Shunan chuckled silently and felt that he was a little inhuman.

Alright then.

After all, his little deskmate was only a sixteen-year-old girl.

He actually told a child a color joke. That was too much. Did Jiang Ling know why her deskmate was mumbling, "What are you laughing

' No." Li Yinan sighed.".. That's right, trapped in the past.

Jiang Lingzhi nodded." Oh, then go ahead and sleep. I won't disturb you."

Li Shunan stared at her for a while.

He really couldn't do anything to her.

Perhaps it was because Jiang Linzhi's words had comforted him, but the school bully fell asleep without any psychological burden.

Moreover, he slept for two classes.

After the last class in the morning, the teacher packed up the teaching materials and walked out of the classroom.

The school bully was still in a deep sleep. Jiang Lingzhi had once suspected that he was possessed by Sleeping Beauty.

Jiang Lingzhi tidied up the books on her desk. Wen Yujing had already walked around the classroom and ran to her desk. "Lingling, are you going to eat? Don't tell me you're going to lose weight today!?"

Because there was a big shot beside her, Wen Yujing did not dare to speak too loudly.

However, when Jiang Lingzhi heard the words 'lose weight', she still felt a little guilty.

She was just spouting nonsense yesterday. She wasn't really on a diet.

Jiang Lingzhi stuffed the book into the drawer. "I'm going to eat, but I'm going to eat outside school today."

"Outside school?" Wen Yujing hesitated for a moment.

After Jiang Lingzhi put away the book, she poked the person beside her twice as if it was a matter of course. "Classmate Li, class is over."

Seeing her actions, Wen Yujing was dumbfounded.

Sister Ling was too bold. She actually dared to provoke the big boss!

Wen Yujing hurriedly tugged at her and said angrily, "Why did you call him? Be careful that the big boss will wake up in a bad mood and beat you to tears!"

Jiang Lingzhi was confused. Ask him to eat, or else?"

"Dinner?" Wen Yujing suspected that she had heard wrongly.!"

Just as Wen Yujing shouted, the big shot who was still sleeping in the seat beside her moved!

Chapter 63: Beat Who Up

Just as Wen Yujing shouted, the big shot lying on the seat beside her moved!

He moved his arms unhurriedly and sat up straight. His posture was lazy and undisciplined. He had just woken up and said in a slightly hoarse voice, "Beat who to tears?"

Wen Yujing was speechless.

Wen Yujing couldn't help but shiver and silently shrunk her neck. "That, that...I-I-I, my deskmate is still waiting for me. Lingling, I'm going to the cafeteria first. Let's talk when we have time!"

It's not her fault for being a coward

The only thing to blame was that the boss's aura was too strong. When he peeked there, it was like a high-powered air conditioner.

Wen Yujing disappeared from the classroom door at lightning speed.

Looking at that person's back, the big shot next to him frowned in confusion and asked in confusion, "What happened to your classmate?"

"..”Jiang Lingzhi was speechless. What should she say to him so that she would not hurt the young heart of the school bully?

Classmate Jing Jing was probably afraid of being beaten to tears.

The two of them walked out of the school gate and walked 50 meters across the street to a food alley.

As soon as they walked into the alley, they could smell the fragrance.

There were all kinds of snacks, such as spicy hotpot and chicken skewers.

Jiang Lingzhi did not feel that she was hungry at first, but after she smelled the food, she suddenly realized that she was really hungry!

Li Shunan put his hands in his pockets and looked down at her.” What do you want to eat?

They walked in a circle. Jiang Lingzhi hesitated between the two shops. “I want to eat, but I also want to eat skewers.”

“But it's mealtime now. Won't you be hungry if you eat skewers?”Jiang Lingzhi was too conflicted.

Li Shunan curled his lips and tilted his head slightly. He looked tired and relaxed.”Let's eat first today. I'll bring you to eat skewers next time.”

Jiang Lingzhi did not realize that something was wrong. She nodded and said, "Alright!"

Li Shunan smiled.

There was a convenience store nearby. He looked up and walked in.

Jiang Lingzhi followed closely behind him.

Li Shunan glanced at the girl beside him. "What do you want to drink?" Jiang Lingzhi looked at the freezer.

Li Shunan narrowed his eyes. He didn't open the fridge but took a bottle of peach-flavored Vitality Forest from the shelf and put it in her arms. "Let's do this."

Jiang Lingzhi took it blankly and looked at the words on it. "Vitality Forest. Drinks?"

Li Shunan glanced at her and said in a lazy and casual sugar, you won't gain weight. Don't worry."

Jiang Lingzhi was speechless.

Why did he emphasize that he would not gain weight?

After he said that, she started to doubt herself. Was she a little fat?

Jiang Lingzhi lowered her head to look at her arm. She felt that it was alright. She did not gain weight.

Then, her fingers that were holding the drink paused slightly. She thought what Wen Yujing had shouted just now.

Did he hear it?

“You’re quite good like this.” He said lightly from the side.

Jiang Lingzhi was stunned for a moment before she raised her head to look at him.””.. What’s good?”

Li Shunan opened the fridge and took out a bottle of mineral water. He glanced at her and said casually, ””Not fat, just right.”

Jiang Lingzhi suddenly choked.

So, he really heard it.

However, this student was a little considerate. He even bought her a sugar-free drink.

It was a little subversive of her understanding.

In her impression, school bullies were all fierce and evil. They did all kinds of evil things and bullied girls for fun to attract their attention.

He was too different..

Chapter 64: I’ll Try It Next Time

They went to a pot rice restaurant today.

It was lunchtime, so there weren’t many empty seats. As far as the eye could see, all the students were wearing school uniforms.

Fortunately, after they entered, a table of people left, and the table was empty.

Jiang Lingzhi sat down at the empty table.

After Li Shunan ordered, he walked over and sat down opposite her. He placed a number tag on the table.

Jiang Lingzhi noticed that when he went to order just now, many girls secretly raised their phones to take pictures of him.

However, the girls' movements were very subtle, afraid that he would notice them. He could vaguely hear a few words like "so handsome" coming out of their mouths.

This person was really too ostentatious.

Indeed, this person's appearance was too superior. His figure was slender and tall, and his eyebrows were unusually clear. He wore a clean white shirt, and his every move carried a noble aura. He did not look like a person from a small alley at all.

Li Shunan leaned back in his chair in a simple posture. He looked up and glanced at the drink that she had left untouched on the table. He reached out and opened the cap for her before putting it back.

Jiang Lingzhi felt that this person was not scary at all.

What a considerate school bully!

Jiang Lingzhi picked up the drink that he had just opened for her and took a sip. It was a peach-flavored soda with bubbles. It was quite delicious.

She put the soda aside and deliberated for a moment before saying, "Student Li, don't you feel that they seem to be very afraid of you?"

Li Shunan looked up lazily and casually. "Who is it?"

Jiang Lingzhi thought for a moment. "Just those people in the class and those people in the school."

Every time someone passed by him, they would take a detour.

How scared was he?

And just now, he said something that scared Jing Jing away.

"Then why aren't you afraid of me?" Li Shunan found it funny. "Probably because..." Jiang Lingzhi frowned and thought for a moment.

"I care about my classmates. When my classmates are in trouble, I will help them immediately!"

Li Shunan raised his eyebrows and said unhurriedly, "Then you're really kind."

"Of course!" Jiang Lingzhi blinked her eyes. Her black eyes were as clear as crystal. "Then can I interview you?"

After saying that, she closed the lid and raised the bottle to him. "This student, they all say that you're black. Boss, if you don't agree, you'll press me. How do you feel when you're beaten up on the wall?"

Li Shunan was speechless.

Black. Boss?

Press. Beat him up on the wall?

Li Shunan licked the corner of his lips helplessly. He put his elbow on the table and moved closer to the bottle. He looked up at her with an unknown playfulness in his eyes. "Feelings? This is a more vivid way of saying it."

' For example, a certain little liar. Not only did she step on me on the bus, but she also asked me to buy her cotton candy. She owed me money and refused to return it. She even borrowed my house's faucet to wash her hands and asked me to send her home...

Jiang Lingzhi was speechless.

Do you have to remember everything so clearly?

As she talked about these things one by one, she felt that this black... Boss's temper was a little too good.

You are worthy of your black. Is this your boss's name?

"However, how about pressing it against the wall and beating it up?" Li Shunan stared at her meaningfully for a while, then his gaze fell on her red lips." "I'll try next time.."

Chapter 65: A Little Too Close

Jiang Lingzhi was shocked.

Don't be like this. Did I teach you anything?

Jiang Lingzhi took the drink back and said seriously," "Student Li, how can you have such thoughts? It's wrong to hit someone. You should treat your classmates as warmly as spring!"

"Especially my deskmate!" she added. "

Li Shunan crossed his arms and leaned against the wall. He stared at her with a faint smile. "Then come over and tell me how you want me to warm you up." His voice was gentle and low, and it always carried some unknown hint.

Jiang Lingzhi was speechless.

Why did these words sound a little wrong?

Jiang Lingzhi felt that she might have been thinking wrongly. The school bully looked so serious!

Jiang Lingzhi looked at him sincerely. "Well, you're doing quite well now. Continue to maintain it."

Li Shunan stared at the girl for two seconds and suddenly smiled. "Alright, I'll continue to maintain it."

Because there were many people in line, pot rice was finally served after waiting for a full 20 minutes.

Jiang Ling didn't know if it was because she had been hungry for a long time, or if this restaurant was too outstanding. It was simply too delicious!

There was a little rice crust at the bottom of the pot, and the taste of the pot rice juice was also very rich. With one bite, there were vegetables and meat. It was simply a blissful feeling.

It made one's index finger open wide.

When they came out of the shop after dinner, Jiang Lingzhi was full of praise. "This pot rice is too delicious. I'll try another flavor next time."

Li Shunan walked next to her with his hands in his pockets. He looked at the girl's satisfied expression and smiled. "There's a lot of delicious food nearby. There's a barbecue restaurant. I can bring you there next time."

Jiang Lingzhi's eyes curved.

There were many people at noon. Not only were there students, but people from the residential buildings nearby would also eat here.

When they passed by a shop, a group of people happened to walk out.

The crowd suddenly surged out, and it was inevitable that it was a little chaotic. When someone passed by, they accidentally bumped into Jiang Lingzhi.

Jiang Lingzhi lost her balance for a moment, and she staggered, and her back crashed into Li Shunan's arms.

The weather was still a little hot at the end of summer.

Even a layer of school uniform couldn't block the scorching body temperature.

Li Shunan's body stiffened and he subconsciously raised his hand to help her up. His big palm happened to be on her waist.

The alley was noisy, and the girl's aura was close at hand.

The distance was a little too close.

It was so close that if he lowered his head slightly, his jawline would touch her hair.

After straightening her up, he withdrew his hand and said in a low voice, "Be careful."

There was no other meaning.

The group of people chatted and laughed as they left, not realizing that they had bumped into someone.

Jiang Lingzhi steadied herself before she turned around to look at him. She took a deep breath and said, ""Thank you."

After thanking her, she took two steps forward. She didn't dare to stay here any longer to avoid obstructing the passage of others.

When they came out of the alley, it was finally not as crowded.

The two of them stood by the roadside waiting for the traffic light.

The situation was sudden just now, and Jiang Lingzhi heaved a sigh of relief. She looked at him with a smile, and her eyes were very bright."There are too many people here. Fortunately, you were here just now. Otherwise, I would have fallen very badly."

Li Shunan stared at her, his light brown pupils calm.

The little girl was also looking up at him.

Her eyes were in the shape of beautiful almonds, her skin was clear and cold white, and her facial features were unusually exquisite. Her red lips were slightly red, and her lips were very beautiful.

Even her school uniform couldn't hide her graceful figure.

He subconsciously held his palm, and the touch from before still lingered in his palm.

It was so soft that he couldn't even hold it.

The girl's waist was a little too thin.

Li Shunan swallowed and looked away. "Yes."

Chapter 66: He Isn't Mine

The afternoon passed quickly.

The last class was politics, and the teacher who loved to drag the class out the most.

Usually, he would feel uncomfortable if he did not drag it out for 20 minutes.

Today, he did not disappoint. Twenty-two minutes later, he finally dismissed the class.

The classroom was filled with wails.

After dragging on for so long, there was nothing good left in the canteen. The students no longer had the thought of rushing to the canteen.

The teacher left the classroom, and everyone packed their things slowly.

After school, the classroom was very noisy.

Jiang Lingzhi picked up her bag and glanced at the school bully beside her.

After returning from lunch, he slept for the entire afternoon. She wondered if he had gone to steal mines at night. How could he sleep so much?!

Jiang Lingzhi originally planned to call out to him.

However, when she thought of his good friends and followers who would probably come to call him later, she retracted her hand.

It was better not to be a busybody.

Jiang Lingzhi picked up her school bag and walked out of the teaching building with Wen Yujing.

As Wen Yujing walked forward, she couldn't help but look back a few times. She didn't know what she was looking at.

Jiang Lingzhi looked at her curiously."What are you doing?"

"I'm looking at the school bully," Wen Yujing said mysteriously. "I don't know if

I'll be on the way today."

After a while, she saw that slender figure walking out of the teaching building.

The boy still looked tired and sleepy. He was wearing a white shirt and black trousers. He looked elegant and noble, like a character who had walked out of a poster. He had his hands in his pocket and was walking slowly.

Wen Yujing went over to Jiang Lingzhi."Look, look, why does Big Boss follow you after school every day? It's too strange!"

Big shot?

Jiang Lingzhi turned around to take a look. As expected, she saw her handsome deskmate.

However, she was surprised that his good friends were not with him.

Jiang Lingzhi retracted her gaze."Didn't I tell you? It's on the way."

"But, are you sure that we can pass through the road every day?" Wen Yujing felt strange.

Jiang Lingzhi was a little speechless." Have you forgotten that we are in the same class?" If the class ended at the same time, wouldn't they go the same

She looked around and saw that four or five of them were her classmates.

"I still find it a little strange." Wen Yujing muttered softly.

However, she didn't dwell on it for long because gossipers always had the latest topic waiting for her the next second. "Right, Lingling, I haven't seen your Ah Ci for a long time."

Jiang Lingzhi was speechless for a while again." "Let me remind you again, he is not from my family."

Jiang Lingzhi's expression was very calm. " Moreover, his third year of high school is different from ours."

The third year of high school usually ended half an hour later than the first and second year of high school. If they lived on campus, it would be even more different.

"Tsk!" Wen Yujing sighed and said, "I still remember that he used to wait for you at the classroom door in Year One."

Did Jiang Ling know what she was sighing about?" "Because we're neighbors. Isn't it normal for us to go home together?"

Wen Yujing sighed. They were childhood sweethearts. Just thinking about it made her feel wonderful.

The key was that the two of them looked especially compatible when they stood together!

At this moment, the small scale of the couple in her heart began to tilt.

Should she stand in Jiangxi or Jiangnan?

It was really a headache.

Unexpectedly, speak of the devil.

Just as she said this, Wen Yujing nudged her arm and pointed forward..””Look, your Ah Ci!”

Chapter 67: Idiot

Jiang Lingzhi looked up and looked in the direction that Wen Yujing was pointing at.

The young man looked about eighteen or nineteen years old. He was not wearing a school uniform. He was wearing a white hoodie, ripped jeans, and white earphones. He was leaning against the entrance of No.1 Middle School.

He tilted his head and put his hoodie on his head, covering his slightly messy black hair. His thin lips were pursed tightly, and his facial features were well-defined, giving him a youthful look.

The boy was holding a cell phone in his hand. He lowered his eyes and was typing on it.

The girls who passed by pointed at him with red faces.

Wen Yujing said softly,” He’s so handsome. Look at those little girls. They’re not calm anymore. But he’s so cold. He doesn’t even raise his head...”

“However, in comparison, I still think that the transfer student is more handsome. No one can compare the aura of a boss that has settled down after experiencing hardships! ”

Wen Yujing winked at her.””Hehe, although I still favor Jiangnan a little more, it doesn’t affect your relationship.”

Jiang Lingzhi was speechless.

"I'm leaving. Tell me in detail tomorrow!" Wen Yujing smiled as she bumped her shoulder and waved at her.

Jiang Lingzhi ignored her nonsense. After she said goodbye to her, she carried her bag and walked over to the boy. "Why are you here?"

Su Xici was typing on her phone when she heard her words. She looked away from the screen and glanced at her with her dark eyes. "Waiting for you."

"Wait for me?" Jiang Lingzhi did not understand.

The two of them lived in the same villa area and grew up together.

They had been in the same elementary school ever since they started school. Later on, they had been in the same junior high school and had been admitted to the same high school.

According to Wen Yujing's way of speaking, she was also the childhood sweetheart she was talking about.

Jiang Lingzhi felt that what childhood sweethearts were they talking about?

rney sounaea so poeuc.

To her, he was clearly a pig that only knew how to love and kill each other.

Jiang Lingzhi suddenly remembered something. "Aren't you staying on campus?!"

Su Sici tapped twice on her phone, then stood up straight and threw her phone into her pocket. "'1 don't want to live on campus for the last year."

Jiang Lingzhi nodded.”

Su Xici looked down at her.” Your mother said that your driver, Uncle Chen, is retiring. He’s going home to focus on taking care of his grandson. He won’t be able to find a driver anytime soon. He asked me to give you a ride home.”“

Jiang Lingzhi puffed up her cheeks.

He could not help but sigh in his heart.

Uncle Chen had finally retired, and now he had another mobile surveillance camera.

‘Why? Are you unhappy?’ Su Xici looked at her expression and narrowed her eyes. She could tell her emotions at a glance.

Jiang Lingzhi pursed her lips and muttered softly, “‘I just feel that she always treats me like a child. It’s not like I can’t go home by myself.”

“You are.”

Jiang Lingzhi was speechless.

Jiang Lingzhi pursed her red lips and raised her eyes to glare at him. Her eyes were filled with dissatisfaction.

The corners of Su Sici’s lips curled up, and her eyes were filled with arrogance.

She raised her hand and rubbed her head with her large palm.”Idiot.” This action was extremely natural.

After messing up the girl’s hair, he even put his hand on her shoulder.

Just as he was about to reply to the message.

In the next second, she suddenly realized that something was wrong. Su Xici's sharp senses told her that someone was staring in her direction.

He had always been very sensitive to the gaze of others. Moreover, this gaze was especially strong..

Chapter 68: That Was My Deskmate

Su Sici looked up and looked in that direction. She happened to meet a pair of light brown eyes.

The man stood five meters away with his hands in his pockets. He had a pair of gentle eyes, but they seemed to hide a chill.

Su Sici did not know this person.

With such an outstanding face, there was no reason for him not to remember if the two of them had a disagreement.

However, he could clearly feel the hostility in that person's eyes.

His eyes seemed to be staring at...

Su Sici's gaze followed his gaze down.

His hand?

Su Xici had never been afraid of anyone in her life. She pursed her lips and looked straight into his eyes.

His dark eyes were filled with a strong sense of provocation.

Li Shunan met the man's gaze, but there was no emotion in his eyes.

The tall boy stood in the school with his hands in his pockets. He was staring in that direction from a distance.

Li Shunan was indeed unhappy.

He didn't know why he was unhappy.

He saw that person ruffling his deskmate's hair, but his deskmate still looked as if she was used to it.

He was inexplicably unhappy. So, this was the legendary school hunk?

childhood sweethearts?

After Zhao Zifu came out of the classroom, he first went to the classroom of Class 7, but he didn't see Brother Nan.

When he was about to go home with his lackeys, he saw Brother Nan's back from afar.

It was like a pine tree, straight and upright, especially outstanding.

He was wearing a white shirt with his sleeves rolled up, revealing a slim forearm. He looked noble and elegant, and his aura was overbearing.

Zhao Zifu walked over and very naturally put his hand on his shoulder." "Brother Chennan, what are you doing here? Waiting for me?" She noticed that Li Shunan was staring straight ahead.

He looked in that direction and happened to see Jiang Lingzhi and Su Xici walking out of First Middle School.

Zhao Zifu clicked his tongue, and his eyes revealed some disdain. "What did I say? The relationship between these two is indeed not ordinary." Actually, he did not have any feelings for Jiang Ling.

However, he and Su Xici had some conflicts and almost fought.

Therefore, he did not have a good impression of him. He even inexplicably disliked the people around him.

It was to the extent that every time he saw Jiang Lingzhi, he would have an unknown prejudice against her.

After saying that, he glanced at Li Shunan again and finally noticed that the pressure around him seemed to be a little low.

When he realized something, his heart suddenly skipped a beat.

This gaze?

Why does it seem like he wants to hit someone?

"Brother Chennan, it's not a big deal. It's just the front table. It's not a big deal. It has nothing to do with us, right?" Zhao Zifu laughed.

Li Shunan turned his head slowly and said in a deep voice, ""Not the front table."

"Huh?" Zhao Zifu was stunned.

"That's my deskmate." Li Shunan's magnetic voice was not slow.

Zhao Zifu was speechless.

What was going on?

Wasn't he sitting in front yesterday?

How did they become deskmates after a day?

' No.' Zhao Zifu didn't understand."So what if they are deskmates? Don't tell me you really like her?"

Li Shunan's eyes darkened. He retracted his gaze, and his emotions were slightly restrained. He pursed his lips and walked straight ahead.

Looking at the slender figure in front of him, his entire body was surrounded by an aura that kept strangers away.

Zhao Zifu could not help but curse.

No way!

What the hell was going on?

Chapter 69: Is My Deskmate More Beautiful Or Am I More Beautiful?

As she walked out of the school gate, Jiang Lingzhi turned her head to look at Su Xici."Will your chauffeur pick you up?"

Su Xici frowned slightly, still wondering why that person had been so hostile towards him.

When he heard her voice, he came back to his senses."No, is the bus okay?"

Jiang Lingzhi nodded.”

“Do you know that boy just now?” Su Sici suddenly asked.

Jiang Lingzhi blinked her eyes. She did not understand who he was talking about. “Which boy?”

“The one behind, the tall one...” After pausing for a moment, Su Xici snorted and continued reluctantly, “The one who looks a little handsome.”

Although he didn’t want to admit it, that guy was indeed quite good-looking. It was an extremely eye-catching existence.

Jiang Lingzhi was a little confused by what he said. She turned her head back to take a look, and she happened to see the troublesome student, Zhao Zifu, putting his hand on that person’s shoulder.

He was tall and a little handsome.

Jiang Ling knew who he was referring to.

It wasn't easy.

This big brother actually admitted that someone else was a little handsome?

That meant that he was really very handsome.

Because in his eyes, no one was handsome except himself.

Everyone else is ugly

Jiang Lingzhi’s lips twitched.” That’s my deskmate.’”

“Deskmate?” Su Xici revealed a meaningful expression.

Jiang Lingzhi felt that it was very magical. Do you know him too?”

Su Sici’s face was expressionless as she raised her chin. “I don’t know him.” However, he could roughly understand the hostility of that person.

Jiang Lingzhi felt that he was acting a little weird, but she did not know the reason. She did not ask him anything and walked towards the bus stop with the boy.

As they talked, they walked slowly.

Before she could take two steps, two people walked past her.

Zhao Zi and Li Shunan.

The two boys were both very tall and had long arms and legs. Although their movements were not fast, they were much faster than them.

The boy in the white shirt was tall and slender. From his back, one could see that he was arrogant and loose. Beside him, a young man with a buzz cut was putting his arm around his shoulder, looking like a good brother.

Jiang Lingzhi stared at the back of the boy for a while. She felt that her deskmate was not in a good mood.

“Is it that good looking?” A boy’s clear and magnetic voice came from the side.

Jiang Lingzhi came back to her senses and turned her head sideways to look at him. “What?”

“Staring at your deskmate without blinking, is she that good-looking? Where does my status as the school hunk go?” Su Xici stared at her with dissatisfaction.

Jiang Lingzhi pursed her lips and walked forward without saying a word. “What else can I do?”

Su Xici tugged at her ponytail, bent down slightly, and asked her with a meaningful gaze, “Then tell me, is your deskmate better looking or am I better looking?”

Why was she still like a kindergarten child, who liked to compare her looks with others?!

Jiang Lingzhi looked straight ahead and muttered softly, “I’ve never seen anyone who likes to humiliate themselves so much.”

Su Xici was so angry that she laughed. She pinched her cheek and narrowed her eyes. “What did you say? Say it again!”

Jiang Lingzhi’s cheeks puffed up from his pinching, and she said in a muffled voice, “I said..”

Su Xici stared at her, waiting for her to admit her mistake.

Jiang Lingzhi raised her eyes and glared at him. She threw out two words, “You’re ugly.”

Su Xici was speechless..

Chapter 70: Do Men Have Their Menses Too?

The next day was Friday.

After the second period of Chinese, the third period was History.

However, the history teacher had something to do in the morning, so the first physical education class in the afternoon was changed.

After receiving the notice, the students left one after another.

His deskmate was still the same as the previous two days. He began to sleep as soon as he arrived at the classroom, as if this was his natural bed.

He didn't say a word.

But for some reason, Jiang Lingzhi felt that there was something wrong with her deskmate today.

Actually, she couldn't tell what was wrong.

It was probably because the way he looked at her seemed to have become deeper for some reason. It was obvious that he was not as gentle as he was yesterday.

When she talked to him, the sense of alienation seemed to have increased a lot. She could not reply for a long time.

Just like now.

The teacher asked the students to gather on the field.

According to normal development, they had already eaten a meal together.

After Jiang Lingzhi put away the book, she deliberately waited for him by her seat for a while.

However, Li Shunan stood up from his seat. He was lazy and tired. His light brown eyes glanced at her lightly, and his lips were very straight. With both hands in his pockets, his tall and slender figure walked past her, leaving Jiang Lingzhi alone.

Jiang Lingzhi felt that this was really too strange.

Did men get their period too? Why were their moods so unstable?

Wen Yujing had already come to her desk and stared at her for a long time. "Let's go, Sister Ling. Everyone has left. What are you still thinking about?"

Jiang Lingzhi lowered her eyes and was still wondering what was going on with her deskmate.

Upon hearing this, he nodded slowly and walked towards the changing room with Wen Yujing, preparing to change into his sportswear.

Wen Yujing was as talkative as ever, and her mouth never stopped. "This is the bad thing about No. 1 Middle School. They're just like the aristocratic schools and have little skirts and school uniforms. They have to change clothes every time they have physical education class. It's so troublesome. At this time, I'm starting to envy No. 36 Middle School next door."

Jiang Lingzhi was still immersed in her own world. She tried to recall what had happened yesterday.

She shouldn't have lost her memory, right? Why did the school bully seem to have changed into a different person overnight?

So, after school yesterday, she felt that her deskmate was not in a good mood. Was that not her own illusion? "What do you think, Ling?"

Jiang Lingzhi finally reacted. What?"

Wen Yujing stared at her helplessly and repeated the question she asked earlier, "Do you like the school uniform now, or do you like the one from No.

36 High School next door?"

Jiang Lingzhi sighed and replied casually, ""Just like them. It's more convenient to exercise."

Wen Yujing also agreed." I think so too. Besides, it's still inconvenient to wear a dress. After all, we're all in puberty now. You don't know how boring some boys are."

"He even goes to pick up girls 'dresses. Some time ago, I heard that a boy even peeked at the bottom of her skirt with a mirror. Don't you think it's disgusting?"

Jiang Lingzhi nodded absentmindedly." "It's really boring."

After changing her clothes, she arrived at the field. The students in the class had already gathered.

The PE teacher whistled and said in a lively voice," "What's going on, students? Look at how listless you are.. Let's run, let's run, let's not talk much, let's run three laps first!"
