

Little Girl 71

Chapter 71: I'm Still Young

The field was instantly filled with wails.

As the students complained, they began to run around the field with heavy steps.

Wen Yujings cultural studies were considered average, but her physical education was not bad. At this moment, she felt that it was a little too much and could not help but complain, "Three laps as soon as he came. The PE teacher is a little too ruthless. Is he on his period?"

Jiang Lingzhi had the same thought as her, and she ran forward slowly with her. ""Classmate Jingjing, will a man get his period when he's on the verge of going to the world?"

Wen Yujing looked at her with a smile, ""Student Lingling, don't you know? Every month, there would be a few days where men would feel down and need someone to comfort them.'

"After all, they might look powerful on the surface, but they might have a little princess living in their hearts!"

"Is that so?" Jiang Lingzhi was deep in thought.

Wen Yuiing nodded."

Seeing that they were getting further and further away from the team, Wen Yujing decided to speed up."Sister Ling, I'll be going first. I'll wait for you in front."

After saying that, he gradually accelerated and chased after the main group.

Jiang Lingzhi was well-rounded in all aspects. She was a combat student among outstanding students.

Other than being a little bad at sports, there were basically no other problems.

But this was actually quite fatal.

After running around the field, Jiang Lingzhi felt like he was about to collapse.

Especially when she saw that the students who had started their third lap had already passed by her. She had only started her second lap, and she felt a little helpless.

Wen Yujing ran to her side again and slowed down. "Lingling, what's wrong with you? Are you still running the first lap?"

Jiang Lingzhi almost spat out a mouthful of blood. "The second lap is starting.

I'm about to run the third lap!"

This was too much. How could he question her like this?!

Wen Yujing jogged beside her and suggested hesitantly, "You're so pitiful. Look at your little face. Why don't you hide behind me and pretend that you're running the third round with me?"

Actually, she was just casually mentioning it.

According to Jiang Lingzhi's stubborn personality, she had to rely on her own abilities for everything. How could she possibly cheat?

It was absolutely impossible!

Who knew that Jiang Lingzhi's eyes would light up. "Really? Can I?" Wen Yujing was speechless.

Wen Yujing choked on her words for a long time before she finally spoke, ""What's wrong with you? You weren't like this in the past. I thought that you would refuse to listen to me and be upright. You would definitely not cheat!"

Jiang Lingzhi was weak. She looked at her faintly, and there was still sweat on her forehead."Are you kidding me? Is my life more important or my principles more important? I'm still young."

Just as he said this, a chuckle suddenly came from behind him.

The sound was so soft that it almost made people think that they were hallucinating.

Jiang Lingzhi was stunned for a moment. She turned her head slightly and happened to see a white figure passing by her.

His tall and slender figure carried a faint smell of mint and tobacco.

Such a flashy back.

Wasn't it her deskmate, the school bully?

Before she could react, she saw the school bully slow down and walk to the side to rest.

He had already finished the third round.

Jiang Lingzhi was speechless.

This was too much of a bully.

Besides, did she hear wrongly just now?

Did her deskmate laugh at her just now?!

He would either ignore her or mock her out of the blue. Who wasn't a little princess with a little temper!

Chapter 72: Physical Strength Really Can 't Keep Up

In order to Save her face, Jiang Lingzhi still ran the third lap With determination. She definitely could not let others 100k down on her!

However, after running three laps, he was almost half-dead.

Under the shade of a tree beside the field, Jiang Lingzhi leaned on wen yujing's shoulder. Her face was already a little pale.

Wen Yujing could not help but Ling, you really have to train harder. I couldn't even move you just now!"

"How can a person be perfect? I'm already so outstanding. Can't I have some Lingzhi was extremely tired, and she hummed softly.

As soon as she said this, Wen Jadejing, who was a talkative person, was rendered speechless by her.

Indeed, what he said made sense. You're the beauty, So be it.

He hadn't even rested for five minutes.

The PE teacher looked at the time and started whistling again."Have you rested enough? After resting enough, they came over to line up. One by one, they couldn't do it after running three laps. Why was their stamina so poor?!"

Jiang Ling Imew that she was too desperate. She sighed, stood up straight, and dragged her heavy footsteps to line up.

The physical education teacher was giving instructions on the field. "Now, the boys are in a row, and the girls are in a row."

The boys and girls lined up separately, and the lines were quickly formed. She did not know what he was up to again.

The physical education teacher instructed the boys to turn left and the girls to turn right."

The boys and girls were arranged in staggered rows.

There were more girls than boys in Class 7. After they turned around, the boys and girls stood face to face.

In this way, there were a few more girls.

She didn't know if it was fate that couldn't be stopped, but Jiang Ling knew that the person opposite her was the school bully who was at the end of the line.

After running three rounds, the boy still looked nonchalant. He was less lazy and tired, but more energetic.

He didn't look tired at all.

Li Shunan stood a meter away from her and looked up at her.

The girl had changed into a set of sportswear, short-sleeved shirt, and shorts, revealing her jade-like arms and slender legs.

Her skin was too white, as if she had not seen the sun for many years. At this moment, under the sunlight, her skin was almost transparent. With her thin arms and legs, it was obvious that she was weak

No wonder he looked so tired after running one round.

His stamina was indeed not enough.

The slim -fit sweatshirt made her shoulders look even thinner.

He felt like he would faint in the next second

Li Shunan's gaze fell on the girl's waist. He paused for two seconds before he slowly looked away.

The PE teacher adjusted his formation and quickly said, "Just now, I saw a few boys running. They were even worse than the girls. There were also a few students who simply slacked off!"

The performance of the girls is much better than you guys, especially Student Jiang Lingzhi. She completed three complete laps. Aren't you guys ashamed?" Jiang Lingzhi was speechless.

At this time, why did he pull her out to make a comparison? Did he think that she wasn't embarrassed enough?

"I'm not ashamed."

"We are willing to lose to Student Jiang.."

"Yes, we are willing!"

The PE teacher ignored them." Alright, now it's time for you to prove yourselves!"

The boys were speechless.

The physical education teacher: " The girls worked hard just now. Now, let the boys do pull-ups. The girls will watch the boys do it. Let's see if they still have the face to slack off!"

The girls cheered excitedly.

aa
aa

aa They could watch the school bully do pull-ups!"

Chapter 73: My Waist Is Not Bad

"Oh my god, is the school bully going to show his waist? I can do it!"

"Paper towel, I'm afraid I'll have a nosebleed!"

"I, really want to see it!"

The boys were all listless.

What kind of event was this? He was clearly here to humiliate them!

The physical education teacher began to make arrangements." Five in a group.

Five boys will come over first. The girl opposite will help the boys count."

"Twenty, don't slack off!" The PE teacher ordered, "Girls, count well. Don't go

There were five boys in front of the team, but it was not the school bully-s turn

The few female students who missed at the back of the line simply ran to the front to watch. Jiang Lingzhi and Li Shunan became the last of the line.

The two of them stood facing each other, about a meter apart.

It seemed a little awkward to be facing each other without talking. Jiang Lingzhi paused for a moment before asking you?"

They had already started to do it, and the sound of counting was very loud.

"One. 2. Three..."

Li Shunan stared at her for a while before he answered in his usual casual tone," How can I have a good time?

Hearing this answer, the corners of Jiang Lingzhi's lips curled up.

That would be great!

Didn't he laugh at me just now? Now, retribution is coming!

Li Shunan licked the corner Of his lips and stood there lazily. He asked her know what to do?"

Jiang Lingzhi thought for a moment and nodded.

After all, they were deskmates, so she still taught him a little."I know, grab that stick and go up and down. It's very simple."

"Just go up and do it once." Li Shunan smiled." That simple?"

Hearing his shameless words, Jiang Lingzhi laughed

Jiang Lingzhi felt that her deskmate was really naive!

Did he really think that it was easy just because she said it was?

“Doing this tests the strength of your arms and waist. It consumes a lot of physical strength. Do you really think it’s that simple?”

Jiang Lingzhi could not help but roll her eyes in her heart.

” My waist isn’t bad.” Li Shunan lowered his eyes and stared at her mysteriously.”Your stamina is also quite good.” Jiang Lingzhi gave him a disdainful expression.

You can brag all you want.

The first group completed twenty substandard pull-ups with great difficulty.

“Look at all Of you. Where is the imposing manner of a man?! I have to practice more in the future!” The PE teacher whistled.”

The boys from the second and third groups went on stage one after another.

There were a few sports students who wanted to show off, but they were mercilessly beaten back to their original state.

It was too difficult, and there were twenty of them.

A normal person wouldn’t be able to do six!

After a long wait, it was finally the school bully’s turn.

It could be said that it was the focus of everyone's attention.

The last group of boys stood in their respective positions. The girls stood in front of them to count for them and to monitor whether they were slacking off.

Jiang Lingzhi also had a small temper.

She didn't have the kind of attitude that would be met with cold farts. A hobby.

This morning, her deskmate had already given her a few slaps. HOW could she still go over?

However, she suddenly remembered what Wen Yujing had said when she was jogging,

Chapter 74. What Is That?

There were a few days every month when men were too stressed and needed someone to comfort them.

So, so did something happen to her deskmate?

Jiang Lingzhi felt that it was better not to be so absolute. She thought about it and used a volume that only the two of them could hear to ask him softly, "Li, are you in a bad mood today?" The girl looked at him carefully, her eyes clear.

Li Shunan paused. He didn't expect her to ask this question.

He lowered his eyes and stared at the girl. He thought of the way the boy had rubbed her head yesterday. It was so intimate.

His gaze became a little complicated. His Adam's apple moved slightly and he let out a soft "mm" from his throat.

As expected!

Jiang Lingzhi felt that she was really too meticulous. She even discovered this. She sighed." If that's the case, if you really can't do it, I can give you some water later.""

Jiang Lingzhi tried her best to make her eyes look sincere.

Li Shunan was speechless.

Li Shunan raised his eyebrows and stared at her meaningfully. His voice was slightly magnetic."I don't think there's a need."

He actually rejected it?

Jiang Lingzhi lifted the corners of her lips expressionlessly.

Alright, just treat her kindness as ill intentions, alright?

If she made a fool of herself later, it would have nothing to do with her.

The PE teacher whistled and

The five boys were already prepared under the pole.

Li Shunan stood there with an indifferent expression on his face. He was not wearing his school uniform. The sleeves of his white shirt were rolled up, revealing his thin arms. He did not do anything, but he felt that the scene was exceptionally beautiful.

He was 1.87 meters tall, and he didn't even need to jump up. He easily grabbed the handle, and because of the movement of his hand, a black belt was exposed at the bottom of his shirt.

Perhaps it was because his height advantage was too obvious, but no matter what he did, it looked especially good.

Moreover, his movements were very standard. The muscles on his arms were smooth and powerful. He Was extremely masculine.

When he pulled his hands up and down, a thin layer Of abdominal muscles could be vaguely seen at his waist and abdomen. The lines were very clear.

The girls around them were not calm anymore.

Aaaa

What is that?-

“Damn, are those really abs?!”

“Ah ah ah ah ah, Wayne, go to hell.”

” The school bully is really good. Handsome. Ah!”

None Of the guys who did this move were standard.

He was the only One who managed to raise his chin above the club face.

Jiang Lingzhi was standing not far in front of him. Initially, she still had an expression that was ready to watch the show, but the smile on her lips gradually became stiff.

She stared at him expressionlessly, feeling that she had been deceived.

Didn't you Say you wouldn't?

He could no longer trust his deskmate in a friendly manner.

Accompanied by the sound Waves of screams.

Jiang Lingzhi glanced at the boy's firm waist and abdomen.

His abdominal muscles.

It was extremely flirtatious.

Jiang Lingzhi tugged the corners of her lips and counted the numbers unhappily.".. Ten, eleven, twelve, five, six, seven..."

Li Shunan's arm muscles were very tight, and the frequency Of his pulling was very regular. When he heard the girl's soft voice, his forehead twitched slightly.

How did the little girl count?

Jiang Lingzhi's voice was soft, and it was only at a volume that the two of them could hear.

In addition, the people around them were all discussing abs, so there was no One left to count.

At most, he felt that the school bully was clearly doing it very easily, so why did he take longer than the people beside him?

Chapter 75: He Knows How to Torment People

She heard Jiang Lingzhi count a bunch of numbers in a mess.

She finally stopped and shouted," Twenty."

He couldn't go too far, or it would be too obvious.

Li Shunan let go of the handle. His body was still very straight, and the black hair on his forehead was soaked in sweat. He raised his hand and fiddled with it.

In fact, Li Shunan had probably done more than thirty.

She counted randomly without a single complaint and did not expose her just now.

Jiang Lingzhi glanced at him and walked over to the physical education teacher with a guilty conscience. "Teacher, he has already finished."

The PE teacher stood at the side and nodded. "Yes, not bad. Student Li's movements are very standard."

Jiang Lingzhi pursed her lips.

At this point, the physical education teacher laughed heartily. "Student Jiang, were you engrossed in watching just now? I saw that you made more than twenty."

Jiang Lingzhi was speechless.

Nonsense.

She did that on purpose!

The PE teacher didn't care too much. "Alright, you guys can go back to the team. ""

As soon as he finished speaking, the bell rang.

The other boys also finished their work one after another.

Only then did the physical education teacher speak." It just so happens that everyone has already finished. That's all for today. You guys still have to continue working hard. All of you are so weak. Let's continue next class.

Alright, class is over."

The team immediately dispersed.

The boys were so tired that they couldn't even straighten their backs.

After the dismissal, the students walked towards the classroom one after another.

Jiang Lingzhi let out a sigh of relief and was about to leave.

Li Shunan walked up to her and stood in front of her. His voice was husky and magnetic."On purpose?"

Jiang Lingzhi was stunned for a moment. She raised her head and looked over. All she could see was the boy's well-defined jaw and his protruding Adam's apple.

Realizing what he was asking, Jiang Ling knew that she would not admit it."" .. I didn't! "

"They were too noisy just now, so I counted wrongly!" She immediately shrugged off the responsibility."

This reason was not convincing, and she did not know if he would believe her.

Jiang Lingzhi was feeling uneasy when she heard the boy's light words.

"This little girl sure knows how to torment people."

Jiang Lingzhi was speechless.

“Brother Nan!” A shout came from nearby.

Li Shunan looked up. The black hair on his forehead was soaked in sweat, and he looked wild and sexy, adding a bit of evilness.

Seeing the boy outside the field, he looked down at the girl. He wanted to say something, but he stopped.

Jiang Lingzhi stared at the boy’s back for a while and sighed.

Is your aunt still not well?

Why did he still look like he was in a bad mood?

Wen Yujing ran to her side with a head full of sweat. “Sister Ling, let’s go and change.”

Jiang Lingzhi retracted her gaze. “Ah, let’s go.”

Zhao Zifu’s hands were on the fence with a bottle of mineral water in his hand. He waited for Li Shunan to come closer and threw the bottle of mineral water to him.

Li Shunan raised his hand and took it easily.

He subconsciously glanced at a place not far away and happened to see the girl leaving with her friend.

“What are you looking at?” Zhao Zifu curiously followed his line of sight.

It's nothing." Li Shunan withdrew his gaze and unscrewed the bottle cap. He raised his head and took a sip of water. His Adam's apple bobbed up and down."Let's go.."

Chapter 76: I Want to Go Home

After the physical education class, the girls had to go to the bathroom to change their clothes.

When Jiang Lingzhi and Wen Yujing went to the bathroom, there were a lot of people on their floor.

It might take some time to line up, so they went to the bathroom on the first floor.

After Jiang Lingzhi changed into her school uniform, she waited for Wen Yujing to come out.

While she was waiting.

A girl with red eyes ran from the other end of the corridor and rushed into the bathroom cubicle.

After a while, two more girls chased after him.

Jiang Lingzhi was a little confused. She stood at the door and could still hear the girl's soft sobbing after she entered the cubicle.

The two girls were a little anxious. They knocked on the door and comforted her. "Xiaoli, don't be like this. Are you being too sensitive?"

"Yeah, was it because there were too many people just now that he accidentally bumped into them?"

"He did it on purpose!" The girl's voice was sobbing as she hid in the cubicle."Didn't you see how lewd his smile was just now? It's so disgusting!"

The two girls were also a little embarrassed.

“Xiaoli, he really...he really touched your breasts?”

“How can there be such a boring person?”

The girl in the cubicle kept sobbing and lost control of her emotions. “I don’t want to go to school anymore. I want to go home.”

The girl was still consoling him. “You know that Zhao Man from Class 8. He’s always been annoying. I really don’t know why he hasn’t dropped out yet!”

“He’s a psychopath. He’s relying on his family’s money. Don’t lower yourself to his level.”

The girl couldn’t listen to anything at all now. She sobbed and cried softly, “I want to go home, I want to go home!”

The girl was a little agitated and refused to come out no matter how much she was persuaded.

Jiang Lingzhi waited in the corridor for a while more. Wen Yujing finally opened the door and came out of the cubicle.

As they walked, they didn’t forget to listen carefully to see if they had anything else to say.

It was only when they were some distance away from the toilet that Wen Yujing seemed to have discovered some secret. She tugged at her sleeve and said, “Lingling, do you know what they were talking about just now?”

Jiang Lingzhi sighed and thought about the cause and effect. “I don’t really understand.”

“I’m telling you, I finally understood what you said just now! “Wen Yujing was very happy to share this gossip with her.” The Zhao Man they were talking about just now...”

“I’ve mentioned it to you before. It’s the pervert who lifted the bottom of a girl’s skirt and peeked in the mirror. You’re crazy!”

Jiang Lingzhi frowned. “Why is this kind of person still in school?”

Wen Yujing looked around and said, “It’s because my family is rich.”

“He has already made a few girls drop out of school.”

“This little girl is probably unlucky to have been targeted by him. I can imagine it. It must be that pervert. I deliberately bumped into her, so I touched her...”

“Otherwise, why would the little girl break down like that? After all, he was only sixteen or seventeen years old. How could he have experienced such a thing?”

Wen Yujing couldn’t help but click her tongue. “This little girl probably has a shadow in her heart. She’s too pitiful.”

“It’s mainly because people like him like to show off after doing bad things and badmouth young girls everywhere. A few girls can’t stand gossip, so they dropped out of school.”

Jiang Lingzhi frowned slightly and gave a very fair evaluation. “People. Trash..”

Chapter 77: I Usually Scold People

Wen Yujing couldn’t believe what she had just heard. She stared at the side of her face and said, “Sister Ling, are you scolding me? This is the first time I’ve seen you cursing people.”

Jiang Lingzhi tugged the corners of her lips. “Because the people I scold are usually not humans.”

Wen Yujing felt that Ling Mei was really adorable.

He had such a harmless face, yet he was cursing so aggressively!

If they wanted to go downstairs, they had to go through the corridor and then go down to the third floor from the stairs at the end to return to their classroom.

Coincidentally, Class Eight was on this floor.

A few boys were standing at the entrance of Class Eight, talking and laughing.

A boy leaned against the fence with a wretched smile on his face.

The boy beside him was also laughing.”

“That’s right. Look at the little girl that Brother Man has taken care of. If she’s not a hundred, she’s at least eighty.”

Upon hearing this, the boy still had a smug look on his face. He felt that he was really f * cking awesome.

Jiang Lingzhi glanced at the class name tag at the door of the classroom. Combined with what they said, she roughly knew who this person was.

That person. Scum Student

As expected, he looked very suitable. The temperament of a scum.

Wen Yujing also saw the people in front of her and tugged at the hem of her clothes.”Lingling, we’re so unlucky today. We actually ran into that group of people! It’s best to ignore him. He’s crazy.”

Wen Yujing wished she could stick to the wall and walk away from the group of bacteria.

Jiang Ling didn't know if she heard what she said. She walked past them without looking sideways and sneered, "Silly. Pfft."

The volume is not loud, neither is it small, just enough to let them all hear the volume.

Wen Yujing's heart skipped a beat.

What was Sister Ling doing?

As expected, Zhao Man, who was leaning against the fence, heard her. His expression suddenly changed as if someone had stepped on his life's door. He reached out and grabbed her, "Who are you scolding?"

Wen Yujing felt a little awkward at this moment. She hugged Jiang Lingzhi's arm and was a little nervous.

Jiang Lingzhi stopped where she was and stared at him with her dark eyes. She looked very harmless. "I called you stupid. You're so funny. You're so eager to take the role. It seems that you're quite clear about your position."

Wen Yujing couldn't help but shake her arm and whispered into her ear, "Sister Ling, don't say anymore. We don't have many people, so we can't beat them!"

There were six or seven of them, and all of them were boys.

They were just two weak women!

Zhao Man did not understand what she meant, and his expression was still fierce and confused.

Jiang Lingzhi felt that this person's IQ was really high, and she explained to him again, "I say, you're quite self-aware. It seems that you know yourself well and know that you're an idiot. F*ck, how else would you know that I'm calling you?"

He should be able to understand them now.

This lady is calling you silly. If you don't accept it, come and fight.

As soon as she said this, Wen Yujing's heart turned completely ashen.

It was over!

He would definitely be beaten up!

Why was the usually delicate and soft little girl so valiant at the critical moment?

Zhao Man finally understood and his face turned black with anger. He wanted to rush over and hit her."B * tch, are you f * cking crazy? Did I offend you?" The people beside him quickly stopped him.

Jiang Lingzhi was quite famous in school. She had such a beautiful face, and a few people recognized her.

"Don't, Brother Man, don't be rash! She's Su Xici's woman, we can't afford to

offend her.. "

Chapter 78: Do You Want to Place a Bet?

The boy reminded him in a low voice," Brother Man, calm down. You will be punished for fighting in school. Besides, she is a good student. The teacher will definitely listen to her.""

"That's right. Let's not lower ourselves to the level of a little girl."

"You've already written a self-reflection last time. If you're punished again this time, you might be expelled."

The other boys obviously knew about it too, so they didn't want him to cause trouble.

Jiang Lingzhi had a smile on her face. She had such an obedient face, and she did not have any aggressiveness. "Did you hear that? If you can't afford to offend him, then don't put on an act. This will make you look very stupid, understand?"

Finished speaking, he retracted his gaze and grabbed Wen Yujing's wrist, dragging the person away.

He walked down the stairs.

Wen Yujing's back was covered in cold sweat. She had yet to recover from the cold, "Sister Ling, you scared me to death just now!"

"Aren't you afraid that they will beat you up?"

Jiang Lingzhi tugged at the corners of her lips, and her almond-shaped eyes met hers. "Didn't you hear what they said? They can't afford to offend me."

Wen Yujing was speechless.

Her tone was soft and gentle, no different from usual.

However, why did she feel that she was being so arrogant when she said those words?

Zhao Man, who was at the back of the corridor, was furious.

Especially after losing face in front of his brothers, he felt that his face was completely gone.

Zhao Man pushed the two people who had stopped him away and said through gritted teeth, "Su Sici? Would I be afraid of him?"

The other boys were also in a difficult position. They advised him, "Forget it. I heard that Su has some relationship with the principal. He's not someone to be trifled with."

"That's right... He didn't know why this girl suddenly made things difficult for him."

The others were also confused.

He didn't seem to have any interactions with them.

Zhao Man was scornful and furious. He just a little girl. She thinks she's so capable."

When the people around him saw him like this, they knew that this matter was not over.

"Brother Man, what do you think?"

Zhao Man sneered and looked at them coldly. "Do you want to place a bet?"

"What bet?" The people beside him were curious."

"Bet on the color of her underwear..."

After the PE class, Li Shunan and Zhao Zifu went around the field and went to the convenience store.

In reality, Zhao Zifu was completely forced to follow.

At the same time, he was deeply confused.

Why was it that every time he bought water, Brother Nan was not satisfied and had to go there himself?

When he went upstairs, Zhao Zifu stared at the bottle of Vitality Forest in his

hand for a few times."No, Brother Chennan, why do you like to drink this? What a sissy."

Li Shunan was holding a bottle of peach-flavored Vitality Forest between his fingers. He turned his head and glanced at him with his light brown eyes. He snorted. "You understand?"

' Alright, I don't understand." Zhao Zifu smiled."What I mean is, she has great taste!"

Someone came down from upstairs. When a few girls passed by, their skirts fluttered.

Zhao Zifu took a look and could not help but shake his head."This is the bad thing about No. 1 Middle School's uniform. It's flashy, and the boys' uniforms don't look good either."

Li Shunan, who was next to him, didn't care about his thoughts at all. There was no change in his expression.

Zhao Zifu raised his head and saw a familiar figure at the staircase in front of him. He was holding a phone and taking a photo of something..

Chapter 79: Isn't That Your Deskmate?

Zhao Zifu's brows furrowed as he cursed,""Bastard, you still haven't changed. You're taking pictures of girls again."

Li Shunan looked up and saw a boy walking over."""Hmm?"

Zhao Zifu casually explained," He's just a little rascal. His family didn't educate him well, right? He's doing some despicable things in school every day and even secretly taking photos of other girls.

Arriving at the third floor, Zhao Zifu couldn't help but glance in that direction.

Who was the one who had suffered?

At the front of the corridor, Zhao Zifu paused for a moment when he saw the back view of the boy following behind him. Without thinking, he blurted out, "Hey, Brother Chennan, isn't that your deskmate?"

When she heard the word deskmate.

Li Shunan's fingers paused. He looked up and looked in that direction.

After setting the bet.

Zhao Man held his phone and followed the girl downstairs.

He had always heard of Jiang Lingzhi's name before, and he had indeed heard rumors that there were a few people in the school that he could not afford to offend. He knew that.

After all, the Su family had some connections with the higher-ups.

Therefore, he didn't pay much attention to that group of people. They didn't interfere with each other or interact with each other.

However, looking at her today, this girl was really the best.

Her legs were thin and straight, and her skin was so fair that it seemed to glow.

He had wanted to take a picture of her under her skirt, but he couldn't help but take a few pictures of her back.

She was indeed beautiful.

The kind of beauty that made people unable to help but be dazzled, the kind that could not be blocked from the back.

He zoomed in, wanting to take a few high -definition photos of her beautiful legs.

Somehow, he clicked on the shutter sound effect, and the click was particularly clear in the corridor.

It was too late for Zhao Man to put away his phone. The girl in front of him had already turned around and was staring at him.

Jiang Lingzhi usually did not cause trouble easily.

But that was only if he hadn't met a fool. Under forced circumstances.

Hearing from that person. She couldn't help but say such insulting words. She couldn't wait for Su Xici to deal with it for her.

He didn't expect this scum to come to his doorstep.

Jiang Lingzhi turned back and walked in front of him. She reached out to snatch his phone."Shoot your sister, hand over your phone."

Zhao Man raised his hand up high. He was a little taller than her, so he acted like a scoundrel. "I'm taking pictures of the scenery. Why should I give my phone to you?"

Jiang Lingzhi was really a little angry.

She had originally planned to ask Susie to resign. Persuading a scumbag to leave seemed to be letting him off too easily.

“What evidence do you have to prove that I was filming you? My phone is private. Why should I let you see it?”

Zhao Man was feeling smug, but she could do nothing to him if he refused to admit it.

As soon as he finished speaking, his collar tightened and the back of his neck was suddenly grabbed.

Zhao Man was shocked and could not react.

The next second, the phone in her hand was taken away.

Jiang Lingzhi’s action of snatching the phone paused. When she saw the tall and slender figure, she was stunned on the spot.

Zhao Man was a little flustered.

The boy stopped beside him. His tall and straight figure was half a head taller than him.

He was wearing a white shirt, and his eyes were tired and lazy, but his aura was very strong.

Li Shunan threw the Vitality Forest in his hand to Zhao Zifu, who was next to him. He took his phone and slowly swiped open his screen.

Zhao Man was stunned for a moment, and before he could react, he said, “You, who are you...”

Chapter 80: Don’t Scare Your Classmates

Zhao Man was stunned for a moment, and before he could react, he said, “You, who are you...”

He had never seen this person before.

Li Shunan looked up at him. His light brown eyes were filled with danger.

He lowered his eyes and stared at his phone. He pointed at the photo album and found the latest photos. They were indeed photos of Jiang Lingzhi's back.

There was a long shot and a close-up of her legs after the camera zoomed in.

Li Shunan frowned slightly, and the color in his eyes gradually condensed.

Zhao Man finally reacted and tried to grab the phone. "Who the hell are you? Why did you snatch my phone? Give it back to me!"

Li Shunan raised his hand and stared at him dangerously with his light brown eyes. He said in a low voice, "What is this?"

Zhao Man was very guilty, but he still pretended to be pretentious. "It's none of your business."

Zhao Zifu pushed him on the shoulder. "You really know how to bring shame to the Old Zhao family. Didn't your f * cking family teach you how to behave?"

Thinking about how such a disgusting fellow shared the same surname as him, Zhao Zifu felt a little displeased.

Zhao Man continued to be shameless. "Don't talk nonsense here. What did I do? I'm here to take pictures of the scenery. Is there a rule that says that I'm not allowed to take pictures here?"

Li Shunan snorted lightly and narrowed his eyes. The coldness in his peach blossom eyes gradually became stronger. He suddenly reached out and grabbed the collar of his school uniform, pulling him in front of him.

Just as he was about to take action, he suddenly thought of something. He turned his face and met the girl's clean black eyes.

Li Shunan's fingers paused, and the hostility in his eyes was slightly restrained.

His gaze deepened a little, and he suddenly let go of his hand. He took the bottle of Vitality Forest from Zhao Zifu's hand and handed it to Jiang Lingzhi. "Go back to the classroom first. I'll handle this."

Jiang Lingzhi was stunned for a moment.

'Listen to me.' Li Shunan stuffed the drink into her arms, raised his hand, and placed his big palm on her head. He gently turned around. "Children shouldn't watch this."

Jiang Lingzhi was holding a bottle of drink in her arms, and she was a little stunned.

She followed his force and took two steps forward. Then, she turned around and whispered, "You can't fight in school."

Li Shunan stared at her with his deep eyes and replied in a low voice, "Yes, I won't fight."

After saying that, he lifted his chin and looked at Wen Yujing who was not far away. "Take her back to the classroom."

Wen Yujing's entire body trembled. She quickly came over and pulled Jiang Lingzhi along as she brought her to the classroom. "'Lingling, let's go back to the classroom first. Class is about to start."

Li Shunan only turned his face after the girl walked into the classroom. He waved his phone in front of Zhao Man and said in a casual tone, "'Come down and talk."

Zhao Man felt that something was not right. The man's violent aura seemed a little scary.

He subconsciously wanted to run, but just as he pulled his leg, he was caught by Zhao Zifu.

Zhao Man shouted loudly, "I'm not going. I don't even know you. What's there to talk about with you?"

Before he could finish his words, his mouth was suddenly covered by a well-defined palm. "Tsk, lower your voice. Don't scare your classmates."

The boy was too tall. He stared at him condescendingly and spoke in a low voice. It was clearly a very gentle sentence, but it was extremely dangerous.

Zhao Man was speechless.

No matter what nonsense he said, Zhao Zifu forcefully dragged him downstairs and dragged him to the male toilet outside the teaching building..
