

Little Girl 91

Chapter 91: Is She Being Accountable?

Li Shunan looked down at her and casually took out his phone from his pocket and placed it in front of her. "No password."

Jiang Lingzhi nodded her head. She swiped her phone open and started searching on Baidu.

The girl held her phone and stared at the screen seriously. Her hair was tied into a high ponytail, revealing her fair neck and small ears.

Her side profile was very gentle. Her eyelashes were lowered, her nose was straight, and from time to time, she would frown and mumble a few words.

Li Shunan leaned back in his chair and stared at her seriously.

His little deskmate was really too cute.

She was so cute that she didn't have any temper towards her.

He's not the kind of person who doesn't have a bottom line. If he's the person who has a boyfriend, he won't touch.

Therefore, he had to keep his distance.

However, when he saw that she was in trouble, his body had already reacted before his mind could.

He even had a hundred thoughts of wanting to kill that guy.

This was really f * cking..

This was going to be terrible.

Jiang Lingzhi was studying the steps when she heard a faint sigh from the side.

She looked up in confusion and met his light brown eyes. The emotions in them were a little deep.

Jiang Lingzhi was a little conflicted. Are you nervous?

Li Shunan raised his eyebrows. He didn't know why his little deskmate would make such a strange comment. "Hmm?"

' Don't be nervous.' Jiang Lingzhi had a troubled expression on her small face. "When you're nervous, I'm nervous too, even though I'm first. This is the first time I've done such a thing, but I'll be gentler." Jiang Lingzhi comforted him, "I'll try not to hurt you." "

Li Shunan was speechless.

After comforting her deskmate, Jiang Lingzhi thought that her deskmate would be more relaxed.

In the end, she saw her deskmate lowering her head and laughing.

And the kind that could not stop laughing.

His slender fingers were bent and pressed against the bridge of his nose. His chest was still heaving slightly.

Jiang Lingzhi suspected that when his deskmate was fighting with someone, did he hit his head? Why did he laugh for no reason?

Even though he looked good when he smiled.

It was even more dazzling than the sun. The corners of her eyes were slightly raised, like peach blossoms blooming in March. In an instant, she was dazzling.

He laughed for a while.

Jiang Lingzhi almost could not help but cover his mouth with her hand.

“Is it responsible?” Li Shunan finally stopped laughing. His deep eyes stared at her without blinking, and his pupils were dotted with tiny rays of light. “Ah?” Jiang Lingzhi didn’t understand her deskmate’s thoughts.

What responsibility?

Li Shunan licked his lips and said lazily, “You hurt my hand.” Jiang Lingzhi was speechless.

I’m kind enough to help you deal with it. If it hurts, I’ll have to take responsibility. Student, you’re too much, you know that!

Jiang Lingzhi was about to argue with him, but after she glanced at the back of his injured hand that was on the table, she immediately lost her temper.

Who asked her to owe him?

Jiang Lingzhi resisted the urge to let go and leave. She asked in a low voice, “How can I take responsibility?”

She was also worried that he would ask for an exorbitant price.

Jiang Lingzhi racked her brains." You hurt your right hand. At most, I'll help you with your homework this week?"

In any case, he had never done his homework since he had been in school.

This should be quite to his liking, right?

After carefully making this suggestion, he still did not have any reaction.

His deskmate remained silent.

Jiang Lingzhi was also a little uncertain in her heart. She glared at him with her big beautiful eyes. "It's just a little scratch.. You can't expect me to be your slave, right?!"

Chapter 92: "Hand Holding"

Li Shunan raised his eyebrows and smiled casually and playfully."Originally, I just wanted you to lend me your homework. Since you want to help me write it yourself, that's fine too."

Jiang Lingzhi choked on a mouthful of blood.

So she came knocking on his door?

She felt that if she continued to talk to him, she might get sick from anger.

Jiang Lingzhi endured it again and again. She took a deep breath and silently picked up the hydrogen dioxide. "Give me your hand." A true lady would not lose her temper easily.

Li Shunan lowered his head and smiled.

He also knew to stop while he was ahead. If he provoked her again, the little girl would probably be angry.

He sat up straight and extended his hand.

Jiang Lingzhi opened the lid of the hydrogen dioxide solution.

She saw a well-defined palm reaching out to her.

The boy had fair skin, long fingers, and beautiful bones.

Jiang Lingzhi stared at the hand that was stretched out in front of her. Her fingers that were holding the hydrogen dioxide trembled, and she suddenly realized something.

It was a boy's hand.

Although it was just applying medicine, it was inevitable that they would touch each other.

She had never held hands with a boy before, nor had she ever had such close contact with him.

Jiang Lingzhi hesitated for a moment, but she still did not dare to touch it. Her other hand hung awkwardly at the side, and her small hand that was holding the hydrogen dioxide was hanging above him. She poured the hydrogen dioxide on the back of his hand where it was injured.

Li Shunan frowned and leaned forward. He couldn't help but laugh. "Doctor Xiao Jiang's method of treating a patient's wound is very unique." She knew that he was teasing her.

Jiang Ling ignored him and focused on her medical career.

Li Shunan tilted his head slightly and stared at the girl's drooping eyelashes. He deliberately raised his hand and almost touched her eyelashes. He said in a low and slow voice, "You can see it clearly from so far away?"

His hands moved around, and the hydrogen dioxide was poured into the wrong place. A lot of it was wasted, and it could not be completely disinfected.

Jiang Lingzhi frowned. She subconsciously raised her other hand and held his large palm to stabilize his hand. "Aiya, can you stop moving? I've poured it into the wrong place. "

As soon as he finished speaking, the two of them were stunned on the spot.

She subconsciously made a move, and her hands clasped together.

The boy's palm was very big, and the warmth of his palm was clearly transmitted over.

However, a boy's hand was different from a girl's hand. The slightly rough feeling seemed to be magnified infinitely at this moment.

Jiang Lingzhi could clearly hear her own heartbeat thumping in her chest.

Her hand trembled, and she quickly let go of his hand and pulled her hand back.

She stared at him like a child who had done something wrong.

Li Shunan stopped smiling. His light brown eyes darkened a little as he stared at her.

He had seen the girl write before. Her hands were beautiful, fair, and slender.

After touching it today, he realized that not only did it look beautiful, but when he held it just now, it was also as if it had no bones. It was smooth and soft.

After a long while, he suddenly laughed and leaned back lazily. His tone returned to that frivolous look. "Why are you so nervous? Have you never held hands with a boy?"

Jiang Lingzhi also realized that her reaction seemed to be a little too extreme. She furrowed her brows in annoyance and looked away.. "Do you think everyone

is like you?"

Chapter 93: Doctor Little Jiang Did Well

Her voice was so soft that Li Shunan couldn't hear what she was saying. He leaned forward and closed the distance between them. "Hmm?"

Because of his approach, Jiang Lingzhi immediately shrank back.

She placed the hydrogen dioxide solution on the table and went to unwrap the cotton swab. She muttered softly, "Do you think everyone is as casual as you?"

Looking at his appearance, she knew that he must have a lot of ex-girlfriends.

He often said a bunch of things that she didn't understand, and it didn't sound like anything good.

Li Shunan raised his eyebrows. He didn't really understand what she meant, but he couldn't suppress the light in his eyes.

Her reaction was indeed beyond his expectations.

Had she never even held hands with that childhood sweetheart?

Jiang Lingzhi lit up her phone screen and looked at the steps again. She picked up the cotton swab at the side and said, “Next, I’m going to apply medicine for you.”

Li Shunan narrowed his eyes and stopped teasing her. He put his hands on the table in front of her and let her do whatever she wanted.

Jiang Lingzhi was still worried that she would hurt him.

Otherwise, she would have to copy his homework for him this week.

Therefore, she tried her best to be careful. When she touched the darker part of the wound, she couldn’t help but lean over and breathe gently for him.

The girl lowered her eyes and her eyelashes were exceptionally long. She blew gently at him, like a small feather gently playing with his heart.

Li Shunan looked down at her, his eyes deep and loving.

After Jiang Lingzhi applied the medicine, she took out two band-aids and applied them on him. It was not too serious, and it just covered the wound.

After doing all of this, Jiang Lingzhi felt that she was really amazing.

She actually had the talent to be a doctor!

At this moment, her confidence was infinitely inflated. She stared at his hand and admired it from all angles for a long time. “Tsk, tsk, tsk. Look at how well Doctor Jiang pasted it!”

Li Shunan curled his lips and raised his hand to look at it. ""Doctor Xiao Jiang's surgery is pretty good."

If a person had a tail, Jiang Lingzhi felt that her tail might be soaring to the sky at this moment.

She was indeed a little genius!

Jiang Lingzhi kept the item and reminded him according to what Baidu said, ""Lady Du said that you can't touch water or eat spicy food."

Li Shunan stared at her casually and replied in a low voice, ""Yes."

Jiang Lingzhi nodded and took out her phone. She looked at the time and suddenly panicked. ""Oh no, it's been half an hour. I have to go."

As she spoke, she randomly put away the things on the table.

Li Shunan stood up and stuffed his hands into his pockets. His tall figure stood in front of her. ""Send you back."

Jiang Lingzhi's hand paused, and she looked up at him. ""No need. I'm not going home now. I have to go back to school."

Li Shunan frowned. ""It's already over. Why are you going back to school?"

Jiang Lingzhi tied the plastic bag and handed it to him. She was a little hesitant. ""Someone is waiting for me there. If he can't find me later, he will be anxious. I'll give you the things. Don't forget to apply the medicine."

Li Shunan lowered his eyes and stared at her slender white fingers. He pursed his thin lips and didn't say anything.

Oh, that childhood sweetheart.

Li Shunan's eyes moved. He took the plastic bag and said casually, "Then I'll send you to the bus stop."

Jiang Lingzhi originally wanted to say that there was no need to trouble her.

However, after thinking about it, he did not say anything in the end and nodded.

The two of them walked slowly towards the bus stop.

Halfway there, the phone in her bag suddenly rang. Jiang Lingzhi unzipped her bag and took out her phone..

Chapter 94: You Said I Was Ugly, And You Said My Mother Was Bad

Halfway there, the phone in her bag suddenly rang. Jiang Lingzhi unzipped her bag and took out her phone.

It was her mother.

Jiang Lingzhi pressed the answer button, and Lu Yuping's voice came from the other end of the phone. "Zhizhi, you haven't gone home yet, right?" The old man's phone did not have many functions. The only function was probably that it was loud.

The sound leakage was very serious. Without the loudspeaker, everyone within a meter could hear it.

Jiang Lingzhi subconsciously glanced at the person beside her and changed the hand she was holding her phone with. "Yes, school just ended."

Lu Yuping was busy with something, and her voice was intermittent. "Zhizhi, there's no one at home today. You can ask Ah Ci to take you out for a meal or to his house. It just so happens that your Auntie Su misses you."

"Ah?" Jiang Lingzhi did not react for a moment.

Lu Yuping explained, "Your dad has a drinking session today. If I don't watch over him, he'll get drunk again. Drinking will hurt his stomach. I have to accompany him."

It must be a project, so there was a drinking session.

Something like this had happened before. As the host, his father didn't know how to push alcohol. He was almost sent to the hospital by the other party's boss.

Lu Yuping's heart ached.

Jiang Ling understood and said obediently, "Okay, Mom. I understand." After a few more reminders, Lu Yuping hung up the phone.

Jiang Lingzhi put her phone back into her bag. When she raised her head, she met Li Shunan's light brown eyes. He was staring at her with a very focused gaze.

"What's wrong?" Jiang Lingzhi did not understand.

"Nothing." Li Shunan looked away unhurriedly and said in a light tone, "I just feel that you're very obedient when you talk to your mother."

"Then don't you have to be obedient in front of Mommy? Otherwise, she would keep talking. Don't you talk to your mother like this?" Jiang Lingzhi asked curiously.

Li Shunan's expression froze for a moment, but he quickly regained his nonchalance. "Probably."

Jiang Lingzhi stared at the side of his face and felt that his reaction was a little strange.

The phone in her bag rang again.

Jiang Lingzhi could roughly guess.

Lu Yuping must have had something to say just now, so she called again.

Jiang Lingzhi had no choice but to unzip her phone again and take it out. She did not look at the screen and directly answered the call. "Hello, Mom, is there anything else?"

The air froze for two seconds.

The boy's dissatisfied voice came from the other side. "What's wrong with you? Not only did you say that I'm ugly, but you're also talking about my mother now?!"

Jiang Lingzhi was speechless.

Jiang Lingzhi moved her phone away and glanced at the small display screen.

The words 'Ci Zhu' were written on it.

Jiang Lingzhi's originally obedient voice instantly became emotionless. "Why is it you?"

Su Xici sounded a little unhappy. "Where did you go? Didn't I tell you to wait for

Jiang Lingzhi was already in a bad mood after he hung up on her, but in the end, he was the first to be unhappy.

Jiang Lingzhi was also a little unhappy." When did you make me wait for you?" I was the one who called you, but you hung up. You're the one who complained first! I even sent you a message!"

Perhaps it was because her tone was too obvious that she was dissatisfied with the idea that he was intimidated by her aura.

Su Sici was stunned for a moment, but her tone was much better than before."I had something to do just now, so I hung up. Didn't I send you a WeChat message? I didn't receive your message either.. Besides China Mobile, who else plays that thing?"

Chapter 95: I Don't Have a Boyfriend

'WeChat? You did it on purpose, didn't you? You know I don't bring that phone to school."Jiang Lingzhi pursed her lips and was too lazy to talk nonsense with him.""Then where are you now? I'm..."

Jiang Lingzhi raised her head and realized that they had already reached the bus stop.

Before Jiang Lingzhi could finish speaking, Su Xici said directly,""I have something to deal with now. I'm in a hurry. What about you?"

He sounded a little anxious.

Jiang Lingzhi originally wanted to say," I'll wait for you at the bus stop."

Upon hearing this, the words that were about to come out of her mouth paused for a moment before changing. "Oh, it's okay. I can go home by myself. I'm almost home."

Su Xici seemed to be relieved."That's good. Send me a WeChat message when you get home. That's all. I'll hang up first."

Then, a busy tone came from the phone.

Jiang Lingzhi stared at the screen for two seconds. She could not believe it. She took a deep breath and locked her phone screen angrily.

Rushing to reincarnate?

She just felt that this guy was really not gentlemanly at all. He hung up on her all the time.

Next time, she would definitely die before him!

And he actually said that he didn't receive her message?!

Jiang Lingzhi turned on her phone again and pressed hard on the keyboard to find evidence. She wanted to slap him in the face later.

"Boyfriend?"

Jiang Lingzhi was struggling with her phone when she suddenly heard a boy's deep and magnetic voice from beside her.

Only then did Jiang Lingzhi realize that there was someone else beside her.

"Ah?" Jiang Lingzhi was stunned for a moment, and she did not understand what he meant. After a while, she realized who he was asking. "No, he's not my boyfriend."

The girl looked a little confused, but at least her eyes were open.

Li Shunan turned his face over, his deep eyes dotted with tiny rays of light as he stared at her calmly.

Jiang Lingzhi felt that what she said was not very accurate, and she denied what she said just now. "No, no, I was wrong."

Li Shunan suddenly stopped in his tracks. His light brown eyes were covered with a layer of obscurity, and his mood was a little complicated.

Actually, from the way the girl spoke on the phone, it could be seen that the two of them were indeed very close.

Including the little tricks between them last time, all of them revealed this point.

Previously, Zhao Zifu had also said that the relationship between the two of them seemed to be a little special.

Li Shunan licked the corner of his lips, feeling inexplicably irritated.

Jiang Lingzhi also stopped in her tracks. She raised her head to look at him and corrected him again, "I should say that I don't have a boyfriend." The girl's voice was very gentle, and it was a simple sentence.

Li Shunan stared at her without blinking.

After realizing what she meant, he raised his eyebrows slightly. Because of this sentence, his mood that was inexplicably stifled just now seemed to have suddenly relaxed.

It was strange that her emotions would fluctuate because of her words.

Therefore, they had never held hands and were not in a relationship.

Jiang Lingzhi blinked her eyes and added, "If you fall in love at such a young age, your legs will be broken."

Li Shunan was stunned for a moment. He stared at the girl's furry head, lowered his eyes, and chuckled. "It's that serious."

' Ah." Jiang Lingzhi raised her head to look at him, but she was not sad."My mother is very strict, but I can understand because she loves me too much."

Li Shunan curled his lips and said lazily,""It's not bad that you think that way.."

Chapter 96: Do You Want to Have a Dinner Together?

Jiang Lingzhi sighed deeply and looked very worried.""This is probably the trouble of being an only child. Sometimes, I wonder why Mom didn't give birth to a brother or sister to share my burden."

"Sigh... Do you think it's too late for me to persuade them to have another child?"

Her expression was a little annoyed, as if she was really troubled by this question.

Li Shunan was amused by her expression.

From her entire person, it could be seen that she had grown up in a happy family. She was optimistic and confident, and her entire body was glowing.

This was probably the reason why he was attracted to her the first time he saw her.

Unknowingly, the two of them had already reached the bus stop.

Jiang Ling knew that she was not joking with him.

She looked up at him, her eyes calm and gentle, her voice light and pleasant. "If you have something to do, you can leave first."

Li Shunan looked down at her and said, "Okay."

Jiang Lingzhi was carrying her school bag in her hand. Before she could say goodbye, the phone in the boy's pocket suddenly rang.

Li Shunan looked up and said lazily, "Wait a minute." Then he took out his phone and answered the call.

As soon as the call connected, Sun Yan's voice started to shout, "Brother Nan, where did you go? Aren't we eating? They're already here."

His voice was too noisy, and Li Shunan frowned slightly.

Just as he picked up the phone, a 411 slowly approached from afar.

Jiang Lingzhi glanced at the bus that was slowly coming to a stop, and then looked at the boy beside her.

She didn't want to leave without saying goodbye. That would seem impolite. However, she probably wouldn't be able to wait until he ended the call. After all, the bus didn't wait for anyone.

Jiang Lingzhi looked at him again and pointed in the direction of the bus. She said softly, "The car is here. I'll be leaving first."

He was on the phone, so she did not disturb him.

The door of the bus opened. Jiang Lingzhi carried her school bag and prepared to get on the bus.

She had just taken a step when her wrist was suddenly grabbed.

A warm palm and a rough touch brushed against her wrist.

Jiang Lingzhi suddenly stopped in her tracks. She turned around and stared at his fingers that were holding onto her wrist. Then, she looked up and stared into his eyes. "What's wrong?"

Li Shunan lowered his eyes and stared at the girl's slender and fair wrist for a while, then he let go of her hand as if nothing had happened.

He took the phone away from his ear with his other hand, as if he was thinking about something. After a while, he said calmly, "Do you want to have a meal together?"

Jiang Lingzhi was stunned.

Li Shunan met her eyes and reminded her casually, "I thought you didn't have anything to eat today? Come to my place. I'll send you back after dinner."

Jiang Lingzhi roughly understood what he meant.

His phone was leaking so much sound. He must have heard the contents of the call just now and knew that she had no place to eat today.

But, going to his house for dinner?

Although she treated him as a friend, she did not seem to be close enough to go to his house for dinner.

Jiang Lingzhi was still in a dilemma.

Li Shunan didn't give her too much time to think. He raised his hand and moved the phone back to his ear. He stared at her and said calmly, "I'll bring someone over. Prepare an extra pair of chopsticks."

After saying that, he hung up the phone.

Because no one got on the bus for a long time, the bus door closed and slowly started to leave.

Jiang Lingzhi was speechless..

Chapter 97: Where Did This Girlfriend Come From?

Sun Yan was still in disbelief after the call was hung up.

She held her phone and reacted for a long time.

Qi Liangji sat at the table with his feet on the chair beside him. "Why do you look like you've eaten shit? Brother Chennan isn't coming?"

There was a large round table in the courtyard, and more than ten people were gathered there. The hot pot on the table was emitting steam.

After a long time, Qi Liangji realized that something was wrong. "No, this is his home. Is he not going home?"

"No." Sun Yan walked over with his phone and sat down at the table with a serious expression. "He'll be here soon. Not only is he coming, but he's also bringing someone with him!"

After saying that, he went to ask for the others' opinions. "Strange, right?"

Zhao Zifu peeled the peanuts and nodded with a serious expression. "That's quite strange."

“When has Brother Chennan ever taken the initiative to bring someone back? Does he have another dog outside? He doesn’t love us anymore!” Sun Yan looked sad.

Zhao Zifu threw the peanut into his mouth and found it funny. “As if he ever loved you.”

Other than the seven or eight boys, there were four girls sitting around the table.

He was also from No. 36 High School, and he liked to play with them on a daily basis.

She was the kind of person who could have fun with boys.

The girls were gorgeously dressed and looked more mature than their actual age. They did look completely different from the simple female students in No.1 Middle School.

Actually, they usually didn’t like to invite girls to dinner, but today was different.

Recently, Sun Yan had been pestered by girls asking for news about Li Shunan every day.

Brother Chennan had also instructed him not to give his phone number to anyone else.

Otherwise, he would die.

Today, Sun Yan had seized the opportunity to call them over.

Perhaps, it could help Brother Chennan, who had been single for ten thousand years, get out of his singlehood!

A girl was very curious. She fiddled with her hair and leaned over to ask, “Don’t

tell me your Brocner man Drougnt ms girnna overs ”

Qi Liangji laughed disdainfully. "Are you kidding? A ten-thousand-year-old iron tree? Where did you get a girlfriend?"

The girl seemed to be relieved and her expression was very happy. "Oh, so he's still single?"

"He's so handsome, why hasn't he had a girlfriend?" asked another girl. He shouldn't lack beautiful girls by his side, right?"

Sun Yan was very proud. "Of course not. There are so many beautiful girls who want him, but our Brother Chennan never takes a second look at them!"

The girl felt that it was very strange. A boy with his looks had never had a girl by his side?

This was too strange!

"Why?" the girl asked softly. Therefore, his sex. Is your orientation normal?"

Sun Yan was speechless. His face instantly fell. "... Do you want to die? If you continue to spout nonsense, don't look for me when you're thrown out!"

The girl glanced at the two bosses whose eyes had turned cold and immediately covered her mouth. "I-I was just asking."

After the girl was scolded, she did not dare to make another sound. She shrank back and tried her best to reduce her presence.

She did not want to be thrown out before the male lead returned.

The other two girls were still chatting.

“Xiaxia, I think you’re the most promising one. You’re so pretty and you’ve been here a few times already.. You must be special to him, or he wouldn’t have agreed to let you come here!”

Chapter 98: Introduction

Qi Xia was the school belle of the 36 Middle School and was very popular among the boys in school.

The girl spoke to her with a hint of ingratiation.

Qi Xia raised her chin, and her expression revealed a little arrogance. She was obviously very confident in herself.”I did eat a few times, but that was with everyone.”

She often hung out with a few boys from No. 36 High School, so when the boys first came back, she was lucky enough to have a few meals with them, and she was there.

At that time, she was stunned by the boy.

Ever since she saw him, she no longer had any interest in other men.

She felt that only a boy like him was worthy of standing by her side.

Moreover, she was very confident in herself!

Sun Yan smiled. He was very clear about the thoughts of little girls. He teased, “Campus Belle Qi, it’s very difficult to woo Brother Nan. Whether you can be my sister-in-law or not depends on your own ability.”

The girl next to him spoke again.” No matter how hard a guy is, he can’t stand the pursuit of a beautiful woman. Besides, our Xiaxia is so beautiful.””

The boys also agreed,” That’s right. The campus belle of Qi University is the beauty representative of our school. Her looks are quite good. ””

Qi Xia’s self-confidence increased exponentially after being praised by everyone. She felt that the boy was already in her bag.

Since the male lead wasn’t here, the crowd naturally wouldn’t start eating.

Some were chatting while others were playing with their phones.

Sun Yan checked his phone frequently and felt a little strange.””What’s going on? Did he fall into the river? Or was it captured by a demon?”

“I’d better go out and take a look.” He stood up, holding his phone, and was about to leave the courtyard to take a look.

At this moment, two people walked over unhurriedly.

Sun Yan was stunned for a moment. He was about to call out to Brother Nan when he saw the person standing beside him.

His voice stopped abruptly.

What the f * ck?

Was he seeing things?

He actually saw his goddess!

She was wearing a white school uniform shirt, a navy blue pleated skirt, knee-length stockings, and a ponytail. She looked pure and obedient, like a fairy!

The moment he saw her, the world lit up.

The phone in Sun Yan's hand fell onto the table.

Sensing his strange behavior, everyone present instantly fell silent and looked in that direction.

Jiang Lingzhi obviously did not expect this either.

It was just a meal, and there were actually so many people here.

Counting, there were about a dozen people.

Jiang Lingzhi was speechless.

This meal was a little grand.

Especially after seeing them, the people inside seemed to have been hit by acupuncture points and did not move at all. The scene was a little funny.

But could he laugh at this moment?

Of course not!

Hence, Jiang Lingzhi played a game of acupuncture with them. Whoever moved first would lose!

Everyone present had different thoughts.

After all, they had just said that Li Shunan had never had a girl around him, and they would never bring a girl over!

In the next second, he appeared in front of them with a girl.

This slap in the face was a little fast.

Zhao Zifu was probably the least surprised.

Ever since Brother Chennan hit that person this morning. From the beginning, he seemed to have a premonition.

Hence, he was the first to react. He cleared his throat and said, "Brother Nan, what took you so long? Everyone has been waiting for you for a long time."

As soon as he said this, everyone present felt as if their acupoints had been unlocked.

Everyone came back to their senses.

It was inevitable that he had his own thoughts about this scene.

Sun Yan was already crying in his heart, Brother Nan is going to introduce me to a partner.. What a good brother!!

Chapter 99: I'm Hungry

Li Shunan's tall and straight figure stood at the entrance of the courtyard. He put a hand in his trouser pocket and glanced around. His good-looking eyebrows furrowed slightly.

It wasn't like this had never happened before during meals.

A few boys had brought their girlfriends over.

However, probably because they could tell that he was a little disgusted, they were very tactful and did not bring any more girls over for the rest of the dinner.

There was another girl at the dinner party today, so it was not within his consideration.

He had no impression of those people at all. He couldn't remember who was whose girlfriend at all.

She noticed that his expression didn't seem right.

Zhao Zifu coughed lightly and threw the spearhead to Sun Yan. "Ah, they're all

Third Flame's classmates. Third Flame said that you've been in a bad mood recently, so they're here to liven things up for you."

Sun Yan felt that he was really too worried. He was even more worried than his mother. "I'm just being kind. Brother Nan didn't say that he didn't agree when I said that I would get someone over."

Hearing this, Li Shunan's face turned even uglier.

His eyes were light and usually looked very gentle, but when the color darkened and the corners of his eyes narrowed, he gave off an oppressive aura.

The impatience in his eyes was already faintly revealed.

Zhao Zifu knew his personality.

He had restrained his temper in the past few years and did not get angry easily.

However, when he was really angry, no one could withstand it.

He would not care about anyone's face at all.

If he didn't persuade her, she would lose her temper later.

Actually, he did not have a good impression of this Jiang Lingzhi.

She already had a boyfriend, yet she was still hanging out with Brother Chennan. What was she thinking?!

Zhao Zifu threw a peanut into his mouth and stared at Jiang Lingzhi."Brother

Chennan, these girls are all classmates. We don't have any other intentions. We're just having a meal. Let's call it a day, okay?"

Sun Yan gulped and realized that something was wrong. He felt that Brother Nan was going to turn around and leave in the next second.

He immediately nodded and echoed," Yes, yes, yes. I thought it was too quiet with just the few of us, so I called a few more people. I definitely won't dare to do it again!"

The girls didn't dare to speak either.

She could tell that he did not seem to like them very much.

His gaze was a little cold, but it also seemed as if he completely ignored them.

Jiang Lingzhi was carrying her school bag as she stood at the door. She could feel Zhao Zifu's gaze on her as he spoke.

Moreover, it was the kind of gaze that was not very friendly.

He felt that this person seemed to be somewhat hostile towards him.

However, she had always been able to ignore the malice of others.

You can be angry, I can be calm. It won't cause any harm. If I'm angry, I'll lose. However, because of her arrival, the atmosphere became a little awkward. This was not her original intention.

Jiang Lingzhi sighed. She raised her hand and tugged at the boy's sleeve. She said softly, "Aren't we eating? I'm hungry."

A slight pulling force came from his sleeve.

The girl's voice was soft, as if she was comforting him.

Li Shunan looked down at her and sighed. He seemed to be thinking about how to phrase his words. He lowered his voice and said, "There are too many people here. I'll take you out to eat."

Go out to eat?

Jiang Lingzhi felt that if he left just like that, he would not be giving his brother any face.

How could she do such a thing?

Jiang Lingzhi pointed inside and stared at him with her dark eyes. "Isn't there food here? Can't we eat here?"

Chapter 100: Who Are You?

Li Shunan lowered his head slightly and his eyes deepened. "Are you sure you want to eat here?"

Because the boy had to bend his head to talk to her, his entire state was completely different from before.

"I can eat anywhere. There's no need to be so particular. "Jiang Lingzhi's eyes curved into a smile as she looked at him." Aren't they all your friends? We met last time. ""

Sun Yan found it unbelievable.

When had Brother Chennan ever listened to others or given them face?

However, after the goddess finished speaking, the low pressure on Brother Chennan's body clearly dissipated a lot.

No matter how he looked at it, he felt that there was something wrong with these two.

Why did Brother Chennan's attitude towards his goddess seem to be...It seemed like...

The atmosphere was a little off.

Sun Yan had always been a warm-up, so he didn't think too much about it at this moment. He quickly called out, "That's right. We've seen each other last time. Hurry up and sit down. There are still empty seats."

"We're all friends. What's wrong with having a meal together?"

Since she had already said so, Li Shunan couldn't really insist on taking her away. He stood up straight, his handsome face expressionless.

Jiang Lingzhi waved her hand inside and greeted her generously, "Hello, I'm his deskmate. We met last time."

The girl's voice was soft and gentle, and it was easy to give people a good impression.

After all, they were the people Brother Chennan brought over. The people inside were quite respectful and responded one after another.

Among them, Sun Yan was especially enthusiastic. "Fairy, please tell me your phone number again. I'll definitely remember it this time!" As soon as he said this, the tense atmosphere seemed to dissipate a lot.

The boys couldn't help but laugh.

This idiot always had the ability to make people laugh.

There was a large round table inside, and there were only two empty seats left between Sun Yan and Qi Xia.

The girl beside Qi Xia comforted her softly, "It's okay, Xiaxia. They're just deskmates. Look at that girl. She's dressed very casually. You should be more

proactive later. After all, you can't be too reserved when dealing with a prince charming like him."

Qi Xia thought the same way in her heart, and a strong sense of crisis arose within her.

She had always been confident, but from a girl's point of view, even she felt that the girl from No.1 Middle School was very beautiful and a strong opponent.

The moment the two of them walked over.

Qi Xia made up her mind. She could no longer sit still and wait for death.

She suddenly stood up from her seat and stared straight at Li Shunan. Her voice was very gentle. Brother Nan, you're back?"

She got up a little too suddenly

Jiang Lingzhi stopped in her tracks. When she turned her head, she happened to see the girl's adoring gaze as she stared at the boy.

Wow.

Did she come at the wrong time?

Jiang Lingzhi was expressionless as she carried her bag. She suddenly felt like she was in a dilemma, and she sighed silently in her heart.

The next second, she heard the boy's lazy and indifferent voice coming from above.

"Who are you?"

These three words were spoken casually.

The smile on Qi Xia's face froze for a moment.

Although she had not spoken to him during the previous two meals due to her reserved nature as a girl, it was not to the extent that he had no impression of her, right?

He seemed to feel that the atmosphere was a little too awkward.

Sun Yan immediately explained, "This is the campus belle of our school, Qi Xia. She was there the first two times we ate together. Don't you remember, Brother

Nan?"

Qi Xia was still hoping that she would get lucky, and she stared at him expectantly.

Perhaps he would remember.

After all, with her looks, she was not a stranger, right?
