Chapter 4

"I don't want to scold you baby, it's just I'm concerned about you." Rooh said amiably and Vanessa nodded her head in understanding.

"Where is Ivan?" suddenly Rooh asked whispering to Vanessa's and her doe eyes widened knowing that Ivan will also get scolded now.

"H-h-huh?" Vanessa asked confusingly trying to change the topic because of her truth her uncle will again get scolded but this time by her mother. Rooh raised her brow questionably at Vanessa and she gulped immediately pointing her finger behind the curtains of the widows. Rooh strode towards the certain curtains making Vanessa bit her tongue and she looked at her father guiltily.

But she saw a satisfied smirk on her father's face making her slap her forehead. She don't get what's her father's problem with Ivan uncle. Whenever he use to come he bickers with him and scold him a lot. Now that her mother is the one to scold Ivan uncle he is enjoying every bit of it. She turned her sea blue doe eyes to her mother and saw her taking out her Ivan uncle by twisting his ear badly, she gasped.

"Oww oww owe it's hurting baby." Ivan said acting dramatically and from behind them

Martin was also coming casually because everyone knows how Ivan forcefully involves him in his stupid plans.

"She is not your baby!" suddenly Mikhail protested giving Ivan a hard glare making Vanessa

making Vanessa to smile at him apologetically.

"You were also with her right? You should stop him like an adult but here you are helping her in her playfulness." Rooh scolded Ivan and he stood there with his eyes on the floor like

giggle at her place. Ivan's eyes turned to her and he gave her a 'you-betrayed-me' look

a obedient kid.

"I'm sorry baby." Ivan grumbled slowly making Mikhail hiss at him.

"How many times I have to tell you she is not your baby!" Mikhail kept out frustratingly

making Vanessa snicker at their bickerings.

Ivan likes to get on his nerves.

Ivan turned to him offensively. "She is my baby and the little girl over there is my princess!" Ivan said adding fuel to his fire more making Mikhail to grit his teeth knowing how much

"YOU----" before Mikhail can say anything to him he was stopped by Rooh. She was standing in front of him.

"Stop acting all possessive when we are already married and he too." Rooh said to Mikhail making him take a sharp breath and then pointed accusingly at Ivan.

"Me? I get on your nerves? I just come here to meet my baby and princess. Who wants to see your scary face?" Ivan said disgustingly making Mikhail charge towards him.

"Ask him to stop getting on my nerves then." he said making Ivan offended and he gasped

dramatically. Martin tried to stop him but he was not the one to listen anyone.

immediately realized what mistake he has done. When he looked at Rooh she was already glaring at him.

"Both of you go and stand in a corner now!" Rooh shouted at Ivan and Mikhail and then

"You are so dead now." Mikhail said making Vanessa gasp at his threat and he then he

without waiting to be told twice ran and stood in the corner glaring at each other.

Rooh has strictly prohibited Mikhail to talk about his mafia business inside home because

"Stop threatening me like that. You are not my boss anymore!" Ivan whispered to Mikhail making him return his glare.

she don't want Vanessa to know about all this. She wants to keep Vanessa far away from

the person entering inside the mansion his eyes softened and Ivan also turned quiet knowing what he must be feeling right now.

Liam ovich Gorbachev, the son of Mikhail and Ivan's boss was walking inside the mansion and as soon as Vanessa saw him she ran towards him. She was so happy to see her brother

after a long time. She ran and jumped in his embrace making Liam to catch her in his arms

and wrapped them firmly around her. He started walking towards his mother who was already emotional looking at him.

"W-w-why didn't you c-c-come on Papa's birthday?" was the first thing Vanessa complained to her brother with an angry pout and he patiently waited for her to finish. Liam placed her down and pecked the crown of her forehead amiably.

"Y-y-you always says t-t-this." she said and turned away from him angrily. She walked toward Mikhail and hugged him tightly.

"I'm sorry princess I was stuck in some work." Liam lied skillfully making her pout more

"A-a-apologize to p-p-papa." Vanessa said and Liam immediately balled his fists at her words but didn't chose to reply her and turned towards Rooh.

"I'm sorry princess it won't happen again." he said and sighed defeated.

again. The surrounding in the hall turned completely tensed and quiet.

would have met you?" Rooh told him but he kept silent.

"How are you mama?" he asked hugging her tightly making her smile sadly at him. He backed away from the hug and looked at her with loving eyes.

"How can your mama be without his baby?" Rooh asked him to which he averted his gaze

She turned around and saw Vanessa standing there with an angry pout and Mikhail with longing eyes for his son to glance at his once but he was not even looking at him. She knows as usual Liam has came here to meet her and Vanessa but she can't see her husband sad and

"Liam baby till when you are going to ignore your papa?" she asked him softly and slowly so Vanessa couldn't hear her.

"You know mama I can't talk to him knowing what he does for a living." Liam said sighing making Rooh to feel helpless. She was tired of doing this conversation with him again and

"You know baby what your father has done to save us. He many times has played with his life just to save us. No matter what he has done he is still your father and always will." Rooh

said to him holding his hands softly but he was still not saying anything and his eyes were

"But he was still a mafia boss when he rescued you. If he wouldn't be that, then how we

"Then why can't he change? Why can't he leave this risky work. Mama I can't live with him knowing how brutally he has killed thousands of people." Liam said harshly making her gasp and Mikhail also heard it. He smiled sadly at his son's words and started walking away from there. Vanessa didn't know what happened to her father but she knew he is said because her brother don't talks to him so she followed him from behind.

"Liam he was forced into it and now no matter what he can't leave that post. You should be

enough." Rooh said a little firmly but instead of answering her Liam took his hands back

grateful that you are not forced into something like this. You have hurted your father

"I just came here to meet you and princess. Now I should leave take care of yourself." he said and indicated Ivan and Martin to follow him and exited the mansion. Ivan gave her a sympathetic look and also went behind Liam. Martin came closer to her.

"Don't worry one day he will surely understand his father." Martin said to her and went away from there. Rooh was just waiting for that say to come.

When Liam grew up and became mature he get to know what Mikhail does for a living. He

did he know the enemies Mikhail has made till now won't live his family peacefully if he

wasn't able to digest the fact that his father killed people and kills too for the living. But little

will leave this post. He tried to make Liam understand but he didn't and left the mansion that
