

Chapter 6

◆ Mature content ahead ◆ He without wasting anytime crashed her gasp out and pulled her more closer to him if possible which was clearly not because they were already stuck to each other and no air was passing out from between them. He stood up from the chair while continuing their kiss and started searching for the remote. In the hurry he shuffled all the things at the table but finally got the remote.

She tightly wrapped her legs around his torso not wanting him to met go for even a second. He shut down the folds of the glass walls and took Cristina to the couch placed there. He made her lay down on the couch and hovered above her not putting his whole weight on her and tilted his head deepening the kiss more. He started caressing her hair making all the emotions run through her entire body.

He moved his hands down and started roaming his hands at her sides and kept kissing her. Liam intensified the pace of his lips working wonders on her soft plump ones making her moan out between the kiss. He pushed his tongue inside her mouth exploring each and every corner of it. Their tongues started to fight for dominance and of course he won. After good time of taking her breath away he took his face away from her and let her breath.

Cristina's chest started heaving up and down and she glared at Liam making him laugh out at her and he pecked her lips

again and again making some hearty laughs leave her lips. Then after some time when her breathing became even he latched his lips on her jaw sucking it feverishly making her moan out in pleasure. "Aah...Liam." Getting encouraged he started moving his mouth towards her neck and his tongue swirling all the way at her skin.

He sucked at the spot where her shoulder and neck meets making her moan out loudly and he smiled proudly finding her sweet spot. He sucked more hardly wetting the spot with his tongue making her moan out again. "Liam..." she moaned out and shuddered under his burly figure making him smile in satisfaction that he could give her the pleasure she needs. His teeth grazed at her shoulder blades and before she could register he gave a bite to her collar bone making her clutch the collar of his shirt tightly.

His lips stated moving to the valley of her breasts while swirling and flicking his tongue wetting all of her skin. He stopped right above her breasts and gave a hard suck to her skin making her moan out again. "Mhmm..." the sensations she was feeling inside her whole body was new to her because she never has this feeling before.

Liam untied the knot of her blouse skillfully and taking it out threw it somewhere revealing her red lace bra. Cristina was feeling more confident by the passing time and she also stated unbuttoning his shirt but end up fumbling with the buttons making Liam laugh at her. He helped her in unbuttoning his shirt's buttons and removed it revealing his

chiseled chest and muscular arms. Cristina's hands started exploring his muscles making him groan out and again he smashed his lips on her.

Meanwhile she started removing her skirt and threw it away joining her blouse on the floor. He then unbuckled his pants and unzipping them he take it out throwing it somewhere in the cabin. Now they both her in their undergarments but it turned him more impatient and with a tug he unclasped her bra removing it from her and freeing her breasts. His firm hands went to her breast and squeezed it hardly making her moan out in pleasure. The jolt she was feeling in her whole body just by his touch was unexplainable.

"Aah...Liam...more." she almost pleaded him making him take his face away from hers and the next moment he latched his lips on one of her nipples sucking it harshly and with his hand he was squeezing and tugging at the other one. With his thumb he pressed her hardened bud and it was making her to demand for more and more.

"Liam..." she moaned out when Liam bite at her nipple and them took his mouth to the other one while squeezing the previous one. He gave his attention to both of them equally making her aroused and impatient.

His fingers tugged at the strings of her thong and she looked into her eyes for the permission. She breathlessly nodded at him and he take it out of her legs pushing it in the side of the couch for later. Moving his mouth from her

breasts he travelled his mouth to navel and twirled it inside her navel making her hold the armrest of the couch.

He travelled his mouth more to the south reaching to her glistening pink pussy and without wasting anytime he latched his lips on her vertical lips making her moan out loudly.

"Aaahh...Liam...mhhh..." she started moaning and it was increasing the encouragement of Liam more and more. He slowly entered his digits inside her making her hiss in pain because she was still unfamiliar with this invasion in her. He slowly and slowly moved his fingers in her folds making her hmm in delight and the next moment he trusted his finger inside her wet chanel making her scream out a little.

They both were new to this feeling which made it more intense and loving. Liam started moving his fingers inside her at a small pace and when she adjusted to his finger he added one more digit to it making her moan out loudly and push his face in her pussy lips more. His tongue was skillfully lapping on her pink lips and flicking the bud time to time making her to reach at her high making her clench around his fingers.

"Please...Liam...more." she moaned out pushing his face more closer to her wet chanel if possible and he understood that she is nearing her high so he increased the pace of his fingers and thrust his tongue inside her wet chanel and that was it she broke all the restraints and reached her high

feeling ecstasy and pleasure running through her body.

When she came down from her high Liam slurped all the juices from her wet pussy making her aroused more and more and when he cleaned her completely he came back to her lips and kissed her roughly making her taste her own self. Her breath calmed down a little and Liam took it as a queue and took his boxers off revealing his erected shaft. He lined it up at her wet entrance and after getting confirmation from her through a nod he entered his tip inside her making her hiss at the new invasion. Liam let her take her time and when she nodded in yes he thrust his shaft in a go making her scream out loudly.

"Liam....mmm..." she scream in pain feeling like her vagina will tear apart. Liam didn't move and bent down kissing her tears away from her cheeks and let her adjust to him. When she adjusted and gave him confirmation he started moving slowly and slowly earning moans from her and when she understood that she is adjusted to him he increased his pace and started loving faster inside her.

"Ah...Liam...keep going..." she said closing her eyes in ecstasy and Liam laced his fingers with her and keep going more and more deeper inside her making her moan out in pain and pleasure and after sometime pleasure completely take over the pain making her ask for more and more.

Liam increased his pace and keep going deeper and deeper inside her. He lifted her legs and kept them on his shoulders

for the better axis and keep thrusting inside her continuously and soon her walls started clenching around his shaft making him clench his jaw and his thrusts turned more urgent and deep and after some time they both reached to their high releasing their juices. Liam released all of his seeds inside her and when they came down from their high he crashed upon her naked figure both breathing heavily.

Liam lifted his face up and cleaned get sweat filled forehead pecking her cheeks. She smiled at his caring nature and it made them both greedy to be together with each other and they didn't want to be away from each other. Liam placed his head at her chest.

"Let's get married love." he let out suddenly making Christina shocked her his sudden proposal.

"What?" she asked him shockingly wanting to confirm if she head right.

"Yes, let's marry each other because I can't afford to loose you now." he said looking into her eyes with so much emotion swirling in them making Cristina's gaze softened. She felt a lump in her throat due to the overwhelming of emotions she was feeling. She slowly nodded her head in yes.

"Yes, I will marry you." she said replying to his proposal making him smile knowing now no matter what happens they will no let it come between them. They want each other

in their life and no one can separate them now. Not after the love they made a while ago and she also got the assurance he wanted to give her.

"I love you so much." he said crashing his lips on her making her reply him between the kiss.

"I love you too Liam." she mumbled in the kiss smiling ear to ear and he deepened the kiss hearing he reply but little did they know that they both has started a new chapter of this rivalry.
