

LLPD Chapter 1484

Chapter 1484 Everything Falls

In fact, those bodyguards are also very scared, after all, no one wants to die.

So after the plane in the sky informed them again to surrender, they didn't say a word, they dropped the weapons in their hands and surrendered.

The money is good, but also have to have a life to spend ah.

Connor watched the bodyguards surrender, his heart hated, but could not do anything about it.

But he, himself, insisted that he was not willing to surrender, "So what if I'm the only one left, I'm the only one left, and I will never surrender and admit defeat to you Jared."

Jared narrowed his eyes, "I don't care if you admit defeat or not, it doesn't matter to me, I just want to know why you killed my father, just because my father was married to my mother?"

As if he had heard the big call, Connor threw back his head and laughed, "Your mother? How could I have killed your father because she was married to your father, I didn't love her at all!"

"What?" Jared's face changed slightly, "You didn't love my mother?"

"Of course I didn't, it was never her I loved, the girl I loved, she died long ago, for your father!" Connor roared with scarlet eyes.

Jared's eyebrows tightened, "What the hell is going on here?"

"The girl I love and I, we grew up together as childhood friends, I always loved her, but she fell in love with your father, even to prepare a birthday gift for your father, went out in the middle of the night and got bullied, went back and killed herself, all because of Hendrik, if not for him, my Mhina would not have died, she would not have died, so I hate him, I swore I would kill him to avenge Mhina."

"Ridiculous!" Jared shouted angrily, "It's true that the death of someone you like is regrettable, but what does that have to do with my father? Did my father tell her to prepare the gift? You don't seek revenge on the people who really did her in, and you blame my father for everything, you simply want to add to the crime."

"Those people did deserve to die, and I did not spare them, but your father is definitely not innocent either, why did he show up? I've known Mhina for over ten years, why did he steal Mhina's heart as soon as he showed up, so why can't I hate him, if he hadn't shown up, none of this would have happened to Mhina!" Connor looked at Jared with eyes wide open.

Jared closed his eyes, "What about my mother? If you didn't love her, how could you stay with her and have to give her hope and despair!"

Connor snorted contemptuously, "Of course it's because that woman has use value, ah, after I know Hendrik likes the person is her, I specifically to pursue her, make her fall in love with me, and then take the initiative to brainwash her, tell her the Farrell Family is targeting me the Stockert family, so that she Married to Hendrik, so as to help me deal with the Farrell Family, but that woman is simply a stupid,

married to Hendrik, not only do not go around with Hendrik, help me steal the Farrell Family secrets, but also pushed Hendrik further and further away, bent on returning to my side. "

"So, from start to finish, you used my mother without ever showing an ounce of sincerity towards her, right?" Jared's fists clenched.

"I love only Mhina, my biggest wish in life is to kill Hendrik, destroy the Farrell Family to avenge Mhina, your mother, that stupid woman, married into the Farrell Family for more than ten years, did not help, all day long is sentimental, only bad for me I know she will not be able to bear to kill herself after learning about it, I just want her to die."

Here, he sighed regretfully, "Although I finally killed Hendrik, but I was not able to destroy the Farrell Family, Hendrik has a good son, ah, not a small ability, can actually bring the Farrell Family to a higher level, it seems that I want to destroy the The Farrell Family's desire to destroy the Farrell Family, is not achieved, but I was able to kill you."

After saying that, Connor directly raised the gun in his hand and was about to fire at Jared.

But his speed is not as fast as Jared.

Jared had long guessed that he would do so, and had shot first when he made his move.

Bang Bang Bang!

After a series of several gunshots, Connor fell down with his eyes covered in blood, and everyone could see the resignation in his eyes.

But so what?

A lord of the generation, or to their own desperate path.

Connor is dead, Makenna is dead, Mr. Oller is also dead.

The rest of the bodyguards have long since surrendered and were brought down in handcuffs.

Everything was settled.

...

The First Hospital, in the ward.

Jared sat on the hospital bed, holding Amber's hand and waiting worriedly for her to wake up.

He looked at her red, swollen face and hated to whip Makenna.

"Jared," at that moment, the old Mrs. Farrell walked in with her cane, supported by Mrs. Murphy, "How is Amber?"

Jared gave up his seat, "Nothing serious, Elias said, just a shock, take two days to recuperate and you'll be fine, just a badly swollen face. "

"That's unfortunate enough." the old Mrs. Farrell looked at Amber and said heartily.

Jared nodded his head.

the old Mrs. Farrell then asked, "I heard that Hendrik kid say that Connor killed your dad, not because your dad stole your mom, right?"

Jared gave a hmmm and then told the truth.

the old Mrs. Farrell listened and frowned, "So that's what's behind this, we always thought that Connor loved your mom and killed your dad because your dad was married to your mom, but now we know that the truth is so ridiculous, if your mom knew, would she regret it? "

Jared didn't say anything.

Would he regret it, he did not know, and he did not want to think about it.

He was disappointed in this real mother.

The old Mrs. Farrell also saw, changing the subject, "now Connor and Makenna are dead, the Jones family has been punished, now all the danger is solved, you and Amber's wedding, should also be on the agenda, right? If we don't hold it, Amber's belly will be too big to wear a wedding dress."

Hearing this, Jared's eyebrows gentle down, "Grandma is right, it is also time to put on the agenda."

"That's right, the wedding dress, if you're not available, I'll let Murphy help prepare."

"No, Grandma, I've been ready for that for a long time, but I didn't tell Little Leaf, I wanted to surprise her." Jared looked at Amber, who was unconscious, and his eyes were so tender that they were drowning.

"Well, that's great, I thought you weren't prepared, I bet you already had your own ideas." The old Mrs. Farrell said smilingly.

"But the wedding venue and so on, I have not yet arranged, so please grandmother you help." Jared looked at the old Mrs. Farrell.

The old Mrs. Farrell waved his hand, "What's the matter, I can do something for you, my old lady is also happy, okay, I'll take care of the wedding venue, but when do you plan to hold the wedding with Amber?"

"Just the end of this month." Jared thought about it.

He certainly wanted the sooner the better.

"That's less than ten days... it's a bit of a rush." the old Mrs. Farrell said.

"That's okay, just spend more money and put more people on the job." Jared didn't think so.

"Okay, so be it, then I will go to prepare, the proposal, you discuss with Amber."

With that, the old Mrs. Farrell left.

At this time, Ben knocked on the door, "Mr. Farrell, that Mr. Oller found out, he is five years ago to Connor's side as an assistant, his father was previously the president of one of our subsidiaries, because of corruption was sent to the police by you, and later died in prison, so that Mr. Oller on your hatred, to follow Connor against you. Follow Connor to deal with you, just want to revenge."
