Chapter 1

Chapter 1 Dragon Dagger

“Enzo, sooner or later, you'll end up dying under a woman's spell!”

Robin Bruce looked at the weak old man before him.

Enzo Patton wiped off the lipstick mark on his face, put on a helpless expression, and then handed a bank card to him. “Robin, spend as much as you want! There are millions of billions of dollars in the Leopard Card!

“I have luxurious houses in major cities around the world. Feel free to move in any time you want.

“And this... Damn! Not this!”

Enzo took out a black cutout bra from his waist. Just as he handed it to Robin, he realized something was wrong. After a while, he took out a dagger in a strange color.

“This Dragon Dagger has been absent from the world for 50 years. Now I'm entrusting it to you. It's no ordinary dagger. It has the power to command...

“Oh, never mind. Someone will find you when it is time. Just wait in Londraland.

“Robin, after you get married, you...”

Enzo wanted to say something.

Then four hot beauties came downstairs to take him away.

“Enzo, hurry up. We can't wait!”

“Don't worry. Your apprentice is strong enough to fight a demon. He won't get hurt!”

“Ah!” Soon, Enzo's shouts came from his bedroom upstairs.

Robin looked in the direction of the bedroom and shrugged his shoulders. He put the Leopard Card in his bag. After leaving Enzo's place, he hailed a taxi to the airport. On the way, he observed the dagger. The lines on the Dragon Dagger looked like a flying dragon with strong power.

Its golden scales shone brightly in the dark car...

After a flight of over 20 hours, he finally arrived in Hallcester, Londraland.

It was a developed city in the east of Londraland. At that moment, it was snowing in the late afternoon. Looking at the note about his engagement, Robin asked about it and went to the Brown Group downtown by taxi. Enzo told Robin that his fiancée was Miranda Brown. Their engagement was set up by their grandfathers. Back then, they hadn't come to the world yet.

Robin lived with Enzo for years.

He asked Enzo where his grandfather and parents were many times.

But Enzo wouldn't tell him.

Since his childhood, Robin had learned medical, combat, and even assassination skills from Enzo. Enzo took him to Bronia years ago.

It was a battlefield of mercenaries. Then, a man titled the Annihilator became famous around the world. He was mysterious. And his code name was Dragon.

Robin looked at the words on the yellowed page.

"What does my fiancée look like? Is she pretty and gentle?"

He tried to picture Miranda Brown in his mind on the way.

It took him 30 minutes to get to the downtown area in Hallcester.

He lowered the car window and savored the nightscape.

A sense of familiarity came over.

But suddenly, he sensed danger. It was coming at him quickly.

Robin looked forward warily.

“Bang!”

There were sounds of screeching brakes and crushing cars.

A Porsche got crushed and slid towards his taxi fast.

The taxi driver was panicked and didn't know what to do.

Robin grabbed the steering wheel with one hand and pulled the handbrake with the other, managing to turn the taxi! The taxi avoided the Porsche at a slight distance from it.

“Bang!”

After a moment of silence, gunshots broke the silence.

Four armed men jumped out of a BMW that got stuck by the barrier.

Two of them pointed their guns at people.

Aman rudely pulled an injured woman out of the Porsche and pressed his gun against her.

A bald man in the lead snapped at the crowd. “Squat!”

“Bang!”

He shot a brave man in the head.

Screams sounded in the panicked crowd.

Everyone squatted with their heads down.

Just then, Robin was leaning against the chair in the taxi, looking at the hostage outside.

The snowflakes danced in the cold lights on the street.

There were horrible car accidents with blood in the snow.

It gave a hint of death to the night.

Under the yellow lights, the woman was tall and gorgeous.

There was blood on her delicate face.

Yet, her beauty was not to be hidden.

Then, the robber found Robin in the car.

“Get out and squat!” The robber pointed his gun at Robin at once.

Robin smiled lightly and ignored him as he put down the window.

Robin looked up at the hostage.

“Let go of her!”

His voice was not loud.

But it sounded so cold in the freezing wind.

He was resolute and dominant!

The robber’s hand holding the gun shook subconsciously.

In fear, the woman looked over.

The glance at the profile with a half-smile in the car made her heart beat fast.

The woman was Karina Huber.

She was from the Huber family, the biggest family in Hallcester. She was the CEO of the Huber Group. With such a high status, she had met many big shots.

However, she had never met such a handsome and composed man.

He could even stay cool in front of these outlaws.

“You are risking your neck!” The robber paused and then snapped fiercely. He pulled the trigger. “No!” Karina closed her eyes in fear and screamed in despair.

A cold wind blew over, making the trees shake.

At that moment, it was hard to see clearly.

The snowflakes kept dancing in the air!

After a gunshot, silence fell upon the scene.

On the cold street, Karina stood alone.

Everyone looked around subconsciously.

After the initial shock, they discovered the four robbers lying lifeless in the snow.

It happened so fast that it seemed unrealistic.

If their bodies had not been here...

They would have thought it was a dream!

The robbers all had their necks cut!

Blood gushed from their necks, creating a warm mist above the frigid snow!

“Karina, are you...OK?”

A Mercedes drove over fast. Then a gray-haired man got out of the car and walked to her fast, anxious. “Grandpa, | ... I’m fine!” Karina came back to her senses.

She grabbed the arm of Harold Huber, her grandfather. She was trembling uncontrollably.

She watched with fear in her beautiful eyes as the taxi drove away in the snow.

She didn’t see Robin's face clearly.

But his cold killing intent lingered on her mind.

Harold looked at the robbers’ bodies and wiped the cold sweat off his head.

“Tell the Huber family to find the young man in the taxi now!

“Search everywhere to find him!”

Chapter 2

Chapter 2 The New Year's Party

Robin left by taxi and went to the Brown Group.

At that moment, the Brown Group was celebrating the new year.

Before the building, there were various fancy cars. The decorations looked colorful.

There were big shots in Hallcester.

Robin stood out among the well-dressed guests, looking like a fish out of water in his casual attire. But the receptionists didn't stop him at the entrance.

After all, many rich men loved to be low-key.

It was hard to distinguish the rich from the poor according to clothes.

After entering the hall, he came to the buffet.

He was so hungry after a flight of over 20 hours.

Not noticing people's gazes, he got a plate of food and two glasses of red wine. Then he started eating. "He is here for food?"

"I thought he was from a rich family and stayed low at the party on purpose."

"Wow, look at him go! He must have been starving for years, the way he wolfed down that food!" "He must be a poor guy who's trying to make money by rubbing elbows with the wealthy at fancy parties." "How could they let such a liar in? Ask the waiter to report this to the manager and drive him away!"
Soon, Robin attracted people's attention.

Stephens Brown, the butler of the Brown family, came to him as people required.

He frowned at Robin, who was eating.

"Sir, did you get invited by the Brown Group to our New Year's party?"

Robin chewed the beef and said without looking up, “No. I’m Miranda Brown’s fiancé. I came to marry her.” It shocked everyone!

What a liar!

He even claimed that he was Miranda Brown’s fiancé!

How ridiculous!

Miranda was the president of the Brown Group. She was a gorgeous businesswoman in Hallcester! Countless rich and powerful men wanted to win her heart.

But Robin, dressed casually, looked so poor.

How dare he say that at the party!

“How dare you!” Stephens snapped.

“You are so bold. I can let you off if you get out now. Or I will break your legs!”

The guests looked at Robin teasingly, laughing.

“He must be crazy in hunger! How dare he talk nonsense at the party of the Brown family?”

“How would Ms. Brown have a fiancé like you?”

“Don’t flatter yourself. Look at you! Hahaha...”

Robin hadn’t swallowed the beef in his mouth.

Hearing their words, he looked up at people’s twisted smiles.

He gave Stephens a once-over and snapped, “Who the heck are you? What makes you think you can just tell me to scram? I’m Miranda’s fiancé, so you better let her know I wanna talk to her.”

Stephens staggered and snapped, “Young man, I’m Stephens Brown, the butler of the Brown family!” Robin paused and smiled, “Oh, Stephens? You are on my side then. OK. Now take me to my wife.” “Damn! He is not only poor but also crazy!” The guests got excited in the hall.

“He talked like that to the butler? Impressive!”

“Everyone knows that Stephens is an expert in martial arts. Few people dare to go against him in this city.” “Looks like he will be dead meat!”

Stephens sneered, “Young man, I dare you to say it again!”

Robin looked at him in confusion. “Shit! You seem to be slow. You don’t understand me?”

His words made people laugh again.

“That’s indeed something.”

“He actually sees himself as Ms. Brown’s fiancé...”

Stephens’ face changed in anger. He shouted, “You ask for it!”

He got humiliated by Robin before so many big shots in Hallchester. Of course, he wouldn’t let Robin off. Then, he threw his punch at Robin.

He tried so hard!

Robin paused and looked at Stephens in confusion.

He thought, “Damn! How dare you hit me? You are done!”

Seeing his punch, Robin just patted him lightly.

Stephens felt that his punch landed on a hard iron board.

Losing his balance, he staggered away.

Robin glanced at Stephens and shook his head in disdain.

The laughter in the hall turned into shouts.

Stephens was actually knocked down by an unknown man with a punch easily!

They didn’t expect this crazy young man to be so strong.

Stephens was shocked.

He did his best!

He believed that few people could take it in Hallcester.

But Robin took it so easily by patting him!

Was it a coincidence? Was he careless?

A dozen bodyguards of the Brown Group came with tasers.

“What's wrong, Stephens?”

Stephens was mad and pointed at Robin. “He messed around at the New Year’s party. Tie him and break his legs!” The bodyguards surrounded Robin accordingly.

Robin sighed, wondering why they did so.

He thought, “I told you I was Miranda’s fiancé. Why are you still messing with me? You wanna try me?”

OK! Go ahead!”

Just as these bodyguards waved their tasers and wanted to jump at Robin together... They saw a figure move fast.

Meanwhile, their necks got hit.

Then, they fainted on the ground in an instant.

Robin looked at them and shook his head. “You guys are so weak.”

It made people scream in the hall.

What happened?

They saw nothing.

But Stephens frowned as he watched.

Robin was no pushover!

Just then, another dozen guards came over from outside and wanted to fight Robin. Suddenly, a shout sounded in the hall. "Enough! What are you doing?"

It became quiet at once. A young and pretty woman came downstairs from the second floor. People looked at her. She was well-shaped and had fine features.

Her bright beautiful eyes gave out cold lights.

It was Miranda Brown, the president of the Brown Group

Chapter 3

Capitulo 3 Soy tu prometido

"¿Eres Miranda Brown?" Robin atravesó al cobarde, camino hacia Miranda y la evaluó. Miranda frunció el ceño ligeramente confundida y dijo friamente: "¿Quién eres?"

"Esta es nuestra fiesta de Año Nuevo. ¿Como pudiste perder el tiempo aquí?"

"¡Será mejor que salgas antes de que nos enojemos mucho!"

Robin se sorprendió de que su prometida fuera tan dura.

Pero a él le gusto.

"Miranda, soy tu prometido. Vine a casarme contigo. ¿Cuándo podremos casarnos? Las risas vinieron del salón silencioso.

¡Qué absurdo!

"¡Suficiente! ¡Si sigues diciendo tonterías, no te mostraré piedad! —espeta Miranda.

El hombre que estaba a su lado dio un paso adelante y espeta: "¡Nut! ~¿Cómo te atreves a burlarte de Miranda...?"

"¡irse!" Robin lo apartó y se acercó a ella.

“Miranda, soy tu prometido. Este es el acuerdo de compromiso entre nuestros abuelos”. Le entregó un trozo de papel amarillo.

Los invitados a la fiesta quedaron impactados.

“¿Acuerdo?”

“Un mentiroso bien preparado!”

“¿Incluso preparé eso para ascender en la escala social?”

Los ojos de Miranda se volvieron mientras miraba inconscientemente el papel que tenía en la mano. Su cuerpo tembló levemente.

¡La firma era de hecho de su abuelo!

Jacob Walsh, el hombre al lado de Miranda, se sorprendió al ver el papel amarillo en la mano de Robin. ~Como se atreve un hombre pobre como Robin a intentar competir con él?

¡Jacob estaba molesto!

“¿Acuerdo? ¡Vamos! ¡Es un tiempo de libertad!”

“Je, ¿crees que puedes mentirle con un pedazo de mierda?”

Jacob hizo una seña a sus guardaespaldas. “¡Sacalo!”

“¡Espere, señor Walsh!” Miranda tomó el papel y lo detuvo.

Ella frunció el ceño ante el papel.

Hace mucho tiempo, su abuelo le habló del compromiso.

¡Pero ella no esperaba que fuera verdad!

Miró a Robin. Su ropa no sugería riqueza o poder.

“¿A qué te dedicas? ¿Qué pasa con tu familia?” Miranda preguntó tentativamente.

Robin se encogió de hombros. “No tengo trabajo. Mi familia podría haber fallecido”.

Alguien se burló en el pasillo: “Un vagabundo sin trabajo...”

Miranda lo miró con desdén.

~Como podría una vida tan baja ser su prometido?

¡Su objetivo era ser una mujer como Cecilia Decker, la presidenta del Purpeak International Group! “¿Compromiso? ¡Disparates!”

Un hombre de mediana edad salió, se paró frente a Miranda y espetó.

“Joven, vete ahora. ¡No eres bienvenido!”

Era el padre de Miranda, Alex Brown.

“Señor. ¡Marrón! ¡Señor Brown!” dijo Jacob cortésmente.

Julia Corbett, la esposa de Alex, estaba feliz. “Lo siento, señor Walsh”.

Luego, con mucho maquillaje, se volvió hacia Robin con frialdad: “¿Compromiso? ¡Bah! ¡Qué mentiroso!”

“¡Mírate! ¿Crees que eres lo suficientemente bueno para mi hija?”

Chapter 4

Chapter 4 Are You Good Enough for My Daughter?

Looking at them, Robin was annoyed.

He came to keep his grandfather's promise.

What did it have to do with money and status?

He had a large sum of money in the bank card from Enzo!

Wasn't it good enough for the Brown family?

“Enough! Stop!” Miranda frowned and stopped her family from talking.

She looked up at Robin. “This is the New Year’s party for the Brown Group. My grandfather is still in another country. “As for the engagement, I’ll ask him after the party.

“The Brown family never breaks our promises!

“Now that you have this, I won’t drive you away.

“You can drink and eat if you want.

“But remember!

“We have all the big shots in Hallcester here. They are my guests. You should not bother them. OK?” Then, Miranda threw the paper at Robin and walked onstage.

Jacob sneered and pointed at Robin. “Hey, you’d better leave after finishing eating! You shouldn’t have come!” The guests in the hall laughed mockingly.

They looked at Robin with pride.

Suddenly, it made Robin disgusted.

Miranda’s delicate face looked so ugly.

She said he could eat and drink if he wanted.

But he was not a beggar!

“I have no time for this boring party. Ask your grandfather to give me a reply now.” Robin didn’t move and shrugged his shoulders.

Miranda stopped, turned around slowly, and put on an impatient face.

“Are you forcing me?”

Robin smiled lightly, “You overthink it. You are not good enough for that.”

Miranda gnashed her teeth in anger.

She had never been mocked like this by a man!

Staring at him, Miranda called Bradshaw Brown at once.

She turned on the speaker on purpose.

“Grandpa, a guy named Robin Bruce came to our New Year’s party.

“He showed us an engagement agreement you made with his grandfather. What is going on?” Bradshaw paused. “Miranda, it’s a long story.

“Back then, | just started my business and suffered setbacks. The Brown Group was cornered. “I asked my family and friends for help, but no one helped me.

“The company was almost dead when his grandfather helped me and lent me 160 thousand dollars. Then | made it. “Both of you would be given birth to soon.

“To show my gratitude, | offered to set you up.”

Miranda was annoyed. “Grandpa, | don’t want this!”

Bradshaw fell silent.

“| was impulsive when | made the decision.

“His family has disappeared for years. They must have declined.

“But our family is different. We are somewhat powerful in Hallcester.

“If you don’t want to marry him, | won’t make you.”

Miranda hesitated. “You mean it can be canceled?”

Bradshaw sighed.

“My bad! | didn’t think carefully. If you don’t like it, just cancel the engagement!

“But we need to be polite.

“The Bruce family is now declining. Let’s return 160 thousand dollars to them to end this.” Miranda stopped frowning. She looked at Robin coldly and handed him a check.

“You heard that? My grandpa’s answer!

“We are so much different. Just tear the agreement!

“Here is a check of 160 thousand dollars. Here you are!

“Remember, our families are even now!”

Robin looked at the paper in his hand and then Miranda, who was proud and cold. He smiled, “OK! Hope you will never regret it!” Jacob mocked, “Regret? Hahaha... Jerk, how would the Brown family regret it? In your dream!” “Get out now!”

Robin's eyes were cold.

Miranda snorted, “Leave! | don't want you to be embarrassed.

“Don't try to fight Jacob back. You are never his comparison!

“You can live a good life with the money!

“In your case, you should be realistic. Just marry an ordinary woman.

“Besides, | will never regret this!”

Chapter 5

Robin looked at her disgusting face and tore the agreement as well as the check. Fragments scattered. Chapter 5 Apologize!

Miranda snorted and murmured, “What a stupid proud man! He will regret it soon!”

Just then, noises came from the entrance.

The crowd split and made way for Harold and Karina.

They walked in, led by Mark Huber.

Mark looked at Robin, who was in the crowd, and said quietly, “Mr. Huber, Mr. Bruce is here.” Harold's eyes lit up. He walked fast to Robin.

People who laughed at Robin were shocked to see Harold and Karina.

“Ms. Huber and Mr. Huber actually came here!”

The Brown family cheered up soon and greeted them.

Alex ran to Harold excitedly. “Ms. Huber, Mr. Huber, it’s my honor to have you here as my guests!” Miranda bowed to them with a smile too. “Mr. Huber, Ms. Huber, please take a seat!”

Harold ignored them with a dark face, walking to Robin.

After finding out that Robin was at the party, Mark informed Karina and Harold at once.

They came here a while ago.

Since Miranda and Robin were talking about their engagement, they didn’t show up.

When Robin tore the paper and check, they were relieved.

And they knew Robin better.

The Brown family didn’t realize Harold’s anger.

Harold and Karina’s appearance made them so excited!

The Huber family invested a lot of money in a park in the city. The project would begin soon. The Brown family wanted to be part of the project.

But the Brown family was not good enough to work with the Huber family.

However, Harold and Karina, who were in charge of the project, both came to the party of the Brown family. It meant that the Brown family might have the chance.

Over these years, Harold seldom went to parties in Hallcester.

And the Brown family’s New Year’s party was not even a top one!

Of course, the Huber family wouldn’t come!

After all, the Huber family was the biggest family in Hallcester. They were in charge of various projects. Even the mayor of Hallcester respected them.

The guests were also excited.

It was so exciting to go to the same party with Harold and Karina!

These people from other smaller families could brag about it for a long time.

“Mr. Huber, it is noisy here. We have boxes on the second floor...” Alex followed Harold and Karina respectfully. Harold snorted, “You have high thresholds. No need! | just came here for someone!”

Alex paused, not knowing what he meant.

“Mr. Bruce, sorry to bother you!” Harold came to Robin and greeted him.

“I came to invite you to my place for a drink.”

Robin was surprised and said, “I have no time, and | don’t like drinking.”

Then he walked to the door.

The Brown family was puzzled.

Harold invited Robin to his place?

Impossible!

Except for Ethen Finley, the major of Hallcester, and Cecilia...

No one was treated like this.

Did Harold make a mistake?

Robin was just a common man who got rejected by the Brown family.

How could Harold invite such a common man to his place?

To people's surprise, Robin even said no proudly!

They believed that Robin was afraid.

“Stop!” After a moment of confusion, Jacob snapped at Robin’s back.

“Jerk, how could you talk like that to Mr. Huber?”

“Kneel and apologize to him! Or I will break your legs!”

Robin paused and turned around slowly. “Are you talking to me?”

“Damn! So what? Now...” Jacob was disdainful.

But before he could finish, Robin stretched out to grab his hair and pressed down.

“Bang!”

Jacob's legs shook. He lost his balance and knelt before Robin.

His knees hit the ground hard, which made him grit his teeth in pain. His face was twisted. “How dare you hit me? I...” Jacob’s eyes were red. He struggled to stand up.

Robin actually embarrassed him in front of the upper class in Hallchester.

What was worse, Karina, the woman he liked, was here too!

Jacob wanted to kill Robin.

“Bam! Bam! Bam!”

Before he could continue, Robin slapped him three times. Blood came out of his mouth. “Believe it or not, I can even kill you!” Jacob covered his face and shut up, looking at his half-smile in fear!

“Robin, you went too far!” snapped Miranda.

“I know you are mad because the engagement was canceled. But what are you doing?”

“To show how rude you are?”

“This is all that you low life can do?”

“Now kneel and apologize to Mr. Walsh!”

“Then I can ask the Walsh family for mercy to keep you alive. Otherwise...”

“What? Heh! He is just a bad guy. So what if Robin hit him?” Karina stepped forward and looked at Miranda coldly. Miranda was shocked. “Ms. Huber, he...he hit Mr. Walsh at our party...”

“You mean you took Jacob’s side?” Karina said coldly.

“If so, we don’t mind destroying your family too!”

Miranda was startled.

She didn’t know why Karina would defend Robin!

The Brown family and the guests exclaimed.

They were puzzled.

What was the Huber family doing? They took Robin’s side?

Alex said with doubt, “Mr. Huber, Ms. Huber, did you get tricked by this guy?”

“We just canceled the engagement with him. He is just a low life...”

Harold had a dark face. “He is our honored guest! How dare you let Jacob humiliate him? You think we are pushovers?” “Honored guest?” Alex was shocked. His body shook. And he almost fell.

Harold was the head of the biggest family in Hallcester.

His anger made everyone scared!

The guests then noticed his cold eyes.

So Harold and Karina didn’t come for the New Year's party held by the Brown family?

Why did they get mad at the Brown family?

The Brown family was astonished.

What was going on?

They didn't think they had offended the Huber family before. Why was the Huber family so hostile? But Harold and Karina's warnings made them too scared to doubt it.

Harold walked to Robin, pointed at Jacob, who was kneeling, and said coldly, "Mr. Bruce, if you want, I can turn the Brown family and the Walsh family into ashes!"
