Chapter 401 Are They in a Relationship?

Upon hearing Bradshaw's words, Robin burst into laughter.

"Such a shameless and despicable betrayal, and yet you speak of it so nobly! No wonder Miranda turned out to be such a piece of trash, the apple doesn't fall far from the tree!"

Bradshaw shook his head, looking at Robin with disdain. "I won't argue with you for speaking to me like this, because your cultivation is not enough. I know that people at your level have a very twisted mindset," he said.

Robin laughed with interest, "Damn! That's quite something! Go on, I'm suddenly intrigued to see just how shameless you can be."

"Why do you have to speak so rudely!" Bradshaw sighed, "Is your grandfather no longer with us?"

"Robin, I did this to preserve a good reputation for your grandfather in this world."

"If in the future, the people of Hallcester mention the million your grandfather helped me with back then, implying it was to get close to the Brown family, it would be embarrassing.

"Since starting their own business, the Brown family had never succumbed due to profit."

"You saw it too, our Miranda not only has a high social status now, but also outstanding talent and beauty. More importantly, she has me, a

wealthy and powerful grandfather. Tell me, which aspect of you is worthy of her?"

"Robin, accept the truth, don't always think about becoming a rich person, but think about becoming a useful person. Once you understand this, your mood will improve."

"Go back, don't stay here, it will make you very upset."

“Now everyone knows that you were jilted by the Brown family. If you continue to stay at Miranda and Jacob’s engagement ceremony, it will be more uncomfortable than a slap in the face.”

Robin laughed, “What does their engagement have to do with me?”

He pulled out his phone, about to contact Terrence to drive these people away, when Crystal ran over.

“Robin, wait a moment.”

Robin said coldly, “Woman, can’t you spare me some trouble?”

“You brought these trashy things to my villa to disgust me, are you full and have nothing better to do?!”

Crystal looked at Robin, who was cold-faced at the moment, and was startled. She quickly lowered her head and said, “Robin, I’m sorry, I didn’t tell you in advance, please listen to my explanation.”

“What’s there to explain? Get rid of these things for me!” Robin said coldly.

Seeing the newly appointed leader of the Thompson Group, Crystal, acting so timidly in front of Robin, they immediately started discussing.

“Ms. Thompson was quite valuable, much more so than the young lady of the Brown family.”

“How could she have been like that to Robin?”

“What was going on?”

“It seemed like Ms. Thompson was Miranda’s best friend, what was she playing at?”

Crystal said shakily, “Robin, I... I saw Miranda and her family constantly humiliating and despising you, and it really upset me.”

“Even though she was my best friend back then, but... but every time I saw the way she looked at you, I wanted to slap them hard.”

“I did this because I wanted her to see you, not as they imagined you to be so unbearable.”

“Robin, you were the most important person in my life, you helped me, you could even say you saved my life.”

“I didn’t want to see anyone unjustly humiliate you. I wanted to prove to Miranda that you are a man she and the Brown family could never aspire to match.”

The crowd was utterly confused, but it delighted the online journalists to

no end.

“What did this mean?”

Chapter 401 Are They in a Relationship?

“It seemed as though Ms. Thompson was quite grateful to Robin. What exactly was going on between them?”

“Were they dating?”

“The scoop today was quite intense, huh! Quickly give them a shot!”

Upon hearing this, Miranda suddenly burst into laughter.

“Crystal, were you two acting?”

“This Mauveglow Villa 1 was clearly owned by that big shot, he didn’t want to show-up, and you were planning to impose this identity on Robin?”

“I just couldn’t understand, Crystal, why on earth would you repeatedly try to sell this piece of junk to me?”

“A low-level loser, a man who relies on women to get by. I could never

be attracted to him!”

Crystal looked at the mocking smile on Miranda’s face, she gave a bitter smile,

“Miranda, I really didn’t lie to you.”

“The reason I borrowed this villa from Robin for you to use was to let you know, you missed out on a truly outstanding man!”

“You always said you and Robin were not on the same level.”

“This statement was not wrong at all, its depth was simply beyond your imagination.”

“Just yesterday, Robin wiped out the Elliott family and the Reynell family of Hallcester within minutes!”

“Hehe, Robin could have wiped them out in a minute, wiped you out, the Brown family, without even lifting a finger. Just a word, and Demon’s Lair and Ms. Decker would have directly wiped out you, the Brown family!”

“It’s just that, Robin simply disdained to argue with you!”

“I knew, it was because he was thinking of the marriage contract you once had, that he let you go time and time again!”

“Before, I lent you Robin’s villa without his knowledge.”

“He came over today, not to attend your engagement ceremony...”

“Hahaha...” Before Crystal could finish, Miranda started laughing, “Crystal, I’ve noticed that you have the talent of a leading actress. You could star in a TV show, I’m sure you’d become an overnight sensation!”

“Enough, Crystal, today is the joyous day of my engagement with Jacob, so stop daydreaming. Even if I were to marry a pig, I wouldn’t marry Robin!”

“What? The Elliott family of Hashville, ranked fifth, was ruined, and the Reynell family of Hallcester went bankrupt, all because of Robin?”

“It seemed that the fifty Eastern District partners who collaborated with the Huber family yesterday, instigated by Nathen, collectively confronted the Huber family at the Finley family’s celebration.”

“The Huber family, with the help of a mysterious tycoon and the Hondry Sect, successfully thwarted the plot of the Reynell family, thereby securing the Huber Group’s position as the top magnate in Hallcester.”

“Listening to this Ms. Thompson, Robin was that mysterious big shot?”

Journalists from major online platforms were suddenly extremely excited!

The news today was absolutely explosive!

At that moment, they had already lost interest in the reports about Jacob and Miranda's engagement ceremony.

The plan was to focus the expose on Robin.

Soon, this interlude at the Brown family's engagement ceremony quickly became the top trending news.

The man, Robin, who was once engaged to Ms. Brown, found the location of Ms. Brown's engagement ceremony today, attempting to disrupt the marriage.

Karina slightly furrowed her brows and immediately opened the DuYin

Watching the videos on the internet and the discussions among netizens, my face suddenly turned as cold as ice!

Robin... How could Robin have ended up in such a place?

The Brown family was nothing!

Miranda meant nothing!

What right did they have to insult the nobles of the Huber family?

Robin was the man Karina had her eye on!

How could I have allowed those trash from the Brown family to humiliate him!

Karina immediately made a call to Harold. informing him about the matter of Mauveglow Villa 1.

Karina also quickly finished her breakfast.

Sped off quickly by car towards Mauveglow Villas.

At that moment, Cecilia, who lived in the number two area of Mauveglow Villas, was lazily lying in bed.

Recalling the events that happened after meeting Robin.

A hint of expectant blush spread across that exquisite face.

"Miss, the gentleman has run into trouble," Livia walked into her room with her phone.

Cecilia suddenly rolled out of bed, "What's going on?"

Livia brought the news of the Brown family's engagement ceremony, which was being reported on the mobile network, to Cecilia.

After seeing this scene, a terrifying smile bloomed on Cecilia's face.

"Mr. Bruce didn't want to dirty his hands, he kept tolerating, yet the Brown family didn't know what was good for them!"

"The gentleman has done me the favor of a second chance, how could I

"Miranda, the auspicious time is almost here, let's hurry up and hold the engagement ceremony," Jacob said, walking to the front of the villa, wrapping his arm around Miranda's slender waist, and smiling.

Miranda deliberately put on an affectionate demeanor, nodding in an extremely ladylike manner, "Yes, dear, let's go."

Taking a step forward, she didn't forget to turn back and wave at Crystal and Robin: "Robin, you just wait outside. From your angle, you can still see a bit of the engagement stage between me and Jacob."

"Crystal, did you come in with me, or did you stay with him, continuing to aid his deceitful act of winning my heart?"

Crystal shook her head helplessly, "Go ahead, I wish you well!"

Crystal looked at Robin's indifferent gaze and apologized, "Robin, did I go too far?"

"Ring, ring." Nia's phone call came.

"Robin, the two highest-ranking officers, Lieutenant General Preston Swanson and Chief of Staff Major General Luis Stone, along with the guards, had already arrived at Hallcester."

"Due to the time constraints, the Brigadier's promotion ceremony was held directly at your place!"

"Where were you then? Send me your location."

"We were on our way to you immediately, the two officers wanted to personally bestow your rank upon you."

Robin sent the location of Zone 1 of Mauveglow Villas directly to Nia.

"Alright, we'll be there in half an hour," Nia said, before promptly hanging up the phone.

At that moment, the engagement ceremony of Miranda and Jacob had already begun in the small square inside the villa.

Miranda, hand in hand with her father Alex and mother Julia, walked up to the Walsh family.

“Later, in Hallcester, the Walsh family and the Brown family would stand on the same line.”

“Jacob, you must treat Miranda well in the future, and manage your little family well.”

“In this way, our two families could join forces to reach a higher level in Hallcester.”

“Mr. Brown, what I meant was that we would hold a formal wedding for the children a month later, allowing them to form a new family as soon as possible.”

Alex and Julia laughed, saying, “We agree, Mr. Walsh!”

“Being able to marry our daughter to Jacob, both Julia and I were very relieved. Alright, let’s hold their engagement ceremony on the date you mentioned.”

Then, the ceremonial music sounded at the scene.

The host announced that the two parties exchanged engagement rings and expressed their mutual expectations and promises for the future.

Jacob held Miranda’s hand as they walked down the red carpet, receiving congratulations from family and friends.

At that moment, Miranda’s gaze drifted towards Robin, who was still

15:25

standing at the entrance of the villa area.

Such an expression, all that was radiating was arrogance and contempt.

Robin, I wanted you to watch me walk into the engagement hall with a man who is better than you, to break your heart.

You understood then, I was the woman you could never have.

Miranda had a kind of refreshing feeling that she had never had before.

Whenever she saw Robin’s pain, there was an inexplicable excitement in her heart.

She subconsciously kissed Jacob on the face, then turned to look at Robin.

That look and laughter were all captured by the on-site reporters and posted on the internet.

Karina drove all the way.

I watched Miranda's smug expression in the video all the way.

There was a cold burst in her eyes.

A tiny Brown family, where did you get the audacity to repeatedly insult the dignitaries of the Huber family?

Today, I was determined to annihilate you all!

Letting you know, for humiliating Robin, you, the Brown family, would pay a hefty price!

15:25

The engagement ceremony of Miranda and Jacob in Zone 1 of Mauveglow Villas was successfully completed.

Both families signed the formal marriage contract.

The notary had inscribed his signature on the marriage contract.

They discussed and decided to hold the formal wedding ceremony a month later.

Moreover, Miranda had also announced to the entire people of Hallcester through the lens of the internet.

Their formal wedding ceremony would also be held at Mauveglow Villa

1. 1.

At that time, more friends would be invited to come and share the luxury here and the joy of the wedding with her.

Having completed the entire engagement process, Miranda, with her graceful stride and proud smile, took Jacob's hand and deliberately walked up to Robin like a lady of high society.

"Robin, from now on, I am Mrs. Walsh, you can let go of that heart that thinks of me every day!"

“Did you see that? The life of our high society is not something you could imagine.”

“Could you have imagined yourself marrying a poor woman one day, and being able to get married in such a luxurious place?”

“Was there such a lavish display at your wedding venue?”

“Robin, wake up, your wish has also come true today!”

“You finally saw the scene that made you most desperate. The collapse therapy I designed for you, it should have cured you, right?”

A slap landed on Miranda’s face with a “smack!”

Miranda stumbled, and was caught by Jacob.

“You lowlife, what gives you the right to act recklessly in front of Mr. Bruce!”

Livia slapped Miranda in the face.

Chapter 404 One More Word I’ll Cut Your Throat

Livia’s slap sent Miranda staggering back a few steps, shocking everyone present.

A host of online media journalists immediately pointed their cameras at Livia and Miranda.

The entire Brown family was completely baffled.

What was going on?

Why did they start hitting the female lead as soon as they came in?

Miranda’s mother, Julia, snapped back to reality from her shock.

She immediately rushed up to Livia, sternly scolding, "Why did you hit my daughter, you woman?"

"Do I need a reason to hit her?" Livia sneered, "I've said it before, if she dares to insult Mr. Bruce, I'll hit her every time I see her!"

"You...you're the pauper who's with Robin?" Julia fumed, grinding her teeth in anger.

"Smack!" Without a second thought, Livia slapped Julia across the face, "Scream again, and I'll slit your throat!"

Julia was taken aback by Livia's gaze and immediately shut her mouth.

"Come, come, come, let me tell you! I came from the Grim Reaper!"

Livia's fierce slaps completely stunned the Brown family.

It also left a crowd of media reporters staring in bewilderment.

Who was this woman?

So rude, he didn't say a word and just got straight to it.

Could it have been Robin's girlfriend?

Alex flew into a rage, "Stephens! Teach this ill-mannered woman a lesson!"

The head butler of the Brown family, Stephens, recognized Livia. He didn't dare to act rashly, and whispered, "Mr. Brown, this is Ms. Decker's maid."

Cecilia came over from behind, "Livia slapped!"

Livia slapped Alex in the face.

Alex lay sprawled on the ground, staring in shock at the icy Cecilia while clutching his cheek.

Everyone immediately held their breath, daring not to make a single sound.

Cecilia's aura was too strong.

Not only was she enchantingly beautiful, but also, she was ruthless and cruel.

Conway, the Underground Demon King of Hallcester, would always step back when he saw her.

Normally, they could not possibly see the Purpeak Queen at such a close distance.

What everyone didn't understand was why they had attacked the Brown family's people.

Offending this woman was not a good thing.

Bradshaw's cheek twitched a few times.

Despite being consumed by rage, he was still extremely terrified in the face of this cold and heartless woman.

He stepped forward and said, "Ms. Decker, I don't know what my Miranda did to offend you, but why did you let your maid hit her?"

Cecilia gave a seductive, cold laugh, "You mean, you, the Brown family,

Bradshaw was suddenly stunned.

This attitude was completely dismissive of the Brown family.

“Ms. Decker, I know your power is immense, but aren’t you afraid that the people of Hallcester will accuse you of bullying the weak?”

“What can you do if I bully you? You don’t accept it?” The smile on Cecilia’s face slowly turned cold, her charming eyelashes lifted, she said icily.

In an instant, everyone felt a chilling pressure.

Bradshaw was even more intimidated by this aura, stepping back a few steps.

Miranda, clutching her aching cheek, looked at Cecilia, “Ms. Decker, I’ve always considered you my idol, wanting wholeheartedly to become someone like you...”

“Shut up! Stop disgusting me! You will never become like me!”

After speaking, Cecilia turned around and knelt on one knee in front of Robin, “My lord, with just one word from you, I will kill every member of the Brown family right now!”

As soon as these words were spoken, the Brown family and everyone present shuddered violently.

Even more unbelievable was that Purpeak Queen, Cecilia, whom she had always idolized, was kneeling in front of Robin like a servant!

What on earth was going on?

Robin shook his head, "Let them go, I don't want these trash to dirty my villa!"

Cecilia hesitated, not daring to contradict anything Robin had said.

She knew that Robin had his own reasons for doing so.

"Yes, Master!" Cecilia replied respectfully.

This scene left all the guests and the Brown family at the scene dumbfounded.

Cecilia, known as the Purpeak Queen, was surprisingly humble in front of Robin, like a maid.

Moreover, they also referred to Robin as the master!

The onlooking guests spontaneously parted to both sides, making way for a passage.

A woman of unparalleled beauty and grace walked through the crowd.

Wasn't this person the first goddess of Hallcester, Ms. Huber?

What did Ms. Huber come here to do?

Chapter 405 A Bunch of Clowns!

The front of Mauveglow Villa 1 suddenly fell silent.

The day today was truly extravagant!

The two unparalleled beauties of Hallcester gathered here, truly a rare visual feast!

The young masters and misses of the upper-class families all had their eyes wide open.

This was their first time closely observing this aloof and proud beauty of Hallcester.

Such unparalleled elegance, truly, it can be said, her beauty eclipses both past and present, even the lotus flower pales in comparison to her jade-like complexion!

Ms. Huber was simply God's most perfect masterpiece!

The reporters from the on-site online platform were so shocked that they momentarily forgot their duties and stared in awe.

How great it would have been if I had such an experience!

Karina slowly turned around, the charming smile on her face cooling down.

She glanced at the Brown family and all the guests, "I am Karina's man, not some lowly thing that any Tom, Dick or Harry can insult at will!"

“Robin was my fiancé, Karina, and the largest shareholder of the Huber Group!”

“Rather than saying the Huber Group belonged to the Huber family, it was more accurate to say it was Robin’s!”

She slowly walked up to Miranda.

Standing half a head taller than Miranda, she looked down at her, “I’d like to ask, what gives a low– class woman like you the audacity to claim that you’re a woman Robin can’t afford to associate with?”

With a crisp “slap!”, Karina smacked Miranda across the face.

“Robin could have wiped out the Brown family single–handedly. The reason he has been ignoring you is because he disdains you!”

“A bunch of self–righteous clowns!”

“You, the Brown family, like a bunch of ants, repeatedly slandered him. Robin, fearing to dirty his hands, disdained to deal with you. The Huber family will clean up you trash for him!”

As soon as these words were spoken, the whole room was instantly shocked.

Ms. Huber not only announced that Robin was her fiancé, but also threatened to destroy the Brown family for Robin!

The Brown family really met their match today!

Both of the top–tier women in Hallcester stood up for Robin.

One was before him like a maidservant, while the other claimed to be her fiancé.

For such two behemoth–level financial groups, annihilating the Brown family was just a matter of minutes.

Had the Brown family lost their minds?

Actually offended such a man!

The man who could catch the eyes of Cecilia and Karina, he must be the

top-notch boss!

However, the Brown family referred to it as a loser grassroots?

How foolish one must be to utter such utterly stupid words.

Karina cast a disdainful glance at Miranda, then lifted her gaze to the guests present. "Ladies and Gentlemen, take a look at my appearance, how does it compare to hers, Miranda? And how does the strength of the Huber family compare to her Brown family?"

"A woman as insignificant as an ant, dared to say that she was too good. for Robin. Such a mindset is not just ordinarily impaired!"

As Karina's words fell, everyone let out a strange, mocking laugh.

Where was the comparability in this!

Although Miranda was somewhat attractive, she was simply incomparable to a peerless beauty like Karina. They were not even on the same level!

The strength of the Brown family, needless to say, was far greater than that of the Huber family!

One was an ant, the other was an elephant.

If the Huber family wanted, crushing the Brown family would have been as easy as lifting their foot.

The Brown family didn't dare to make a sound, this was not a joking matter.

Bradshaw looked extremely embarrassed.

Chapter AUD A DUNGTI VI GIUNTO:

Karina humiliated the Brown family in front of Hallcester's upper-class families and online media, calling the Brown family a bunch of trash.

It really made him lose face!

Despite the Brown family not having a fraction of the power that the Huber family had.

But the taste of being pointed at and scolded was really hard to swallow this anger in my heart.

He stepped forward and said, "Ms. Huber, I know that the Huber family holds great power in Hallcester. but that doesn't give you the right to be so arrogant and humiliate the Brown family."

Karina snorted coldly, "Arrogant and overbearing, what's the point of humiliating the Brown family!"

Chapter 406 I Want to Bankrupt the Brown Family

The scene was completely silent!

After Ms. Huber returned to her country upon completing her studies, she rarely appeared in public.

Also rarely spoke in front of the media.

In the eyes of the people of Hallcester, they were all seen as cold, arrogant, and reticent beings.

No one had ever heard her speak with such domineering and sharp words.

"Acting high and mighty, how could it matter if you humiliated the Brown family!"

Indeed it was!

The Huber family, with their overwhelming power, crushed the Brown family as effortlessly as squashing an ant!

The Brown family had their first clear recognition of the aura of this new generation leader of the Huber Group.

Karina was not some frail, rich heiress.

She was the new leader of the Huber Group!

Bradshaw couldn't help but break out in a cold sweat!

However, with his age's maturity, he quickly recovered from the panic.

He struggled to control his emotions, taking a deep breath and saying, "Alright, Ms. Huber, since you put it that way, I have nothing to say."

"I just wanted to explain a thing or two before Ms. Huber took action."

"You might not yet understand what exactly happened here."

"Even if your grandfather were here, he would let me finish speaking before making a judgment!"

Bradshaw didn't forget to utilize the power of the media, nodding at them and saying, "Ladies and gentlemen, wouldn't you agree?"

A host of media reporters looked at Karina.

Bradshaw seized the opportunity to continue. "Ms. Huber, since you came in, you've been accusing the Brown family of bullying Robin without knowing the full story. You've really wronged us."

"My granddaughter Miranda, although previously engaged to Robin, had long since broken off the engagement."

"I have said more than once in public that the paper marriage contract. was just a joke between Robin's grandfather and me when we were young, and it should not be taken seriously."

"Back then, we were all still young, not considering so much."

"Miranda and Robin weren't even born yet, haha, tell me, isn't this paper marriage contract a joke?"

## Chapter 406 | Want to Bankrupt the Brown Family

“So many years had passed, everyone’s experiences and circumstances were vastly different, and that paper marriage contract was nothing more than a joke.”

“Robin’s grandfather himself had no foundation, and there had been not news of him for years.”

“Why did my granddaughter, with her worth, have to marry a man like Robin who has no background or family wealth?”

“But, as far as I knew, Robin had been pestering Miranda ever since he was jilted.”

“Today, Miranda got engaged to the son of the Walsh family. Robin, possibly out of resentment, insisted on barging in and causing a scene, which led to the current situation.”

“You all came one by one to confront the Brown family and Miranda. Isn’t this bullying?”

At this point, Bradshaw turned to the camera of the reporter.

complaining, “I just wanted to ask the entire people of Hallcester, what exactly did the Brown family do wrong?”

“Does this world really operate on the principle that whoever has power, holds the truth?”

Bradshaw quickly turned the previously unfavorable situation around by showing weakness and gaining sympathy!

Watching the low-voiced discussions among the elite families of

Hallcester and the changing expressions of the media reporters, a hint of secret amusement flashed in Bradshaw’s eyes.

Chapter 406 I Want to Bankrupt the Brown Famib

Karina, you were still young!

Playing power games, you were still very green!

I was very weak even in front of you, the Huber family.

But, I could take advantage of the situation!

Even with all their wealth, the Huber family couldn’t withstand the pressure of public opinion, could they?

Karina looked at Bradshaw's rogue face and gave a cold laugh.

Despicableness is the pass for the despicable!

Bradshaw let out a long sigh, continuing. "Ms. Huber, you understand the situation now. I believe. Don't you think you owe Miranda an apology?"

With a crisp "pop!"

Bradshaw was slapped by Harold, causing him to stagger back several steps.

"Apologize for your trashy thing? You must be out of your mind!" my granddaughter said.

Harold snorted, "Bradshaw, if you think you can act like a rogue in front of the Huber family, you're mistaken!"

"Today, I, Harold, must avenge Mr. Bruce!"

"Which part of that piece of junk from your house was worth Mr. Bruce's fuss?"

Chapter 406 I Want to Bankrupt the Brown Family

"What a shameless family!"

"Mr. Bruce had long since had nothing to do with the Brown family, yet you kept provoking again and again!"

"Did they really act as if the Huber family didn't exist?"

"Today, in front of all the people of Hallcester, I used my power to intimidate others, so what!"

Harold bowed to Robin and said, "Mr. Bruce, may I proceed to eliminate the Brown family now?"

Robin nodded, "Suit yourself."

In an instant, the villa was filled with silence!

Harold, the wrath of the generation's hero in Hallcester, was as overwhelming as a raging inferno!

The atmosphere in the entire villa dropped to freezing point in an instant.

Bradshaw was momentarily at a loss.

He never imagined that Harold would really take action against the Brown family for Robin.

“Mark!” Harold said with a grim face, “Use all the power of the Huber family, suppress all the industries of the Brown family with full force, I want to make the Brown family bankrupt!”

“Yes, Mr. Huber!” Mark pulled out his phone and quickly dialed out.

Bradshaw fell and sat on the ground.

He looked at Harold, fierce as a tiger, in astonishment, only then realizing that the tiger’s mighty spirit was still present.

Was that the end of the Brown family just like that?

No! I absolutely could not give up like this.

I, Bradshaw, started from scratch, painstakingly devoted a lifetime of effort, only to have today’s the Brown family.

We could not just stand by and watch it be destroyed by the Huber family!

He quickly got up from the ground, shedding tears in front of a crowd of media reporters!

“Ladies and Gentlemen, the Huber family was oppressing others with their power, and I didn’t accept it!”

Chapter 407 I Like Robin

The young masters and misses from the elite families present at the scene.

Despite not daring to accuse the Huber family of any wrongdoing.

However, Bradshaw's lament at his age still touched their compassionate hearts.

Journalists from online media were even more eager to capture such scenes that were enough to provoke public outrage.

The entire act of Bradshaw was broadcast live.

For a moment, netizens who were unaware of the truth quickly began to express their opinions-

Poor Mr. Brown!

At this age, yet suffered such a disaster.

Well, it's a dog-eat-dog world, and who can blame the Huber family for being powerful!

Didn't Harold say it, he was going to throw his weight around today.

There was no way around it! Power was the ultimate truth.

The behavior of the Huber family was so unscrupulous. How could they be so wealthy yet lack compassion!

For a time, the Huber family was subjected to a barrage of public criticism and insults.

Bradshaw grew more and more excited as he spoke, believing that the power of public opinion was enough to turn the tide for the Brown family.

If public opinion could continue like this, the Huber family's stocks would plummet in no time!

In a fit of anger, Harold wanted to directly confront the people of the Brown family who were present at the scene.

Crystal hurriedly stepped forward, saying, "Bradshaw, you guys were really wrong!"

“This Mauveglow Villa 1 was truly Robin’s!”

Crystal’s words immediately turned the media reporters’ cameras towards

her.

“A few days ago, when Miranda asked me to borrow Mauveglow Villa 1 for her, I told her it belonged to Robin.”

“Crystal, we’re best friends, and you’re still taking Robin’s side at this time!”

“I wanted to ask, just how much money did he spend on you for you to fabricate this lie?”

Crystal shook her head helplessly, “Miranda, I’m really confused now. Are you the foolish one or am I just obsessed?”

“Robin was the man I respected and loved the most. If... if it wasn’t for me feeling unworthy of him. I would have pursued him a long time ago.”

“But you were blind, repeatedly and constantly humiliating him as a low-class loser.”

“Open your eyes and see, the smartest, most prestigious, and most beautiful women in all of Hallcester, Ms. Decker and Ms. Huber, how they revered Robin.”

“I didn’t even know where your sense of superiority came from in front of Robin, considering your worth!”

“You repeatedly humiliated him, I didn’t even know if your brain was normal or not.”

"Moreover, you were even more afraid of his excellence!"

"You never truly wanted Robin to do better in your heart."

"What you wanted to see was Robin's downfall, his poverty and destitution. Then, you, Ms. Brown, could humiliate him, despise him, mock him, and even condescend to him from your lofty position!"

"But, that was all your despicable imagination!"

"Robin was the man you could never aspire to!"

"You've always been saying that he's not on the same level as you, and it's absolutely true!"

"His level was something you could never imagine!"

"And you, every time you saw his goodness, you harbored hatred in your heart, repeatedly humiliating him."

"I always thought he was still infatuated with you, Miranda!"

"Look at the women around Robin, none of them could compare to you!"

“I liked Robin!”

“I knew, I was not worthy of Robin, but, I would follow him forever!”

“I would rather have no status in my life, as long as I could be with him!”

“Hahaha...” Miranda suddenly burst into hysterical laughter.

“Crystal, I’ve considered you my best friend for so many years, I didn’t want to bring up those dirty things you’ve done.”

“Since you’ve said it to this point, I won’t save your face anymore!”

Crystal was taken aback: “Miranda, make yourself clear. If there’s anything disgraceful about me, just say it.”

The stunningly beautiful president of the Thompson Group was actually someone’s kept lover?!

It was unbelievable!

No wonder she gained control of the Thompson Group so quickly.

Moreover, the Thompson Group would leap to the top ranks of Hallcester within just a month!

It seemed that beneath the shiny exterior, it was all just teeming with lice!

#### Chapter 408 Wake Up

The hosts from various online platforms at the scene were extremely excited.

The engagement ceremony of the Brown family was indeed full of revelations!

The popularity today reached an all-time high.

Not only did it allow all Hallcester people to see the luxurious and mysterious Mauveglow Villa 1.

Moreover, I saw several top-notch beauties from Hallcester doing a live talk show on the spot!

Even more explosive was the scene where Mr. Harold was live-streaming as he metaphorically slapped faces and crushed the Brown family.

Just when Bradshaw was lamenting, the Brown family was bullying the weak.

Suddenly, the beautiful CEO of the Thompson Group, Crystal, burst out.

Turned out to be the lover kept by the mysterious big shot of Mauveglow

Villa 1!

At the scene, besides the live streamers from various major platforms, the young masters and ladies from a host of upper-class families were also pointing and whispering about Crystal.

Tears welled up in Crystal's eyes as she looked at Robin, "Absolutely not!"

Robin also shook his head in silence.

Stomping her foot in anger, Crystal turned to Miranda, "Miranda, I never thought you could stoop so low!"

"Even if I, Crystal, were to stoop so low, I would never do such a disgusting and disgraceful thing."

Miranda burst into laughter, "The more you try to conceal, the more obvious it becomes!"

"Crystal, Mauveglow Villa 1 has been in Hallcester for so many years, who has ever seen its owner?"

"And yet, you were able to borrow it smoothly!"

Everyone knew that the owner of this mansion must have been a mysterious big shot with an extremely powerful background.

"But you deliberately referred to that big shot as Robin."

"If it really was his, why didn't he tell me when he brought the marriage contract to my house?"

Crystal laughed sarcastically, "Miranda, would you believe me if I told you?"

"Last time, you were right in front of the villa and still didn't believe it. Who can you blame for that? Only your own blindness!"

Miranda pointed to Krish beside her, "Mr. Joan, you know this best, was

"I had always wanted to associate with him, but I was not worthy. My level was just too low!"

"And you were originally so close to him, yet you didn't cherish it. A perfectly good trump card of a blockbuster, you played it into a complete mess!"

"Ms. Huber, Ms. Decker, and Mr. Lambert, none of them were more capable than you."

"They all revered Mr. Bruce immensely, were they confused?"

"Didn't you ever consider that maybe you're too snobbish, too full of yourself?"

"As for whether this Mauveglow Villa I was his or not, I dare not say."

"But, I knew Crystal would never do such a disgraceful thing for the so-called benefits!"

Jacob said with a gloomy face, "Krish, you're my buddy, how could you speak up for them?"

Krish gave a bitter smile, "Jacob, I can only say so much. I'm not trying to prove anything, I'm just advising you to take care of yourselves, for the sake of our past relationship."

Miranda wiped away a tear and sneered, "Fine, so just because you saw

"Also, Karina, if this villa wasn't Robin's, it made no sense for you all to oppress the Brown family like this!"

"If you didn't stop your sanctions against the Brown family, not only Hallcester but the whole of Hashville would say that you, the Huber family, were bullying the weak!"

"Ding-a-ling." Robin's phone rang.

On the other end of the phone. Terrence respectfully said, "Mr. Bruce, the two trainers who brought the mastiff have arrived. Can they now deliver it to Mauveglow Villa 1?"

Robin glanced at the mess in the yard, frowning, "Alright, have them bring it over."

"Robin, stop putting on airs! Do you dare to prove that you are the owner of this villa?!" Miranda sneered, casting a disdainful glance at Robin.

Robin gave a cold laugh over the phone, "I don't need to prove anything to you! But as for whether I dare or not, what is there to be afraid of!"

"Hahaha..." Miranda laughed wildly as if she had gone mad.

"Robin, if others don't know what you are, doesn't the Brown family

"You relied on your despicable means of pleasing women to deceive the trust of the Huber family, and also bewitched Ms. Decker!"

"Karina and Cecilia, even women like Crystal, seemed very shrewd on the surface."

"Actually, these kind of women were idiots when it came to emotions!"

"Did you think that by using a bit of bedroom skill to deceive their hearts, you could prove yourself to be a nobleman?"

Miranda's words immediately caused a gasp in the scene.

Everyone looked at Robin with strange expressions, then at the proud Karina and the coldly enchanting Cecilia.

"People always say that women are emotional creatures, Robin, you first got their bodies, and then..."

With a crisp "pop!"

A gasp of surprise echoed through the scene once again!

Robin slapped Miranda, sending her flying. “Did you really think I’ve been ignoring you because I’m afraid of you?”

“Filthy woman, what audacity you had to defame me!”

“Jacob, he... he hit me...” Miranda shrieked, clutching her swollen cheek.

Jacob was instantly infuriated, rushing up to Robin and bellowing,

## Chapter 409 Is This Villa Really His?

The scene was filled with the sons and daughters of the elite families of Hallcester and hosts from various major online platforms.

Seeing Robin actually lay hands on Miranda and Jacob was utterly shocking.

Despite the fact that the man was the center of today’s topic.

However, from beginning to end, he hardly ever spoke.

Many people really thought that the Brown family made some sense.

If Mauveglow Villa 1 was his, why didn’t he assertively kick them out?

Should we continue to wait for their repeated runs, mockery, and extreme humiliation?

At that moment, seeing the formidable aura radiating from Robin instantly brightened their eyes.

This was absolutely an overbearing attitude of disregarding everything!

Could this Robin really be the legendary hermit boss from the tales?

“You dared to hit my son, I...”

Σ

Manuel, seeing his son being beaten so brutally by Robin, rushed forward in anger with his wife, Megan Walsh.

He was just about to explode, but upon seeing the person who came after, he immediately shut his mouth.

Devin walked in with two trainers and two mastiffs, “Mr. Bruce, so you’re the owner of Mauveglow Villa 1! Hahaha, I should have known!”

Robin gave a faint smile, “I also rarely stay here.”

Devin didn’t continue on this topic, pointing at the two mastiffs, “Mr. Bruce, these are purebred mastiffs. My friend spent nearly five hundred million to buy them. They are all purebred mastiff kings.”

“These two Mastiff Kings were originally bought by a Mastiff collector from Potrya in Sandmere, and later ended up being purchased by my friend.”

Upon hearing these words, everyone let out a sigh.

After all, he is the richest man in Hashville. He casually spent 500 million to buy two mastiffs and gave them away. So extravagant!

Thinking of this, everyone immediately understood one thing.

The person to whom such a costly gift was given should be more impressive than Devin!

Devin pointed at the two foreign men, “These two friends are the world’s top mastiff trainers. Within a week, they will have these two mastiffs completely obedient to you.”

Two trainers respectfully stepped forward to pay their respects to Robin.

It was only then that Devin noticed the mess in the yard: “What... what

15:28

happened here?”

Upon seeing such a scene, Manuel immediately shut his mouth.

Originally, I wanted to give Robin a hard time, but at this moment, all my anger was gone.

At that moment, he suddenly realized.

Robin!

Devin gave him purebred mastiff kings worth five hundred million.

Harold and Karina did not hesitate to wipe out the Brown family for him.

Cecilia had threatened to kill all members of the Brown family for Robin.

What did all these indicate?

It explained that Robin was the top hermit boss in Hallcester!

Yesterday, there were rumors that the Reynell family and the Elliott family were wiped out at the Finley family’s celebration, allegedly by the hand of a reclusive boss.

So it was Robin who did it!

What Crystal said was absolutely correct, the Brown family were all blind and stupid!

Such an impressive figure, who was originally the greatest opportunity for the Brown family, was surprisingly ruined by themselves.

15:28

Chapter 409 Is This Villa Really His?

What a mess!

Almost pushed the Walsh family into the irretrievable abyss.

Manuel stood still, sweating profusely, as a fierce struggle raged in his mind.

“Mr. Bruce, where were these two mastiffs placed?” Devin asked.

Robin pointed to an embroidered stainless steel door at the southwest. corner of the villa, “Just put it in the backyard. The backyard has a swimming pool, a golf course, and some places for keeping dogs.

“You could have directly taken the trainer over to see where it would be suitable to place them. After choosing the location, if any facilities were still needed, I could have had someone remodel it.”

“Crystal, give me the Leopard Card.”

Crystal hastily took out the Leopard

. “I’ll go open the door for you.”

Crystal volunteered bravely, not forgetting to turn back and give Miranda a light laugh.

Miranda watched with wide eyes as Crystal and Devin walked towards the door in the southwest.

Her heart started to pound wildly.

Was I really wrong?

Was Robin really that hidden big shot?

At this point, everyone held their breath, waiting for the final answer.

15:28

Chapter 409 This Villa Really His?

They also wanted to see if this villa was really Robin’s.

Crystal walked up to the stainless steel door and said to Miranda, “Miranda, I want you to see for yourself, is this really Robin’s home?”

She placed the Leopard Card on the machine in front of the door, and immediately a low sound echoed.

But the gate never opened.

Crystal looked at the door in confusion, then at the camera.

Suddenly, the camera emitted a warning sound-

“Please leave immediately, please leave immediately! You are not the master of this place. you are an intruder Otherwise, the mechanism. would have quickly released high voltage electricity!”

Crystal immediately retreated two meters away from the stainless steel door, and then the alarm stopped sounding

Seeing such a scene. Miranda burst into laughter. “Crystal. your lies have finally been exposed! Hahaha... If this Mauveglow Villa 1 really belongs to Robin. then I’m a dog!”

Crystal looked at Robin in confusion. “What what’s going on?”

Devin was also confused.

He believed that Robin would never use Mauveglow Villa 1 to save his own face.

He glanced at the Leopard Card, “Mr. Bruce, haven’t you been to the back?”

15.28

Chapter 409 is This Villa Really His?

Robin shook his head, “I didn’t. I don’t need such a big space behind, so I’ve never opened this door.”

Miranda burst into laughter, “Keep bragging!”

“You couldn’t even get through the main gate, how could you possibly get through these two doors, hahaha...”

At that moment, everyone was looking at Robin.

He hadn’t even been in his own backyard, was this really his villa?

Robin picked up the Leopard Card and looked at it, then placed it on the machine in front of the door, still producing that same blind tone.

He looked up at the surveillance camera on the top of the door, frowning.

Suddenly, an alarm sounded.

Everyone held their breath and looked at Robin, wondering if the villa was really his!

Chapter 410 He’s the Big Shot!

The security surveillance system in front of the carved anti-theft door emitted a buzzing sound, and suddenly shot out a rainbow-colored beam that completely enveloped Robin's body.

"Robin, get out of here quickly!" Crystal nervously stepped forward, intending to pull him back.

However, the moment her hand touched the beam of light, a static electricity immediately struck her back.

"Ah?" A gasp of surprise erupted from the scene!

The alarm of the access control system sounded again.

"Hehe! Robin, is this villa really yours?" Miranda wiped the blood stain at the corner of her mouth, sneering sarcastically.

"If it was yours, why couldn't you even open the back door of your villa?"

"Hehe! Are you still going to say that you didn't bring your access card with you?"

Bradshaw also stepped forward, facing the cameras of various online platforms, and said angrily, "Ladies and gentlemen, you all saw it, this villa is not his at all!"

"I just asked, where is the justice in this world!"

In an instant, all major live streaming platforms exploded-

Robin was nothing but a liar!

Could someone like him also own Mauveglow Villa 1? What a joke!

This villa had been built for many years.

It was said that before its initial construction, it was funded by an extremely mysterious figure.

For many years, the owner of the villa had never shown up.
