## **Chapter 51**

### **Chapter 51 Are You Warning Me?**

Robin was about to get in the car when he crashed into the Pagani, no longer entangling with it. At this moment, a BMW parked beside them.

“Crystal?” Miranda’s head popped out of the BMW window, surprised. “What are you doing here?”

When she saw Robin standing here, in front of Robin was a disheveled woman with swollen cheeks, and two collided and deformed cars, she instantly understood what had happened.

Jacob, who was sitting in the car, also stuck his head out and gloated, “Robin, did you crash?”

“Hahaha... I found out that you always get into trouble wherever you go. It seems like you even hit someone? That's really interesting!”

Crystal looked at Miranda and Jacob as they drove up to them and asked, “Miranda, how did you guys end up here?” Miranda looked at Crystal and sighed, “Why do you ask us why we came here? What are you and Robin doing running here?” “Why can’t we stay here?” Crystal said unhappily. “There’s no sign indicating that only you guys can come!”

Miranda glanced at Robin and sneered, “We came here to discuss business with Mr. Reynell. You came over just to take a couple of photos and show them off to me, didn’t you?”

“Crystal, I don’t know what's gotten into you lately, always hanging out

with someone like Robin who can’t be trusted!”

“What kind of trick did he use to deceive you so thoroughly?”

“On such a cold day, early in the morning, he ran to the peak of Mount Mauveglow and took a few boring photos to show me.” “I understood his intention, wasn’t it just to make me change my mind?”

Crystal was speechless, “Miranda, you’re overthinking! No one is that boring, especially not Robin.”

“Is it necessary for someone of his status to pretend in front of you?”

Miranda and Jacob exchanged a glance, and smiled meaningfully.

“What is Robin’s identity? Just a homeless, bottom-tier loser who relies on sweet talk to deceive and swindle others!” “Crystal, wake up quickly!”

“By the time that day arrived, and I was miserably deceived by him, there was no time left for regrets!”

“I’m not going to talk to you anymore! Even if I did, you wouldn’t believe me!” Crystal glared at Miranda.

“If one day, you were to find out that Robin was the owner of Mauveglow Villa 1, you would have nowhere to cry!”

“Was he the owner of Mauveglow Villa 1? Hahaha!” Miranda and Jacob were almost laughing their heads off.

“I even said that I was the Purpeak Queen! Hahaha!”

“Stop dreaming! You just crashed into someone’s Pagani, and who

knows if you can afford to pay for it!”

“I estimate that I had to kneel down to them!”

Jacob sneered at Robin. “Causing trouble in this area, don’t think you can get away with it so easily!”

Robin chuckled lightly and said, “How I am, there’s no need for you to bother yourselves!”

“Robin, this is a three million Pagani! Can you afford to compensate?” Jacob sneered.

“Don't | still have the three hundred million you guys contributed in my account? Three million is nothing!” Robin sneered. Jacob gritted his teeth, but couldn't utter a word.

At this moment, the woman driving the Pagani noticed a group of people mocking Robin, making her even more arrogant. “See that, kid!”

“Poor people are just poor people. You don't have the guts to act tough in front of us rich people!”

“Didn't you just hit my car? Come on, hit it if you dare!”

Robin smirked and said, “This is what you said. Since you want to see it, then as you wish.”

Without waiting for everyone to react, he reversed the Land Rover three or four meters and then shifted into the highest gear. It directly collided with the Pagani!

“Bang!”

12:26

The fierce Land Rover instantly crashed into the right side of the Pagani's body.

There came a scream from the surroundings.

The woman who owned the Pagani never expected that Robin would actually dare to crash her three—million—dollar Pagani luxury car!

After a brief shock, Miranda shook her head and forced a bitter smile.

“He is a brute, a complete brute! Besides having a hot temper, what else can he do?\*. Jacob's eyes popped out in an instant.

A three-million—dollar luxury car, for him, although not considered exorbitant.

However, he couldn't bear to treat money as worthless as dirt.

Damn it! This guy is a fucking lunatic!

To the astonishment of the crowd, Robin unexpectedly reversed the Land Rover for three to four meters, repeatedly crashing into it not just once, but twice and thrice.

Pagani has turned into a pile of scrap metal.

Robin got out of the car and shouted at the woman driving the Pagani, "Are you satisfied? Come on, tell me, how much is your price?"

The woman went completely crazy!

"You're done for! Today you will compensate me for two cars, and I won't even be willing to!"

"Go to hell! You don't want to count for anything!" Robin waved at

Crystal as he got into the car.

"What are you still standing there for? Get in the car and let's go!"

Just then, four BMW SUVs roared in and surrounded Robin in the middle.

About eleven or twelve people got out of the car, each of them holding a machete in their hands.

A middle-aged man wearing sunglasses waved his strong arms and shouted at the woman driving the Pagani. "Baby girl, what happened? Who dared to lay a hand on you? I'll kill him!"

The woman rushed towards the middle-aged man with tears in her eyes and said. "Dad! It was him! He hit me." "Look, my car was crashed and ruined!"

The middle-aged man glared at Robin with a fierce look in his eyes and said. "Kid, kneel down!"

"Where the hell did you come from? Do you know who I am? How dare you hit my daughter!"

Robin chuckled lightly and said, "I don't care who you are, your daughter lacks manners, I'm just teaching her how to behave." "Are you saying that you want me to teach you how to be a decent person again?"

Jacob laughed and said, "This guy, he's bound to get beaten to death sooner or later!"

"Miranda, do you know who the visitor is? His name is Cedric

12:26

## Chapter 51 Are You Warning Me?

Williamson, he is a friend of Terrence, the manager of Mauveglow Security!"

Legend has it that Cedric and Terrence, two individuals, used to work as mercenaries in the Belgate area in their early years. Over the years, they specialized in guarding nightclubs for others in Hallcester.

"I had nearly a hundred desperados under my command, and I don't know how many people's blood stained my hands!" "It is said that Barry, under Mr. Lambert's command, had to give him three points!"

"Robin, this guy, actually dared to confront him like this, asking for trouble!"

Cedric sneered, "You dare! You have guts! Finish him off!"

With a wave of his hand, more than ten desperados brandished their machetes and charged towards Robin.

"Wait a minute! All of you, step back!" A burly man walked forward.

"Old Black, what's going on? Why did you bring so many people to cause trouble at the entrance of the villa area? What are you up to?"

The person who arrived was Terrence, the manager of Mauveglow Security.

"Terrence, this guy crashed into my daughter's car and even hit her."

"You said, should I cut him or not?"

Terrence glanced at Robin and said, "Young man, this is not yours anymore!"

“Why can’t we just talk it out? Why resort to such violent behavior?”

Without waiting for Robin to speak, Cedric said unhappily, “Terrence. you don’t need to bother about this matter!” “Today, I had to chop this kid!”

Terrence frowned, “Lao Hei, today Mr. Horne came to the villa area to deliver Ms. Decker’s instructions to our security company.”

“He arrived in a moment. You causing trouble in this place, isn’t it just causing trouble for me?”

Cedric hesitated for a moment, “Alright, Terrence, I’ll give you face. I won’t take action here, I’ll take him back for disposal.” Terrence looked at Robin and said, “Well, young man, you caused the trouble. so you’ll have to take responsibility for it yourself!” “You went back with Lao Hei to settle it!”

Robin smirked and said, “My matters, of course, I resolved them. myself.”

“As for where to resolve it, it’s not up to you to decide.”

Cedric sneered, “Terrence, this kid is indeed arrogant! Did you see that?”

A cold smile crept across Terrence’s face, “In this territory, I called the shots!”

“Young man, I warn you. Do not provoke me!”

Robin laughed, “You warned me? Who do you think you are!”

Terrence’s face turned pale instantly, “How dare you!”

Seeing Terrence’s posture, Cedric immediately called over a dozen

subordinates and surrounded Robin.

“Crystal, hurry and get in our car!” Miranda shouted loudly towards Crystal in the midst of the crowd.

Crystal ignored both Jacob and her, and quickly moved towards Robin.

Terrence greeted the thirty security guards who had arrived and immediately cleared the rest of the people at the scene. Miranda and the others were quickly expelled from the scene.

Only Robin and Crystal were left on the scene, along with Cedric and a dozen of his henchmen.

This was done to prevent the scenes of fighting from being secretly filmed and uploaded.

The woman who drove the Pagani witnessed this scene and walked up to Robin and Crystal, arrogantly saying.. “Boy, you dare to hit me again...”

Robin sneered, “You're such a fucking jerk!”

He raised his hand and “smack!” a slap was delivered, sending him flying directly.

Cedric instantly flew into a rage and commanded a dozen henchmen to pounce on Robin and Crystal. At this moment, a Hummer SUV drove up to the front gate of the villa.

Leonel got out of the car.

“Mr. Horne, I’m sorry, there has been a special incident here...” Terrence hurriedly approached to report. 12 26

Cedric also approached him, bowing, “Leonel, hello!”

Leonel ignored them and walked straight towards Robin.

Cedric was instantly delighted, thinking that Leonel had seen Robin causing trouble in his jurisdiction and that he would personally handle

‘bits “Kid, you know what? This was Leonel!” “Hehe, causing trouble within Leonel and Terrence’s jurisdiction, you’re asking for trouble!”

Cedric's daughter also rushed forward, "Dare to hit my car, you will die! Keep acting tough! Hahaha..."

"Ah!" The woman laughed halfway, and was immediately choked by a large hand, lifted up.

Leonel coldly gripped the woman's neck, "You deserve to die!"

"Leonel! She... she is my daughter..." Cedric was stunned by the sudden and unbelievable scene before his eyes! Leonel swung his leg back and knocked Cedric to the ground, then stomped on his face.

"Mr. Bruce. I'm sorry for the inconvenience. Please allow me to handle the matter here. Thank you for your understanding!" Leonel bowed. respectfully

Crystal was stunned by the extremely abrupt scene in front of her.

What happened?

After a brief shock, it dawned on me that Leonel was Cecilia's man!

Thinking back to the early morning today, Cecilia specially came over to bring her clothes.

She looked at Robin, who was indifferent like the wind at that moment, in astonishment.

What kind of powerful background did this guy have?

Surprisingly, several legendary figures of Hallcester were all drawn to

him.

Terrence was even more shocked!

Did Cecilia's top warrior, Leonel, personally come forward for the sake of driving a Land Rover? "Leonel?"

"They were dealt with!" Leonel said coldly.

"... Yes...yes!"

After a brief moment of astonishment, Terrence instantly understood what was going on!

Robin must have been Ms. Decker's esteemed guest!

Otherwise, Leonel would never have laid a hand on such a trivial matter.

"Terrence, how dare you fucking..." Cedric shouted as he saw Terrence getting ready to attack. Leonel's mouth twitched for a moment, and he stomped his foot.

With a snap, Cedric's neck tilted and instantly went silent.

Then, coldly, the woman was thrown directly in front of Cedric's body.

The fugitives who came with Cedric instantly dropped their machetes and knelt on the ground, pleading, "Leonel, spare us!" Crystal's face turned pale with fright, and her legs went weak as she leaned against Robin. Robin intended to help Crystal get in the car.

Take a look at the front and rear bumpers of the Land Rover, they already have noticeable scratches. | handed the car keys to Leonel.

"Fix the car and give it to me. I'll use your car as | have something to do. I'm leaving first." "Yes, Mr. Bruce," Leonel immediately handed the car keys to Robin. Robin didn't turn around until he drove the Hummer SUV away from the front gate of the villa area.

At this moment, Terrence has already ordered someone to clean up the front of the villa area, and everything looks as if nothing has happened.

"Terrence, | came here today to convey Miss's message."

“Mr. Bruce was Miss’s esteemed guest, and he has already checked in at Mauveglow Villa 1 in Zone 1.”

“Did you know how to handle the security work for Mauveglow Villas when you were in charge?”

Terrence broke out in a cold sweat when he found out that Robin was actually the owner of Mauveglow Villa 1. The owner of Mauveglow Villa 1, which was considered a myth by the people of Hallcester, turned out to be Robin. | almost offended him!

If Leonel had come a little later.

Perhaps, lying on the ground now is not only Cedric but also his arrogant and domineering daughter.

He would probably be on the road with Cedric at this moment.

## Chapter 52 Robis in a Fraud

“Leonel, | got it! Please rest assured, | promise that what happened. today will never happen again!”

At this time, Miranda and Jacob drove their BMW to the front gate of the villa area.

They couldn’t reach Nathen and couldn’t enter the villa area.

| intended to call Krish who lived in Zone 3.

However, this guy drank too much and is currently in a shutdown state.

They had no choice but to try to negotiate with the security guards of the villa area to see if they could make a compromise and let them in.

“Mr. Walsh, it seems like everything here has been taken care of?” Miranda looked at the front of the villa area, which had already returned to its previous tidy order, and said.

“Just now, in the Hummer SUV that was heading down the mountain, it seemed like Robin. What's going on?” Jacob muttered to himself.

"I remember the Hummer SUV belonged to Leonel. How come Robin is driving his car? Are they close to each other?" Miranda sneered and laughed, "Do you think it's possible?"

"Mr. Walsh, you are giving him too much credit by saying that!"

"Hehe, a brute with no background, Leonel could be friends with him, yeah right!"

"Not being on the same level, they could never come together."

"Just like two parallel lines, no matter the circumstances, they can only follow their own paths."

## Chapter 52 Robin Is a Fraud

"Indeed, Leonel would never lower his worth to befriend someone like Robin," Jacob chuckled self—deprecatingly.

"Not discussing this, let's get out of the car and talk to the security personnel."

Miranda and Jacob got out of the car and walked to the front of the villa.

At this moment, Terrence had not yet left and was giving instructions to his subordinates regarding the security issues of Mauveglow Villa I.

He looked up and saw Jacob and Miranda walking towards him.

In his impression, it seemed that Miranda, Jacob, and Robin knew each other.

"Hello, Mr. Boyd," Jacob approached with a smile, trying to get closer.

Terrence also smiled and nodded, "Hello, are you two friends with Mr. Bruce?"

Miranda didn't wait for Terrence to finish and immediately waved her hand, saying, "No! No! No! Mr. Boyd, you've misunderstood. We would never be friends with someone like Robin, who is uncouth and uncivilized!"

"We are simply not on the same level as someone like him."

Terrence immediately stopped smiling and said, "Are you saying Mr. Bruce was an uncouth person who couldn't hold his own?" "Yeah! Mr. Boyd, you saw it too!" Miranda belittled Robin, trying to please Terrence.

“Robin, that rude and reckless brute, would often directly crash someone’s car without any provocation.”

“And, so rough! He even hit the lady, it’s really unreasonable!”

“How could we, the upper class, engage in such violent behavior?”

Terrence gave a cold smile and said, “Do you think Mr. Bruce, who lived in Mauveglow Villa 1, was a brute, not on the same level as you?”

“| want to ask, you keep saying that you are from the upper class, can you afford to live in this villa arca?”

“Huh?” Miranda’s mind was momentarily blocked, “Mr. Boyd, are you saying that Robin lived in Mauveglow Villa 1?” “That’s right! The owner of Mauveglow Villa 1 was Mr. Bruce,” Terrence sneered.

“From this perspective, you and him were really not on the same level!”

Upon hearing this, Miranda became anxious. “Mr. Boyd, you’ve been fooled! Robin is a scammer! How could he possibly be the owner of Mauveglow Villa 1!”

“Get out!” Terrence shouted sternly, “If you dare to slander our homeowners here again, | won’t be polite!”

“Mr. Boyd, you were really deceived by him...”

Miranda wanted to continue explaining, but several security guards carrying electric batons immediately approached them. “Alright, alright, alright! Let’s go.” Jacob pulled Miranda into the car, changed direction, and drove down the mountain. Robin drove Leonel’s Hummer SUV, taking Crystal away from

Mauveglow Villas. It wasn't until they reached the foot of the mountain that Crystal finally regained her senses.

She curiously sized up Robin.

"I want to ask you, why is Cecilia so respectful towards you? Even his subordinate, Leonel, is the same?"

## Chapter 53

### Chapter 53 I'm Not a Gentleman

Robin pouted, "Cecilia was my maid, so of course she and her subordinates had to show respect to me." Crystal looked at Robin with a serious expression and burst into laughter.

"Robin, you are so good at telling lies, I can't tell at all. Did you graduate from a drama department before? Hahaha..." Robin shook his head helplessly and said, "You women, why don't you believe me when I speak so honestly?"

"What has happened to this world? Do I have to constantly lie for you. to believe that it's true?"

Crystal pointed at Robin, who had an innocent face, and burst into laughter.

"Is it that funny? Don't laugh so hard that you pass out!" Robin shook his head.

"Don't believe it, forget it! I'm hungry, let's grab some breakfast across from Royalty Cafe!"

Crystal finally managed to control her emotions and said, "Alright, I won't joke with you anymore."

"Let me tell you something, Miranda's grandfather is coming back in a few days."

Robin glanced at Crystal and said, “Just come back when you come back, what does it have to do with me?” Chapter 53 I’m Not a Gentleman.

“Don’t you want to see him?” Crystal asked tentatively.

“Not here!” Robin snorted.

Crystal stared at Robin for a while and chuckled meaningfully.

Robin looked up and saw a long line in front of a fried dough pancake and soy milk stall across from Royalty Café. “I haven’t had youtiao for a long time.”

Robin looked expectant. Last night, when he passed by here, he had already noticed this breakfast shop.

“Did you go to eat?”

Crystal shook her head and said, “I don’t eat that kind of stuff! Junk food.”

“Suit yourself. I won’t eat then!” Robin parked the car in front of Royalty Café.

I walked directly to the front of the long queue in front of the doughnut and breakfast shop across the street. The business of this youtiao and shaobing shop was very prosperous.

It was already 8:30 in the morning, and there were still many people queuing up to buy a hot breakfast.

Most of the people queuing to buy breakfast here were office workers and idle individuals from the surrounding area. Robin stood in line, listening to these people talking about this youtiao and shaobing shop.

Praise this shop for frying the youtiao so big and delicious.

11.30%

12:27

So, that’s why the business was booming every day.

Robin looked at the length of the queue and estimated that it would take another ten minutes or so before he could buy youtiao and shaobing.

However, being able to eat those delicious youtiao and shaobing, as well as the spicy tofu sprinkled with chili, that's no big deal! Crystal, sitting in the car, looked at Robin standing in the long queue from a distance and smiled with interest.. Just for a bite of youtiao, shaobing, and tofu, on such a cold day, | had to wait outside for so long.

The behavior of this man was really incomprehensible.

He lived in the most expensive mansion in Hallcester.

In order to eat a few cheap youtiao and shaobing, they were willing to line up in such a long queue.

This man is really strange!

Is it true that the youtiao and tofu from this breakfast shop were really delicious?

Crystal's mind started spinning.

| haven't had fragrant and crispy youtiao for many years.

In my memory, the last time | ate youtiao was when my mother was still alive. She took me to eat it a few times. In an instant, the taste of youtiao in her memory aroused her appetite.

So, | sent a message to Robin, asking him to buy an extra one to bring back.

Robin stood in the line and waited for nearly fifteen minutes.

Finally, we were almost there, with only five people left in front.

Just as he was imagining the satisfying feeling of taking a bite of a fragrant and crispy youtiao, a very discordant scene appeared before his eyes.

A burly, short and fat man suddenly squeezed in front of Robin. He forcefully grabbed the girl wearing a plaid skirt in front of him, putting his hands on her and being physically aggressive.

“What are you doing? Let go of me!” the girl shouted, struggling, as a pile of materials in her hand scattered on the ground. Robin initially thought that the two individuals were either a couple or married.

Only after hearing the girl’s scream did | realize.

They didn’t know each other at all.

The man with a stern face, in broad daylight, actually made such a lewd gesture towards the girl.

Robin looked at the papers scattered on the ground.

Above are the recruitment introduction of the Huber Group, as well as the girl’s personal resume and other materials. Due to a commotion in the team, the girl’s personal resume and some materials were trampled on.

Obviously, the girl was prepared to apply to the Huber Group today.

12:27

“Let her go!” Robin exclaimed, feeling extremely displeased as her good mood was ruined by this disgusting thing.

The man with a stern face heard someone meddling behind him, turned around and took a glance, but still did not release his tight grip on the girl’s arm.

“Damn it! What the hell does it have to do with you what | do! Get lost and stop bothering me, so | can have some peace!” Robin slapped the man on the shoulder and said, “Let go!” The man stared at Robin and said. “Mind your own damn business! She... she is my wife, and | do whatever | want!”

“| don’t care what your relationship is, if you make me unhappy, | will take care of this matter!” Robin forcefully pulled the man out of the

line.

The girl, seeing someone offering help, immediately hid behind Robin and whispered, “I don’t know him!” All the people in front of the fried dough stick stall looked at Robin in astonishment.

At first glance, this strong, black, and fat man was clearly a local ruffian and scoundrel.

Despite being a head taller than the dark-faced man, Robin had a slender figure.

But from the appearance, it was clear that he was not the opponent of the man with a black face. The man with a black face sneered and deliberately twisted his nose, pretending to be very cool. Chapter 53 fm Not a Gentleman

“Kid, am I hearing you right? Are you saying that you have to have a problem with me?”

Robin had no expression as he said, “That’s right, I just can’t stand you!”

“Apologize to this girl immediately before I completely lose my temper, and then, get lost!”

As soon as Robin said this, everyone involuntarily exclaimed.

This young man actually dared to threaten this black—faced ruffian?

Isn't this looking for trouble!

The girl saw Robin and, because of her own situation, she might have been beaten up by this scowling ruffian. She hurriedly said, “Forget it, I won’t buy the fried dough sticks. I’m leaving.”

The man with a stern face looked around triumphantly and started to laugh.

“This little girl didn’t say anything at all, so stop fucking trouble yourself!”

Robin sneered, “I’m the kind of person who likes to cause trouble!”

The man with a stern face said coldly, “Kid! Do you want to die? Fine! Then let me tell you what it means to not court death!” After saying that, the man with a stern face swung his fist and punched Robin.

The long queue in front of the fried dough stick stall took a big step back in an instant.

Everyone was sweating for Robin.

In this situation, no one was willing to intervene and meddle.

Maybe | would have been beaten up by myself.

Robin looked at the man with a black face as he swung his fist towards him, shaking his head.

Facing his chubby face, a slap was delivered.

“Snap!” a crisp sound.

The chubby man in black was like a kite with a broken string.

The heavy body was sent flying by Robin's palm and landed on the curb three to four meters away.

The man with a black face was slapped so hard that he saw stars.

He never expected that the seemingly weak young man in front of him. was actually a martial arts enthusiast! The girl wearing a plaid dress caught the attention of everyone in front of the youtiao stall.

The situation they were worried about did not happen!

Robin unexpectedly slapped the fat man and sent him flying.

This scene was so unexpected for them!

“This young man is so amazing!”

“| can’t believe that he slapped the hooligan away with just one palm, it’s really satisfying!”

“| didn’t expect that scoundrel to be such a useless piece of trash!”

Several young men in the workforce mocked.

12:27

### Chapin 53 Im Not a Gentlema

An old man on the side sneered, "It's not that being a black-faced rascal is useless, but that young man is a true master!"

"You guys look at that black—faced rascal, his whole body is bulging with muscles, obviously well-trained. It would be difficult for three or five young people to beat him."

"If it were you, would you dare to meddle in this matter?"

A few young men shook their heads and blushed, saying, "Really dare not!"

Just as a group of people were discussing Robin's behavior, one after another. Miranda and Jacob happened to be driving past here.

"Ah. Miranda, isn't that Robin? It seems like he got into another fight again. Ha, this kid is a warrior, huh? He fights wherever he goes. Ha ha ha..."

Miranda looked in the direction Jacob pointed, shaking her head. disdainfully, "I'm really impressed, what else can he do besides. fighting!"

"This kind of person can even pick a fight over buying a youtiao, how boring!"

Miranda looked disdainful, "Lower class people are just lower class people, so vulgar! Let's go, I feel disgusted just by looking at

him."

"Miranda, wait a moment," Jacob parked the car by the roadside, gloating.

"Let's see how this kid will make a fuss."

Miranda snorted, “I suppose she had a bellyful of anger from earlier at Mauveglow Villas and let it out here.”

Jacob paused for a moment and sneered, “Didn't Mr. Boyd just say he lived in Mauveglow Villa 1?”

“Being able to afford such a mansion, yet queuing up to buy fried dough sticks? This person is truly interesting!” Miranda sighed and looked at Robin with great pity.

“Maybe I tore up the engagement, which really hurt him, so he started lying and pretending to be vain everywhere.” “Actually, I knew that the reason he lived so forcefully, performed so vigorously, was to prove it to me.”

“Ah, there's no way! He and I are on different levels, we will never come together.”

“However, what I didn't expect was that, in order to appear wealthy, he dared to claim himself as the owner of Mauveglow Villa 1.”

“I really can't deal with someone like him anymore. Seeing him being so shallow, I feel nothing but sadness.” Jacob chuckled, “Miranda, don't bother lamenting about such people, just enjoy the show.”

At this moment, Robin arrived in front of the stout man in black.

### Chapter 54 He's Special

“You.. you, don't come over, don't hit me...”

The man with a black face trembled in fear.

“Didn't you say, ‘If you don't do stupid things, you won't die?’”

“Brother, it was me who messed up! It was me who messed up!” The man with a stern face pleaded incessantly. He understood that if he continued to be stubborn, he would be beaten up by the young man in front of him today. Robin snorted coldly, “Go away!”

| kicked the man’s buttocks.

The fat man was kicked away by Robin’s kick, flying seven to eight meters away.

After struggling on the ground for a while, he got scared and ran away as fast as he could.

A group of onlookers burst into laughter immediately.

Even some people cheered and applauded.

“Good! Well done!”

“Youth, it’s really great!”

“Scoundrels like this should be beaten hard!”

“Hey buddy, were you a professional boxer?”

“At first, | thought you were going to be in trouble!”

“Boy, that jerk just now, he’s the troublemaker in this area. You should be careful of his retaliation.

Robin gave a faint smile and remained silent.

The girl in the plaid skirt walked up to Robin and gratefully said, “Thank you for helping me!”

Robin looked at the resume in the girl’s hand and said, “Hurry up and print another copy, there should still be enough time!” The girl shook her head and said, “I guess it was already too late.”

“There were a lot of applicants for the Huber Group, and they were all very qualified.”

“|...I guess even if | went now, it would be difficult to get hired.”

Robin looked at the girl’s lack of confidence in her eyes and said, “How would you know if you don’t give it a try?” “Perhaps, after you went, you would be able to succeed!”

The girl pondered for a moment and smiled apologetically, “Alright, I’ll listen to you. Let’s try our luck.”

The girl hesitated for a moment, her cheeks turning red, but she still confidently said, “My name is Madeline Pearson. Can | have your Line account? | would like to treat you to a meal if there’s a chance!”

Robin smiled indifferently, “It’s just a small matter, don’t take it too seriously, go and apply quickly!”

Chapter 54 He’s special

“But...” the girl hesitated, “I just want to have the chance to treat you to a meal in the future!”

Robin shook his head and said, “No need, we will meet again if it’s meant to be!”

The girl was very disappointed.

| looked at Robin and saw that he was indeed unwilling to exchange Line accounts with me, so | had to give up. Watching Robin’s indifferent and calm figure, the girl’s heart was filled with a strange feeling.

She considered herself not to be drop—dead gorgeous in terms of looks. and figure, but she could be considered as one of the pretty ones.

In the past. | was in school, but later | entered society.

There were often men who approached her proactively, asking for her Line and iMessage accounts. However, the man in front of her, who took action to save her, claimed that it was just a small matter. Even though I voluntarily asked to exchange contact information, this man unexpectedly refused. Indeed, it was quite special.

Looking into Robin's clear eyes, the girl knew that he wasn't being melodramatic.

| had no choice but to walk disappointedly towards the bus station.

At this moment, sitting in the car and watching Robin's Miranda, | chuckled.

Even if Robin, you refuse to accept any girl's proactive approach for my sake, | won't be moved. You may never understand that two people from different levels can never come together no matter what. After the girl left, Robin quickly lined up in front of the fried dough stick stall.

Bought four youtiao and four shaobing, a bowl of spicy tofu, and also brought a portion for Crystal.

| just sat aside and took two bites.

The black-faced man named Bill walked over from the opposite side of the street.

This time when he came back, there were seven or eight men of similar age accompanying Bill. Everyone's face was filled with a fierce and ferocious expression.

Judging by the situation, after being taught a lesson by Robin, Bill did not give up.

This is the helper who was brought back to seek revenge!

Bill turned to the seven or eight men beside him and said fiercely, "Roger, this kid right here just hit me. Beat him up until he's dead!"

"Bill, are you saying that he hit you?"

The fierce man named Roger looked at Robin, who looked thin and frail, and disdainfully said.

Bill sneered, "Roger, don't underestimate him. This bastard is quite skilled, he knows a thing or two."

"Practitioner? So what!" Roger said disdainfully. "In the face of true power, everything is nonsense!"

Bill beckoned to Robin and said fiercely, "Kid! Show me how tough you are now!"

At this moment, Roger took a step forward and sized up Robin, "A weakling like you, | could punch you through in one hit!" "| have been with Terrence for so many years, and | have rarely seen such a weak opponent like you."

"To be honest, even if | had hit you today, | would still feel embarrassed!"

"Kneel down and shout 'Grandpa', let's consider this matter settled today!"

As soon as the crowd of people buying youtiao heard Roger's name, they immediately started to worry about Robin. This person named Roger had some reputation around here.

He often told everyone that Terrence from Mauveglow Security was his boss.

Back then, he followed Terrence to mix in society.

In recent years, he has made a name for himself in this area, relying on the reputation of Terrence. He also recruited a group of people.

Many hooligans in the area gathered around him only after hearing that he was under Terrence's command. In fact, Terrence didn't even know him.

## Chapter 54 He's Special

"Roger, as long as you knock down this guy, | will immediately transfer three thousand dollars to you!" Roger patted Bill's shoulder.

"Don't worry! Dealing with such scum was a matter of minutes!"

A group of onlookers, this time really became nervous.

Before, Robin fought against the fat man, relying solely on his own strength.

However, two fists are no match for four arms.

With so many people under Roger's command, how could he possibly win!

Moreover, it was rumored that this person was also Terrence's younger brother.

Offending Terrence is not a fun thing.

The support behind Terrence in the past was none other than Purpeak International Group!

That was the awe-inspiring presence of the Hallcester people!

man, run

Some kind-hearted people whispered to Robin, "Young quickly! Otherwise, you will suffer a big loss! This person is Terrence, the younger brother of Mauveglow Security's general manager."

"Man, you've hired troublemakers! Don't ever confront them."

"These few people in this area were just bullies!"

"They acted arrogantly, relying on Terrence being their elder brother."

ter 54 Her Special

Robin nodded at the kind-hearted people around him and said, "It's okay, I have a habit of dealing with scoundrels." Roger walked up to Robin and kicked the table over.

"Kid, you messed with my brother, are you bored of living?"

"Kneel down now and kowtow to me twice, bring out 20,000 dollars, and this matter will be settled. Otherwise..."

Chapter 55 This Guy Is Awesome!

“Otherwise, what!” Robin kicked Roger and sent him flying.

“Damn it! I encountered a few disgusting bugs even when eating a youtiao!”

“Lick the tofu and youtiao on the ground clean for me!”

Roger was kicked to the ground by Robin.

Bill was dumbfounded instantly.

He didn’t expect that before Roger had a chance to make a move, had already been knocked down by the opponent. he

A group of onlookers gathered behind Robin, worried that the fight between the two sides would harm them, and each of them stayed far

away. Because they saw.

At this moment, seven or eight thugs who came along with Roger have already drawn their short knives. Ready to swing the knife at Robin at any moment.

No matter how skilled Robin was in fighting, he couldn’t handle a group of desperados wielding short knives.

Some of the people who had previously tried to persuade Robin to leave, seeing that Robin did not escape in time, were surrounded by several knife-wielding men and couldn’t help but sneer.

“Ah, this young man is too stubborn, he just won’t listen to advice!

Chapter 55. This Guy Is Awepotet

People like him have to hit a southern wall before they regret it.” “Hehe. young people nowadays really don’t know how to appreciate.”

“You guys are short-sighted. Since he dares to stay here, it means that he has the ability and doesn’t even consider these tuffians.”

A group of people had different opinions.

It didn’t matter to them which side won.

They were just watching the excitement.

No one would come forward to help Robin because of his previous act of bravery.

“Don’t speak up for him! The people brought by the black-faced fat guy are all a group of ruthless characters who often fight and stab others.”

“Take another look at this young man, with his slender and tall figure, how could he possibly be their opponent?” “That’s true. Compared to these rascals and scoundrels, the young man’s momentum was much weaker.”

Miranda and Jacob, who were watching from a distance, exchanged a glance and smirked contemptuously at the scene before them.

Miranda shook her head in extreme annoyance, “I would sometimes see Robin like this, and it was truly speechless.” “He is already an adult, and all he does is fight!”

“The uncultivated brute at the bottom always did everything using only his fists, without using his brain.”

“Let’s go, I don’t want to see it anymore. Every time I see him like this. I feel nauseous.”

Jacob, however, remained full of enthusiasm.

“Wait a moment, Miranda, I want to see how today’s matter turned out in the end.”

“I just love watching this kid’s pretentious appearance, hahaha...”

“Robin, either he was causing trouble or on his way to cause trouble!”

"I suspected that he had already noticed that we had been watching him, so he deliberately made a big fuss about it." Miranda nodded, "Of course, he knew about the car we drove."

"When we were at the entrance of Mauveglow Villas earlier, he had already seen the car we were driving."

"If he didn't know that I was watching him from afar in this place, perhaps he wouldn't have started a fight with these people at all."

"He just wanted to show off to me so desperately, even at the cost of his life! Haha."

"I don't believe he could defeat more than ten people alone."

"Did you hear just now? That person called Roger, he was Terrence's subordinate."

"I would like to see if Terrence dares to fight with Terrence if he comes over."

Jacob shrugged, "It's hard to say. This guy is quite skilled, with one impulsive move, he can do anything." Chapter 55 This Guy Is Awesome!

"It seems that this kid really liked you, liked you to the bone."

"Miranda, if all else fails, you can just fulfill your engagement with him. hehe..."

Miranda angrily slapped Jacob and said, "Nonsense! I would never be with a low-level man like Robin." "Being with such uncultured low—class men was a torment even when I was alive!"

Just as Miranda and Jacob were sarcastically discussing Robin, a group of thugs under Roger's command had already launched an attack on Robin with their knives.

After this group of hooligans went on a crazy slashing spree, they realized to their surprise that they hadn't hurt Robin at all, but instead accidentally injured a few of their own people.

They thought it would be a piece of cake for them, with so many people carrying machetes, to deal with Robin who was unarmed.

Unexpectedly, despite all the effort, not even a single hair of Robin's was harmed.

Bill, who was watching from a distance, was even more surprised to see this scene.

A crowd of onlookers watched anxiously for a while, thinking that Robin would be severely injured. However, Robin strolled leisurely among the gang of thugs, amidst the crisscrossing of their knives. It seemed as if the surrounding flashes of swords and knives were mere air.

12.201

“What happened?”

“Why couldn't those outlaws manage to strike that young man?”

“Was it my illusion?”

“So many people were swinging their knives at him, but he seemed as if nothing had happened, walking among them unscathed.”

“Wasn't it amazing?”

The onlookers were instantly amazed.

In their perception, the scene before them was too bizarre!

Imagining seven or eight people holding short knives, surrounding one person in the middle.

Even without taking action, just this posture alone was already intimidating.

Did | see a ghost?

Roger and his men brandished their knives for two or three minutes.

One by one, they were all exhausted and panting, yet still unable to catch even a glimpse of Robin.

Robin shook his head and sneered, “You bunch of losers, dare to call yourselves socialites? Haha, not afraid of ending up dead on the streets one day!”

This was a blatant humiliation!

A group of thugs gritted their teeth and exerted all their strength to launch a fierce attack on Robin once again.

The result was still extremely disappointing!

Chapter 55 This Guy is Awesome!

One by one, they were exhausted and couldn't go on any longer. They stopped their killing spree and gasped for breath heavily. At this moment, Bill, who was watching from a distance, started to feel.

nervous

All the subordinates that Roger brought were capable fighters.

After being busy for a while, | couldn't even hit him? As a result, | fucking exhausted myself!

He looked at Robin, who had a indifferent expression on his face at the moment, with fear and unease in his heart.

Did | meet a master today?

If it was like that, it would be a big trouble!

This guy definitely wouldn't give up easily.

Bill thought of this and looked at Robin, startled, and took a few steps back

Robin looked at Roger and the others, exhausted and unable to launch another attack. He smirked and said, "It's time for me to take over, sometimes you have to correct the wrong."

After saying that, Roger and the others saw a figure flash before their eyes, and each person was struck and knocked down to the ground.

One by one, they clutched their chests, writhing in agony on the ground.

Meanwhile, the onlookers were still debating whether Robin could pass this test today.

The battle before his eyes had ended, and surprisingly, Robin emerged

## Chapter 55 This Guy Is Awesomel

as the ultimate victor.

And, the battle ended with an absolute overwhelming scene.

“Oh my goodness, today | finally got to witness what a true master is!”

“This young man is so amazing, no wonder he remained calm and composed from beginning to end.” “This is the most amazing and magical scene | have ever witnessed in my entire life.”

A group of onlookers looked on in astonishment at the scene before them, completely won over by Robin’s tactics. However, no one saw clearly how Robin managed to knock down those thugs, including Roger.

A few young office workers, at this moment, are already worshiping Robin with great admiration.

“This guy was amazing! He single-handedly took care of so many desperados armed with short knives!” “| really want to make friends with him, | wonder if he would be willing to pay attention to us?”

Those who believed from the beginning that Robin would definitely defeat Roger, stood tall and patted their chests, as if they had also participated in this battle.

“Look, all of you are so blind, now you know what a true master is!”

“Yes, yes! You have a good eye!”

## Chapter 55 This Guy to Awesome!

“This young man is truly amazing! We now know that he is an extraordinary person, absolutely extraordinary!” Miranda, who was watching from a distance, was displeased and furrowed her brow.

“This guy indeed had some good skills!”

“| thought he would be taught a lesson by these people, but to my surprise, he managed to pass each time smoothly. It’s really strange.”

Jacob snorted coldly, "This guy just has a little more strength, at most he's just material for a thug, heh..."

Miranda sneered and her eyes flickered with a hint of disdain. "Let's go, it's disgusting to witness such vulgar scene!" "Wait a minute, didn't that guy named Roger just say that he was Terrence's person?" Jacob still seemed unsatisfied. "Let's see, if Terrence really came, what would Robin do?"

Chapter 56 Terrence and | Are Sworn bBrothers

"Ah, how did Crystal come?" Miranda exclaimed as she saw Crystal push through the crowd and approach Robin. "| went to call Crystal over!"

"Crystal!" Miranda pushed open the car door and walked towards Robin.

Crystal came to Robin's side.

Before, she was already sitting in the car and saw Robin and Bill getting into a dispute.

| thought that when Bill got beaten up and left, the matter would be over.

| didn't expect that this guy would still have a thief's heart.

| went back and called Roger and seven or eight other people to come back for revenge.

Seeing this scene, she immediately ran over.

Just as | arrived by Robin's side, | was immediately pulled away by Miranda, who came after.

"Crystal, what illness have you been suffering from these past two days, following Robin around causing trouble?" Crystal chuckled lightly, "I'm curious about this man you divorced."

“Just follow him to see what Mauveglow Villa 1 looked like.”

## Chapter 56 Temenice and 1 Are Sworn brothers

Miranda shook her head, “Did you see it? I’m afraid you didn’t even enter the gate of Mauveglow Villas, did you?” “Crystal, I just couldn’t understand, how could you believe that liar Robin who always talked nonsense!”

Crystal sighed, “Miranda, do you really dislike Robin this much?”

“In my impression, it seems like he never intentionally hurt you, right?”

“Miranda, I’m telling you now, Robin was really the owner of Mauveglow Villa 1...”

“Enough!” Miranda had already grown impatient with listening.

“Crystal, how could someone as clever as you be deceived by that jerk Robin!”

“Mauveglow Villa 1, it was the myth of Halleester!”

“Extraordinary figures like Karina and Cecilia, they were unable to possess money!”

“Robin, a rootless duckweed, dares to claim himself as the owner of Mauveglow Villa 1? Ha, do you actually believe such nonsense?”

Crystal pouted, “Well, as a good best friend, I’ve told you all of this. Whether you believe it or not is up to you. Miranda, remember this, don’t blame me in the future for not telling you the truth!”

Crystal looked at Miranda with a disdainful expression and paused for a moment before saying, “Miranda, if you were to say that someone like me, who is heartless and foolish, was deceived by Robin's sweet words, perhaps it would be understandable.”

“So, Ms. Huber and Ms. Decker, the two most beautiful and intelligent women in Halleester, are they also mentally challenged?”

Miranda angrily glanced at Crystal and said, “I won't talk to you about these things! You are beyond help!”

“In short, I felt disgusted when I saw Robin pretending to be wealthy.”

“Alright, Robin is right. Think whatever you want, as long as you're happy.” Crystal huffed lightly, shaking her head. “Miranda, it's up to you.”

“One day, if you suddenly realize that the people you despised, you could never reach their level, how would you feel?” Miranda looked at Crystal's appearance and sighed, “Crystal, it was all my fault... that jerk Robin!”

“Miranda, Mr. Reynell asked us to meet him at Sky Cafe on Zephyr Street. Let's go,” Jacob approached from behind. “Crystal, come with us as well, stop wandering around with Robin.”

“You see, following him around, we end up in these places!”

“To be with this group of ruffians...”

Jacob's words immediately drew the dissatisfaction of the people around him, who quickly began to attack him, saying, “Who the hell are you calling a scum of the streets!”

Miranda saw the situation was not good and quickly pulled him away from here.

At that moment, Robin walked up to Roger and stepped on his chest. “Wait a moment and lick all those youtiao and tofu clean before you can leave!”

Then, pointing at Bill in the distance, he said, “Come here! Roll over to me!”

At this moment. Bill deeply regrets!

If Robin had known how capable he was, he would never have spent so much money to bring Roger and his people here. Watching Robin's unpredictable skills, even if dozens more people came, it would be useless.

Bill was so scared that his legs went weak. He finally managed to run up to Robin and knelt down on the ground, saying, “Big brother, it was my mistake to offend you today. Please forgive me and spare me.”

“I will compensate for all your losses! From now on, I will never appear on this street again. Bill has already admitted defeat, but Roger, who was being stepped on by Robin, still refuses to accept it.”

He struggled to lift his head and glared at Robin, saying fiercely, “Kid, your skills are indeed impressive. But even if you can fight, so what?!”

“In this world, one cannot go far relying solely on fists!”

Robin smiled indifferently and said with interest, “Oh, do you have any other brilliant ideas? Alright! Tell me and let's see if you can scare me.”

Roger struggled to get up from the ground and sneered, “Do you know Terrence from Mauveglow Security?”

“Laozi and Terrence were sworn brothers. If you hit me today, you would have died miserably!”

Chapter 56 Terrence and I are two brothers

Robin had long anticipated that this guy would say these things.

The crowd watching heard Roger finally utter the name of Terrence.

One by one, they immediately closed their mouths and fell back in fear.

Afraid that Terrence and others would come over and affect themselves.

If someone doesn't know Terrence in this area at the bottom of Mount Mauveglow, then he must have not been here for long. Since Purpeak International Group took over Hallcester.

Leonel and Terrence from Mauveglow Security gained great fame in this place.

In the past, Cecilia and Conway wrestled here to gain market control over the Mount Mauveglow area.

In this competition, Purpeak International Group emerged as the winner.

The number one hero was Leonel.

And this Terrence, is the most capable subordinate under Leonel.

Under the jurisdiction of the peak of Mount Mauveglow, there has never been a single case of anyone daring to cause trouble. Who doesn't know the name of Terrence in the Mount Mauveglow

area!

Roger announced Terrence's name, and everyone was naturally trembling with fear.

This is not something that can be solved with just fists.

Chapter 50 Terrence and Are Swom Brothers

Terrence represented a formidable and terrifying force.

Behind him was the Purpeak International Group, even feared by Conway, the Underground Demon King of Hallcester. If you provoke Terrence, it's really asking for trouble.

Although a group of onlookers were very worried about Robin's situation, not a single person dared to come forward and remind him to run away quickly.

They were not willing to provoke Terrence's group of forces for an unrelated person. If | got implicated by him, then it would be over.

Roger saw his aura instantly rise in his surroundings, and his courage surged.

Although still being stepped on by Robin, the momentum was noticeably stronger.

He strained his neck and said coldly, "Kid, it's not too late to know now, let go of me immediately!"

"Then, kneel down and apologize to me, let me give you a good beating, and this matter will be over today!"

Robin watched with interest as this person lied with their eyes open.

It seems that he carried Terrence's sign and swaggered around this area, deceiving people and enjoying many benefits. "Oh, so you really are

Terrence's brother?" Robin let go of him and exchanged a glance with Crystal, smiling.

Roger saw Robin let him go and he got up from the ground, "Now you know what fear feels like? Hehe!"

Robin shook his head. "Not afraid! What on earth is Terrence? How could I not know how scary he is?"

"Kad! You're asking for death! How dare you insult my big brother? Do you want to die?" Roger gritted his teeth and said.

Robin took out his phone directly and said. "Leonel, immediately make Terrence come over! His brother said he wants to kill me! I am across from Royalty Café!"

The crowd was suddenly stunned.

Did Robin actually know Leonel and Terrence?

Could Terrence really come here?

Roger was also startled for a moment.

Could it be that this young man is really Terrence's friend?

Upon second thought, how could that be possible?

Definitely, he was just like me, using Terrence's name to scare people.

It was even more impossible to speak to Leonel in the same tone over the phone.

"Hahaha... You fucking know how to pretend!" Roger sneered.

"Terrence, are you the kind of person who can just come over with a phone call?"

Robin chuckled, "Three minutes, within three minutes, if he doesn't come, Leonel will come!"

"When Leonel and Terrence arrived, don't be scared to the point of

Roger's heart skipped a beat as he saw Robin's indifferent look. Could it be that he had really encountered a master? A crowd of onlookers watched the dramatic scene in front of them, and their emotions immediately soared again. “No wonder that young man was so calm, turns out he was with Leonel and Terrence.”

“From the tone of his phone call, it seemed like his position was even higher than Leonel and the others.” “You're silly! This was just to scare the other person!”

“How can we make the other party scared if we don't say it like this?”

“But, if Terrence really came over...”

“How is it possible? Terrence would never come here for such a trivial

### Chapter 57 Who the Hell Are You?

Crystal looked at the scene around her and smiled.

Being with Robin, it seemed like the world became interesting.

Crystal couldn't help but laugh when she looked at Robin's appearance.

“Miranda said, wherever you go, you always cause trouble. It's true, even eating a youtiao can lead to a fight, hahaha...” Robin took out a wet wipe and wiped his hands, ignoring her.

Crystal glanced at Roger and the others, snorted coldly, “You

scumbags, do you think it's fun to bully people on a daily basis? Today, you've met your match!”

“Do you know who he is? Leonel and Terrence both used to shine his shoes. How dare you say in front of him that you are Terrence’s brother? Isn’t that asking for trouble?”

Roger was feeling doubtful at this moment, and with Crystal’s words, he became even more afraid. “Could he really be working for Leonel and Terrence?”

Crystal turned around and went to the fried dough pancake shop. She bought two fried doughs and handed one to Robin. “Robin, when you were fighting with them just now, Miranda and Jacob were watching the whole time.”

Robin took a bite of the youtiao and asked, “What’s wrong?”

Crystal intended to tell Robin what Miranda had said, but she thought

Chapter 57 Wh he Hell Are You?

it was boring and decided not to mention it again.

“Miranda’s grandfather returned to his home country so quickly because his health condition was very poor. The doctor said he could. only live for another six months.”

After learning this news, the upper relatives and shareholders of the Brown family were brewing a dispute over the management rights of the Brown Group.

“During this period, Miranda was eager to sign an investment cooperation contract with the Eastern Business District because she wanted to obtain the position of Chairman of the Brown Group.”

“If she still couldn’t improve the performance of the Brown Group in the near future, it is highly likely that her aunt, uncle, and some major shareholders would confront her together.

Robin looked at Crystal and asked, “What do you mean by telling me all this?”

Crystal paused for a moment and said, “It’s really not important, let’s not talk about it anymore...”

At this moment, two Hummer SUVs came speeding from the direction of Mount Mauveglow!

The body of the car was prominently adorned with the logo of Mauveglow Security.

The people who came were Leonel and Terrence, among others.

Robin looked at his watch and it was exactly three minutes, not a minute more or less.

Leonel was still at Mauveglow Villas at that time.

Chapter 57 Who the Hell Are You?

After receiving Robin's call, we immediately drove over with Terrence, without daring to be the slightest bit negligent. Two Hummer SUVs with Mauveglow Villas signs stopped in front of the youtiao stall.

The tire rubbed against the ground, causing a piercing screech as it came to a sudden stop.

Leonel and Terrence quickly got out of the car and ran towards Robin.

"Ah? Leonel and Terrence both came!"

"Oh my goodness, this young man has such a big face. With just one phone call, he actually managed to get them to come!" The crowd watched as Leonel and Terrence indeed arrived here within three minutes, eliciting a burst of exclamations. The look in Robin's eyes at this moment was even more dazzling!

Roger saw this scene and his whole body was trembling!

He never expected that, under the guise of Terrence, he had been swaggering and cheating to make some money in this area, and today he actually ran into the real protagonist!

“Ah, did you see that? Leonel and Terrence seemed very afraid of him!”

“This young man was quite a big shot!”

At this moment, the crowd queuing to buy youtiao was shocked by Robin’s identity.

The person who used to think about keeping a distance from Robin, in that moment, suddenly felt ashamed of themselves. 27.965

## Chapter 57 Who the Hell Are You?

After Leonel and Terrence got out of the car with six burly bodyguards, they quickly ran up to Robin and stood in a neat line, respectfully saying, “Mr. Bruce!”

Everyone looked at this posture, once again exclaiming in surprise.

In their eyes, the usually fierce character appeared surprisingly humble. in front of Robin.

It can be seen that Robin's position is much higher than Leonel and Terrence!

“Today was truly eye-opening! Leonel, this elusive figure like a mythical dragon, was actually addressed as ‘Mr.’!” “That Roger and Bill, they were done for today!”

“Boasting, he claimed that Terrence was his sworn brother and actually encountered a real god. Haha, interesting!” “Didn't you see that guy trembling right now?”

Roger fell to the ground with a thud, too scared to utter a word.

He was well aware that the big shots under Purpeak International Group were not ordinary gangsters. Using their identities to commit evil deeds, they would be thrown into the sea!

Bill saw this scene and was already prepared to leave, quietly retreating backwards.

If Terrence asked about the reason for this matter, he couldn't escape

either.

It was not a simple fight, it was life-threatening!

“Terrence, hehe, who are the people you have met?” Robin chuckled. coldly.

“Just in front of the villa area, | ran into Cedric. Here, | met another one of your brothers.”

“What kind of person is this, harassing girls early in the morning!”

Terrence panicked when Robin mentioned it.

If Cecilia found out about this, he would have no chance at all.

“Mr. Bruce, he and | were really not brothers! This jerk was pretending to be me and deceiving people!” “You handle it yourself,” Robin nodded and said.

“Fuck your mother! Who the hell are you? How dare you claim to be my brother? Are you sick of living?!” Terrence, filled with anger, kicked Roger in the face.

Roger was stunned by this. Terrence and the group of bodyguards behind him were not as merciful as Robin. They all wished to tear him apart.

Roger took a glance at Robin and realized in his heart that this guy was the most awesome. He quickly crawled to his front and pleaded, “Brother, | am blind! Please spare me, | beg you!”

“Didn't you just ask me to lick the tofu and youtiao off the floor? I'll lick it now! I'll lick it now!”

After saying that, Roger lay on the ground and licked up all the tofu, fried dough sticks, rice porridge, and pickles that had been knocked over on the ground, just like a dog.

Chapter 57 Who the Hell Are You?

After licking the things on the ground, he crawled in front of Robin and Terrence, saying, “Terrence, Terrence, spare me, | will never dare again...”

Terrence coldly said, “Do you think you can get away with offending Mr. Bruce?”

“Letting you off, can I still hang out in Hallchester in the future, Terrence?”

“Hehe, kid, before doing such things, you should have anticipated the consequences of doing so!” “That was death!” “Drag him out and chop him into the sea!” Terrence commanded, scolding with the few people he had brought along.

Two bodyguards immediately covered Roger’s mouth, put a sack over his head, and dragged him into a van that arrived shortly after.

Then, Terrence pointed at Bill and the others, “You guys, come over here! Run to the peak of Mount Mauveglow in ten minutes! If even one of you is missing, it won’t be as simple as getting beaten up, it will be death!”

Bill and a few others didn’t dare to run.

Terrence’s point is absolutely true, if you run away, it’s definitely a dead end.

After finishing these tasks, Terrence knelt in front of Robin and said, “Please punish me, Mr. Bruce!”

This one kneel shocked everyone!

One of the fierce warriors of Purpeak International Group, Terrence, actually knelt down to Robin!

How impressive must this young man’s identity be to make them act like this?

“Get up. it’s not entirely your fault, this is in the past.”

Robin finished the last bite of the youtiao, wiped his hands with a wet tissue, and walked towards the car across the street. Crystal was also shocked by the scene just now.

I used to think that Leonel and Terrence were just being respectful to Robin.

She didn’t expect that this posture even surpassed Cecilia’s position in front of them!

Who exactly was this Robin?

How powerful and terrifying background did he have behind him?

Otherwise, why would those once mighty bosses in Hallcester be so humble and fearful in front of him?

Watching Robin's ordinary figure disappear into the ordinary, her heart surged.

"Robin, wait! Can't you have some manners as a man? I'm still behind you, why are you walking so fast? Oh no, I lost my heel." Crystal twisted her foot and sat down on the ground.

Robin ignored her and walked straight towards the car.

"Damn it! You don't know how to cherish a delicate beauty at all," Crystal angrily took off her shoe and threw it at Robin. Chapter 57 Who the Hell Are You?

Robin didn't even turn his head, feeling an object being thrown at him from behind.

With a swing of the arm, the shoes that Crystal threw were sent flying.

The shoe drew a long arc in the air and flew into a ditch more than ten meters away.

"Huh?" Damn it! They actually knocked my shoes off!

Crystal immediately got up from the ground and barefoot, she chased after him.

As she ran, she cursed angrily, "Robin, you bastard!"

Fearing that Robin would just drive off, Crystal scrambled into the car in a hurry.

“Ugh. | swear, you men! My heel broke, couldn't you have at least helped me?”

Robin glanced at Crystal's bare foot and his mouth twitched. “Why are you still wearing the other shoe?” “Huh?” Crystal paused for a moment, looking down at her feet.

This man walked barefoot on the ground for a long time in such a cold day without saying a word of concern to me. I'm sorry, but | need the text you want me to translate into English in order to assist you.

Fuck your mother!

Do |. as a beauty like me, have so little attractiveness in front of you?

“Ah!” Crystal screamed as she thought of this.

At that moment, she was on the verge of going crazy and directly took off the other shoe and threw it away. Robin shrugged his shoulders, “He had quite a temper.”

Stepping on the gas pedal, | raced towards Cosmo Mall on Zephyr Street.

Crystal took two deep breaths.

| comforted myself in my heart, realizing that getting angry with this kind of man would only harm myself. “Ah, across from the Cox family's Cosmo Mall, there was a Blossom Mall.”

Robin looked at Crystal and asked, “What do you mean?”

Crystal pointed to the flip-flops on her feet and said, “I mean, | can't possibly go and ask Chester for money wearing these men's flip-flops from the car, right?”

“When we arrived there later, it was probably close to lunchtime.”

“We bought a pair of shoes first, and then we went to the Cox family's Cosmo Mall.”

Robin nodded, “Alright, that's fair. I'm also not used to taking a woman wearing slippers around for shopping.” At that moment, Karina called.

“Robin, please make sure to come to the on-site signing ceremony for the Eastern Business District project by the Huber Group tomorrow morning.”

“I won't get involved in the matters of your business, the Huber Group,” Robin replied directly.

Karina continued, “The Huber Group has established the Eastern District Development Corporation, and I have already announced that you will be the company's president.”

“Tomorrow morning at 9 o'clock, the board members and executives of the newly established development company will hold their first meeting in the number one conference hall of the Huber Group. How can you not come?”

Chapter 58 Men Should Have Self-Awareness!

“Make me the president of a development company? Ms. Huber, you must be joking. I had no understanding of these things at all, and besides, I also didn't...”

“It's okay, you don't have to do anything. I was the vice president of a development company, and I will take care of the specific tasks. You can just relax.”

“But, you had to do it, Mr. President.” “Why? Are you doing this to make me look good? It's really not necessary!” Robin laughed. “No, Robin, I beg you to help me a little longer, please?” Karina pleaded on the other end of the phone.

“At present, I was under immense pressure. After my father fell ill, I took over the Huber Group, which can be described as being in a difficult situation both internally and externally.”

“Grandfather grew old, and his health deteriorated day by day. Many people, upon noticing this, started to cast covetous eyes on the Huber Group.”

“I needed you to help me for a while...” “Recently, many actions of the Reynell family were basically directed towards the Huber Group.”

“That day, you openly sabotaged Nathen's intention to sign, which was equivalent to the beginning of a direct conflict between the Reynell family and the Huber family.

“You can’t just run away after causing trouble, can you?”

Robin was momentarily speechless. “I... well, alright then. But | won't be sitting in an office like a monkey every day, and | certainly won't be

dealing with those boring business matters.

Karina on the other end of the phone chuckled secretly, “Don’t worry, you have unlimited freedom. You just need to show your face in some necessary occasions, like tomorrow's board meeting. You can just sit there for a while.”

Robin hesitated for a moment and replied, “Alright, since it’s that simple, | agree. | will come over tomorrow on time.” “Robin, don’t hang up the phone, | have one more thing.” Karina on the other end of the line took a deep breath.

“Are you free tonight? Come to our house for dinner. My grandfather would like to invite you to have a meal at home.” Robin had wanted to refuse.

However, guessing that Mr. Harold invited him to dinner this time must be about Karina’s father Camdyn’s health, he could only say, “Alright, it might be a little late.”

Karina on the other end of the phone seemed clearly happy, even her voice and tone changed. “Alright, Robin, I'll wait for you at home tonight.”

As Robin listened to Karina’s pleasant voice on the other end of the phone, his hand holding the steering wheel trembled slightly. Wow, this woman's voice was really nice!

Did my hand shake?

It seems that women really affected the speed at which | drew my sword!

“Wow!” Crystal exclaimed, witnessing the entire process of Robin answering the phone.

“Ms. Huber actually asked you to be the president of Eastern District Development Corporation!”

“Ah, Robin, so you were really Ms. Huber’s boyfriend!”

“Sick!” Robin did not continue this topic with Crystal.

Suddenly, in the corner of his eye, he caught sight of a Toyota SUV passing by, with two pairs of sharp and sinister eyes secretly watching him.

He immediately looked at the Toyota SUV that had already driven ahead. His intuition told him that these two guys must have deliberately driven past him in order to observe him up close. Who was following me?

“Ah, what is Robin thinking? Right ahead is Cosmo Mall, and there is an underground parking lot diagonally across from it,” Crystal

reminded.

At this moment, Robin’s phone received a message from the Intelligence Center of the Death Mongers.

Followers, Valluynn’s assassins of the Hart family, Dallas McGee, Francisco Sandoval. Disciples of the Agility Sect. After entering the country, | was already being monitored by the security department of Londraland.

The assassins of the Hart family?

It seems that these two people entered Londraland for the matter of

Cecilia's Soul-Devouring Curse.

After parking the car in the parking lot, Crystal, wearing sandals. followed Robin into the first-floor women’s shoe sales area of Blossom

Mall.

Robin was thinking about the arrival of the two assassins from the Hart family

Miranda walked towards him and stood in front of him, coldly saying. “Robin, are you interesting? Every day you follow me like a shadow, wherever | go, you appear.”

“That day, at the Brown Edifice, | clearly told you that you and | were not on the same level. We had already called off the engagement and went our separate ways...”

Robin looked up at Miranda and Jacob, shook his head and chuckled lightly, too lazy to bother with them, and walked straight ahead.

Crystal quickly explained, “Miranda, you’re really overthinking it. Robin was just accompanying me to buy shoes here, it’s just a coincidence...”

“Crystal, stop making excuses for him. Why can’t he buy shoes anywhere else? He insists on going to Blossom Mall?” Miranda sneered.

“You knew very well that we were going to meet Mr. Reynell at the Sky Café in Blossom Mall, and you deliberately followed us all the way, huh...”

“I hated this kind of persistent man!”

“Ah, goodness! He really didn’t come to see you on purpose,” Crystal shook her head helplessly, truly speechless. Chapter 56 Men Should Have Self Awareness

Miranda seemed quite angry, taking two quick steps and blocking Robin’s path.

In front of a crowd of onlookers in the shopping mall, she pointed at him and said, “Robin, I will never be interested in a man like you who has no future! Please stop bothering me from now on, okay?”

Robin looked at Miranda’s extremely annoyed expression, as if her own presence was somehow causing her great distress. “Sick!”

Robin didn’t want to waste his breath with such a brainless woman and tried to avoid her, but Miranda still blocked his way. “Robin, let me remind you again, a man should have self-awareness!”

“Get lost!” Robin pushed Miranda aside, “You’re not feeling well at all!”

“Miss, don’t be angry. Bros got your back. Come on, I’ll take you out for a good time, hahaha...” Four or five tough guys surrounded Miranda, getting handsy and pulling her towards the exit.

Miranda was instantly confused and shouted, “Mr. Walsh, Crystal!” Crystal hurriedly pushed Jacob, “You quickly stop them!”

Jacob was also stunned.

He knew that these people were Mr. Newell's people!

| haven't paid back the money | owe them yet.

“Crystal, they... they were Barry’s people!” Jacob said in horror. “We have to stop them!” Crystal grabbed Jacob and ran quickly

towards them. “You guys, stop right there! Let her go!”

“Damn! | had a great time at lunch today, hehe... Come on, let’s take this young lady with us!” One of the thugs, Adam Tate, looked Crystal up and down, his face filled with a lecherous smile.

Chapter 59 Alright, You Won

Crystal struggled to shake off Adam.

“Let go of me! I’m telling you, if you dare lay a finger on us today, Barry will chop you up!”

Adam was instantly stunned. The woman in front of him had actually mentioned Mr. Newell's name.

However, upon second thought, how could Mr. Newell possibly know such a person? He burst into laughter.

“Quite interesting, trying to scare me, huh? Well, go ahead and call Mr. Newell, let's see if he will pay any attention to you.” Adam placed the phone in front of Crystal, and it displayed Mr. Newell’s phone number.

“Go ahead, just press the send button to connect with Mr. Newell.”

Crystal saw the situation in front of her and realized that there was no way to resolve it without Robin's intervention.

Adam saw the nervous look on Crystal and the other two people, and he concluded that what Crystal had just said was confusing him.

He directly pressed Barry's phone send button. Barry's gloomy voice came from the other side: "What's the matter? Adam, why are you calling me in the middle of the day?"

Adam hurriedly flattered, "Mr. Newell, I know that you have been recuperating these days, feeling lonely and bored. So, I found two

beautiful girls to accompany you and have a chat. Surprisingly, one of them claimed to know you. I just wanted to confirm it with you, sir."

Adam grinned at Crystal and said, "Why don't you say a few words to Mr. Newell? You said you know him, right? Don't try to fool me, you're too young! Come on, let's go back and serve Mr. Newell honestly! Otherwise, you will regret it for the rest of your life!"

Several men immediately came over and tried to pull Crystal and Miranda out.

In a moment of urgency. Crystal shouted loudly, "Robin, why don't you come over and help right away?" Robin didn't want to get involved in this matter.

However, considering that Crystal came along with him, it wouldn't be fair if this situation happened.

He turned around and walked up to Adam, snatching the phone from him, and spoke into the microphone. "Barry, right? This is Robin. Did you want to die?"

Barry on the other end of the phone exclaimed in a panic, "Mr. Bruce, I didn't know it was you? Don't worry, I will handle this immediately."

Robin threw the phone directly into Adam's arms and said, "Tell Barry to come to Cosmo Mall in an hour. If he's even a minute late, I'll take his life!"

Having said that, he turned around and walked towards the hall.

When Adam heard Robin's name, he was already scared and his legs went weak. On the other end of the phone came Barry's roar, "Damn it, Adam, do

you want to kill me? Release him immediately!”

At this moment, Nathen walked in from outside the hall.

“Mr. Walsh, Ms. Brown, you arrived first. I still have something to do now, so please wait for me at the café on the second floor in ten minutes.”

After saying that, he hurriedly walked inside with a few bodyguards.

At this moment, Adam accompanied with a smile and said, “I’m sorry, this is a misunderstanding. Ladies, I apologize for the disturbance.”

With that, he spread his legs and ran out of Blossom Mall.

Miranda was stunned for a while, took a long breath, and looked at Nathen’s back with admiration until he entered the elevator.. “Fortunately, Mr. Reynell arrived early, otherwise it would have been really troublesome.”

Jacob proudly said, “Of course, Mr. Reynell’s reputation in Hallchester represents a big shot, what is Barry in front of Mr. Reynell?”

“Let’s hurry to the cafe, Mr. Reynell’s time must have been very precious.” Miranda glanced at the time and pulled Jacob towards the direction of the elevator.

“You guys wait a minute, just now it was clearly Robin who saved us, and you didn’t even say a word of thanks?” Crystal said unhappily to Miranda’s back.

Miranda stopped in her tracks and looked at Robin in the distance. She sneered, “Crystal, you really overestimate him. Do you really think Barry only let us go because he heard Robin’s name?”

“If it weren’t for Mr. Reynell arriving in time, do you think Barry’s people would have let us go? It’s ridiculous, what does he think Robin is?”

Crystal was speechless. “Well, as long as you’re happy.”

Miranda looked at Crystal’s expressionless face and shook her head. “Crystal, you are too deeply poisoned. Wake up quickly. One day, when Robin sells you, you won’t even know.”

“Ah, take care of yourself.”

With a sigh of regret, he glanced at Crystal and quickly walked towards the direction of the elevator, pulling Jacob along. Crystal stared at the two of them and muttered something.

Damn it! Are you blind? Fine, fine, do whatever makes you happy!

After a brief annoyance, Crystal suddenly felt in a great mood again.

Miranda, if you weren't blind, | wouldn't have been able to pick up the leftovers!

Chasing after Robin, | quickly ran towards him, “Robin. wait for me...”

After buying a pair of shoes, Crystal looked at the time and saw that it was still early. She pointed upstairs and said. “Why don't you treat me to a meal? | know there are many delicious local snacks in the food. zone here.”

Crystal was stunned for a while. Why does this guy always ruin the mood? It makes me so angry!

Crystal was stunned for a while, wondering why this guy always ruined the mood. It was driving her crazy! Crystal rolled her eyes at Robin, thinking to herself. “He's already

Chapter 59 Ainght You Won

living in Mauveglow Villa 1, and he's still so stingy!”

Damn it! Is this how rich people save their money?

“Alright, you win. I'll treat you, you jerk!”

Arrived at the third floor food zone.

Just as | entered the door, | heard a girl's voice from behind.

“Ah, what a coincidence, | ran into you again? | was actually thinking about when | would have the chance to treat you to a meal.”

Robin turned around and saw two young women.

One of them was Madeline, the girl wearing a plaid skirt, who was standing in front of the fried dough stick stall in the morning. She was looking at him with a face full of surprise.

Beside Madeline stood a woman of similar age, her eyes filled with caution and disdain.

Robin nodded with a smile, "It was quite a coincidence."

Madeline hurriedly introduced, "Big brother, this is my classmate Blanca Perry."

Then, he grabbed Blanca's arm and said, "Blanca, this is the brother I told you about earlier, the one I met this morning."

Blanca looked at Robin without expression, then glanced at the shoes Crystal had not yet changed out of, and nodded perfunctorily.

Madeline enthusiastically said, "Big brother, I will treat you to lunch today."

However, it's not to the extent of imagining everyone else to be so filthy and disgusting.

Robin and Crystal were also shocked when they heard Blanca's words, and they both looked at her.

The girl was indeed outstanding in terms of figure and appearance, but not as exaggerated as she claimed, It seemed that men all over the world racked their brains to create opportunities just to approach her. Crystal couldn't help but sigh inwardly.

The president of Eastern District Development Corporation, a subsidiary of the Huber Group, was right in front of you, but you were worried that he would affect your senior's mood for dinner?

The senior student whom you looked up to was not qualified to shine Robin's shoes. Damn it! I couldn't stand your stupidity anymore! Robin didn't want to waste any more time with them, so she nodded at Madeline and headed straight towards the food zone.

“Wait a moment, big brother. I really wanted to treat you to a meal...” Madeline hurriedly took a couple of steps, trying to catch up...

Blanca grabbed her and said, “Madeline, this is called playing hard to get. He deliberately pretends to be indifferent, and men like him have many thoughts.”

Madeline watched Robin’s figure and muttered, “No way?”

“Fool! A brainless woman like you is the easiest to be deceived!” Blanca sneered at her, then looked up at Robin who was walking

away, her eyes filled with disdain.

Crystal said in her heart, “You missed a great opportunity, thinking you were so clever! Damn idiot!”

Turned around and ran towards Robin.

Chapter 60 That’s Mine!

The business at Food Zone was exceptionally booming during lunchtime.

Most office workers, shoppers, and business people in this area would generally choose to dine here. Crystal quickly caught up with Robin.

All the few exquisite private rooms in the Food Zone were fully booked.

They had to choose a seat by the window in the dining hall.

Crystal ordered a table full of dishes and looked at Robin, who was about to start eating. “So. Miss, are you satisfied with the dishes I arranged for today?”

“Make do.” Robin replied without even lifting his head.

Damn it, is it so difficult for you to say something nice?

He picked up the glass and drank it straight down.

Phew!

Alcohol could alleviate a thousand sorrows!

Alcohol could relieve the worldly troubles!

Alcohol can... Alcohol strengthens the coward's courage!

Why not speak out your heart while under the influence of alcohol?

1000

Crystal felt much better as she exhaled a deep breath.

"Ah, Robin, I wanted to tell you something..." Crystal, under the influence of alcohol, had a hazy look in her mesmerizing eyes. "Huh?" Robin glanced at Crystal and was startled.

The woman's gaze was very strange!

I was being watched as if I were her prey.

A little bit of a faster heartbeat!

"What... what do you want?" Robin blinked, glanced down at himself, and instinctively looked at the other person's fair neck. Crystal noticed Robin's expression.

With the emotions brewed by alcohol, it suddenly deflated like a balloon.

Oops! I couldn't say anything.

Fuck you!

"Robin, you jerk!" Crystal exclaimed angrily, unable to hold back her frustration.

"What?" Robin was confused and gave her a disdainful look. "You jerk! You're sick, woman!"

“Um... no, I couldn't control myself for a moment and blurted out what was on my mind...” Crystal hesitated, unable to find a topic.

Robin was even more speechless, “So you have been cursing me in your heart all along?” Crystal smiled awkwardly and said, “No, not always... What I mean is, 1231

1. um. Robin, you also hold the fork with your right hand, right?”

Robin was stunned for a while, looking at Crystal's flushed cheeks and panicked eyes. “You, woman, must not have good intentions in your heart!”

Oh my goodness!

Crystal hummed and picked up the last piece of the big drumstick from Robin's plate. taking a fierce bite.

“That's mine!” Robin exclaimed as Crystal took the drumstick from his plate

She also picked up a drumstick from the plate in front of her and, by the way, also picked up an extra chicken claw “That's mine!” Crystal exclaimed, “Why are you so stingy, man!”

“Who told you to steal my drumstick!” Robin angrily took a bite.

This scene happened to be witnessed by Madeline, Blanca, Maurice Chandler, and others passing by them. Madeline looked at the scene and laughed, “Hehehe...”

Crystal immediately stopped fighting and gave Robin a disdainful look, muttering. “Damn it, even stealing a drumstick from me!” Madeline secretly ran to the ordering counter and ordered a drumstick. for each of them.

Blanca's dining table was not far from Robin.

Robin and Crystal learned that Madeline had brought them drumsticks and nodded to her to thank her.

## Chapter 60 That's Mine!

Blanca glared at Madeline and said, “Are you stupid? Why would you give them any food? You don't have a job yet, so stop being generous!”

Madeline stuck out her tongue and said, "Thanks to my big brother, I was saved this morning. Otherwise, I wouldn't have known what the situation was."

"Is that the man you were talking about? Look at him, is he the kind of brave hero you described? He even fights with a woman over a drumstick, what a disgrace!"

Blanca cast a disdainful glance at Robin and said, "Moreover, that whole incident in the morning might have been staged by him himself! You fool!"

Madeline whispered. "No way, Blanca. Big brother is not as terrible as you imagine." "What's going on?" Maurice, who was standing nearby, was completely confused. "What are you all talking about?"

Blanca recounted the incident of Madeline buying youtiao in the morning and sarcastically said, "Maurice, tell me, how successful can a man be who waits in line for over ten minutes for a few dollars' worth of youtiao in the morning?"

Maurice nodded with a smile, "Blanca is right, I could tell that guy wasn't very sophisticated, he was indeed a bit uncouth." Madeline whispered, "Maybe they were boyfriend and girlfriend, isn't it normal for them to play around together?"

"And, that incident in the morning, my big brother really saved me. How could he possibly stage such a performance just for

me... Blanca gave a cold smile and said, "For a girl like you, he certainly wouldn't go through such great lengths." Chapter 60 That's Minel

"Didn't I tell you? He must have wanted to get close to you to get my attention!"

"I wouldn't even glance at a man like this, who lacks manners and taste!"

Maurice hurriedly smiled and deflected, "Alright, let's not talk about others. Madeline is also simple-minded and has little experience with worldly affairs. In the future, after entering the workplace, she will gradually understand."

Blanca shook her head and said, "Maurice has only been with the Huber Group for six months, and he has already been promoted to the position of Deputy Team Leader in the Sales Department. That's really impressive."

During his time at school, Maurice admired Blanca.

This time, Blanca found him because of the job application for the Eastern District Development Corporation under the Huber Group.

He would certainly do his best. “Not bad. Due to my performance at work, there is a high possibility that I will be promoted to Team 1 leader in the near future.”

Maurice exclaimed, “The team leader told me that tomorrow will be the first day of the company’s establishment, and I might even have the chance to meet the company’s president!”

“Oh, Maurice is so amazing!” Madeline exclaimed.

“I was just dumb, and I didn’t know if I could get into a big company like the Huber Group”

“When I went for the interview today, I was almost late.”

“I saw that the interviewer was not happy, I’m afraid I won’t have the opportunity to work with Maurice as a colleague.” “Fortunately, Blanca helped me say a lot of good things to the interviewer, and that’s how my resume got accepted.”

Blanca gave her a disdainful look, “You, always so careless, can’t you prioritize properly? Can’t you come for the interview first before having breakfast? Really!”

Maurice smiled and said. “It’s okay, I will go and talk to the interviewer from the HR Department. I will let them know that you two are my juniors, and that will be fine.” Madeline exclaimed happily, “Maurice, what do you like to eat? Today, I will treat you.”

“Huh?” Maurice hesitated for a moment, “Let’s go Dutch, it’s common nowadays.”

“How can I possibly do this, senior? Let me do it instead,” Madeline insisted.

“Madeline, don’t be like this! Let’s just follow what the senior said and split the bill evenly.” Blanca’s eyes flashed a hint of subtle disdain, but she continued to smile on her face.

According to her thoughts, since Maurice liked her so much, this meal should definitely be his treat.

Moreover, there was only one man here, and he was also the only one who had a job and received a salary.

Madeline had no choice but to give up.

Robin and Crystal passed by them after they had finished lunch.

“Madeline, thank you for the drumsticks. Enjoy your meal,” Crystal greeted them proactively

Madeline quickly got up and smiled, saying. “Big brother, in the future. I will treat you to a good meal when there is a chance. Robin smiled and asked, “How did your job interview at the Huber Group go?”

“I... managed to catch up, but I still didn’t know the final outcome. However, it doesn’t matter, I can accept whatever result,” Madeline said happily

“Brother, can you leave me your contact information?”

Without waiting for Robin to answer, Crystal said directly. “His name is Robin. Add him as a Line friend, and I will give you his account.

“Don’t worry, if you really want to join the Huber Group, it’s just a matter of a word from your brother. Robin hurriedly stopped him and said. “Don’t listen to her nonsense, let’s go.”

“Oh, you’re also from the Huber Group? Do you know anyone from the HR Department? Hehe...” Maurice looked Robin up and down upon hearing this.

“I heard that you were quite skilled, you must have been a security guard in the Security Department.” “Um...” Robin didn’t want to answer this question.

The disdainful expression in Maurice and Blanca’s eyes became even stronger

A little security guard dared to say that he could handle Madeline’s

onboarding matters.

“Ah, I was the vice. of Team 1 in the Sales Department of the Huber Group.” Maurice’s words were cut short as Robin pulled Crystal

towards the cash register. Maurice shook his head. “Haha, lower-class people do have a bad temper, what you said is not entirely false! Haha...”

Blanca looked at Robin's back, shook her head, and sneered. “He’s afraid to say too much, embarrassed in front of me. This kind of person is really ridiculous.”

“Let's not talk about him anymore, let’s order our food. “Excuse me. which one is Ms. Pearson?” asked a waiter, holding a special set menu for king crab. “Ah? I was...” Madeline nervously said.

“Hello, Ms. Pearson, this lunch was ordered for you by Mr. Bruce. The payment has been made, please enjoy it with peace of mind.

Three people looked at this exclusive package worth 2800 dollars and were dumbfounded.
