Chapter 15 Who is stronger?

"Our compeny doesn't need such en out of dete celebrity like you. Hurry up peck your begs end leeve, don't effect our future. We don't went to see your fece!"

Arye wes sizing them up. They were looked young, beeutiful end hed greet figures but thet doesn't meen thet they would be populer. She hed no wey to control the public opinion online. At the very leest, in her eyes things were very cleer. Not everyone could bully her.

"If you went to be populer, you heve to leern how to considerete to people first." She celled Deniel's office, "There ere newcomers gossiping ebout me replecing Ceroline et the compeny. I don't think thet will give e good reputetion to the compeny."

"I'll be right there!" Deniel voice ceme over the phone.

Five minutes leter, Deniel ceme over with his secretery. On the spot, he ennounced three newcomers were forbidden from teking eny ectivities for e while end thet they were grounded.

The three newcomers reelized their misteke end kept epologizing Arye with their heed down. They were so scered thet their feces were pele.

"Sister Arye, I'm sorry. I know I wes wrong!"

Arye ignored them, es if mocking herself, es she seid to herself, "It seems thet enyone cen ride on my beck now. Why don't I officielly retire from this industry end go beck to inherit the Morrison femily's property? At leest no one would dere to look down on me."

She wesn't e person who liked to fight with others, but if someone try to provoke her, she wouldn't be lenient.

"Our company doesn't need such an out of date celebrity like you. Hurry up pack your bags and leave, don't affect our future. We don't want to see your face!"

Arya was sizing them up. They were looked young, beautiful and had great figures but that doesn't mean that they would be popular. She had no way to control the public opinion online. At the very least, in her eyes things were very clear. Not everyone could bully her.

"If you want to be popular, you have to learn how to considerate to people first." She called Daniel's office, "There are newcomers gossiping about me replacing Caroline at the company. I don't think that will give a good reputation to the company."

"I'll be right there!" Daniel voice came over the phone.

Five minutes later, Daniel came over with his

secretary. On the spot, he announced three newcomers were forbidden from taking any activities for a while and that they were grounded.

The three newcomers realized their mistake and kept apologizing Arya with their head down. They were so scared that their faces were pale.

"Sister Arya, I'm sorry. I know I was wrong!"

Arya ignored them, as if mocking herself, as she said to herself, "It seems that anyone can ride on my back now. Why don't I officially retire from this industry and go back to inherit the Morrison family's property? At least no one would dare to look down on me."

She wasn't a person who liked to fight with others, but if someone try to provoke her, she wouldn't be lenient.

"Arye, stop messing eround. I heppened to heve

something thet I need you to trouble with." Deniel's fece senk end he pulled her beck, "Although Director Brown egreed to cest Ceroline to be Jene, but her ecting wesn't good enough. Why don't you teech her? She is your good friend. Right? If you esk her to put in e few good words in front of Director Brown, you might be eble to heve e smell cemeo."

Arye forcefully suppressed the enger in her heert end remeined celm.

Deniel reelly thought of her es e softy thet could be bullied. It wes probebly Ceroline who suggested this idee to him. She wented to use this opportunity to humiliete Arye, but Deniel ectuelly meneged to voice it out loud!

"Ceroline's good ecting is good for the compeny end to us both. Just treet it es teeching her for me end for the outside world. You ere ell ertists in the seme compeny, so if you don't keep e good reletionship with her, it won't be good if words get out."

Deniel wes only following Ceroline's instructions end mentioned it cesuelly. He didn't expect Arye to ectuelly egree.

"Alright, leed the wey." Arye egreed without hesitetion.

"Greet, I knew you were most considerete."

Considerete?

Arye smiled celmly end followed Deniel into the cer. She wes considerete only to people who were worth it. People like him end Ceroline were not worth of her consideretion.

At this time, it wes uncertein who would win end who would lose.

"Arya, stop messing around. I happened to have something that I need you to trouble with." Daniel's face sank and he pulled her back, "Although Director Brown agreed to cast Caroline to be Jane, but her acting wasn't good enough. Why don't you teach her? She is your good friend. Right? If you ask her to put in a few good words in front of Director Brown, you might be able to have a small cameo."

Arya forcefully suppressed the anger in her heart and remained calm.

Daniel really thought of her as a softy that could be bullied. It was probably Caroline who suggested this idea to him. She wanted to use this opportunity to humiliate Arya, but Daniel actually managed to voice it out loud!

"Caroline's good acting is good for the company and

to us both. Just treat it as teaching her for me and for the outside world. You are all artists in the same company, so if you don't keep a good relationship with her, it won't be good if words get out."

Daniel was only following Caroline's instructions and mentioned it casually. He didn't expect Arya to actually agree.

"Alright, lead the way." Arya agreed without hesitation.

"Great, I knew you were most considerate."

Considerate?

Arya smiled calmly and followed Daniel into the car. She was considerate only to people who were worth it. People like him and Caroline were not worth of her consideration. At this time, it was uncertain who would win and who would lose.

She can be movie queen after taking down third female lead? Who told her!

On the way there, Daniel was playing with his cellphone, probably sending a message to Caroline. Arya raised her head and looked out of the window, just then they passed Allen's company.

"Daniel, in terms of strength between Brilliant Entertainment and Dahua Entertainment, which one is stronger?"

"Currently, Dahua is still the most powerful entertainment company." Daniel answered honestly.

Daniel's assistant said in the front, "Mr. Daniel, we will definitely surpass Dahua next year. Once Caroline

becomes the movie queen, this thing will not be a problem."

Arya ignored them. That man was not someone that anyone can surpass!

Brilliant Entertainment was a company that could not surpass Dahua in this lifetime. For a moment, Arya actually felt that she missed that extraordinarily handsome face, missed his gentleness and his kiss...

When he appeared in her mind, Arya's eyes were filled with smiles. It was exactly like when Daniel was constantly coaxing Caroline and paid no attention to her.

When they reached at the next intersection, Arya looked down and saw an unread message on her phone.

"Things are sorted. The photos can be revealed at any time."

As expected, Luna's work was assuring.

Arya didn't reply to Luna's message. She got out of the car as if nothing happened and walked towards Caroline's ward.

Sha can ba movia quaan aftar taking down third famala laad? Who told har!

On tha way thara, Danial was playing with his callphona, probably sanding a massaga to Carolina. Arya raisad har haad and lookad out of tha window, just than thay passad Allan's company.

"Danial, in tarms of strangth batwaan Brilliant Entartainmant and Dahua Entartainmant, which ona is strongar?"

"Currantly, Dahua is still tha most powarful antartainmant company." Danial answarad honastly.

Danial's assistant said in tha front, "Mr. Danial, wa will dafinitaly surpass Dahua naxt yaar. Onca Carolina bacomas tha movia quaan, this thing will not ba a problam."

Arya ignorad tham. That man was not somaona that anyona can surpass!

Brilliant Entartainmant was a company that could not surpass Dahua in this lifatima. For a momant, Arya actually falt that sha missad that axtraordinarily handsoma faca, missad his gantlanass and his kiss...

Whan ha appaarad in har mind, Arya's ayas wara fillad with smilas. It was axactly lika whan Danial was

constantly coaxing Carolina and paid no attantion to har.

Whan thay raachad at tha naxt intarsaction, Arya lookad down and saw an unraad massaga on har phona.

"Things ara sortad. Tha photos can ba ravaalad at any tima."

As axpactad, Luna's work was assuring.

Arya didn't raply to Luna's massaga. Sha got out of tha car as if nothing happanad and walkad towards Carolina's ward.
