

LOVE OF A BILLIONAIRE

Chapter 19 Farewell to the Pas

Deniel was getting so impetient that he kept dialing the unknown number, but no one answered, so he didn't dare to leave. After an hour, the waiter sent Deniel a note according to Arye's instructions. Of course, it wasn't her new address.

It was just one sentence.

"In three days, have Caroline withdraw from the nomination for the movie queen's award. In exchange, I'll give you Arye's new address."

Deniel cursed in his heart, looked around, got up and left.

People didn't need to look at his face to know that he was mad.

However, Arye's mood did not change at all. In her life, Daniel was not worth her attachment and concern.

"Let's go home. There's something else I want to do."

"What do you want to do?" Arye asked while she looked at him surprised.

Allen didn't say anything else, but his entire body was emitting a cold aura. However, Arye was staring straight at him, she wanted to understand him.

"The reason you're looking at me like that is because you want to invite me over..."

"Actually, there's a place I want to go." Arye calmed down and took the initiative to hold Allen's arm, avoiding his burning gaze.

“After we go, then can we go home and continue our unfinished business tonight?”

Allen was trying to tease her on purpose, but when Arye heard this, she became nervous and kept quiet.

Instead of going home, they went to the seaside church where Arye wanted to go.

Arye didn't want to hide anything from Allen. He gave her a time limit. She understood what that meant. If she couldn't put down her past relationship with Daniel, then she didn't have the right to be his woman.

Daniel was getting so impatient that he kept dialing the unknown number, but no one answered, so he didn't dare to leave. After an hour, the waiter sent Daniel a note according to Arya's instructions. Of course, it wasn't her new address.

It was just one sentence.

“In three days, have Caroline withdraw from the nomination for the movie queen’s award. In exchange, I’ll give you Arya’s new address.”

The cer stopped in front of the church's entrance. Arye and Allen walked side by side.

"I'd like to retrieve the photograph I left here." Arye said to the priest.

Allen looked at her expression but didn't say anything. When she got the thick photo album, he asked, "You went to take this?"

"Yes, this is the last connection that is haunting me." Arye thought back to all the times she spent with Daniel. At that time, she naively thought that this man

Arya nodded shyly. She smiled and wrapped her arms around his neck as he carried her to the car.

The car stopped in front of the church's entrance. Arya and Allen walked side by side.

Daniel. At that time, she naively thought that this man really loved her, but later on she found out that everything was just a lie. She must make Daniel pay the price for what he had done.

Allen watched as she threw the photo album into the fire. The burning flame danced in front of their eyes, and the last trace of reluctance in her heart towards Daniel was completely burnt away.

“From today onwards, I am only living for myself, to be worthy of you.” Arya raised her head and smiled. Her smile was gentle but it was also straightforward!

“So you won’t be sad?” He kissed her lightly on the forehead.

Arya held his hand and felt his warmth. She told herself that she would never be harmed or used again. She would make those people pay double for

what they did to her!

Allen waited quietly for her. After a long while, he finally said, “Now, is Mrs. Jones willing to come home with me?”

Arya nodded shyly. She smiled and wrapped her arms around his neck as he carried her to the car.

“Of course, I’d go home with you.”

...

Daniel looked around for Arya’s whereabouts, but her phone was turned off and he couldn’t contact her. He even asked a private detective to look up Arya’s new address.

What happened recently made him feel very strange. Arya would never have done this to him in the past.

But no matter what, he couldn't give up on Arya. More importantly, he couldn't give up on the Morrison Family's power.

"Daniel, why didn't you come to look for me?"

Caroline rushed into the office with Kayden.

Seeing Caroline, Daniel immediately smiled, signaling Kayden and his secretary to leave. He walked up to her and embraced her, "I wanted you to have a good rest in the hospital. I didn't want to disturb you."

"Is that so? How come I heard that you were looking for Arya everywhere!" Caroline pouted and pulled at his shirt, feeling wronged. "I've put up so much for you, could she be the only one in your heart? I don't care about the fame, I just hope you don't give up on our child. Otherwise, I'd rather have a miscarriage."

“Don’t talk nonsense!” Daniel became agitated at the mention of children, “I have to find Arya for the sake of you and the baby. Before you give birth, I will definitely make sure you receive this movie queen’s award!”

“Daniel, I hope you will always remember your promise.” Caroline immediately gave him a kiss.

“Of coursa, I’d go homa with you.”
