

LOVE OF A BILLIONAIRE

Chapter 22 This Room Only Has One Owner

When he opened the door, it was full of shoes and clothes.

“Since you’re going back to the entertainment industry, you will need these essential items.”

Arya was stunned. “These are all for me?”

“Yes.” As Allen said this, he turned on the light in the inner compartment. The dazzling jewelry shone under the light, causing people to become dumbfounded.

“This room only has one owner and that’s you.”

His words touched Arya’s heart.

“Thank you ...”

Allen put his arm around her shoulders and smiled, “I have faith you will succeed.”

She will once again become the brightest star in the night sky that people will witness her beauty.

And that goal would be achieved through her terms and ability!

...

Daniel demanded his PR team to work through the night. Finally, they were able to control any further development of the situation and protected the image of Brilliant Entertainment. Even though there were still people online discussing the scandal between him and Caroline, it was a trivial matter.

However, due to Arya’s courage attitude at the press conference, more and more attention and respect

was paid to her on the internet. Some netizens even formed their own fan club and posted their support for Arya to return back to film industry.

The investors didn't care about public opinion and insisted that Caroline would play the role of Jane. However, due to strong demand from the Directing Team, it was adamant the second female lead is Arya.

They had sent people to Brilliant Entertainment to discuss the cooperation for Arya, but Daniel had an excuse to refuse every way he can.

“Arya has been dormant from acting for more than two years. Are you sure you want her to be the second lead actress?”

“Yes, these are the Directing Team's requirements, and we believe Miss Morrison's ability, she will

definitely be able to play the character” The assistant director continued, “This is the contract. Director Parker, please arrange Miss Morrison to enter the film crew as soon as possible.”

“Perhaps you change the character to a cameo instead?”

Daniel didn't even want to know Caroline's reaction would be if she heard the news. In his heart, he hoped that Arya wouldn't return to the screen. If she did return, it would be even more difficult to control her.

“The decision is final by the Directing Team. Also, if Miss Arya does not want to participate, it is very likely that Miss Caroline's scenes will be deleted. I hope Director Parker will consider it carefully.”

Daniel gritted his teeth in anger, but there was nothing

he could do. It is what it is.

The investors didn't care about public opinion and insisted that Carolina would play the role of Jana. However, due to strong demand from the Directing Team, it was adamant the second female lead is Arya.

"Arya has been dormant from acting for more than two years. Are you sure you want her to be the second lead actress?"

"Yes, these are the Directing Team's requirements, and with Miss Morrison's ability, she will definitely be able to play the character" The assistant director continued, "This is the contract. Director

Parkar, plaasa arranga Miss Morrison to antar tha film crew as soon as possibla.”

“Parhaps you changa tha character to a cameo instaad?”

Danial didn't avan want to know Carolina's raaction would ba if sha haard tha naws. In his haart, ha hopad that Arya wouldn't raturrn to tha scraan. If sha did raturrn, it would ba avan mora difficult to control har.

“Tha dacion is final by tha Diracting Taam. Also, if Miss Arya doas not want to participata, it is vary likaly that Miss Carolina's scanas will ba dalatad. I hoga Diractor Parkar will considar it carafully.”

Danial grittad his taath in angar, but thara was nothing ha could do. It is what it is.

Just when Daniel wasn't sure on how to deal with the matter, Luna received a copy of the contract, "Don't worry, Director Brown, I will definitely convince Arya to take this role. Regarding what happened in the past, she had always wanted to find an opportunity to make up for it. The play is easy to handle."

After hanging up Director Brown's phone, Luna was extremely ecstatic.

"Arya, this is Lady Luck looking after you!"

Arya leaned back on the sofa and looked out the window. She calmly made a sound of acknowledgement. She was expecting this to happen.

"It's not going to be that easy. Caroline will definitely cause a commotion when she heard the news."

"That's true. In order to keep Daniel to herself, she

even tried to get pregnant. But now you stole the limelight. It just happens you are playing the second lead actress and you have one-third more than her scenes in the movie. She would definitely be annoyed.”

“The more annoyed she is, the better it will be for us.” Arya replied with confidence. She had already mentally prepared herself. No matter what Caroline does, she would remain calm.

The screen of her phone lit up. It was a message from Allen.

“Work hard, Mrs. Jones.”
