

## LOVE OF A BILLIONAIRE

### Chapter 25 I Am Talking About Our Marriage!

“If you give up on this role, I will reconsider giving her another chance!” Daniel smirked and placed the letter of cancellation in Arya’s hand. “The decision is yours; after all you know I care about you the most.”

It was his sweet talk that Arya had fell for before but to this day, his sweet talk no longer had any effect on her.

“Daniel, I care about you too, that’s why from now on Luna is no longer my agent.” Arya looked at Daniel. All that had happened is what she expected.

She walked Luna out of Daniel’s office, took a deep breath and said, “Luna, you’re no longer my agent, you can do whatever you want from now on.”

She handed the letter to Luna. Daniel chased after

them and yelled, "Arya, what is this!"

It was because Daniel found a copy of the employment contract inside the contract, Luna had brought. It was a contract Arya wanted to employ Luna as her Special assistant.

The commencement date was today.

"Huh? Is there a problem?" Arya asked although she knew the answer. She held Luna's arm and said, "I like working with Luna. After you sign the contract, I'll be joining the film crew. Of course I need someone I'm familiar with to take care of me."

"And Luna fits the position perfectly."

She was driving Daniel crazy by the minute.

"Get in here!" He grabbed Arya but she dodged his

grasp.

“If there is something you want to say, then hurry up and say it. I don’t have a lot of time; I have lots of things to do.” Arya being Allen’s wife already knew she needed to keep her distance from other men.

The calmer Arya was, the angrier Daniel got.

“I thought you were ignorant but I didn’t expect you to be irrational. What right do you have to employ her?”

“Don’t all the artists have the right to choose their own assistants? Why is it such a big deal when I want to hire an assistant? If Caroline wanted an assistant, would you have gotten so angry?”

“Arya!”

Daniel yelled out her name.

“You don’t have to yell, I can hear you perfectly. I have put my efforts genuinely to what I have achieved to now. If you are disagreeing to my second female lead in ‘The Evening’ and me employing Luna as my special assistant, at least give a reasonable excuse to convince me instead of yelling at me in from of your office.”

“You have changed, you weren’t like this before!”

“Am I the only one who’s changed?” Arya’s heart no longer ached as it did before. Seeing Daniel act so hard in this matter was a joke.

Sha was driving Danial crazy by tha minuta.

“Gat in hara!” Ha grabbad Arya but sha dodgad his grasp.

“If thara is somathing you want to say, than hurry up and say it. I don’t hava a lot of tima; I hava lots of things to do.” Arya baing Allan’s wifa alraady knaw sha naadad to kaap har distanca from othar man.

Tha calmar Arya was, tha angriar Danial got.

“I thought you wara ignorant but I didn’t axpact you to ba irrational. What right do you hava to amploy har?”

“Don’t all tha artists hava tha right to choosa thair own assistants? Why is it such a big daal whan I want to hira an assistant? If Carolina wantad an assistant, would you hava gottan so angry?”

“Arya!”

Danial yallad out har nama.

“You don’t hava to yall, I can haar you parfactly. I

hava put my afforts ganuinaly to what I hava achiavad to now. If you ara disagraaing to my sacond famala laad in 'Tha Evaning' and ma amplying Luna as my spacial assistant, at laast giva a raasonabla axcusa to convinca ma instaad of yalling at ma in from of your offica."

"You hava changad, you waran't lika this bafora!"

"Am I tha only ona who's changad?" Arya's haart no longar achad as it did bafora. Saaing Danial act so hard in this mattar was a joka.

Daniel frowned, while he gripped the contract tightly, "I don't want to marry a woman that is a stranger to me. We will have the marriage register extended indefinitely!"

He had used this to threatened Arya many times.

He purposely made a regretful expression while he waited for Arya to breakdown and admit that everything she had done was out of pretense.

The corridor area where they were standing became still.

Arya looked melancholy at Daniel as if she was thinking.

Just when Daniel thought he succeed in Arya backing down, she said coldly, "Alright, that's fine with me!"

Daniel was completely stunned with her response.

He thought he had misheard her and grabbed Arya's wrist very hard "Did you not hear what I just said? I'm talking about our marriage!"

"There is nothing wrong with my hearing, I heard you

loud and clear. Since you said you don't want to marry a stranger and wish to postpone the marriage register, what can I do other than agree?"

Arya's reaction was quick and decisive. Staying away from Daniel was her best choice. She did not regret what she decided and said today.
