

LOVE OF A BILLIONAIRE

Chapter 28 | Lose My Cool

“No, the cloths here are all beautiful, it’s just that I don’t want to stand out too much and be a show off.” Arya quickly explained.

Allen frowned, “With a beautiful face is already enough to stand out. It doesn’t matter what cloths you wear, it will only enhance your looks. Your stunningness can’t be concealed.”

His words had bewitched charm in it. Arya blushed slightly, “Since Director Jones thinks so, how about you choose one for me?”

Arya suggested me without thinking too much but she didn’t expect Allen actually choose a dress for her. He picked a beige shoulder revealing dress with exquisite diamonds inlaid from the collar to waist designed by the foreign JUDI designer.

“Try this on.”

Arya put on the dress obediently. Her attitude had a quality improvement when she matched her cloths with the white high heels.

“Stunning!” Allen chose a silver necklace for her. Her overall look made Arya gracious.

“I didn’t know director Jones had such a good taste!”

“I have a good test because you are beautiful.” His eyes moved slightly as he pulled Arya to his embrace. He gently lifted her chin and kissed her.

“I lose my cool with your beauty. I don’t want to go to the company. Perhaps we ...”

Like a flower in full bloom, Arya’s face blushed faintly

as she accepted his kiss pleasingly.

“You’re the CEO of Dahua, you can’t ...”

Allen’s hand brushed her long hair, restraining the desire in his heart. He reluctantly said, “Then I’ll see you at home tonight ...”

“Okay” Arya replied with genuine happiness in her eyes. She hugged Allen’s arm and walked out of the villa together.

The two of them were match made in heaven. One was beautiful and the other was handsome. Arya’s tranquility with Allen’s tyranny was definitely a masterpiece by the heavens!

Luna could not help but exclaim, “What a perfect couple! If there was a script with both of you as a couple that would definitely be a blockbuster.”

“Let’s go.” Arya smiled radiantly as she got into the car.

...

They went to the ceremony and once the paparazzi heard the news, they rushed over.

Before Arya could get out the car, paparazzi surrounded her car, “Arya, you have been dormant for two years, why are you making a comeback now? Does it have anything to do with Daniel Parker?”

“How is your relationship with Caroline? Now that you both are in the same production, will it be awkward?”

Arya waved to the reporters and walked towards the hotel entrance. She didn’t answer any questions the reporters threw at her. This was the movie queen’s

demeanor!

Arya waved to the reporters and walked towards the hotel entrance. She didn’t answer any questions the reporters threw at her. This was the movie queen’s

damaanor!

Her grace and elegance were especially pleasing to the lens and attracted everyone's attention.

After meeting with the film crew one by one, Director Brown walked to Arya, "Welcome to the team."

"Director Brown, thank you for giving me this opportunity. I will try my best to portray the character."

While Arya met with filming crew, in President's office of Dahua, Allen didn't want to take a risk so he issued an order, "Arrange some body guards and protect Arya secretly and prevent anyone suspicious in proximity to her!"

He knew better than anyone what was going on the showbiz.

For some people, Arya acting this role would become thorn to their side.

After Arya met with the director, she was about to take her seat when few actors questioned her sincerely, “She shouldn’t try to trick the film crew again, right? The last time she faked her identity and caused much problem.”

“Don’t talk too much. She is the fiancée of the CEO of Brilliant Entertainment, she has a huge backer! It would be easy for her to make someone disappear from entertainment industry!”

Close by, Caroline was watching the Scene with hatred, “Arya, so what if you are part of the film crew. You are still destined to be trampled by me!”
