

## LOVE OF A BILLIONAIRE

### Chapter 32 Will You Abandon Me?

In half an hour, Luna's online video caused a huge commotion.

The whistleblower detailed each video's timeline on each post. Daniel was clearly two timing Arya. Even when Caroline knew that they were engaged, she still wanted to be a home wrecker. Judging from the scene from the video, she was clearly doing it in her own will.

Her pure image was now reduced to shreds due to the scale of the video. The Tieba and other blogs were berating her. All her fans said that liking such a celebrity was waste of their time.

“So she really is Daniel's mistress, destroying Daniel and Arya's relationship. She even used Arya to audition for her and then went against her. This

manipulative bitch has no respect!”

“I heard that she had arranged for her fans to cause trouble for the film crew and harmed Arya!”

“Forget about it, I’m not gonna waste of my time to support her anymore.”

Although a lot of people posted degrading and scolding comments on Caroline, there were also many people who posted their apologies to Arya.

At the same moment, Daniel brought Caroline along with him to have lunch with Boss Evans to discuss about the next investment.

Daniel’s phone was ringing constantly. “Excuse me, I have to answer this.”

As soon as he answered the call, Public Relations

Manager blasted, “Director Parker, something big happened. Quickly come back to the company.”

“What happened? Calm down and speak slowly ...”

The more Daniel heard, the darker his face became.

“Okay got it, I’ll be there soon!”

However, just as he was about to say something, Boss Evans and the others also received the news.

“Director Parker, I never thought that you would take advantage of us. You can forget about the investment matter. In the future, there is no chance for us to cooperate with Brilliant Entertainment anymore. Otherwise, we will be entangled to death by you all!”

“Boss Evans!”

There was nothing Daniel could do. He saw a lot of reporters rushing towards them, so he hurriedly left

with Caroline. When Caroline saw the video, she was dumbfounded.

Although the mosaics covered the body, it was clearly obvious she was naked.

Pa.

She slapped Daniel very hard across his face, “You secretly took videos!”

“Calm down, how could it have been me? Would I be stupid enough to put myself in the firing line?”

Daniel was flustered by the sudden turn of events. He didn't have time to care about Caroline's feelings. He grabbed her wrist to calm her and asked, “Think about it, who do you think would have done it?”

“Apart from Arya, I can't think of anyone else. I just

wanted her to be an outcast. I never expected her to do this. She has ruined my reputation and my life! I have lost my chance for getting the best actress award due to the backlash. How can I face anyone now or in future?”

Caroline wiped the tears off her face and furiously said, “I don’t care. Give Arya a call for a public apology!”

Howavar, just as ha was about to say somathing, Boss Evans and tha othars also racaivad tha naws.

“Diractor Parkar, I navar thought that you would taka advantaga of us. You can forgat about tha invastmant mattar. In tha futura, thara is no chanca for us to cooparata with Brilliant Entartainmant anymora. Otharwisa, wa will ba antanglad to daath by you all!”

“Boss Evans!”

Thara was nothing Danial could do. Ha saw a lot of raportars rushing towards tham, so ha hurriadly laft with Carolina. Whan Carolina saw tha vidao, sha was dumbfoundad.

Although tha mosaics covarad tha body, it was claarly obvious sha was nakad.

Pa.

Sha slappad Danial vary hard across his faca, “You sacratly took vidaos!”

“Calm down, how could it hava baan ma? Would I ba stupid anough to put mysalf in tha firing lina?”

Danial was flustarad by tha suddan turn of avants. Ha didn't hava tima to cara about Carolina's faalings. Ha grabbad har wrist to calm har and askad, “Think about

it, who do you think would have done it?”

“Apart from Arya, I can’t think of anyone else. I just wanted her to be an outcast. I never expected her to do this. She has ruined my reputation and my life! I have lost my chance for getting the best actress award due to the backlash. How can I face anyone now or in the future?”

Carolina wiped the tears off her face and furiously said, “I don’t care. Give Arya a call for a public apology!”

“No, we can’t afford to stir up more trouble or we are done for. I’ll take you back home. Don’t go anywhere for the time being. All activities will be postponed and I’ll go and explain to the production team.”

Daniel tried to calm her down by stroking her back. This was the best solution he could come up with at

this moment.

Caroline suddenly felt a cold shiver and asked the man in front of her, “Daniel, you won’t abandon me, right? This situation has come this because of you. If you don’t want me ...”

Daniel hugged her immediately, “Silly girl, why would I not want you? It’s just that we shouldn’t see each other for the time being. Trust me, I will sort out this matter soon as possible.”

Caroline got off the car doubtingly. As she watched the car drive away, she only had one emotion: hatred.

Caroline assistant rushed over to her home and saw her standing in a daze on the footpath. He whispered, “Stop looking and go home quickly. The paparazzi will be here soon.”

“Is there a chance I can still turn things around?”

Her assistant was afraid that she was still upset, so she quickly said, “Of course there is, the baby is your trump card, Young Master Parker won’t abandon you!”

“Baby?” Caroline slowly caressed her tummy, her eyes glowed once again.

Yes, she still have her baby.
