

Love Of A Billionaire

Chapter 62

Chapter 62 Surprise

The next morning, both Luna and Julia came early to pick Arya up.

Julia was stunned when she saw such a luxurious villa. “I’ve heard Arya is Morrison Family’s princess with a solid family background but I never thought that …”

“Stay in the car and wait a moment, Arya will need my help with carry few of her bags. If no one is in the car, the security guard will ask questions.”

Luna explained to Julia and went in the villa.

Allen walked towards them. Although dressed in his casual simple gray shirt and pants, his regal aura was hard to conceal.

He held Arya’s hand intimately, “Take good care of her. I’ve already sent her things to the airport.”

“Director Jones, you don’t need to worry. I will take good care of Arya.”

Luna smiled. In her mind, she thought, “Your little wife isn’t as harmless as she looks. She’ll definitely gobble you up in future.”

Of course, she didn’t dare say such thing to his face.

Arya looked at Allen and said a little sadly. “I will miss you so much. I’ll be back soon.”

Suddenly Allen lowered his head and gave a slight peck on her lips.

“Come soon, wife.”

Luna and Arya walked towards the car and drove to the airport with Julia.

On the second floor balcony Allen instructed his men, “Go get ready, I want to give her an unexpected surprise.”

“Yes, Director Jones.” The assistant answered and immediately went to have things arranged.

An hour later, everyone was waiting at the airport for Caroline’s arrival.

An hour later, everyone was waiting at the airport for Caroline’s arrival.

Wear a pink dress, she looked like a flamingo. In order to stand out from the crowd, she would be willing to do anything or in this case, wear anything.

“Daniel, I’ve arrived!”

Caroline smiled and sprung into Daniel’s arms. She hummed proudly and hugged Daniel’s arm tightly.

”Everyone is here, let’s go.”

Daniel picked up his luggage and noticed Arya did not have any luggage with her, Luna and Julia didn’t have much luggage either. He frowned slightly and said, “Arya, don’t you want to …”

“Daniel, why do you care about her?” Caroline wasn’t too happy with the way Daniel was looking at Arya. Even his question to Arya made her uncomfortable.

At this moment, six bodyguards in suits walked up towards Arya, “Your luggage has been checked-in already. Security check is on the east side. This way, please.”

Before Arya could say anything, Caroline smiled and acted all cutely at Daniel, “Daniel, you arranged all this for me? That’s wonderful. What would I do if I met a fan on the plane? You’re so considerate. Let’s go.”

She loved it when she was the center of attention. She was especially arrogant.

Daniel shook his head and grabbed her, “I didn’t arrange it.”

“Okay.” Arya replied calmly, put her sunglasses on and left together with Luna and Julia. They followed the bodyguards, not even pay attention to Daniel and Caroline.

Caroline stomped her feet in anger. “She …”

“Arya is not that kind of person, it might be arranged by the Morrison Family. Come on let’s go.” Daniel looked at Arya’s back meaningfully, and the doubt in his heart deepened.

Arya had changed so much in the past few days. He wondered absent-mindedly what had happened to her. Caroline on the hand got even more jealous. She kept thinking that Daniel was very concern about Arya’s attitude towards him and would throw a tantrum whenever she had an opportunity.

When they entered their cabin they couldn’t see Arya.

“Where did she go?”

Caroline asked obnoxiously while pointing at the flight attendant.

To give the service as expected, the flight attendant replied gently, “The passenger’s flight has been changed and is no longer on this flight.”

“What?” Daniel immediately dialed Arya’s number, but it was Luna who answered.

“You cancelled your flight? How dare you take the initiative to do something like that? If Arya destroys the filming, I won’t let her off. Where the hell is she?”

He thought Arya went through a particular passage while going through security check, but he did not expect her not to board the plane!

If she refused the agreement last minute, then Brilliant Entertainment would definitely be ruined!

“Director Daniel, relax! Arya is on a private jet and she’ll arrive an hour earlier before you.”
