

Love Of A Billionaire

Chapter 73

Chapter 73 It Turned Out to be Her

With his own eyes, Jason witnessed Arya’s beauty tonight. He also saw everyone including Nasha’s attitude towards Arya.

Suddenly, a movie poster he once saw popped into his head. How could he forget such a thing?

“You’re the one! You were the main heroine in the movie ‘Ritu’s Old Clothes!’” He slapped his forehead and realized his stupidity.

“Jason, this is the actress that I mentioned to you before, a star that has been silent for three years.”

“But you never told me her name!” Jason was full of regret.

Nasha had mentioned to him many times that if she had the chance to work with a Chinese director, she would try her best to invite Arya to participate, but she never once mentioned Arya’s name. Finally, the opportunity to work with Arya has arrived.

Otherwise, today he wouldn’t have ...

Nasha blinked. “That’s because Arya retired and I didn’t want to disturb her private life. Now she is back!”

Jason sighed deeply and took the initiative to apologize to Arya, “I’m sorry about what happened. I believed their slandering and misjudged you.”

Nasha frowned, not understanding why Jason is apologizing, “Arya, what happened?”

“It was just a small misunderstanding. I believe that Mr. Jason was unaware.” Even if she told Jason about her previous work in the morning, he would not have believed her. Whereas now, with so many pair of eyes as witness and Nasha’s recommendation, Arya’s ability was no longer doubted.

“I have a lot of things I want to talk to you about. Let’s go inside.” Nasha smiled and hooked Arya’s arm, looking very close.

Jason remained where he was and gulped down his champagne. He nearly made a grave mistake. If Arya hadn’t appeared tonight, he would have missed such an opportunity to work with Arya. No thanks to Davina. How dare they deceive him.

He had to make up for his mistakes and save this situation. He couldn’t let the cast down by losing such a good actress.

Arya had a wonderful evening. She missed Nasha dearly. Before they bid farewell to each other at the fountain near the exhibition hall, Arya said, “Nasha, after all these years, I still remember your guidance and teachings. I look forward to our next collaboration. But right now, I still have some personal matters I need to settle so I can’t stay here long.”

“As long as you continue to keep acting, we will definitely see each other again.”

Nasha happily took her hand and said, “You’re grown and is more mature than before. I believe that you path will continue to go further.”

To exceed the status of receiving the best actress award, her future was limitless.

Arya smiled. She knew that if she wanted to reach her higher goal, she needed to work even harder.

Just as Arya was about to leave, Jason was waiting for her near her car.

“Miss Arya, I would like to discuss the filming with you again.”

“You made it very clear this morning you didn’t want me to participate.” Arya said honestly.

“No, that was my mistake, I made an error in judgment. As long as you are willing to participate in the filming, I am willing to agree to any condition!”

“Words cannot be absolutely agreed. What if I propose that only one Asian to appear in this show?” Arya asked in a firm and decisive manner.

“No problem, I can agree to that.” Jason nodded seriously.

“Alright then, I’ll see you tomorrow.” Arya got on the car that Allen sent to pick her up. Next is to wait for tomorrow’s drama to unfold.

Since they created the rumors, they would have to face the consequences of being found out.

Davina never thought in a million years Arya would have the chance to attend the film exhibition, much less she had let Jason know the truth.
