

Love Of A Billionaire

Chapter 87

Chapter 87 I Will Prepare A Gift For You

After spending the passionate night of love, the two of them went downstairs to eat breakfast together. The sweet atmosphere lingered around them.

“Arya, there is something...” Julia walked over and wanted to say something but stopped.

“Speak.”

Arya looked up and said. She put down the chopsticks in her hand.

“The production team of ‘Behind the Scenes’ will hold a small party tonight to celebrate the success of filming. They invite you to ...”

Under normal circumstances, this kind of invitation was not easy to refuse, but because Caroline was also one of the invitations, she and Daniel will attend together.

Arya thought for a bit, “Reply to them, I will be there on time.”

Julia admired Arya’s courage and hurriedly went to prepare.

Allen sat by the said and nodded approvingly, “Well done.”

Arya smiled and deliberately said coquettishly, “Aren’t you afraid that I will be bullied when I go out?”

Hearing that, the man frowned, “Is there anyone who can bully you?”

At first, he was worried that there would be many difficulties in shooting this time, but he gradually realized. Arya was a rational and emotional woman. She clearly understood what she wanted. It was precisely because of this that he was even more infatuated with her personal charm.

After receiving news that Arya would appear, Caroline ordered her assistant to prepare the most beautiful dress for her. She must let everyone see that she was the brightest star.

That night, when the banquet door opened, Caroline wore a gorgeous long dress and held Daniel’s arm as she slowly walked into the main hall with a sweet smile.

“Director Parker, so you and Caroline ...”

“We are preparing to get engaged.” Daniel patted Caroline’s hand. He had already decided on this matter.

Since he had already broken up with Arya, he had to give Caroline an explanation. No matter what happened in the future, he would not care about the few years of relationship he had with Arya anymore.

Just as they were talking, Arya walked in with Luna and Julia.

Arya’s simple clothing was not inconspicuous, but it was very compatible with her temperament. The gentleness in her movements made people unable to move their eyes away.

Caroline looked at Daniel’s eyes and looked at Arya. She pulled his arm tightly, “Arya, did you hear that?”

This question was full of gunpowder.

Davina put down the champagne glass and walked in front of Arya, “the past has passed. In the future, they will be a pair and Caroline will also gain a firm foothold in the entertainment circle and become the new movie queen. You will bless them, right?”

Davina stared at Arya’s face and wanted to see her painful expression. She spent all her efforts to go against the company just to affect Daniel’s attention. Now that she knew that they were engaged, it must be very uncomfortable ...

“No matter how famous a woman is, no matter how successful she is, there must be a man who is willing to take care of her by her side. Caroline is very lucky to have Daniel’s love, and you and Daniel are destined to have no fate. In the future, in the company, I hope you can keep your distance from him and not let outsiders see you as a joke.”

The surrounding people were all stunned. They did not expect that they were actually ...

Jason frowned at the side. He heard someone say to him, “No wonder Caroline always wanted to cover up Arya’s brilliance when filming.”

“When are they getting engaged?” Arya asked.

“Recently.” The current situation was very beneficial to Caroline. After this international reality show was broadcasted, Caroline’s popularity would greatly increase. In addition, Caroline’s performance ‘The River and One Dream’ score was not bad, so it was only matter of time before she won movie queen’s position.

“Okay, I will prepare an engagement gift for them.” Arya picked up the the champagne glass. The indifferent smile on her face was very glaring.

Caroline let go of Daniel’s hand and walked towards Arya.

“I know you feel very uncomfortable. You don’t need to prepare gifts, as long as you stay away from Daniel in the future!”

“You think too much.”

Arya was not interested in talking to them anymore. She calmly turned around and went to eat with Luna and Julia.

But Caroline did not have any intention of letting her go. After the gathering ended, she stopped Arya.

“You are still an artist of Brilliant Entertainment and I am about to become the owner of the company. You have already lost. You have completely lost. You have completely lost to me!”

“Stop dreaming about obtaining something that doesn’t belong to you. If you recognize your own position, I will tell Daniel in the future to give you a chance to continue acting. But remember, you will never be able to surpass me!”
